Large Group Form Area Civil Air Patrol During Week; Meet Planned In Dallas

Interested parties from Haskell, Munday and Knox City met at the American Legion hall last Friday night and organized the Knox Prairie Civil Air Patrol. Of the 26 present, 22 became members.

A short talk was given by Bill Sams relative to the duties of the CAP and the training program of cadets. Heavy stress was placed on the present world situation and the possibility of a dire necessity for the facilities of a CAP Squadron.

Lt. Col. Hubby, Wing Commander of Wichita Falls, has since notified the local CAP of a CAP workshop to be held in Dallas on September 15, 16, and 17, from which members will become well informed on the part of the local CAP Squadrons will play in case of national emergency. All members and their wives are urged to attend.

Of particular importance to the interest of local area citizens in human welfare was displayed through the membership of Dr. T. S. Edwards, who became the Dean of the Senior members, at the age of 86, but still willing and able to serve his country in whatever capacity his abilities might avail.

Since the Friday night meeting there have been eight more cadets enrolled, age 14 through 18, bringing the total cadet strength to 18, and the senior membership to 16 for a total of 34 members.

W. H. Hodges Brings In First Maize Aug. 8

W. H. Hodges of Knox City brought in the first truck load of maize to S. L. White & Son Grain Co. Aug. 8.

Hodges averaged 3,640 pounds per acre and brought \$1.55 per 100.

Rufus White said the moisture content was 14.74.

The grain sorghum was planted from DeKalb C-44-A.

Knox City's First Bale Ginned Saturday

Knox City's first bale of cotton was ginned by Brazos Valley Gin for Vernon Bridges and Lee Presswood, Saturday at 5 p.m. The cotton was grown on Mrs. L. N. Bridges farm northwest of Knox City.

Charter members may go by the Williams Office Building for applications. Charter members should number at least 50, and the Charter names will be sent in next Monday.

Coach Darland Speaks At Lions Club Wednesday

Lion President Gerald Averitt said the board of directors met Wednesday morning and among business transacted at the meeting was the recommendation to the club to donate \$10 to each Knox City and O'Brien for the first bale of cotton ginned at each town.

Another topic of discussion, he said was the location of the annual Lions Carnival. Formerly it has been established on the post office vacant lot. This year, due to that spot being occupied by Kemetz Dept. Store, a new location will have to be selected.

It was suggested the baseball park be the site.

The carnival will appear on Oct. 2, 3, and 4.

The directors also recommend that the club buy Lions Club signs to be erected at the four roads leading into the city.

The club voted unanimously for all propositions of the directors.

Coaches Ted Darland and Curtis Hines were guests of the club and Darland made a short speech to the club on the prospects of this year's football team.

Darland said 30 boys had suited out for this year and that he and Hines were well pleased with their efforts and attitudes.

"We have a variety of all sizes, shapes, and descriptions," Darland said, "but we have one thing lacking—none of them can run very fast."

The coach was optimistic in his appraisal of the team, though and said if their attitudes didn't change he would probably have a good team.

Beginning Tuesday the team will have scrimmages with area towns here at 7 p.m. and he invited the fans to come out and watch them.

Darland also asked that anyone having some old towels, to please bring them to the field for the boys to use. A pasteboard box will be available he said at the gate.

Other speaker at the Lions luncheon-meeting was Jess Gilpin, of the ASC office. His report to the farmers is in another story on this page.

New Law Concerning Wheat To Be Voted By Farmers Aug-24

Jess Gilpin of the Knox City ASC Office made a short speech to the Loins Club Wednesday about new legislation proposed for the farm program. Eligible voters will be asked to cast their vote either for or against the new legislation on August 24.

Gilpin said only 16 per cent of the eligible farmers had bothered to vote in past years, and he was in hopes they would go to the polls and vote—either way they may choose but VOTE.

Proposition under legislation and vote will be the wheat program. The proposition and explanations follow:

Farmers will vote in a referendum on Aug. 24, on whether or not marketing quotas will be in effect for the 1962 wheat program. This vote also will decide whether the special wheat stabilization program is available in 1962. As in other years, at least two-thirds of the farmers voting must approve the quotas if they are to be put into effect.

ELIGIBLE VOTERS — You are eligible to vote in the Aug. 24 wheat quota referendum if you produced more than 13.5 acres of wheat in at least one of the three years 1959, 1960, or 1961. Any producers who signed applications under the feed wheat provisions permitting them to grow wheat for feed use on the farm for 1961 will not be eligible to vote. (The provision permitting up to 30 acres of feed wheat production on the farm will still be effect for 1962.)

If the program is approved, the following program will be in effect:

*Price support at a national average of \$2 a bushel will be available on the 1962 wheat crop to those producers who comply with their 1962 farm wheat allotments and who participate in

the special wheat stabilization program for 1962 to the extent prescribed by the Secretary.

The estimated carryover of wheat is around 1.4 billion bu.—the third consecutive year that wheat stocks have hit a record high, and 81 per cent above average. The stocks are also 4 per cent larger than the 1960 wheat production. More than 9 bushels out of every 10 of the total stocks are either Government-owned or under Commodity Credit loan.

The wheat stabilization program provided by Congress for 1962 should correct this situation by making it possible for growers to adjust their wheat acreage, thus reducing production by about 100 million bu., and at the same time increasing growers' income.

Minimum Diversion — If more than 15 acres of wheat was plant-

ed on the farm for harvest in 1959, 1960, or 1961, or the 1962 allotment is 13.5 acres or more, the payments will be made for at least complying with the farm 1962 wheat allotment and devoting to conservation uses the 10-percent wheat acreage so diverted.

If not more than 15 acres of wheat was planted on the farm for harvest in each of the years '59, '60, and '61, the payments will be made for diverting to conservation uses at least 10 per cent of the highest acreage of wheat planted for harvest in any of the 3 years or for complying with the 1962 wheat allotment and devoting the diverted acreage to conservation uses.

PAYMENTS — Payments for the above-listed diversions will be made in cash or in wheat equal to 45 per cent of the basic county price-support rate for No.

1 wheat multiplied by the adjusted yield per acre for the farm, multiplied by the number of diverted acres.

The adjusted farm yields of wheat per acre will be determined by establishing a productivity index which will reflect tillable acreage, crop rotation practices, type of soil, and topography.

In addition to the diverted acres as a condition of eligibility for the wheat stabilization payments, the farms total acreage devoted to conservation uses in 1962 would have to equal the farm's average acreage of cropland devoted to such uses—including summer fallow and idle land—in 1959 and 1960. (Acreage diverted from wheat and feed grains in 1962 may not be counted as part of this requirement).

In concluding his speech, Gilpin said he would like to see a "real turnout at the polls," in order that our lawmakers may know what we want in the way of legislation.

"I don't care which way you vote, either for or against the referendum," he emphasized, — "just voice your opinion."

Further information may be obtained from him at the local ASC office.

Two Youth Leaders To Be With First Christian Church Monday & Tuesday

Two youth leaders are to be with First Christian Church Monday and Tuesday of next week.

Hudson Biggio, second-year student in Brite College of the Bible seminary at Texas Christian University, Fort Worth, candidate for the ministry, Round-up co-ordinator for the Youth Office of the Texas Board of Christian Churches. The other is Miss Carolyn Britton, senior in Texas Christian University, candidate for director of religious education, and in her third year with the Round-up program.

Mr. Biggio and Miss Hudson are spending the summer with Christian Churches of District 19. They have spent four weeks

in the district camps and conferences. They will work with the youth and youth leaders in a planning and training program beginning Monday morning and closing Tuesday evening.

J. Wilfred Carter, minister, said adults are invited to attend the Monday and Tuesday evening services.

COURT RECORDS

Be it remembered, that the Honorable Commissioners' Court of Knox County, Texas convened in regular session on the 14th day of August, 1961, with the County Judge, L. A. Parker, presiding and all members of said court being present as follows, to-wit:

J. V. Carver, Commissioner of Precinct No. 1.

W. W. Trainham, Commissioner of Precinct No. 2.

J. B. Eubank, Commissioner of Precinct No. 3, and

George Nix, Commissioner of Precinct No. 4.

J. B. Eubank made a motion, seconded by J. V. Carver, that all Justice of the Peace Fee reports and also all county bills which were approved to be paid out of county funds be paid.

And that the County Clerk be authorized to issue warrants on these bills.

All voted in favor of the motion.

J. V. Carver made a motion, seconded by George Nix that the present Commodity Distribution Program be continued, and that the County eligibility standard will remain the same as the State eligibility standard.

All voted in favor of the motion.

W. W. Trainham made a motion, seconded by J. B. Eubank that the sum of \$10,000 be borrowed from the Citizens State Bank, at Knox City, Texas.

All voted in favor of the motion.

George Nix made a motion, seconded by W. W. Trainham, that the meeting be adjourned.

All voted in favor of the motion.

Rhineland-Munday Area Hard Hit By Hail Monday

An estimated \$100,000 damage was done to the Rhineland-Munday area farms Monday night by a thunderstorm which dumped up to three inches of rain and severe hail.

Some farmers in the area estimated the loss would run as high as "hundreds of thousands of dollars," and an insurance company in Munday said the loss would run "well over \$100,000 to cotton and maize—but mostly cotton."

The damaged area is a five-mile strip between Rhineland to five miles east of Munday.

Farmers in the area has been expecting a bumper crop, and some had even said the prospects were the best they could remember.

No damage was reported in this immediate area, however.

County Agent Jack Moore said he had received reports from 50 percent to 20 percent damage, but had not had the opportunity to make his own evaluation of the damage.

Newbrough Gins First Cotton For O'Brien Friday

O'Brien ginned their first bale of cotton at the O'Brien Co-op Gin Friday, Aug. 11, for H. F. Newbrough. He brought in 2640 snaps and the bale weighed 661 pounds.

The cotton was a new variety of Northern Star Cotton.

Newbrough received \$340. as prize for the first bale ginned there.

Most of the area cotton will be ready for harvest sometime around the first of the month.

Buddy Moon Asked To Play On Texas All-Star Team

Knox City's big all-star tackle last year for the Greyhounds, Buddy Moon will play with the Texas All-Star team in Wichita Falls Friday night, it was announced Wednesday.

Coach David Slaughter asked Moon to play with them, and he accepted the invitation.

The Texas team will play the Oklahoma All-Stars at Midwestern Stadium at approximately 7:30 p.m.

The 250 pound tackle will be the first Knox Citian to play on the all-star team.

Another Knox Citian, Donald Johnson, an end, was asked in '59 to play on the All-Star team, but was married before the team played, so was unable to play on the Texas team.

1909 Issue Of KC News Had Optimistic Views On Towns Progress-Prosperity

Ulric Lea brought the Herald an issue of the paper dated Nov. 26, 1909. The paper at that time was known as the Knox County News and was established in Oct. of 1904.

E. B. Atterbury was the business manager and Joe Fox was editor. The masthead said the paper was published every Friday.

Most of the paper was taken up with pictures of Knox City homes, and farm acreage in this area.

The paper was proud of the fact that there were three good churches here at that time.

To quote the editors description of the news stories, is as follows.

Methodist Church, most prominent, and was constructed at a cost of over \$10,000. Rev. M. S. Leveridge was pastor at the time. (Also in the 1909 edition was a picture of the same church—with the exception of a huge belfrey and the porch which was removed last year.)

Christian Church, one of the most progressive, but no building. Will begin building in few weeks, with a cost of \$3,500. Rev. Wright was the pastor the story said.

First Baptist Church — nice frame building, and was the first church in Knox City. For a time it was used by all denomination. Rev. R. F. Swift, was the pastor.

Another Baptist Church was known as the Central Baptist and the editor explained it as "A commodus building and centrally located." Rev. W. C. Garrett, was its pastor. Present pastor of the First Baptist Church, Rev. Murrell Johns told the Herald the two churches combined into the Central Baptist and of course it is known as the First Baptist Church of Knox City.

The next and last church mentioned in the article lists the Presbyterian church—"has neither pastor nor building but is progressive."

Another quote from the story at the end of the article said:

"Knox City is imbued with the refined spirit of Christianity. It is a place where religion worship is not forgotten, but is practiced."

"A BIG CROP YEAR" was the heading of the lead story on the front page.

A bumper crop was forecast with up and over a half bale to the acre.

Wheat and oats were in abundance having averaged 15 bushel per acre and the oats averaging up to 30 bushels per acre.

"While this is an excellent wheat and oat country, it is not adopted to these products alone. Cotton, corn, maize, kaffir corn, fruits and vegetables of all kinds are raised in abundance," the editor said.

He also said that maize and kaffir corn are two of the surest and easiest crops to be raised in West Texas.

Throughout each and every story the title Knox Prairie was used whenever it could be. Obviously Knox Prairie was Knox County in those days.

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

I see by the paper where some doctors from the American Medical Association has give out a warning that eating wild fruit, especial persimons, that ain't good and ripe will cause a "diopsyrobozoar" in the stomach that might "require removal by surgery."

I'm mighty glad to get this information. It'll give me the will power to quit eating fruit, wild or tame, ripe or unripe. At my age I don't want to git diopsyrobozoar. Anything with a name like that could be fatal to us old folks. Let a doctor tell a old sot he's going to die if he don't quit drinking and it's like pouring water on a duck's back. But tell him he's going to git diopsyrobozoar and you've done cured him quick.

Incidental, I see where they've got a New York surgeon on the carpet fer using a stand-in fer operating. The stand-in surgeon don't show up till the patient is asleep, then he is gone afore the patient comes to. The big name surgeon takes credit fer the operation, pads the bill extra heavy to take care of the stand-in. In basketball they've been calling it the "fix," and with them big electric companies the Government called it "rigging," but the medical perfession will come up with a fancy name fer this stand-in business, maybe call it diopsyrobozoar spelled backwards.

It's gitting so, Mister Editor, everything in this country is operated on the "fix" or "gap" system. We got the missile "gap,"

the import and export "gap" and a dozen other gaps, all of 'em bad. But at least we can understand that kind of language. It's a great pity them Government agencies and bureaus don't git down to some three-letter words.

But ever now and then one of them agenciee will show a little improvement. Fer instant, I was reading where a Alberta farmer shot down a crow that was wearing a leg band that said, "Wash. Biol. Surv." the farmer sent a letter to the Government: "Dear Sir, I shot one of your pet crows the other day and followed your instructions. I washed it, biled it and surved it. It was terrible." He got a letter back saying the leg band was a abbreviation fer "Washington Biological Survey," and on account of the confusion, they was changing it to "Notify Fish and Wild Life Service, Washington, D. C." Them Government folks has to learn the hard way.

Well I got to stop now, Mister Editor, and either put the "fix" on my old lady or do somepun about the "gap" between my lawnmower and them weeds sh'e complaining about in the back yard.

Yours truly,

Uncle Ben

VISITS DAUGHTER

Mr. and Mrs. J. C. McGee spent Monday and Tuesday on the Plains on business and visiting their daughter and family, Mr. and Mrs. Bobby Simpson at Levelland.

PATSY GAYLE DENTON AND LYNN MENDENHALL WED SATURDAY

Patsy Gayle Denton and Lynn Mendenhall were united in marriage Saturday in the home of the bride's parents, Mr. and Mrs. J. V. Denton.

Parents of the groom are Mr. and Mrs. E. P. Mendenhall of Herley, Mo.

The double ring ceremony was read by the Rev. Murrell Johns, pastor of the Knox City Baptist Church.

Nuptial music was presented by Mrs. Mabel Pyeatt, organist, and Donna Gayle Fitzgerald, soloist.

The bride, given in marriage by her father, wore a gown of ivory satin, designed on princess lines with a round neckline and three quarter sleeves.

The bouffant skirt of satin was fashioned with a front panel of chantilly lace. Her fingertip veil of double tulle was attached to a crown of pearls. She carried a white orchid surrounded by alley lillies and stephanotis atop a white Bible. She wore a brooch belonging to her grandmother, the late Mrs. Ray Yarborough.

Joan Shaver, cousin of the bride, was maid of honor. She wore a dress of gold broached cotton with matching overskirt. The bodice featured a round neckline and cap sleeves. Her headpiece was a circle of gold flowers and she carried a bouquet of bronze mums.

Brack Shaver, cousin of the bride, and Bill Mendenhall, brother of the groom of Herley, Mo., were candlelighters. Dave Kissingner of Richland, Mo., was best man.

At the reception in the home, Mrs. John Ed Smith, sister of the bride, of Lubbock, and Mrs. Delbert Lloyd, a cousin of Abilene, alternated in serving the brides cake and punch with Ann Neely, of El Campo, and Mrs. William Allred, a cousin of Munday and Mrs. Edwin Haynes of Abilene.

The couple will be at home at 1550 Shelton St., in Abilene after the wedding trip. Both are 1961 graduates of Hardin-Simmons University and will teach in the Abilene Public Schools in September.

Appreciation Day To Begin Here Sept. 6

Thirty-two local businessmen signed up for an "Appreciation Day" for Knox City. The Appreciation Day festivities will be held at 4 p.m. each Wednesday.

Each of the participating merchants will have cards to be punched when anyone purchases something from their store. Amount of the purchase will designate which hole will be punched out. When the names are drawn Wednesday, the recipient can win from 5 to 50 per cent of the jackpot.

A man from Stamford is the promoter of the copyrighted feature.

Tentative plans call for the first drawing to be held Wednesday, Sept. 6.

ANNOUNCE BIRTH

Mr. and Mrs. Tommy Frizzell announce the birth of a daughter, Rachel, born Monday at 11:30 p.m. in the Knox County Hospital. She weighed 7 lbs., 5 ozs., at birth. Grandparents are Mrs. Ruth Todd of Houston, and Dr. and Mrs. T. P. Frizzell of Knox City.

HERE FROM NEW MEXICO

Bert Denton of Jamez Springs, N. M., and Linda Joe Denton of Roswell, N. M., are visiting his parents, Mr. and Mrs. A. P. Denton this week. Also visiting in the Denton home are Mr. E. B. Denton and Virdie of Pampa.

In 1960, there were nine days on which nobody died in Texas traffic, the largest number of "Deathless Days" in any single year since 1945. In 1959, there was only one "Deathless Day."

ET-DONNELL WEDDING VOWS
IN SEYMOUR RECENTLY

The wedding ceremony was held in the First Baptist Church in Seymour uniting Miss Sylvia Lynn, daughter of Mr. and Mrs. Donnell of Seymour, and Harley Gene Poteet, on of Mr. and Mrs. Harley Poteet of Knoxville City.

Rev. W. R. Karkalitis, pastor, officiated at the 8 o'clock nuptials.

Vows were exchanged in the nuptial space featuring candelabra entwined with greenery and holding white tapers. Baskets of palms and a white satin kneeling bench completed the scene. White satin bows marked the family pews.

Traditional wedding music was provided by Mrs. Joe Cooper of Seymour, organist and Mrs. Wesley Thorn, soloist who was accompanied by Mrs. Pat Young at the piano.

The bride was given in marriage by her father. Her gown of Chantilly lace and tulle over satin was fashioned with a scalloped Sabrina neckline and long fitted sleeves tapering to points over her hands. The pointed waistline extended to a floor-length bouffant skirt designed with six tiers of scalloped ruffles. Her finger-tip veil of illusion extended from a miniature crown. She carried a colonial bouquet of white carnations.

Miss Viann Donnell, sister of the bride, was maid of honor. Mrs. Bobby Harris, also a sister of the bride, and Mrs. Troy Newcomb cousin of the bride, were bridesmaids. Their identical dresses of pale blue chiffon featured a bateau neckline and cap sleeves. They wore white gloves and carried single white satin stemmed carnations.

Candlelighters were Misses Merran Lea Donnell, sister of the bride, and Anita Poteet, sister of the groom, who wore identical silk organza dresses featuring fitted waistlines and boleros with three-quarter sleeves and bateau necklines. Flower girl was Janie Lou Pruitt, and ring bearer was Del Shumate, cousin of the bride.

Richard Poteet, brother of the groom, served as best man. The groomsmen were Jimmy Hollis and Clifton Skiles, cousin of the bride. Ushers were Stan Donnell, brother of the bride, and his cousin, Doyce Beach.

A reception, hosted by the bride's parents, was held in Fellowship hall. The table was covered with a white crocheted cloth over blue and featured a three-tiered wedding cake. The center piece consisted of the brides-

bouquet mounted on a mirror. Presiding at the guest book was Miss Coralyn McKinney. Assisting at the bride's table were Misses Wacila Pruitt, Carolyn Cook and Sue Tucker.

The bride is a 1961 graduate of Seymour High School. She served on the Student Council two years and was active in sports and school activities.

The groom is a 1961 graduate of Knoxville City High School and is presently employed by Ferrer Bros. Construction Co., Seymour.

After a short honeymoon, the couple will establish residence in Abilene where the company is located at present.

The party line golden rule

People on telephone party lines have a daily opportunity to practice the principle of the golden rule.

Sometimes, when you pick up the receiver, you expect the party line to be in use. But your call is delayed only when the party line is tied up for an excessive length of time.

So the best rule for party line users is the golden rule. To put it simply "Do unto your party line neighbor as you would have your party line neighbor do unto you."

Ozelle Stephens

In Jeremiah's day the word sin was seldom mentioned in the temple. The priest spoke soft phrases to the people. They were not challenged to face up to the evil of their hearts and repent it. It seems today that Americans have almost forgotten the meaning of it. We should be distressed and concerned that people have ignored the fact of sin and its consequences. The Bible says, "Behold I bring you judgment for saying I have not sined. How lightly you go about changing your way. You shall be put to shame." "The wages of sin is death." We cannot see a bright future but we must remember there is no hope except in God and it must begin with individuals. When you make the decision to turn from your sins and forsake them and seek God with your whole heart then He will hear and answer you, and show you great and mighty things.
