Joe Fraley, Jr., Killed In Wreck Near Snyder

Joe W. Fraley, Jr., 25, of Rising Star, former resident of Haskell and grandson of Mr. and Mrs. R. I. Moore of this city, was killed in a highway accident...

Funeral Rites for Mrs. R. A. Hays Held Tuesday

Funeral services for Mrs. R. A. Hays, 79, longtime resident of Haskell, were held at the graveside in Willow Cemetery at 1:30 p. m. Tuesday...

Mrs. Hays died at 6 p. m. Sunday in Corsicana, after an illness of about five months. She had been making her home with her son in that city since the death of her husband Dec. 26, 1954.

Funeral arrangements were in charge of Kinney Funeral Home of Stamford. Pallbearers were Virgil Sonnamaker, George B. Fields, Raymond Woodridge, Melvin Woodridge, Jesse Collier, F. J. McCurley, Lon Pate, Clay Smith.

Miss Ettie Musil Is New Assistant County HD Agent

Miss Ettie Musil of Stamford has been appointed assistant County Home Demonstration Agent in training, and assumed her duties recently in the office of Miss Thelma Wires, County Home Demonstration Agent.

Miss Musil, a senior Home Economics major in the University of Texas, will re-enter the University in September and expects to complete her work for her degree in February. After graduation she plans to join the Extension Service. She is the daughter of Mr. and Mrs. F. J. Musil of Stamford.

Members of the Benson Auto Supply team, the Ponies, in Haskell's Summer Youth Program are shown here. From left to right, front row: Rusty Pease, as; Maxie Mullins, 1b; Jimmy Rexrode, 1; Sam Pace, 4; James Smith, 4; Bobby Medford, c; Tommy Walker, utility infielder. Back row: Jerry Gresham, c; Burl Medford, f; Sammy Rike, p; Tommy McClung, p; Bobby Wheatley, 2b. A member of the team not shown is Fred Smith, outfielder.

Final Rites for Mrs. H. R. Whatley To Be Held Today

Funeral services for Mrs. H. R. Whatley, 69, widow of the late Rev. H. R. Whatley, will be held at 2 p. m. today at the First Baptist Church.

The Rev. C. E. Lancaster of San Saba and the Rev. M. D. Rexrode, pastor, will officiate. Burial will be in Willow Cemetery under direction of Holden Funeral Home.

Mrs. Whatley died from a heart attack at 9:15 p. m. Tuesday in the Haskell Hospital. She had been in the hospital for about 10 days with a virus infection, but was not considered to be critically ill.

Her husband, the late Rev. H. R. Whatley, was pastor of the First Baptist Church here for more than 21 years before his death on August 22, 1948. He was prominently known throughout Texas as an outstanding religious leader and evangelist.

Deceased was born March 11, 1886, at Canton in Van Zandt County, the daughter of the late Mr. and Mrs. Thomas J. Rumbo. She was married to Rev. H. R. Whatley December 30, 1906 at Lometa, Texas.

Cofield Dress Shop In New Location On North Side

Cofield Dress Shop, formerly located on the northeast corner of the courthouse square, was moved during the weekend to the Hancock Building on the north side, formerly occupied by Hub Dry Goods.

The new location provides additional needed space for the merchandise stocks carried by the store, Mrs. Hardin Cofield, owner of the business, said. The larger building also permits a better arrangement of stocks and makes shopping more convenient for their patrons, Mrs. Cofield said.

People of this section are invited to visit the store in its new location, the owner said.

HARRY PAYNE Evangelist

Florida Minister To Lead Weinert Gospel Meeting

Harry Payne, Church of Christ minister of Tampa, Fla., will be the evangelist for a Gospel Meeting at the Weinert Church of Christ which will begin Sunday, July 24 and continue two weeks.

In addition to a background as a successful evangelist, Minister Payne did mission work in Holland for three years before going to the pastorate of the large Tampa church. He returned from Holland about a year ago.

Damon Smith, minister of the Weinert Church of Christ, will be song leader during the two-week Gospel Meeting, and good singing will be a feature of the meeting.

Services will be held twice daily, at 10 a. m. and 8:15 p. m. A sincere welcome awaits everyone who attends.

Second Polio Vaccine Shots Will Be Given Next Week

Ground Observer Corps Unit Planned For Five Posts In Haskell County

Organization of five ground observer posts in Haskell County during the very near future was announced today by County Judge Alfred Turnbow following a conference with Air Force representatives.

In making the plea, M/Sgt. Skinner pointed out that no previous special training is required. A ground observer corpsman must be able to see, hear and speak distinctly, he stated. Skinner was accompanied to Haskell by Sgt. W. R. Elliott.

Observers report their observations to the filter center, which in turn tracks the aircraft on a large vertical map of the area, and relays the information to a unit of the Air Force Air Defense Command.

The Air Defense Command is responsible for providing fighter-interceptor planes in answer to warnings sounded by radar installations and members of the Ground Observer Corps.

As soon as civilian leaders are selected a training group will be sent out from Dallas to conduct training of the local groups. Judge Turnbow was advised. Then, after Jan. 1, 1956, the local stations will be visited once each month.

Ottie Johnson Is Named President Quarterback Club

Annual business meeting of the Haskell Quarterback Club was held Tuesday evening, when officers were elected for the 1955-56 club year, and plans discussed for the coming football season.

Ottie Johnson was elected president, succeeding Thos. B. Roberson. Other officers named included Rex Felker, first vice president; George Tyler, second vice president; and George Neely, re-elected as secretary and treasurer.

Head football Coach Jess Stiles was a guest at the meeting, and in a brief talk, expressed his appreciation for the support which has been given high school athletics by the Quarterbackers. He said that football workouts would be started Aug. 22 and that he was pleased with the football prospects. He urged the support of Quarterbackers in encouraging members of the squad when the training season gets under way.

The Q-B Club project, a neon sign at the entrance to Indian Field, was discussed and it is planned to have the installation completed as soon as possible.

Plans for the club's participation in dedication of the new high school gymnasium also mentioned, but will be dependent on plans of school officials.

'Fuzzy' Renfro Now In Piggly Wiggly Meat Department

"Fuzzy" Renfro, manager of the meat department of Rogers Foods Store for the past year, and previously with Atkinson's food store for a number of years, is now employed in the meat department of Cecil Gregory's Piggly Wiggly store.

Addition of Renfro gives Piggly Wiggly two experienced men in the meat department of the store. Marion Josselt, manager of the department, has been with the store for some time.

The second shots of the Salk polio vaccine will be administered during the coming week to Haskell County school children in the first and second grades who received the initial polio inoculation in April, it was announced this week.

Only those children who received the first polio shot will be eligible for the second inoculation, it was explained. Neither is it compulsory that the child take the second polio shot, it was pointed out.

Approximately 527 first and second grade pupils in Haskell County schools received the initial shots in April. Dr. E. M. Kimbrough has announced that a schedule has been arranged under which pupils in Rochester, O'Brien, Paint Creek, Mattson, Weinert and Haskell schools will receive shots at the Haskell County Hospital beginning Monday, July 25.

First and second grade pupils in Rule and Sagerton schools will be given their second polio shot today, July 21, at the Rule Clinic by Dr. Robt. E. Colbert. Pupils in other schools of the county will be given the second inoculation next week under the following schedule:

Monday, July 25, 1 p. m.—Pupils in Rochester and O'Brien schools. Tuesday, July 26, 1 p. m.—Pupils in Paint Creek and Mattson schools. Wednesday, July 27, 1 p. m.—Pupils in Weinert and Haskell schools.

Jno. L. Manning Promoted to FHA Supervisor

John L. Manning assistant county supervisor here for the Farmers Home Administration since March, 1953, has been promoted to county supervisor and transferred to Wheeler.

Effective August 1st Manning will supervise FHA work in Wheeler and Hemphill Counties. His headquarters will be in Wheeler. Manning, a native of Oklahoma, is a veteran of World War II and a graduate of Texas Technological College.

Haskell Man Hurt In Car-Pickup Crash Saturday

John E. Robison, farmer and former service station operator of this city, suffered serious injuries and two members of a Pecos, Texas, family received minor injuries and bruises in a two-car collision Saturday morning. The mishap occurred about 7:20 a. m. on Highway 277 in the north outskirts of Haskell. Robison, driving a Dodge pickup, was on his way to his farm north of town. As he started to turn off the highway onto a farm road, his pickup and a Buick automobile occupied by Mr. and Mrs. Harry E. Blenden and their two children, of Pecos collided almost headon. They were traveling south on the highway, on route home from a vacation trip.

Ponies, Cats and Tigers Lead Three Divisions of League Play

Benson Auto Supply Ponies edged closer to the top in summer baseball standings during the weekend, with two wins to their credit in Pony League play, while the Cats added a victory to widen their margin as top team in the Midget bracket. In the Little League division, the Tigers added a win as undisputed leaders in their bracket.

Friday night the Ponies defeated the HYD Colts, 19-6, at Fair Park Field, when Bobby Wheatley and Maxie Mullins alternated on the mound for the winners, with Burl and Bobby Medford receiving.

Ponies, Cats and Tigers Lead Three Divisions of League Play

Tuesday night the Ponies clipped the league leading Throckmorton 'Hounds 18-7 at Fair Park, with Tommy McClung setting the pace for the Ponies. McClung had a perfect night at bat, getting four out of four, and racking up an equal number of runs. McClung also alternated with Bobby Wheatley on the mound.

Tuesday evening, in the Midget division, the Cats plastered a 12-6 win over the Bears, with Steve Byrd and J. Gibson stepping into the ranks of home run hitters, each rapping out circuit clouts. Pitching for the winners were Barry Oneal and Byrd, with Charles Chapman and Gary Davis receiving. Leading hitter for the losers was Wendel Coston, with a home run. Coston also worked on the mound alternating with Phil Biard.

In the Little League division Monday night, the Tigers blanked the Rams 2-0, in one of the best games of the season. Hurling for the winners were Felix Miller and Bobby Harvey, with Tommy Furrh receiving. Leading hitters for the Tigers were Harvey, Rex Solomon, and Richard Bartlett. Moundmen for the

Rams were J. Klose and Burley Feiser, with Huey Feiser receiving. The two pitchers turned in top notch performances, with Moeller and Seelig doing stellar work in the field in holding down the potential score of the hard-hitting Tigers.

In the second Little League game Monday night, the Hawks took a 14-9 win over the Cubs, with Eddie Livingston and Ben Anderson working on the mound for the Hawks. Outstanding fielders for the winners were Ken Weaver and Livingston. Pitchers for the Cubs were J. D. Stocks and Ted Dement, with Bobby

Business & Professional Women's Club Organized at Meeting Thursday Night

Organization of a Business and Professional Women's Club in Haskell was voted Thursday evening at a meeting in the banquet room of the Texas Cafe of more than 30 women identified in local business and professional circles.

Marguerite Anderson of Abilene, a former Haskell girl and a past State president of Texas B&PW Clubs, explained the purpose of the organization in addressing the local group. "A club is formed to promote the interests of business and professional women, and to bring about a spirit of cooperation among business and professional women," Miss Anderson told the group.

Other speakers who addressed the group were Martha Ritter, president of the Abilene B&PW Club, and Lucille Kubesa, past president of the Abilene club. They discussed the theme of the national and international Federation of Business and Professional Women's Clubs.

In organizing the local B&PW unit, Artie Mae Burkett was named temporary chairman and Ozella Frierson, secretary. Committees were also named to handle various phases of organizational work.

Next meeting of the group will be held Tuesday evening, August 2, at 7:30 in the banquet room of the Texas Cafe. Reports will be heard at that time from the following committees: Dues—Nettie McCollum, Dr. Gertrude Robinson, Ruby Smith. By-Laws—Opal Nanny, Veta Furrh, Edna Mae Lyles. Membership—Robbie Pitman. Mrs. M. E. Helber, Ina Dell Fitzgerald, Callie Robison, Leone Pearey.

Haskell County History

20 Years Ago—July 18, 1935

Courtney Hunt assumed management of Hunt's Store here this week, and C. M. Hunt, who has been in active charge of the business for the past year has retired and moved to Dallas.

B. W. Chesser of Crosby County will arrive Monday to assume his work as County Agent, it has been announced by the Commissioners Court. He succeeds R. H. Maxwell, who has been transferred to Jones County.

Miss Mary Ben Chapman of Weatherford is here visiting relatives.

Miss Marcelle Frazier has returned to her home after a month's visit in Munday. She was accompanied home by her cousin, Maurine Beavers, who will visit here.

Mr. and Mrs. W. B. Stoker and daughter, Lillie Faye, spent last week in New Mexico visiting in the home of their daughter and

family, Mrs. Kenneth Sherman. The Bankhead ginning tax on cotton from the 1935 crop has been set at 6 cents per pound, the Government announced. The tax on the 1934 cotton was 5.67 cents per pound. The tax will only apply to all cotton produced in excess of the Bankhead Act allotments.

Between four and five hundred members of Home Demonstration Clubs in Stonewall, Knox and Haskell Counties are gathering here today for their annual two-day encampment.

Miss Lucille Paxton returned home Tuesday from Austin where she has been attending the University of Texas.

Hillery M. Stone of Haskell and Charles Curry of Weinert were listed on the honor roll of Texas Technological College, Lubbock, for the spring semester.

Mrs. K. L. Strickland and baby were returned to the home of her mother, Mrs. P. M. Mullins, from the Stamford Sanitarium last Monday.

Report of condition of the Haskell National Bank at the close of business June 29, 1935, listed loans and discounts of \$101,232.89, and deposits of \$196,534.81.

Miss Frances Morris of Spur is visiting her aunt and uncle, Mr. and Mrs. T. J. Arbuckle and family.

30 Years Ago—July 24, 1925

A. A. Green of the Howard community was in town Tuesday with an open boll of cotton from this year's crop. He is hoping to get out the first bale this year, and this early start should make him a certain winner.

Judge and Mrs. A. H. King and their daughter, Miss Dexter, of Throckmorton, spent Wednesday here with relatives and friends.

Miss Helen Harbison, who is connected with Grissom's Store, is spending her vacation with home folks in Fayetteville, Ark.

Mr. and Mrs. W. A. Duncan and children have returned from an extended visit at points in North Texas and Oklahoma.

Mrs. J. P. Berry, daughter of Dr. and Mrs. D. L. Cummins,

has returned to her home in Fort Worth. She was accompanied by Mrs. Virgil Meadors and son, Virgil, Jr., and they will visit in Fort Worth and Belton.

Mr. and Mrs. Alfred Pierson left Friday morning for New Mexico, where they will spend a two weeks vacation. Mr. Pierson is cashier of the Haskell National Bank.

Miss Alberta Smith spent several days last week with relatives and friends in Dallas, Cumby, and Denton.

J. W. Burrow of Sagerton and his daughter, Miss Orine, were here Monday. He says that crop prospects in the Sagerton section are as good as they were in 1919. The maize crop is already made and the cotton crop is standing the drouth fine. They have had more rain in that section than other parts of the county.

Mrs. John A. Couch has as her guest, her niece, Mrs. James Rutherford and children of Houston, Mo.

Anderson Landess and family of the Howard community returned last week from Temple. They had been there at the bedside of his father, "Uncle Dick" Landess who recently underwent an operation at Scott & White hospital. Anderson reports that his father is getting along nicely and will soon be able to return home.

Mrs. Wiley Reid is visiting relatives and friends in Sulphur Springs.

50 Years Ago—July 22, 1905

J. F. Bolander of the Munday neighborhood was here Thursday. We learned that he had finished threshing his wheat crop, getting a total yield of 6,247 bushels, or a fraction over 20 bushels to the acre.

J. T. Hester of the Mid community brought in three bales of cotton Monday, which he had held over from the 1904 crop. The cotton was purchased by a local buyer.

Mrs. Maggie Gibson, who has been visiting her parents, Mr. and Mrs. J. E. Irby of the east side, left Monday for her home in Deming, N. M.

George Taylor of Kaufman is visiting the family of R. B. Fields.

Miss Laura Garren came up from Stamford Friday and spent

several days with Haskell friends. Mrs. S. W. Scott returned Thursday night from an extended visit at Woodward, Oklahoma Territory.

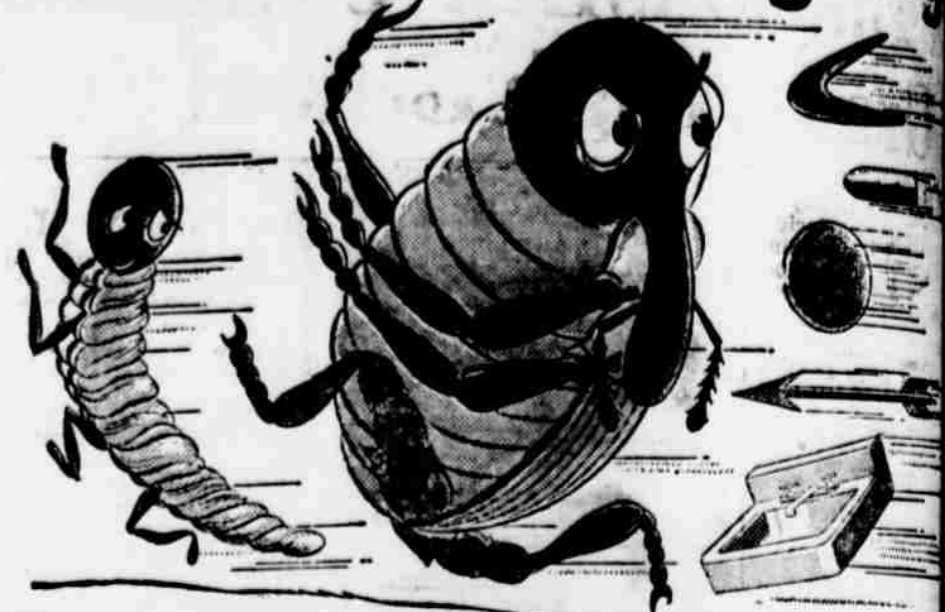

J. L. Turnbow has subscribed to The Free Press to be sent to G. H. Turnbow in Tennessee. He says we have a fine country here and ought to let other people know about it.

A barbecue and community festival is to be held at Carney Aug. 4 and 5. A merry-go-round and other entertainment will be on hand, and there will be foot races, a ball game, and other contests.

With Mrs. Zora Park as chaperone, Misses Ola Fitzgerald, Florence Couch, Alice Poole,

Vernon Cunningham, Neathery, Frankie Neathery, Fay Neathery, Glennie Russell, Monday picnic on along as driver and bears off, we y...

LONE STAR GAS COMPANY

THE TWO HOTTEST, FASTEST SELLING MERCURYS EVER BUILT. Above, the low-silhouette Montclair hardtop coupe is only 58 1/2 inches from road to roof. Below, the new Montclair 4-door—the sedan with the "hardtop" beauty—is only 58 1/4 inches high!

Take your pick—coupe or four-door sedan— You get Montclair "hardtop" beauty in both

When the Montclair "hardtop" was introduced, it was hailed by the automotive press as "the most beautiful car in America regardless of price." Now, as you see in the lower half of the picture above, it has an equally beautiful running mate—a 4-door sedan.

NEW 4-DOOR GIVES YOU TRUE SEDAN CONVENIENCE
The whole family can enjoy this car. There's plenty of room for all. Anyone who wants the convenience of a four-door—but admires "hardtop" beauty—can now eat his cake and have it, too! Both Mercurys have the same fleet look of motion and dramatic lowness.

MORE USABLE POWER—UP TO 30% MORE PICKUP
Seldom has an engine caused such comment

as the 108-hp SUPER-TORQUE V-8 in these cars. Here is instant pickup at every speed—for lightning getaways and safer passing. You can pick up speed on a 28% grade! Dual exhausts, 4-barrel carburetor, and special high-compression spark plugs are included at no extra cost!

FIELD'S WIDEST CHOICE OF POWER FEATURES
There's no need to lift more than a finger or touch more than a toe in this car. You have a wide choice of optional power features—for stopping, steering, opening and closing windows, adjusting the front seat 4 ways—even lubricating your car while you drive. Merc-O-Matic Drive is optional, too, for effortless driving. So stop in at our showroom. See and try your favorite firsthand.

VISIT IN SUGARLAND

Mr. and Mrs. R. T. Landess and Mr. and Mrs. Shelly Royall spent last week end in Sugarland, Texas, where they visited in the home of Mr. and Mrs. Bob Cousins and family. Cousins, former Haskell County Sheriff, is connected with the State Prison System.

Gregarious animals live in flocks or herds.

Five Head of Mules, Once Commonplace Sight, Create Flurry of Interest Here

Five head of work mules, once a familiar sight in Haskell, attracted considerable attention one day recently when the large truck in which they were being transported stopped on the courthouse square for a few minutes. The mules—five head of 6 to 10 year old animals—were being transported from Tennessee to New Mexico where they will be used in a logging camp, a curious newspaper reporter learned.

Bill Martin, logging contractor of Sequatchie, Tenn., said the truckload of mules left that point two days before. He expected to reach his destination, Magdalena, N. M., the next night, he said. While stopped here, Martin made arrangements to use pens at the Saddle Tramp rodeo grounds for unloading the mules, feeding them, and allowing the animals several hours of rest before resuming the trip to New Mexico.

Haskell was the third stop on the journey, and Martin said that facilities for caring for the livestock were not easily found. Martin said that logging work, especially in rough, mountainous country, was about the only place in which mules had not been replaced by trucks and caterpillars. Martin has a contract in New Mexico which he believes will keep him and his teams busy for a year or longer.

Tri-County Golf Tourney Slated At Munday

Annual Tri-County Golf Tournament has been scheduled July 28 through July 31 at the Munday Country Club.

Qualifying rounds will begin Sunday July 24 and continue through Wednesday, July 27.

The Calcutta Pool and feed will be held Wednesday night, July 27 at 7:30 p. m. at the Country Club. Ladies and non-golfers are invited to attend the affair.

Matched play in the tournament will begin Thursday, July 28th.

The 1954 Tri-County Tournament was held at Seymour Country Club. Tournament winner was Travis Horton of Rule, who defeated Joe Morrow of Munday.

Golfers from Foard County have been invited to join in the Tri-County Tournament play this year. Other counties to be represented are Haskell, Knox and Baylor.

Kin of Sagerton People Die In Robstown and Odessa

Mr. and Mrs. Albert Stremmel and Mr. and Mrs. August Stremmel, all of Sagerton, went to Robstown recently to attend the funeral of Mrs. Joe Simmons, a cousin of the two Sagerton women. The Stremmels visited at El Campo with Mr. and Mrs. Ed Campo with Mr. and Mrs. Ed Popp and they remained there at the bedside of Mr. Popp, who is seriously ill with cancer.

Mr. and Mrs. D. W. Counts, also of Sagerton, were called to Odessa for the funeral of Mrs. Counts' niece, Ruby Chester, who died from a heart attack. She was the daughter of Mr. and Mrs. O. G. Chester. Mrs. Chester is a twin sister of Mrs. Counts.

Haskell Firemen Attend Texas A&M Training School

Three members of the Haskell Fire Department returned Friday night from College Station, where they attended the annual Firemen's Training School. The four-day school was held at Texas A&M College under sponsorship of the Extension Service.

Attending from Haskell were Fire Marshal R. A. (Shady) Lane, E. J. Stewart, and City Fireman Floyd (Satch) Lusk. They expect to return Friday night.

Each of the Haskell firemen took a specialized short course in different phases of fire protection and fire fighting. Successful completion of the courses will result in a credit on fire insurance premiums which will result in substantial savings to Haskell property owners.

FORMER MINISTER AND FAMILY ARE VISITORS

Dr. and Mrs. Kenneth Copeland and daughter, Sue, were guests several days last week in the home of Mr. and Mrs. Clay Smith and visited other friends in Haskell. Dr. Copeland, pastor of Travis Park Methodist Church in San Antonio, is a former pastor of the Haskell First Methodist Church. The Copelands were returning home after a two weeks stay in Hawaii. In company with a party of friends from San Antonio, they made the trip from the States to Hawaii and return by plane.

Weinert News

By MILDRED GUESS

Mr. and Mrs. E. M. Owens and Mr. and Mrs. Kenneth Owens attended the funeral of an aunt, Mrs. Mollie Ray in Benton, Ark. Saturday.

W. C. Baldock of Big Spring has been visiting in the home of his nephews, the R. J. and E. F. Rainey families.

Mr. and Mrs. Frank Nicholson and family of Caddo, Ark., are visiting relatives and friends in Weinert. They have returned home from a visit with their daughter in California, and his sister and family, Mr. and Mrs. Vernon Biard.

Mr. and Mrs. Ellis Benham and Craig visited his parents, Mr. and Mrs. Clyde Benham of Weatherford and her mother, Mrs. H. V. Lemens of Glenrose.

The Mens' Bible Class and their wives honored Mr. and Mrs. Doyle Williams with a farewell ice cream supper at Rice Springs Park Thursday night. Mr.

\$5,714 Monthly Paid Retired Workers In County Last Year Under Social Security

In Haskell County at the end of last year 122 retired workers were receiving \$5,714 in monthly social security payments, according to R. R. Tuley, Jr., district manager of the social security office in Abilene.

In addition to the retired workers themselves, 141 people were receiving \$4,561 a month as dependents of the retired workers or as survivors of deceased workers.

Although this is a considerable increase as compared with payments a year ago, it is certain that more people will receive larger payments in years to come because of changes in the social security law in 1954. Tuley says. Among the major changes were the following:

1. Computation of payments after "dropping out" up to five years of lowest social security covered earnings.
2. Extension of social security

coverage to more farm workers and to self-employed farmers, as well as many other kinds of work.

3. Increasing of the maximum wages creditable toward benefits from \$3600 to \$4200.
4. Allowing disabled workers to "freeze" their social security wage records while disabled.
5. Increasing the amount of earnings which a retired worker can receive and still get all or a part of his retirement payments. (There is no restriction on earnings after a worker is 72 years old.)

Persons with social security questions are invited to contact the Abilene office for information. The address is 766 Cedar St. and the mailing address is P. O. Box 1641, Abilene, Texas.

National Farm Safety Week To Be Observed

College Station—The week July 24-30 should be for every Texan on and off the farm a practice period in prevention of accidents. The period has been designated as Texas and National Farm Safety Week.

The Texas Farm and Ranch Safety Committee believes that accidents on farms do not occur because farmers and their families are more careless than other citizens. But with excess work and fatigue they often neglect necessary precautions in working with power equipment and edged tools, and in keeping in good repair articles which are used frequently.

Prevention of accidents has a deeper importance than merely keeping people fit to work. The waste of human lives, the pain and sometimes permanent crippling resulting from accidents, and the disruption to family life when a member is injured are of even greater consequence. The distressing thing, points out the committeemen, is that so large a part of accidents which are happening daily could be avoided by caution and common sense safeguards.

Hazards to life and limb in homes and farm buildings are many and obvious. A systematic check will reveal them, and knowledge of them is an urge to remove them. Falls cause more injuries in the home than any other type of accident. Looking before stepping could reduce such accidents, suggests the Safety Committee.

Finally, the committee suggests that these seven days should take on special significance. It is time the farmers and their families and neighbors pooled their efforts toward making their industry as safe as any other in the nation. And as stated in the theme for Safety Week—"Your Safety is in Your Hands."

VISIT IN ALICE AND CORPUS CHRISTI

Mrs. Lorene Carter, Gayle and Dwayne, Mr. and Mrs. Jimmy White and Shane, and Mrs. Thomas Andrews and Cindy have been visiting relatives in Alice and Corpus Christi.

Jane Powell, determined to make gentlemen out of her husband's rowdy and unkempt brothers, gives them an ultimatum—"No cleanliness, no chow." Howard Keel, her husband, does not appear in the scene with "brothers" Jacques d'Amboise, Jeff Richards, Russ Tamblin and Tommy Rall. It's from M-G-M's boisterous new musical "Seven Brides for Seven Brothers," filmed in Cinemascope and Anso color. Starts Sunday at the Texas.

Rochester News

By MRS. JAMES A. GREER

The Birthday Luncheon Club met with Mrs. Tom Murphy on Thursday of last week. The day was spent in chatting and doing hand work. Mrs. Murphy was the honoree for the day and received individual gifts from the club members.

A covered dish luncheon was served at noon.

Present were Meses. A. A. Gauntt, Z. A. Branton, W. J. Bragg, L. M. Kay, Lillie Ballard, G. Hicks, W. Z. Wadzeck and Mrs. Sam T. Chapman of Haskell, and Mrs. J. D. Forman of Abilene and the hostess.

The following children are visiting with Mr. and Mrs. E. M. Server this week: Mrs. R. L. Heard and daughter Judy, Lynwood, Calif.; Kathryn Server of Manhattan Beach Calif.; Mr. and Mrs. Thomas Sitton and daughter Tommie Ruth of Lubbock. Mr. Sitton returned home Sunday night.

Other visitors in the Server home are Misses Helen Hayes and Gwen Brewer of Manhattan Beach, Calif.

Mr. and Mrs. Ray Alsabrook and family of Andrews, and Mrs. Rena Gilliland of Loving, N. M., spent several days here last week with relatives and friends. The Alsabrooks were former residents of this city.

Mr. and Mrs. I. G. Hudson of Big Spring visited with Mr. and Mrs. Joe Clark over the week end.

Mr. and Mrs. R. L. Huddleston of Ranger spent Monday night of last week with their daughter and family, Mr. and Mrs. Joe Hudson.

Mr. and Mrs. J. K. Worley and Mr. and Mrs. W. Buckner visited relatives in Lubbock last week.

Mrs. Gene Bittick returned last week from Corpus Christi where she had been visiting her daughter and husband, Mr. and Mrs. Lynn Johnston and getting acquainted with the new granddaughter.

Mr. and Mrs. E. M. Clark of Ruidosa, N. M. were supper guests of Mr. and Mrs. Joe Clark Sunday.

Mrs. Bill Kinman and daughter Diane, of Louisville, Ky., who have been visiting their parents and grandparents, Mr. and Mrs. Henry Perry, returned to their home last week.

Dinner guests of Mr. and Mrs. Mack Bell Sunday were Mrs. Eva Brock and Miss Lottie Brock of Chillicothe, Mrs. Allie Gurnsey of Athens, John Kromer of Borger and Mr. and Mrs. Allen Bell of this city. Other visitors in the Bell home Sunday were Mr. and Mrs. Hubert Bell and daughters of Haskell and Mr. and Mrs. Shelby Bell and family of Hale Center.

Gene Davidson of Seymour was a week end visitor with Jimmy Alvis.

Mrs. Vestus Alvis who underwent major surgery at Hendricks Hospital at Abilene last Friday morning is reported to be doing as well as could be expected.

Mr. and Mrs. Sammy Weatherford of Wayne, Okla. visited her parents, Mr. and Mrs. Jake Flournoy last week.

Mr. and Mrs. Joe Hudson left Tuesday morning of last week for a two weeks vacation and visit with their daughter, Mrs. L. M. Hagensen and family at Halley, Idaho.

Mr. and Mrs. L. T. Beauchamp and children of Artesia, N. M. and Miss Irene Bolton of Wichita Falls spent a few days last week with their parents, Mr. and Mrs. W. L. Beauchamp.

Mrs. Bud Corley left Monday for Comanche to be at the bedside of her father, Mr. Norrid.

Rev. Davis Edens, pastor of the Rochester Methodist Church left for Dallas late Monday to attend a pastors school at Per-

kins School of Theology at SMU. The school will continue for a month, but Rev Edens will come home each weekend to preach for the congregation.

Mrs. R. J. Duncan underwent major surgery Saturday at the Haskell Hospital. She is reported to be improving satisfactorily.

Funeral services were held for Mrs. Alice Rose Harcrow, 77, Monday afternoon at 2:30 at the Rochester Methodist Church with Rev. Davis Edens, pastor, officiating.

Mrs. Harcrow died Saturday, July 16, after a brief illness of pneumonia. She had been in failing health for several years.

She was born March 10, 1878 in Corvallis County, daughter of Mr. and Mrs. J. W. Whitaker.

She was married Aug. 10, 1903 to Samuel Morgan Harcrow of Fredell. Deceased had lived in Haskell County for 30 years. She had been a member of the Methodist Church for 47 years.

Survivors include one son, Floyd A. Harcrow, Plainview; one daughter, Mrs. Ivon Adkins, Plainview; three grandchildren, Mrs. Bruce Perry, Waco; Pfc. Donald Harcrow with the US Army in Germany; Richard Adkins, Plainview; three grandchildren, one brother, O. W. Whitaker, Haskell, three sisters, Mrs. Ed J. Hoyer, San Antonio; Mrs. Mollie Slike, Los Angeles, Calif.; Mrs. Roy Ralfsnider, Okeechobee, Fla.

Interment was made in the Rochester Cemetery under direction of Mansell-Smith Funeral Home. The Intermediate GA-YWA encampment of District 17 was held at Luaders Baptist Encampment grounds July 11-14.

The theme for study was Lifting the Cross in Today's World. Among the activities were mission study, handicraft, song service and many other helpful and inspirational activities have been reported by those who attended. The young people had the pleasure and privilege of having a missionary, Mrs. E. Millford Howell speak to them.

The Rochester GA girls who attended presented a comic pantomime, The Mortified Mortician.

Can You Afford This?

NEWS OF INTEREST TO WOMEN

Local Supervisor of Public Schools At Series of Reading Conferences

MRS. BURKETT

Mrs. Luther Burkett, supervisor of instruction in Haskell schools and president of the Texas Association for the Improvement of Reading, is attending the annual reading conferences.

Texas Association for the Improvement of Reading is the oldest organization of teachers interested in reading in Texas. In 1946 Mrs. Burkett was a member of a small group of teachers meeting in Alpine for a vacation and to discuss reading problems.

The formal organization of Texas Association for the Improvement of Reading took place in November, 1947, at the annual Texas State Teachers Convention in Fort Worth.

Mrs. Burkett is a charter member of T.A.I.R. and served as first vice president after the formal organization.

The purpose of the association is the improvement of reading in the public schools. Two ideas have been predominant in the planning of the programs for the T.A.I.R. Conferences: National speakers such as Dr. William S. Gray, Dr. Arthur I. Gates, Dr. Lillian S. Gray and others have informed and inspired teachers;

In 1951 it became obvious that the desire of Texas Teachers for such service in improving methods of teaching reading was greater than could be served in Alpine. Beginning with the conference on the campus of Southern Methodist University in Dallas in 1952, eight other centers for study were opened in the various areas of the state.

A mid-Winter conference was held at the University of Texas in January, with Dr. Donald Durrell and Dr. Helen Murphy of Boston University as speakers.

A Spring conference was held in March at SMU with Dr. Paul Witty, Evanston, Illinois, and Dr. Dora V. Smith, University of Minnesota, as speakers.

Other conferences to be held are: Stephen F. Austin College, West Texas State College, Sul Ross State College, University of Houston, Pan-American College

at Edinburg, and University of the South at Houston. Speakers for the conferences are: Dr. Emmet Betts of Narbeth, Pa.; Gwen Horsman, supervisor of high school reading, Detroit, Mich.; Dr. Ullin Leavell, Charlottesville, Va.; Dr. Dwight Kay Ware, supervisor of elementary schools, St. Louis, Mo.; Dr. Guy Bond, University of Minnesota; Dr. Marion Monroe, University of California, Los Angeles, Calif.; Dr. Paul McKee, Greeley, Colo.; and Dr. Martha Geising, Bowling Green, Ohio.

Blue Bonnet Club Meets In Home Of Mrs. Hewitt

The Blue Bonnet Home Demonstration club met Monday afternoon, July 18 in the home of Mrs. Dewey Hewitt with the president, Mrs. Clayton Carpenter, presiding. Mrs. Raymond Astin read the minutes of the last meeting. Mrs. A. C. Denson gave a council report.

Cotton Bags Go From Frontier Life To Fashion World

Back in the days when Davy Crockett was killing bears in the Tennessee mountains, pioneer women were sewing with cotton feed bags.

Today, this type of fabric is just as popular as it was in frontier apparel. Modern bags which package feed, flour and fertilizer offer improvements over those of earlier days. The quality is much finer and colorfast dyes are used to prevent fading. Patterns are smart, offering women fashion and thrift in the same purchase.

Brand names are printed in washout dyes that can be easily removed without harm to the cloth. None of these features or the array of colors and designs were available in pioneer sewing circles.

In preparation for the National Cotton Bag Sewing Contest, which is now being held at state and regional fairs until November, thousands of women are making useful items from bag fabrics. Valuable prizes and trips await the nation's top seamstresses.

This annual event, sponsored by the National Cotton Council, brought in 35,000 individual articles last year. From pre-contest response, greater participation is expected this year. Free idea booklets on sewing with cotton bags and complete contest information are available on request to the National Cotton Council, Box 18, Memphis, Tenn.

Attractive Lawns Don't Just Happen; They Require Work

Attractive home lawns don't just happen—they are the results of considerable time and effort.

Establishing a new lawn requires the use of adapted grasses, proper watering, mowing, fertilization and drainage. E. M. Trew, extension pasture specialist says.

Texas home owners have a choice of two popular lawn grasses. Bermuda grass is most widely adapted to growing conditions of the state. The other specie, broad-leaved St. Augustine grass, is recommended in the eastern and southern areas of the state. Buffalo, perennial ryegrass and Kentucky Bluegrass are varieties of lesser importance.

A sandy loam type soil high in organic matters forms an ideal foundation for lawns. Most soils need more organic matter. Its addition in the form of peat, compost or well decomposed grass trash, sawdust or leaf mold is suggested.

To insure proper drainage and smoothness, most lawns will require some grading or leveling.

If the lawn is seeded, use high quality seed of a single grass, not a lawn mixture. Spread seed evenly. Sodding, laying grass in solid strips, is expensive and time consuming but gives the desired grass cover quickly. If you sprig, the grass runners should be packed firmly into the soil.

Sprinkle lightly and frequently until the new grasses become established. As they take a foothold, water less often and increase the amount.

Mowing at a height of one and one-half to two inches will encourage spreading and will control invading weeds.

And, don't overlook fertilizers in the establishment of your new lawn. A soil test will determine which plant nutrients and in what quantities are needed. County agents can furnish complete information on sampling the soil, the specialist adds.

Rainbow Sewing Club Meets With Mrs. Lavern New

Members of the Rainbow Sewing Club met in the home of Mrs. Lavern New, Tuesday July 19 at 3 p. m. Vases of flowers decorated the living room and dining room.

The club president, Eddie Johnson, presided for a brief business meeting. Flossie Rogers led the group singing two songs, "When I Make My Last Move, and Let Him In."

In the absence of the secretary, Eva Pearsey, the minutes were read by Essie Bland. She also gave a reading about the Stevens Reunion. A report was given by the committee for the sick, and cards were sent to ill and bereaved members.

Ethel Edwards won honors for the most sewing, and Flossie Rogers gave the thought for the day, "When You Go to Church."

Plans were made for an amateur program and a watermelon feast Friday evening, July 22 at 7 o'clock in Rice Springs Park.

Entertainment features included a picture drawing game conducted by Flossie Rogers in which Lavern New was winner, and a scrambling baseball game conducted by Elizabeth Andrews in which Erma Watson was winner.

Elizabeth Andrews drew the hostess gift. The dismissal song, "Willing Workers," was sung by the group, and Essie Bland offered prayer.

Refreshments were served to Mesdames Elizabeth Andrews, Stella Josselot, Flossie Rogers, Eddie Johnson, Erma Watson, Essie Bland, Corie Pitman, Sue Peavy, Ethel Edwards, Doylee New and the hostess, Lavern New.

The next meeting of the club will be with Ann Taylor Aug. 2.

Hospital Notes

ADMITTED: Lonnie Hodgins, medical, Haskell. J. O. Hill, surgery, Rule. W. H. Robertson, medical, Haskell. Gilberta Palacios, medical, Haskell. Mrs. Eula Parker, medical, Haskell. DISMISSED: Mrs. Bob Cooke, Goree; Mrs. E. D. Allen, Rochester; Mrs. H. J. Aldridge, Rochester; Mrs. Isa Fielding, Haskell; Sandra Alexander, Haskell; Gayle Callaway, Haskell; Mrs. D. N. Busby, Rule; Mrs. Roy Acosta and infant son, Haskell; Mrs. Bernardo De Leon and infant girl, Haskell; Mrs. Tom Paul Barnett and infant girl, Haskell; Mrs. Eugene Nelson and infant son, Roswell, N. M.

The Very Newest

Births of four babies, two girls and two boys, were recorded in the Haskell Hospital during the past week. Parents and the new arrivals are: Mr. and Mrs. Charles Wayne Shaw of Haskell, a son, Gary Dewayne, born July 11, weight eight pounds, six ounces.

Mr. and Mrs. Bernardo De Leon of Haskell, a daughter, Rosa, born July 13, weight six pounds, eight ounces.

Mr. and Mrs. Eugene Edgar Nelson of Roswell, N. M., a son, Danny Eugene, born July 13, weight seven pounds, 15 ounces.

Mr. and Mrs. Tom Paul Barnett of Haskell, a daughter, Mary Joan, born July 14, weight seven pounds, 13 ounces.

PARENTS OF SON

Mr. and Mrs. Spencer Baize of Stamford are announcing the arrival of a son, Russell Alan, born Saturday, July 16, in the Stamford Sanitarium. The baby weighed eight pounds, seven ounces. His mother is the former Bobbie Merchant. The little boy has 12 grandparents and great-grandparents. Grandparents are Mr. and Mrs. Sam Baize of Stamford, Mrs. Helen Merchant of Angleton, and Ralph Merchant of Abilene. Great-grandparents are Mr. and Mrs. J. O. Baize of Abilene, Mrs. W. D. Gililand of Paint Creek, J. C. Harwell of Tuxedo, G. W. Kindley of Abilene, Mrs. Ethel McGrew of Fort Worth. Great-great-grandparents are Mrs. Walter Atchison of Mattson and John Wilkerson of Elmdorf.

The new long torso silhouette is featured in this dress of crease resistant cotton by Junior Set of Dallas. The skirt flares full from the low hipline. The tiny collar of Venice lace is decorated with strawberries matching the grosgrain ribbon tie. Sizes: 5-15. Colors: Navy, Texas charcoal, Biscayne blue, black. Style # D-109—Retail price about \$18.00.

Nephew of Haskell People Injured At Brownfield

Delmer Prince, 18-year-old son of Mr. and Mrs. F. S. Prince Borger, was critically injured Friday morning in a gravel pit accident at Brownfield, Texas. Mr. and Mrs. Prince once lived here and Mrs. Prince is the former Miss Ouida Pennington of Haskell. The injured youth is a nephew of Sheriff Bill Pennington, Curt and John Pennington, and Mrs. Travis Hada-way and is a grandson of Mrs. M. L. Pennington, all of this city.

a road construction concern, and was working near a drag line in a gravel pit when the accident occurred, relatives here were advised. A heavy dragline bucket struck the youth, pinning him against the wall of the pit. He suffered a fractured pelvis and internal injuries. He is under treatment in a Brownfield hospital, and his condition was described as critical.

Among Haskell relatives who went to Brownfield Sunday to visit the injured youth were Mr. and Mrs. C. D. Pennington, Mrs. Bill Pennington, Mrs. M. L. Pennington, and Mrs. Trav Hada-way.

Several complaints were also filed against truck operators for overloading vehicles, and two motorists were fined for failure to have inspection stickers on their cars.

One traffic violation resulted in two fines against the offender. When he failed to appear within the time specified in his first "ticket," a second summons was issued on a complaint charging "failure to appear." He paid two fines.

Justice of Peace Handles Record Of Cases During June 15-July 15

Some businesses may have had a "summer slump," but in at least one line the 30-day period from June 15 to July 15 turned up the best volume of "business" in years. That's the report of Justice of the Peace Eal Treadwell, who checked his books at mid-month in making his regular monthly report, and found that 83 cases had been cleared on the J. P. docket during the 30-day period.

Normally, his office handles around 40 cases each month, Justice Treadwell explained, and ordinarily the heaviest volume comes during the fall months when many transient farm workers come here for the cotton harvest. Asked to what he attributed the 100 per cent increase in "business" of his office, Justice Treadwell had a one-word answer: "Radar."

"That's right, or at least that's my idea," the magistrate went on to explain. "Since the Highway Patrol started using radar to check speeding motorists on the highways, there has been a decided increase in traffic cases filed in my court."

The increase in cases filed has not come altogether from Highway Patrolmen, although they are the only officers having radar at their disposal. The drive to curb excessive speeds on the highways has also been followed by city and county officers who have filed their share of cases against traffic violators.

During the 30-day period, a total of 38 traffic cases were booked on the Justice Court docket. Next most common offense was drunkenness, with 21 cases listed. Other offenses on which culprits were hauled into court included disturbing the peace, affray, and assault.

Several complaints were also filed against truck operators for overloading vehicles, and two motorists were fined for failure to have inspection stickers on their cars. One traffic violation resulted in two fines against the offender. When he failed to appear within the time specified in his first "ticket," a second summons was issued on a complaint charging "failure to appear." He paid two fines.

Time for a change!

When your summer cottons look pale and tired, when too warm for wools, then it's time to change over to season cottons. Trans-season cottons like this L'Aiglon cotton plaid with a touch of white at the neck, a tan shirring at the hips. In toast, strawberry or turquoise each on black. Sizes 10 to 18.

LIGHTS AND SIDELIGHTS
From Your State Capitol

SANFORD Association
Second round of Texas first and were to begin it.

Shivers Shuns Conservatives
Gov. Allan Shivers declined to participate in a meeting of conservative Democrats last week in Dallas.

Vacationing in Woodville
Shivers released through his Austin office the text of a telegram to Fort Worth attorney Hamilton Rogers, chairman of the gathering.

Declaring himself opposed to "splinter political parties," Shivers asked the group to work with him to strengthen the Democratic party.

Rogers denied any splinter party plans. He also denied the meeting had anything to do with recent criticism of the governor for his moves toward replacing Wright Morrow of Houston, Democratic national chairman, with someone acceptable to national leaders.

Purpose of the Dallas meeting, said its leaders, was to "solidify conservative thinking." One result was a sweeping denunciation of desegregation plans for the University of Texas and El Paso public schools.

Farr Tax Trial Postponed
Date of the Austin trial of George Farr on an income tax evasion charge was changed last week from July 16 to Sept. 6.

Postponement was because one of Parr's attorneys was busy with another case.

Parr had petitioned the Fifth Circuit Court of Appeals at New Orleans for a dismissal, contending the trial should be held in Laredo instead of Austin. The appeal was denied.

Johnson Hearing Delayed
Hearing on an application to take additional water from the Pedernales River to irrigate U. S. Sen. Lyndon B. Johnson's farm has been postponed. August 8 is the new date set by the State Board of Water Engineers.

Twenty-four downstream ranchers protested the application when it came up last week. They said water already being diverted to the Johnson land deprives them of stock water and leaves so little natural flow that fish are dying and polluting the stream.

Martin Harris, attorney, asked for the later hearing. He said Johnson's wife desired to be heard personally if there were no objections. She is now in Washington where the senator is recuperating from a heart attack.

VISITING SON AT SUGARLAND
Mrs. Al Cousins left Sunday morning for Sugarland for an extended visit in the home of her son, Bob Cousins, former sheriff of Haskell County and now assistant warden at Central 2 Farm, Sugarland. She will also visit Mrs. Geo. Earnest, a daughter at Richmond, Texas.

Glenn Curtis was the first American issued an aviation pilot's license.

FARM FAMILY, NOW—Sam Hugh Smith of Haskell poses with his family who enjoys having him at home more now that he's no longer going off on long flying jaunts with the Strategic Air Command. Mrs. Smith is the former Charlotte Frost of Weinert. Smiling prettily on the right is Sammie, 4. Smith is holding Clay Altus II, 10 months. (Photo courtesy Abilene Reporter-News)

Former Strategic Air Command Officer Prefers Farm Life to Air Force Career

A young Haskell farmer, who also is rated as one of the top pilots in the world's finest air force—the Strategic Air Command of the United States Air Force—was the subject for a feature story by Duane Howell, farm writer for the Abilene Reporter-News, in Sunday's edition of that newspaper.

The young farmer and ex-Air Force officer and pilot is Sam Hugh Smith, native of Haskell, and a graduate of West Point. Concerning him, the staff writer for the Reporter-News, wrote: A man reared on a farm can stay away from agricultural work just so long. Then he has to return to it.

Last December Sam Smith of Haskell turned his back on a lucrative income as a pilot with the Strategic Air Command to start farming near Haskell. It wasn't that Smith didn't like his work with SAC. He did. It was something of which he'd dreamed since he was eight years old.

But farming was his first love. He's always planned to return to the farm, even while preparing himself for a military career. **Considers Family** Then too, there was his family to consider. He didn't get to spend much time with them while he was in the Air Force.

"I'd planned to return to the farm after I'd retired," said Smith. "But we decided we could not wait that long." Sam was born and reared on a farm about a mile west of Haskell. He decided when he was in the second grade to try for an appointment to West Point.

"I don't know where the idea came from, maybe a movie or something," he recalls. "For a while it looked as though I might have to settle for Annapolis," he adds with a grin.

To prepare himself for West Point, Smith took "all the math and science courses I could get" in high school. This left no time for agricultural studies, but his many years on the farm left him well versed for his new venture.

second refueling near the North American coast. Shortly after this, a violent explosion rocked the aircraft, followed by fire warning lights. The crew reported no evidence of fire, but the explosion indicated the plane was minus two engines.

For bringing the ship to a safe landing, each member of the crew received a certificate of achievement signed by Commanding Gen. Curtis E. LeMay. Smith's certificate reads "In the interest of flying safety, having contributed greatly to the combat effectiveness of SAC through personal attention to duty and outstanding performance on his job. Capt. Sam H. Smith has earned recognition as a member of SAC Crew of the Month."

Smith piloted one of the planes in a flying formation seen in the movie, "Strategic Air Command," starring Jimmy Stewart and John Allynson.

While stationed at Fort Worth, Sam met the girl he was to marry, the former Charlotte Frost of Weinert. The couple now has two children, Sammie, 4, and Clay Altus II, 10 months.

How do Mrs. Smith and the children like farm life? They love it. They have Sam home more now. Sam's father, Clay Smith, is assisting his son in getting back into the swing of raising crops and cattle. And Sam couldn't have a better "instructor."

Pioneer Family The elder Smith has lived here since 1906 and has farmed most all his life. The two are now working a total of about 700 acres of cultivated land and have 100 acres of pasture land. Sam recently bought a 16-month-old registered Hereford bull from the herd of Vestus Alvord of Rochester, with which he plans to build a high-quality commercial herd.

"We'll keep the good calves and sell off the sorrier ones," he said. "We have 14 head now, and hope to have more before long." Sam will further diversify his operations by raising wheat, oats and feed, in addition to his major cash crop, cotton. Haskell County agriculture received a valuable asset when Sam Smith, an experienced leader and a man with a deep-seated love of farm life, returned home.

Studebaker Sales Up In Area, Local Dealer Learns

Olen Dotson, of Dotson Motor Co., Studebaker dealer here, has returned from a major meeting with officials of the company in Dallas, where he learned that sales of Studebaker passenger cars and trucks in this region are running ahead of the national pace.

The meeting was one of the first to be held throughout the United States in which the company's sales heads and dealer organization are launching Studebaker's strongest sales promotion program since before the war.

William A. Keller, Studebaker general sales manager, told Mr. Dotson and other dealers that Studebaker produced more cars in the first five months of this year than in the first nine months of 1954, and that constantly rising sales have reached a volume more than 50 per cent higher than the comparable period in 1954.

Studebaker retail sales in the region of which Haskell is a part, are running more than 10 per cent ahead of the national average, it was disclosed. Pacing the sales climb in this area is the Commander V-8 which was repositioned from the medium-price field this year to become one of the four competitors in the low-price V-8 field. The continuing strong sales activity, it was pointed out, reflects the national attention that has been focused on Studebaker for its part in developing with Packard a fourth full-line company.

At the meeting, Mr. Dotson discussed with Mr. Keller and other sales officials the new Studebaker program developed by the company, which includes a new styling division, intensified new merchandising activities, new engineering and production advances, and expanding advertising plans.

CHRISTIAN CHURCH
Fred E. Gresham, Minister Services for Lord's Day July 24:
Bible School at 9:45. Classes for all ages.
Morning worship at 10:45. Sermon "The Manifestation of Our Faith."
Evening services at 6:30. Sermon "Preaching Jesus."
Mid-week services on Wednesday evening at 7:30. Bible study James, chapter 4. Come have a part in all of these services. Everyone welcome.

CHURCH OF CHRIST
Fred Custis, Minister Sunday Services July 24:
Bible School 9:45 a. m. Worship Service 10:45 a. m. Sermon subject: "Problems of Marriage and Divorce."
Evening Worship 6:30 p. m. Sermon subject: "Remission of Sins."
What does God think of the promiscuous granting of divorces so prevalent in these days? Come out and study with us what the Bible says about divorce and remarriage. Are you living in sin? This vital subject will be discussed at the morning service July 24. Where are our sins remitted? In the heart or in heaven? The remission of your sins should be of vital importance to you. Come Sunday night and study what God has to say about it.
Wednesday Prayer meeting at

Farm Income In Texas Edges Up From Last Year

Austin—Texas farm income edged upward 2 per cent during the first five months of this year in comparison with the same period of 1954, according to the University of Texas Bureau of Business Research. During May Texas farmers passed the half billion mark; by the end of the month the year-to-date total was \$555,710,000. The greatest increase over last year has been in income from cattle, up 4 per cent to a total of \$139,242,000 for the first five months of 1955. Other important increases were registered in fruit and vegetable income, up 17 per cent; mohair, up 45 per cent; and wheat, up 80 per cent from the first five months of 1954.

Texas farmers' income has increased in spite of a general decline in the prices received for farm commodities. The U. S. Department of Agriculture reports that prices paid to farmers for all products averaged 4 per cent lower this May than in May 1954, although there have been several conspicuous price increases, particularly for fruit, up 43 per cent from May to May. The increase in Texas farm revenue from sale of cattle ran counter to the 15 per cent decline from last year in prices paid for meat animals. Prices of dairy products rose 4 per cent from May to May, but in Texas income from marketings of dairy products totaled 5 per cent higher for the January-May period of this year than for the corresponding months of 1954. Carload shipments of fruit and vegetables in Texas during the January-May period were down 9 percent from last year. The most striking increase was in carload shipments of honeydew melons, up 520 per cent from 1954.

Yet, as 1955 advanced toward mid-year, Texas farmers and ranchers received somewhat higher prices for their products. The mid-June index computed by the U. S. Department of Agriculture indicated that Texas farm products sold for over 1 per cent more than a month earlier. The bulk of the increase was attributed to livestock and livestock products, up nearly 3 per cent from May 15. Calves at \$16.10, up 2 per cent from hundredweight from mid-May, led the price advance. With the exception of butterfat, up 2c a pound, all dairy products and poultry showed decreases; eggs remained unchanged from mid-May. Carload shipments of livestock in Texas were down 28 per cent from April to May but were still 12 per cent higher than May 1954. The major factor in the April to May decline in livestock movements was the 33 per cent drop in shipments of cattle.

Sweet Clover Still Most Used Legume For Soil Building

Despite the development of many improved varieties, sweetclover, one of the oldest soil-building legumes, remains the most widely adapted and recommended for use in Texas.

Through more than 60 years of testing at Texas experimental stations, sweetclover gained and has retained a leading position in modern farming practices," says R. C. Potts, agronomist at Texas A&M College.

As early as 1894 plant scientists had noted the value of sweet clover as "a renovating crop for enriching worn soils."

Madrid and Hubam are the more important sweetclover varieties now grown in the state. Evergreen and annual yellow-flowered sweet clover are of lesser adaptability. Sweetclover provides abundant grazing and when harvested is a profitable hay and silage crop. Dr. Potts notes in a recent publication, "Sweetclover in Texas."

The protein and phosphorus content of this legume is described as "excellent." At Temple, steers on sweetclover-oat pasture gained up to 2.1 pounds daily.

Production of sweetclover seed has added substantially to Texas farm income in recent years, averaging 11,060,000 pounds annually for the period 1950-53. Most of it was produced in the Blackland and Grand Prairie regions. Harvested yields averaged 150 to 300 pounds of seed per acre. Sweetclover adds nitrogen to the soil, makes the soil more friable increasing aeration and provides a protective land cover. Maximum soil benefits are obtained by harvesting a seed crop and returning the crop residue to the soil.

News From Sagerton

BY MRS. DELBERT L. E. FEVRE
Alvin Bredthauer, councilman for the Sagerton Boy Scouts, would like for all Boy Scouts of the Sagerton group to note that their meeting date has been changed to Thursday evening at 8 p. m. instead of Friday evening. They changed their meeting night because of the football games coming up this fall on Friday night. The Sagerton Boy Scouts which was organized this year have about 12 members and are sponsored by St. Paul's Lutheran Church. They hold their meetings in the church basement.

Defoliation Of Cotton Depends On Several Factors
College Station—The ever-increasing use of machines in the harvesting of cotton has also increased the use of defoliants and desiccants. The success or failure of the job, says Fred C. Elliott, extension cotton specialist, depends on several factors. These include the characteristics of the chemicals and the rate and volume applied; method of application, climatic conditions, especially moisture and temperature, cultural practices, such as fertilization and plant density and the varieties grown.

Under conditions of normal growth and with dew plentiful, Elliott says calcium cyanamide dust should give good results. The material should be applied when plants are wet with dew and remain in leaf moisture for at least two hours and preferably four. If dew is not present and with lower soil moisture and windier conditions, the specialist says amino triazole, endothal and the various chlorates work better. Good to excellent results have been obtained from a mixture—half the recommended rate of amino triazole with water soluble defoliants also at half the recommended rate—applied as a spray. This new material acts as a growth retarder and will be available for use this year.

As desiccants for use in connection with stripper harvest, Elliott recommends the use of "Penta" formulations or Cotton Defoliant 713-D. These materials are suggested for dry conditions where the sub-soil moisture is low and the plants small. These materials should not be used if harvesting is to be done with a spindle type picker, and only after 90 per cent of the bolls are open.

Elliott suggests to any cotton producer interested in defoliation information on cotton defoliation a visit to the local county agent's office. Ask for a copy of L-145, Cotton Defoliation Guide in Texas. The leaflet has recently been revised. It may also be obtained from the Agricultural Information Office, College Station.

HASKELL TEACHERS AT READING CONFERENCE
Two teachers in Haskell Elementary School, Mrs. Myram Weaver and Mrs. Ima Dell Fitzgerald, are attending the reading clinic sponsored by the Texas Association for the Improvement of Reading, being held at East Texas State Teacher's College in Nacogdoches this week. Lectures by nationally recognized authorities in the field of reading will be given and sectional meetings on modern trends in the field of reading will be held daily.

Paint Creek . . . Community News

MABEL OVERTON

This has been a month of family reunions for people in the community. The Medford family had a reunion at Lake Cisco the week end of the 4th. Mrs. Lee Medford and Willie Lee attended. Mr. and Mrs. Arthur Moody and Mr. and Mrs. Roy Medford, and children, also were present.

The Brown family had a reunion at Veda's Camp July 4th. Mr. and Mrs. J. M. Brown had as their guests Mr. and Mrs. Eugene Brown of Crosbyton, Mr. and Mrs. Earl Brown of Lubbock and Mr. and Mrs. Jim Robertson of Lubbock. They enjoyed a picnic lunch together at the lake.

The Everett family of Throckmorton, of which Mrs. Frank Sims is a daughter, had a reunion at Seymour Saturday and Sunday. This is an annual affair and one big feature of the day was a ball game with the Odell family who always have their reunion on the same day at the same place. This is the family of Judge T. R. Odell who used to live in Haskell and now lives in Lubbock. This year the Odell family had their reunion at Breckenridge and they couldn't

You have a cordial invitation to worship with us.

play the Everett-Odell game.

Paul and Frances Fischer and daughters, Clara Ann, Margaret and Paulette spent Saturday and Sunday in Austin at the Weisse family reunion. Frances' mother, Mrs. Annie Peiser of the Matt-Weisse community was one of the Weisse daughters. The Weisse family are old timers in Austin. One of Mrs. Peiser's uncles sold his farm to the State of Texas as the site for the University of Texas, and Mrs. Peiser's father, Ephriam Weisse, helped lay the tile in the floors of the State Capitol. They were a family of farmers who were also carpenters. Mrs. Peiser went to Rockdale last week and visited a sister until time to go to Austin for the reunion.

Besides family reunions, several new additions to families have been the news this week. Mr. and Mrs. Charles Shaw are the parents of a baby boy named Gary Dwayne. They live at the Shaw Camp at the lake, and Mrs. Shaw is the former Marilyn Green. Both parents graduated from Paint Creek High.

Mr. and Mrs. Kenneth Andress are the parents of a baby girl. Her name is Shelia Lagrace. Mrs. Andress is the former Martha Grand, daughter of Alfred Grand and the late Grace Grand.

Announcement was received from Odessa this week of the birth of little Anita Tacket on the 8th of July. She is the daughter of Mr. and Mrs. Andrew Tacket who lived in Paint Creek during the 1953-54 term of school when Mr. Tacket was head of the science department. He now teaches at Odessa High.

Sgt. and Mrs. J. A. Box and little daughters, Annette, Linda and Amy are here for a week's visit with their parents and grandparents. Mr. and Mrs. John R. Watson, and Mr. and Mrs. Jim Adams.

Mr. and Mrs. Arthur Montgomery and daughter, Mrs. Boyd

Cathy and granddaughter, Elizabeth of Grand Prairie, were Abilene visitors this past week when they visited with nieces of Mrs. Montgomery and their families, Mr. and Mrs. P. J. White and family, and Mr. and Mrs. Fred Phillips.

Reports that little Randy Bates, 14 months old son of Mr. and Mrs. Chas. Bates had successful surgery at Parkland Hospital in Dallas last Thursday. The surgery was for the removal of a spinal tumor, and naturally very serious. Randy's mother is the former Flossie Medford, daughter of Mr. and Mrs. Gwen Medford. His great-aunt, Mrs. Frank Underwood told us he could now move both legs well, and could now get up on his knees and crawl. His movements have been greatly limited for the past several months because of the tumor.

Miss Helen Jean Cox, daughter of Mr. and Mrs. Seaton Cox has accepted a position with the Teachers Credit Association in Dallas as a typist. Her brother, Vaughn, took her to Dallas, and she will live at the home of her sister and husband, Mr. and Mrs. Joe Gardner.

Vaughn Cox, son of Mr. and Mrs. Seaton Cox, is being transferred from Sanderson to Amarillo next week. He works for the Bell Telephone Co.

Mr. and Mrs. Charles Meacham and children of Turkey are spending the weekend with her parents, Mr. and Mrs. Dan McRae. Their little daughter, Charley came home with her grandparents and Linda and Johnny last weekend to spend the week and attend the Bible school at the Baptist Church. Her parents came to take her home and attend the commencement exercises of the school.

Reagle Gasway, 15 year old son of Mr. and Mrs. R. W. Gasway of Graham has been visiting Mr. and Mrs. Allen Overton for the past week.

Mrs. Lillie Wilson spent several days visiting her sister and husband, Mr. and Mrs. Roy Overton this last week.

Mr. and Mrs. Cole Hammer and son Jackie of Weinert, spent Sunday with Mrs. Hammer's parents, Mr. and Mrs. Frank Underwood.

There will be a bridal show-

er honoring Mr. and Mrs. Walter Buerger Friday night, July 22 at the Bethel Lutheran Church. Invitations are not being sent and all friends of the young couple are invited.

Dr. and Mrs. Frank Sims and son Ricky, from Pan-Tech near Amarillo, are spending their vacation with their parents, Mr. and Mrs. Frank Sims, Sr. of the Brown-Davis Ranch and Mr. and Mrs. Gene Martindale of the L. W. Jones Ranch of Rule.

Scouts Dan R. Griffith and Eddie Mack Earles returned Saturday from Ely, Minn. and the Summer Canoe Base where they took the Scout canoe trip for a week of canoeing and camping through the Canadian lakes. Dan Riley gave a most interesting account of the trip at the Scout meeting Tuesday night, showing maps of their trip, and giving highlights of the experiences they had. He brought home the oar he used all the way, and from all accounts, it was a wonderful trip.

Recent visitors of Rev. and Mrs. Eubanks were their daughter and family, Rev. and Mrs. Jack Ormsby and son Paul of Waco.

Mr. and Mrs. Fred Buerger were Sunday visitors in the home of her sister and family, Mr. and Mrs. C. L. Offills of Old Glory.

Mrs. Manuel Thane and son Danny spent Sunday in the W. C. Lindsey home in Avoca.

Dorothy and Phil Coleman, children of Mr. and Mrs. Ira Coleman, attended the 8th birthday party July 9 of their little cousin, Gene Jones, son of Mrs. Chris Jones in Stamford.

The Baptist Church closed a successful Daily Vacation Bible school with commencement exercises Friday night. There were 72 enrolled and they had an average attendance of 68.

Jean Griffith, Mrs. Mack Earles and Mrs. Gene Buchack had charge of the nursery. Mrs. Glen Walden and Mrs. Billy Hise had the Beginners; Mrs. Pat Morrison, Emilee Griffith and Glenda Walton had the primary group; Mrs. Morris Haynes, Mrs. Dan McRae, Mrs. Jim Adams and Mrs. Bill Griffith had the Intermediates. Mrs. Vernay Howard was principal of the school and led the

music; Mrs. A. L. Eubanks was secretary; Mrs. Velton Middlebrooks and Mrs. R. V. Earles had charge of the refreshments, and Rev. Eubanks was superintendent. Jane Holt of Haskell spent the past week with her sister, Mrs. Ray Perry, and family.

FAMILY PICTURE MEDAL AWAR
"A WHOLE OF UPGRADE FUN FOR THE WHOLE FAMILY"

No wonder this Hardtop is the HIT OF THE YEAR!

IT'S 4-DOOR HANDY —and priced for action!

This one you'll just have to see. It's a beauty. It's a brand-new kind of car. It's a Buick Riviera with four doors. And to top it all—it's a SPECIAL—the lowest-priced of all Buick Series.
Know what that means? It means you can have the newest hit in hardtops—the most advanced new body design yet—and you can have it in the price range of America's smaller cars.
It means you can have a steel-roofed car with the long, low, sweeping sportiness of a convertible—with no center posts in the side window areas—and with two separate doors to the rear.
And you can have all this hardtop beauty with sedan comfort and convenience at the easy-to-take modest extra cost of a 4-door model over a 2-door model.
But if you think that's all—listen: This gleaming grace of automobile is a Buick through and through—a '55 Buick, from the hottest-selling line of Buicks in all history.

So here you have the soft, firm steadiness of Buick's all-coil-spring ride and torque-tube stability. Here you have Buick brawn, Buick solidity, Buick handling ease, Buick styling and visibility and interior luxury.
And here you have the lift and life of vigorous new V8 power of record might—and coupled to the spectacular performance of Buick's Variable Pitch Dynaflo.*
Why wait a day longer—when you can come in right now and try the first true hardtop with the extra comfort, room and convenience of a full-sized 4-door sedan?
Drop in tomorrow, first thing—for a look at the price, and an idea of the whopping-big trade-in deal our huge sales volume permits us to make.
*Variable Pitch Dynaflo is the only Dynaflo Buick build today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

NOW—Biggest Trade-in Deals ever on the Biggest-Selling Buicks in History!

Air Force ROTC Cadet Geo. D. Christian Finishes Four-Week Summer Training

WILLIAMS AFB, Ariz.—One Air Force ROTC cadet from the Haskell area was graduated July 15 from a four-week summer training program at Williams AFB, the nation's first jet fighter school.

He was Cadet George D. Christian, son of Mr. and Mrs. E. C. Christian of Haskell.

The program, directed primarily to the majority of cadets who will later enter flight training, included a highly concentrated schedule of military and academic studies.

Designed to acquaint future Air Force officers with the operation of a modern base, the program included an orientation flight in the T-33 jet trainer.

During the four weeks of activity which began on June 19, the schedule held 188 hours of instruction in military drill, weapon firing and familiarization, flight navigation and planning, weather, physical training, military customs and courtesies, and demonstrations of Williams' altitude chamber, link simulated flight trainer, mobile runway control operation and air-tour ground firepower.

The Air Force's "Thunder-

birds," precision F-84 formation aerobatics team, put on a spectacular display which was one of the high spots in the cadets' stay here.

Not all of the cadets' time at Williams consisted of work, however. They also made use of the many athletic and recreational facilities which the base has provided for its jet pilot trainees.

Each cadet spent one day during his summer training period attached directly to an officer in a key position in the operation of the base, where he gained valuable first-hand experience in the running of a large-scale Air Force organization.

H. D. Club Leaders See Progress Made By Farm Woman In Planning Family Economy

This past week Miss Thelma Wirges, county home demonstration agent, and Miss Ettie Musil, assistant county HD agent in training visited Mrs. Hollis Pitman to see how she had progressed as family economics demonstrator for the Center Point home demonstration club.

They found that the Pitman's had practically completed working in the plans they had made at the first of the year. Their work included:

1. Keeping Family Spending records. They have kept family spending records so they will have a true picture of the family income and expenses. When the year is complete, they will be ready to make a plan for next year's spending.
2. Organized Family File. They have collected all important farm, home and family papers and have organized them into a file where they are easy to find. One important family record is the birth certificate. They are working on securing birth certificates for each member of the family.
3. Organized a Business Cen-

George Mullino Is Named Ag Teacher At O'Brien School

George Mullino of Rochester has been named vocational agriculture teacher at O'Brien high school. He succeeds John Edwards who has accepted a civilian job at Sheppard Air Force Base at Wichita Falls.

Mullino, graduate of Texas Tech, won numerous awards for his work in 4-H and FFA programs and has continued to carry on an active agriculture and livestock program since graduating.

Workmen are busy constructing a vocational agriculture workshop on the O'Brien high school campus which will be ready for use in woodworking and farm shop programs this fall.

Baptist Youth Camp For Boys, Girls Slated

Baptist youth camp for boys and girls, 14 years of age and above, will be held at Luaders Baptist encampment grounds July 25-27.

Pre-registrations are sent to Rev. M. D. Rexrode, pastor of the First Church of Haskell. Camp fee is \$5 and pre-registration is \$1 of that amount.

"This is the first youth camp of its nature to be had on the encampment grounds at Luaders. We are interested in having all the youth, both boys and girls, from all the churches in this area present for the youth camp," Rev. Mr. Rexrode said. "We feel that we have some of the finest program personnel available at all for the conferences and discussions at this camp."

Meter Ban Asked In New Stamford Parking Area

Stamford merchants have made a request to their city council that no parking meters go into the new parking area which is being created on the Stamford square.

The parking meters would be left on the outside area, but would not be replaced in the inner area, according to the plan suggested to the council by merchants.

R. A. Bradley of Haskell received appointment recently as Special Representative of the H. Conrads seed firm of San Marcos for the 1955-56 season. He will offer farmers in this area an important crop improving service through the use of highly bred seed.

in college towns where he has worked with the youth of the towns.

Virgil J. Peek, Former Resident, Accident Victim

Virgil J. Peek, 45, of Goree, former resident of Haskell, was killed instantly Thursday night in a head-on truck car crash southeast of Jacksboro.

LeRoy Skidmore, 60-year-old truck driver of Panhandle, Texas, died Friday morning in the Jacksboro Hospital of injuries received in the collision.

The accident happened 18 miles southeast of Jacksboro on Highway 199.

Peek lived here about 20 years ago, and was engaged in the oil and gasoline business.

He is survived by his wife; his mother, Mrs. Bessie Peek; three sons, Wayne and Tommy of Goree, and Jimmy of Houston; three brothers, Clarence of Roswell, Herbert of Amarillo, and J. T. of Kansas City, Kans.; three sisters, Mrs. William Lane of Megargel, Mrs. W. B. Neighbors and Mrs. S. B. Jetton of Goree.

Like "taking a vacation" every time you drive!

Take CHRYSLER'S 100-Million-Dollar Ride!

You'll thrill to all these great features when you take Chrysler's "100-Million-Dollar Ride!"

Full-time Power Steering, so much superior to the part-time power units found in other cars, gives you unequalled maneuverability, ease of handling and full-time feel of the road!

World's most powerful type V-8 engines. FirePower and Spitfire, with horsepower up to 300. Here's an immense reservoir of power for every driving need from lightning traffic getaways to quick, safe passing on the straightaway!

Extra-large, extra-safe Power Brakes, with a double-width pedal for easier and safer braking with either foot, bring you to swift, sure stops in less time and with barely a toe's worth of effort!

It's a fact... every mile you drive in a new Chrysler is like "taking a vacation!" Chrysler's "100-Million-Dollar Ride" power features enable you to drive relaxed—arrive refreshed!

For example, Chrysler's Power Steering is Full-time Power Steering—with a full-time feel of the road at all speeds. And Chrysler's V-8 engines give you the greatest safety reserve power on the road today.

The combination of Chrysler's other "100-Million-Dollar Ride" features has earned for Chrysler a brand new title—"the world's easiest handling car."

Discover the big difference in big cars today. Your Chrysler Dealer will gladly arrange a "100-Million-Dollar Ride" for you. See or call him today about the 1955 Chrysler!

Haskell Teacher On Tour Of Europe Tells of Impressive London Ceremony

In a letter written from Paris, France, Madalin Hunt, of this city tells of an impressive ceremony witnessed at Westminster Abbey, London, by the group of Texas educators in her party. They are on a tour sponsored by the University of Texas, and are attending a series of conferences on Secondary Education being held in various European countries.

Miss Hunt, teacher in Haskell Elementary Schools and daughter of Mayor and Mrs. Courtney Hunt wrote from Paris under date of July 5:

"Before leaving London we had a most marvelous non-scheduled surprise visit to Westminster Abbey for the National Service of Intercession and Rededication to commemorate the 10th anniversary of the United Nations. Queen Elizabeth, the Queen Mother, and all of England's 'big wigs' were present. A most impressive service, the parade of the nobility was sensational. No cameras were permitted, but we did get some good pictures at Buckingham Palace of the 'Changing of the Guards' which was very colorful. "We made the trip from London to Dover by train, from Dover by boat across the English Channel to Calais, and I have some beautiful pictures of the White Cliff of Dover.

"In Paris we are 'billeted' in dormitories at Cite Universitaire. Here each nation has built a house for its students, and since the U. S. A. house is full, our group has private rooms for the week in the Netherlands House. We have wonderful meals at the International House built by Rockefeller, Jr., a magnificent structure with beautiful grounds covering blocks. There are 40,000 students here from all parts of the world.

"The same plan is followed in Paris as formerly. Seminar Conferences, by eight outstanding French educators, are held each morning. The afternoons and evenings are free for much sight-seeing and many good shows.

"On July 4th we were honor guests for a reception at the U. S. Embassy, where we met many high ranking politicians and exchange teachers. We were also honor guests at a reception given by Mr. and Mrs. Pierre Carpentier, high ranking educators of France and the authors of twenty books on 'How to Teach English in France'.

"We have window-shopped quite a bit. All prices are doubled over last year, because of a very heavy tourist year.

"We had a very interesting visit to UNESCO, where the director, Dr. Evans, gave a talk and showed films of the benefi-

cial work in various countries. We visited the International Center at Sevres, France, for a study of 'Education in Sevres'. There we saw the world famous porcelain which is housed across the river from the Center.

"Our next stop is Biarritz, France, a popular and fashionable seaside resort on the Biscayan Coast, where we will take a much needed week's rest before resuming studies. From Biarritz we go to Pamplona, Spain, for a day of sightseeing, and an opportunity to attend a bullfight. Then back to Biarritz for a week of Seminar Conferences with educators from Holland, Norway and Scotland in addition to France.

"From Biarritz we will go to Geneva, where we hope to be able to attend the public sessions of the Big Four Conferences."

Pilgrim's Progress Will Be Shown At Pinkerton Church

John Bunyan's immortal story in color animation will be shown to the regular Saturday night Youth service at Pinkerton beginning at 8 p. m. All young people, regardless of church preference, are heartily invited to attend.

Because of the spiritual impact that the film has it will be shown again Sunday following the regular church service.

Pilgrim's Progress is commonly thought to be the greatest book next to the Bible to Christianity. The film is an accomplishment that is nothing short of a miracle from God.

Fifteen artists and technicians worked about 4 1/2 years to produce this masterpiece. It required over 300 paintings for the backgrounds, and 100,000 separate pictures. Masterful music was scored, and about 60 separate voices, for as many personalities recorded. Two people spent 2 1/2 years at the animation camera to photograph it. Don't miss this Gospel film.

CARD OF THANKS

We wish to express our sincere appreciation to friends and relatives for the many acts of kindness, for the beautiful flowers, food and many expressions of sympathy extended during our bereavement in the loss of our darling son, Steven Ray. We especially thank Rev. Rexrode and Holden's Funeral Home for their consideration to us, — Mr. and Mrs. Billy Lee Taylor, Mr. and Mrs. Jack Peters and family, Mrs. Berta Mae Bass and family.

Telephone Company, Workers Agree on Contract Extension

SAN ANGELO—General Telephone Company of the Southwest and the Communications Workers of America (CIO) on July 14 signed an agreement extending the present working contract until January 1, 1956.

The action ended two months of negotiations between the two groups.

While none of the Union demands were met, or can be met until a later negotiation session, General agreed to put into effect on November 1 an additional \$175,000 in increased benefits.

On November 1, the Company and the Union will meet to decide the method of distribution of the \$175,000.

The Union, at the opening of negotiations May 19, issued a list of 36 demands including the raising of the minimum starting wage to \$125 per hour, shortening of the work week for traffic employees without a corresponding reduction of pay, a general wage increase, and inauguration of a company-paid hospitalization program.

The company estimated these demands would cost about 3 1/2 million, or approximately 50 percent of the present total payroll. Exact cost could be determined unless actually applied to the payroll.

In discussing the final agreement, General's Industrial Relations Director F. W. Hamper, said, "The Company started negotiations by telling the Union that it did not have money now

Haskell and Jones Singers to Meet In Stamford

Singers of Haskell and Jones Counties will meet at the Four-square Church in Stamford Sunday, July 24, for an afternoon program of singing.

The program will get underway at 2 p. m. All singers and music lovers are invited to attend.

RECENT VISITORS IN WEINERT

Mr. and Mrs. Tommy Clark of Wichita Falls, and Miss Jackie Jetton of Parkland Memorial Hospital, Dallas, were recent visitors in the home of their parents, Mr. and Mrs. Ted Jetton and family in Weinert. Also a guest in the Jetton home was Earnest Frantz, of Dallas.

VISITOR FROM CALIFORNIA

Mrs. Eula Mapes of Modesto, Calif., has been visiting her mother, Mrs. R. M. Atchison of Mattson and other relatives in this section.

to grant pay increases but when financial conditions were such that it could, wages would be boosted. We felt the contract would have to be extended six months to give the Company time to do that. As a final settlement we did just that, and we gave the amount we thought we could use as a minimum to work with." General employs 2,700 persons in the 242 exchanges it serves in Texas, New Mexico, Oklahoma, Arkansas and Louisiana.

Get your FORD now.

YOU GET...

- More car for your money!
- Top dollar for your present car!
- Top resale price when it comes time to sell!

Come in during our SUMMER BANDWAGON Sell-a-bration

and SAVE 3 WAYS

It's a fact! You can actually save money by buying your Ford now during our Summer Bandwagon Sell-a-bration, now while we're giving top "Sell-a-bration" deals! You save 3 ways:

In the first place, you get the car that sells more because it's worth more. The '55 Ford features styling inspired by the Thunderbird... reassuring, quick-action Trigger-Torque "Go" and a brand-new, smooth-new Angle Poised ride. There's no other like it on the road.

Next, you get more money for your present car because we'll help you out to chalk up new sales records and we want your business. Your present car will never be worth more in trade than right now.

In addition, you may expect an extra dividend later, when we sell your Ford. For years, Fords have returned a higher percentage of their original cost at resale than any other car in the low-price field.

Get a Sell-a-bration Deal on a '55

Spotted Rainfall General Over Most of County

Spotted rains which brought varying amounts of moisture over Haskell County and a wide area of Central West Texas Sunday and Monday, brightened the farm picture throughout this section.

Rains will mostly benefit areas where effects of recent dry and excessively high temperatures had damaged early feed and was beginning to cut into prospects for late feed and cotton.

Total precipitation measured here Sunday and Monday amounted to 1.75 inches, and fairly general rains were reported throughout the county. The moisture came too late to be of material benefit to the large acreage of early grain sorghums, but will boost young feed prospects.

Pasture grasses will also be revived, as a boon to stockmen. The rains provided very little run-off water, but earlier Spring downpours had alleviated the water shortage in surface ponds and tanks in most sections, farmers said.

The American continents were named after Americus Vesputius a map maker.

HAS 85 LIVING DESCENDANTS County's Oldest Resident, 'Granny' Miller Of Rochester, Observes 101st Birthday

By MRS. JAS. A. GREER

Mrs. Lou Miller—Granny Miller—as she is affectionately known to relatives and friends, spent her 101-year birthday quietly at her home Wednesday, July 20. She is Rochester's, and probably Haskell County's oldest citizen. Though blind and practically deaf for a number of years, she was cheerful and could get around fairly well until about two months ago when she slipped and fell breaking her hip. Since that time she has been bedfast. Despite her advanced age Granny has had a remarkably active mind until her recent misfortune when the necessity for ease medicine keeps her drowsy.

It has been with interest that many times relatives and friends have sat and listened to her vivid accounts of Civil War days. She could also recite pages of poetry that she had memorized when a young girl. Granny Miller is a native of Texas and has been a resident of Haskell County for 45 years. She was born in Raines County and moved to the west with her family about 50 years ago. Her husband has been dead 38 years. Since then she had made her home with a daughter and family, the late Mr. and Mrs. E. L. Corley of Rochester. Mr. Corley died about 20 years ago and Mrs. Corley died about 8 years ago, but Granny has continued to live in the Corley home with a granddaughter, Zeola Corley who with the assistance of other members of the Corley family have given her all attention and devotion that is possible to give one.

Granny is the mother of three children. Only one living is Mrs. Jake Miller of Dallas. She has 15 grandchildren, 33 great-grandchildren and 36 great-great-grandchildren. She has been member of the Methodist church since a young girl.

BRIEFLY TOLD NEWS

ABOUT PEOPLE YOU KNOW

Mr. and Mrs. Royce Smith and little daughter, Philea, of Iraan, Texas, were weekend visitors in the home of Mr. and Mrs. Hess Hartsfield and family. The Smith's formerly lived here, and he was head football coach in Haskell High School for several years. He is now head football coach at Iraan.

Judge and Mrs. B. C. Chapman and son Charles were in Fort Worth and Dallas the first of the week.

Mr. and Mrs. Donald S. Flint, owners and proprietors of The Sweet Shop, left this week for an extended automobile tour and summer vacation. They will visit Yellowstone and Glacier National Park and the Lake Louise region in Canada. They plan an extended tour through Canada, and will also visit Vancouver and a number of points in Washington and Oregon while away. The Sweet Shop will be closed during their absence, and they expect to return and re-open the establishment about Sept. 2.

New Wildlife Laws To Affect Huge State Area

AUSTIN — Final tabulation shows that sixty-nine new laws affecting wildlife were passed by the recent Texas Legislature, reports the executive secretary.

He said perhaps most important were the statutes, sponsored by the areas affected, to give the Commission regulatory authority over game and fish in seventeen additional Texas counties. This raises the total of such counties to sixty-seven.

The new laws will not be effective until September but in most of the counties involved, studies already have begun toward expanding or shrinking game and fish harvest regulations by fall, depending on conditions.

This is particularly true in the original so-called Possum Kingdom regulatory group which was increased from six to eighteen counties extending the northern limit to the Texas border and stretching the southern boundary almost to Austin.

Most of the laws, according to the executive secretary, are local in nature. One statewide provision permits Texas residents 65 years of age and those under 16 years of age to hunt and fish without a license. An attorney general's opinion has been asked to clarify a section of this law which might permit such persons to hunt deer without an exempt license and thus excuse them from the two-tag provision affixed several years ago to clinch the two-buck per season individual limit.

One state-wide law, now affecting only areas seeking benefits of Commission regulatory authority to fix seasons and bag limits according to seasonal conditions, permits the Commission to harvest surplus wildlife on the game management areas. There are four such areas.

Another state-wide law is designated to put teeth into statutes protecting game fish against a comparatively new threat from violators. It sets a penalty for "telephoning" or using any other electricity producing apparatus for shocking fish at a fine of \$25 to \$200 and provides that possession of such equipment in a boat or along a bank or shore of a river, creek, lake or bay of this state to be prima facie evidence of violation.

Some of the local laws permit special shoots on pen-raised quail and pheasants under what are described as "controlled seasons." Bag limits, dates and hours of hunting are prescribed.

Paving Project Is Contracted In Shook Addition

Contract for four blocks of asphalt paving in the Shook Addition in North Haskell will be awarded to Ivan Dement, Inc. of Amarillo, it was announced this week by H. C. King and Jim Darden, joint owners and developers of the residential addition.

Contract price was reported at \$1,874.00 for the project. The pavement will be 30 feet wide and will consist of caliche base and asphalt topping, it was explained.

Among the homeowners whose property is located on the streets to be paved are Morrell Dick, Sam Herren, Viars Felker, Geo. Tyler, and Barney Frazier. The City also owns one lot adjoining the paved street, where one of the wells in the municipal water system is located.

Completion of the paving project is scheduled within a week or ten days.

Haskell Firemen Hear Reports On Training Methods

Reports from three Haskell firemen who attended the annual Firemen's Training School held at College Station last week were heard at a regular meeting of the Haskell Volunteer Fire Department Monday night.

Fire Marshal R. A. (Shady) Lane gave a brief summary of some of the highlights of the special fire marshal's course. Floyd (Satch) Lusk outlined some points stressed at the school relating to disaster and Civil Defense, and E. J. Sewart told of fire-fighting methods taught in the basic course in which he was enrolled.

Major points stressed in the short course will be used as the basis for the regular drills during the next few months, giving all members of the department an opportunity to benefit from the training given at the school.

NEGRO SOUGHT FOR FORGERY NABBED AT BRECKENRIDGE

O. V. Houston Negro man sought since July 8 in connection with a check forgery here, was taken into custody at Breckenridge during the weekend by Sheriff Bill Pennington and Constable Bob Marlow. He was returned to Haskell and is being held in county jail to await Grand Jury action.

The Haskell officers went to Breckenridge after receiving information that Houston might be in the city. With the help of Breckenridge officers, the Negro was quickly located. Later, Stephens County officers advised Sheriff Pennington that Houston had passed a forged check in that city.

Houston allegedly passed a forged check for the amount of \$58.00 to Perkins-Timberlake Company here, after making a small purchase at the store.

Sheriff Pennington said Houston had served two prison sentences for check forgery, having been given two years in one case and three years in another.

CARD OF THANKS

We wish to express our deepest gratitude and appreciation for the wonderful deeds of kindness since Bobby's accident. May God bless each of you.—Mildred and Bob Furrh. 29p

CARD OF THANKS

We wish to thank all of you who were so kind to us during our time of bereavement in the loss of our beloved Mother and Grandmother. We deeply appreciate the flowers, the food, and the many kind expressions of sympathy, and everything that was done to help lighten our burden. We shall always remain grateful to each of you.—E. W. Hays and family, Eulis Hays, Jr., and family. 29p

City-Wide Inspection for Fire Hazards To Be Conducted Here September 28th

Fire Chief Ray Lusk of this city has been advised by the Texas Insurance Fieldmen's Association that an inspection for fire hazards will be conducted in Haskell by specially trained men furnished by the association.

The inspection is being made at the request of the Haskell Fire Department. A similar program has also been requested at Stamford by the fire department of that city.

The community war on fire hazards will be waged in Stamford Wednesday, Sept. 28, and in Haskell on Thursday, Sept. 29. The dual inspection will be conducted under auspices of the respective Fire Departments and Chambers of Commerce.

"Fire detectives" will be fieldmen of capital stock insurance companies who know the "hazard ropes" and will examine every public building—churches, schools, business buildings—from attic-to-basement. Fire-red "Fix Me!" tags will mark the danger spots and suggestions for correcting them will be left with owners and tenants. City officials customarily follow up by trying to eliminate hazards.

In letters, Hugh P. Herbert of Lubbock, president of the West Texas Division of the Fieldmen's Association, said his organization was happy to have a chance to inspect Haskell and Stamford during September.

A downtown parade, special programs in schools and service clubs, fire drills and poster contests are generally scheduled to make the citizens more fire-prevention conscious during the hazard checks. Although these inspections began 50 years ago, Texas' first was at Gatesville in 1948. Since that time, 49 Texas communities have been made more fire-safe by the public service examinations. Haskell and Stamford will be No. 50 and No. 51.

Plans for a special program in connection with the one-day fire inspection are being studied by the local fire department, Chief Lusk said this week.

If possible, cooperation of local organizations and the Haskell schools will be sought if a suitable program can be arranged, the fire chief said.
