Armistice Service Sunday

On request of the Legion Post of this city the Reverend R. R. Gilbreath will deliver the Armistice Day service at the eleven o'clock hour in the Methodist church, Sunday November 11th. The entire public is invited to this service, and especially those who are not worshipping in their church at the hour mentioned.

Members of the local American Legion and all ex-service men are expected to meet at the Legion Hall at ten o'clock Sunday morning and go in a body to the church. Those who have them are to wear the Legion cap but those who do not have caps are expected to be in attendance just the same.

It is remembered with regret that members of the Post failed to show up for the Memorial Service which was to have been held in the Odd Fellows Cemetery in the month of May. In view of this failure it is hoped that every ex-soldier will consider it not only his duty but his privilege also to be present and on time for the Armistice Service Sunday.

Knox In Rehabilitation Program

Mr. W. A. Eichelberger of Waco is working in Knox county this week in the interest of the rural rehabilitation program in Texas. Mr. Eichelberger is supervisor of a district composed of three counties, Baylor, Knox and Wilbarger, with headquarters in Vernon.

This rural rehabilitation program is to place back on the farm those families who have been on the relief program and help them to become self-sustaining. The Department of Rural Rehabilitation of Texas is renting from the farmers houses not being used with ten acres of tillable soil for a period of three years, from October 1934 through December 1937. The houses are to be repaired where needed and made livable and families placed in them will be supplied with the necessary equipments for cultivating the ten acres of land. During the three years of this project reliable families can succeed in the work and re-establish themselves as self-sustaining.

Community Meeting Thursday. Mr. Eichelberger is calling a community meeting of the farmers and all interested in the Knox City territory to be held at seven o'clock on Thursday night of next week, November 15th. Every farmer who can possibly attend the meeting is asked to do so.

There are about 400 heads of families in Knox county on relief roll now. This makes approximately 2000 people in Knox county looking for help through relief. If these people can be placed where they can take care of themselves the burden to the county and state will be lessened and the families will be happier.

In each community, a radius of five miles, where as many as fifty families are rehabilitated, the State Department of Rehabilitation is building a community house. The purpose of this building is to furnish a place and equipment for families for canning, sewing and other necessities beyond the means of those on the relief program. Details of this plan will be presented by Mr. Eichelberger at the community meeting next Thursday night.

NOTICE TO ALL BAPTIST

Every Baptist is urged to be in your place at Sunday School next Sunday morning, promptly at 9:45. If you were absent last Sunday, come Sunday and bring some one with you.

This is your Sunday School, come Sunday and bring some one with you. This is your Sunday School and you are always a committee to invite someone else. In cooperation there is strength; lets all work together for the one great cause, To Honor Him who gave his life on the cross that our sins may be forgiven.

H. E. Wall, Supt.

Mr. and Mrs. West are here with Mrs. Blanch Pope.

Stores to Close Monday

In observance of Armistice Day which is Sunday, November 11th, the Knox City merchants will close their stores all day Monday. Do your necessary trading for Monday on Saturday of this week.

The Drug stores will open only until about nine o'clock Monday morning.

HOSPITAL NOTES

Patients in the Hospital this week include H. H. Porter of Munday, Mrs. Eddie Blackburn of Vera, Hardie Lee Richards and Mrs. E. G. Richards both of Vera, Dr. R. L. Gray of Rule, Mrs. R. S. Owens of Munday, and Mrs. G. L. Dedman of Rochester.

J. C. Call of Munday was in the hospital Wednesday night for treatment of an injured leg.

Mrs. Hobb Smith of Rochester received treatment Wednesday, Margaret Ann West of Benjamin received treatment Wednesday, Miss Maude Leibel of Munday received treatment Tuesday and Miss Edna White of Knox City received a tonsilectomy the first of the week.

We are glad this week to have G. E. Rodgers a new subscriber to the Herald.

NORTH WEST TEXAS METHODIST CONFERENCE

The North West Texas annual conference of the Methodist church will open on Wednesday morning, November 14 in First Church in Abilene. The local pastor, R. R. Gilbreath, and a number of laymen and women are expected to be in attendance.

The opening program Wednesday night will be the normal inauguration of Dr. C. Q. Smith as president of McMurray College. This program will be held in the gymnasium on the college grounds.

Saturday afternoon a most interesting foot ball game will be played between the oldest and the youngest Methodist colleges, Southwestern and McMurray, in connection with this game will be a great amount of visiting among alumni members.

Sunday morning the annual Methodist Love Feast will be held promptly at nine o'clock. Bishop H. A. Boaz will preach following which appointments will be read. The list of every Methodist preacher in the North West Texas Conference awaits the reading of those appointments.

Miss Sarah Wright, Tax Collector for Knox County, will be in Knox City November 16 and 17, for the purpose of receiving State taxes for 1934. By paying your taxes on the dates you will save a trip to the county seat later.

NOVEMBER 10 FINAL DATE TO GET A COTTON POOL

College Station Nov. 1—November 10 has been tentatively selected as a final date for receiving surplus cotton tax exemption certificates for the national pool, according to an announcement received from the Agricultural Adjustment Administration. Purchase of certificates from the pool, it was emphasized, would continue as long as the pool had certificates on hand.

E. E. Deal, manager of the pool, said it was felt that all holders of surplus certificates who wish to turn them into the pool will have had time to do so by November 10. State allotment benefits have been urged in surplus producers who wish to turn in surplus certificates to the pool.

"Because we have tentatively selected a final date for receiving surplus certificates," said Mr. Deal, "it is now more important than ever that producers speed up the surrender of any certificates they wish to offer for sale through the pool."

The pool now has on hand orders for many more certificates than it is able to fill. Mr. Deal said. On all these orders the purchaser expects to pay four cents a pound which is cents fixed by Secretary Wallace as the standard selling price for surplus certificates purchased through the national pool.

Producers will be paid approximately \$29 a bale for all certificates sold through the pool. When the pool is liquidated, each producer will be returned his share of any certificates the pool does not sell. These may be used next year if the Bankhead Act is effective for 1935.

T. E. L. CLASS ORGANIZED

The T. E. L. Sunday School Class of the First Baptist church went into formal organization Sunday electing the following officers: President, Mrs. B. M. Farmer; Vice, Mrs. Joe Averitt; Secretary, Mrs. W. R. Terry; Treasurer, Mrs. Press Clarke; Reporter, Mrs. E. F. Branton; Assistant Teacher, Mrs. T. E. Robinson. Mrs. Terry appointed Mrs. Averitt as Mrs. Branton's work in connection with the Men's class to plan for the entertainment of the members of the Couples Class of the Methodist Sunday School.

TO WHOM THIS MAY CONCERN:

As Secretary-Treasurer of Haskell-Knox County Burial Association, the following statement is made:

That on June 11th, an application came into our office for Mrs. Hester A. Harwell, Route 1, Sagerton. Since the death of Mrs. Harwell it has developed that we were misled as to the condition of her health at that time, and upon investigation I am convinced that Mr. Harwell whom I have known for 27 years, nor the family were not responsible for this mis-information.

As is our custom to have some member of the family who puts in the family sign a statement before a Notary Public that the statements made on date of application were true on date of application, which Mr. Harwell would not do, and convincing the Sec'y-Treas., that he did not mislead or misinform solicitors who took the application, I am paying this claim from my personal funds, as I do not feel it just to membership to pay this claim, from information that I have.

While I am paying this claim, personally, I am instructing future solicitors to be more careful, and fair with members, also warning them that there will not be other claims paid, until statement is made before Notary that condition of health as stated on application to secure this protection was true and correct on date of application. I do this in justice to the loyal members we now have responded so nobly, and to warn those who think it all right to make any statement without foundation of truth, that they may impose unfairly upon Our Association, which the writer intends to handle fairly and honestly and such future payments will be restricted to refund of actual cash paid into this Association by deceased member.

Respectfully,
 W. H. Littlefield, Sec'y-Treasurer
TO WHOM THIS MAY CONCERN:
 I take this method of thanking W. H. Littlefield, Sec'y-Treas. of Haskell-Knox County Burial Association for benefits we received from the death of my wife, Mrs. Hester A. Harwell.

Owing to the facts that I could not honestly sign a statement required and which Mr. Littlefield is now demanding from all members when claims are paid, as a protection to members of the Association, and after investigation by him from which he is assured that we, as a family, did not mislead to secure this Policy.

He is therefore paying this claim personally, as he does not feel it just to ask membership to pay it. Mr. Littlefield's action in this is in keeping with his reputation for fair dealing, as established by him to those who have known him, as I have, for about 27 years.

A Sure Way To Prevent Winter Trouble for Motorists of KNOX CITY

Special Winter Grades of Germ Processed Oil Give Positive Starting, Improved Oil Line Drainage and Utmost Motor Protection

Change now to the proper grade of New and Improved Conoco Germ Processed Motor Oil. You'll get:

1. Positive Starting. These new lighter grades permit your motor to reach higher "crank" speed. You save your battery. You choke less. You waste no gasoline.
2. Definitely more miles per gallon of gasoline. The lighter grade oils flow freely and minimize friction.
3. Utmost Motor Protection. Other oils drain away leaving parts unprotected when you start. Oil Conoco Germ Processed Oil penetrates and combines with metal surfaces, forming the "Hidden Quat that Never Drains Away." Every part is fully oiled from the first turn of the motor. It cuts down starting wear—saves repair bills!

Conoco dealers and stations have the new Winter Grades, namely, 10W and 20W heavier grades, too—in refinery-sealed cans and in bulk. Consult the Conoco chart, fill with the proper grade—and stop worrying!

Knox County Home Demonstration Council Meet.
The Knox County Home Demonstration met Saturday, November 3 with 17 women representing a club present.

It was decided to award this month prizes in Knox City immediately after the judging on Friday November 16 the first day of the Knox County Home Demonstration and 4-H Exhibit. These prizes are 50 cents for first place winners, 25 cents for second and 15 cents for third. Cash prizes will be given only on those entries listed in the yearbook. Other entries for both club members and non-club members will be judged but will be given ribbons only.

A report was read of the publicity of the clubs for September and October. This report is to be given from time to time since a prize is being offered to those reporters who list 2 reports in the newspapers each month this year.

Plans were discussed for an annual banquet honoring some of the outstanding workers in Farm and Home Demonstration Work in the County and a committee was appointed to make plans for such an event. Definite plans will be given out Friday, November 16.

This meeting was the last for the year 1934. The officers for the coming year, to take charge at the Council meeting in January are: Mrs. Frank Bowley, Monday Council Chairman; Mrs. George Weber, Hofner, Vice Chairman; Mrs. T. B. Ward, Benjamin, Secretary-Treasurer; Mrs. R. M. Almonrode, Parliamentarian.

There being no further business the council adjourned to meet January 5, 1935.

Tomatoes—Yes and to Sell
From a very small patch of tomatoes, I have sold \$30.00 worth besides canning 40 quarts for home use," said Mrs. J. M. Perdue, Monday Home Demonstration Club. "I will have plenty of tomatoes and will probably sell more than have already before frost." This is one time I am going to have a lot of tomatoes I can use, said Mrs. Perdue.

Okra Brings a Good Profit
"\$22.00 has been the clear profit from one row of okra across my garden so far and am still selling okra," said Mrs. J. C. McGee, Union Grove 4-H pantry demonstrator.

Mrs. McGee stated that she began getting 10 cents for this okra but now it is only half that. She has another small row of okra just beginning to bear and even though the price is not so good she will sell several dollars worth before frost.

Being pantry demonstrator of the Union Grove demonstration club Mrs. McGee has organized her pantry, labeling the shelves and products and at present she has 317 containers of food on those shelves to say nothing of the food that was preserved but used during the year.

You Need Refrigeration Every Day of the Year

There are only a few days each year that the temperature is low enough for the proper refrigeration of foods. Although foods may not spoil during cold Fall weather, the temperature is not low enough to prevent the growth of bacteria, the real danger of poor refrigeration.

The electrical refrigerator's economy and dependability of operation has been proven. The saving on foods alone makes the investment of your money amply repay you.

To protect your family's health, proper refrigeration is a necessity every day of the year. The cost is no greater than obsolete methods of refrigeration.

Low incentive rates make it possible for you to secure the maximum of benefit at the minimum of expense. Buy safe—buy dependable electrical refrigeration.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

game itself would become a feat and often cruel business.
 2. I will treat my opponents with courtesy, and trust them if they deserve it. I will be friendly.
 3. If I play in a group game, will play, not for my own glory, but for the success of my team.
 4. I will be a good loser or generous winner.
 5. And in my work as well as in my play, will be sportsmanlike—generous, fair, honorable.

Greyhound Field, November 2.—The Knox City Greyhounds showed that they had a football team today when they trounced the Rule Bobcats, 13-0. Rule went into the game a two touchdown favorite, but emerged badly beaten. The Greyhounds outplayed the Bobcats from the opening kickoff to the last whistle. First downs were 10 to 4 in favor of Knox City.

The Greyhounds scored both touchdowns in the second quarter. B. E. Bryan took a Bobcat punt on the fifty yard line, cut to the left and ran for a touchdown. His kick for the extra point was good. The Greyhounds, on a series of punt exchanges, got the ball in Rule's territory and marched down the field for the second touchdown. The kick for extra point was wide.

The Bobcats were held at bay all afternoon and never got the ball within Knox City's thirty yard line.

The Greyhounds regret the misfortune of Edward Shaver, their regular end, who broke his collar bone. He will probably be out the rest of the season.

The Greyhounds play Rochester here the 12th of November. This will be a good game and everyone be out to watch the Greyhounds chase the Steers.

The Law of Good Sportsmanship

Good Americans Play Fair
 Strong play increases and trains one's strength and courage. Sportsmanship helps one to be a gentleman, a lady. Therefore:
 1. I will not cheat; I will keep the rules, but I will play the game hard, for the fun of the game, to win by strength and skill. If I should not play fair, the loser would lose the fun of the game, the winner would lose his self-respect, and the

The girls basketball team will play O'Brien at O'Brien Wednesday afternoon.
 The boys have finally been prevailed upon to join the Pep Squad. Olen Dutton was elected yell leader for the boys by the student body. They have certainly strengthened the High School Pep Squad.

BOYS BASKET BALL TEAM ORGANIZED

The boys have started their basketball practice this week. They elected Edward Coker to act as captain until football season is over.

BE CAREFUL

- IF any laxative is dipetic (makes you thirsty).
- IF it affects your appetite.
- IF you need more today than the first time you took it.
- IF it drains the system (by too watery a movement).
- IF a bad "burning" is felt.
- IF there is severe griping.

The Proper Treatment
 You can't safely relieve the bowels with any medicine if you can't regulate the dose. To regulate dosage, you should have a liquid laxative. When necessary to repeat, you can gradually reduce the dose. And that is the secret of safe relief from a sluggish, constipated condition at any age.

A liquid laxative can be measured. Its action can be thus controlled. If properly made, of such natural laxative elements as senna and cascara, it forms no habit—even in the youngest child. And such a laxative will help the bowels to help themselves.

Dr. Caldwell's Syrup Pepsin is an improved liquid laxative containing herbs, active senna, and cascara, and is the one widely used. You can always obtain it at any drug store. Why not make the "liquid test" which has attracted so much attention of late? It helps nearly everyone who tries it. It may make you feel better overnight. The children will like it, too. Syrup Pepsin has a delightful taste.

If you will risk sixty cents to discover the safe, pleasant action of Dr. Caldwell's Syrup Pepsin, we believe bowel worries will be over for your household.

WHO'S WHO ON THE FOOTBALL TEAM?

Captain John Elbert Smith began his career, July 9, 1918. From this day forward he has been pampered by the entire Smith family.
 When about four years old Mr. and Mrs. Lloyd Davis took him to a baseball game. John E. had not acquired that "baseball mania," then, and bit Mrs. Davis' finger because he was bored and wanted to go home. This brought the reproach of "Oh, John Elbert, honey, don't do that!"
 In 1924 he started to school, here in Knox City. From the grades, three to eleven he has been class president a number of times and served as other class officers. In the sixth grade, he was elected "best all around boy" of the room. This year, a dignified Senior, "Elberta" is our vice-president, Captain of the Football team, and Boy's Sports Editor of the Kennel.

Johnny is an excellent football and tennis player, loves all sports, is a divine dancer and crooner, his weakness is blondes and he does date on freckles.
 His favorite subject is girls, his favorite magazine is the "American" and he is crazy about frog chicken. With such a brilliant past Johnny should amount to some one great in the future.

TOME ECONOMICS CLASS IS ORGANIZED

DIAGNOSES
 The man
 Holds my hand with warm, strong fingers—
 Like hard brown hands around the whiteness of my own.
 His eyes
 Glow, smouldering into mine
 My heart pounds tribally
 In wild uncertain tone.
 I wait
 His voice breathlessly-thick hot air
 Presses the walls on my lungs—
 The doctor says: "Stick out your tongue!"

 Oil in tasteless tablet

Founders of firm heater fish, have scraggy bones! New vitamin energy instead of tired, listless, quiet nerves! That is what the people are getting through scientific discovery—the Vitamins of God concentrated in little sugar tablets without any of its horrid, baby taste! McCole's God Liver Oil Tablets simply work wonders. A little boy simply sick, got well and gained 15 lbs. in one month. A girl of thirteen, same disease, gained 15 lbs. in the same time. A young man could not eat or sleep after having all her health back and gained 18 lbs. in a month.
 You simply must try McCole's Vitamins if you don't gain at least five healthy fish in a month get your back. Demand and get McCole's Vitamins and genuine God Liver Oil. Approved by Good Housekeeping Institute. Before all else, insist on the original. There are none better.
