Local Board of Commerce Seeks Additional Paving

As a result of a number of requests and inquiries, plans are underway to try to have additional streets in town paved.

The directors of the Board met recently with the City Commission to discuss the possibilities of calling a bond election for the paving of additional streets, building a new city hall, and improving the city sewer disposal system.

Collins pointed out that Knox City now has less than 30 blocks of paved streets, not including the highways. He said the board members hope at least 75 more blocks within the city limits can be paved.

He asked local citizens to contact members of the city commission or directors of the Board of Commerce giving their views, either favorable or unfavorable, concerning the project. In a recent survey, he added, he contacted about 42 local people and each one was in favor of more paving.

Collins could not say definitely which streets would be paved, nor could he give any indication of the approximate cost of the project.

"Granny" Houston Breaks Hip Again

Mrs. Ida (Granny) Houston, 73, was reported in good condition at Hendrick Memorial Hospital in Abilene Tuesday after re-breaking her hip Sunday.

Mrs. Houston was critically injured when her home was demolished by the tornado March 13. After a lengthy stay in the Abilene hospital she was recuperating at the home of a daughter, Mrs. Clyde Williams, in Plainview, Sunday, she fell from her wheel chair while reaching for a glass of water, and broke again the healing fractures in her hip and left leg.

Doctors at the Abilene hospital first described her condition as critical.

Cemetery Association Asks for More Funds

The Knox City Cemetery Association is badly in need of funds, Mrs. C. J. Reese, committee member, said Tuesday.

Due to the rain and the increase in nut grass the Taylor family, who take care of the cemetery, worked a full day every day for the past two weeks. The Taylors are capable and hard working, Mrs. Reese said, but to keep the cemetery in good shape a power mower is needed to work between the lots.

Mrs. Reese said between 50 and 60 graves were heavily damaged during the recent rain, but Mr. Taylor had them all repaired in two days.

She expressed the association's appreciation to those who have sent checks and money for the upkeep of the cemetery but added that the help of those who have failed to donate is needed at once.

Checks or donations may be mailed or handed to Mrs. C. C. Hoge, W. E. Clonts, Mayor Guy Glenn, or Mrs. Reese.

LOCAL LADIES ATTEND SCHOOL OF MISSIONS

Mrs. C. C. Hoge, Mrs. J. C. McGee and Mrs. W. W. Hines are in Lubbock this week to attend the W. S. C. S. School of Missions, Northwest Texas Conference. The meetings are being held at St. John's Methodist Church.

Mrs. Oscar Bruce and Mrs. L. W. Graham attended the officers' training session Tuesday.

DICK COOK'S CONDITION REPORTED UNIMPROVED

Mr. and Mrs. Bill Cook and young son, Rusty, of Dallas spent the week end in Knox City to be with his grandfather, Dick Cook, who is critically ill. Reports Wednesday were that Mr. Cook's condition is unimproved. He has been hospitalized for the past four weeks. Here to be with his father is Earl Cook and his wife of Plainview.

To Conduct Revival At Baptist Church

Rev. Judson Prince, above, will be the evangelist for the revival meeting at the First Baptist Church August 2-9. Rev. E. V. Becker, pastor of the church, announced this week.

Rev. Prince will not be here for the Sunday services. The pulpit will be filled at both services Sunday by Dr. Clyde Hurst, Hardin-Simmons University professor, since Rev. Becker will be concluding a one-week revival at the Rule Baptist Church.

The evangelist will be here for the evening service Monday, and both morning and evening services the remainder of the week. Morning services, beginning Tuesday, will begin at 10 a. m., evening services at 8 p. m., and the Booster Band will meet at 7:30 p. m.

Singing will be led by Clarence Goodson.

Rev. Prince, pastor of the Riverside Baptist Church in Fort Worth, conducted a revival at the local church several years ago with good results.

Board Sets Dates For Opening of Local Schools

The Board of Education of the Knox City Public Schools, at a meeting Tuesday night, examined and approved the returns of the Bond Assumption election held Saturday.

School Supt. Charles E. Silk and members of the board expressed their appreciation for the excellent cooperation received in the election. Both proposals carried, 115 for and 3 against.

The board entered an order that the Knox City Negro School will open Monday, August 10, the superintendent said. The school will continue in operation until the cotton harvest begins and the colored people feel a need of working in the fields, then school will be dismissed approximately a month, Mr. Silk announced. Principal of the colored school will be Mrs. Mozelle Outley, and Mrs. Mary E. Talley will be teacher. Repairs are now being made on the Negro school, in preparation for the opening.

During the meeting, the board appointed a Tax Equalization Board to equalize taxes for school purposes in 1953.

The board also approved a calendar for the opening of the Knox City Schools, as follows: Thursday, Sept. 3, meeting of all faculty members; Friday, Sept. 4, all students register; Monday, Sept. 7, classes begin.

The superintendent further announced that school will be dismissed two days for Thanksgiving, a full week at Christmas, two days for Easter, and one other holiday to be designated later. This day will be given to all teachers provided they attend the district convention of the Texas State Teachers Association.

NAVAL RESERVE DOCTOR TO REPORT TO ORANGE

Dr. and Mrs. Ben W. Bowden were in Orange, Texas, this week to rent a house. Dr. Bowden, whose orders for active service have been changed, will report August 15 to the Naval Base there. Previously, he was to report to Camp Pendleton, California.

Mrs. Al Ambrose and children of Abilene are here visiting her parents, Mr. and Mrs. J. B. Hendrix, while Mr. Ambrose is vacationing in Philadelphia.

Large Crowd Celebrates Opening of Brazos Bridge

Throckmorton Man New Superintendent Of O'Brien Schools

Ray Stark, new superintendent of the O'Brien Schools, moved his family to O'Brien Friday and began working records in preparation for the opening of school, the date of which will be announced later.

Mr. Stark comes to O'Brien highly recommended from Throckmorton, where he served as high school principal. He received his B. S. degree from Daniel Baker in Brownwood and his Master's from Hardin-Simmons University, Abilene. He is a native of Goldthwaite.

His family consists of his wife and three daughters, Ray Nell, 18, a student in North Texas State College, Denton; Wilma Gene, 7 years old and a second grade student; and Judy Annis, "a Valentine present of three years ago," as Mr. Stark put it.

The superintendent said he lacks two teachers having a full faculty. When the faculty has been completed, a list of teachers and their assignments will be released.

Elvin T. Mathis has been employed as high school principal and coach.

Knox Citians Invited To Attend Munday Goodwill Jubilee

Knox Citians were issued a special invitation this week to attend the second annual Goodwill Jubilee which will be held at the athletic field in Munday, Thursday night, August 6, at 8 p. m.

The Boys' Club of Wichita Falls will present a full hour's program of entertainment. Included in the program will be an acrobatic act, fencing, mixed comedy, and music. Gene Harrell will be master of ceremonies.

The Jubilee is sponsored by the Munday Chamber of Commerce. J. D. Gillespie is president of the organization and Worth Gafford heads the activities committee. Other members of the activities committee are E. B. Littlefield, Joe Bailey King and Winston Blacklock.

President Gafford invited everyone in Knox City, including the children, to the program and the watermelon feast which will follow.

Band Students to Meet August 22

All those who were in either Knox City school band last year were asked this week to meet with the new band director, Robert C. Taylor, on August 22.

The meeting will begin at 9 a. m. at the band hall. At that time Mr. Taylor would like to meet as many parents of band members as can conveniently attend.

At 10:30 a. m. the same morning all beginners, or those who will play in the band for the first time from the fifth grade or above, will meet at the band hall. Mr. Taylor urgently requested that each beginner be accompanied by his mother or father, or both.

Band classes will begin the following Monday, August 24, for two full weeks before the beginning of school.

SINGING TO BE HELD AT FOURSQUARE CHURCH

The regular meeting of the Knox County Singing Convention will be held Sunday, Aug. 2, at the Knox City Foursquare Church, E. H. Tankersley, Jr., announced Wednesday.

The singing will begin at 2:00 p. m. and everyone was invited.

Mrs. Blanche Durham and her granddaughter, Jerria Land, have returned from an extended vacation trip to California. They visited Mrs. Durham's father and her sister, and visited many interesting places on the West coast. They had been in California since early in June.

Wheel Chair Patients Attend Celebration

After wishing for a new river bridge so long, Geo. Hardberger, L. N. Bridges and Mrs. J. B. Hendrix were not to be robbed of helping celebrate completion of the new structure Wednesday.

Mr. Hardberger, who recently suffered a stroke, was carried to the bridge by ambulance and enjoyed the celebration from the ambulance cot.

L. N. Bridges, who suffered a cerebral hemorrhage some months ago and was left partially paralyzed, was present in his wheel chair.

Also in a wheel chair was Mrs. J. B. Hendrix, pioneer ranch woman who lives west of the bridge and has crossed the river many times by wagon.

Former Resident Dies at Goldthwaite

W. B. Hamner, 67, a long-time resident of Knox City, was found dead in his home near Goldthwaite one morning last week. Cause of death was not immediately determined, according to the office of Dr. M. A. Childress, Goldthwaite physician.

The deceased was a brother of the late Henley Hamner, former Knox City resident, who died at his home in San Diego two years ago.

He is survived by his wife, Mrs. Mary Hamner of Goldthwaite; two sons, Chester Hamner of San Angelo and Delmond Hamner of Albuquerque, N. M.; a daughter, Mrs. M. A. Jacobson of Albuquerque; and two grandchildren.

He was a former resident of San Angelo and founder of the Hamner Electric Co. there. Funeral services were held in San Angelo.

Voters Approve Bond Assumption

Voters in the Knox City School District Saturday approved assumption of \$23,102.30—or about 13 percent—of the bonded indebtedness of the Munday School District.

Approval of the assumption was necessary in order to retain 6,567 acres which was detached from the Munday district and annexed to the Knox City district in April.

Voters also approved a tax rate of \$1.50 in the annexed area. The \$1.50 was already approved in the Knox City district, although the board only assesses and collects \$1.25 per \$100 valuation.

Total vote on both propositions was 115 for, 3 against.

Mrs. Lela Milford is in Fort Worth getting acquainted with her new grandson, Edwin Broderick Milford, who was born to Mr. and Mrs. Bud Milford July 23.

William Eugene (Billy) Leach has returned to Fort Lawton, Washington, after a 20-day visit here with his parents, Mr. and Mrs. J. E. Leach, and his sister, Mrs. Wendell West.

Between 800 and 1,000 Knox and King countians, their neighbors and friends were on hand Wednesday evening to celebrate the opening of the new Brazos River bridge west of town.

The new structure, completed at a cost of \$116,000, had long been sought by Knox City civic leaders, county officials and property owners in western Knox and King counties.

It replaced the old one-way bridge that had been condemned for a number of years.

The new concrete and steel structure is 800 feet long, consisting of five 160 foot units. It is one of the costliest bridges ever built on a farm-to-market road.

Contractors for the bridge were Cooper & Woodruff of Amarillo, and sub-contractors were Ferrier Bros. of Seymour. Paving on FM 143 was also extended three and a half miles, making the paving extend nine miles from Knox City.

The crowd enjoyed a barbecue sponsored jointly by the Knox City Lions Club and the County Commissioners Court, prepared under the direction of Barney Arnold and Lee Smith.

In the formal dedication program, Palmer Massey, district highway engineer from Childress, cut the ribbon and formally opened the bridge to traffic. Massey asked landowners next to farm-to-market roads not to pull vehicles with lugs on the roads, and to turn their terraces so as to divert the flow of water from the road beds.

He also pointed out that much road work must be done in Texas, since the roads built 20 or 30 years were not planned for present day heavy trucks and fast cars. He asked landowners for their cooperation when approached by county commissioners for right of way.

Another speaker was State Senator George Moffett of Chillicothe, who reminded the crowd that good roads and bridges are essential to the growth and development of any community. He complimented county officials, farmers, ranchers and civic leaders for their untiring efforts in securing the bridge.

Also present for the celebration were County Judge L. A. Parker and Commissioners Pete Knight, George Nix and Walter Trainham, King County Judge Virgil Morris and two King County commissioners, H. T. Cunningham of Munday, resident highway engineer, and a number of county officials from other neighboring counties.

Jeff Graham, president of the Knox City Lions Club, served as toastmaster and introduced the dignitaries. Rev. Oscar Bruce, Lions Club secretary, gave the invocation.

Judge Morris, of King County, promised that his county will do its utmost to see that the paving is extended to the Benjamin Guthrie highway, shortening the route to the South Plains, Lubbock and New Mexico.

Graveside Rites to Be Held Today for Former Resident

Graveside rites for Mrs. Mollie Jennings will be held at the Knox City Cemetery this afternoon (Thursday) at 5 o'clock.

Mrs. Jennings, a former Knox City resident, died in Granbury. Funeral services were held at the Methodist Church there and the body was brought to Knox City for burial beside her husband, W. T. Jennings.

She was born July 18, 1875, and died July 27.

DROP IN EXPORTS BRINGS WHEAT QUOTAS ON '54 CROP

A drop in U. S. wheat exports, combined with large production, is the main reason for the piling up of wheat supplies and proclamation of marketing quotas for the 1954 crop of wheat, Claude K. McCan, chairman of the State Production and Marketing Administration, said today.

Even if 1953-54 wheat exports reach the 315 million bushels estimated for 1952-53, they will still be well below 1951-52 exports of 448 million bushels. Largest U. S. wheat exports were in 1948, when 506 million bushels were shipped abroad.

Wheat production, on the other hand, was large last year not only in this country but throughout the world, so there is less tendency for the wheat-importing countries to stockpile wheat. World trade is now expected to drop about 10 percent this year, and to continue declining in the next marketing year.

The U. S. wheat crop for 1953 is now estimated at about 1.175 billion bushels. Added to the carryover of 580 million bushels and estimated imports of 5 million bushels, the total U. S. supply of wheat for the 1953-54 marketing year is indicated at about 1,706 million bushels—setting a new high record.

Existing provisions of law are intended to assure enough wheat to meet all our needs but not to accumulate over-supplies. The Secretary of Agriculture is therefore directed to proclaim marketing quotas for wheat when the total supply exceeds the normal supply by more than

20 percent. The "normal" supply this year is estimated at 1,156 million bushels, covering indicated domestic consumption and exports plus 15 percent. So the total supply is more than 50 percent larger than the normal supply.

Proclamation of quotas is only the first step, McCan explained. A referendum of farmers must be held on the question, and at least two-thirds of those voting must approve before the quotas can be put into effect. This referendum will be held on August 14. Any farmer who does not know whether he is eligible to vote in the referendum should see his county PMA committee.

Why FORD'S your best buy!

"WORTH MORE" IS THE ANSWER . . . IT COSTS SO LITTLE TO BUY . . . SO LITTLE TO RUN . . . AND HAS SUCH HIGH RESALE VALUE

The best buy in an automobile usually means the amount of pleasure and satisfaction the owner gets from his original investment, plus low day-to-day running costs, plus the amount of value he recovers when he sells his car.

What is it that makes Ford your best buy? Is it the fine styling and craftsmanship of its Crestmark Body . . . or its new "ride" with curve-hugging and bump-leveling qualities never before known in low-priced cars? Or is it Ford's famous V-8 or

Mileage Maker Six? Maybe it's the easy way the car handles with Fordomatic Drive, or Ford's Master-Guide power steering! Perhaps it's Ford's suspended pedals, or Center-Fill Fueling or Full-Circle Visibility!

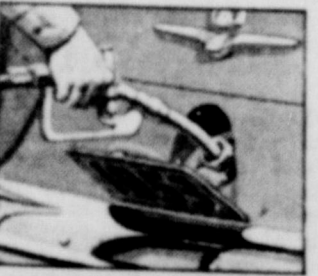

Actually, it's not just any one or two of these fine things that make Ford your best buy. It's all of Ford's "Worth More" features, combined . . . features which make Ford worth more when you buy it . . . and worth more when you sell it!

"Best buy" where you ride! Ford's foam-rubber cushioned seats, front and rear, are sofa-wide and sofa-soft. Interior fabrics, color-keyed to Ford's smart outside colors, would be a credit to any car at any price.

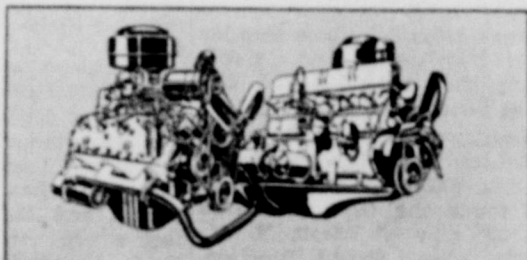

"Best buy" where you drive! Ford's suspended pedals operate more easily . . . eliminate dusty, drafty floor holes. And Ford drivers have a choice of Fordomatic Drive, Overdrive or Conventional transmission.

"Best buy" at the gas pump! When you need to "fill 'er up", you do it the modern Ford way with Center-Fill Fueling. And Ford's Automatic Power Pilot gives you power to spare on a lean diet of regular gas.

"Best buy" on the road! The rougher the road the better your Ford likes it because Ford's new "ride" cuts front end road shock almost up to 80% . . . babies you over the bumps . . . and cuts sideways on turns.

"Best buy" in engine power! Only Ford in its field offers you a choice of V-8 or Six. Ford has built more V-8's—over 13,000,000—than all other makers combined. And Ford's Six—the most modern in the industry—with Overdrive, won the Mobilgas Economy Run Grand Sweepstakes!

"Best buy" in power steering! Ford's Master-Guide (available on all V-8 models) supplies hydraulic "muscles"—automatically whenever you need them—to do the work of steering for you. All you do is guide the car. Makes all driving easier, and safer. And parking's so easy!

WORTH MORE WHEN YOU BUY IT . . . WORTH MORE WHEN YOU SELL IT

LONE STAR GAS CO. TO CONSTRUCT NEW PIPELINE

The Lone Star Gas Co. has completed plans for construction of a 36-mile pipeline from Stamford to Abilene which will strengthen the gas supply for towns in eight West Texas counties.

The facilities will provide a second connection with the company's interconnected transmission network for the local distribution plants.

Costing in excess of \$838,000, the 12-inch pipeline will join the transmission system of Lone Star's compressor station one mile west of Abilene, cross Jones County and terminate at Stamford where it will connect with transmission facilities serving towns in Hardeman, Wilbarger, Foard, Knox, Baylor, Haskell, Jones and Fisher counties. Towns served will include Knox City and Benjamin. The line will also supply gas to the West Texas Utilities Co. Paint Creek power plant near Haskell.

Maximum capacity of the pipeline will be thirty million cubic feet of gas, with top pressure of 500 pounds at the Abilene compressor station and 400 pounds at Stamford.

Gus Howell of Houston visited in the homes of Mrs. J. W. Howell, R. B. Howell and Mrs. Phil Colehour during the week end. He is a brother of the late J. W. Howell and a former Knox County resident.

Mrs. B. C. Cooner of Olton, Texas, was a recent overnight guest in the home of Mr. and Mrs. T. E. Robbins.

KNOX COUNTIANS ATTEND LUEDERS ENCAMPMENT

Ten Knox Countians were among the 115 H-D Club members from Knox, Haskell, Jones and Fisher counties who registered for the two-day H-D Encampment at Lueders July 23 and 24.

Those attending from Knox County were Mrs. J. O. Tynes, Mrs. J. C. Rice, Mrs. Gill Wyatt and Mrs. F. L. Bowley, Munday; Mrs. L. A. Parker, Mrs. Carl Patterson, Mrs. Frances Sams and Mrs. Lee Snailum, Benjamin; Mrs. W. O. Solomon, Truscott; and Mrs. J. C. McGee, Knox City.

Mrs. Wyatt ably performed her duties as recreation leader for Knox County. The ladies staged a humorous skit and reading at the night entertainment session.

At the business meeting, the ladies voted to hold the annual encampment at Lueders again in the summer of 1954.

BENJAMIN SOLDIER STATIONED IN CALIFORNIA

Billy Jack Nunley of Benjamin has been assigned to Camp Roberts, Calif., to begin his military training.

Pvt. Nunley, son of Mr. and Mrs. Grover Nunley, has been assigned to B Battery, 435th Armored F. A. Battalion at Camp Roberts.

The huge military installation, one of the largest replacement Training Centers during World War II is now the home of the "Lucky Seventh" Armored Division and is located about halfway between Los Angeles and San Francisco.

The annual Jungman family reunion was held at Cameron recently, with 93 relatives registering. Present from West Texas were Mr. and Mrs. A. G. Jungman of Pep, Carl Jungman and family of Vernon, Art Jungman of Knox City, Mr. and Mrs. W. A. Jungman of Rhineland, and Mr. and Mrs. H. F. Jungman of Munday.

Mr. and Mrs. A. J. Collier and children of Littlefield are here visiting her parents, Mr. and Mrs. L. V. Dodd. During the week end they visited his brother, Val C., who is seriously ill in Midland.

Mr. and Mrs. Casey Jones and children, Bobby and Dianne, of Ft. Worth visited Miss Willie Jones, Hazel Long, and Mr. and Mrs. H. M. Jones over the week-end. Bobby remained for a longer visit.

AMERICA'S NEW RAILROAD

Ever see so much fuss just to chill an orange?

It's the best way there is today to refrigerate a "reefer"—but Santa Fe is developing an even newer and better way to do the job

In 60 seconds flat, the giant ice-crushing machines Santa Fe recently installed can fill the bunkers of a refrigerator car with five tons of ice!

They are the newest and fastest machines for icing cars yet devised. And Santa Fe "reefers" are the

most efficient type of refrigerator cars now on the rails.

These refrigerator cars and icing machines have carried the technique of ice refrigeration to the ultimate of present day knowledge.

WHAT ABOUT TOMORROW?

We can't be sure, BUT—Santa Fe is now experimenting with a newer way to refrigerate cars automatically for hauling foods which may require temperatures as low as 25° below zero.

30 new experimental refrigerator cars designed by Santa Fe, built in its own shops and each with a capacity of 128,000 pounds of frozen foods, are now being utilized in the movement of frozen foods.

Each of these new cars has its

own thermostatically-controlled diesel-driven compressor-type refrigerator unit. It carries 400 gallons of fuel (almost the exact amount Lindbergh used to fly the Atlantic). It can maintain sub-zero temperatures all the way from California to New York.

BENEFITS FELT ALL ALONG THE LINE

All along the line, people and communities feel the benefits of this building new wherever it actually occurs on the Santa Fe—and day-after-day, something new is done to make "America's New Railroad" a little better.

The millions of dollars this newness costs Santa Fe doesn't cost you a single penny in the taxes you pay.

Emergency Loan Program Explained

W. A. Satterwhite of Seymour, Farmers Home Administration supervisor for Baylor, Knox and Throckmorton counties, and J. B. Henry, assistant supervisor, met with FHA supervisors from Wilbarger, Haskell, Jones, Taylor and Callahan counties in Haskell recently, and heard the emergency drouth loan program explained by W. W. White, State Field Representative, of Dallas.

Mr. Satterwhite said the loans will be available only to established producers and feeders of cattle, sheep and goats, who have a reasonable chance of working out their difficulties but cannot obtain funds they need from private or cooperative credit sources.

All applications will be passed by special livestock loan committees to be appointed by Secretary of Agriculture Benson.

The farmer can get in touch with the loan committee serving his area by contacting his banker, the county agent, the FHA or any other agricultural agency.

Loans for \$2,500 will be made for periods up to 3 years, at 5 percent interest. They can be renewed if renewal is found to be in the best interest of the farmer and of the government. The loans cannot be used to refinance debts the farmer already owes.

When a farmer applies for a livestock loan, his creditors will not be asked to subordinate their claims to the government. However, they will be expected

to give standby agreements for a long enough period to enable the farmer to have a reasonable chance of recovery.

Most loan approvals will be handled by local committees. However, when an applicant's total indebtedness would exceed \$50,000, final approval will be by the Secretary of Agriculture.

The legislation passed by Congress also provides a supplemental source of emergency credit for established farmers—not limited to livestock operators—in areas designated as major disaster areas. When the Secretary of Agriculture finds that farmers in these areas have felt the force of an economic disaster—such as a substantial price decline—to the extent that they cannot get needed credit from local sources, he can authorize loans to meet that need.

DOYLE GRAHAM

STREAMS in Desert Places
By Ozelle Stephens

The promises of God are truth, they are power. Believe them and you are saved, you are blessed, you are kept.

You find in this life battles that are not yours, but God's. For He alone can do what is needed. True faith in Him and Him alone can do the miracle. Moses and Jehosaphat knew this secret; they knew the same Lord and the same divine grace.

As the pursuing Egyptians trapped the helpless Israelites at the Red Sea, Moses said, "Fear ye not, stand still and see the salvation of the Lord. The Lord shall fight for you, and ye shall hold your peace." (Ex. 14:13-14.)

As the Moabites and Ammonites, a vast multitude, closed in on Judah, King Jehosaphat said to the helpless people, "Be not afraid nor dismayed by reason of this great multitude; for the battle is not yours, but God's. Ye shall not need to fight in this battle; set yourselves, stand ye still, and see the salvation of the Lord." (II Chr. 20:15-17).

When God alone can win the victory, faith lets God do it all. It is better to trust than to try. Faith is the victory that overcomes. When you wait upon God and believe, faith springs up like living waters in your soul.

Mrs. Henly Hamner of San Diego, Calif., came in Monday and is a guest in the homes of Mr. and Mrs. Buck Propps and Mr. and Mrs. C. H. Keck. Mrs. Hamner is a former resident of Knox City.

Mr. and Mrs. J. A. Skaggs made a business trip to Oklahoma City last week.

HUDSON FAMILY REUNION HELD AT AUSTIN

The children of the late Mr. and Mrs. I. L. Hudson, formerly of the Sunset community and of Knox City, held their annual reunion July 17, 18 and 19 at Austin, in the home of Mr. and Mrs. Roy Akin. Mrs. Akin was one of the Hudson daughters.

The days were spent in a reserved part of Zilker Park, adjacent to the Barton Springs swimming pool. The park is considered one of the most beautiful in the state, and the pool is fed by natural springs.

Besides the Akin family those attending the reunion were Mr. and Mrs. I. L. Hudson, Jr., and family of Ft. Worth; Mrs. J. A. Savage of Stamford; Mr. and Mrs. Ezelle Clarke and son of Euiloso, N. M.; Mrs. E. J. Martin and sons, Throckmorton; Mr. and Mrs. M. L. Verhalen and children of Knox City.

Two other sons were unable to attend. They were Shorty Hudson of Salinas, Calif., and W. B. Hudson of Knox City.

ANNUAL FRANKLIN FAMILY REUNION HELD JULY 26-27

The annual Franklin Reunion was held at the home of Mr. and Mrs. Bill Lankford July 26 and 27.

Approximately 140 people—descendants of Steve Franklin and their relatives and friends—registered for the affair.

Children of Steve Franklin who attended were Mrs. J. S. Wilson of Knox City, Mrs. R. S. Gipson of Crosbyton, Walter Franklin and Fred Franklin of Paducah, Mrs. Viola Chennault of Plainview, and Eddie Franklin of Lubbock.

One couple present, Mr. and Mrs. Jack Blankenship, were celebrating their sixtieth wedding anniversary. The Blankenships are cousins of the Franklin children.

Mrs. Olene Browning and her sister, Miss Jean Walker, daughters of Mr. and Mrs. F. E. Walker, returned Saturday from a nine-day vacation trip. The girls visited their cousins, Mr. and Mrs. Clovis Debord, and son in Lubbock. From there they went to Red River, N. M., where they spent four days hiking, bowling, horseback riding and swimming. They visited places of interest in Colorado and the Carlsbad Caverns before returning home Sunday.

Miss Lu King, who has been visiting her mother, Mrs. J. W. King, returned to San Bernardino, Calif., by plane from Amarillo last Thursday. She visited her brothers, Joe and Oliver King, and her sister, Mrs. Douglas Carlisle, on the Plains before returning home.

Mr. and Mrs. Henry L. White vacationed in Euiloso, Albuquerque and Cloudcroft, N. M., last week.

Mr. and Mrs. Neil Purdue and children, David Neil and Charlotte, left Thursday morning for Loneview and Lufkin where they will visit his brother, Durwood, and other relatives. They plan to visit Mr. and Mrs. Harold Barnett and family while in Loneview.

Mr. and Mrs. M. C. Taylor and their three sons of Big Lake are visiting Mrs. Taylor's mother, Mrs. Effie Pannell. The Taylors are enroute home after a vacation in Colorado Springs. Mrs. Taylor is the former Daisy Pannell.

Mr. and Mrs. Joe Breder, Jr., and children spent several days this week vacationing in Euiloso and White Sands, N. M.

ROYALTY OWNERS BENEFIT BY CRUDE OIL PRICE HIKE

The recent increases in the price of crude oil, averaging 25 cents a barrel, boosted the income of West Texas producers and royalty owners approximately \$11,500,000 a month, according to estimates released by the West Texas Chamber of Commerce.

The estimate was based on production reported to the Texas Railroad Commission in March.

The monthly increase in the commission's District 9, composed of Knox, Archer, Baylor, Clay, Coke, Foard, Hardeman, Jack, Denton, Montague, Wilbarger, Wichita, Young and Wise will amount to approximately \$1,435,259, according to the report.

AIR FORCE SERGEANT HOME FROM GERMANY

Sgt. Gene Milford, a radio operator in the U. S. Air Force, has returned to the States after an 18-months tour of duty in Germany. He and his wife, the former Bobbie Hedgepeth of Rule, are visiting relatives here before he reports to Brooks Air Force Base, San Antonio, for a new assignment.

All Hall of the Wichita-Falls Record-News was in Knox City Wednesday to attend the dedication of the new Brazos River bridge west of town.

Mr. and Mrs. R. S. Gipson of Crosbyton visited relatives and friends here this week.

Mr. and Mrs. R. E. and Sharon of Waco spent Sunday with Mr. and Mrs. J. M. and other relatives here.

Nelson Allison, who is stationed at Fort Bliss, was a guest in the home this week. He was a teacher in schools when he was to active service last year.

Miss Carol Herring nathy has returned after spending two weeks at her aunt's, Hallmark and Mrs. Ford.

It's Fine To Be Fooled - Sometimes

Handy Peters entertained for the ladies of the Auxiliary the other night—and had the ladies believing for a while that he's the best marksman ever.

Handy put on a great act. He set up a whole bunch of balloons on a muslin backdrop and then took out his pea-shooter. He shot blindfolded, standing on his head, every which way—and broke a balloon every time!

No wonder Handy impressed the ladies. What they didn't know—till the show's end—was that Buck Mulligan was hiding behind the backdrop.

Handy's aim with a hidden gun is fine! But, some folks would fool the rest of us into thinking it's wrong to enjoy a special glass of beer—just they prefer something real American tolerating neighborliness these people simply "off target."

Freedom from Drudgery!

These automatic electric appliances are symbols of a new freedom for American homemakers—just as the Liberty Bell symbolizes the Freedoms of American life.

Automatic electric home appliances turn West Texas homes into small factories producing a variety of products from frozen desserts to clean shirts.

They provide a healthy, comfortable, pleasant atmosphere for family living... recreation and entertainment for fuller enjoyment of family life.

Research engineering and dependable electric service provide means of eliminating the time-consuming drudgery of housework. Electric service and electric servants together have created a new way of living—a new freedom.

ELECTRIC SERVICE—TODAY'S BIGGEST BARGAIN

The average cost of a kilowatt-hour of electric service in West Texas homes is over 21¢, less than it was 10 years ago.
