## Hounds Cinch District Title

Knox City's 29-2 win over Aspermont last Friday night cinched the 7-A district title for the Hounds, although they face a tough game with the Haskell Indians tomorrow night (Friday), at Haskell with game time set at 7:30.

The Hounds, ranked eighth in the Associated Press poll and sixth in the Harris Ratings, go into their final district game with a 9-0 record.

The Greyhounds scored first against the Hornets when Joey Swain went to the air and connected with Charlie Flye on a 62-yard play and Swain added the PAT.

With first and ten at their own 35, the Hounds struck again as Swain hit Don Swearinger for 65 yards and a touchdown. Swain's kick made it 14-0 at the half.

Aspermont got on the scoreboard only once, when Swain turned at the one yard line to hand off the football and the ball fell to the turf across the goal line. Swain pounced on the ball to give the Hornets a safety.

kick made 21-2.

A Flye punt was recovered when Swearinger pounded on the pigskin at the Hornet 6 and Swain took it in from there on the first play. On the PAT try, Swain took the ball and tossed to Swearinger for two points.

It was a game of mistakes, as the Greyhounds were tagged with 11 penalties for 122 yards and they fumbled once. Aspermont was plagu-

ed by five fumbles and two pass interceptions by the rugged Greyhound defense.

### BI-DISTRICT GAME

#### SET IN ABILENE

The Greyhounds will face undefeated Jim Ned, 8-A champions, Saturday night, November 23, at Shotwell Stadium in Abilene with game time set at 7:30 o'clock. Admission will be \$2.00 and \$1.00.

### Motorcade

A motorcade again is being planned by the Booster Club for this week's game at Haskell. Coach Don Mullins has reported that the caravan of fans have had a good impression on the team.

Plans are to leave Knox City promptly at 6:00 p.m. from the new gym, according to Mrs. Barbara Howell. The earlier time was chosen in order for the group's arrival to make a bigger impact in Haskell. Greyhound fans are urged to join the motorcade and support the Hounds all the way.

Dale Bloxham opened the fourth quarter by capping a five-play, 21 yard drive following a personal foul and a fumble recovery by Rudy Hernandez on a Knox City punt.

Bloxham bounded in from four yards out and Swain's

## Crowd Expected For Baptist Homecoming

Plans have been finalized and last minute preparation is underway for the big celebration at First Baptist Church this Sunday. The church will celebrate its 70th Anniversary with a Homecoming called Celebration Sunday.

The day will begin with the church bus going out to make its run leaving about 9:15 a.m. Also, at that time coffee and hot chocolate will be served the early comers in the fellowship hall.

Sunday School will begin at 9:45 a.m. The Adult II (50 and up) will meet in the sanctuary as one huge class with Curtis Coates teaching the lesson. The adult I (Adults to age 49) will meet in the chapel with Pastor Paul Anderson teaching the lesson.

Children and youth will go to the Family Life Building. Pre-schoolers will meet in the new educational wing. Primera Iglesia Bautista (Spanish) will have Sunday School in the auditorium basement.

At 10:55 the morning worship will have former pastor, J.S. Tierce preaching.

At noon a Texas size meal will be served in the Family Life Building. Women are asked to prepare extra quantities of their favorite recipes and bring them to the north door of the Family Life Building. The church will provide drinks, plates, and silverware.

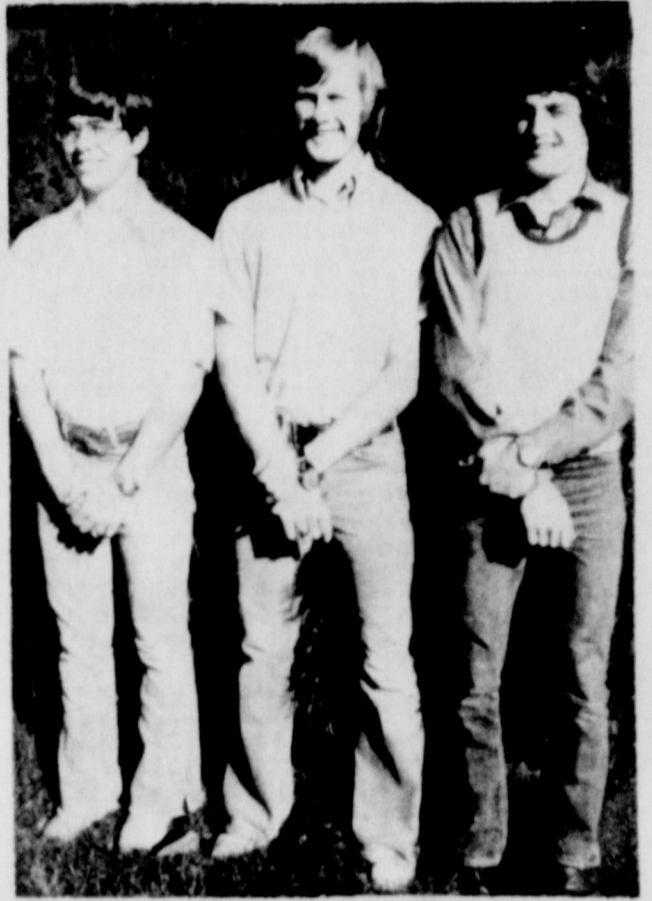

At 1:15 a rededication of the old building will be made after 50 years of use. It is now

used as a Mexican-American Church sponsored by First Baptist.

The afternoon service at 1:30 will include Brother Murrell Johns, guest speaker. Gospel singing will highlight the program. Special music will be provided by Lynell Williams, Kim and Ken II of Anson, Johnny McNelly of Fort Worth, Gwen Hewitt of Lubbock, and Stacy Angle, Gayle Tankersley, Pauline Myers and Paula, Tommy Kent, Mary Jo Lankford, C.H. Cornett, Jack and Lynn Tankersley.

The evening worship at 7:00 p.m. will feature Brother Emil Becker as speaker.

**THIS FUTURE FARMERS OF AMERICA'S RADIO TEAM** represented Knox City well by taking first place in the Oil Belt District competition in Throckmorton Wednesday of last week. Team members, from left, are Mike Burkham, Randy Lewis, and Mark Howell. They will represent the District in the Area Leadership Contest in Stephenville November 19. Leon Burkham is chapter advisor.

## Knox City FFA Radio Team Wins District

The senior FFA Radio Broadcasting Team composed of Mark Howell, Randy Lewis, and Mike Burkham, placed first in Oil Belt District competition held in Throckmorton Wednesday, November 6, and will represent the District in the Area Leadership Contest November 19 in Stephenville. They will compete against the top two teams in each of the four districts in Area IV. The first place team will advance to the State meet December 7.

Several teams represented the local chapter of Future Farmers of America in the District leadership contest. They competed against

twenty-one schools who make up the Oil Belt District.

Other teams placing were the Junior Farm Skill team composed of Mike Howell, Danny Mullins and Jimmy Albus, fourth; Junior Chapter Conducting team composed of Brett Boone, president, Tommy Mangis, vice president, Raul Espinosa, sentinel, Eddie Martinez, advisor, Junior Gonzales, treasurer, Mark Clonts, secretary, and David Anderson, reporter, and they placed sixth and senior farm skill composed of Payton Barnard, Troy Lewis, and Jerry McCown, seventh. Leon Burkham is chapter advisor.

## Houndettes To Open Season Here Tuesday

The Knox City Houndettes will open the basketball season when they host Jayton next Tuesday. Games are scheduled for both the varsity and junior varsity girls. Starting time for the first game will be 6:00 p.m.

Having lost two starters from last year's squad, this

year's Houndettes will have some new faces in the starting lineups.

Returning this year are Temi Baker, Kary Kent, Debbie Reese, Mandy Lankford, Jane Arledge, Timilu Graham, Pam Skiles, and Tami Grindstaff.

The Houndettes will face some new opponents, including Baird on November 22, Hamlin on November 26, and Olney on December 13. They will play in the Slaton Tournament December 26, 27, 28 and the Jayton Tournament January 2, 3, and 4.

Other opponents this season include Throckmorton, Anson, Munday, Aspermont, Crowell, Haskell, and Padudah.

A full schedule has been set for the Houndette Junior Varsity this year also.

Coach Larry Ledbetter is the Houndettes' coach.

**MOVE TO BROWNWOOD**  
Mr. and Mrs. Edwin Royston moved last weekend from Seymour to Brownwood where Edwin is employed as a lineman for General Telephone Company.

Mrs. Royston, who is the former Jill Thompson, had been employed as personal secretary to Mayor Cecil Forester and bookkeeper-accountant for the City of Seymour. She has accepted a position with the U.S. Department of Agriculture in the Soil Conservation Service and began work Tuesday of this week.

The Roystons had lived in Seymour since October, 1972.

**RECOGNITION** for his outstanding work in the ASCS, Doug Meinzer, left, also received a \$1,000 cash award from Jerry May, Director of the ASCS office.

## Given Meinzer Outstanding Work

Doug Meinzer has received recognition for his outstanding work as Assistant Crew Chief, Department of Culture, State Conservation Commission. He recently was awarded a \$1,000 cash award for his outstanding work. Meinzer is a 20-year veteran of the ASCS office. He has worked in the field for 20 years and upon

completion of appraiser training school last March, was asked by the District Director to assume the duties of the Crew Chief for District 4 appraisers. According to Doug, he took over this new duty in a responsible and enthusiastic manner and has continued to perform in an outstanding manner. May explained that not only were the original five appraisers properly scheduled and spot checked, but Doug recruited two additional appraisers for training. Through the effective scheduling of appraisers, Doug and his crew have completed on a timely basis a heavy disaster workload without assistance of "outside" appraisers except during the

**DAN KLAUSMEYER** ...assumes duties

## Baptists Have New Director

Dan Klausmeyer assumed duties as associate pastor and minister of youth at the First Baptist Church here Sunday. A native of St. Louis, Missouri, Dan is a senior student at Hardin-Simmons University. He is working towards a Bachelor of Arts degree in Bible with a minor field of study in Sociology.

Dan is an active member of the Baptist Student Union having served on its council, is a member and officer of the nominating committee of the Ministerial Fellowship, is a four year member of Rangers, a men's service club, and is active in revival teams, youth fellowships, and banquets.

Licensed to the gospel ministry in May, 1971, by the Cross Keys Baptist Church in Florissant, Missouri, he served as youth director of the First Baptist Church at Blackwell during the school year of 1971-72.

His musical interests include playing the piano and organ. During the past year he accompanied a school and church singing group called "Sonlight", from Caps Baptist Church in Abilene.

The past summer was spent in evangelism work in the states of Washington, Oregon, and Idaho, operating through the Northwest Baptist Convention.

## Special Day Set Sunday At O'Brien

The First Baptist Church at O'Brien has scheduled a special service Sunday called SOMEDAY. It is going to be "some kind of a day" according to Rev. Bob Cameron, pastor.

Sunday School will begin at 9:45 a.m. Coffee and a snack will be served prior to Sunday School.

Dr. Elwin Skiles, president of Hardin-Simmons University, will be guest speaker at the morning worship service at 11:00 a.m. and special music will be provided by Johnny McNelly of Fort Worth.

Dinner will be served at the church at 12:30 p.m.

"Everyone is invited to come and help us celebrate this Lord's Day," Rev. Cameron said.

## Bicentennial Meet Slated

The Festival USA committee of the Bicentennial celebration will be meeting Monday, November 18, at 2:00 p.m. at the Knox City Country Club, according to Mrs. Faye Graham, chairman.

Mrs. Graham reminds all members of the committee to be present. Members include Mrs. Billye Bess Angle, Mrs. Evelyn Warren, Bill Baker, Bobbie Bradberry, Mrs. Ottis Cash, Mrs. Jeannette Clarke, Mrs. Ann White, Mrs. Dean Johnston, Mrs. Barbara Howell, Mrs. Lena McGee, Mrs. Odell Harbert, Mrs. Patsy Anderson, Mrs. Dessie Egenbacher, Mrs. Evelyn Shelton, pastors of all churches, Sam E. Clonts, Mrs. Doris Crowner, overall chairman, Mrs. Mary Vaughan, Heritage chairman, and J.B. Taber, Horizons chairman.

## Cottage Inn Sets Opening

Sheila Kimmel, former Knox City business woman, is announcing the opening of the Cottage Inn in Munday, as will be noted in her ad in this week's News.

Open house is scheduled for Sunday, November 17, from 2:00 until 6:00 p.m. Free coffee, punch, and homemade cookies will be served.

Regular hours will be from 6:00 a.m. until 10:00 p.m. and a noon buffet will be featured three times a week, according to Sheila, owner and operator. Assistant manager is Penny Harwick.

Everyone is invited to attend the open house.

Farm And Ranch News BY HERMAN COLLIER

FEEDER CATTLE OUTLOOK STILL DIM "Higher feed costs, continued feedlot losses, and exceptionally large supplies of replacement animals mean lower prices for the feeder market," says Dr. Ed Uvacek, livestock marketing specialist for the Texas Agricultural Extension Service.

"Cattle placed on feed during August, 1974, were down 22 per cent in the seven major feeding states, which indicates no changed attitude among feeders," says the Texas A&M University System specialist.

Price differences between U.S. Good grade beef and U.S. Choice grade beef are expected to widen even further this fall. This price difference will be reflected in feeder prices, causing much larger discounts on plainer kinds of replacements.

"Fed cattle will probably show further weakness through November because of the increasing number of non-feds available," predicts Uvacek. "However, prices during the remainder of the year should move upward."

Uvacek also expects feeder cattle prices to continue downward because of high feed costs and feedlot unprofitability.

"On July 1 of this year there were about 5 1/2 million more replacement cattle available outside of feedlots than last year. This larger supply of feeders will continue to push down feeder prices. However, some recovery is expected by December as supplies thin out.

"The real key to the future of feeder prices is fed cattle prices," contends Uvacek. "Unless feedlots become profitable again it will be hard to sell replacement animals -- at any price."

WATCH FOR PRUSSIC ACID POISONING

Animals that graze on pasture or forage that has recently been hit by a frost are subject to prussic acid poisoning.

Among grasses that are especially toxic to animals after a frost are Johnsongrass, Sudan, and other sorghum hybrids. Prussic acid poisoning is a disease which prevents oxygen in the blood from reaching the tissues and thus causes death due to suffocation. Symptoms of the disease are suffocation and

muscular twitching, and the animal may have his head turned to his flank. The blood of the animal has a bright red color. Animals usually become affected within 10 to 15 minutes after eating toxic material and rarely survive more than one or two hours.

Livestock should not be allowed access to wilted material after a frost until it has dried completely. Grazing should also be prevented after a rain when new sprouts begin to form on plants. Wilted material will usually dry out in a day or two of strong sunlight. New growth usually becomes non-toxic within a week to 10 days after a rain and can then be grazed safely by livestock. If you're not sure about your pasture, have a veterinarian check it with a picrate test or have a sample checked in a lab. One way to check a pasture is to turn out a less valuable animal that has been without hay or grass for 24 hours. A hungry animal will fill up faster and show toxic symptoms if the plant material is dangerous. If you think your animal shows signs of prussic acid poisoning, don't hesitate to call a vet immediately.

FARM ADJUSTMENTS TO SAVE TAXES

Farmers and ranchers can take certain steps before the end of the year to reduce their 1974 tax bill, points out economist for the Texas Agricultural Extension Service. First of all, estimate your expected income for 1974. If your income is up and your taxes will be high, you may want purchase certain capital items such as machinery, equipment, and breeding stock to obtain investment credit and additional first-year depreciation. Such items as feed and fertilizer can also be purchased. Or sales of farm products can be delayed until after January 1. Machinery and building repairs should also be considered.

"Bless the Lord, O my soul; who redeemeth my life from destruction; who crowneth me with loving kindness and tender mercies; Who satisfieth my mouth with things; so that my youth is renewed like the eagles." Ps. 103:1-5

The redemption of the soul is precious, and we are forever indebted to Christ who is our redeemer. All his followers are honored with his loving kindness and tender mercies. What more could we want? Nothing but the good things and his grace can supply the desires and needs of our souls. He honors us with them and renews our strength like the eagle's. His spirit fills us with renewed life and joy. When we think on these things, we humbly say with David, "Bless the Lord, O my soul; and all that is within me, bless his Holy Name." David knew that our Lord was a great God and a great King and he often came before His presence with Thanksgiving and praise: That's what God wants from you.

## Interesting Polls Conducted at KCHS

by Stacy Angle

### DO YOU BELIEVE IN CAPITAL PUNISHMENT?

This week's poll conducted by the senior civics class responds to the question, "Do you believe in capital punishment?" and "If so, do you think it should be more enforced?" Those polled included every group of people in the school. It was completely unbiased. The results of the poll are as follows:

Group	Yes	No	Don't Know

**BAND NEWS**  
by Adrian Jones  
The Knox City High School Band entered a marching contest at Wichita Falls Tuesday, November 5. We are very proud to announce that we were given a II rating at this contest. The judges were really tough this year and a total number of three I's were given the whole day. Approximately 35 bands were there. Congratulations, Band members!

**JUNIOR HIGH BAND NEWS**  
by Gerri Watson  
Last Thursday night we twirled at our last game. We now have many fond memories of the cold nights that we twirled.  
The last Pep Rally Thursday was sad for some eighth graders because it would be the last time for them to cheerlead and twirl in Junior High.

This week we got a band book that has Christmas songs in it. We have started working on "The First Noel."

**EARLY THANKSGIVING**  
Here to celebrate an early Thanksgiving last Sunday in the home of their parents, Mr. and Mrs. Mat Verhalen, were their children and their families, Mr. and Mrs. John Noah and Holly of Houston, Kathy Verhalen of Arlington, Mr. and Mrs. Dwight Albus and boys of Abilene, Mr. and Mrs. Laval Verhalen and daughter of Stillwater, Oklahoma, Mr. and Mrs. Don Whitley and children of O'Brien, and Ronnie Verhalen of the home.

## Bullies Win Final Game

by Coach Jimmy Rogers  
The Knox City Junior Varsity ended their schedule last Thursday night defeating Aspermont 14-0. Tommy Mangis scored first on a screen pass from David Anderson with Junior Gonzales, Mark Clonts, and Troy Lewis providing the way for the 60 yard TD. Flint Richardson took a pitch-out from Anderson for the two extra points making the score at half 8-0. In the fourth quarter, Richardson took a handoff around the right end for a 65 yard touchdown. Try for the extra point failed, making the final score 14-0. Robert Watson, Mike Howell, Jimmy Albus, and Phillip Rhodes played good defense throughout the game. With this win, we end our Junior Varsity season with a record of 3-4-1. Considering our physical size this was an outstanding record and the boys are to be congratulated for their efforts.

## Brownies Take Field Trip Nov. 4

by Shonda Peterson  
The Brownie troop met in the fellowship hall of the First Baptist Church Monday, November 4. We all walked to the home of Mrs. Mildred Tankersley and went through her trophy room. We enjoyed seeing all of the animals very much, and appreciate Mrs. Tankersley for letting us come into her home.  
Those present for the field trip were Rhonda Averitt, Michelle Bateman, Amanda Barrios, Marilyn Benson, Leah Boone, Becky and Phyllis Bolton, Paula Chambers, Christi Clayton, Glenda and Linda Hunter, Sarah Jones, Barbie McGaughey, Mindy Mowrey, Nedria Oudems, Shonda Peterson, Stephenia Rhodes, Tammy Rogers, Shelly Rumley, Rebecca Smith, Delores Stafford, Jenny Vasquez, and leaders, Mrs. Charles Peterson and Mrs. John McGaughey. Visitors were Mrs. Paul Chambers, Kimberly Chambers, Alesha and Chad Peterson.

CHARLENE BROTHERS

## SCHOOL NEWS

The high school girls basketball team played Guthrie at O'Brien last Tuesday night, Nov. 5, winning 61-20. High point girl was Betty Gutierrez with 16. Other girls scoring were Elida Alsides, 15; Vicki Hewitt, 9; Martha Watson, 6; Peggy Gutierrez, 13; and Sharon Adkisson, 2. Other high school girls that play are Nita Casillas, Debbie Del Hierro, Olga Rojas, Dorothy and Rita Jackson, Rosa Rocha, Elena Rojas, and Pam Stockton. Trudy Covey is manager again this year. These girls play well for this to be just the beginning of the season. We all are hoping that they will go to district. Stay in there and play hard, girls.

The Jr. High school girls also played Guthrie the same night winning their game 36-24. There was a tie between Brenda Adkisson and Nina Alsides for high point girl, with 14. Donna Holmes made 8 points. Others playing are Olga Magana, Maxine Casillas, Angelia Reid, Rebecca Rojas, Brenda Butler, Tina Jackson, Child Garcia, Ginger White, Martie Rocha, Nancy Adkisson, Chillo Rojas, and Kerrie Johnston. These girls will play Munday at Munday on Monday, Nov. 18. Go and support these girls as they play each game.

The high school girls will play Hawley at Hawley Nov. 16. Let's all back these teams as they advance into the district play.

The Jr. High Football Sweetheart and Hero were elected last week. The students receiving these honors were Donna Holmes,

Sweetheart, and Domingo Garcia, Hero. Congratulations to these two.

High school students were busy last week electing various boys and girls to various places. Mr. and Mrs. OHS went to Trudy Covey and Lalo Garcia, both senior students. Trudy's parents are Mr. and Mrs. L.A. Covey, and Mr. and Mrs. Juan Garcia are the parents of Lalo.

Class favorites were also selected at this time. They are Seniors: Mel Reed and Elida Alsides; Juniors, Nita Casillas and Charles Casillas; Sophomores, John Alsides and Debbie Del Hierro; and Freshmen, Gary Jackson and Peggy Gutierrez.

FFA Sweetheart was Vicki Hewitt and FHA Beau was Keith Rowan. FFA President is Mel Reed and FHA President is Sharon Adkisson. Chapter sponsors are FFA Buddy Hale and FHA Veeta Reid.

## Bulldogs To Play Final Game

by Charlene Brothers

Devey Holmes was on fire last Thursday night when the O'Brien Bulldogs met the McCaulley Eagles at McCaulley in a 3-B six-man football game.

Holmes ran for two touchdowns and caught a pass for another to lead O'Brien to a 45-8 victory. Jaime Rocha scored twice for the winners, once on a pass, and teammate John Alsides and Charles Casillas each scored TDs for O'Brien with Casillas' coming on a 46-yard pass reception.

Keith Rowan kicked a two-point PAT and John Alsides added another point on a run. McCaulley's only score came on Ronnie Williams' 25-yard pass to Ronnie Kiser in the second quarter and Tony Garcia added the extra two points when he made his kick good.

This was a very muddy ball game, as the field was so wet from the rains. The ball was

## HARVEST BASKET OF BREADS

Comes the season for giving thanks and food decorations appropriately replace summer flowers. A golden brown basket with twisted handle made from a yeast dough looks lovely filled with bread, or with fruit and nuts. Once it has served its decorative purpose the bread can be used for crumbs or poultry stuffing. The following recipe will make 1 basket.

### BREAD BASKET

Makes 1 basket

- 2 1/2 cups warm water (105°F. - 115°F.)
- 2 packages Fleischmann's Active Dry Yeast
- 1 tablespoon sugar
- 1 tablespoon salt
- 2 tablespoons Fleischmann's Margarine, softened
- 6 1/2 to 7 1/2 cups unsifted flour
- 1 egg, beaten
- 1 tablespoon milk

Measure warm water into large warm bowl. Sprinkle in yeast; stir until dissolved. Add sugar, salt, margarine and 3 cups flour; beat until smooth. Add enough additional flour to make a stiff dough. Turn out onto lightly floured board, knead until smooth and elastic, about 8 to 10 minutes. Place in greased bowl, turning to grease top. Cover; let rise in warm place, free from draft, until doubled in bulk, about 1 hour.

**Bread Basket:** Grease 4 strips of heavy duty foil 10 inches long and 2-1/2 inches wide. Place around edges of a 10-inch wire cake

rack. Generously grease outside of a large mixer bowl (about 8-3/4 inches in diameter and 4-1/2 inches deep). Invert onto foil.

Punch dough down. Divide into 24 equal pieces, set 2 aside. Roll 22 pieces into 30-inch ropes. Twist two together; repeat with remaining ropes. Wrap twists of dough around bowl, beginning at bottom, touching foil. Pinch ends of twists to seal. Cover entire surface of bowl.

Place 2 more greased strips of foil on wire rack. Grease another bowl with the same diameter. Invert onto rack. Roll reserved pieces of dough to 24-inch ropes; twist together. Place over bowl, with ends touch-

On Home Laundry

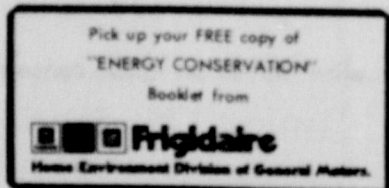

Wash and dry a full load, but never overload... it is essential for each item to move freely for proper cleaning and drying.

Choose the correct cycle for washing modern materials.

Too Much detergent can clog machine and drains always measure, don't guess! Follow the manufacturer's recommendations for your type equipment.

Many manufacturers of permanent press garments recommend machine washing and machine drying for best results. Following instructions on the garment tag can help preserve the life of your clothing and give you wrinkle-free clothes without need for ironing. A big savings! Important! Clean the lint trap and lint filter on both washer and dryer after each load or a full day's use of your home laundry.

**TEXAS TECH NEWS**

LUBBOCK, Nov. 5, 1974 -- Ernest Carroll of Goree has been named to the Moot Court Board at the Texas Tech University School of Law.

The Moot Court Board administers the Moot Court program of the law school. It selects problems, schedules oral arguments, arranges for judges, bailiffs, and time-keepers and assists the faculty advisor in Moot Court activities. Members work closely with first-year and second-year law students in the techniques of advocacy.

Students elected to the board have demonstrated excellence in the skills of appellate advocacy. Membership is limited to about 20 students each year.

Carroll, a third-year law student, is the son of Helen J. Roberts, Goree. His wife, Sheila, is the daughter of Jim Williams, 704 E. Skelly, Hobbs, New Mexico.

**Our Football Heroes**

(Editor's Note: Sequoyah Reynolds found the following poem written by Mrs. Myrtle Browning in honor of the 1948 Greyhounds - winners of the Bi-District Championship - and rewrote the verses to include the names of this year's winning team. Sequoyah's husband, Bud, was a member of the 1948 team.)

Just try to defeat us.  
Just try to get by.  
Ah, shame on the teams  
That tacky our boys  
And go down in defeat  
In a great roar of noise.  
Our boys are super, let me repeat.  
Knox City has a team that  
Can't be beat.  
Oh, they are the champions  
Of many a game.  
Don't let anyone tell you  
There's nothing in a name.  
For with Mullins, Lowrey,  
and Rogers  
All coaches you see,  
There was never much doubt  
What the outcome would be.  
Now there's Donald and Bo  
Of long legs you see  
And Al of short stature  
The strike where it counts  
To win I'll grant you.  
And Stamps streaks through  
the line  
Like a Giant, you bet'cha.  
When Tim Whitten's best

foot  
Goes forward to kick  
The goal posts are in danger  
Of a terrible trick.  
Rudy and Ray  
The two Hernandez brothers  
Go in for the kill  
Just like all the others.  
The centers Lewis and Burkham,  
And guards Cliff Ray and Grimsley  
Do credit to the Greyhounds  
And take that line down.  
Huff and Bloxham are at half-back  
And tough as whit-leather.  
They're rar in to go in  
All Kinds of weather.  
Jimmy Moore, Mark Howell,  
Eaton  
And Skiles with one named Lynn  
Are in the right place  
To meet the opponent face to face.  
That Flye guy -  
The one named Charlie  
His runs can't be stopped,  
Well... hardly.  
Joey Swain is quarterback  
And as you can see  
Runs or passes us on  
To VICTORY

Tough guy Robert Taylor  
A guard on that line,  
Shows 'em we wont get behind.  
With skirts all awirl  
And a baton to twirl  
We find Kary, Mel, Tammy  
And Pam.  
Now the teams backer-uppers  
The pep-squad girls,  
Yell and sing and  
Act most insane.  
Patti, Adrian, Debbie and Sandy  
The cheer leaders  
Direct the fans in a yell  
That VICTORY does spell.  
So here's a toast to you all  
A drought deep and sweet  
Oh, memories that will linger  
And in our minds oft repeat  
Here's to the Knox City  
Football team  
That knows no defeat.  
Let's say it again,  
**KC CAN'T BE BEAT!**

**BACK THE GREYHOUNDS**

Hornet defense for two TD's --one to Flye and one to Swearnger. He also ran six yards for one score and kicked three extra points. Dale Bloxham scored a 96% on his efforts on offense while Jerry Stamps had an 81%, Robert Taylor had an 89%, Cliff Ray 83%, and Charlie Flye had an 85%. We also scored a high for the year on team with an 81%.

We will need fan support in traveling to Haskell. They would like to win this one and it wouldn't be good taking a 9-1 into the playoffs.

From Page One

Following his completion of the teacher training program December 18, he will continue his graduate work at Tech.

Conner is married to the former Judy Roberson, daughter of Mr. and Mrs. Bobby Roberson of Benjamin. They are the parents of a three year old son, Jeff.

**Coach's Comments**

mont last Friday and really didn't play one of our best games. It was good to get it over with and should relieve some pressure knowing that we will represent District 7-A in the bi-district game against Jim Ned.

Robert Taylor played an outstanding game on defense, scoring 56 points to lead, Rudy Hernandez, Cliff Ray, Charlie Flye in the ninth victory of the season. Others on defense that did well were Mark Howell who had the toughest job in guarding Eugene Johnson (6'5"), Jerry Stamps who intercepted a pass, Jimmy Moore who intercepted another pass. Fumble recoveries were made by Rudy Hernandez (2), Charlie Flye (1), Don Swearnger (1), and Tim Whitten (1).

Offensively Joey Swain had a good night picking the

## DO YOU SET YOUR CHILD A GOOD EXAMPLE?

The art of child raising is a challenge to all of us—difficult yet rewarding. When you stop and consider that children will usually do as you do, not as you say, it's easy to understand the importance of setting the youngsters a good example with your own behavior.

For example, you can't expect a child to clean his room if the rest of the house is a mess, or be fussy about his appearance if you wear spotted dresses or wrinkled suits. But the children will benefit from your own practice of order and neatness.

Children do look up to others around them, besides their parents. If you want your youngster to turn to

a responsible community group, not the nearest street gang, introduce him to the fun of Scouting, even before he's old enough to become a Cub Scout.

Scout Action Figure toys, Steve and Bob Scout, and their Adventure kits, let children learn about Scouting while playing. The figures, made by Kenner, wear authentic Boy Scout uniforms. With the High Adventure

Path Finder kit, a child can have imaginary adventures with a truck and trailer, a canoe that floats, and he can jack up the truck with a working winch and change tires with the little tools. The Path Finder also comes with a cartoon-style story booklet depicting the adventure so youngsters can better enjoy and learn from the action figures.

For children to develop good financial habits, parents need to lend a firm

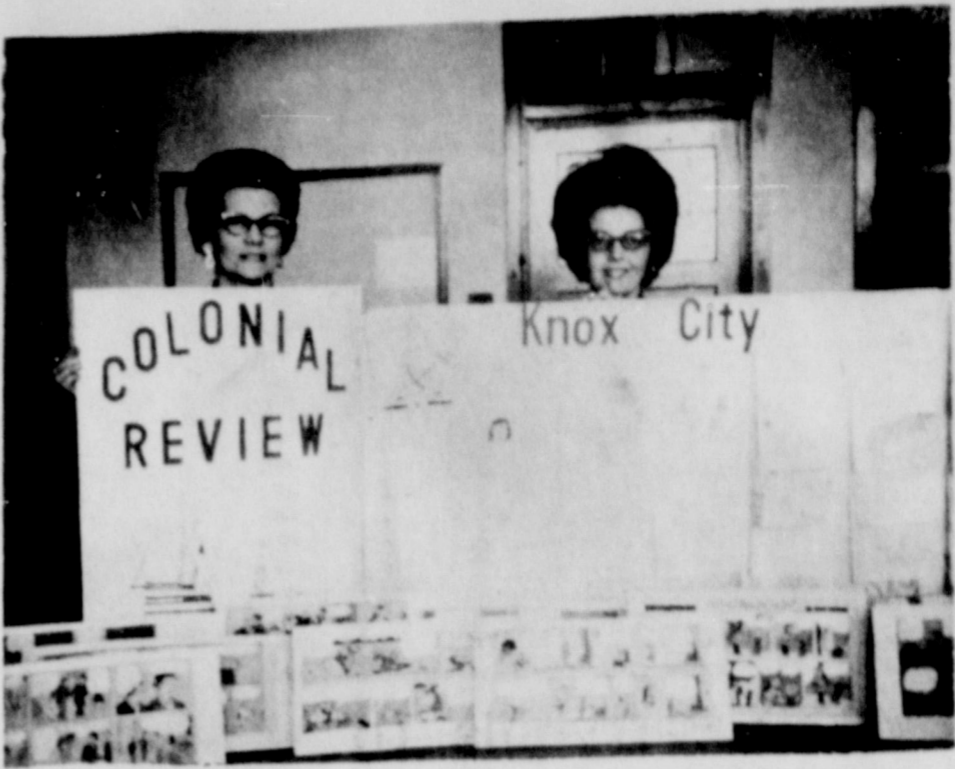

guiding hand. When you teach a child to stay within his allowance each week and help him adopt the habit of saving in his own piggy bank, he's more likely to become an adult with the ability to live within his means.

For children to learn a sense of independence, help them learn to do things for themselves around the house: even little boys can learn to iron their own handkerchiefs, cook a simple meal, or sew their own buttons back on a shirt.

If you make sure your children have someone to look up to, both inside and outside the home, you can be more confident they'll grow up to be the kind of people your grandchildren will look up to!

PROUDLY HOLDING THE WORK DONE BY KC STUDENTS in the Right-to-Read Effort that was displayed Tuesday at Barwise Junior High School in Wichita Falls are, from left, Mrs. Mary Jo Lankford, director of the Effort in Knox City, and Mrs. Wynette Mullins who helped correlate English, reading, and literature in the seventh and eighth grade classes. The Colonial Review was a complete newspaper as it would have appeared in the early days. The comics were cleverly chosen to carry out an idea and the conversation of the characters was written in by the students.

## KC Enters Right to Read Effort

With the belief that the right to read should be a reality for all, a goal was set by the U.S. Commissioner of Education James E. Allen Jr., that by the end of the 1970s no one should leave our schools without the skill and the desire necessary to read to the full limits of his capability.

Dr. Allen placed this project in the interest of the National Association of State Boards of Education Septem-

ber 23, 1969, and the Texas State Board of Education passed a resolution on April 4, 1970, to endorse and support this National goal.

Forty school districts in Texas became involved in the program in 1973-74, and Knox City Schools were invited to be a part of the 80 school districts for the second group in 1974-75. During 1975-76, 160 school districts will join followed by 320 in 1976-77.

## Wheat Session Set In Wichita Falls

Texas wheat producers faced with the best early crop prospects in years and with some of the strongest domestic and foreign demand along with some of the best fall prices have set November 21 and 22 as dates for two all-day meetings to evaluate their current position and map future production and market goals, according to Leo Witkowski, Hereford, President of the Texas Wheat Producers Association, and Ken Kendrick, Stratford, Chairman of the Texas Wheat Producers Board. All sessions will be held in the Holiday Inn -- Downtown, Wichita Falls, beginning at 10:00 a.m.

A "Wheat Symposium" is scheduled for the first day. It will deal with "on-the-farm" situations affecting the farmers decision making, such as cost of production, fuel and fertilizer management, wheat pasture economics, wheat-pasture cattle and fed-cattle outlook, and orderly marketing prospects in the new-crop wheat outlook. According to Kendrick, this session is co-sponsored by the Wheat Board in cooperation with the Texas A&M Agricultural Extension Service, from which most of the technical speakers are drawn.

The Twenty-Fourth Annual Meeting of the Texas Wheat Producers Association is scheduled for the second day. It will deal with "off-the-farm" situations which affect wheat producer income, according to Witkowski. Mr. Kenneth Frick, Administrator of the USDA farm programs in Washington, D.C., will open the session with a discussion of "Farm Programs in Change". He will be followed by both Don Woodward of Pendleton, Oregon, and Jerry Rees of Washington, D.C., officers of the National Association of Wheat Growers review current and future activities of that organization (of which TWPA is affiliated) in a topic, "What Has Your National Association Been Doing for You--Lately".

Joe Halow, Executive Vice President of Great Plains Wheat, Inc., Washington, D.C., and a widely recognized international wheat authority, will discuss the "Changing World of Wheat."

A panel of wheat producers -- officers of the Board and the Association will recount the current programs and activities of the two organizations before the business of the Association is opened in the afternoon seeking direc-

tion from the farmer-producers attending in setting policies for the coming year.

Witkowski pointed out that even though the sessions are scheduled in Wichita Falls, one area of the wheat belt, it is not a "local meeting" but the statewide "Wheat Symposium" and "Annual Meeting" warranting statewide farmer and agri-business attendance and participation. All sessions are open to the public and to the press.

A coffee and "beef cookies" refreshments will be served during registration each day from 9:00 a.m. to 10:00 a.m., hosted and served by the Rolling Plains area Cowbelles.

Outdoor lights will be shining again this Christmas. The ban on outdoor lighting has been lifted and Americans again will have the opportunity to put their creativity to work. Chances are, there will be a new enthusiasm for outdoor lights after the sadly dark Christmas of '73. So it will be

important to stock up on Christmas decorations early. Here are four reasons why:

1. You'll have a greater selection. The stores will be stocked with imaginative lights in the fall, before crowds of shoppers have depleted the stocks. By December, it may be too late to find just the light you had in mind for that special effect you dreamed up.

2. Salespeople will not be rushed. They will have the leisure to talk with you and make suggestions both about design and electric circuitry.

3. There will still be time to order unusual lights that are not stocked and have them delivered long before Christmas. You therefore won't run into the problem of having a great idea but being unable to find that special light to bring it to life.

4. There will be a great deal of stock so that you can buy extra lights. Then, you can put up your tree early and have replacement lights if you need them. Also, you'll have the beginnings of next year's festival of lights.

640 in 1977-78, and all Texas school districts in 1978-79.

Supt. W.R. Baker named Mrs. Mary Jo Lankford to serve as the Right-To-Read director for the Knox City Schools, and she is now taking graduate work from T.W.U. at Denton.

The Right-To-Read effort is being implemented in the seventh and eighth grades this year. Next year work will be done in another area. Mrs. Lankford explained, and it will continue until the Right-to-Read effort is in all grades.

Mrs. Lankford and Mrs. Wynette Mullins have correlated three subjects, English, reading, and literature in their seventh and eighth grade groups. Joining Mrs. Lankford and Mrs. Mullins on the Task Force for the Right-to-Read effort is Mr. Baker, Mrs. W.R. Baker, and Mrs. Arnold Reeves, counselor.

The group was in Wichita Falls Tuesday at Barwise Junior High to take displays made by their school students. They also had the opportunity to hear Dr. Bill Martin Jr., noted children's author, speak Tuesday night.

## SS Answers Questions

The U.S. Government pays monthly checks to people in financial need who are 65 or older or who are disabled and under age 65. "There is no minimum age limit for supplemental Security Income (SSI) for the disabled, so that even very young children might qualify," said Carl Beisner, claims representative for the Vernon Social Security Office. SSI is a new program which began in January, 1974, to take the place of payments formerly made by the State Department of Public Welfare to the aged disabled and blind.

Beisner said that a child might qualify even though the parents do not. If the nature of the child's disability can be determined medically to be so severe that it would keep him from doing any substantial gainful work even if he were an adult, he is considered disabled for SSI purposes. However, if the child lives with his parents, the parents' income and resources must be considered along with the child's own income and resources in deciding whether the child meets the SSI law's requirement as to financial need. The final hymn, "America" was sung by the congregation and Mrs. Mary Groves gave the benediction. A collection \$65.56 was given for the Ministerial Fund.

Pastors Paul Anderson of First Baptist Church, Dick Richards of the First United Methodist Church, and visiting evangelist Jack Gray of Dallas attended the Harvest Festival. A covered dish luncheon was served at noon, following the morning's program.

MR. AND MRS. EVERETT BERRYHILL  
...to celebrate Golden Wedding Anniversary

## Everett Berryhills To Be Honored Sunday

Mr. and Mrs. Everett Berryhill will celebrate their Fiftieth Wedding Anniversary Saturday, November 16, from 2:00 to 5:00 p.m. in the Haskell Community Center. Children and grandchildren of the couple will host the event.

The honored couple, Willie Mae Riggins and Everett Berryhill, were married on November 14, 1924, in the home of L.E. Frazier, the Rochester Baptist preacher. Claude and Ethel Richardson and their son, Junior, were witnesses to the ceremony.

Mr. Berryhill was engaged in farming in the Cliff Community east of O'Brien at that time. In 1926 they moved to Rochester where they continued to farm, but later returned to Cliff. Four years later, the Berryhills purchased a farm and moved back to Rochester, built a home, and remained there until they retired and built a new home in Haskell in 1973.

The couple has six children, Mrs. Bill (Elerene) Bell of O'Donnell, Mrs. Donald (Claudia) Hindsley of San Angelo, Bill Berryhill of Amarillo, Mrs. Wallace (Johnnie Mae) Caskey of Alconbury, England, Lynn Berryhill of Bridgeport, and Buford Berryhill of Munday.

The Berryhills have fourteen grandchildren and four great-grandchildren. They are members of the Haskell Church of Christ.

Back Pay Questions Answered By SS

"Everyday, we get questions at the Social Security Office about how a person can get his back pay," stated Carl Beisner, claims representative of the Vernon Social Security Office. "Especially since some get back pay and others don't."

One of the most common reasons for back pay, or retroactive benefits, is because a person between the ages of 62 and 65 has worked for low wages prior to filing a claim for social security. Another reason is that there are months after age 62 in which no work was done. If so, back pay for up to 12 months may be payable. But, in no case can retirement benefits be paid prior to age 62. Even after a person has applied for his benefits, he may not receive checks because of high earnings. However, if he finds that he will earn less than expected, he may be entitled to a back payment.

### McGees Visit In Arizona

Mrs. and Mrs. J.C. McGee returned home recently after spending a week with their daughter and her husband, Mr. and Mrs. Bobby Simpson of Phoenix, Arizona.

They toured the desert foothills of Arizona and visited Sun City, a resort city near Phoenix. They also made a tour of the capitol building. The highlight of their trip was attending Mesa Order of the Eastern Star Chapter for its friendship program. They returned to Lubbock by plane where they visited Mr. and Mrs. Claud Harrison, Mr. and Mrs. Billy Lowrance, and Mr. and Mrs. Henry Harrison.

### IN LUBBOCK

Mrs. Guy Robinson spent Saturday in Lubbock with her son and his family, Mr. and Mrs. Guy T. Robinson and Traci.

### FROM LEVELLAND

Mr. and Mrs. Charles Reeves, Charlotte and Shane of Levelland visited his parents, Mr. and Mrs. Chock Reeves, over the weekend.

### No Stamps - No Go

Postmaster Jeff Graham today reminded customers that effective Sunday, November 17, the U.S. Postal Service intends to discontinue delivering mail on which there is no postage.

Postmaster Graham said the new policy was instituted because of the high costs being incurred by the Postal Service in its attempt to deliver such mail. Officials estimate that such costs total approximately \$18 million annually.

In announcing the new policy last month, Postmaster General E.T. Klassen said, "It is unfair to burden the vast majority of mailers with costs

created by the few who mail without prepayment of postage."

After November 17, letters mailed without postage will be returned to sender if there is a return address, or to the dead letter office, instead of being delivered to the address as postage due mail as has been the custom. Postal officials will attempt to find the sender of unpaid mail and return it for a slight fee, if there is no return address.

"Naturally we realize that someone could inadvertently forget to put a stamp on a letter or that a stamp could come off prior to cancellation, so we urge mailers to be sure to include a correct return address on their mail," Postmaster Graham said.

### BAPTISTS From Page One

Pastors that have served the church for the past 70 years include R.G.M. Eiland, Harvey T. Dulaney, R.B. Key, W.F. Swift, W.C. Garrett, Jeff Davis, E.B. Speck, E.E. Dawson, J.L. Birdsong, C.A. NATURAL GAS For Years To Come

With all the talk about conservation, many might believe that we have only enough natural gas for a few tomorrows. We'd like to assure our residential and other high priority customers that Lone Star has an adequate supply. Not only for the present, but for years to come.

We were actively engaged in exploration programs long before the energy crisis. And since the crisis, we're exploring even harder to insure your continued supply of natural gas.

Conservation is one way to extend the supplies we now have on hand. And they can last much longer by avoiding wasteful uses of energy. By making it last longer, more time is allowed for new forms of energy to be developed.

Of course new supplies are going to cost more. But natural gas is still the best buy for your energy dollar!

Conserve natural gas. Conservation will help keep the cost as low as possible.

initial backlog. Also, Doug and his crew have been called upon three occasions to leave the District to assist others in appraisal work. Without the outstanding work of Mr. Meinzer and his long hours of devotion to duty, his regular duties would surely have been neglected, May said. Although assigned three job functions, each being nearly fulltime, none of his duties have been neglected. In fact, May explained, all have been accomplished in an outstanding manner.

Doug is married to the former Bobbie Floyd. They have two married daughters, Judy Skiles of Hamlin and Penny Baker of Lubbock, and one son, Tyke, of the home.

Doug is a member of the Knox City Volunteer Fire Department, Knox City School Board, is Cub Scout Master, and is a member of the First Baptist Church.

**First Album Released For 'Angle Sisters'**

A culmination of a 'dream come true' was realized last week when an album of gospel hymns arrived in Knox City. This shipment was especially important to two girls and their folk who had looked forward to this album with much anticipation.

Gwen Hewitt of Lubbock and her sister, Stacy Angle, a senior in Knox City High School, had always hoped to record some of their favorite gospel hymns someday and the opportunity came their way last summer. The album was begun in July when Stacy was in Lubbock attending the Texas Tech Summer Band Camp. It was a slow process as only one or two selections could be completed at one session and many trips were made back and forth to Lubbock before the final number was completed.

After the girls had completed their parts on the numbers, other instruments were "dubbed" in later at the musicians' convenience.

Gwen and Stacy began singing together when they were quite young and over the years, the girls have sung for many civic functions, school programs, weddings, and funerals. Both are members of The First United Methodist Church where each has participated in all of the church

choirs.

The stereo album, "He Touched Me", features 12 sacred numbers. On side one, hymns include "Mansion Over the Hilltop", "Peace in the Valley", "When We All Get to Heaven", "Had It Not Been", and a medley, "He Touched Me", "Amazing Grace", and "Precious Lord, Hold My Hand". On side two, hymns are "Known Only to Him", "How Long Has It Been", "It is No Secret", "Put Your Hand in the Hand", and "The King is Coming".

The albums were recorded by Don Caldwell Studios in Lubbock with Caldwell and Lloyd Maines as engineers. These musicians were also responsible for saxophone, flute, and steel guitar accompaniment on several numbers.

The album jacket design by photographer Bob Hudnall of Lubbock pictures the girls' profiles and a picture of the cross on the front cover while the reverse side includes candid photos of the groups at work.

The girls are regular performers on the weekly TV show "Get Down Country" televised on Saturdays at 5:30 p.m. over KSEL-TV Channel 28. The show features country-western artists from Lubbock and surrounding areas each week and usually includes a special guest who is entertaining in one of the clubs in Lubbock that particular week.

The albums are on sale at The Knox County News.

Plans are already in the making for the girls' second album, which is to be country-western favorites.

erosion to meet the needs of a farmer for an economic return. In short a good conservation cropping system will cut erosion and build the land.

It's also third down and four for our urban and city people. It takes a very small part of our pay to buy food. People have more time and money for recreation than ever before. One must demand clean air and clear water.

The biggest agriculture pollutant is silt. Stop silt from washing into our streams and harbors and we stop most of the chemical pollutants used in farming today. If we are going to leave anything for the next generation, let's leave them a good place to live.

To use the motto of the Soil Conservation Service, "Let's make one thing clear --- water."

**WEEKEND GUESTS**

**How long can you live on love?**

Love. It can move mountains. But it can't run a household. Or meet all the bills. Or put kids through college. That takes money. And one good way to make sure your money will grow along with your marriage is by signing up now for the Payroll Savings Plan where you work. Then an amount you specify will be set aside from each paycheck and used to buy U.S. Savings Bonds. You don't have to worry so much about the future. And you'll have a little more time for love.

Now if you have any interest when held to maturity of 5 years (1978, the first year). Bonds are registered if lost, stolen or destroyed. When needed, they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deducted until redemption.

**PROTECTING YOUR HEART**  
FACTUAL ANSWERS TO HELP YOU

Heart disease is our country's biggest killer. According to the report of the Inter-Society Commission for Heart Disease Resources, over 600,000 deaths per year are due to coronary heart disease.

The major cause of heart attacks and strokes is atherosclerosis, the accumulation of fatty materials, rich in cholesterol, in the walls of the arteries. There is much controversy and confusion over the causes and prevention of this disease. Some commonly asked questions are:

**What causes coronary heart disease?**

There are many risk factors associated with this disease including hypertension, smoking, diet, obesity, stress, sedentary living and heredity. Some of these factors are difficult to control, but diet, smoking and proper exercise can be monitored by the individual.

**What role does diet play?**

Many studies show that diet can influence blood cholesterol levels, which may affect collection of cholesterol in the arterial walls. Although the body produces its own cholesterol, we also consume large amounts in the food we eat. Excess cholesterol can be deposited in the arteries. A diet high in saturated fat also helps to increase the amount of cholesterol retained by the

body, whereas a diet low in saturated fats and cholesterol tends to help lower blood cholesterol levels.

**Do doctors recommend specific dietary changes?**

That depends on the individual. However, the Inter-Society report, previously mentioned, recommends the

following modifications for the general public, and particularly for those individuals with increased risk of coronary heart disease: 1) Achieve and maintain your ideal body weight (consult your doctor). 2) Reduce dietary intake of cholesterol to less than 300 mg per day. 3) Reduce saturated fats in the diet, and this is best done by substituting polyunsaturated fats for saturated fats wherever possible.

One easy way to reduce saturates and increase polyunsaturates in the diet is to use a margarine, such as Fleischmann's, in place of butter for cooking and as a table spread. High in polyunsaturates, Fleischmann's contains almost 1 cup of liquid corn oil per pound.

It is growing a minimum of high residue crops in combination with needed cultural and management measures. This system should meet the needs of the soil for improvement of physical conditions by maintaining a satisfactory level of organic matter. It should also protect the soil during critical periods of
