 7:45 p. m.—Sermon: "Plea of the Disciples of Christ and the Program for its Realization" G. Robert Forrester, Haskell, Texas.
 We will be glad to have all those of the Knox City Christian Church who can attend the meeting; however, Sunday School will be held here at the regular hour for those who cannot go.
 J. E. Clarke, Superintendent.

BARK THANKSGIVING
 Ow Lawd, who done keep Noah floatin'
 An' give yoah Wandahin Chillun food;
 Whose eye am watchin' English sparrows,—
 You done us sinnahs mighty good.
 You aint supplied no holy manna'h.
 You powahful shawnt on snail
 'N yet, you kindah keep us diggin
 An' helps to fill our dinner pail.
 'An'lawd, you been so orful thought-ful
 To send some chickens we could fin;
 Then juicy hams we got by workin'
 Sweet tatahs from our neighbor-vine
 Now Lawd, we ben's our backs a-thankin';
 The bad an' good you sen's our way
 Am what we needs, ooh Lawd our partnah,—
 Jus keep it up from day to day.
 —M. Jacques.

Mrs. C. J. Reese and daughter Jacquelin, spent last week with Mrs. Reese's two sons in Fort Worth. Mrs. C. J. Reese Jr. returned home with them for a few days, then visiting her sister, Mrs. Bowden, in Monday before returning home.

One of the most interesting business houses in Knox City is the school building. Over three hundred boys and girls are in the business of getting an education and fourteen teachers are there assisting them. Just an hour spent in the school building brought to light many interesting happenings for the boys and girls which the entire city and territory are interested in. Each boy and girl has his and her own tasks and together they all have one big task. And in working toward the interest of all their own tasks are accomplished with much satisfaction which fact, if prevalent in the conduct of each boy and girl.
 The most recent happening of unanimous significance was the game Friday played here between the Grehounds and the team from Throckmorton. As is a well known fact the Grehounds beat with a score of 11 to 9. A huge crowd attended the game with Throckmorton being well represented. Stars for the winning team were Lynn Waldrup and J. B. Ferguson, A. Stevens and McDeath. The Throckmorton team and fans are to be commended for their good sportsmanship. Although they lost the game they did not lose their respect for the Grehounds. Several of the boys were hurt as well as several of the local team. (The flapperette trio says the school resembles a hospital Monday morning, the boys had a many patches of tape here and there.)
 Stars for Throckmorton were Craft, Curtis, Beach and Merina. Although we got beat in a game a Throckmorton about one month ago, our team showed Friday to be the better of the two.
 An unusually big crowd of fans attended the game from Throckmorton. We are fortunate in securing a such game here with them and hope that we may have another with them next year.
 Friday was not over Monday afternoon either, for a pretty trio of the Pep Squad were still broadcasting the fact and impressing all visitors, students and teachers that the game was an event not to be forgotten.
 The only subject to which this issue trio was willing to change to was the approaching game to be played Thursday, Thanksgiving day, at Rule and the last game of the season. From their report one judges that this final game will be a "knock out". Of course everyone is planning on winning the game.
 The pep squad and team will arrive in Rule Thursday in cars especially bedecked for the occasion and the pep squad has a brand new bunch of yells and stunts to pull. They are expecting the town to move down to Rule for this game and from the loyalty shown them in past games the town will probably be there. Hurrah!
Other Facts
 After much persuasion the pretty trio succeeded in getting their minds in other channels and really gave out some most interesting facts about past and coming events for the school. The senior class recently purchased and received their rings. They are very pretty rings.
 In the first week in December the chorus club will present an operetta in the school auditorium. It will be the "Fun Review". The chorus club is made up of both boys and girls and is directed by Mrs. Warren, which fact give prophecy of an excellent entertainment.
 The Epselson Sigma Me, th music club, with the sponcer, Mrs. Warren one honoray member, Mrs. Emory, and twelve members present enjoyed a candy pulling last Friday night in the home of Miss Wynell Edwards. Sandwiches and soda pop were also served.
 The Art Class, which is taught by Mrs. Bobbie Bradberry, is planning an exhibit to be held in Knox City on December the 15th. Pictures of fifteen or more pupils will be on display, with three pictures from each pupil. This promises to be a much larger and a much more talented exhibit than was here in September. The judges and place of the exhibit will be announced later watch for this and attend the exhibit.
 A few books have been received at the school as a result of the "Book Week Drive" sponsored by the P-T-

Mr. J. M. Stovall returned to his home in Knox City Saturday; Mrs. R. T. Crouch to her home in Weinert last Wednesday, Mr. W. B. Holder to his home Saturday and Miss Pauline Harris to her home in Goree Sunday.

Those in the Hospital this week are Mr. D. Powers of Benjamin; Estelene Carter of O'Brien; Mrs. C. W. Logan of Rochester and Mrs. Amos Rutledge of Knox City.

Mrs. Whiteside of Rochester was in the Hospital Sunday night after church to have her shoulder repaired, the result of fallin' from her car in attempting to get in.

The small son of D. E. Holmes of Knox City was in the Hospital Monday at noon for treatment for an eye injured in an accident.

CHINESE MISSIONARY FORMER STUDENT OF SIMMONS U. TO SPEAK IN HASKELL DEC. 7

Mrs. Robert E. Chambers, one of our returned missionaries from China and a former graduate of Simmons University, will speak in Haskell, December 7. A most cordial invitation is extended to all members auxiliary, to the men and to all others interested in foreign missions.

In her message, Mrs. Chambers will emphasize the great importance of liberal gifts for the "Lottie Moon Christmas Offering," during the W. M. U. week of prayer, December 2 to 5 inclusive.

Opportunity will also be given to those present, who have not yet done so, to make an offering for Christ to aid in carrying forward the gospel to the uttermost parts of the world.

It is hoped that many will avail themselves of this unusual opportunity to hear Mrs. Chambers tell of her work on the foreign field.

W. M. U. TO MEET IN ABILENE DEC. 6

The Executive Committee of District number 17 of Texas W. M. U. will convene in Abilene on Saturday, December 6, at Simmons University. All members are asked to be in Mary-Jrances Hall not later than 9:45 a. m., and go in a body to the Simmons chapel.

The all-day session of the Committee will be held in the Science Hall. Mrs. Eugene Sallee, a returned missionary from China will bring a message in the afternoon.

Simmons University cafeteria will be hostess at the lunch hour. This meeting is important. A large attendance is urged.

Mrs. Oscar H. Cooper Chairman District number 17.

TO HAVE RUMMAGE SALE

The Methodist Ladies will have another Rummage sale and Market Saturday. The market will include dressed chickens, butter, eggs, cakes, pies etc. Proceeds of the sale will be given to the orphanage. Get your Sunday dinner needs at this market.

A. These books are greatly appreciated and the boys and girls are wishing for and looking forward to receiving more of them.
 The school will be given both days, Thursday and Friday, as holidays.

MICKIE SAYS—

AN AUTOMOBILE WILL RUN TWO WAYS—FORWARD AND BACKWARD. SO WILL YOUR BUSINESS, AND WHEN YOU QUIT ADVERTISING YOU ARE THROWING IT INTO REVERSE!

Church Social Great Success
 One of the outstanding expressions made by the pastor of the Methodist Church Tuesday night when he and wife were surprised with a pounding given by the membership of the church was "I hope they never get to the place where they stop giving Methodist preachers poundings". Although he was given a hearty applause of laughter to this statement, Brother Manns church members fully realized his meaning of the statement. It is not the value in dollars but in spirit and good fellowship that counts.

Prior to the presentation of the pounding the 198 people present joined in the general play games of the hour and had a real good time. The pounding was presented to the preacher by Pappy and Mammy Smith and placed at the feet of the couple by the boys and girls of the church during which time Miss Essie Graham played "Bless Be The Tie That Binds". Following Brother Manns response of appreciation refreshments were served.

Although there were other socials in town Tuesday night which called away many of the members of the church, the attendance was good and the social was the greatest success attained by its membership. It is hoped that every members of the church will be able to be present at the next church social which was voted Tuesday night to be given three months from that date which will be some time in February, the exact date to be announced later.

GIRLS HIKE TO COUNTRY

Four young ladies of Knox City, Misses Elizabeth Griffith, Bernice Rainey and Myrtle and Myrtis Evans hiked to the home of Miss Allene Griffith last Saturday morning returning home in the afternoon in the same fashion.

At noon the girls enjoyed a real feast prepared for them by their hostess. Allene accompanied the four home. Although they had a number offers of rides the girls preferred to walk. And at the end of their day they realized that hiking is good for more than just having fun.

T. A. BROWN AND FAMILY MOVED

T. A. Brown and family moved the first of the week to their farm west of town. Mr. Ball and family, the depot agent, moved into the house vacated by the Brown family.

MISS MARY ALICE MILFORD IS NOW EMPLOYED BY THE CLUB CAFE.

Miss Mary Alice Milford is now employed by the Club Cafe.

Tuesday night was a great spiritual hour in the Workers Conference at the Baptist church. The program outlined by the superintendent of the Sunday School was carried out in full. There were twenty general departmental officers and teachers present with only four absent. We hope these four had good excuses and will be able to be present next month.

Our Sunday School is fully graded and is an A-1 standard school. We invite all who are not attending Sunday School at other churches to visit with us one Sunday and see if you would not like to be a member of our Sunday School.

Here Comes Santa Claus

Mr. J. V. Jones, owner of the Electric Filling Station stated Tuesday his plans for his gift to the world war veterans at Kerville this Christmas. Each year Mr. Jones makes his gift to these heroes cigarettes, some thing that he knows they will enjoy, and this year he plans to make that gift in proportion of the amount of business he does at his station from the dates, November 27 and December 20th inclusive.

For each gallon of gasoline sold, Mr. Jones will give one cigarette to the veterans and for each crank case drained he will give one package of cigarettes. The cigarettes will be purchased and turned over to the Auxiliary of Knox City to be included in the package which the ladies will send.

The Knox City Auxiliary sends a Christmas package to the men in the hospital at Kerville each year.

Read the advertisement of the Electric Filling Station elsewhere in this of the Herald.

Mr. and Mrs. Mercer Armstrong moved recently to Irann Texas. They were given a delightful faewell party in the home of Mr. and Mrs. Henry Jones.

Notice! Notice! Notice!

No more city delivery after December 1st, 1930. In order to maintain the low prices on all Groceries we deem it necessary that we discontinue our delivery service after December 1st, 1930. Exceptions will not be made to any one.

 KNOX CITY, TEXAS

Knox County Herald

Oldest Paper in Knox County
PUBLISHED WEEKLY

Mrs. H. B. Sweeney, Editor
H. B. Sweeney, Publisher

Entered in the Postoffice at Knox City, Texas for transportation through the mails as second class matter.

One Year 1.50
Six Months 75

We see that Happy has a new pair of specks, and with them the air of an individual quite dignified. Happy says he thinks he will begin the practice of medicine then says he might try the pulpit but before either of the callings can be established Happy removes his specks and then it is all off.

Speck says that he lost his specks at the ball game last Friday and he has not found them yet. Any one finding a pair of glasses might present them to Speck.

Well, we see from an advertisement on the front page of this paper that the grocery stores of Knox City are to stop their delivery service. This doubtless will work a hardship on a few people but for the majority it will be valuable in that groceries can stay at their same low prices.

There doubtless are a few older people who do not have cars and who will object to this new ruling of the stores but in only a short time these people will have their "ways and means" adjusted so that getting groceries home will be no bother at all and the continued low price on groceries will prove a great help to them.

The business men sponsoring this move and who have joined by giving their word to make the arrangements a ruling of the business houses hope

to make the same a success. You show your cooperation by not asking for delivery service after December the first. You have been a patron of a certain grocery store for years; they appreciate that fact the same as you; but don't think because you have bought groceries at the same store for ten or fifteen years that they should extend you the courtesy of the one exception. They don't want to refuse you any courtesy they can grant so don't ask of them what you know is not theirs to give.

It is only a few more days until Christmas will be here again and Santa Claus will be coming to see all the boys and girls. Santa will probably limit the number of toys he brings each child this year; however, that will not lessen the interest and joy for these boys and girls.

We are of the opinion that the boys and girls had better be getting their letters to Santa Claus in the Herald office so we can get them on to Santa. Bring in your letters boys and girls, a big bundle of them for the next Herald.

THANKSGIVING

Once more the people of the United States have been called upon by their President to observe the last Thursday in November as a day on which to give thanks for the manifold blessings which we have been vouchsafed.

Thanksgiving is one of the few days which is celebrated as a holiday in every part of the United States. Of New England origin, dating back to the days of the Plymouth Colony, more than 300 years ago, its appropriateness has appealed to all America.

For we of this country have been abundantly blessed than have been the people of any nation in the world. We may grumble at "hard times" and point to inequalities as between man and man, and think we

are pretty badly off, but we must remember that by comparison with any other part of the world we are exceedingly well off, that the inequalities which exist elsewhere between the upper and lower classes.

The Pilgrim Fathers gave thanks to God on Thanksgiving Day for material blessings with which their physical condition had been ameliorated. We are all too prone today to take all of the credit for material progress to ourselves. Few today rely upon Divine Providence to take care of them, in spite of the express promise.

"Seek ye first the Kingdom of God and His righteousness and all these things shall be added unto you."

Our faith is less simple than that of our forebears. We do not look for direct and instantaneous answer to prayer. But down deep in our hearts we, as a people, still believe that somehow, if each does his individual best to live up to the spirit of religion, he will not suffer for lack of food and shelter and the normal comforts of life.

There is still faith in the words of the Psalmist:

"I have been young, and now I am old; yet I have not seen the righteous forsaken, nor his seed being bread."

This particular Thanksgiving Day of 1930 seems to us to be one upon which the religious origin of the occasion should be kept in mind. We have been through a hard year. We are still not "out of the woods" so far as material prosperity is concerned. But we have lost nothing which counts if we have not lost the faith in ourselves, in our neighbors, in our Nation and its ultimate high destiny, which all of our history justifies. So long as we hold to that faith and continue to believe that something higher than human power is still guiding us, we have every cause to be thankful.

Cooperation for the Small Farmer
Most of the public discussion of the Federal Farm Board and its work thus far has centered around the problems of the large-scale growers of staple crops and livestock. The small farmer, growing a few potatoes several different kinds of other vegetables, marketing a few cases of eggs, a small amount of fruits, must have wondered, if he thought about it at

Acidity

The common cause of digestive difficulties is excess acid. Soda cannot alter this condition, and it burns the stomach. Something that will neutralize the acidity is the sensible thing to take. That is why physicians tell the public to use Phillips Milk of Magnesia.

One spoonful of this delightful preparation can neutralize many times its volume in acid. It acts instantly; relief is quick, and very apparent. All gas is dispelled; all sourness is soon gone; the whole system is sweetened. Do try this perfect anti-acid, and remember it is just as good for children, too, and pleasant for them to take.

Any drugstore has the genuine, prescriptive product.

PHILLIPS
Milk
of Magnesia

all, where he fits into the new scheme of things.

How can the small general farmer get the benefit of the cooperative marketing plan on which the Farm Board is based? Is there anything in it at all for him?

Naturally, the Farm Board began with the largest and most pressing problems. It is getting down to the small grower now, and the work of organizing these small farmers into local commodity cooperatives is beginning. It is going to take a lot of time, and there are doubtless many farmers whose operations and locations will not enable them to join with their neighbors in organizing marketing associations. But those

who can and will do who will get the most system.

For the information interested in the marketing of vegetables the Farm Board, Washington, has issued a pamphlet of instruction. It is called "Number One," and will inform anybody who writes to the Farm Board, Washington.

Harvest Day of the Church will be held in permont on December 1st. It is hoped that a good crowd will be present.

Let the Electric Man Survey Your Home

"Through the application of the new Home Comfort Domestic Electric rate to your individual problems, it will be possible to work out a plan that will bring you many new advantages without materially increasing your electric bill.

"One of the West Texas Utilities Company employees will be pleased to go over your situation, and make his recommendations based on the greatest benefit to you.

"The new Home Comfort rate is so scheduled that your normal use should quickly reduce the cost of all service used thereafter to the low 4c per kilowatt-hour rate—3c where service is also used for heating or cooking. Under this new schedule, just a few cents a month will give you untold convenience and comfort.

"Call the Electric Man and let him explain in detail the many additional comforts and conveniences that he can give you through the application of Electricity to your home."

And Remember—You Can Make Your Own Average Rate

A Community-Wide-Safe-Guarantee

The greatest safe-guard that any agricultural community can have is the assurance that it is self-sustaining.

The disappointments, heartaches and loss that go hand in hand with one-crop farming, have no place in a community that has provided a sure living at home on its farms.

It has been said that what Texas needs is "more chores". This means, of course, more live stock on its farms. While it is true that live stock does increase the chores on the farm, the extra effort is small in comparison with the profits that may be realized from one or two pure-bred dairy cows, at least one good sow, and a flock of laying hens.

We want every farmer in this community to know that if he plans to play safe by providing a sure living on his farm, this bank is behind him with every financial assistance and support.

Strange Case of Lubbock Man Speaks for Crazy Water

Thought To Be Hopeless Yet He Lived to Tell His Story

Three weeks ago today, I came to the Crazy Hotel on a stretcher from the city of Lubbock, Texas, with what the doctors called Typhoid Spine, and they told me that there was no medicine that would cure me. I started drinking Crazy Water and taking the baths, and on the 12th day after arriving, I took to the wheel chair and on the 17th day I started walking on crutches and can now walk without them, so I feel if Crazy Water will do that for me I cannot say enough for it.

I. F. Holland
Lubbock, Texas

The new million dollar Crazy Hotel at Mineral Wells, Texas, covers an entire block of ground. It is modern, fire-proof and complete in every detail. It is natural to think it would be expensive to stop at this magnificent Hotel; yet, you can enjoy its genuine hospitality, pleasing service and receive the benefit of the Crazy Mineral Water Treatment at very reasonable rates. Write them for full and complete information.

Mrs. Cecil Coates is reported ill this week.

Mrs. Tanzer was a visitor in Wichita Friday.

Mr. and Mrs. Horace Potter will move recently to Irann Texas. They were given a delightful farewell party Mrs. Mercer Armstrong.

Dr. and Mrs. Bailey and daughter of Wichita Falls will be the guests of Dr. and Mrs. T. S. Edwards Thanksgiving day.

Jack Wilson of Tech in Lubbock plans on spending the Thanksgiving holidays with his parents, Mr. and Mrs. J. A. Wilson.

We carry a full stock of door glasses for all cars. Let us replace that broken glass with a new one and keep out the cold, Ashcrofts.

For Eye, Ear, Nose and Throat troubles, Eyes tested and glasses fitted, see Dr. L. P. McCrary on December the 3rd at Dr. Edwards Office.

THE NEW CHEVROLET SIX HAS MANY IMPROVEMENTS

The introduction of the new Chevrolet Six marks the most impressive forward step in Chevrolet's twenty-year record of constant progress and improvement.

For this Bigger and Better Six offers new beauty of line and color, new luxury, new completeness and new quality—yet it sells at lower prices!

In every curve and sweep of Chevrolet's modern lines—in every detail of its smart new Fisher bodies, you will see the fine hand of the master designer and the skillful craftsman. And the more closely you inspect it, the more deeply impressed you will be.

The improvements in the new Chevrolet Six begin at the smart new chrome-plated headlamps and extend throughout the entire car. The radiator is deeper and unusually efficient. Due to the increased wheelbase, the lines are longer and lower, giving an air of exceptional fleetness and grace. And the new Fisher bodies combine with this more attractive exterior appearance, a new degree of interior luxury.

The upholstery is of fine quality mohair or broadcloth,

carefully tailored and fitted. The number of individual springs in the rear seat cushions has been increased by 25%. The windshield and windows have been redesigned to provide wider vision. And all interior fittings have been made more pleasing to the eye.

The chassis of the new Chevrolet Six has also been refined and advanced in a number of different ways. The frame is heavier, deeper and stronger than before. There is a smoother operating, long lived clutch; a sturdier front axle; an entirely new steering mechanism of the worm and sector type; an easier shifting transmission. In fact, every vital feature of the new car has been made better and more satisfactory to the owner.

Obviously, these many improvements are responsible for a higher standard of quality than before. And they become doubly significant when you consider that they are offered in a car which provides the smooth, quiet, flexible performance of a 50-horsepower, six-cylinder motor—the comfort of four long semi-elliptic springs and four hydraulic shock absorbers—the safety of a gasoline tank at the rear of the car—and an economy of operation not surpassed by any automobile.

» AT NEW LOW PRICES «

Fine as it is, the new Chevrolet Six now sells at lower prices—making the economy and satisfaction of Chevrolet ownership even more outstanding. We urge you to come in

and see the Bigger and Better Chevrolet. Its modern design reflects the spirit of the times and it represents a value which will commend the interest of every buyer in the low-price class.

WHAT DR. CALDWELL LEARNED IN 47 YEARS PRACTICE

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound. It can not harm the system and is not habit forming. Syrup Pepsin is pleasant-tasting, and youngsters love it.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any reason for their use. Syrup Pepsin will empty the bowels as promptly.

Do not let a day go by without a regular, natural, healthy bowel movement. Do not go to the nearest drug store, but go to the nearest drug store and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or Syrup Pepsin, Dept. BB, Montreal, Canada.

Prices Seek New Low Level at Wall's

Folks, we have a house full of brand New Fall and winter goods and MUST SELL them in order to meet our obligations. We have fairly slashed our prices to pieces that you may save on your winter needs. Visit our store, you will wonder how we are selling good dependable dry goods at such money saving prices.

KONJOLA TRULY WONDERFUL SAYS THIS MAN

Dallas Man Suffering With Kidney Ailment Finds First Relief In New Medicine

MR. W. E. ROWLEY

"For over a year and a half I suffered with rheumatism and kidney trouble", said Mr. W. E. Rowley, 216 Bryan street, Dallas. "I frequently had dull aching pains across my back and was forced to rise frequently at night. A constant pain in my right leg caused me much misery and I limped in getting around. Pain in my back and side did not permit a good nights rest. I felt dull and listless and my vitality became lower and lower."

"A friend, who knew my condition told me about Konjola. Konjola did so much for me that I am at a loss to express my appreciation. The rheumatic pains in my legs have left for the first time in a year. My kidneys are once again functioning properly. My sleep is no longer broken by pains in my side and back. I have only taken two bottles but I certainly shall continue the treatment."

It is recommended that Konjola be taken over a six to eight week period. Best results are usually obtained in such cases.

Konjola is sold in Knox City at The Orient Drug Store, and by all the best druggists in all towns throughout this entire section.

Mr. and Mrs. T. P. Reeder and son Glendon of Crowell spent Sunday here with his mother, Mrs. M. A. Reeder.

A group of twelve of the Baptist ladies, the pastor Reverend Stovall and Uncle Joe Smith attended the Workers Council held in Haskell Monday.

Lloyd and Glenn Fox plan to spend Thanksgiving with relatives in Crowell.

Miss Bucholt spent Wednesday of last week in Wichita Falls.

Mr. H. A. Nix of O'Brien has bought a Farmall from Jamison-Clients Company which will be delivered in the near future.

When you have alcohol or Prestone put in your radiator at Ashcroft, you get your radiator thoroughly tested and all connections tightened free of charge.

Mrs. J. T. Orsborn was called recently to Will's Point to see her mother, Mrs. Nelson who died. Mrs. Orsborn returned home the first of this week.

We are all subject to colds. But they need not cause us suffering. Bayer Aspirin breaks a cold in a hurry. Or taken in time, heads it off entirely. You can avoid other suffering the same way. Headache, and even the pain from neuralgia, neuritis or rheumatism, yields to Bayer Aspirin. It always helps; never harms; does not affect the heart. Genuine Bayer Aspirin has Bayer on the box and on each tablet.

Aspirin is the trade mark of Bayer, Manufacturer of Mannesmannstrasse, Germany

For Eye, Ear, Nose and Throat troubles, Eyes tested and glasses fitted, see Dr. L. P. McCrary on December the 3rd at Dr. Edwards Office.

Will Give Cigarette for Each Gallon Gas

Beginning Thursday, November 27 and lasting through December 20 inclusive we are going to put aside one cigarette for each gallon of gas we sell and one package of cigarettes for each crank case drained, to be sent to World War Veterans at Kerville Christmas.

These cigarettes will be turned over to the Auxillary of Knox City on December 21, to be included in the package which they will send to those soldiers.

Remember one cigarette for each gallon of gas. Let us fill your tank.

Electric Filling Station
J. V. Jones, Proprietor

Now is the time to change to Germ-Processed oil... It's DE-WAXED. That means easy starting... and its Penetrative Lubricity means safer Lubrication during the trying months ahead

Is your car hard to start these cold mornings? Let that be a reminder that these are danger months for your motor!

It takes more turning-over to start, and more running to warm-up your motor during the cold months. So now, more than ever, you need the extra protection of this oil with two big cold-weather advantages!

Conoco Germ-Processed Motor Oil is de-waxed to prevent congealing at low temperatures. That's the first reason. Second, its penetrative lubricity insures instant lubrication at the first touch of the starter. By decreasing friction, Germ-Processed oil adds to the ease of starting.

You may be able to buy some other oils

which are de-waxed, but there is only one oil with penetrative lubricity, only one that penetrates metal-surfaces and never drains away from working parts.

It's Conoco Germ-Processed Motor Oil. Ask for it whenever you see the Conoco Red Triangle.
