Grand Jury Returns 12 Indictments

Two indictments for theft, one for swindling and nine for forgery were returned by the Knox County Grand Jury, meeting at Benjamin Wednesday.

Charged with theft over \$50 were William Rivers Gilchrist, 32, of Abilene and Joe A. Groce, 35, of Haskell. The two were charged with theft of a saddle from the J-Y Ranch, near Truscott.

James Edward Kelley, 25, of Linden, Texas, was charged with forgery. It was alleged Kelley raised the amount of a labor check, given by a Munday farmer, from \$6 to \$60 and attempted to cash it at a Munday grocery store.

Indicted on two counts each of making and passing forged instruments were four Dallas Negroes, Donald J. Hereford, Willie Red Riley, Annie Mae Hereford and Ola Mae Johnson. It was alleged the four operated as a team in forging and passing checks, with the women doing the forging and the men the passing.

D. J. and Annie Mae Hereford are in custody at Benjamin, Riley at Hollis, Okla., and Ola Mae Johnson in Dallas.

A swindling indictment was returned against a man not in custody. He is accused of giving a worthless check on an Enid, Okla., bank to Geo. W. Hunt of Goree in payment for a combine.

Members of the grand jury were Mrs. J. C. Branch of Knox City, foreman; Mrs. Clyde E. Williams of Knox City, George W. Hunt of Goree, Elmer D. Welch of Gilliland, L. G. McGuire of Gilliland, James McCaules of Benjamin, Alvin Hord of Goree, J. G. Adcock of Truscott, E. B. Shaver, Jr., of Knox City and Harold Eubank of Truscott.

Relatives of Local Families Killed in Mexico Train Crash

Two relatives of Knox City families were among five men who died Tuesday in the flaming wreckage of two Santa Fe Railway freight trains smashed head-on at Cardenas, New Mexico.

J. C. Canipe of Clovis, N. M., engineer of the westbound train involved in the crash, was a cousin to Mrs. Cecil Coates, Mrs. Curtis Coates, Mrs. J. R. Hitchcock and Milton Bradberry.

J. W. Fryar, also of Clovis, was a brother-in-law of Mrs. W. D. Thomas of Knox City. Fryar was head brakeman on the eastbound train.

The dead also included L. W. Bell and V. F. Adair, fireman and head brakeman on the westbound freight, and E. G. Abernathy, engineer on the eastbound. According to railroad officials the westbound train entered a siding to let the eastbound train pass, but went on through the siding and into the path of the other train. Flames broke out in diesel oil and were fed by a car of acetate.

Mr. and Mrs. Otto Lawson left Sunday for Salinas, Calif., for a visit with his brother. They expect to return from their vacation in two or three weeks.

Underplanting of Wheat Acreage Not Reduce Future Allotments

Wheat growers whose 1956 wheat acreage is as much as 25 per cent below their farm wheat acreage allotment will get credit for full allotment acreage in calculating future farm allotments.

In other words, Chairman T. H. Jones of the Knox County Agricultural Stabilization and Conservation Committee explains, if the farm's wheat acreage for next year's harvest is only three-fourths of the farm allotment, the future wheat acreage allotments established for the farm will be figured as though the full allotment had been planted.

Heretofore reductions of more than 10 percent were considered in calculating future allotments.

Each year's farm allotment, the chairman explains, is based primarily on the farm's wheat acreage for the previous three years. Under the new ruling, even if the wheat acreage is as much as one-fourth less than the farm was allowed, future allotments will be calculated as though the full allotment had been harvested.

Equalization Board For School District To Meet July 21

The Board of Equalization for the Knox City Independent School district met at 8:00 a. m. today (Thursday) in the superintendent's office in the grade school building.

The Board of Equalization, appointed by the school board, is composed of C. C. Hoge, Roy Smith and Claude Richardson.

At the meeting today, the board was to go through the assessment sheets and study the tax renditions.

The final hearing will be held on July 21, when the board will set the value of taxable property in the district. Taxpayers affected by the board's decisions will be notified and may attend the meeting.

RANCH HEADQUARTERS ARE BEING REBUILT

A new rock house on the Ross Ranch is expected to be completed in about three weeks, replacing the two-story structure which burned May 28.

Mr. and Mrs. Ed Nolan were living in the ranch house and lost all their furniture and personal belongings. Mr. Nolan is foreman of the ranch.

The house was known as the Spikes Ranch Headquarters, located several miles west of Benjamin. Reports were that the house was built about 63 years ago, Mrs. Nolan said. Faulty wiring was believed to be the cause of the fire.

At the present time, until the new house is completed, Mr. and Mrs. Nolan are living in the guest house.

KC Teen Club to Meet Friday Night

The KC Teen Club, newly organized club for Knox City teenagers, will meet at the city tennis courts tomorrow (Friday) at 8:00 p. m.

Patsy Robinson, reporter, asked every teen-ager in town who wants to become a member to be present at the meeting.

Other officers are Glenda Givens, president; Billy Bolin, vice-president; Barbara Egenbacher, secretary; and Rowena Helms, treasurer.

Jerria Land and Don Poe Wed

Jerria Land became the bride of Don Poe in ceremonies at the First Baptist Church Wednesday, June 29 at 5 o'clock in the afternoon. Rev. Billy Frazier, pastor of the church, read the wedding vows.

Mr. and Mrs. Jack Land are parents of the bride, and the bridegroom is the son of Mr. and Mrs. Lonzo Poe.

The single ring ceremony was performed as the couple stood underneath an arch banked with bridal wreath fern, centered with wedding bells and flanked by white gladioli and candelabra holding burning white tapers. White satin bows marked the family pews.

Candlelighters were Ross Mac Oliver of O'Brien and Wyndol Stephens of Knox City.

Mrs. Kenneth Myers, organist, played traditional wedding music and accompanied Mrs. Jerry Cobb when she sang "Whither Thou Goest" and "Because."

Gary White was best man. Ushers were Joe Lynn Cash, Wyndol Stephens and Ross Mas Oliver.

Miss Beverly James was maid of honor. She wore an ice blue brocade satin dress, fashioned with a portrait neckline and full skirt. She wore a bandeau of blue sweetheart roses, nestled in nylon tulle, and carried a bouquet of pink carnations.

Given in marriage by her father, the bride wore a white gown of Chantilly lace over white satin. The fitted lace bodice was designed with a net yoke lined in seed pearls. The long torso, buttoned down the back with tiny buttons, came to points in the front and back. Long sleeves tapered to points over the hands. Her fingertip veil of illusion was edged with Chantilly lace and fell from a Juliet cap of lace and seed pearls. She wore a double strand of pearls and pearl with rhinestone earrings.

The bride carried a crescent bouquet of white carnations, centered by a white orchid, atop a white Bible which belonged to Barbara Egenbacher. White satin streamers, tied in lovers' knots, fell from her bouquet. For something old she wore a wedding band belonging to her grandmother. For luck she wore in her shoe an old penny, given her by Mrs. Phil Colehour.

For a wedding trip, the couple left for Raton, N. M., and points in Colorado.

Baptist Men to Hear Munday Minister

Rev. Robert H. Lloyd

Rev. Robert H. Lloyd, pastor of the First Baptist Church in Munday, will be guest speaker of the Men's Brotherhood of the Knox City Baptist Church Monday, July 11 at 8:15 a. m., it was announced this week.

The speaker's message will be on Evangelism. The program will also include special music and refreshments.

Rev. Lloyd has been pastor at Munday since November, 1954, going to that church from Groom.

A graduate of Baylor University, he served as pastor at Megargel while doing his seminary work. He was associate pastor of the First Baptist Church in Denton for some time, and was at Groom three years.

Rites Held Sunday For Lancaster Infant

Funeral services for Muriel Royce Lancaster, infant son of Mr. and Mrs. Derwin Lancaster, were held at the Church of Christ in Rochester Sunday, July 3 at 2:30 p. m. Wesley Reagan, minister of the Knox City Church of Christ, officiated.

The baby died three hours after its birth June 24 in New Ellington, S. C., where the father is stationed in the army.

Immediate survivors are the parents; a 14-months old sister, Teresa Jane; paternal grandparents, Mr. and Mrs. O. A. Lancaster of O'Brien; and maternal grandparents, Mr. and Mrs. S. M. Manning of O'Brien. Mrs. Lancaster is the former Marvalene Manning.

The family will be with their parents for several days before he reports back to camp on July 14.

LOCAL GIRL RUNNER-UP IN BEAUTY CONTEST

Belinda Coates, daughter of Mr. and Mrs. Curtis Coates, was a runner-up in a beauty contest held at the municipal swimming pool in Munday July 4.

Winner of the contest was 15-year-old Gayle Littlefield, daughter of Mr. and Mrs. E. B. Littlefield of Munday. Miss Bobbie Lynch of Jacksboro was also a runner-up.

Judging, on appearance and poise, was by Mrs. John E. Nelson of Munday, Mrs. Lola Clements of Iraan, and Bruce Burnett and Bill Quittlebaum, both of Munday.

Junior and adult diving exhibitions followed the beauty contest.

Funeral Held at Vera Sunday for Retired Postmaster

Funeral services for Raleigh C. Spinks, 78, Vera postmaster for 33 years, were held at the Vera Baptist Church Sunday at 3 p. m.

Mr. Spinks died at his home in Goree Friday at 1:30 p. m. He had lived in Goree since he retired from operating his drug store and postoffice at Vera eight years ago.

A native of Mississippi, Mr. Spinks moved with his family to Baylor county in 1880. Soon afterward they moved to eastern Knox county where he was reared.

Survivors are his wife; three daughters, Mrs. Glenn Feemster, postmaster at Vera, Mrs. Pierce Rogers of Abilene and Mrs. Lillian Roberson of Cardwell, Mo.; a son, T-Sgt. R. C. Spinks, Jr., stationed at San Antonio with the Air Force; six grandchildren and three great-grandchildren.

KECKS RETURN FROM LIONS CONVENTION

Mr. and Mrs. C. H. Keck returned last Thursday night from Atlantic City, N. J., where they attended the 38th annual convention of Lions International.

Enroute they went by Memphis, Nashville, Detroit, Niagara Falls, into Canada, Maine and other New England states. The convention was held June 22-25. Humberto Valenzuela of Santiago, Chile, was elected president of Lions International, the world's largest service organization with 523,000 members in 11,580 clubs in 69 countries.

In New York the Kecks saw the New York Yankees play the Chicago White Sox at Yankee Stadium. Enroute home they toured Washington, D. C., and other interesting places.

The convention was the fourth International convention Mr. Keck has attended, and the third one for Mrs. Keck. They were accompanied by his brother, Frank Keck, president of the Seymour Lions Club, and wife.

Mr. Keck gave a report of the convention to members of the local Lions Club Wednesday. He plans to show movies of the trip and convention in the near future.

BROWNS ANNOUNCE MARRIAGE OF DAUGHTER

Mr. and Mrs. L. C. Brown of Benjamin have announced the recent marriage of their daughter, Lois, to Leroy Wells of San Antonio.

The couple was married Wednesday, June 15, at the Riverside Baptist Church in San Antonio. They are making their home in San Antonio where she is employed in a hospital and he is stationed with the armed forces.

Knox County Children to Get 2nd Polio Shots Soon

Word has been received from the State Health Department by Dr. D. C. Eiland, Knox County Health Officer, that vaccine for the second round of Salk polio shots for first and second graders who have already received their first shots will be available some time after July 10.

The National Foundation for Infantile Paralysis is furnishing the vaccine for the second shot, and the hope has been expressed by the foundation that every child who received the first shot will take the second shot.

It is felt by the State Health Department, the United States Health Service and the local County Health Officer that the vaccine is entirely safe at this time. In fact, they add, the vaccine given in Texas was entirely safe for the first shot.

Parents of first and second grade children will be notified by postcard, by the County Health Officer, when the vaccine is available. It is hoped that all of the children who received the first shot will take the second shot.

The Herald will carry a further story concerning the availability of the vaccine, in a later issue.

Knox City Negro Woman Charged With Murder After Knifing Early Sunday

Avoca Man Named Reunion President

H. E. Culwell of Avoca was elected president of the Texas Cowboy Reunion Association during the reunion at Stamford last week end. He succeeds Henry Record of Monument, N. M.

Other officers elected were Porter Campbell of Rule, first vice-president; Charlie Maples of Munday, second vice-president; J. V. Hudson of Haskell, secretary and treasurer; John Selmon of Spur, range boss; George P. Humphrey of Guthrie, wagon boss; W. B. Willingham of Rotan, horse wrangler; Bob Beverly of Odessa, wagon cook; and J. Spurgeon Reeves of Hawley, historian.

Directors elected to lifetime terms were J. S. Bridwell of Wichita Falls; Roy Parks of Midland; Bob Wetherby of Arlington; E. H. Royall of Haskell; Clyde Burnett of Benjamin; N. M. Cobb of Lueders; J. B. Cotton of Seagraves; M. R. Hemphill of Haskell; Wade House of Benjamin; Roy Fitzgerald of Plains; Art Newcomb of Albany; E. D. Weaver of Rule; Mrs. Price Maddox of Sweetwater; Curt Keen of Stamford; and Lee Simmons of Sherman.

The Rev. J. A. Scoggins of Dallas, chaplain of the organization, gave the invocation at the business session Saturday. Louis Ackers of Abilene gave the welcome address. Lee Walker, manager of the Stamford Chamber of Commerce, welcomed the members on behalf of the city, and C. B. Cotton of Seagraves gave the response.

MEETING TO BEGIN JULY 18 AT BENJAMIN CHURCH OF CHRIST

Dates of a meeting at the Benjamin Church of Christ were announced today by Edward L. Kirk.

The meeting will begin Monday evening, July 18 and will continue through Wednesday evening, July 27. Edgar E. Bryant of Abernathy will be the evangelist. Services will be held each evening beginning at 8:30.

Congregational singing will be led by Tom R. Campbell of Knox City. Everyone was invited to attend the series of meetings.

Mr. and Mrs. O. W. Caussey spent Sunday and Monday in Midland visiting their son, Donald, and family.

Zeb Ward, Knox City Negro, was fatally stabbed about 4 a. m. Sunday at the E. L. Hughes farm about ten miles west of O'Brien.

Mrs. Mozelle Coleman Windom, 32, also of Knox City, has been charged with murder in Haskell County.

Ward was stabbed with a 4-inch pocket knife. He was stabbed twice in the right side of the neck, one of the blows severing the jugular vein, and twice in the back. He died a few minutes after the stabbing.

The affray took place at a tenant house, occupied by D. Morgan, another Negro, on the Hughes farm. Sheriff Bill Pennington of Haskell County said it happened after a party and dance at the house. Mrs. Windom and her husband, Jim Windom, drove to Rochester and asked city nightwatchman Ewell Lusk to notify officers. Sheriff Pennington, Deputy Sheriff Jim Alvis and District Attorney Royce Adkins investigated the slaying. Alvis found the knife where Mrs. Windom said she had thrown it on the way to Rochester. Mrs. Windom was in the Haskell County jail Wednesday night. Officers were still investigating the case and bond had not been set.

Ward's body was taken to Sausal, his former home, where funeral services were held.

School Band to Get New Uniforms

New uniforms for the senior Knox City School Band will be ordered soon, it was announced following a called meeting of the Band Boosters Club Thursday night, June 30.

Mrs. Ottis Cash, president of the club, appointed a committee to select the uniforms. Named on the committee were Mrs. G. W. Ross and Mrs. L. C. Guinn, both members of the Band Boosters; Florence Reeves and Wyndol Stephens, representing the students; Guy Robinson and Horace Finley of the school board; Supt. Chas. E. Silk, Band Director W. J. Morris, and Mrs. Cash.

The uniforms will cost about \$3,000, it was reported. At a recent meeting of the school board, members voted to pay one third of the cost of uniforms. The Band Boosters organization has almost \$1,000 in its treasury at the present time, and the balance needed will be raised by the Band Boosters.

The new uniforms are expected to be ready by Sept. 1. The old uniforms, about fifty in number, will be mended and used by the beginners' band, which has from 26 to 30 members.

Twenty-two members of the club were present at Thursday night's meeting.

Mrs. Doyle Graham was elected first vice-president to replace Mrs. G. W. Aldridge, who recently moved. Mrs. Graham will be chairman of the program committee.

Guy Robinson was elected second vice-president, a newly-created office. He will be chairman of the finance committee.

The president appointed a committee to draw up and submit for approval a constitution and by-laws for the Band Boosters. Named to the committee were Supt. Silk, chairman, Mr. Morris and Mmes. W. W. Warren, Guy Robinson and W. N. Bishop. The three ladies are past presidents of the organization.

Mr. and Mrs. W. W. Warren will serve as co-chairmen of the calendar campaign. An advertising committee to assist the chairman is composed of Mrs. Guy Robinson, Alton Fitzgerald, Doyle Graham, Steve Ritz and Mrs. Jeff Graham.

Flat rates will be charged calendar advertisers this year, club officers said.

IRRIGATION FROM WELLS CONTINUES EXPANSION IN HIGH PLAINS AREA

COLLEGE STATION. — More than 4,000,000 acres of land is being irrigated by 23,537 wells on the High Plains of Texas. This and other facts are presented in the annual irrigation survey by R. V. Thurmond and Ralph L. Jones of the Texas Agricultural Extension Service.

The reports, made yearly since 1948, show the tremendous expansion of irrigation in the area. The first report showed that 12,478 wells were being used to irrigate 1,711,000 acres of 8,025 farms. By May 1955, the number of irrigated farms stood at 17,989; the number of wells at 33,537 and the irrigated acreage at 4,017,530.

From May 1954 to May 1955, 5,554 wells were added and the acreage irrigated increased by 390,425. The greatest increase in the number of wells during the

seven year period was the 6,268 added from May 1952 to May 1953. The increase in the area irrigated rose by 398,094 acres.

Hale county with 3,700 wells is the leader in this category. These wells supply the water to irrigate 470,000 acres. The 3,000 wells in Swisher county supply the water for 480,000 acres. The report shows Hockley county with 3,550 wells, Lubbock with 3,300 and Lamb county with 2,800 to rank high in the area.

Butane is used on 15,447 wells while natural gas powers another 11,881 pumping plants. A majority of the wells, 24,778, had a pumping lift of more than 125 feet and 17,582 were shown with a pumping capacity of under 700 gallons per minute.

Grain sorghum, cotton, wheat, alfalfa and sudan, mostly for pasture, were the principal crops irrigated. According to the report, grain sorghums lead cotton in 1955 by almost 400,000 acres.

Thurmond says the report is compiled from figures submitted by the county agricultural agents in the 43-county area.

INTERMEDIATE G.A. CAMP TO BEGIN AT LUEDERS JULY 11

Baker, Breckenridge, Mrs. Paul Turner, Sweetwater, Mrs. Corby, Abilene and Mrs. James Alexander, Abilene.

Mrs. E. Hob Smith of Rochester, Young People's Director of District Seventeen, said, "Fun, recreation, music, conferences on personal loveliness, films and worship will fill our days at camp."

Mr. and Mrs. W. E. Lovelace and son, Hoyt, spent the holidays in Santa Fe, N. M.

FARM BUREAU SCHOLARSHIP WINNERS ARE ANNOUNCED

The Texas Farm Bureau each year recognizes an outstanding 4-H boy and girl by presenting to them a \$250 college scholarship. The 1955 winners were announced this week by Floyd Lynch, State 4-H club leader. They are James Keilers of Fayette County and Ruth Haswell of Dallas County.

James is the son of Mr. and Mrs. W. G. Keilers of Fayetteville. Over a nine year period he has completed many demonstrations with livestock and crops; however, his specialty is dairy cattle. He now owns ten head and got his start with a heifer won in a judging contest. He is a Gold Star boy; a junior leader, an active worker in his church and community and was in the upper level of his high school graduating class. He plans to study dairying at Texas A. & M.

Miss Haswell is the daughter of Mr. and Mrs. H. M. Haswell of Dallas. She is completing her 7th year of 4-H work and has conducted demonstrations which involved

just about all phases of homemaking. She is a Gold Star girl and last year was a National 4-H Club Congress delegate. For four years she has been a member of the county shrub identification team which has placed no lower than fifth in three statewide contests. She is a leader in her church and community. Her college plans have not been announced.

Alternates for the scholarships are James R. Taylor of Tarrant County and Alby Ann Koehler of Randall County. Lynch said formal presentation of the scholarships will be made in the near future.

Returning Friday from a two-week vacation in Ruidoso, N. M., were Meses H. M. Jones, Carrie Belle Benedict and N. F. Mullins, and Mrs. George Zachary of Stamford. The group stayed at the Jones cabin in Ruidoso.

Week end guests of Miss Inez Logan were Mr. and Mrs. Howard Butler of Ft. Worth and Dock Butler of Pasadena, Calif.

NATIONAL AND TEXAS FARM SAFETY OBSERVANCE SET FOR JULY 24-30

"More accidental deaths occur in farming than in any other major industry in the nation. Texas, with its widespread farming and ranching operations, is in a position to help reduce the toll taken by such accidents," said Governor Allan Shivers in his proclamation designating the week of July 24-30 as Farm Safety Week.

Earlier President Eisenhower had proclaimed the same period as National Farm Safety Week. He requested organizations and leaders interested in farm life to join in the continuing drive to reduce needless injury and deaths to farm people.

The week is sponsored jointly by the National Safety Council and the U. S. Department of Agriculture and has been observed each year since 1944. The Texas Farm and Ranch Safety Committee work-

Hints Offered for A Safer Vacation

Vacation motor travel is big business in the United States. Each year more and more vacationers take to the road, with the majority in private cars, and the average car is driven 1,200 miles during the vacation.

The Texas Farm and Ranch Safety Committee offers a few suggestions which they feel, if followed, will take some of the boom out of accidents. Give the family car a thorough check-up before starting and watch for signs of trouble along the way. Don't block vision, say the experts, by improperly loading the car. Good vision is a must for safe driving.

Be prepared for emergencies. A first aid kit, maps, permits, identification, a flashlight and a tool kit and maybe a few spare parts should be carried along.

With the driver rests much of the responsibility for a safe trip. His efficiency is greatly reduced by fatigue. Plan the trip, urges

the committee, to allow rest stops during the day and a good night's sleep each night. And don't try to drive and see the sights at the same time.

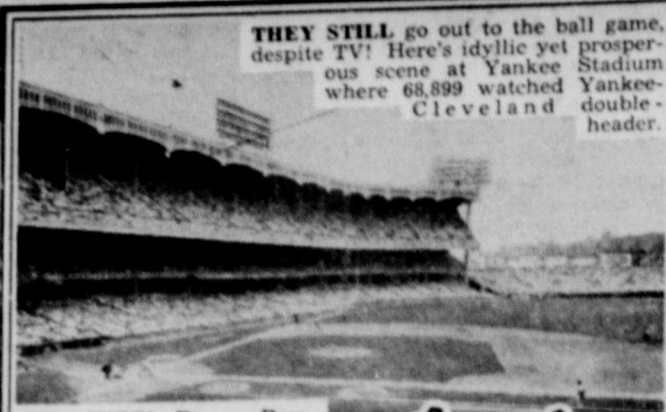

Ignorance of the law is only an excuse. Most states use standard traffic sign shapes. They are a constant guide to safe driving; know and obey them.

Traffic will be a problem during the vacation season in all parts of the country. Just don't get in a hurry and don't drive faster than conditions justify, says the committee. Be adaptable and fit your driving to the peculiarities and conditions that exist in the areas through which you may travel.

Finally, says the committee take safety with you. It will bring you home in good shape and you can look forward to next year's trip.

Charmie and Mike Stinson of Paducah spent the week end with their grandparents, Mr. and Mrs. J. H. McGee. Their mother, Mrs. T. C. Stinson, came for them Tuesday.

DIRT DABBER CLUB MEETS WITH MRS. EGENBACHER

The Dirt Dabber Club met in the home of the president, Mrs. Erwin Egenbacher, Tuesday night, July 5.

During the business session, the president appointed Mrs. Guy Robinson chairman of the telephone committee. The spelling "Dirt Dabber" was approved by members.

The question, "Who can become members of the club" was discussed and it was decided that anyone sincerely interested and actively engaged in ceramics, as a hobby or otherwise, was eligible for membership.

Mrs. Dick Blalock gave a very humorous reading, "My First Kiln." Mrs. Egenbacher displayed a beautiful array of ceramics she has made, including a hand-made clock, cigarette sets, plates, tiles, and plaques, and answered questions about each article.

The ladies enjoyed watermelon in the garden of the hostess. Attending the meeting were Mrs. Bill Hertel, Mrs. L. E. Groves, Mrs. Robinson, Mrs. Blalock and the hostess.

Visiting in the home of Mr. and Mrs. Dan Wells over the holiday were Mr. and Mrs. Wilfor Stanley of Spur, Mr. and Mrs. Jerry Lemons and son, Bobbie, of Colorado City, Mr. and Mrs. Willie Wells and girls of Hale Center, Mr. and Mrs. Prescott Scott and sons and Mrs. Jeff Simmons of Knox City, and Mr. and Mrs. Edwin Myers and children of Houston.

Mr. and Mrs. Wayne L. Harden and Mrs. Tommy Reynolds spent the week end visiting relatives in Tulsa, Okla.

"From Heaven" or "of the Earth"?

Every religious doctrine has originated from heaven or from the earth, from God or from man. It therefore has become the responsibility of every religious person to ascertain from which source his beliefs have come.

Jesus said "He that is of the earth is earthly, and speaketh of the earth" (John 3:31). Any religious idea therefore that comes from a human source is earthly and unreliable. The important thing is not what the church teaches, but what the Bible teaches. It is not necessary to fear the dogmas and pronouncements of men to be well-pleasing in the sight of God.

If one would please God he must do what God has commanded. The Jews at Thessalonica were considered noble because they "received the word with all readiness of mind, and searched the scriptures daily, whether those things were so" (Acts 17:11). The Bible nowhere commends a blind acceptance of all religious doctrine. Contrarily, it commends those who investigate to see whether a doctrine is "of the earth" or "from heaven."

It would be understandable for people to supplement Bible doctrine with human doctrine if the Bible were insufficient. Such, however, is not the case. "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works" (2 Timothy 3:16, 17).

Our plea is that all religious people repudiate every doctrine that has no scriptural foundation. Accept the Bible in its entirety, but accept nothing else. Worship where the Bible only is preached.

STREAMS in Desert Places

By Ozelle Stephens

The beauty of the Lord is full of grace and strength. The beauty of the Lord is seen in a spiritual desire to walk in the will of God and dwell in His Holy presence.

Glory, honour, strength and gladness are in the presence of the Lord. His beauty is seen in those who come to bring an offering, who worship and serve Him faithfully. They that fear before Him shall be established and shall not be moved. For He has said in His word, "He shall call upon me, and I will answer him; I will be with him in trouble; I will deliver him, and honour him, with long life will I satisfy him and shew him my salvation." Christ is seen, felt and heard in a life yielded to Him. His beauty is revealed constantly in him who stands steadfast, who faithfully serves and waits upon his wonderful Lord. Let the beauty of the Lord be seen in you.

New modern way to deep-cleanse your skin Helena Rubinstein's DEEP CLEANSER penetrates deeper, gets skin cleaner!

Now you can have a cleaner, clearer, smoother complexion than you ever dreamed possible! Helena Rubinstein, world-leading beauty authority, has perfected revolutionary new DEEP CLEANSER... a creamy liquid that goes down deeper, floats out every bit of sub-surface dirt and the most clinging make-up. DEEP CLEANSER contains R-51, the miraculous antiseptic that helps prevent surface blemishes. The result—your skin is left scrupulously, immaculately clean as never before!

DEEP CLEANSER is an astounding improvement over old-fashioned cleansing. Here's why:

NO MORE WAXY CREAMS—Heavy creams are messy and time-consuming, tend to clog and enlarge pores. DEEP CLEANSER is non-greasy, easy to apply, doesn't leave sticky excess, and doesn't clog pores!

NO MORE DRYING SOAP—With ordinary soap, skin dries stiff and flakes, little lines appear. DEEP CLEANSER actually washes your face with cream. Dryness is corrected. Lines are softened, flakiness disappears, your skin is petal soft.

Get DEEP CLEANSER today. 160 cleansings cost only 1.50; double size, 2.50. Price plus tax.

"Who Says I Can't Make The Team?"

"JUST WAIT AND SEE!"—Tiny Timmie Lee Brashear, three-week-old patient at the Texas Scottish Rite Hospital for Crippled Children at Dallas, looks confident he will be on the "first string." The son of Mr. and Mrs. Billie Ray Brashear of Sadler, Texas, he was born with congenital club feet but the crippling condition will soon be corrected and he will be able to lead a normal boy's life. Holding him above is Mrs. Lucille Covington, a nurse's aid at the hospital. Timmie, like thousands of other Texas children, will be a member of the Scottish Rite Hospital until he is 15 years old and will be eligible for treatment until that time.

GIRLS' AUXILIARY OF BAPTIST CHURCH MEETS

The Girls' Auxiliary of the First Baptist Church met in the home of Mrs. Claud Reed Wednesday, June 22.

The girls sang their hymn, "We've a Story to Tell to the Nation," led by Carroll Tankersley. The Watchwork, Five-Star Ideals, was reviewed and Annie Ruth Culp led in prayer.

Since two groups plan to meet together during the summer, the following officers were elected: Annette Warren, president; Claudia Reed, vice-president; and Lou Ella Denton, secretary-treasurer.

Committee chairmen named were Anita Poteet, social chairman; Carol Collins, program chairman;

Mary Nell McElroy, music chairman; Carroll Tankersley, community missions; Wynette Tankersley, publicity; Josephine Reynolds, stewardship; Donna Abbott, mission study; Bobbie Lee McHamm, room; Betty Jackson, library; Annie Ruth Culp, Forward Steps; and Claudia Reed, membership.

The meeting was dismissed with a prayer by Mrs. Reed. Refreshments of cookies, punch and ice cream cones were served to 17 G.A.'s, including two new members, one visitor, and the counselor, Mrs. Reed.

Mrs. Dorothy Curtis, one of the newly elected counselors, was unable to attend the meeting because of illness.

One Thing Men Agree Upon!

in the nature of things for men to hold opinions to argue and dispute. football, baseball, politics—guns, golf clubs, breeds dogs . . . name a best, and you have an argument. and so it goes through boats and trains—and and tennis and makes of planes. ut when the discussion turns to motor cars, you'll om get an argument if you name CADILLAC e car of cars. at's about as close as men come to universal ment. And with good reason. o could look about him at the various styles in r cars—and not give the nod to Cadillac for its dignified silhouette? o could take the wheel of this dynamic per- er—and not crown it the king of the highway?

Who could relax in its luxurious comfort for a mile or five hundred—and fail to recognize it as the finest riding car on the world's highways? And who could look back over its illustrious past —or look about him at the people who own it and drive it today—and not acclaim it as the most distinguished car in the whole automotive world? We feel assured that you, yourself, are aware that Cadillac is the car of cars. But that is but part of the wonderful Cadillac story. There are economy—and value—and dependability. And there are all the other sound, practical reasons for owning a Cadillac. Come in and see us. Thirty minutes at the wheel . . . and you'll understand why there's no argument about a Cadillac!

PUBLIC HEALTH SERVICE IMPORTANT, DR. HOLLE SAYS

AUSTIN. — Every Texas family needs the assurance that it is living in a clean and healthy community, according to Dr. Henry A. Holle, Commissioner of Health. The family needs the assurance that when disease threatens, there will be a local health agency ready to combat it on a community wide basis. Texas now has 47 full time city and county health units covering 57 counties. These 57 counties have 62 percent of the state's population.

An adequately staffed and financed local health department provides six basic services to the citizens of the town or county. It keeps public health statistics, controls communicable diseases, promotes maternal and child health, enforces environmental sanitation, operates a public health laboratory and works to educate the community for better health. Each local health department will of necessity differ from others and the most effective public health program must be "tailor made" to fit the particular health needs of its own community.

At present 197 counties in Texas do not have full time health protection. Dr. Holle has as one of his goals complete health protection in every county of the state. Some counties now have a large enough population to provide this service but for counties having sparse population, two or more could pool their resources and have the advantage of up-to-date public health methods.

Dr. Holle points out that giving full time health service to the entire state will require a substantial increase in the expenditure of funds for public health purposes. In his opinion this is the best investment any community can make. Although great strides have been made in maternal and infant health and in disease prevention, Texans cannot be content with less than complete eradication of preventable deaths. A state in which local health services are available everywhere is an important step toward this goal.
