

Telephone Company Adding Equipment To Facilities Here

A major equipment expansion project costing over \$9,000 has begun in Knox City, Don Mortimore, district manager for General Telephone Company of the Southwest, announced today.

Eighty additional lines and eight additional links of dial equipment are being installed in the Knox City telephone office.

The project is expected to be completed later this month.

Mortimore said the additional equipment was necessary because of Knox City's growth in recent years. A milestone in telephone growth was reached recently when the 500th telephone was installed in Knox City.

The total number of telephones in service in Knox City today is 503. This compares to 311 telephones here in 1950 and 119 in 1940.

1,376 Receive Free Chest X-Rays Here

The number of Knox Citizens, as well as Knox Countians, taking advantage of the free chest x-ray program was smaller this year than in 1954.

A total of 2,692 persons in the county received the x-rays this year, while last year the total was 3,186. Knox City's total was 1,376 Friday and Saturday, compared with 1,561 in 1954. Munday's totals were 1,316 and 1,635 in 1954.

The State Health Department's mobile x-ray unit was in the county from Tuesday afternoon through Saturday of last week.

Mrs. Sam E. Clonts, local chairman, expressed her thanks to everyone who helped with the x-rays. She especially thanked Benedict Motors, where the examinations were made; West Texas Utilities, who helped install and disconnect the unit; Lone Star Gas Co., who served coffee and cookies both days; the Campfire Girls and Cub Scouts who paraded the streets reminding people to get their x-rays; and the ladies of the Knox City Study Club, who helped with the registration.

The 1946 Study Club sponsored the mobile unit's visit to Knox City. County chairmen were Mrs. C. G. Markward of Knox City and Mrs. D. C. Eiland of Munday.

It is felt that the rainy weather and muddy roads kept many people from getting the x-rays this year.

BAND WINS FOURTH IN CONTEST AT IOWA PARK

The Knox City School band won fourth place in marching at the Texas-Oklahoma Fair in Iowa Park last Thursday. The band competed against seven bands, a number of them from Class A schools.

Archer City's Class A band won first, Holliday second, and Munday's Class A band third.

In the twirling contest Glenda Givens won third place and Jerria Poe won fourth place.

State Foursquare Convention To Be in Session Here Oct. 10-13

Opening session of the Foursquare Convention will be held at the school auditorium Monday night beginning at 7:30. Rev. Floyd Bailey, pastor of the local church, said Tuesday.

Rev. and Mrs. Bailey are host pastors to the annual state Foursquare Convention, being held in a small town for the first time.

Dr. Howard P. Courtney of Los Angeles, Calif., will be principal speaker for all evening services, which will be held at the school if attendance is as large as expected.

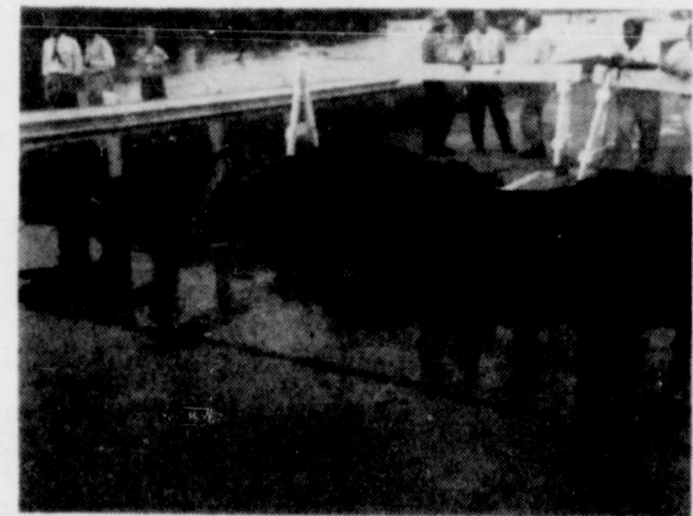

Dr. Courtney is general supervisor of Foursquare, both national and international, and is a personal friend of the Baileys. Mrs. Floyd Bailey, Jr., at one time served as Dr. Courtney's secretary in Los Angeles.

"We are fortunate to have Dr. Courtney with us during this convention and want everyone in this area to meet and hear this dynamic speaker," Rev. Bailey said.

Tuesday will be Sunday School Day, with Rev. Isabelle Helmle in charge. Rev. Helmle is national director of Christian Education. Class rooms at the local church will be used to display Sunday school promotional work and for panel discussions of the different age groups. Morning services will begin at 9 o'clock, with a well-known speaker at 11 a. m. Afternoon services will begin at 2 p. m.

Wednesday will be Foreign Missions Day and Thursday will be

Flooding Rivers Do More Damage To Knox County Crops and Roads

Sheriff H. T. Melton took this picture across the 20-foot gap in the bridge on Highway 283 across the North Wichita River, which at that point is the line between Knox and Foard counties. The river undercut the approach and the concrete slab collapsed sometime Monday night.

The man in the striped shirt, rubber-necking from the Crowell side of the gap is Jack Spikes, erstwhile Knox Citizen now a Crowell druggist.

Knox County suffered more flood damage to cropland, roads and bridges when heavy rains sent the Brazos, South Wichita and North Wichita rivers out of their banks.

The Brazos rise was not as great as last week, but many fields were flooded again, the Stonewall Gas plant was flooded, and on farm road 143, where repairs had been started on damage from last week's flood, the tons of dirt that had been hauled in was washed away.

The second flood did more damage to roads than the first, it was reported, because the road beds were still soft.

According to Sheriff Homer T. Melton the South Fork of the Wichita River was out of its banks, but did no damage other than to fields and pasture lands.

The North Wichita was on the biggest rampage, Sheriff Melton said. It was reported that the dam broke on a large private lake near Paducah, covering approximately 100 acres, and sent the lake's water tumbling down the Wichita.

About 20 feet of the north approach to the bridge on Highway 283, between Truscott and Crowell, was washed. Sheriff Melton said the raging water cut under the approach, just at the end of the bridge, and the concrete slab collapsed.

The bridge was washed out sometime Monday night. Until the water receded somewhat no one could get within a half mile of the bridge from either direction, because of submerged roads.

The Santa Fe Railway bridge, near the highway bridge, was also washed out. The sheriff said it appeared that approximately 100 feet of the bridge and its approach was sagging.

Bedrooms Needed for Convention Visitors

Rev. Floyd Bailey said Wednesday that ten or fifteen additional bedrooms are needed to accommodate out-of-town people here to attend the state Foursquare Convention Oct. 10-13.

"Indications are that more will attend than we at first believed," the pastor said. "If you have a spare bedroom, please see or call Mrs. Bailey or Mrs. Fred Jones."

Extension Course May Be Offered Here

A group of fourteen teachers met in the high school library Tuesday night to discuss the possibility of an extension course being offered in Knox City.

Towns represented were Knox City, Weinert and O'Brien. People from Haskell, Munday and Benjamin have expressed an interest in taking the course, Supt. Chas. E. Silk said.

Mr. Jetton of Hardin-Simmons University, Abilene, met with the group. He said the course would be counted as graduate or undergraduate credit. The class would meet 16 times during the year in three-hour sessions.

Another planning meeting is expected to be held within two weeks and anyone interested in taking the course, may contact Supt. Silk at the school.

National director of Sunday School work in the Foursquare Church is Rev. Isabelle Helmle of Los Angeles, Calif. Rev. Helmle will be in charge of services Tuesday, Oct. 11, which will be Sunday School Day during the state Foursquare Convention which will be held at the local church Oct. 10-13.

O'BRIEN COMMUNITY CIRCLE TO MEET MONDAY NIGHT

The O'Brien Community Circle will meet Monday night, October 10, it was announced this week by Ford Waldrip, president.

New officers will be elected at the meeting, and plans will be made for the school's Halloween activities.

The meeting will be at the school beginning at 7:30 p. m.

Board Requisitions New School Bus

Due to inclement weather, only four members were present for the regular meeting of the Knox City School Board Tuesday night.

Members authorized the immediate requisition, through the State Board of Control, of a new school bus to replace one presently on the route. The bus will be paid for from the State Transportation funds, Supt. Chas. E. Silk said. Another bus will provide a standby to be used for school activities when other buses are on regular runs.

The board authorized the employment of Howard Hendrix to transport the nine Negro students to Haskell to attend school.

During the meeting, board members conferred with Rip Collins, who is representing the board in acquiring certain property around the school premises which will be used for building and campus purposes. Collins was authorized to negotiate with property owners and complete deals.

Preliminary sketches of a new high school building were examined. The sketches were submitted by Wilson & Patterson, Ft. Worth architects. Some changes in the plans were recommended and board members requested more detailed drawings from the architects.

Band Boosters Begin Membership Drive

The Knox City Band Boosters met Monday night, Oct. 3, in the high school library.

Supt. Chas. E. Silk read the proposed constitution and by-laws, recently drawn up by a committee composed of the superintendent, Mrs. W. W. Warren, Mrs. Rip Collins, Mrs. W. N. Bishop, and band director W. J. Morris. A motion was made that the constitution and by-laws lay on the table until the next regular meeting. Copies may be obtained by contacting Mrs. George Ross.

Mr. Morris gave a report on the band's trip to Iowa Park last Thursday. The band took fourth place in marching. Glenda Givens won third place and Jerria Poe fourth place in twirling. They are to receive a trophy and medals later.

A membership drive began with the meeting and will continue through November 1.

Annette Warren and Wynette Tankersley played a saxophone duet, "Lightly Row."

Those attending the meeting were Mr. and Mrs. W. W. Warren, Mr. and Mrs. Morris, Mr. and Mrs. Clyde Guy Robinson, Mr. and Mrs. E. H. Tankersley, Jr., Mr. and Mrs. L. C. Guinn, Jr., Mrs. O. M. James, Mrs. Lynn Tankersley, Mrs. Charles Givens, Mrs. O. D. Reid, Mrs. Benton Anderson, Supt. Silk, Mr. and Mrs. G. W. Ross, and Mrs. Ottis Cash.

Visitors were Annette Warren, Wynette Tankersley, Jackie Givens and Mrs. B. Huntsman.

Florence Reeves, sweetheart of the Knox City Chapter, Future Farmers of America, is shown receiving a jacket denoting her office from Carl Bradley, chapter president.

Florence was elected by popular vote of the FFA boys at a recent meeting. She is the daughter of Mr. and Mrs. F. D. Reeves and is a senior student in high school.

'Hounds to Play Newcastle Here Friday Night

The Knox City Greyhounds and the Newcastle Bobcats will tangle tomorrow (Friday) night on the local field, and all Greyhound fans were urged to attend and root for their team.

The Bobcats, who gave the Greyhounds quite a beating last year, have rode rough-shod this season over such Class A opponents as Throckmorton, Henrietta and Archer City. But the Greyhounds, with three victories behind them, are expected to play the visitors a good game. Coach Les Cowan says his boys are in good condition, and there have been no injuries this season.

Probable starters for the Greyhounds are Ross Ed Lankford and Bobby Driver, ends; Martin Lewis and Billy Gilpin or Donald Tankersley, tackles; Carl Bradley and Billy Yarbrough, guards; Rip Collins, center; Don Corley, quarterback; Max Bradley and Cecil Beauchamp, halfbacks, and Bobby Day, fullback.

Next Friday night, Oct. 14, the Greyhounds will play Moran at Moran. Their next home game will be with Strawn on Oct. 21.

Mr. and Mrs. Lloyd Davis of Ft. Stockton spent the week end with Mr. and Mrs. J. W. Smith and other relatives and friends.

Mr. and Mrs. Novell Wright were in Dallas several days, where Mr. Wright received a medical examination.

Sp 3-e Willie Ray Warren, son of Mrs. Rose Warren of Knox City, is enroute to the states after almost 18 months service in Germany. He will arrive at Ft. Dix, N. Y., between Oct. 10 and 15.

Warren entered the Air Force in October, 1953, receiving his basic training at Ft. Bliss, Texas. He then received three months of aviation training at San Marcos, and left the states on May 29, 1954 for Wams, Germany. He will receive his discharge Oct. 27.

Auxiliary to Sponsor Annual "Gift Shop"

The annual "Gift Shop" for hospitalized veterans, sponsored by the American Legion Auxiliary, will be held at the Legion Hall Saturday, October 22, from 2:30 to 4:30 p. m.

Purpose of the Gift Shop is to send gifts to hospitalized veterans for them to send to their families at Christmas time. These veterans are unable to go to town and shop, officers of the sponsoring organization explained.

At the hospitals, the gifts are displayed and the veterans select the gift they want. Hospital workers wrap and mail the packages to the families of veterans, all free of charge.

Everyone in Knox City and surrounding area was invited to bring a gift to the Legion Hall to be sent to the Veterans Hospital in McKinney.

Suggested items are ties, shirts, belts, underwear, socks, handkerchiefs, billfolds, house shoes, stationery, towels, gloves, hose, gowns, dish towels, sheets, pillow cases, luncheon sets, scarves, cosmetics, purses, comb and brush sets, jewelry, or dress-length piece goods.

District Governor Visits Lions Club

Guest speaker at the regular weekly meeting of the Knox City Lions Club at noon Wednesday was W. R. MacDonald of Ft. Worth, District Governor of District 2-E, Lions International.

During a business session, club members voted to offer a \$1.00 prize for the best Fire Prevention poster in each class in elementary school.

Lion President G. W. Coats announced that the club will participate in an intra-club program schedule. The Munday club will furnish a program here, while the local club will furnish a program for the Haskell Lions.

DR. AND MRS. HOWARD P. COURTNEY

Crusader Day, promoting the work of the young people in the church. Dr. Charles R. Gaines of Dallas and Rev. Carl Purdy of Los Angeles will attend the convention and assist in the services. Dr. Gaines is state director of Foursquare Churches.

Plans to serve meals to about 60 people in the church kitchen are being made, Rev. Bailey said, with others eating at the cafes in town. Meals at the church will be served by the Ladies Missionary Society.

"We extend a welcome to the public to attend any or every service during our three-day convention," Rev. Bailey said. "We especially want you to hear Dr. Courtney speak at each evening service, beginning at 7:30."

TRUSCOTT NEWS

AGRICULTURAL RESEARCH EXHIBITS AT STATE FAIR

With a theme this year of "Your Stake in Agricultural Research" the agricultural show is presented by the Texas A and M College and with the State Fair of Texas. Featuring the first "ring" will be a huge revolving display of the mass of agricultural products used

by the average American family of four and one-half people. Demonstrations by top ranking 4-H Club teams and a home economics exhibit also will feature activity in the center rings.

A 60-foot "Menagerie of New Crop Varieties for Better Foods" will be a highlight of exhibits telling how agricultural research has provided the way for more and better food and fiber for the nation's rapidly expanding population.

Other exhibits will tell the story of improvement through research and education of "Beef Cattle," "Cotton," "Disease Control," "Forestry," "Poultry," "Sheep and Wool," "Grain Sorghums," "Dairying," "Insect Control," "Advances in Mechanization," and "Soil Improvement."

The agricultural building will be open from 9 a. m. to 10 p. m. daily with an information booth attended by personnel of the Texas A. and M. College System.

"Texas A. and M. College System Day" has been designated as Sunday, October 16.

COMPLETES TRAINING

Pvt. Delmar L. Ford, son of Mr. and Mrs. John L. Ford of Munday, recently was graduated from the Medical Field Service School's neuro-psychiatric course at Fort Sam Houston, Texas. As part of the course he applied what he had learned in the neuro-psychiatric wards of Brooke Army Hospital. Ford entered the Army in March of 1955. He is a 1948 graduate of Munday High School.

Joe Melton Garrison, 14-year-old son of Mr. and Mrs. Harry Garrison of Tucumcari, N. M., formerly of Knox City, is in Baylor Hospital, Dallas, with an illness diagnosed as leukemia, relatives here learned this week. The youth's grandparents are Mr. and Mrs. Claude Garrison of Knox City.

1946 Study Club Has Opening Dinner

Forty-two members and guests of the 1946 Study Club attended the opening dinner of the club year Tuesday night at The Woman's Club. Mrs. C. G. Markward and Mrs. Chad Wilson were hostesses for the affair.

Mrs. Sammy Tankersley played the piano preceding dinner.

A dinner of baked ham, green beans, pineapple salad, hot rolls, coffee and cake was served buffet style. The table was centered with an enormous wicker cornucopia filled with fruit, leaves and green castor beans.

Poursome tables were set with gold place mats and centered with bud vases of red roses. Other arrangements of roses and seasonal flowers were used in decorating the room.

A musical program was presented following dinner by Mrs. Jerry Cobb. She and her sister, Miss Sue Guinn, sang "Sisters." Miss Lynelle Tankersley and Bobby Tankersley sang "Walking My Baby Back Home," and Mrs. Cobb sang "Birth of the Blues." The program was climaxed by the Tankersleys singing "In My Merry Oldsmobile."

Mrs. Kenneth Myers was accompanist for the program.

Following the program a short business meeting was held with Mrs. Markward, president, in charge. Mrs. H. E. Stephens read the minutes of the last called meeting, and gave a financial report.

A report on the chest x-ray program was given and Mrs. Sam E. Clonts was thanked for serving as chairman for the club in charge of the unit.

Mrs. Neil Perdue announced that club members would start a round-robin bake sale and explained details. New members were introduced.

New year books were distributed by Mrs. Stephens and Mrs. Les Cowan.

Next meeting of the club will be on October 18 when Federation Day will be observed.

Mrs. John King returned Tuesday from Lubbock where she spent the week end with her granddaughter, who is seriously ill. Judy King, 3-year-old daughter of Mr. and Mrs. Joe King, is in Methodist Hospital with a kidney ailment. Mrs. King said Judy's condition was somewhat improved Tuesday.

Legion Auxiliary Installs Officers

The American Legion Auxiliary, Teague-Carpenter Post No. 229, met in the home of Mrs. Alvin Roberts Tuesday, Sept. 27.

Mrs. Guy Robinson was presiding officer for the installation ceremony when the following officers were installed:

President, Mrs. Paul Fitzgerald; vice-president, Mrs. Robinson; secretary and treasurer, Mrs. Loyce Teague; corresponding secretary, Mrs. Roberts; historian, Claude Simmons; chaplain, Mrs. John May; sergeant-at-arms, Mrs. W. N. Lewis; and reporter, Mrs. C. S. Woodward.

Following the installation, the president conducted a business meeting. She placed special emphasis on the membership drive for the year.

All wives, mothers, daughters, and sisters of veterans who hold membership in any American Legion Post are eligible for membership in the Auxiliary and are extended a welcome by the local unit.

LOCAL FHA CHAPTER INSTALLS NEW OFFICERS

During impressive candlelight ceremonies at the school auditorium Monday evening, new officers of the local chapter of Future Homemakers of America were installed and new members initiated.

Jo Chafin, out-going president, presided for the installation of officers. As an officer was installed, she was presented a red rose by the out-going president. All the officers were dressed in white.

New officers are: President, Alice McCarty; vice-president, Peggy Jones; secretary, Florence Reeves; corresponding secretary, June Cox; treasurer, Beverly James; parliamentarian, Patsy Robinson; historian, Faye Reeves; reporter, Barbara Egenbacher; song leader, Patricia Denton; and pianist, Lynelle Tankersley.

Decorations on the stage included a long table laid in white and centered with an arrangement of red roses. Eight red and white candles were placed in a "V" shape. As the purposes of FHA were stated to the initiates, white candles were lighted from the red ones by second-year Homemaking girls.

Guests were parents of members and initiates.

The meeting was closed with the group singing the FHA song, led by Lynelle Tankersley, with Mary Hitchcock at the piano.

Mrs. E. R. Carpenter and Mrs. Alma Culwell were in Abilene Monday. Mrs. Carpenter had an eye examination.

THE LOVELACES

Hodges - Kitley Vows Exchanged

Jo Ann Hodges, daughter of Mr. and Mrs. Buster Hodges of O'Brien, and Jimmy Kitley of Rule were married in a ceremony read Saturday morning, October 1, at the Pinkerton Baptist Church near Rule.

The bride wore a white dress, trimmed in pastel blue, and her accessories were blue. She was a senior in the O'Brien school.

The couple is living in Dallas where he is employed.

JUNIOR FOOTBALL GAME POSTPONED TO OCTOBER 18

The junior football game, scheduled for Tuesday night, Oct. 4, was postponed until Tuesday night, Oct. 18, Coach Les Cowan announced.

The local pups will play the Haskell Juniors for the second time this season. The first ended in a 13-13 tie at Haskell.

Mr. and Mrs. Orland Jamison left Wednesday last week for a tour of the New England states. They plan to return in three or four weeks. Two days will be spent in Nashville, Tenn.

LUNCHROOM SUPERVISOR VISITS LOCAL SCHOOL

Miss Martha Buttrill of Lubbock, District I supervisor of Texas School Lunch program, spent Wednesday at the local school. Miss Buttrill is with the State Department of Education.

District I includes seventy counties and approximately 500 schools. The supervisor complimented the local school lunch room and those in charge of its operation, and noted the improvements made in the last year.

CAMP FIRE GIRLS MEET

The first meeting of the Wa-Po-Ses Campfire Girls was held this afternoon in the club room above the old city hall.

The group will meet every Thursday at 4 o'clock in the afternoon. Members, all sixth grade girls, are Charlotte Perdue, Doris Marion, Kathy Lowrey, Jackie Givens, Nellie Reyes, Earlene Lewis, Carol Collins and Janelle Ward.

A representative of the Social Security Administration will be at the Knox City postoffice Wednesday, Oct. 12, it was announced this week. Persons who desire information or assistance in Social Security matters are invited to meet with the representative at 2 p. m.

Mr. and Mrs. John H. Atterbury, Sr., returned Tuesday from Corpus Christi where they visited their son, John H. Jr., and family, who recently moved there from Houston.

Mr. and Mrs. E. B. Shaver, Sr., were to leave today for Canyon to visit their daughter, Mrs. Tom Lair, and family.

Mr. and Mrs. Clyde Smith were in Floydada Monday to attend funeral services for Mrs. W. E. Holmes. Mrs. Holmes was a niece of Mrs. E. P. Reese and was a former resident of Knox City.

Mrs. A. V. Kemletz Collins were in Wichita Tuesday to buy school supplies.

Friday night guests of Mr. and Mrs. Leon Bivins and Carson were Mr. and Mrs. E. C. Beckner of Round Timber.

STATE 4-H DRESS REVUE SET FOR OCTOBER 15

Climaxing county and district 4-H Dress Revues, in which more than 5,000 club girls participated, the State 4-H Dress Revue on Oct. 15 will feature 46 outstanding girls, representing the 12 extension districts in Texas.

October 15 is Rural Youth Day at the State Fair and thousands of 4-H'ers, leaders, parents and visitors are expected. The revue will be staged in the State Fair Auditorium at 10 a. m., according to extension clothing specialists Nena Roberson, Graham Hard and Madeline Russell. Mrs. Jessie Southworth, fashion coordinator for Sanger Bros., will instruct the models and serve as commentator for the revue.

A highlight of the 4-H clothing program, the State Revue is actually an achievement event. Training in grooming, poise, health, clothing care, repair and construction are a regular part of 4-H club work. Girls aged 14 to 21, who have been 4-H members for at least

three years, are eligible to participate in district and state revues. Younger members participate in county revues.

Models are scored on the construction of the garment, suitability of fabric and design, becomingness, fit choice of accessories, grooming, posture, poise, and on the record of other achievements in 4-H work. Judges for the revue are Miss Janelle Allison, Oklahoma extension clothing specialist, and Mrs. Lera D. Hancock, head of the Home Economics Department of Arlington State College.

Winner of the State Revue will be awarded an all-expense trip to National 4-H Congress in Chicago to participate in the National Revue.

Sewing machines, steam and electric irons and a fifty-dollar certificate are among other awards offered by donors of this 4-H Achievement clothing program.

Mr. and Mrs. Ray Evans and Jack Gordon of Ft. Worth were recent guests of Mr. and Mrs. C. A. Hull.

From where I sit ... by Joe Marsh

Shades of Tom Sawyer!

Hack Willis had just stopped the tractor so's he could cool off at the pump, when a young insurance salesman came up the drive.

Hack was tired of plowing, and needed insurance on his new barn. But he also needed to get that winter rye in fast. The salesman, an eager kid, noticed hesitation. "I come from a farm," he said. "Why don't you look at these booklets—get all the dope—and I'll take that plow a couple of rounds for you."

Young fellow laid off a pretty straight furrow, too. It was almost dark before Hack—sitting

in the shade—was able to decide just what kind of policy to get.

From where I sit, to be a good salesman—or a good citizen—it always helps to "put yourself in the other man's place." He may have a different sort of job with different problems... he may prefer to close a deal over, say, a friendly glass of beer while you might prefer something else. But both of you can co-operate if you make it a "policy" to try.

Joe Marsh

STREAMS in Desert Places

By Ozzelle Stephens

Pardon is a divine gift to who-soever believeth and comes seeking the love of God. "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life." (John 3:16). When one comes repenting unto the Lord Jesus Christ, they

are heard of Him and He blots out their sins. "Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of the Lord." He also gives blessed rest and refreshment for the soul. He hears your prayers, forgives your sins and heals your bodies as well as your land. Even the wicked are pardoned and given life and comfort. (Ezek. 18:21 - Matt. 5:4).

The Lord is ever with you call upon Him and of statutes. He said, "Lo, I commandeth you to wait promise of the Father, saith he, ye have heard from (Acts 1:4). This promised Holy Ghost is to be your companion and guide. His presence will direct you truth, making Stream of peace into your daily life."

"Dr. Livingstone, I presume?"

Drive with care... EVERYWHERE!

Great Features back up Chevrolet Performance: Body by Fisher—Ball-Race Steering—Outrigger Rear Springs—Anti-Dive Braking—12-Volt Electrical System—Nine Engine-Drive Choices.

Every checkered flag signals a Chevrolet victory in official 1955 stock car competition—not only against its own field but against many American and foreign high-priced cars, too!

Let's translate these Chevrolet victories into your kind of driving.

You've got to have faster acceleration to win on the tracks. And that means safer passing on the highways. You've got to have better springing and suspension. Again, safer and happier motoring for you. You've got to have big brakes that act fast and smooth... and easy, accurate steering. More things that make your driving safer.

But it's more fun to try these things out than just to talk about them. So come in and let's take a ride.

NOW'S THE TIME TO BUY!

Mr. and Mrs. R. B. Walsworth of Spur spent Monday night with Mr. and Mrs. R. I. Walsworth.
All four circles of the O'Brien Baptist W. M. S. met Tuesday at the church for a Royal Service program and business meeting. Mrs. Floy Hawkins was in charge of the program. A covered dish luncheon was served by the Jewel Lunsford circle. Twenty-four ladies were present for the meeting.

Mr. and Mrs. R. M. Johnston spent Sunday night in Wichita Falls with their daughter, Mrs. Bobby Fial, and family.
Mr. and Mrs. L. A. Covey of Abilene spent the week end with their parents, Mr. and Mrs. A. D. Hodges and Mr. and Mrs. John Covey.
Mr. and Mrs. A. A. Cox accompanied the Northern Star Mocking Bird Quartet to Iowa Park Friday night. The quartet performed at the Texas-Oklahoma Fair.
Cyle Carver and Jerry spent Monday in Wichita Falls.
Mr. and Mrs. Bill Matura and Bill Dodd spent a few days last

week in East Texas with Mrs. Matura's parents.
Mrs. H. A. Barnard, Mrs. C. B. Banner and Mrs. Sam Johnston spent Friday afternoon in Stamford.
Mrs. Joe Barton and Jan of Benjamin are visiting her parents, Mr. and Mrs. H. A. Barnard, while Mr. Barton is in New Mexico.
Roy Day underwent surgery in Baylor Hospital, Dallas, last Wednesday. Members of the family said his recovery is satisfactory and he expects to be dismissed from the hospital later this week. Mrs. Day is in Dallas to be with him.

THE KNOX COUNTY HERALD, THURSDAY, OCTOBER 6, 1955

ACCIDENTS RATE MAY CLIMB WHEN FARMS ARE BUSY

COLLEGE STATION. — Farms across Texas are humming with activity. Harvest season in full swing means longer hours of hard work with more highway travel for farm residents.
It is also the season, says W. L. Ulich, extension agricultural engineer, when farm accident statistics usually take a sharp upward turn. More and complicated machinery is used during harvest season than for any other period of the year and the long hours on the job mean more fatigue, both heavy contributors to farm accidents. Hauling the farm produce to market means more highway travel and increased chances for traffic accidents, cautions the specialist.

Ulich believes that farm families can reduce accidents greatly if they'll answer a simple question. "Can I possibly get hurt doing the job this way?" If the answer is yes, better change the method of doing the job or be more careful and always alert, says the engineer.

Automobile-tractor wrecks usually increase during the fall because tractors often are used to pull trailers loaded with cotton, grain and other farm products. "Be sure," warns Ulich, "that your tractor is properly lighted if it is to be on the highway after dark." Also be sure you can see ahead as well as to the side and rear of the vehicle you are operating. Make sure others can see your tractor. Use flags during the day and proper lights at night and check brakes and steering mechanism before going on the highway.

Ulich says rear end collisions account for about 36 per cent of the tractor accidents and 14 tractor driver fatalities occur for each auto fatality from highway tractor-accidents.

And concludes Ulich, "Statistics won't harvest crops especially when used to record a fatality from a needless farm accident."

T-Sgt. and Mrs. Bobby Reese and children, Sharon and Patricia, spent the week end with his parents, Mr. and Mrs. C. J. Reese.

Mrs. J. M. Roberts of Los Angeles, Calif., who spent two months with Mr. and Mrs. C. A. Hull, has gone to Midland and Odessa to visit relatives there before returning home.

COUNTY ASC OFFICE TO STAY IN KNOX CITY

Members of the Knox County ASC committee recently made a request to the state office for re-locating the county ASC office in Munday.

Gaylon C. Scott, vice-chairman of the committee, as well as other members, received a reply to this request, written by G. C. Carothers, Jr., Texas state administrative officer, who said:

"After careful consideration of the advantages of moving the Knox County Office to Munday, Texas, as presented by the Knox County delegation, it was the decision of the State Committee that the county office is to remain in Knox City, Texas. This decision was based on the facts that the office is presently located in Knox City in rent-free space, that the ASC work unit is in Knox City, that the size of the two towns was relatively the same with banking facilities, etc., equal and that the county seat of Benjamin is more accessible to Knox City.

The petitions submitted by the County Committee will remain in the State Committee files, however they will be returned to the county if requested."—(Munday Times)

Premiere Showing

MERRY MODERN suggests: Here's a good idea. Take a close-up look at today's magnificent new flame-fast gas ranges... introducing a wonderful array of fabulous new automatic conveniences that assure cooking convenience you can count on — every meal — every day.

now, so much more than ever before — automatically with really modern flame-fast gas ranges

Enjoy gas cooking at its best! Everything new — Economical, too! You are cordially invited to meet the automatic answer to everyday cooking problems... the really modern flame-fast gas range. So much more — with "new features" — you'll discover a variety of top burner arrangements, simmer burners, burners that light automatically, even burners that shut themselves off! Clock-controlled ovens with temperature timers, giant ovens, double ovens, too. Plus separate smokeless broilers, vanishing griddle tops, and a hundred-and-one others. So much more — with gas, the really modern method of cooking... it's a Southwest Modern habit to cook with flame-fast gas — and no wonder! Gas is fast, convenient, clean, easy to control, and in most areas costs less than one-fourth as much to use as any non-flame cooking method. Yes, today a new automatic gas range offers so much more of everything! Take advantage of the Annual Old Stove Round-Up Sale. You'll be delighted with the special savings, the generous allowance on your present range, and the easy, easy, terms arranged to suit your budget.

For what it costs to cook with non-flame, artificial methods for ONE YEAR you can cook more than FOUR YEARS with flame-fast GAS

see your gas range dealer or ... **LGNE STAR GAS COMPANY**
