In Memory of Mattie Ford

There is a little lady patient and sweet,
 Who hath gone for her "Savior" to meet.
 She hath entered her home far better than this,
 To dwell with the ransomed and the bliss.
 She hath overcome sin and suffering here,
 She is beckoning to them she holds so dear.
 She is waiting at Heaven's golden gate,
 And will not have there, long to wait.
 To welcome her loved ones to the eternal home
 Where they never more shall roam.
 For it is a comfort and consolation to know,
 That God hath prepared for us a better place to go.
 So her message to us would be,
 Make ready our blessed "Savior" to see.
 When our Lord shall call our name,
 We shall be prepared the eternal to gain.
 Friends, kindred, husband, children, she's only away,
 Prepare to meet her some glad day.
 God so loved that He gave,
 That whosoever could be saved.
 Jesus said, I go to prepare a place.
 For all who are redeemed by His grace.
 And because of sorrow, suffering and sin,
 She was ready and anxious to enter in.
 Mattie was a true and kind friend,
 Which she proved to the earthly journey's end.
 When we think of her passing it makes us sad,
 But remember; her gain, it makes us glad.
 In home and heart there's a vacant place,
 But successfully she has run the race.
 Jesus said, she hath done what she could.
 And hath chosen that better part which was for her good.
 I couldn't be present, when the last words were said,
 But comfort was brought to hearts when Scriptures were read.
 So we say, good night here, but good morning up there.
 When we enter that land so bright and so fair.
 We'll meet you there, on the other side,
 When we have crossed the Jordan wide.
 Where Jesus has guided us safely o'er,
 Unto that bright and blissful shore.
 Written by a friend,
 Mrs. Paul Josselot.

Rochester Man Pays \$52.20 Fine for Theft Of Fender Skirt

Theft of a fender skirt from a 1953 Chevrolet in Scott Memorial Park Sunday resulted in a \$52.20 fine for a 20-year-old Rochester man, after Sheriff Pennington and deputies recovered the stolen accessory in the man's possession.

A teen-age youth who was with the man when the theft occurred, was released to his parents on probation, officers said.

Rotary Club—

(Continued from page 1) thoughtfulness and helpfulness to others. "Members of Rotary Clubs," he continued, "endeavor to exemplify their motto, 'Service above Self,' in all of their daily business, social and civic contacts by placing the obligation to serve others before the desire for profit for themselves. A Rotary Club selects its membership on the basis of one active member from each recognized business and profession in the community, so that it is a representative cross-section of the business and professional interest and activities in the community."

The new Rotary Club of Haskell has the same general objectives as all other Rotary Clubs in North, South and Central America, in Europe, Asia, Africa and the Islands of the Pacific—to encourage and foster the "Ideal of Service" as a basis of worthy enterprise and, in particular, to encourage and foster: The development of acquaintance as an opportunity for service; High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society.

The application of the "Ideal of Service" by every Rotarian to his personal, business and community life; The advancement of international understanding, good will, and peace throughout a world fellowship of business and professional men united in the "Ideal of Service."

The Rotary Club of Haskell will hold its regular weekly meetings in the Texas Cafe club room at 12 noon each Thursday. As soon as it has been formally admitted to membership in Rotary International, its official Rotary charter will be presented by District Governor Sydney A. Gaines of Wichita Falls at a special meeting which will be attended by Rotarians from many of the Clubs in this Rotary District.

Amphibious Rattler Snagged in Lake By Haskell Man

To run across a rattlesnake in this part of the country at this time of the year is not unusual. And a five-foot specimen is not uncommon.

But to find one in the middle of a 30,000-acre-foot lake is something else.

Giles Kemp, Haskell businessman and ex-sheriff, did just that one afternoon last week on Lake Stamford southeast of town.

Kemp was cruising in the middle of the lake using a three-prong hook on a cane pole to retrieve a trotline submerged by a recent rise in the lake level, when he spotted the amphibious rattler.

Kemp struck at the snake several times with the pole and finally snagged the reptile's body with the hook.

Heading for the shore, Kemp kept the rattler at pole's distance

OLDSMOBILE GEARED TO SOUTHWESTERN LIVING GOLDEN ROCKET 88 HOLIDAY SEDAN "I like those extras you get in an Olds!" ME: You mean the advanced styling, I suppose. The Accent Stripe and... SNE: Oh, there's more to it than that. For example, the "park" position on the Hydra-Matic Drive makes it safer and easier to start, even on hills. ME: Well, Olds has a reputation for attention to details. That's one reason the value lasts. SNE: You can tell that someone took a lot of patience in planning and building it right. Even the two ash trays are lighted. ME: I'll bet the Oldsmobile engineers would love that, but I wonder how they'd feel about you not mentioning the Rocket Engine? Now there's a power plant. There's still nothing quite like a Rocket! SNE: That's for me too, but I look for lots of other things—like upholstery... and that glove box. It's big enough for an umbrella. I wish...
