

City Greyhounds To Host Lockett Panthers Here Friday

The Knox City Greyhounds will host the Lockett Panthers here Friday night at Greyhound Stadium at 7:00 o'clock.

No admission will be charged, but members of the Quarterback Club are asking that fans bring and donate a bath towel or soap for use in the Field House.

According to Coach Charles Hibbitts, the Hounds came out of the scrimmage at Lockett last Friday night with only one injury. Johnny Carver suffered an injured knee.

The Panthers put up quite a display of speed with a 9.8 sprinter and a 10-flat quarterback. Coach Hibbitts said that the Greyhounds moved the ball and played good defense most of the time, but did let the sprinter break loose three times.

Outstanding players for the Greyhounds were Defensive Tackle Jimmy Faulk, Quarterback Mike Newton, and Slotback Henry Rodriguez according to the coach.

The Hounds will meet Rochester there on Friday, Sept. 6.

Quarterback Club Elects Lankford New President

The Knox City Quarterback Club met last Friday night for the first time and elected Kenneth Lankford as president.

Lankford will be vice president, and Don RAILSBACK, center, secretary.

The club members are now in the process of selling the 1968 membership cards at the same fee as last year's, \$5.00 per member.

Any interested person may contact Mr. Lankford or other members for a card. The club undertakes many projects during the year in supporting the athletic program at quite an expense.

including the purchase of film and the financing of each game as well as the upkeep of the camera. The club began the "Greyhound of the Week" program last year and will continue it again this year.

According to Mr. Lankford, the program is an incentive for each player to "do his best", as the club selects the most outstanding player in each game.

In addition to receiving recognition, the player's name is engraved on a plaque which is presented to the school by the Quarterback Club at the annual football banquet.

The Hounds will scrimmage Lockett here Friday, September 6, at 7:00 p.m. There will be no admission charge, but everyone is asked to bring a bath towel or soap and donate it to the Field House.

A large box will be set up for this purpose. Fans are urged to back the club that backs the team! Please come out and lend your support!

Grain Harvest In Full Swing

According to Billy Mitchell at the Knox City Grain Co., Inc. and Charles Reese at the Farmers' Grain Co., the grain harvest in the Knox City area is in full swing.

Prior to this week, the weather has not permitted much harvesting but with a few more hot sunny days like Tuesday, the harvest will quickly come to an end.

At this point the harvest appears to be from 50 to 70 per cent over.

The yield will not exceed that of last year due to the damp weather and damage done to grain sorghum acreage by greenbugs and sorghum midge infestations.

The price on milo this year is \$1.60 as compared to \$1.75 last year.

SCS Summer Work Programs Provide Jobs For Students

In keeping with the President's Youth Opportunity Campaign and other federal programs, the Soil Conservation Service has provided employment this summer for several high school and college students. This week concluded the program and students will be returning to their various institutions of learning. Howard Carleton, PMC manager, said that in addition to offering training for the students, the employment also provides them with supplemental income during the summer months.

The first six weeks this summer Mack spent in ROTC training at Fort Sill, Oklahoma. He performs various duties at the Center, but this year's duties have been primarily field clipping and seed collections. Voting Rules Changed

Austin, Texas - Until this year no one could vote in any election in Texas unless he had lived in the state for a full year. "Not so now", says Secretary of State Roy R. Barrera.

As the result of a statute passed by the Texas Legislature in 1967, following voter approval of a constitutional amendment in 1966, voting rules have been changed.

Barrera, as the state's chief election officer, advised that any citizen of the United States, 21 years of age or older, who has resided in Texas less than one year and for at least 60 days as of the day of the election, who satisfies the conditions of a qualified voter in the state from whence he came to Texas and would have been qualified to vote had he remained there, may vote in the Presidential Election here this fall.

However, Barrera points out, the voter can not vote on any office except that of president and vice president of the United States.

Furthermore, he must apply for a ballot at the office of the county clerk in the county of his residence . . . sometime during a 15-day period beginning September 6. If the voter has an official document attesting to the fact that he was a registered voter in the state of his former residence, he should take that document with him when he applies for his ballot. This will eliminate the necessity of the clerk verifying eligibility at the place of his former residence.

It is important to note too, says Barrera, that once declared eligible to vote, the newcomer must cast his ballot in

the county clerk's office . . . not on November 5, the general election date . . . but sometime during the 15-day period preceding the general election.

Streams In Desert Places BY OZELLE STEPHENS

The one to trust at all times is God who made both earth and heaven, the seas and everything in them. He is the god who keeps every promise. He gives justice to the poor and oppressed. He feeds the hungry. He frees the prisoners. He opens the eyes of the blind. He lifts the burdens from those bent down beneath their loads. For the Lord loves good men. He protects the immigrants and cares for the orphans and widows. But He turns topsy-turvy, the plans of the wicked. The Lord will reign forever. Love Him, praise Him. (Psalms 146:6-10) *****
