Results Of Knox County Commissioners Regular Meeting Held June 12

Knox County Commissioners held their regular meeting Monday June 12, with County Judge L. A. Parker presiding and all commissioners present as follows: J. V. Carver, commissioner Precinct No. 1, W. W. Trainham, No. 2, J. B. Eubank, No. 3 and George Nix, Precinct No. 4, respectively.

George Nix made a motion, seconded by J. V. Carver, that all Justice of the Peace Fee Reports and also all county bills which were approved to be paid out of the following funds, to-wit: Precincts Nos. 1, 2, 3, and 4, Nos. 600, Salary Fund No. 200, and General Fund No. 300 be given to the County Clerk and she be authorized to issue warrants on these bills. All voted in favor of the motion.

Also before the court at their regular meeting was the offer of New Amsterdam Casualty Company, a corporation, defendant in that certain suit styled County of Knox, Texas, a body politic and corporate, et al vs. New Amsterdam Casualty Company, Civil Action No. 5365 in the District Court of Knox County, Texas, to pay to Knox County, Texas, Five Hundred Thirty Dollars and Ninety cents (\$530.90) in compromise of the above entitled and numbered cause; and said offer of compromise having been duly considered by said Commissioners' Court, said Court unanimously finds:

1. That the offer of settlement made by New Amsterdam Casualty Company is an offer of compromise and not an admission of liability by said defendant.

2. That said offer of compromise is fair and reasonable.

3. That it would be to the best interest of Knox County to enter into said compromise settlement agreement and accept said offer in order to avoid the time and expense necessary in litigation.

THEREFORE, it is ordered that said offer of compromise in the amount of \$530.90 by New Amsterdam Casualty Company be, and the same is hereby accepted and the Honorable L. A. Parker, County Judge of Knox County, is hereby authorized to execute the Compromise Settlement Agreement, a copy of which is attached hereto, labeled Exhibit "A", incorporated by reference and as fully made a part hereof as though copied at length herein.

IT IS ALSO ORDERED, that the said L. A. Parker, County Judge of Knox County, be, and he is hereby authorized to accept a check or draft in the amount of \$530.90 from the defendant, which said check or draft shall be made payable to Knox County, Texas, and upon delivery of said check to the County Judge by the defendant, it will be relieved of any liability to Knox County.

IT IS FURTHER ORDERED, that this Order be spread upon the Minutes of this Court.

L. A. Parker, County Judge
J. V. (Bud) Carver, Commissioner Precinct No. 1
Walter Trainham, Commissioner Precinct No. 2
J. B. Eubank, Commissioner Precinct No. 3

George Nix, Commissioner Precinct No. 3
George Nix, Commissioner of Precinct No. 4

I, Zena H. Waldron, County Clerk of Knox County, Texas, do hereby certify that L. A. Parker is the duly constituted County Judge of Knox County, Texas, that J. V. Bud Carver is the duly constituted Commissioner of Precinct No. 1, Walter Trainham is the duly constituted Commissioner of Precinct No. 2, J. B. Eubank Jr., is the duly constituted Commissioner of Precinct No. 3, and George Nix is the duly constituted Commissioner of Precinct No. 4; that the above and foregoing Order has been spread upon the Minutes of the Commissioners' Court of Knox County.

Signed Zena H. Waldron, County Clerk, Knox County, Texas.

W. W. Trainham made a motion, seconded by J. V. Carver that the meeting be adjourned. All voted in favor thereof.

Paul Hoge Speaks To Air Explorers On Civil Defense Monday

Paul Hoge, Civil Defense Administrator, spoke to members of the Air Explorers Squadron Monday night at Roddy's on the needs of the community in case of a disaster.

The group plans a more complete discussion next week on the subject with members of the city administration being asked to talk to the group.

Knox City Needs Ag Teacher

Only one vacancy exists in the Knox City school system for 1961-62, Mrs. Zeb Smith, school secretary, said.

Needed is an agriculture teacher to succeed Arnold Brown, who resigned to accept a similar position in the Divide School.

B. R. Winchester has been elected to teach science in high school and his wife, Penny, will teach the first grade. They are from Munday. Mrs. Harold Bankston will teach commercial subjects in high school.

Coaches Ted Darland and Curtis Hines will return to Knox City after a year's coaching in the Quannah School.

All other faculty members are returning.

Other than a new gym, the faculty and students will also note a number of improvements to the elementary building in the form of a new roof and a new paint job.

Commissioners Hold Special Meeting Tuesday

Knox County's Commissioners convened in a special meeting Tuesday, June 20 with County Judge L. A. Parker presiding and all members of said court present as follows: J. V. Carver, W. W. Trainham, J. B. Eubank and George Nix.

Purpose of said meeting was for Commissioners to meet as a Board of Equalization.

J. B. Eubank made a motion, seconded by J. V. Carver that the resignation of J. G. Robin, Justice of the Peace of Precinct 5, which was tendered on June 12, be accepted.

All voted in favor of the motion.

J. B. Eubank made a motion, seconded by W. W. Trainham that Eddie Carr of Knox City be appointed as Justice of the Peace of Precinct 5.

All voted in favor of the motion.

George Nix made a motion seconded by J. V. Carver that the following two bills be paid: Bill in the amount of \$102.80 to Monty Penman for fuel, etc., out of Precinct 1 funds, Bill in amount of \$100.00 to Goree Hardware and Water Service for a motor, etc., out of Precinct 4 funds.

All voted in favor of the motion.

A motion was made by W. W. Trainham, seconded by J. B. Eubank that the bid in amount of \$12,750.00 made by Plains Machinery Co., of Abilene, Texas, for one new International Crawler Tractor Model TD-92 series with 4 in 1 attachments, less trade in of one used International TD-9 Crawler Tractor with loader and attachments be accepted. All voted in favor of the motion.

Payment was to be made as follows: \$6750.00 payable immediately and the balance on the 11th of December, 1961.

A motion was made by George Nix, seconded by J. V. Carver that the meeting be adjourned. All voted in favor of the motion.

An Annual Affair

Lions Ladies Night Will Be Tomorrow Night

Glenn Shelton, popular columnist for the Wichita Falls Record-News, will be principal speaker at the Lions Club Ladies Night tomorrow night in the school cafeteria. Mr. Shelton writes a daily front page column, "The Hired Hand," and is well-known as a speaker in this area.

Bill Sams, program chairman for the affair, announced he felt the community was very fortunate in having this well-liked newspaperman make his first appearance in Knox City at this affair.

Other entertainment at the banquet will be presented by Samantha Graham of Knox City and Mary Nell Raynes of Weinert.

Fuller Shannon, retiring president of the Lions Club, will be

held. Jeff Graham will be the installing officer. Gerald Averitt will take over the reins of the club as president for the coming year.

Other new officers include:

First vice president, Bill Sams; second vice president, Henry L. White; third vice president, Jim Ross; tail twister, Zeb Smith; and lion tamer, Joe Roy Smith.

Directors for the coming year will be Kenneth Lawson, Jimmy Lynn, J. C. McGee, and L. A. Fair. Dinner will be served at 8:30 p.m. The ladies of the Methodist Church will prepare the food.

Following the program installation of Ceremonies for the aff-Parker. Ex-officio Fuller Shannon will also be on the directors staff.

Other committees in charge of arrangements for the banquet are as follows:

Furnishings for tables and chairs, Joe Roy Smith and Kenneth Lawson.

Tickets and sales, David Counts.

Public address system: C. E. Williams.

Printing and publicity: James Hill.

Decorations: Mrs. Ancil Waldrip, chairman, assisted by Mmes. Eddie Carr, George Houston, Bill Sams and C. E. Williams.

Santa Rosa Rodeo Began Wednesday: Ends Saturday

A number of Knox Citizens are expected to attend the Santa Rosa Roundup in Vernon this weekend. The big event opened yesterday with a parade and cutting horse competition during the day. Opening rodeo performance was held at 8 p.m. last night.

Daily rodeo performances will be held at 2 p.m. and 8 p.m. through Saturday.

Top professional rodeo performers of the nation and a fine assortment of specialty acts will be featured. The world champion cowboys will be competing for \$8,000 plus entry fees in prize money.

Directors of the Roundup from Knox City are Lee Smith and B. B. Campbell Sr. Those from Benjamin are Bruce Burnett and Homer T. Melton.

Tickets to rodeo performances may be obtained by calling LI 2-6868 in Vernon.

Representative From Social Security To Be Here Wednesday

A representative of the Social Security Administration will be in Knox City at the city hall on Wednesday, June 28 from 10 a.m. to 12 Noon.

All persons are invited to meet with the representative to file claims, or to obtain information or assistance concerning Social Security.

Sold Your Tickets? Then Call Counts!

David Counts, chairman of ticket sales for the annual Lions Club Ladies Night Banquet has asked that all members turn in to him immediately all tickets sold during the last two weeks, in order that food may be prepared for the people attending the banquet.

Call him at 658-5792, and make your report!

the book worm

To satisfy the curious, the name at the bottom of this column is the same as the one at the top, merely a translation into a scientific term.

Old Chel has known for a long time that teachers are a warm-hearted lot; so when Mrs. Otis Cash said to tell people to bring books for the school to her husband's gas station, it was no surprise. This is thus the first depository for gift, lost, strayed (and any other adjective that you care to use) books. Mrs. Cash also offers her garage at home for such deposits. And Mrs. Philip Colehour says that books may be left with her or she will pick them up if you will call.

BOOKS NEEDED: Any book by Will James, such as "Lone Cowboy," "American Cowboy," "Big Enough," "Horses I've Known," "Sand," "Scorpion," and "Sun Up." Some of these are out-of-print. All were at one time on the shelves.

The MEMORY SHELF in the high school library has the following:

Dobie: "The Mustangs" in memory of J. W. Smith and "The Voice of the Coyote" in memory of Reeder Smith.

Steffens: "Autobiography" in memory of La Roy Stubbs.

Perkerson: "White Columns in Georgia" in memory of G. A. Branton.

Kilman: "Hugh Roy Cullen" in memory of G. A. Branton.

Rinehart: "The Best of Aish" in memory of Mrs. W. A. Reeder.

Holbrook: "Dreamers of the American Dream"; Gipson: "Old Yeller"; Simon: "All Men Are Brothers"; Rosen: "Galileo and the Magic Numbers"; Josephson: "Edison"; Halnan: "Atomic Energy in Medicine"; Johnson: "Managing a Farm" in memory of R. B. Howell.

Titles on the Memory Shelf in the Elementary library will be listed next week. Three new ones have been given in honor of Father's Day.

Question asked by a young Knox City mother who likes to read good books: "Will Knox City ever have a public library?" It seems that she has been reading about a bookmobile which makes its rounds in a nearby area.

Well, Old Chel can say only that the bookmobile could have been in the Knox, Haskell, and Throckmorton County area. That it is not, is a sad story. If you care to hear it, there are those who will tell it!

What are you doing for your community? country?

Jack Hurster In Critical Condition In Dallas Hospital

Jack Hurster, husband of the former Ellena Faye White, is in critical condition in a Dallas hospital following a heart attack suffered Thursday night.

Mrs. Hurster's mother, Mrs. Myrtle White of Knox City, was in Dallas with her daughter and family when the attack occurred. She had gone to Dallas to be with the Hurster children due to the serious illness of Mr. Hurster's father, J. W. Hurster.

The elder Mr. Hurster died Friday and funeral services were held for him in Fort Worth Saturday. Henry L. White attended the funeral and he and his mother returned to Knox City Monday. Mrs. White is going back to Dallas this week end to be with her daughter and family.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Texas' tax debate continues! Not as lively now as during the legislative session—but many voices are being heard.

It's sort of a "speak now or forever hold your peace" period. Some type of tax bill, undoubtedly the biggest in Texas history, will have to be passed in July or August, and those with something to say are rushing to get in their licks.

Legislators report that the small-scale "great debate" is proving very helpful in stirring up opinions from previously silent constituents. They're hoping to discover enough home district reaction to guide them to a swift, sure solution when they return for the special July 10.

Eight Central Texas lawmakers, in a reply to Gov. Price Daniel's report to the people, say that raising \$341,000,000 in new revenue will require a "broad coverage tax."

Although five of the eight voted with the governor during the session, several objected to a "hit and miss" tax approach.

Some say that the people in their districts object to selective taxes on grounds that "it's not fair to tax my product and not my neighbor's."

IN THE WIND — A number of new approaches to tax plans all-year session are being worked ready batted around during the on by lawmakers during this interim. Among plans being considered are these:

1. By Rep. Charles N. Wilson of Trinity (sponsor of the 2 per cent sales tax passed by the House last session) — a new sales tax that would be linked, Siamese-twin fashion, with a corporation income tax.
2. By Rep. George T. Hinson of Mineola (a frequent sponsor of legislation favored by the governor) — a 2 per cent tax on everything selling for \$5.00 or more, with the usual food and drug exemptions.
3. By Rep. Ben Atwell of Dallas — selective excise taxes of 2 per cent on a long list of items, but generally exempting the bed rock necessities of life.

NEW COMMITTEE AT WORK — Governor Daniel's new tax study committee, made up mostly of the board chairmen for various state agencies, got off to a diplomatic, soft-voiced start.

Several lawmakers took a dim view of having "another study group" recalling that the last one had come up with a payroll tax plan that never caught fire. Texas voters, they pointed out, selected their legislators to write the tax laws and will hold the legislators responsible for the outcome.

Members of the committee made it clear that they don't intend to dictate to the Legislature. But they do hope to be able to indicate some possible paths of compromise among the various plans for which the legislators have shown favor.

Committee is to meet July 6 to write its report for the special session.

DOWN THE DRAIN? — Some legislators are fretting over the loss in state revenue resulting from the Legislature's failure to pass a tax plan during the regular session.

Here is the way they see it:

1. Bills passed by a simple majority vote take effect 90 days after the close of the session. If a tax bill had been passed in the regular session, it would have taken effect the last of August and money from it would be accruing Sept. 1, when the new fiscal year begins.
2. If a bill is passed by a simple majority in the special session — say about August 10 — it will not take effect until Nov. 10.
3. A \$340,000,000 tax bill covering the 24-month period would raise money at the rate of about \$14,000,000 a month. But between September 1 and November 10, nothing would come in from the new bill. This waiting period of two months, would mean the loss of some \$35,000,000 in state revenue which would have been raised if the same bill had been passed earlier.

RUSHING - POTEET MARRIAGE VOWS SAID IN SEYMOUR CHURCH JUNE 3

Miss Glenda Rushing, daughter of Mr. and Mrs. Leonard Rushing of Seymour and Richard Poteet, son of Mr. and Mrs. Harley Poteet of Knox City, exchanged wedding vows at the First Baptist Church in Seymour Saturday, June 3, at 7 p.m.

Rev. Ross Anderson officiated, with Paula Jones furnishing the wedding music.

The bride, given in marriage by her father, wore a white ballerina-length dress. She carried a white Bible with a bouquet of white carnations.

Nancy Rushing, sister of the bride, was maid of honor. She wore an orchid organza dress.

Gene Poteet, brother of the groom, served as best man.

The bride's parents were hosts for the reception held in their

home. Those assisting with the reception were: Anita Poteet, Virginia Collins and Carol Collins.

The bride is a 1961 graduate of Seymour High School. The groom is a 1959 graduate of Knox City High School.

After a wedding trip to San Antonio, the couple are at home in Knox City, where the groom is employed at Bradberry's Super Save.

Each person is responsible to live up to the best that he knows. When the knock of Christ comes on the heart's door, and it comes to all, and you open the door, invite Him in to stay; at that very moment the light of God's truth begin to flood your life.

You begin to have a clear realization that God is love, that He loves all men, and that His will for all is good only. When the spirit love begins to work in your heart and life it brings liberty and freedom. It deepens your understanding, and enables you to express the spirit love of Christ in a greater degree.

Christ Love cleans the heart and mind of all criticism to do and live their best. The spirit of love gives victory over sin and it's fruits are love, joy, peace, long-suffering, goodness, faith, meekness, temperance against such there is no law." (Gal. 5:22-23)

ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES

Galaxie styling is inspiring more admiration (and imitation) than any other car on the road!

This is Galaxie styling—inspired by the fabulous Thunderbird!

Many cars have tried to copy the incomparably beautiful 1961 Galaxie. No car has succeeded.

And styling is only part of Galaxie's distinction. This is the car that's beautifully built to take care of itself. The '61 Ford goes 30,000 miles between chassis lubrications . . . 4,000 miles between oil changes. Brake adjust automatically.

Wouldn't it make sense to STOP spending money on an old car that can never do for you what a new Ford can do?

SWAP right now while your Ford Dealer's sales are booming—and the swapping is easier than it's ever been before.

SAVE with the car that makes saving a pleasure.

Today is the day to STOP . . . SWAP . . . SAVE

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR—

I been sorter down in the dumps here lately about the world situation, but I was reading a article last night that settled my nerves more'n anything I've saw in a long time.

A expert from the Department of Agriculture says the answer to peace in the world hinges on food and not weapons and that in the end the United States can't lose.

He had figgers to show that the food situation is very bad in Russia and China. The farmers ain't producing enough to feed the people and they is even perdicting a famine in China come this winter. They can't git no help from Russian on account of the slave labor farms in Russia has been a failure. This fellow said ole Khrushchev is as mad as a hornet but can't do nothing about it.

The article says a careful survey shows it takes six Russian farmers to grow as much food as one American farmer. In China it takes seven and one-half farmers to do the same job. On the other hand, this fellow shows that we'll have no problem feeding the 50,000,000 more people perdicted for this country in 1975. He gives the figgers to show that it'll take only 10 per cent increase in livestock feeding efficiency but no more pasture land. He says our food surplus today would feed the extra 50,000,000 even if we didn't have no improvements in methods of crop growing.

This fellow from the Agriculture Department, who the editor of the magazine calls the "leading expert farm economist" in the business, says the exploding population increase in China and Russia don't give them two countries but two choices in the very near future. They can git out of

the arms race or starve to death. He says the missile race is already beginning to tell on Russia.

Maybe Mister Editor, after ole Khrushchev gits through pounding his shoe on barn doors around the country, he'll be willing to set down at the Summit and talk sense. One thing is for shore, he ain't going to bury us, as he said, with his county full of empty stomachs.

Along them same lines, I see where a official Communist paper has announced that great blessings has come to the common man in that country. A pound of processed meat has been reduced in their money from \$12.80 a pound to \$8.20. According to official figgers, their average wages is \$100 a month. They couldn't buy no processed meat afore the cut and they still can't buy none.

Same difference, I'd say.
Yours truly,
Uncle Ben.

Cotton Insect Meetings Planned

The Knox County Cotton Committee has planned and are completing arrangements for a series of cotton insect meetings on Friday, June 23. There will be four meetings, one to be held in the Sunset area at 9 a.m. and a second at 11 in the Munday-Garree area. Two afternoon meetings are to be held, one in the Vera community at 2:00 and the

last one in the Gilliland area at approximately 4:00. Locations of these meetings are now being arranged.

Irrigation Field Day

The League Ranch, in cooperation with the Cotton Committee, are arranging for an Irrigation Field Day to be held on the ranch, starting at 2:30 p.m. on Wednesday, June 28. The meeting will be divided into several parts which will include a tour and explanation of the 4650 acre feet lake, its irrigation reservoir system, and the underground tile system that has been completed, and the proposed

final product. A second portion of the program will feature Wayne Keese, Extension Irrigation Specialist, that will discuss irrigation problems. Mr. Keese will present a talk that will be aimed for the person that has some idea of irrigation systems, but desires more information on determining when and how much to water. He will also touch on the various types of systems. The Cotton Committee is headed by Ansel Waldrip with John Crowner, Bud Carver, L. B. Patterson, Chalmers Hobert, Weldon Smith, A. J. Kuehler and E. D. Welch.

Orville Freeman to Visit Texas

The Secretary of Agriculture, Orville Freeman, will visit Texas on Saturday, June 17. Secretary Freeman will attend a luncheon in Temple, and drive from Temple to Rosebud where he will make a major agricultural policy speech at 3:00 p.m. The scene of his speech is the football stadium at Rosebud. The local arrangements committee at Rosebud is planning a parade and other events prior to Secretary Freeman's 3:00 p.m. speech. As additional information is available in regard to the Secretary's visit, it will be made known.

Grain Sorghum Variety Tests

The Corps Committee of Knox County planned several varieties of grain sorghum and forage sorghum tests this last year, and have several of the tests now planted. There will be two late grain and one late forage tests planted and there is one early

forage and four grain tests that have been planted. Bob Partridge has the test plot and reports that there are two varieties that have come into full head and one of the varieties is now in the full bloom stage. There are several varieties now in the boot. Bob planted his test plot on the 17th of April. And May 21 NK120 was in full head and came into full bloom on June 8, while an experimental variety NK X-3021, came into full head on June 1. Bob's test is located near the Partridge home in the Sunset community. Other test plots are located in the Rhineland community at the farms of Alfonso Deuhler and Clarence Herring. One test plot is located on the farm of H. A. Reeves in the Gilliland community. Sam Leaverton of Benjamin has a forage test plot that is off to a good start.

The crops committee stated that the results of this one year test could not give a true picture of the varieties tested and that this will be a continuing test for at least several years so that seasonal variation can be better determined. The Crops Committee will plan to have a public meeting at one of the demonstration plots on the 3rd of August and discuss grain sorghum production in the county. The committee is composed of Arnold Navarati as chairman with Sam Leaverton, Billie Mitchell, Lester Hickman, Fuller Shannon, and Gaylon Scott as members.

IT'S THE LAW in Texas

Hidden Dangers

John Jones owned a service station. He sold gas in an open dirty paint bucket to an angry looking customer who said it was for his car.

But what he really used it for was to throw it into a bar room full of people who had heckled him. He lit the gasoline, burning some of the people badly.

The police caught the culprit and he went to prison.

The burned bar patrons sued the station owner, claiming that Jones should not have sold the gas: A city law said that gas should be pumped only into car tanks or into metal containers with cap or screw.

The court held: Gas stations sell dangerous goods. The city law aims to protect the public. Jones was negligent in selling the gas in an open bucket. A jury should decide if he should have known the gas might be wrongly used. If so, he would be liable for damages.

If a person negligently sets the stage for a later criminal act, he may have to pay for the damage if he could have reasonably foreseen the consequences.

You leave a loaded gun lying around. A delinquent neighborhood boy gets it and shoots someone. You may well be to blame; but not if the boy broke into your home and stole the gun, for you could not have foreseen this.

In a famous case, a young lady bought a train ticket to one town. Mistakenly she rode beyond the town stated on the ticket. A conductor found the error, stopped the train, and put the girl off in the middle of nowhere. She had to walk to the next town which meant walking by a known hobo camp. The hobos attacked her. She sued the railroad and the court held it was liable. The conductor should have foreseen what might happen.

Recently a construction firm left a bulldozer unlocked. Vandals started the bulldozer, drove it for awhile. Later, unable to

stop it, they headed it toward a hill. The bulldozer ran into several homes and a car before it came to a stop. The court said that the contractor should have foreseen the likelihood of vandals and locked the bulldozer. The contractor was held liable.
