NUMBER 34

## Crowd Out for Santa Fe Special

Crowd Estimated at 1800

### 1300 Go Through Train

Knox City virtually suspended business for the stop Friday afternoon March 18th of the Santa Fe Farm and Home Special on its tour of all Santa Fe lines in Texas. One of the largest crowds, says Mr. Curtis Vinson, director of publicity for the special, up to that time to greet the agricultural train since it began its journey in territory served by the Panhandle and Santa Fe was on hand for the stop in Knox City. In addition to the big crowd of local people, including students of the Knox City school, many residents and schools of nearby communities of the county visited the special.

According to the statement made by Mr. Curtis Vinson the count checked by train officials of those who went through the train totaled 1300. 1800 or more people were estimated by officials of the train to total the number on hand at the arrival of the train, while Knox City officials were of the opinion the number would total 2900.

The arrival of the train, much in the nature of an agricultural college on wheels, was greeted here by Mayor Roy Smith along with other city officials and business men also Mr. Jack Idle, manager of the J. C. League Estate of Benjamin; W. E. Jones, Knox County Agent; Miss Grace Nelson, County Home Demonstration Agent; J. M. Craft, manager of Bush and Burnett Stock Farm and numerous others who extended the welcome of Knox County to those aboard.

Among others in the crowd was Leo Park, 4-H club boy who was winner of the Santa Fe free trip to Chicago in 1931 by reason of his record with maize. Young Park lives two miles east of Knox City.

Mr. Idle, manager of the League Estate, found his visit to the train of special interest by reason of the fact that he was aboard the 1928 train operated by the railway and college.

Due to the large crowd and the schedule which called for a stop in Benjamin later in the evening, those gathered at the Santa Fe depot when the special arrived were invited aboard the train without delay. J. D. Tinsley, agricultural agent of the railway, Amarillo had charge of the program here. Professor D. H. Reid, head of the poultry husbandry department of the college, was in charge of the A. and M. group aboard.

Operation of the appliance and equipment in the rural electrification car was made possible here through the courtesy of the local plant of the West Texas Utilities Company, Mr. Guy Glenn manager.

In announcing the purpose and nature of the special, Mr. J. D. Tinsley, agricultural agent of the Santa Fe, Amarillo, said, "This is not the first agricultural train in the operation of which the Santa Fe has joined with the Texas A. and M. College. But the exhibits aboard are the best ever carried from the college in such work. They tell in a fine way what the college is doing in helping the

advancement of agricultural independence and the Santa Fe, in joining with the college in such an enterprise, feels it is taking the best way to aid in bringing about greater prosperity and better living conditions on the farm."

This year's train was a nine car special, including four cars of exhibits, flat car for speakers platform equipped with electrically operated voice amplifier for open air meetings, passenger coach for meetings in inclement weather, livestock feed car and cars for accommodation of the personnel aboard.

The train arrived in Knox City on the fifth week of an itinerary of nearly eight weeks, including 153 stops on Santa Fe lines in Texas.

## Sunrise Prayer Meeting Sunday

Sunday morning at six o'clock the annual Easter Prayer Meeting of the citizens of Knox City will be held in the Christian church. Every one is invited. Palm week should end with a church filled with Knox City people giving reverently thanks to God for His many, His peaceful, His joyful blessings unto us.

The program for the early morning prayer meeting will be in keeping with the following outline: Hymn, Congregation; Scripture reading, Isaiah 52; Prayer, B. C. Anderson; Scripture, Matthew 5; Quartette, special arrangement; Talk, Reverend Sharp; Scripture, Mark 16; Dust, special number; Scripture, John 20; Silent Prayer with Benediction.

### BROWN-BEASLEY

On last Wednesday Mr. G. W. Brown and Miss Pauline Beasley quietly motored to Oklahoma and were united in marriage, which came as a surprise to their many friends.

The ceremony was said at the Baptist parsonage by Reverend R. W. Leager, a life long friend of the bride's family.

The bride wore a traveling suit of black crepe with accessories to match. Miss Beasley is a graduate of the Seymour high school.

G. W. is the son of Mr. and Mrs. T. A. Brown of this city, one of the city's pioneer families. G. W. received his education in the Knox City school.

We wish for this couple a long and happy married life.

### SINGING CONVENTION HERE SUNDAY

The County Singing Convention will be held at the Baptist church in Knox City Sunday afternoon. The song service begins at two o'clock. Everyone is invited.

## Weekend Church Services

Reverend J. H. Sharp announces this week that there will be a preaching service for every one Saturday afternoon at two-thirty o'clock in the local Theatre building. Again on Sunday afternoon at three o'clock there will be another service for every one held. This program for services each Saturday and Sunday afternoon will continue throughout the coming weeks. Although Reverend Sharp is sponsoring the services, he has the full cooperation of the other local pastor, Reverend Stovall. Both men invite you and urge you attend these services.

The regular Sunday services at both the Methodist and Baptist church will continue at their usual hours. Either church welcomes you.

## In the Shadow of the Terror

By Albert T. Reid

## District 11 B. T. S. Revival

Reverend E. M. Agee, missionary for District 11, has planned for a District-wide B. T. S. Revival to be held in the six associations of that District, April 24th, to May 1st. An Associational director has been chosen for each of the Associations.

Six Associations comprise the 11 district, of which Baylor-Knox Association is one. Miss Grace Conn has been selected Director of the Baylor-Knox District. She will also assist in a meeting at the First Baptist Church, Seymour, that week a big mass meeting for Baylor-Knox Association will be held at the First Baptist church, Seymour, Sunday afternoon, April 24th from 2:30 to 3:30.

The plans call for a meeting to be held in every church in the 11th District the week of April 24th to May 1st. Many books will be taught. Every Baptist in the District should enroll in a class.

### Special Notice

It is very important that we, says Reverend Agee, know ahead of time how many churches in each association will be on this District-wide B. Y. P. U. Revival, if your church plans to have a B. Y. P. U. study Course during the Missionary, please do so at once.

Reverend Agee also states that the District Sunday School and B. Y. P. U. Convention will meet with the Olney Baptist Church, April 5 and 6th.

The Baylor-Knox Association does not include the Baptist Church in Knox City. The city church is in the Haskell Association; however, those Baptist churches north of the river are in the Baylor-Knox Association.

### CARENY HOUSE IN O'BRIEN BURNED

Monday afternoon about two o'clock the rent house of Mr. T. G. Carney in O'Brien was destroyed by fire. The house was a five room cottage located just north of Mr. Carney's home on the highway. The fire originated in the flue and the house and all the furnishings were completely destroyed.

Sunday a very nice negro house in Truscott was burned. Although not completely destroyed, the house was badly damaged.

Early Sunday morning a large barn which was filled with baled cotton and feed, located south of Munday on the Haskell highway, was completely destroyed by fire.

S. L. White was in Haskell Wednesday on business.

## Union Grove School

Much interest and school spirit is being shown in school activities. Since Union Grove School has made an enviable record the past few years at the County Meet it is endeavoring to maintain that same record. The pupils of the school, as well as patrons, are proud of former accomplishments. The school has held the cup for the best All-Round Rural School for the past two years, and if held this year the cup will belong to the school. In order that the best material may be sent to County Meet a try-out in all events is held each year. On last Friday evening a try-out was held in declamation. The following pupils were chosen to represent the school: Floe McBrayer-Senior girl; Alton Fitzgerald-Senior boy; Carl Jenkins-Junior boy; Daisy L. Pannell-Junior girl; Clifford Cornett-Sub-Junior boy; Jamie Faye Beuel-Sub-Junior girl.

Tommie Griffith will represent the school in picture memory. Edith Wilson, Juanine White and Floe McBrayer compose the music memory team. A group of twelve will enter the Choral Singing. Spelling teams are: Daisy L. Pannell and Juanine White; and Floyd Wimberley and James Gipson. The Arithmetic team is composed of Juanine White and C. B. Loper. Daisy L. Pannell will again compete in the S-R contest. Track boys that will seek honors are Nathan Gruben, Alton Fitzgerald, Paul Fitzgerald, Ferris Darr, and Carl Jenkins.

The school wishes to thank publicly Mmes. T. S. Edwards, O. L. Jamison, and Miss Alta Hamm for judging the declamations.

Let everyone go to some part of the county meet and boast for your school.

## Hospital Notes

Patients in the Hospital this week are Mrs. O. L. Dennis of Rochester, Mrs. A. Q. McBeath of Rochester, Mrs. G. P. Lansford of Munday, Mrs. L. E. Hughes of Hutto, J. A. Warner of Vera, Mozell Cochran of Knox City, R. W. Standfield of Rochester and Ted Standfield of Rochester.

Mr. and Mrs. J. W. Karp, Mr. and Mrs. Joe Karp and boys and Mrs. H. R. Tye and two children all of Rising Star are here this week with their daughter and sister, Mrs. McBeath, who is a patient in the Hospital.

Mr. and Mrs. W. D. Baker and son Joe and Mr. and Mrs. Hampton all of Dallas were guests of Mrs. P. B. Baker Saturday night and Sunday.

Miss Cowan is able to be back at her duties in the Hospital this week.

Miss Nell Brummitt of Truscott visited here Tuesday.

Mrs. Frank Williams and two daughters of Hamlin are here with her sister, Mrs. Dennis.

Mrs. Charlie Redwine of Haskell visited the Hospital Tuesday.

Mr. E. R. Hobert and Mrs. Lentei Hobert of Munday spent Tuesday here with Mrs. Lansford.

### J. H. McLAIN FOR JUSTICE OF THE PEACE

The Herald is authorized to announce this week that J. H. McLain is a candidate for (re-election) to the office of the Justice of the Peace, precinct 5, subject to the action of the Democratic primary in July. April 14

Mrs. Henry Jones is ill. This is her second week with the flu.

## Many Take Advantage of Low Rates

A good many of our readers, with a few who are new subscribers to the Herald, took advantage of the low rate offered for Friday and Saturday of last week. We were glad to have these people take note of the fact that we offered the bargain rate for the two days and were also glad to have them come in the office and say they wanted to subscribe for or renew their subscription for the Herald on the bargain days.

We are glad to have Mrs. C. J. Teese, W. F. Bolin, W. H. Benedict and B. C. Anderson all new subscribers last week. And we were glad to have all those to renew their subscriptions who did, which includes the following:

- Mrs. Ida Dozier
- Mrs. Otis Cash
- Mrs. S. H. Bohannon
- J. W. Green
- T. M. Henry
- Dr. Barnett
- P. M. Harrison
- S. E. Harrison
- L. N. Bridges
- G. W. Hammons
- A. J. Malouf

As a courtesy to those who just couldn't get 79 cents together last Friday and Saturday, we make this very special price for the Herald again this Friday and Saturday. We do not intend to continue this low rate but do intend to offer it this week so that every one may have a chance to get the Herald at the lowest possible price.

We have all reached the star where we must be practical, make every dollar do the work that formerly several dollars did. This idea of taking advantage of bargain rates is not a thing to be sneered at or over looked. The practical family, who wants the Herald each week is the family we are giving this Friday and Saturday as their days in which to get the paper for one year for ONLY 79 CENTS.

## Jess G Taylor Buried Today

Funeral services for Mr. Jess G. Taylor are being conducted today Thursday, at ten a. m. at his residence in the east section of the city. Mr. Taylor died Wednesday morning about nine o'clock after an illness of five days. Pneumonia is said to have caused his death.

Mr. Taylor was born in Forgyville Alabama in 1891, his age at the time of his death being 41 years. In 1927 he was married to Miss Rosa Decker to which union two children were born, two boys, one two years and one eight months now.

He is survived by his wife and two sons, a mother 89 years old, three brothers and one sister.

Funeral services were conducted Thursday morning at ten in the residence by Reverend Sharp, assisted by Reverend Stovall. Interment was made in the Odd Fellow Cemetery of Knox City.

Out of town relatives who were present were Mr. and Mrs. George Counts and Mr. and Mrs. Jim McCahan all of Abilene, Grover and Tom Taylor, brothers of the deceased, from Cisco, John Station of Cisco and Ruff Clay of the Hamilton Ranch.

### BAPTIST EASTER EGG HUNT FRIDAY

There will be an Easter egg hunt for the entire Baptist Sunday School Friday afternoon at six o'clock. Each child is asked to bring from three to six Easter eggs. Friday morning and leave them at Brother Stovall's May's Store or with Mrs. Cloud at school.

Every one bring a well filled picnic basket and come to the Baptist church. The hunt will be near the church.

#### This Lawless Country

It is not to be wondered at that the press of Europe points to the Lindbergh kidnaping as proof that the United States is the most lawless nation in the world. We are. There is no doubt about that. There is no other country pretending to civilization in which the machinery of the law is so inefficient to protect the individual, in which people generally hold the law in disrespect.

It is a disgrace to the United States that Col. Lindbergh should have felt it necessary to call, not on the constituted police authorities but upon an acknowledged "underworld" character to lead the search for his baby. We do not blame Col. Lindbergh; any father in his case would do whatever he could, regardless of the law, to get his little boy back safely. But it is an amazing confession of impotence on the part of the police of New Jersey and of the country at large that kidnaping can be carried on without fear of punishment, as so many recent instances have proved.

Perhaps the public indignation arising from this dramatic disclosure of the failure of our law-enforcement and protective machinery may result in an anti-crime wave which will wipe out the shameful reputation our nation has earned by public indifference to crime. Perhaps, we may see citizens taking the law into their own hands, as in the old Vigil-

ante days in San Francisco, and hanging racketeers and gangsters from the most convenient lampposts. Perhaps.

And then, perhaps nobody will do anything much about it. That is more likely, in view of our past history in such matters.

The question arises every once in a while as what is wrong with the churches. There is nothing wrong with the churches it is us.

#### WHERE OUR MONNY GOES

We often consider the debt ridden condition of foreign countries and pat ourselves on the back because the United States is not in the same boat. But if the trend for recent years continue, it won't be long until we are.

In 1900, the per capita cost of the Federal government was \$7.29, and it increased ten per cent in the next 16 years. In 1931, the per capita cost was \$24.37 an increase of 500 per cent in 15 years. According to a Treasury estimate, the combined deficits of 1931, 1932 and 1933 will increase the Federal debt by the neat sum of \$3,250,000,000, bringing the total debt to the staggering total of \$19,240,000,000.

It is a favorite political practice to blame all this on the war. To a certain extent, that is fair enough. But it is likewise true that many departments of the Federal government have proven inept, inefficient and wasteful. The Farm Board has spent the greater part of \$500,000,000 in an effort to maintain prices on certain commodities and has made a monumental and predestined failure of it. Two hundred millions more is being poured into Boulder Dam. The Post office is one long deficit. The Government sunk \$1,600,000,000 while it was running the railroads.

The condition of the states is even gloomier—while Federal expenditures were increasing 730 per cent between 1903 and 1928 the states

were more reckless yet, with a 900 per cent increase. Every family in the country is saddled with a government debt of \$1,000!

The thoughtful citizen will wonder if we are not approaching a tax crisis—a point beyond which we cannot pay. And he is liable to come to the conclusion that the progress of the country demands government retrenchment and economy, not in a vague future, but right now—ax.

We wonder if the four distinguished gentlemen of the WTCC that voted against the so called Bonus for ex-service men think they are the entire WTCC. We are inclined to think they are a very small part of this organization.

A few evenings ago, the awful sand storm day, Shorty came in town Ben asked him when his week old whiskers were going to seed. Shorty replied that if it comes a good rain in about twenty minutes and he could run his harrow and break the crust, they would go to seed immediately. Ben and Eddie just won't go up against it yet, so Shorty says.

You can now get Sinclair Green Gasoline for 11 cents a gallon at the Ashcroft Chevrolet.

Mr. and Mrs. T. C. Moseley of Kilgore were the weekend guests of his brother here, Mr. and Mrs. Holt Moseley.

Mr. and Mrs. Jesse McClan of Stamford spent Sunday here with their daughter, Mr. and Mrs. G. W. Coates.

Miss Alma Hyde went to Comanche last Friday where she is spending two weeks with her sister, Mrs. M. Spivey.

Mrs. Press Clarke and two children moved to Albany Monday to be with Mr. Clarke. Knox City will miss them greatly.

Miss Mabel Howell of Hodley spent the past weekend here with her parents, Mr. and Mrs. J. W. Howell.

Sid Liles visited with his mother in Hale Center last Thursday. He reports that his time there was most enjoyable.

Mr. and Mrs. G. P. Sharp of Vernon and Mr. Waldon Sharp of Abilene spent the weekend here with Reverend and Mrs. Sharp.

Mr. and Mrs. Anell Harrison spent Saturday night with her parents Mr. and Mrs. Wampler, on the League Estate. Mr. and Mrs. Harrison live two miles north of the city.

#### PURINA OFFERS INGREDIENT "X" IN CHICK MASH

"Cluck, cluck. Have you had your ingredient X today?" Such will be the daily, interrogation of mother hen to baby chicks as the result of an announcement today of the development of Ingredient X in the research laboratories and on the experimental farm of the Purina Mills.

"Ingredient X", explains Dr. H. J. Smith, in charge of the research work which developed this growth factor, "is simply the blending together of the proteins in a ration in such a way as to make them work together perfectly, much like the gear wheels of an automobile. In other words, Ingredient X is proteins synchronized or properly meshed together."

Not all proteins, Dr. Smith says, will work together. The protein combination that will make milk will not necessarily produce growth in chickens economically.

In beginning this far reaching protein study some six years ago, many sources of proteins all that can be obtained in commercial quantities were used in many and various combinations and fitted with what is known as a basal ration made up of the carbohydrates, fats, vitamins, and minerals known to be essential to growth.

Proteins were studied singly and finally in many combinations in order to get the right combination that would work together and produce in chicks good feathering, rapid growth, high livability, palatability and still not be prohibitive in cost. The right combination of proteins was finally found.

The experiment involved the studying of some 52,000 chicks in battery brooders and on the Purina Experimental Farm. They were weighed 308,502 times in order that every thing be checked to the minutest detail.

Starting feeds for baby chicks with Ingredient X are handled locally by Porter and White.

### Political Announcements

The Herald is authorized to announce the following candidates subject to the Democratic Primary in July.

#### FOR PUBLIC WEIGHER

J. R. Withrow  
 W. E. Raney  
 Robert Pannell  
 W. A. Smith

#### FOR COMMISSIONER PRECINCT 1

R. M. (Miller) Herring  
 L. N. Bridgew  
 Wm. Griffith (Re-election)  
 M. G. Nix

#### FOR DISTRICT CLERK

Roy Phillips, (Re-election)

#### FOR TAX ASSESSOR

Earl Sams, (Re-election)  
 E. L. Corey

#### FOR COUNTY TREASURER

J. T. (Uncle Trav House) Re-election

#### FOR COUNTY CLERK

M. T. Chamberlain, Re-election

#### FOR DISTRICT ATTORNEY

J. Donnell Dickson  
 Dick Dresser  
 John Venle Wheat

#### FOR TAX COLLECTOR

Sarah Wright (Re-election)

#### FOR SHERIFF

C. R. Elliott (Re-election)

#### FOR COUNTY JUDGE

J. W. Melton (Second Term)  
 Roy Smith

#### STATE REPRESENTATIVE

(114 District)  
 George Moffett (Re-election)

### FREE TO LIVE

The rightful heritage of every boy is freedom from worry and the financial responsibilities of the family that he may live and grow into manhood to be tolerant, kind and just. Many of the real joys of life are lost to boys who early in life must go into the world to help earn food and shelter for the family, and his whole perspective on life stunted, pinched and narrow. Young people should anticipate these things and through savings accounts, intelligently selected investments and constructively developed plans be prepared to give their children a fair chance in life. This bank can assist you in such plans.

COMMERCE  
OF THE CENSUS  
WASHINGTON

Financial Statistics of the State Government of Texas for 1930

Washington, D. C., February 19, 1932. The Bureau of the Census has issued a summary of the financial statistics of the State of Texas for the fiscal year ending August 31, 1930. The per capita figures for 1930 are based on an estimated population of 5,815,000.

Expenditures

The payments for operation and maintenance of the general departments of Texas amount to \$70,505,710, or \$12.12 per capita. This includes \$29,778,460, apportionments for education to the minor civil divisions of the State. In 1929 the per capita for operation and maintenance of general departments was \$12.10 and in 1917, \$4.59. The interest on debt in 1930 amounted to \$213,000 and the outlays for permanent improvements, \$38,057,085. The total payments, therefore, for operation and maintenance of general departments, interests, and outlays were \$108,776,396. The totals include all payments for the year, whether made from current revenue or from the proceeds of bond issues.

Of the government costs reported above, \$46,769,996 was for highways, \$12,562,865 being for main-

tenance and \$34,207,131 for construction.

Revenues

The total revenue receipts were \$11,498,561, or \$19.16 per capita. This was \$40,689,250 more than the total payments of the year, exclusive of the payments for permanent improvements, and \$2,623,165 more than the total payments including those for permanent improvements, not shown in this summary. This excess of revenue receipts is reflected in purchase of investments, not shown in this summary. Property and special taxes represented 26.9 per cent of the total revenue for 1930, 29.7 per cent for 1929, and 56.4 per cent for 1917. The increase in the amount of property and special taxes collected was 117.9 per cent from 1917 to 1930 and 6.8 per cent from 1929 to 1930. The per capita of property and special taxes collected was \$5.16 in 1930, \$4.92 in 1929, and \$3.10 in 1917.

Earnings of general departments, or compensation for services rendered by State officials, represented 3.6 per cent of the total revenue for 1930, 4.4 per cent for 1929, and 7 per cent for 1917.

Business and nonbusiness license fees constituted 42.5 per cent of the total revenue for 1930, 44.6 per cent for 1929, and 12.5 per cent for 1917.

Receipts from business license consist chiefly of taxes exacted from insurance and other incorporated companies, of occupation taxes, and

of sale tax on gasoline, while those from nonbusiness license comprise chiefly taxes on motor vehicles and amounts paid for hunting and fishing privileges. The sale tax on gasoline amounted to \$39,514,976 in 1930 and \$16,006,660 in 1929, and increase of 90.6 per cent.

Indebtedness

The total funded or fixed debts outstanding August 31, 1930 was \$4,397,200. The net indebtedness (funded or fixed less sinking fund assets) was \$4,372,267, or .75 per capita. In 1929 the per capita net debt was .77 and in 1917, \$1.07.

Assessed Valuations and Tax Levies

The assessed valuation of property in Texas subject to ad valorem taxation was \$4,328,212,712; the amount of state taxes levied was \$29,354,648; and the per capita levy \$5.14. In 1929 the per capita levy was \$5.03 and in 1917, \$3.86.

Miss Claydene Hoge of San Marcos spent the past weekend here with her parents. She was accompanied to Rule Monday by her mother and Mr. and Mrs. S. M. Clontz where she met friends and drove back to San Marcos.

W. R. Stevens, who has been seriously ill in Roswell New Mexico, is still improving. His sister and brother and wife, who drove to Roswell last week, returned home Friday.

SUNDAY SCHOOL LESSON

by REV. SAMUEL D. PRICE, D.D.

for March 27

JESUS RISES FROM THE DEAD  
John 20:11-20

Seal of authenticity was placed upon the teachings of Jesus Christ by the glorious miracle of the resurrection of the body of our Lord, which wondrous event we are celebrating on this Easter, and not only on this recurring day of the year but on every first day of the week. For this reason many delight to call this day the Lord's Day.

Early on that first day of week a company of women wended their way to the tomb that they might complete the usual embalming for which there was not adequate time, due to the approach of the Jewish Sabbath. An empty tomb revealed that He was no longer dead. The dead body had been taken away beyond their understanding, though they were told "He is risen."

Then began a series of appearances. One especially described—that to Mary Magdalene, who tarried behind the group of women in her eagerness to search until she found the body of her Lord. She fails to recognize Him through tear-dimmed eyes, but responds with bounding joy when He simply speaks her name Mary. Then she is sent forth as a messenger of the good news even as all of us are similarly commissioned to spread abroad the story of salvation. Other appearances were to Peter and to the two when they supped with Him at Emmaus. That same night He manifested Himself to ten disciples in the upper room in Jerusalem and gave the meaning blessing: "Peace be unto you." This resurrection of the body of Jesus is a definite pledge of the resurrection of our bodies at the Second Coming of the Son of God. That is the meaning of the "first fruits of them that are asleep" in the Golden Text, 1 Corinthians 15:20.

Thursday morning Rudolph Hackfeld opened his new Service Station for business. We have taken over the service station at the front of our garage and are equipped to give you that "one stop" service. Visit us.

Knox City Motor

Mr. and Mrs. T. E. Harrison and two boys of East Texas are here this week with Mrs. Harrison's sister, Mrs. G. W. Coates.

Mrs. S. L. White, Mrs. Joe Averitt and Reverend Stovall drove to Haskell Monday afternoon to see little Myra Jean Hitchcock. They found her improving.

Alvin Hamm had a light attack of the flu the first of the week but was able to be at his job at Davis' Grocery Tuesday.

Mr. and Mrs. W. C. Ballard and son drove to Cisco Monday where Mrs. Ballard and son remained for a few days visit with relatives. Mr. Ballard returned home Monday night.

Mr. and Mrs. C. A. Hull were called to Dallas last week in the illness of her sister, Mrs. Hull remained in Dallas and he drove home the middle of the week.

You can get complete service on your car at the complete station and garage of the Knox City Motor Company. Drive there for car service, other gas and oil or repair work.

The Haskell Association Workers Council will be held Monday of next week at the Sweethome church. The program begins at ten in the morning.

SCHOOL EXAMS POSTPONED BECAUSE OF SICKNESS

The six weeks examinations which are given regular in the Knox City schools were scheduled to be given this week but due to the unusual amount of sickness now, they were postponed until next week.

When school began Monday a third or more of the children were out because of either having the flu or having to help in the home because other members were down with the flu. It is hoped that by next week these will all be over the flu and back in school again.

An interesting item comes from Smith Chapel this week. Mrs. M. A. Bumpus is going to try spending a portion of her time this summer sitting in the shade. She has just put out a number of shade trees at her home, a gift presented to her by Mr. and Mrs. W. W. Hyde.

Let us drain and flush your transmission and differential free and pay with proper grease, and save you a repair bill.
