LOUISE PHILLIPS

Knox City was brought to grief Friday in the death of one of the city's fairest and finest girls, Louise Phillips. Her going was so sudden and the absence of her so keenly touching that grief was common to all who looked upon her face.

Louise died Friday morning, October 9th, her 16 birthday. She had been ill some 21 days but had been confined to her bed only about 12 days. She had typhoid fever.

Funeral services were conducted Saturday morning from the Methodist church, Reverend B. J. Osborn, pastor, was assisted by Reverend W. D. Green, Baptist pastor. The church was a bower of beautiful flowers and 15 lovely girls, friends of Louise made the arrangement and carried the flowers. The church was filled to capacity with relatives and friends, many finding only standing room. Reverend Osborn made an impressive service, relating the comfort and joy that is theirs whose loved ones die in Jesus.

From the church the body was carried to the Odd Fellow Cemetery and tenderly laid to rest.

Louise was born in Asher Oklahoma, October 9, 1920. She and her mother moved to Knox City in 1923 when she entered the Knox City school. At the time of her death she was classified as a Junior and had been selected to take an active part in the various school activities.

She was converted and joined the Methodist church in 1930 being at that time only ten years old. She lived true to her conversion being steadfast in all she knew and believed to be right. Louise was a modest girl, gentle, kind and even tempered. She was cheerful always and possessed that virtue of being able always to forgive those who wronged her. She could easily make allowances for the short coming of others.

Because of these many fine qualities she quickly and unquestionably won and held friendships.

Louise is survived by her mother, Mrs. Lillian Phillips, two brothers, R. K. Phillips of Knox City and F. F. Phillips of Shawnee, Oklahoma; several nieces and nephews, children of her two brothers, and three uncles and one aunt. The uncles are Nick, Dick and Ed Shaver, the aunt Mrs. J. J. O'Brien. She is also survived by a grandmother, Mrs. R. K. Shaver and a host of other relatives.

Pall bearers were Neel Logan, Bill Evans, Herman Reeder, Buddy Angle, Casey Jones, Lloyd Huntsman, Summie Angle and Mark Wadzick. Flower girls were Elena Fayne White, Leta Pearden, Georgia Mae Stubs, Marilyn Edwards, Bobby McCarty, Mary Helen Evans, Billie Beas Benedict, Margie Faye Yarborough, Marion Clonts, Anna Lou Warren, Wynette Farmer, Laura Moulder, Dorothy Ruby Darden, Ruth McCee, Lorene Silman, Rowena and Lillian Hutchinson, Emma Sue Thompson.

Special music was given by a quartet composed of Miss Myrtle Evans, Miss Mary Lou Graham, Mr. Jack Wetzel and Mr. Moore.

Out-of-town relatives who attended the service included Mr. and Mrs. Clarence Mandrel of Sayre Oklahoma, Mr. and Mrs. D. R. Smith and daughter Mrs. Irmabelle Mason, Mr. and Mrs. Mack Wadzick, Mr. and Mrs. W. Z. Wadzick, Mr. and Mrs. Lee Jenkins and Mr. and Mrs. Dick Shave all of Rochester, Mr. and Mrs. J. J. O'Brien and two children and Miss Lillian McCrindle of Roosevelt Oklahoma, Mr. and Mrs. B. F. BIG ATTENDANCE AT PTA MEETING

A full attendance of teachers and a large number of parents present made the initial meeting of the Parent Teacher Association for the year 1936-37 most interesting. A program featuring the first and second grade children and several parents were given.

At the business session plans were made for a Hollands magazine campaign, the Halloween Carnival and a membership drive. It is imperative that the Association raise a sum of money this month and to this view every patron is shouldering his part of the task.

Mothers of the association will canvass the town and territory in the interest of subscriptions to Hollands magazine. School children will invite parents to become members of the P-T-A and the Finance Committee are completing plans and arrangements for the Halloween Carnival.

Mrs. W. E. Marr was made reporter of the P-T-A and O. B. King and Mrs. H. B. Sweeney were appointed Grounds Committee.

JUDGE COVEY APPOINTS FINANCE COMMITTEE

Judge Covey of Benjamin this week appointed five Knox City men finance committee for Knox County for the present Democratic campaign. The committee is composed of B. B. Cochran, J. Silman, B. Arnold, H. L. White and A. E. Propps.

Quota for Knox County is \$586. Knox City is to respond with whatever amount, the citizenship feels anxious to pay. It is remembered that Knox County has received over \$2,000,000 during the present Democratic administration and it is fitting that the county allow a pleasure amount in support of the party. B. B. Cochran says "if this were the Hoover administration, we would ask Democrats to donate 10 cents each, but since it is the Democratic administration, each Democrat is to give \$2.00".

The committee named by Judge Covey for Knox City will spend Friday and Saturday visiting with and receiving donations from Knox City Democrats. Make it easy for the committee by having your mind made up as to the amount you will give and have the money in hand.

CATTLE THIEF USES TRAILER

The newest wrinkle in making a safe get away in stealing stock is to place the animal in a truck or trailer. Andrew Dutton is aware of this fact now, since his cow was ushered into a trailer Friday night and carried away.

Report comes that several such thefts have been made around Thorp the past few weeks, and as yet arrest made or suspects held. It is the matter of only a short time until people will have to hold to the hats on their heads.

J. B. Barnes had an accident with his gravel truck Tuesday. The truck was loaded and J. B. was driving from the gravel pit to town. In turning the corner at the west end of the Cemetery road, he truck turned over and caught fire. The gas tank and seat were burned. J. B. was not injured.

FOUR SQUARE PROGRAM

There will be a big surprise program given by the young people of the Four Square church Saturday night at 7:30 o'clock. Every one is invited to attend.

Bill Clarke had his house wired Tuesday for electric lights. Up to date Bill was unable to get lights but on installing an electric box the company made extension for him. Mr. and Mrs. H. M. Bledsoe and children spent Sunday with relative in Haskell.

SUPERVISOR VISITS SUNSET

On Monday, October 12, the Sunset School was visited by J. D. Wilson, Supervisor of District 3. He liked very much the way the work of the school is being carried on this year and he was highly pleased with the faculty that has been selected for the year. He recommended \$4,369 for state aid for the school. This will insure a nine months school term for the Sunset School.

Sunset has the distinction of being one of the largest schools of its type in the Supervisor's District.

Mr. Wilson stated that it will be necessary for all teachers to get their transcripts from college which they have attended and file them with the County Superintendent together with an affidavit as to service records.

Sunset school will open for long session, Monday, October 19, as was noted in these columns last week. At the opening of school there will be a short program with Superintendent J. Lyndal Hughes as the principal speaker. All patrons are invited to attend the school opening exercises.

The Knox County Centennial Special Train will leave Munday at five (5) o'clock Tuesday morning, and it will return about six (6) o'clock Thursday morning.

All school children making this trip will not be counted absent from school. Patrons are also urged to make the trip. The fare is the same to all patrons, teachers or pupils. The round trip from Munday is \$2.05. We are assured by the Railroad company officials that this special train will be carefully policed, and any misconduct arising will be dealt with with due dispatch.

Mr. J. L. Bates, father of Mrs. Grady Benedict of this city, died at his home in Truscott Tuesday and was buried Wednesday. Mr. Bates was 80 years of age and had lived in Truscott 25 years. He is survived by 9 or 10 children and 45 grand children. Those from Knox City attending the funeral service besides the Grady Benedict family were Earl and W. H. Benedict, Mrs. Mable Tycatt, Mrs. O. D. Reid, D. W. Davn, Guy Milford and Mrs. G. D. McCarty.

COUNTY PREPARES FOR CENTENNIAL TRIP OCT. 20-21

With every community in the county preparing to be represented in the move to the Texas Centennial Exposition next Tuesday morning, October 20, children, parents, grandparents are asking their friends who have been, if they will be accommodations for everybody. Mr. Hughes, County superintendent, has been assured by Mrs. Ellye Hamilton Beal, Director, School Division of the Texas Centennial Exposition, that ample accommodation will be provided school groups.

Parents and Adult Sponsors to get Same Rate as School Children

In answer to many inquiries as to whether parents, teachers, and adult sponsors will get the same rate as school children, Mr. Hughes has been advised that adult leaders will be admitted to the grounds and to the various concessions at the same rate made to children, provided that there is at least five students to each leader. School groups should divide their groups and arrange them so that each teacher, parent or adult person may have at least five pupils in charge. If this cannot be arranged, these parents and other adult persons who are not in charge of a group of children may expect to pay the regular charge at the gate and to the concessions, but the meals and lodging would be the same.

Special Train Fare for All

Adult leaders, parents, and teachers, as well as the pupils in their charge, have a special quoted rate of \$2.95 round trip from Munday, Texas. However, arrangements have been made whereby groups may get on at Goree or Seymour. Children under twelve should make allowance of 6 cents for street car fare and fourteen 14 cents for those over twelve. This is to take care of the round trip fare by street car to the Centennial Exposition grounds from the Railroad Terminal.

Special Tour Arranged for Knox County Group

With the Knox County train arriving at Dallas before noon Tuesday, October 20, the following special tour has been arranged for at a price of \$2.50.

Lunch at Tent City. Admission to Grounds, Admission to Calvacade, Supper on grounds, Lodging at Tent City, Breakfast at Tent City, Admission to Exposition Grounds and Lunch on the Grounds.

Each person planning to stay at Tent City, through the tour service or otherwise, should include a blanket in his luggage. However, blankets can be supplied at Tent City for the additional charge of fifteen (15c) cents.

Special train to leave Munday, Texas at 5 a. m. Tuesday Morning, October 20th.

BAGGAGE COACH WILL BE PROVIDED FOR BAND BAGGAGE

For the convenience of the band boys a baggage coach is being provided on the special Knox County Centennial Train to take care of the band instruments. After arrival in Dallas, Mrs. Ellye Hamilton Beal, Director, School Division of the Texas Centennial Exposition, has assured Mr. Hughes, County Superintendent, that a safe place has been provided for the band instruments when not in use. During this time that schools are taking advantage of the special, the Centennial authorities are encouraging the bringing of bands. They will be used for broadcasts and programs on the Centennial grounds.

SCHOOL OFFICIALS PUZZLED BY LOW ATTENDANCE THIS WEEK

A check-up in the attendance of the school children in the public schools of Knox County during this week reveals a definite downward trend. It was found not to be due to an epidemic of disease but to an epidemic of enthusiasm for the Centennial trip which is being planned for Knox County school boys and girls. Hundreds are out pulling bolts to earn this trip and school officials have not been able to find a solution to this problem.

OUR NEIGHBOR

Hearts of the Herald family were grieved last Friday in the death of our neighbor, Louise Phillips. Louise lived only 16 years, being born in the morning of October 9, 1920 and passed away in the morning of October 9, 1936. It was only a short span of life but sufficiently long to ensure hereself not only to her family, but also to all who knew her.

How we will miss the appearance of that beautiful white head and pale cheeks as she often called from our back door, "Mrs. Sweeney, have you something I may read?"

The memory of Louise stands in a green oasis on a desert waste, written with a life true, pure and forgiving, a guide loved ones to that ripper and better kingdom where sorrow is unknown. When the golden bar of Eden is swung round and the poorly gates of the New Jerusalem are open wide, we feel every assurance that Louise will be there to meet her mother and other loved ones.

The ways of providence are often beyond human understanding. Why Louise, our neighbor, should be called we do not know but we do know that she lived humbly, walking hand in hand with Him who notes even the sparrows fall.

May the tender touch of the Infinite Father heal the broken heart of that fond mother and give her that peace and comfort that passed understanding. May the fruit and evidence of God's spirit give her every assurance that it is well for Louise, her daughter and our neighbor, to have passed this way.

CENTRAL WEST TEXAS FAIR OPENS OCT. 21 IN HASKELL TEX.

The Central West Texas Fair, opening October 21st and running through the 24th at Haskell, Texas, will offer a varied program of entertainment designed to please every person. Among the major attractions will be Automobile races on October 21st and 22nd, horse races on October 23rd and 24th, the Roby-Haskell Football game on the night of October 23rd, Tidwells Shows on the midway and a diversified showing of agricultural products and livestock.

The fair will be opened by a mile long parade at noon, October 21st, featuring two batteries of field artillery of the 131st Field Artillery from Wichita Falls, Texas, these two batteries will not only take part in the parade but afterwards they will be on display at the race track and will open the race meet to the roar of their cannon, some four in number.

Every effort has been made to secure a real race program and with the cooperation of the Southwestern Automobile Racing Association which organization is seeking to revive racing in West Texas, the meet has been made one of the three race meets in Texas at which points will be counted towards the 1936 dirt track championship. The other meets will be in Dallas and San Antonio with three in Oklahoma and Louisiana, the other states covered by the association. With the meet designated as such the best drivers are assured as any one within striking distance of the title can not afford to miss one of the title meets.

Among the drivers who have already signed their entry blanks are Wild Bill Morris of Lincoln, Nebraska, driving a \$3,000.00 Messer Special. In this same car Morris in 1935 set the world's dirt track record for the half mile oval at Chicago. Another eastern driver already entered is Morris Musick of Omaha, Nebraska, also driving a Messer Special. Both of these cars are double over head racing jobs and are considered among the fastest motors made.

These eastern drivers will match skill and courage with such southwestern drivers as Red Hodges, Dallas, holder of the 1934-35 Southwestern Title and leader thus far in the 1936 race, Dutch Doris, runner up to Hodges in the 1936 race and Oklahoma Champion for 1935 and Herschel Buchanan of Ruston, Louisiana, the Louisiana Champion during 1932, 1934, and 1935. Both Hodges and Doris will continue their duel for the 1936 title in Riley Special while Buchanan will trust his chances to a McDowell.

Other drivers are Cotton Grabbe, Houston, in a double over head Hal Powered Speedster, Lee Brammer, Austin, in a double over head Fronty Special, Oscar Coleman, Dallas, in a double over head Cragaz, Gene Fredrick, Dallas in a Schofield, Hugh Mack, Waco, in his single over head Fronty Special, Johnny Holland, Waco, in a Schofield, and L. E. Johnson and Ernest Torrence Lubbock in Rileys.

These drivers were reported as having already signed by Mr. M. H. Carrothers of Dallas, Secretary of the Southwestern Racing Association last week and many others are expected by the time for the making of entries for the time trials.

The horse races to be held the following two days will also be of interest for although limited to Haskell County owned horses some thirty are already in training at the track and close competition is promised in

each of the days five races. The feature races of the program will be the two two year old races to be held each day. The winners of these two races on the first day will be placed in one race the second day, the first two horses in each race, for the Haskell County Championship, while the losers will have their consolation race.

In addition to these features the various Home Demonstration Clubs, Future Farmers of America, and Four H Clubs and many individuals and communities in the section have cooperated to assure a real variety of livestock and agricultural products for the exhibit display. Some \$1,000.00 premium money has been posted for these exhibits, an increase of over \$300.00 since the 1935 fair.
