Wednesday morning of last week at 8:30 the first meeting of the Chorus Club was held in the auditorium of the old school building. The Club is under the supervision of Mrs. Warren, and the students are very anxious to begin working with her. About fifty-two students became members this morning and several more will join in the future.

We elected the following officers: Mrs. E. Q. Warren Vocal supervisor; Miss Ruby Carlisle Pianist; Charles McBeath President; Lynn Waldrip Vice-President; Sydna Edwards Secretary-Treasurer; Miss Lillian Park Director.

The Chorus Club is planning on doing big things this year and we urge every student to come help us.

RHYTHM BAND

The Rhythm Band, under the direction of Mrs. E. Q. Warren, assisted by Miss Elsie Graham, has been working on its Christmas Symphony.

The club, consisting of about twenty-five members, meets three times a week for rehearsals. The organization is certainly working consistently and the members are unalterably convinced that they are the neppiest group in school.

K. C. H. S.  
Mrs. J. C. Mann entertained Tuesday night with a dinner honoring the birthday of Miss Mary Mann. Mary had as her guests the Misses Sydna Edwards, Jacquita Reese, Hazel Potter, Bernice Raney, Doris Steker and Lillian Parks.

## Hang These On Your Community Christmas Trees

## League Party Will You Help? All-Stars Loose

Friday night October 30 the Young Peoples' Department of the Methodist church entertained its members and several invited guests with a Halloween party.

There was every kind of Halloween spirit represented, from ghosts to ravishing Spanish Senoritas. After everyone had unmasked and been brought back (in appearance) to his native land, the call to "attention" was made, and directions were given for playing the unheard of (?) games of Flying Dutchman and Three Deep. These games were played on the lawn but after about half an hour of this rigorous exercise, every one was ready to go into the basement of the church and get warmed by some indoor running and spelling games.

The boys chose their partners for supper by knocking any desired number of times on a closed door. The girl whose number corresponded with that one knocked on the door was his partner.

After refreshments of cocoa, sandwiches and cake were served, Reverend Mann made announcements concerning the Young Peoples' meetings of the church, and cordially invited all the young people to attend. The guests prepared to adjourn, and some did leave, that is those who were walking left. The evil spirits of Halloween had come out a day early and jacked up the back wheels of every car parked near the church.

Following the dinner the crowd attended the theatre.

The Christian Womens Association in cooperation with the American Legion, is trying to dress a twelve year old boy for school. The boy needs a suit, two shirts and a sweater. He is a resident of Knox City having lived here more than a year. He cannot go to school until he gets some clothes and any donation made by anyone will be greatly appreciated. Bring your used clothes or what ever you wish to give to the boy, to the Herald office and proper disposal will be made.

All women who gave cakes or pies to the Parent-Teacher Association for the Halloween carnival will find their plates at the home of Mrs. E. L. Hutsman.

J. E. Clarke and son Jack made a trip to Lubbock Monday. Jack came home last Friday from Leveland, where, he says, his crop is O. K.

### DUCK SEASON IS CURTAILED

Hunters of this vicinity are warned that a new Federal game regulation curtails the duck season this year, limiting the period for shooting to one month, November 15 to December 15 inclusive. No change has been made in the state law regarding the duck hunting, but the federal ruling takes precedence over the state regulations. Heretofore the duck season in Texas has opened on October 15 and extended through December 15.

An All Star team, sponsored by the American Legion of Knox City, played football in Munday Armistice day. Although Knox City lost the game the boys did well without any practice.

Members of the American Legion appreciate their playing and have also expressed much regret in the accident of Thomas Fedguson. The score of the game was 13 to 0.

### GROUP 2 CAMP FIRE GIRLS ORGANIZE

A second group of Camp Fire Girls have been organized with Mrs. W. E. Benedict counselor. This group is the Tiwasal Camp Fire Girls. The organization took place last Thursday, November 5th in the Home Economics room of the school building. Following are the officers, elected:

- President Rheba Lightfoot
- Vice President Vola Daniels
- Secretary Arnell Liles
- Treasurer Marilyn Herring
- Song Leader Faye Hyde
- Scribe Myme Shaver

Mrs. Ira Roberts and daughter and Mrs. Troy Wright and daughter of South Texas, while, on a visit with relatives in Rochester this week, drove to this city Monday afternoon to visit with Mrs. Holt Mossley. The three were chums in their school days.

## Union Grove News

By Mrs. J. C. McGee

The Union Grove 4-H club met November the 6th in the home of Mrs. W. M. Griffith. The first of the afternoon was given to a business meeting at which time new officers for the ensuing year were elected as follows:

- President Mrs. J. C. McGee
- Vice-President Mrs. Clyde Wilson
- Secretary Mrs. Bell Fowler

After the business session the meeting was turned over to Miss Grace Nelson who gave the cheese demonstration. She made up five gallons of sweet milk, the amount making about three pounds of cheese.

The club was glad to have their visitors present and to see their eleven of whom they were Miss Lucille Johnson, Mrs. P. S. Smith, Mrs. A. E. Probst, Mrs. Lee Smith, Mrs. Ray Williams, Mrs. John Smith, Mrs. Shirley Parks, Mrs. Pete Moody, Miss Daisy Varuel and Mrs. (Aunt Miley) Jones. We were glad to have these ladies with us and invite them back again.

Our next meeting will be November 13th on this date we are having a quilting in the home of Mrs. Houston. It is to be an all day meeting and every member of the club is to, in addition to being present at ten a. m., furnish a dish for dinner. At three in the afternoon the quilting will be discarded and the regular meeting held.

We urge that every member attend this all day meeting and be prepared to quilt.

County 4-H Club Council  
Saturday of last week Mrs. J. C. McGee, Mrs. Wilson, Mrs. Hodges and Miss Ida Hodges drove in Hefner to attend the County 4-H Club Council. It met in the home of Mrs. Roy Jones, the president.

Singing  
We still have singing every Sunday night at Union Grove. We invite everybody to come and take part in the singing.

Party  
Mr. and Mrs. W. H. Garnett entertained Saturday night with a party. A large crowd was present and enjoyed out of door games until about eleven o'clock. Then we had some very good music and singing until near twelve when all departed, reporting the evening as most enjoyable.

## Gets Arm Broken in Foot Ball Game

Kenneth Edwards sustained a broken arm in the football game Wednesday afternoon of last week between Knox City and Rochester.

The game was progressing in a grand way when Kenneth's accident occurred. His left arm was broken in the elbow, a severe break.

Kenneth was treated here at the hospital by his father Dr. T. S. Edwards and Dr. Frizzell; however, due to the seriousness of the break Dr. Edwards sought other authority on the work which he did. He with Mrs. Edwards and Kenneth, went to Dallas Thursday where they saw a bone specialist, one of the best in the south and an old friend of Dr. Edwards, who found the work of the physicians of the Knox County Hospital beyond question, complimenting it highly, stating it could be no better.

The Edwards family returned home Saturday night. Kenneth has suffered a great deal with his arm he has the assurance that it will be alright in time. However, he has no doubt, played his last football game.

### KNOX CITY BEATS ROCHESTER 13 TO 7

Last Sunday, November 4, the Knox City Greyhounds went to Rochester and defeated the Rochester Longhorns 13 to 7. The game did not start until late so the last half had to be cut short in order to finish before dark. The game was a tight but the Greyhounds out-played the Rochester Longhorns.

The Longhorns made the first score on a pass, Jim Wyatt, John Wyatt, then the same two completed another pass for the extra point. Charles McBeath made Knox City's first touchdown on a line plunger. Knox City scored again in the last half when Charles McBeath threw a perfect pass to Fanny Farmer for a touchdown.

Although the Greyhounds won the game, they were unfortunate in the fact that Kenneth ("Beefy") Edwards, one of Knox City's best players, broke his arm and will not be able to play in any of the games the rest of the season. Kenneth has been playing fine football so far this season and the Greyhounds are certainly unfortunate in losing him. The Greyhounds wish Kenneth and his arm the best of luck, and hope that he recovers from the injury soon.

The Greyhounds have had a little trouble with their schedule, but the schedule for the rest of the season will be as follows: November 20th, Rule at Knox City Thanksgiving, Monday 27th Sunday.

The Knox City Chapter of the O. E. S. met Monday night when a report of Grand Chapter and General Grand Chapter was made by the worthy Matron, Mrs. Armstrong. Members of the Chapter state the report of Mrs. Armstrong was greatly enjoyed.

Mr. Williams of Seymour and Mr. Steinriede of Munday were in Knox City Monday doing repair work on the switch board of the local telephone exchange. Since Charley Massey has been transferred to Rule, Mr. Steinriede of Munday is lineman for this exchange.

Mrs. Keeton, pastor of the Nazarene church in Knox City and also in Needmore, attended the Nazarene District Assembly held in Sweetwater this week. She will return home Saturday and preach at the Needmore Church Sunday.

Mr. George Stubbs, accompanied by his daughter, Miss Maxwell and Mr. H. M. Warren left Knox City early Thursday morning for Dallas where Mr. Stubbs will see a heart specialist.

Reverend and Mrs. Stovall, Mrs. G. T. Hardberger and Mrs. E. O. Jamison are attending the Baptist State Convention in Waco this week.

AS A MAN THINKETH

"For as he thinketh in his heart,  
so is he"

Proverbs 23: 7

Foolish is he indeed who attempts  
to live by evil and win favor in man  
and God. The conduct of man is de-  
termined by the meditations of his  
heart. Neither can he meditate un-  
til and show outwardly righteous-  
ness to succeed. "A good man out-  
-brings forth that which is good, and  
an evil man out of the evil treas-  
-ure of his heart bringeth forth that  
which is evil, for the abundance of  
the heart the mouth speaketh."  
—Luke 6: 45.

While we know, even had we not  
—as told by the words of Christ in  
—speaking to His disciples in those  
—of each hour. "The spirit truly is  
—, but the flesh is weak." (Matt.  
—, 28) that our flesh is weak and  
— ready to yield to temptation un-  
—, in those same and other words,  
— have knowledge that God is with us  
— and judges not of the flesh but of  
— the heart. "The Lord seeth not a  
— man's countenance; for man looketh on the  
— outward appearance but the Lord  
— looketh on the heart." (1 Samuel  
— 16: 7)

While the flesh is weak, it is not  
— that which determines our goal. It  
— is the meditations of the heart.  
— God is of God, coming to man the  
— with His heart, and that which is of  
— Him is eternal as Himself.

It is only those things which are  
— rejected and sinful which shall be de-  
— stroyed and he who is of an may  
— obtain forgiveness through repent-  
— ance, wherein the evils are destroy-  
— ed and the forgiven rejoiceth. Ye  
— rejoice, and is rejoiced over more  
— than he who is void of sin. (Luk.  
— 15: 7) "I say unto you, that like-  
— wise joy be in heaven over one sin-  
— ner that repenteth, more than over  
— ninety and nine just persons which  
— need no repentance."

It is always well to "keep the  
— door of your heart open, that the  
— angels of love and truth may com-  
— mune with you," for "As he think-  
— eth in his heart, so is he."

Mr. and Mrs. Ford Waldrip  
— celebrated a number of their friend-  
— Tuesday evening with a Bridge party.  
— Following the games a social con-  
— was served.

Revel Evans is "workin'" in Ok-  
— lah this week. He with his father,  
— W. F. Evans, spent Christmas de-  
— with his sister, Mrs. Moorehouse, of  
— Oklahoma.

Mrs. Charlie Durham, a former  
— resident of Knox City, now of Mak-  
— bel, is here visiting her daughter,  
— Mrs. Stevens, in the Cliff Commu-  
— nity.

**When BABIES are Upset!**

BABY ills and ailments seem twice  
— as serious at night. A sudden cry  
— may mean colic. Or a sudden attack of  
— diarrhea. How would you meet this  
— emergency—tonight? Have you a bottle  
— of Castoria ready?

For the protection of your wee one—  
— for your own peace of mind—keep this  
— old, reliable preparation always on hand.  
— But don't keep it just for emergencies;  
— let it be an everyday aid. It's gentle  
— influence will ease and soothe the infant  
— who cannot sleep. It's mild regulation  
— will help an older child whose tongue is  
— coated because of sluggish bowels. All  
— druggists have Castoria.

ERROR CORRECTED

Following is the way the adverti-  
— sement of Jamison-Clonts Company  
— should have read (in the Herald of

— Aladdin Lamp from Jamison-Clonts  
— Company.

Mr. and Mrs. Doc Rose and son

ject to all the provisions of this ordinance.

(e) The term "public utility" shall for rate making purposes only, include any person as hereinbefore defined including the City of Knox City, Texas, producing, generating or furnishing any of the foregoing service to another person for distribution to or for the public for compensation.

(f) The term "rate" when used in this ordinance means and includes every compensation, charge, fare, toll, rental and classification or any of them demanded, charged, observed or collected by any public utility for any service, product or commodity offered by it to the public or to any person, firm or corporation within the City of Knox City, Texas, and any rules, regulations, practices or contracts affecting any such compensation, charge, fee, toll, rental or classification. Every rate made, demanded, or received by any public utility within the City of Knox City, Texas, or by two or more public utilities jointly shall be just and reasonable and every public utility shall furnish adequate, efficient and reasonable service.

ARTICLE II.

Section 1. The Word "City Council" when used in this ordinance shall refer to the governing authority of the City of Knox City, Texas, to wit: The City Council of the City of Knox City, Texas.

Section 2. For the performance of the duties of the City Council and the enforcement of this ordinance relative to public utilities it may appoint, employ or remove such engineers, accountants, stationers, inspectors, clerks, examiners and such subordinates as may be from time to time become reasonably necessary to gather data and information as to the reasonableness of rates to be fixed, charged and collected by any public utility within the City of Knox City, Texas, and may appoint, on such terms as may be advisable, counsel and attorneys who are specially skilled in rate matters, and such counsel and attorney shall advise the Council and represent it and the City of Knox City, Texas, in conjunction with the City Attorney in all litigation and court proceedings under the direction of the City Council and the City Council shall have the power and authority to have brought before it at any reasonable time any officer, manager, agent, or servant or employee of any public utility doing business in the City of Knox City, Texas, and compel them to testify and give evidence, and submit evidence to the City Council at any hearing or investigation before the City Council in any matter involving the fixing of rates or compensation to be charged and collected by such public utility and shall have power and authority to compel any manager, agent or servant or employee of any public utility to bring before the City Council any records, books, or accounts of any public utility and submit the same to the City Council for inspection, investigation at any hearing or investigation provided for under this ordinance or which at any time may be held within the discretion of the City Council.

Section 3. In all matters coming before the City Council relative matters pertaining to public utilities, a majority of the City Council shall constitute a quorum for the transaction of any business, for the performance of any duty or for the exercise of any power of the City Council. The act of a majority of the City Council shall be the act of the City Council and all investigations and hearings or inquiry shall be held by the City Council and under its direction and authority.

ARTICLE III.

Section 1. Within ten (10) days after final passage of this ordinance every public utility within the City of Knox City, Texas, or every public utility doing business in the City of Knox City, Texas, shall file with the City Secretary of the City of Knox City, Texas, schedules showing the rates or compensation being charged to each of its patrons or customers in the City of Knox City, Texas, for service or sale of its commodity to each person, firm, partnership or corporations, and thereafter under such rules and regulations as the City Council may from time to time prescribe upon demand from the City Council, every public utility as herein defined shall file with the City Council, within such time and in such form as the City Council may designate, schedules showing the rates being charged, demanded and collected by such utility for service or sale of its commodity to all patrons, firms, partnership or corporations in the City of Knox City, Texas. The utility shall keep copies of schedules open for public inspection un-

der such rules and regulations as the City Council may prescribe.

Section 2. No public utility doing business within the corporate limits of Knox City, Texas, shall directly or indirectly by any device whatsoever or in any wise, manner or method make any gift or rebate of its service or commodity, nor cause, demand, collect or receive from any person, firm, partnership or corporation a greater or less compensation for any service rendered or to be rendered to any of its patrons and customers by such public utility than that as prescribed or may be prescribed from time to time by the City Council and schedules applicable thereto, nor shall any person receive or accept any service or any of the utilities commodity it has for sale, for a compensation greater or less than that prescribed in such schedules or rates as may from time to time be established by the City Council; provided, however, that no public utility shall be prohibited from charging or collecting, whether directly or indirectly, a less compensation than that prescribed by ordinance where the City Council elects to prescribe merely maximum rates.

Section 3. No public utility shall, as to rate or service, make or grant any unreasonable preference or advantage to any corporation or person, or subject any corporation or persons to any prejudice or disadvantage. No public utility nor the City Council shall establish or maintain any unreasonable difference as to rates or as between classes of service. The City Council shall determine any question of fact arising under this section.

Section 4. Every utility described in this ordinance is hereby declared to be engaged in a business that is affected with a public interest and is subject to the jurisdiction, control and regulation of the City Council in accordance with the provisions of this ordinance and laws of Texas.

ARTICLE IV.

Section 1. The City Council for the purpose of determining, fixing and regulating the charges, fares, rates or compensation and prescribing maximum or minimum rates of any public utility now enjoying or that may hereafter enjoy any franchise granted the utility in the City of Knox City, Texas, or exercise any other public privilege in the City of Knox City, Texas, or for the purpose of prescribing in the City of Knox City, Texas, or for the purpose of prescribing the kind of service to be furnished by such utility and the manner it shall be rendered and for the purpose of from time to time alter, or change such rules, regulations and compensations, shall at the request of the public utility affected or upon call of the chairman of the Council, or call of a majority of the Council, either at a regular meeting of the council or a special meeting called for the purpose, have a hearing before the Council.

Section 2. The City Council shall cause at least ten (10) days' prior notice, by registering mail, to be given to any public utility person, firm or corporation affected by such hearing, such notice shall state the time, place of such meeting and the purpose thereof.

Section 3. In order to ascertain all the facts necessary for a proper understanding of what is or could be a reasonable rate or compensation the public utility shall, on demand, submit to the City Council or any person designated by it for inspection, its books, records and schedules of rates charged, as well as the rates proposed to be charged, and the City Council shall have full power to compel the attendance of witnesses for such purpose before the council.

Section 4. The City Council after such hearing and notice shall determine and fix such rates and prescribe such maximum and minimum rates and enforce such schedules of rates to be charged and collected by such public utility for its services or commodity furnished to its patrons or to any persons, firms, partnerships or corporations in the City of Knox City, Texas, such rates to be established or fixed shall be just and shall not yield more than (ten) 10 per cent per annum net upon actual costs of physical properties, equipment and betterments, and all public utilities transmitting, carrying, conveying, producing, transporting, distributing, selling and delivering such commodities within the City of Knox City, Texas, shall be required to list with the City Council a list of all to whom less than the regular rate is given, and this report must show the consumption, rate, etc. charged each, and this shall be used for the purposes of rate making at the regular rate.

Section 5. Any utility affected by any schedule of rates fixed by the City Council or any regulation thereof, or any person, firm, or corporation thus affected may by petition, or the City Council on its own motion after notice and hearing may change, alter or modify any existing rate or rates or regulations and amend or substitute an entirely new rate structure and make such further schedule of rates, regulations by ordinance resolutions of order may be consistent with fair and reasonable rates to be charged patrons of such public utility within the corporate limits of the City of Knox City, Texas, for the commodity furnished or service rendered.

Section 6. The Council assumes original regulatory jurisdiction in the regulations, compensations, fixing and regulating the charges, fares or rates of any public utility, person, firm or corporation now enjoying or that may hereafter enjoy the privilege of any franchise or exercising any other public privilege as hereinbefore set forth in this ordinance, and any public utility, person, firm or corporation who shall desire to contest any rate schedule or rates or compensation or regulation as may from time to time be fixed by the City Council shall have the right to appeal therefrom to any court of competent jurisdiction or to any such board of Commission that might be provided by statute of the State of Texas.

Section 7. No utility shall unreasonably discriminate in favor of or against any person, place or corporation either in apportioning the supply of its commodities or its charges therefor.

ARTICLE V.

Section 1. The City Council may, after hearing and notice, as hereinbefore provided for, upon its motion or complaint, ascertain and fix just and reasonable standards, classifications, regulations, practices or service to be furnished, imposed, observed and followed by any utility.

Section 2. The City Council may on hearing and notice ascertain and fix the value of the whole or any part of the property of any utility, insofar as the same is material to the exercise of the jurisdiction of the City Council and may make revaluation from time to time and ascertain the value of all new construction, extension, and additions to the property of every utility.

Section 3. Each utility shall establish a system of accounts to be kept as may be ordered and directed by the City Council or establish a system of accounts for each class and the City Council may prescribe the manner in which such accounts shall be kept. In any case where a utility is required by Federal or State regulations to keep its books or accounts in some particular form or manner such practice may be continued and compliance with such regulations be deemed compliance with the regulations of the City Council.

Section 4. Any utility shall permit the City Council and officers and employees of the City Council during all reasonable hours to enter upon any premises occupied by any utility for the purpose of making examination and tests and exercising any power provided for in this ordinance and shall permit the setting up and use on such premises any apparatus and appliance necessary for such utility shall have the right to be represented at the making of such examination, test and inspection.

Section 5. Each public utility, company, corporation or person who may be engaged in furnishing to the inhabitants of the City of Knox City, Texas, electric power, electric light, telephone, or in any phase of the gas business or sanitary sewerage service, shall, on or before the first day of March of each year, file with the Mayor of the City of Knox City, a written report sworn to by the manager, secretary or president of such corporation, by a member of such company, and by any other person, which shall show:

(1) The amount of any debt or mortgage upon the properties composing such plant;

(2) All other indebtedness pertaining to such enterprise and the consideration thereof;

(3) The actual cost of the visible physical properties, date when installed and the present value thereof, and herein the lands, machinery, buildings, pipes, poles, circuits, mains shall each be treated separately;

(4) The annual cost of operating such plant, showing separate items, the amount paid for actual salaries, amount paid for labor of all kinds, fixed charges, including interest, taxes and insurance, giving each separately, amount paid for fuel, for extension and repairs, giving each separately, and particularizing the extension and repairs the cost of maintenance, amount paid for damages, claims or suits for damages, identifying each claim or suit, amount paid miscellaneous expenses, and, if any machinery or equipment is abandoned, worn out or its use discontinued within the preceding year, the same shall be stated the original cost, and the present value thereof shall be given;

(5) The report shall give the gross earnings from any such plant including revenues from every source from every source whatever, stating items separately amount received by each department.

Section 6. The City Council may on its own motions and whenever it may deem necessary in the performance of its duties investigate and examine the conditions and management of any utility. In conducting such investigation the City Council may proceed, either with or without a hearing, as it may deem best, but it shall make no order without affording the parties thereto a hearing.

Section 7. All hearings before the City Council or investigations by the City Council it may issue subpoenas in its own name and all necessary process in proceedings pending before it and may be served by the City Council of the City of Knox City, Texas, or by any person authorized to serve process of courts of record.

Section 8. The City Council or any party to the proceedings may in any investigation or hearing before the City Council cause the deposition of witnesses to be taken in the manner prescribed by law for the taking of depositions in civil cases.

ARTICLE VI.

Section 1. Any public utility, company, corporation or person who shall violate any of the provisions of this ordinance, or any person, firm, partnership or corporation who shall be a servant or employee of any such utility failing or refusing to obey any order or ordinance of said City Council legally promulgated hereunder, after reasonable notice and opportunity to do so, shall be liable to a penalty as hereinafter provided.

Section 2. Any person, corporation or company mentioned in this ordinance, who shall for thirty days wilfully refuse or fail to report in the manner provided by this ordinance, shall forfeit and pay to the City of Knox City, Texas, the sum of one hundred dollars per day for each and every day during which it shall continue in default; or, if any such person, or corporation, or company, shall file any report knowing that the same does not truly report the facts about the matters mention-

ed therein, it shall forfeit and pay to the City of Knox City, Texas, the sum of two hundred and fifty dollars for each such wilfully false report. Such forfeitures and penalties shall be recovered by a suit brought by the City of Knox City, Texas, brought in Knox County, Texas, where the City of Knox City is located.

Section 3. In construing and enforcing the provisions of this ordinance relating to penalties, the act, omission or failure of any official agent or employee of any corporation or person acting within the scope of his official duties or employment shall in every case be deemed to be also the act, omission or failure of such corporation or person.

Section 4. All penalties accruing under this ordinance shall be cumulative and a suit may be brought by said City in any court having jurisdiction thereof against any utility for the recovery of such penalties, and a suit for the recovery of one penalty shall not be a bar to or affect the recovery of any other penalty or forfeiture or be a bar to any criminal prosecution against any public utility or any official, director, agent or employee thereof to any other corporation or person.

Section 5. Actions to recover penalties under this ordinance shall be brought in the name of the City of Knox City, Texas, and all criminal prosecutions shall be brought in the name of the State of Texas.

Should any section, article, provision of any part of this ordinance be held and declared to be unconstitutional and void by a court competent jurisdiction, such decision shall in no wise affect the validity of any other remaining parts of this ordinance, unless the part held void be so inseparable to the operation of the remaining parts. The City Council of the City of Knox City, Texas, hereby declares that it would have passed those parts of this ordinance which are valid and omitted any parts which may be unconstitutional if it had known or been advised that such parts were unconstitutional at the time of the passage of this ordinance.

ARTICLE VII.

The City of Knox City, Texas, may now or hereafter own and operate public utilities; it is hereby declared that this ordinance shall not apply to any utility operating under a franchise or license from the State of Texas or any other governmental authority.

ARTICLE VIII.

The City of Knox City, Texas, may now or hereafter own and operate public utilities; it is hereby declared that this ordinance shall not apply to any utility operating under a franchise or license from the State of Texas or any other governmental authority.

ARTICLE IX.

The City of Knox City, Texas, may now or hereafter own and operate public utilities; it is hereby declared that this ordinance shall not apply to any utility operating under a franchise or license from the State of Texas or any other governmental authority.

It's Always Time To Save!

Good times—bad times—it is always time to save. The means of saving may differ, however, from time to time but the principal remains the same.

Saving is only living on less than you earn and banking the difference. Although your savings may be little to begin with, if steadily saved, will before you realize it, be climbing into interesting figures.
