Coming of Cattlemen to Area in 1880 Results in Range Being "Overcrowded"

(This is the third in a series of articles on early days in this section, based on material in the late R. E. Sherrill's "History of Haskell County.")

As the hunters and Indians drifted out, cattlemen came in. They came from the overcrowded range in the east and pushed west till it too was overcrowded. By 1880 they began to complain and competition showed itself in feuds among themselves as well as with newcomers hunting grass and water. With little law to regulate, each outfit was a law to itself.

It was not always a love feast among the cowmen. There were many conflicts, usually over the grass and water, but often the maverick was the bone of contention. Cattle stealing was quite common among a certain class. Nothing was thought of it so long as each one got his share, doing equally well and prospering. But when an expert thief got hoggish, stealing too much from his neighbors, monopolizing this lucrative feature of his business, an indignation meeting might be held among the boys, the honest men, and the rustlers' scalp was not highly valued. He was lucky if he learned in time and wise in seeking new fields. If he stole in moderation after the custom of his own class he was a bully good fellow. A gluttonous thief was to be put out of the way.

However a large portion of the cattlemen were as straightforward, honest, industrious, broad-minded and far-seeing as any men in any profession; and these men frowned on any dishonesty, and helped to get rid of the cow thieves.

Sheep men as well as cow men were rushing into the country. And as sheep and cows do not like to work on the same range, this caused many quarrels and serious difficulties, and an occasional killing over range rights. Sheep will graze after cattle, but cattle and horses do not willingly graze after sheep. When the sheep man moved onto the range cattle and horses would drift out. This caused all sorts of trouble to cattlemen; and they and the sheep men were always at dagger's points.

The first permanent settlement in Haskell County was made by George T. Reynolds and J. A. Matthews and their wives on California Creek in the southeast corner of Haskell Co. They built the house in the winter of 1876. Matthews lived there for nearly two years. Reynolds moved away soon afterwards, and Glen Reynolds and wife lived with Mr. and Mrs. Matthews. While Mr. and Mrs. Reynolds lived there, their son, Asbel Watkins Reynolds was born, March 19, 1878, the first

white child born in Haskell. Reynolds and Matthews moved away from the ranch in 1878.

In the summer of 1879 Col. Thos. F. Tucker then living on the Colorado, decided to look for a better location. He was well pleased upon viewing this county and at once went back for his family. The family moved into the rock house built by Reynolds and Matthews and remained there from 1880 till January of 1885.

Other families began moving into the area and in 1884 L. M. (Pretty) Smith moved in and put up a little eating stand with a few groceries in a little shanty off the square southwest the first place proposing to serve the public in any business way. W. F. Draper arrived in June, 1884; and after being here a little while went to Albany to arrange for a stock of groceries and whiskey which he opened up and offered for sale in a little store on the west side of the square, the first real store opened in town and paved the way for others which soon followed.

In the latter part of August the daughter of a sheepman, R. Payne, was bitten by a rattlesnake. There was no doctor nearer than Anson, and without relief, she died in five or six hours and was buried in the first grave in the cemetery in the town.

At the beginning there was no post office in the county. The mail was directed to Albany and brought out for the community by some member who might be going to Albany on business. In 1884 a petition was sent to Washington requesting the Department to establish an office with the name of Rice Springs. There was an office in the state by the name of Rice and the Department declined to establish an office with that name. Some one suggested the name of Haskell. Everyone was pleased and so the name was changed.

Mrs. R. A. Sandifer was appointed the first postmistress, and for a while till better equipped, kept the mail in her dresser drawers till it was delivered.

The mail came twice a week. It was held till after supper for distribution. The young people of the town gathered after supper, and went down to the Standifer home for the mail and to get the news of the community. After it was distributed, they together went back to some house to spend the evening. This was a great time for them to do their courting.

Mrs. Johnson Is Hostess for Valentine Party

Mrs. W. E. Johnson entertained the Rainbow Sewing Club and a few guests with a lovely Valentine party last week. As each guest arrived she was presented with an attractive Valentine hat, to be worn during the party. A little card was presented to each one, bearing the words, "This is Your Party."

The entire house was beautifully decorated with a Valentine motif. The lamps were decorated with streamers of red ribbon and red hearts dangled from the doorway leading to the most outstanding feature of the evening. It was a replica of a U. S. post office.

The program was opened with the singing of the club song, "Let Me Call You Sweetheart" and "When You and I Were Young Maggie," led by Mrs. Lizzy Andrews and Flossie Rogers. Mrs. Johnson gave the origin of St. Valentine's Day. A Negro skit was given by Lizzy Andrews and Flossie Rogers and Sue Perry directed a guessing game.

Prizes were awarded to Flossie Rogers for having the most attractive hand-made Valentine and Virgie Dunworthy won on her corsage. Sue Perry came the closest to guessing the number of candy hearts in a jar. As prizes the trio received red satin heart-shaped pin cushions trimmed with white net ruffles and red ribbon.

Valentines, letters, magazines and small gifts were delivered from the little decorated post office to all the guests. A Valentine cake was made by Essie Bland and served with punch and assorted nuts.

Those present were Misses J. W. Martin, Lulu Keeton, Lary Wascom, Lorene Fouts, Ann Johnson, Virgie Dunworthy, Essie Bland, Annie Thomas, Flossie Rogers, Ethel Edwards, Eva Pearsey, Sue Perry, Cora Pittman, Ann Taylor, Virginia Flournoy, Thelma Adams, Erma Watson, Lizzy Andrews, Laverne New, Scooter Flournoy, Darlene New and the hostess, Mrs. W. J. P. Docket Lists 466 Convictions During Year

An average of nine convictions each week was recorded in Justice Court during 1955, with a total of 466 culprits paying court costs amounting to \$2,503.83, according to Justice of the Peace, Earl Treadwell's report for last year.

In addition to presiding for the hearing of these cases, Justice Treadwell had other official duties which kept him well occupied in his office. The report shows that his office filed 355 detailed reports on births and deaths during the year. Justice Treadwell also served as coroner in conducting three inquests during the year.

Also, the Haskell Justice of the Peace was called on to officiate in more than a dozen marriages in 1955, he reported. Busiest court month was July, when 80 convictions were recorded, with the next largest number of cases, 51, in December. Lightest month was September when only 21 cases were cleared from the docket. A majority of the cases filed in Justice Court deal with traffic violations, although the docket lists arraignments on complaints for offenses ranging from check swindling to attempted murder. He was born Oct. 24, 1878, at Chanute, Tenn., and came to Munday in 1898. He married Reta Henderson in 1900 in Fountain, Colo.

They moved to Rule in 1921 where he opened a store for Bryant-Link Co. He was associated with this firm for twenty years until in 1933 he opened a general insurance agency in Rule. He continued to operate this firm until his death. He joined the Masons in 1900; was a former president of the Rule Rotary Club and the Chamber of Commerce. Haskell Marine On Iwo Jima for War Games

Iwo Jima, Feb. 17 (FHTNC)—Marine Pfc. Royce D. Johnson, son of Mrs. Opal J. Johnson of Haskell, and husband of the former Miss Helen E. Flannigan of Abilene, landed on Iwo Jima today during an assault exercise by the 3rd Marine Division.

Using new methods and equipment, the Marines landed on the tiny island from both the sea and air to west a selected portion of the historic WWII battleground from a mythical enemy with but an estimated fraction of the casualties it would have cost using WWII methods.

The exercise is the largest participated in by the division since 1954. A battalion of the division's 3rd Regiment acted as an "enemy" force defending the island. While ashore the Marines found many scars of WWII still unhealed. The otherwise peaceful island is now used as an Air Force war-station and bears little resemblance to the devastated real estate that cost the Marines thousands of casualties in WWII.

At completion of the exercise the Marines will return to their bases in Japan and Okinawa.

The heart diseases cause more deaths in the United States each year than all the other causes combined, according to U. S. Government statistics quoted by the Texas Heart Fund.

'Thrifty' Shopping Backfires for Stamford Woman

A 20-year-old Stamford woman paid \$32.20 for a skirt last week when she hadn't planned on paying anything.

That was the trouble. Accompanied by a 16-year-old friend she went shopping in Co-field's Department Store last Wednesday, shoplifting, that is.

They began looking over the merchandise and the girl found a skirt that caught her fancy.

Shortly after the girls left the store, Mrs. Cofield missed a skirt and notified Deputy Sheriff Garth Carrott and Constable Bob Marlowe. She was able to point out the girls just leaving in an automobile.

The officers gave pursuit in a harrowing 90 miles per hour chase toward Stamford. The skirt was found in the car, but the two girls said they had no idea how it had gotten there. They were brought back to Haskell and after talking it over with County Judge Alfred Turnbow, they decided it would be better to "fess up."

The 20-year-old pleaded guilty to a charge of shoplifting and paid \$32.20 in fine and court costs.

School Inspectors To Visit Mattson March 14-15

A two-member accreditation team of the Texas Education Agency, Miss Rubye Bennett and J. B. Golden, will visit the Mattson High School March 14 and 15, announces School Supt. Elvin Mathis.

Last year, Mrs. Sybil Ghelson and George Blasingame of the Agency inspected the school and recommended that it be "advised." As a result of their visit, several changes were made, among them the addition of a new teacher. This raised the faculty total to eight.

The school board, faculty and Mr. Mathis and Henry Smith met with the entire committee in Austin on July 1 and other contacts have been made.

Choice of this dashing Lancer Hardtop or the big, rangy 4-Door Sedan

Now available at your Dodge dealer's is the snappy 2-door Lancer hardtop pictured above, and also the universally popular 4-door sedan ... both easily distinguished by specially designed, gold-plated insignia on front, rear quarter panels and deck lid.

Go see them ... see how big and roomy they are ... just like the proud State they represent! Actually drive a Dodge "TEXAN" and discover the thrill everyone feels behind those high-spirited Dodge Super Red Ram V-8 engines that give you up to 230 horsepower. You'll say these cars are as easy to maneuver as a prize-winning quarter horse.

Paint Creek . . . Community News

MRS. GENE OVERTON

Much as we need more rain one almost felt guilty enjoying the beautiful weather we had Monday. Wasn't it the most beautiful morning? It's so nice to have a pretty wash day once in awhile, and I think nearly every farmer's wife in Paint Creek took advantage of it.

Miss Magdalena Clements, Homemaking teacher at Paint Creek attended the meeting of the Business & Professional Women's Club at the Stamford cafeteria Thursday night. She is a member of the health and safety committee that had charge of the program Thursday.

Word was received Monday night of the death of Arthur Terry, brother-in-law of Mrs. Ray Overton. Mr. Terry has suffered with heart trouble for a year or two. Monday morning he underwent surgery in a Lubbock hospital for gallstones. He came out of surgery fine, but it is presumed he suffered a heart attack Monday night. Funeral plans were incomplete Tuesday morning, and since Ray was sick, Mr. and Mrs. Arthur Montgomery accompanied Mrs. Overton to Petersburg. The funeral was held Wednesday.

The FFA boys of Paint Creek Agriculture classes initiated the freshmen into the club at a party Monday night. A good time was had by all, that is all but the freshmen, probably. Freshmen were Jimmy Griffith, James Edwards, Bill Russell, Don Hager, Roy Petrich, Rex Raughton and Weldon Scheets.

Mr. and Mrs. LeFevre and daughter Elizabeth, of Sagerton spent Sunday in the home of their son and family. Mr. and Mrs. Dan LeFevre and Stevie, attended services at the Methodist Church with them Sunday night.

Leon Thane and his parents, Mr. and Mrs. Edwin Thane attended the 10th birthday party of Harold Lee Bredthauer at the home of Mr. and Mrs. Alvin Bredthauer in Sagerton, Friday Feb. 10th.

Manuel Thane, substitute mail carrier for R. I. Avoca has been delivering the mail for the last two or three weeks because Glen Rennels, the regular mail carrier has been having trouble with arthritis.

Gladstone McLennan is much improved at the Stamford Sanitarium. He was severely burned when a flame thrower he was using to burn prickly pears exploded two weeks ago. He will require lots of skin grafting before he is well.

Mr. and Mrs. Doc Raughton met their daughter, Mrs. Raymond Medford in Dallas last Saturday as she arrived for a visit from Hamilton, Bermuda. She will visit them and Mrs. Lee Medford until April 1. Raymond will be here about March 10. He is back in the states for a 6-

weeks school, and then they have about two more years in Bermuda. Lt. Medford is in the Air Corps.

Several are on the sick list this week. This virus that is going around has hit at least one member of almost every family. Jno. R. Watson, Sr., Ray Overton, Sr., Mrs. Arthur Moody, Mike Overton, Mrs. Garland Calloway, Mrs. Ray Perry, Jeanine and Janice Isbell and Vicki and J. Morriison all have sore throats and colds.

Coach Pat Morrison's girls' team won their first game in the three game play-off with Aspermont 40-39. They play the second game tonight (Tuesday) at Aspermont. If they lose tonight they play a third game at some neutral court. If they win tonight, or win the last game they play Megargel in a bi-district play-off.

Attending the Scouters' Training School at Rule last Tuesday night were Scouters Morris Haynes, A. P. Williams, Bill Griffith, Sammy Griffith, Homer Livengood, Scouts Wm. Overton, Jimmy Griffith, Wm. Haynes, Wallar Overton and Dan Griffith and Scoutmaster Gene Overton.

Mrs. J. M. Owen's mother, Mrs. Jane Smith of Aspermont was allowed to leave the hospital last week and go to the home of her daughter to recuperate from her recent surgery.

May we express our sympathy to Mrs. J. C. O'Neal in the loss of her grandmother, Mrs. J. J. Pace, who died last Wednesday night in Dallas.

Ralph Moody of Anson was a weekend visitor of his brother, Arthur Moody. They fished in the lake.

Attending the shower last Tuesday night at the home of Mrs. Cecil Eager honoring Mrs. Howard Overby, a recent bride, were Mrs. Allen Isbell and Mrs. Durward Livengood.

Mr. and Mrs. John R. Watson, Jr. and Johnny spent last week end in New Braunfels with their daughter and family. Sgt. and Mrs. Joe A. Box. It was the first time they had seen their new grandson, Joe, Jr.

Mr. and Mrs. Ira Coleman were hosts to the 7th grade with a Valentine part last Tuesday night. Seventh graders attending were Patty Bean, Mike Shaw, Mary Lou McLennan, Joan Griffith and Martin Dale Coleman. Guests were Howard Folsom, Robert Weaver, Ann McLennan, Dorothy Coleman and Phillip Coleman.

Mr. and Mrs. Frank Elmore moved from their home place east of the school house to Haskell last week. Their new address is 200 North 2nd St.

Mrs. Arthur Moody spent last week in College Station with her son and family. Mr. and Mrs. Gal Two . . . Paint Creek.

R. J. Moody and little daughter Melissa Hope. Melissa has been quite ill with a cold.

Mr. and Mrs. Hoyt Perry spent last week end in San Antonio with their daughter and family. Mr. and Mrs. Wayne Blacklock and Pamela. They spent Sunday in Corpus Christi and on Padre Island. They returned home on Monday.

Mr. and Mrs. Boyd Cathey and daughter Elizabeth of Grand Prairie spent the weekend with Mrs. Cathey's parents, Mr. and Mrs. W. A. Montgomery.

Mrs. Allen Isbell attended a pink and blue shower in Stamford Tuesday night for her sister-in-

law, Mrs. E. W. Mickler.
Several Paint Creek families attended the showers given this week for the Luther Bolding's who lost their home in a fire Friday morning Feb. 10, and everything they had burned. Neither Rex nor Patsy were at home and Mr. and Mrs. Bolding were at the hospital where Mrs. Bolding's mother, Mrs. Mattie Reed is ill. One shower was at the home of Mr. and Mrs. John Evens in the New Hope community on Thursday night, and one was at the Avoca lunchroom on Monday

night. It was given by the Avoca P.T.A. The Bolding's are the parents-in-law of Mrs. Dempsey Bolding the former Margaret Houston.
SPEND WEEKEND IN FARMERSVILLE
Postmaster and Mrs. Harold Spain and children spent the weekend in Farmersville visiting in the home of the Haskell man's mother, Mrs. J. W. Spain.

that's nearly Two Tons Big
(It's the Buick SPECIAL—and you really ought to try it!)
This is the one that's going to town in a BIG way. And you'll know what we mean when you take its measure—by any yardstick you choose.
By the pound and inch, it's the biggest bundle of high-powered action and high-fashion luxury ever offered in Buick's lowest-priced Series.
By the dollar sign, it's a value so big that Buick outsells every other car in America except two of the well-known smaller ones.
But not till you've put this 1956 Buick SPECIAL to the road can you know what a big-time performer it really is.
You'll know it by the instant response and purring might of a 522-cubic-inch V8 engine that's been lofted to new peaks of power and compression.
You'll know it by the flash-away action of a new Variable Pitch Dynaflo* that steps up getaway and gas mileage in normal situations—and zooms to full-power acceleration for a needed safety-surge when the pedal and switch the pitch.
You'll know it by your complete mastery of a that handles like a dream—steers like a wish—like a cloud in the blue.
BIG—that's the word for this Buick SPECIAL.
BIG—coming, going, or standing still . . .
BIG—in its stretch-out roominess—in its beauty—in its solid steadiness . . .
BIG, most of all, in the way it makes your motor think you'll find it sweet listening.
*New Advanced Variable Pitch Dynaflo is the only Buick built today. It is standard on Roadmaster Century—optional at modest extra cost on the Special.
