## KCHS Homecoming Next Sunday Will Bring Big Postwar Crowd To Day of Old-Time Fellowship

Knox City will have open house next Sunday, when hundreds of ex-graduates will return to the halls of their alma mater for an all-day program of fellowship, fun, and feed.

The Sixth annual meeting of the Knox City Alumni Association will convene at the high school auditorium at 11 o'clock, Sunday, June 2nd, in its first postwar session that promises to bring a record crowd of ex-students and patrons together for a full day of events that will be topped at noon with a basket lunch for the entire crowd.

Started six years ago, the alumni meetings have proved a popular means of bringing lost sheep back to the fold of Knox City High School. Friendship ties that have been obscured by time and distance are here renewed, old class-

mates are reunited, and many an incident of the bygone school days are recalled. It serves as a community get-together, with every one in the community invited to attend. You will find somebody you know, after being there a few minutes.

Mrs. Mabel Pyeatt, president of the association, has issued an invitation to the entire community to come out. We are honoring the ex-service men and women this year, and want the largest meeting we ever had. It is your meeting, and you will enjoy the occasion.

Bring only your lunch, sugar and tea, if you wish. Silverware, plates, glasses, etc., will be furnished.

Bring the family and spend the day with us, meeting old friends and acquaintances," Mrs. Pyeatt said.

The first assembly is scheduled for 11 a. m., in the school auditorium, for a period of worship. A program of songs and a message by Rev. John Stout, pastor of the Knox City Baptist Church, will be heard. Several special song numbers have been arranged for this time.

At 12:30, the basket dinner will be spread in the school building for an hour and a half period of visiting and flank attack on fried chicken and other delicacies. Visitors are reminded to bring their baskets to the lunch room in the old school building where a committee will handle the details of spreading the lunches, etc. Silverware, glasses, plates and other utensils will be furnished. All you need to bring is the lunch, and sugar and tea for your family, if you so desire. There will be plenty of coffee and water furnished.

After the basket dinner, at 2:00 o'clock, the afternoon program will get underway. Principal speaker will be M. E. McNally of Memphis, Texas, a former superintendent of the Knox City schools. Mr. McNally will speak on the subject of "Memoirs of Early School Days." He will relate many interesting incidents in the early days of the school, and refresh memories of ex-students who now have children in the school where they learned the three "R's".

Vaughn Gruben will give the welcome address and Monte Whitten, a graduate of KCHS this year, will make the response. Mrs. B. B. Campbell will speak on the subject, "Backward Glances of School Days." Mrs. Campbell has prepared an interesting talk on her topic, and all of us like to hear and revel in the "good old days."

The association has had many letters from ex-students saying they would be here for the meeting. Many are coming to spend the weekend with friends here. Spare rooms are needed by the housing committee, so if you have any extra room, please phone the chairman, Mrs. E. E. Teaff, and give her the information.

### Ed Shaver Withdraws

Ed Shaver, local city commissioner and farmer, announced this morning that he was withdrawing his name from the race for County Commissioner, Precinct 1, in which Knox City is located.

Mr. Shaver, who recently suffered a painful back injury, said he had decided that his physical condition did not permit him to go on with the contest, and if elected, the subsequent duties of the office.

"I am grateful for what has already been done in behalf of my candidacy by my many friends, and although I regret disappointing them, I do not feel my health permits me to go on. I want to thank every one for their kindness," he said.

Mr. Shaver's withdrawal narrows the commissioner's race to one candidate at this time, Tom Stogner, who announced a few weeks past.

### Navy Chief Gets Boy Scout Medal

Fleet Admiral Chester W. Nimitz, USN, got the Silver Buffalo (which he wears around his neck) and some off-the-schedule hero worship, as Sea Scout Morton Agatsten, Clayton, St. Louis, Mo., stepped up to congratulate him following the presentation at the national convention of the Boy Scouts of America in St. Louis. Agatsten is a member of Sea Scout Ship 28, the Polaris. The Silver Buffalo received by the Chief of Naval Operations is Scouting's highest national award for services to boyhood.

### Mrs. Harrison In Race for District Clerk

We are authorized to announce the candidacy of Mrs. Opal Harrison, widow of Ancil Harrison, for the office of District Clerk of the 50th Judicial District, subject to the action of the Democratic primary.

Mrs. Harrison believes that she is qualified to handle the duties of the office and promises, if elected, to give prompt and diligent attention to all matters connected with the office.

Mrs. Harrison said she will attempt to see as many of the voters as possible, and asks their due consideration and investigation, and will appreciate their vote and support.

She is the mother of three children and resides in Benjamin.

### Local Students In Piano Tournament

The following students were visitors on the Hardin-Simmons campus Tuesday of last week when they entered the National Piano Playing Tournament.

Julie Frizzell, Zana Ann Hamm, Jane Knight, Jean McAuley, Mary Beth Waldrip of the grade school and Paul Green from K. C. high, Carol Ann Hitchcock and Loyse Jean Coats of the O'Brien school and Neida Vaughter of Rochester were also entrants.

These young students all won the honors for which they entered and are pupils of Mrs. E. Q. Warren.

### Methodist Social Honors Mrs. White, Ruth Rice

The members of the Methodist Church enjoyed a social hour at their church last Thursday night, honoring Mrs. H. L. White, who will move to Fort Worth soon to make her home, and Miss Ruth Rice, who leaves Saturday for El Paso and Chihuahua, Mexico, to visit her sister and brother.

Rev. Henderson was leader in a group of games, Paul Green presented several piano numbers, and vocal solos were given by Mrs. Bobby Simpson and Mrs. Ross Griffith.

Parting gifts were presented to the honorees.

### SURPRISE DINNER FOR J. W. GREEN

A surprise birthday dinner was given J. W. Green in his home Sunday. Mr. Green was 75 years young. Three of his daughters were present at the dinner.

Those present were Mr. and Mrs. George Vance and children, Barbara Nell, George Paul and Mary Ann, Mrs. Oscar Gideon and children, Weldon, Hollis, James and Mildred, Mrs. John Henderson and son Jim Dunnam and wife and baby, Miss Lou Vance and Vera and Walter Rudspeth, all of Knox City.

Also present were M. T. Cox, a grandson, and Alvin Davis, a friend from Sweetwater.

### MR. AND MRS. DeSPAIN OPEN FILLING STATION

Mr. and Mrs. J. F. DeSpain have moved to Knox City, and have opened a filling station in front of the Knox City Motor Co. location.

The new firm will handle Phillips 66 products.

Mr. and Mrs. DeSpain plan to build here in the near future.

Mrs. J. L. Brock, Miss Lettye Brock, and Mr. and Mrs. Alton Carr and daughter, Camilla, all of Chillicothe, spent Sunday in the home of Rev. and Mrs. V. N. Henderson.

### Food Drive Needs Added Interest

A helping push is needed in the local food campaign, officials of the drive report. While there has been fairly good support, the campaign is lagging.

Sponsored jointly by the KC Lions Club and the Study Club, the drive has netted a fair supply of food stuffs for overseas famine victims.

Boxes are prominently displayed in all grocery stores in Knox City and everyone is asked to respond to the request of "one can of food per person" during the drive.

### Lions Club Team Playing Good Ball Under Lights

The Knox City Lions Club softball team have three victories to their credit on their newly lighted field. They downed Plainview last Saturday night 15 to 4, beat Munday 7 to 4 Monday night, and won the Sunset-Knox City game Wednesday night with a score of 9 to 4.

Johnny Carver decided the ball game against Munday with a smashing triple into the right field fence with the bases loaded in the fifth inning. Alvin Roberts hit a 4 bagger in the first inning. "Lefty" Carver, our pitcher, had one bad inning in the sixth and walked three men. With the bases loaded, King came up and got at triple on an error against our right fielder for three runs. Lefty came back in the seventh and struck out three straight men to end the ball game. He got 16 strikeouts in the game.

The team will play Rule here Friday night at 8:15, and next Tuesday night, June 4th, they take on Goree. This should be their toughest game of the season. Goree has lost only one game this season. Stamford defeated them in the twelfth inning, 1 to 0.

Knox City will play Haskell here Thursday night, June 6.

### Art Davis To Play Here Wednesday

Art Davis, versatile star of radio, screen, recordings and stage, will appear in person in Knox City next Wednesday at 10 a. m., in company with his Rythm Riders.

The group will present a free show of typical western music, sponsored by the OK Rubber Welders.

### SCHOLASTIC CENSUS SHOWS GAIN

Knox County added 34 pupils to its scholastic census over the previous year, County Superintendent Merick McGaughey reports.

The total this year is 2568, compared with 2534 for the last year's census.

A check revealed most of the gain occurred in the Knox City, Munday and Goree districts.

### METHODIST WSCS MEET IN GRAHAM HOME

The W. S. C. S. members of the Methodist Church had their monthly social meeting in the home of Mrs. L. W. Graham Monday afternoon, with Mrs. Graham and Mrs. L. N. Bridges, co-hostesses.

Birthdays honored at this meeting were Mrs. J. A. Wilson and Mrs. A. E. Hopson. Mrs. Jack Wilson and Mrs. Eddy Angle presented two duets, followed by games and refreshments.

### Stamps Quartette At O'Brien June 4

The Stamps All-Star quartette will appear in O'Brien at 8:30 p. m., on Tuesday, June 4th, in a recital sponsored by Methodist W. S. C. S.

Well-known as a versatile singing group, the Stamps unit will give a balanced program of songs.

### CCC To Pool '44 Cotton Loans

Knox County farmers who have 1944 cotton in the Commodity Credit Loan will receive within the next ten days a postal card giving notice of intention of the corporation to pool all outstanding 1944 cotton on July 1, 1946. Attached to the postal card notice will be copies of release postal cards on which farmers may release their 1944 cotton that is now in the loan. The Commodity Credit Corporation is anxious that all producers having loans outstanding on 1944 crop cotton be informed of the intention of the cooperation to pool all such cotton on or before July 1, 1946. Based on the present price, farmers should be able to sell a large part of this cotton at prices well above the loan charges.

### County Council Delays Meeting

The Knox County Council of Home Demonstration clubs will meet on June 14th, instead of the previously set date of June 7th. The meeting will be held in the court house assembly room.

Miss Ruth Thompson, district agent, will be present with Mrs. Edna Trigg, who was the first home demonstration agent in Texas. Mrs. Trigg will have a part on the program.

All club members in the county are especially invited to council that day. Let's have a good crowd present to hear Mrs. Trigg. I am sure it will be worth your time to attend this meeting.

Mrs. Wesley Trainham, Council Chairman

### Grandmother Rader Celebrates 80th Birthday

Grandmother Rader celebrated her 80th birthday with a dinner in the O'Brien community, Sunday, May 26.

Those present for the dinner were Mr. and Mrs. E. C. King and family, O'Brien; Mr. and Mrs. J. C. Hester, Haskell; Mr. and Mrs. Wiley Bean, Jerry, Wilson Bean, Wynelle; Mr. and Mrs. Everett Berryhill and family; Mrs. A. A. Gaunt, Mrs. Irida Branton, all of Rochester.

Mr. and Mrs. Elmer Underwood and daughters, Mr. and Mrs. Leo Benson, Mrs. Blanche Thomas and family, Mrs. Mary Penick, Rule, Mr. and Mrs. Joe Wilson and family, Clovis, New Mexico.

Guests after dinner were Mr. and Mrs. W. I. Pierson, Mr. and Mrs. I. B. Grissom, Mr. and Mrs. H. T. Rader, Mrs. L. L. Bean, Mr. and Mrs. John Rader and family, Mr. and Mrs. Ralph Riggins and family, Mr. and Mrs. Hubert Riggins.

There were 61 guests present for the occasion.

### County Seed Farm Distributes Grain Over Wide Area

Frank Cerveny, owner and operator of the Knox County pure seed farm in the Rhineland Community, reports that he has sold and distributed seed to five states, Tennessee, Oklahoma, Arkansas, Kentucky and Texas. Approximately fifty thousand pounds of different varieties of improved grain sorghum seeds have been sold to about four hundred different farmers in these five states.

The principal varieties of seed distributed were Caprock, Plainsman, Hegari and Bonita.

The production of certified field seed is one that requires considerable extra labor and exactness in its production for the reason that each field is visited by a representative of the State Department of Agriculture during its growing period and all types of stalks and heads that do not conform to the particular plant characters are destroyed before the booting stage.

The foundation seed from which Mr. Cerveny started these different varieties was secured from the Chillicothe Experiment Station in about one half pound lots. Another very arduous task is that of bagging the heads of the different varieties by tying a paper sack over the head before it emerges from the boot, in order to eliminate foreign pollination. This bagging task must be performed in order to supply the grower with sufficient seed for the next year's crop.

Mr. Cerveny is assisting the farmers of Knox County to increase their crop yields by an average of approximately four to eight bushels per acre, because of his furnishing them with pure, improved seed of adapted varieties.

Rev. Vernon N. Henderson, pastor of the local Methodist church, is an instructor at the Youth Fellowship meeting of the Northwest Texas Conference held at McMurry College in Abilene, Monday through Friday of this week. Delegates from this county are Barbara Jane Almanrode of Knox City, D. G. Chamberlain of Munday, and a delegate from the O'Brien Methodist Church.

Rev. John Hall, former pastor of Wehnert Foursquare Church, was in charge of the service at the local church Tuesday night. Rev. and Mrs. Hall and daughter will go to Guymon for revival services there, where his brother, Rev. Joe Hall, former pastor of the Knox City church, is located.

Miss Ruth Rice will leave Saturday for El Paso to visit her sister, Miss Ann Rice, and from there will go to Chihuahua, Mexico, to visit her brother, Charlie Rice and family.

Mrs. L. B. Hammer of Houston is spending this week with her sister, Mrs. H. E. Wall and

### Rites Held for E. M. Dennis

Funeral services for Earnest M. Denton, 44, a resident of Stamford who passed away in that city May 23, 1946, were held in Knox City last Saturday at 3:00 p. m.

Rev. John H. Stout and Rev. Vernon N. Henderson, conducted the last rites in the Baptist Church. Burial was made in the Knox City cemetery.

Mr. Dennis was a native of Jones County, Texas. He had lived at Weinert for several years, and at Levelland for the past 12 years, moving to Stamford only three months ago, where he operated a tourist camp and filling station.

Survivors are his widows and two daughters, Mrs. Earnestine Guetersloth of Levelland, and Patsy Ruth Dennis, Stamford.

One grandson, a brother, and other relatives also survive.

### Washington Letter

Washington, D. C. May 24—We write about strikes. Americans want our standards of living. cannot be done by killing geese that lay the eggs. Most of the strikers now drawing the wages in all history, the average weekly of passenger engineers \$105.67 and \$105.67 and \$105.67 respectively. This is an income of about \$5,000. Many of these engineers their weekly salary 24 hours or less working time.

The average income General Motors workers approximately \$3,000. In the period the average income of iron and workers has risen 57 per cent. Textile workers 101 per cent and bituminous coal 139 per cent. So in the railroads, in the industry, in the automobile industry, all of which have or are on strike, their incomes before strike were reasonably good. far exceeds the income of average farmer or clerk or teacher.

Some unions of federal eyes are now insisting have a right to strike. In 1943 members of the Federal Workers of CIO, in the City of Washington mailed circulars stating in part, "Are you for democracy on the front? Write your Congress to protest the Smith-Hughes bill." At that time House floor I condemn circular, and predicted this sort of thing come we may one day have against the government employs them." I believe the first Member of Congress to condemn this practice, predict sinister developments on the House floor the following speech: Speaker, democracy is our government is in Six months before Harbor I stood in the of this House and predicted our failure to establish a firm, consistent labor would get us into trouble. Now we have the and the railroads against the government. A union of federal eyes have insisted they a similar right.

Very least we can now to write immediately into two things: (1) that against the government time, under any circumstances, is a crime; (2) that disputes in which public health, safety, or is seriously involved is submitted to compulsory arbitration. To say that laws cannot be enforced rapid admission of futile government that can seem to die for the safety people can force men for the same reasons.

American people have to be alarmed. They are saying: "Will the big labor continue to vie with other in seeing who can the most out of a de-lusion public? Can big in-terest and big labor unions with impunity the gov-ernment of the United States? answer these questions af-firmly is to insult the and the intelligence of American people.

Speaker, I can imagine and Mussolini looking from their beds in hell at our puny efforts have ourselves from eco-nomic and political destruction. shape in anguish and re- they simply cry, "Oh, had only waited."

## Knox USDA Council Meets With Seymour Group May 23rd

The Knox County U.S.D.A. Council held its regular meeting jointly with Baylor County U.S.D.A. Council at Seymour, on Thursday, May 23rd., at 9:30 A. M.

The purpose of this joint meeting was to discuss the problems that are common in both counties and that there might be a thorough understanding of action regarding any problem that might arise, especially that of deferment from military service and also the furloughs or discharges that are requested by farmers within either of the counties. Several points as to the condition that would constitute a deferment or a discharge were discussed and a definite understanding was agreed upon.

Problems pertaining to the Emergency Food Collection were also planned and discussed, and it was the opinion of the group of both counties that the more logical solution toward an ultimate goal would be that of cash contributions, rather than of canned or dried foods; however, both methods are being practiced. Sponsoring organizations within both counties have been set up, and it is usually service organizations such as the Lions' Club, Rotary Club, Chamber of Commerce and other groups who are taking the initiative of the food drive.

ALL governmental agencies except one, were represented at the meeting, and particular phases of progress in soil conservation were discussed and especially that of winter legume crops such as Austrian Winter Peas and Vetch. Mr. Hoyle, County Agent of Baylor County, lead this discussion and cited several instances where demonstration plots were being conducted with good results.

Other points of discussion were the value of small grain as a pasture crop for livestock in the winter and the problems of livestock losses on small grain fields where the farmer or rancher was not familiar with the procedure to follow in case livestock in weakened conditions were turned into the wheat fields without a previous 24 to 72 hour feeding period, consisting mostly of roughage.

Miss Bonnie D. Whittenberg, County Home Demonstration Agent of Baylor County, gave the council members up-to-date information regarding a few of

the necessary preparations of fruit and vegetables prior to the time of being placed in the frozen food locker. Points covered by Miss Whittenberg were the selection and preparation of foods, heat treatment necessary to stop certain bacteria action, a slogan of "one hour from field to frozen food locker" as being the most desirable, and the packing of foods in containers that are air tight and moisture proof. These and many other points were discussed by the whole group who have had various experiences with their different products in the Frozen Food Lockers.

Mr. Ray F. Christian, of the Farm Security Administration, gave the council members information as to the opportunity that most farmers had towards securing a loan for obtaining an adequate water supply for the farm home, either by the construction of an earthen tank or the digging of swater wells.

The next meeting of the Baylor-Knox County U.S.D.A. Council will be held in Munday, Knox County, Texas, on June 27th, at 9:30 a.m. in the Vo-

national Agri. Department of the high school. The program committee, consisting of Emmett Partridge, chairman of the Knox County U.S.D.A. Council, Doyle Thomas, of the Knox County A.C.A., and R. O. Dunkle County Agent, will arrange the program for this next meeting.

**Local Girls Attend Campfire Meet**

Six members of the Oweeda Campfire group, from Knox City attended the Metexaca Camp at Lueders May 24-28. The following program was carried out:

Friday cabin assignments and Circus Day with Stamford camp in charge. All animals and treats were fully represented.

Saturday, Gypsy Day, with the Anson camp in charge. Full Gypsy regalia made by each member of camp and worn to the Gypsy camp party.

Sunday, all groups were in charge with a very impressive service under the tabernacle followed by a story hour under the beautiful story telling tree on the bank of the river. There each camp was given a talent, (10 cents) to make grow and in the near future be sent to foreign children on the present relief drive.

Monday, Homes Around the World program was carried out with Knox City girls in charge. Place cards of all types of homes were made for favors.

Each group treated a stunt of their own carrying out customs or costumes of all countries.

Tuesday was the birthday for our campfire camp and everything pertaining to the birthday was carried out.

Perfect order prevailed at all times even though there were over 200 girls there.

Campfire honor is a law which the girls live up to with the highest respect. It is proving to be the best training for our girls.

Those attending were Zana Hamm, Carol Ann Armstrong, Jane Knight, Julie Frizzell, Mrs. Olive Dool, and to Denton, Mrs. Henry Jones, their guardian, and Mrs. Harper Knight, their sponsor, accompanied the girls.

**Legion Head Lauds Blue Cross Plan**

Herman G. Nami, State Commander of the American Legion, in a written endorsement commended the newspapers of Texas for their part in extending health protection to the returning veteran through the newspaper's unrestricted May 10 to June 10 unrestricted enrollment campaign for World War II veterans in the Blue Cross Plan.

"The veteran, after having served his country on the battlefronts, is now attempting to readjust himself to normal civilian pursuits, and he is entitled to every possible consideration," Nami writes. "Enrollment in a Blue Cross nonprofit hospital plan will provide for the veteran, and his family as well assurance that an unexpected illness will not retard his readjustment financially." The enrollment campaign is a national program sponsored by the newspapers of America

through co-operation with the Blue Cross Plans of the nation. **THE LAST THOUSAND MILES ARE THE HARDEST**

...so keep your car in good condition for safety's sake

**YOUR CAR WILL BRING TOP TRADE-IN PRICE IF YOU HAVE IT SERVICED BY YOUR FORD DEALER**

●● You probably have driven your present car more miles and years than any other you've ever owned. It still may have a long way to go before you get delivery of a new car. ●● As a car grows older the strain on all parts increases and regular care is more important than ever—not only to keep it rolling and maintain its trade-in value, but to keep it in safe operating condition! ●● You'll find the best way to keep your car in good condition is to bring it "home" regularly—to your Ford dealer—for service. ●● With the return of many veteran mechanics, your Ford dealer can now offer you fast, expert service. He uses genuine Ford parts—to make your car run better, last longer. Remember—Ford's out in front in service, too!
