STREAMS in Desert Places

By Ozelle Stephens

There is a Kingdom law of riches. Jesus said, "Lay not up for yourselves treasures upon earth, where moths and rust doth corrupt, and where thieves break through and steal." Matt. 6:19. You are told to lay up for yourselves treasure in heaven, for where your treasure is, there will your heart be also. When obeying the law of riches, we not only set our hearts on heaven but are preparing our eternal home there.

We have a heavenly investment, and some day shall go to it, for it is appointed unto man, once to die. There is no discharge from death. If you have not used your riches for preparing for heaven, then you must go where they are.

You may not have much to lay up, but all can lay up some as the Kingdom law requires. You certainly do not want it all in this life, that is so fast fleeting. Our hearts should be fixed in Christ for He said, "Riches and honor are with me; yea, durable riches and righteousness." Prov. 8:18.

Unless we are obeying God's Kingdom laws and using the means that He has given, we may find a disappointment at the end of the way. Jesus said, "Your gold and silver is cankered; and the rust of them shall be a witness against you, and shall eat your flesh as if it were fire, ye have heaped treasures together for the last days." When Christ is in our hearts, and our treasure is in heaven, the peace of God is in our bosom as we travel through the desert places of life. When death comes calling, as it surely will, we can say, we have fought a good fight, we have kept the faith and are ready to go where our treasures are.

The Knox County 4-H Rifle Team, composed of Ronald Hardin of Vera, Jimmy Roberts of Goree, Bobby McBeth of Knox City and Jesse Valenzuela of Truscott, defeated the Archer County team for the right to compete in the State Meet to be held in connection with the State 4-H Roundup on June 9 and 10.

The district meeting was under direction of R. O. Dunkle, Young County Agent, and the scores were as follows: Knox County, 770 points; Archer County, 496 points.

Ten shots were fired prone, sitting, kneeling and standing, with Knox County's individual scores as follows: Bobby McBeth, 265; Ronald Hardin, 253; Jimmy Roberts, 252; Jesse Valenzuela, 225. Only the top three scores were counted on the

GRADUATES

We Have a Confession to Make . . .
 to you 1952 graduates. We are a total failure when it comes to thinking up good advice for this great occasion, but we did collect a few good old bromides, viz.: "Hew to the line." "Shoulder to the wheel." "Nose to the grindstone." "Feet on the ground." "Eyes on a star."

If you follow all of these you'll be a success without our advice. Anyway, all we wanted to do was to congratulate you and to wish you a full and happy life.
