

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
 TEXAS PRESS ASSOCIATION

AUSTIN, Texas — Texas' 56th Legislature, though not yet sworn in, already casts a long shadow over Statehouse activities.

Its membership was settled—or virtually settled—with the counting of the Democratic second primary votes. A few will have Republican opponents in November.

Of more interest now is how the 56th will lean on key issues. Political prophets already are taking pulse readings and pronounce it likely to be more liberal than its predecessor. But not predominately liberal. A big influx of newly-elected liberals from Houston is expected to be offset by Dallas conservatives, plus others from small towns.

On next session's critical issue—finance—everyone's crystal ball seems a bit cloudy. Next Legislature will have to grapple with a financial deficit which the Legislative Budget Board has predicted may call for as much as \$140,000,000 in additional tax revenue.

Winning candidates, in both their speeches and newspaper announcements, were understandably skittish and unspecific in making specific proposals for dealing with this gigantic problem. Many came out flatly against a general sales tax or state income tax. Numerous suggestions were made to balance the budget through "economy in government, elimination of waste, duplication," etc.

Such statements are like the breeze off an iceberg to state department, many of whom have said they'll be asking for more, not less money, next session.

When the showdown comes, decisions will be made largely by the same group who pushed the voting buttons in '57. All told, they'll be 49 new faces among the 181 lawmakers.

Replacing the three retiring senators, Otis Lock of Lufkin, Searcy Bracewell of Houston and Carlos Ashley of Llano will be Martin Dies Jr. of Lufkin, Robert W. Baker of Houston and Louis Crump of San Saba.

House will have 46 freshmen, slightly less than the normal one-third turn-over of its 150 members. Changes result from the retirement of 33 representatives, and defeat of 13 others.

MANGLED MATH — When the next speaker of the House

of Representatives takes office in January, some confused arithmetic will be cleared up.

A speaker is elected at the start of each regular session by the 150 House members. Support, in the form of signed pledges, is lined up well in advance of the session's start.

This year, when the dust settled from the run-off primary, both contenders claimed victory. Rep. Waggoner Carr of Lubbock, present speaker, said he had 80 pledges. Rep. Joe Burkett of Kerrville claimed 77 pledges. In addition, Burkett said he knew of 15 House members who had made no pledges.

All the claims added to 172 representatives—22 more than the people elected.

TOO "GENERAL"? — Alumni of East Texas State College are asking help in untangling conflicts over a new program at the Commerce school.

At issue is the value of a "general studies" program instituted by ETSC President Dr. James Gee. Revised curriculum substitutes a course in "communications" for freshman English, "heritage" for American history, and so on. A professor who had taught some of the "general" courses called them a "hodgepodge," comparable to grade school work.

Dissatisfied exes meeting in Austin asked Sen. Charles Herring, Senate investigating committee chairman, to look into the situation. Herring said he would bring it up at the committee's next meeting, but urged the exes to talk first with the college's Board of Regents.

FACULTY RAISES ASKED—Salary raises for faculty members are the principal item in a \$12,515,000 budget increase being sought by Texas' 18 state colleges and universities.

Texas Commission on Higher Education said the \$4,000,000 being asked by college officials would allow for average raises of \$600 per year per prof.

Altogether, the colleges' budget requests to the Commission total \$68,721,975 for the 1960-61 biennium.

Commission's task is to screen these requests and make up a recommended budget to present to the Legislature.

SHORT SNORTS—State Board of Water Engineers has scheduled a hearing for Sept. 18 on the proposed Diablo Dam on the Rio Grande River. Gov. Price Daniel has proclaimed September and October as "American heritage months," a period in which people are to be encouraged to vote on an informed basis and contribute to the political parties of their choice.

Guests last week in the home of Mr. and Mrs. Neal Perdue were his brother, Durwood, and son, Biff, of Lufkin. Biff is a student in Rice.

Malathion Approved For Stored Grain

COLLEGE STATION. — Malathion has been approved by the Pure Food and Drug Administration for use in stored grain to protect it against insects. A tolerance of eight parts per million has been established reports Extension Entomologists F. M. Fuller and C. F. Garner. The insecticide may be used on or in stored barley, corn, oats, rice, rye, grain sorghum, wheat or peanuts.

According to the entomologists the approved dosage is 10 ounces of actual malathion per 1,000 bushels mixed with the grain and 5 ounces of actual material per 1,000 square feet of grain surface.

The entomologists point out that only premium grade malathion should be used. One pint of 50 percent premium grade malathion mixed with two to five gallons of water will treat 1,000 bushels of grain. It may be applied as the grain is placed in final storage. A special one percent malathion dust impregnated on wheat flour may also be used. This dust should be applied at the rate of 60 pounds per 1,000 bushels of grain, say the entomologists.

Fuller and Garner point out that no research information is available on how long malathion will protect grain insects under Texas conditions nor whether it will kill weevils and moths in field infested grain. They advise those who use the material to keep these facts in mind, and for insurance to make frequent checks for insects in all stored grain. If insect infestations occur, they recommend fumigation and suggest that a copy of L-217, "Stored Grain Insects," be obtained from the local county agent. The leaflet gives information on fumigation and offers other suggestions for maintaining the quality of stored grains.

Mr. and Mrs. O. W. Caussey, accompanied by their granddaughter, Nancy Caussey of Midland, vacationed in New Mexico this week. They spent some time in Ruidoso and Cloudcroft fishing and sightseeing. They left Sunday and were to return today.

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

Well, Labor Day has come and went for another year. That's the day all the city folks tries to get out of town and visit in the country. The feller that named it Labor Day knowed what he was doing. It's the day the country folks has to labor like a pair of mules to cook for their city kinfolks. Ed Doolittle said he set a table Monday for 12 known city relatives and four he wasn't certain about.

I saw by the papers where some feller took advantage of Labor Day to lambast the Taft-Hartley bill again. I ain't never understood why labor got so riled up over the bill. From what I recollect about it, when labor gets mad and decides to strike, the law requires a 80-day cooling off period afore the strike really begins. Eighty days seems like a long time to get cooled off, but I reckon they put that into the law on account of it getting hotter in some places than in others. Personally I ain't never had to cool off that long in one stretch, but I don't work hard enough to get as steamed up as some folks.

However, I've always tried to be a law-abiding citizen, and now that I've pulled a strike to celebrate Labor Day, I reckon I'll stick with the full limit of the Taft-Hartley bill and cool off the entire 80 days, which ought to git me well over into November when the weather is cool naturally and it's about too late to work anyhow. I have wrote my Congressman for a copy of that law so's I can read it to my old lady.

Of course, this labor feller wasn't the only one popping off on Labor Day. Some farmer in Virginia demanded Secretary Benson resign and make his resignation effective back to the date he took office. And a bunch of fishermen in Georgia took advantage of the occasion to ask Congress for a guaranteed annual catch. Taking everything into consideration, I'd say that Labor Day this year was a big success.

Over in the foreign news I saw a item that caught my fancy. They arrested this feller in Italy

ill in the Foard County hospital at the time of this writing. His wife is visiting her daughters, Mrs. N. L. Looney and Mrs. W. C. Taylor, Jr., and families.

George Soloman recently underwent an operation in the Quanah Memorial hospital. His daughter, Mrs. Zella Abbott of San Angelo, has been at his bedside.

Mrs. C. A. McNeese has returned home from Phoenix, Ariz., her son, George, of Phoenix returned home with her.

Mr. and Mrs. Walter Chowning and boys have returned to their home in El Paso after a week's visit in the home of his parents, Mr. and Mrs. M. V. Chowning, and Mary K.

Mr. and Mrs. Virgil Craig of Lubbock spent one day recently visiting in the home of Mr. and Mrs. H. A. Smith.

Miss Clema Pogue of Bryan and Mrs. Chseter Pogue and son, Gene Paul, and Mrs. Max Derryberry of Durant, Okla., spent several days last week visiting their mother and grandmother, Mrs. G. W. Pogue.

Cecil Chowning and children and Tommy Jones, and boys of Electra spent Saturday visiting in the home of Cecil's parents, Mr. and Mrs. M. V. Chowning, and Mary K.

for "subtracting huge sums from the public treasury." He didn't borrow it and he didn't steal it, he just subtracted it. That's a mighty handy word and I'm glad I discovered it. We got a heap of public office holders in this country that don't steal and don't borrow from the public trough. They just subtract it. I predict it'll git to be a right popular word in Washington.

Yours truly,
Uncle Ben

Mr. and Mrs. Bill Sams are in Austin where Sams is preparing for an examination for admission to the State Bar of Texas. Their daughter, Bunny, is staying with Mr. and Mrs. Paul Fitzgerald.

Mr. and Mrs. Jeff Graham and Mr. and Mrs. Chad Wilson were in Wichita Falls Friday morning to attend funeral services for Mr. and Mrs. L. J. Adkins, mother and father of Fred Adkins, former golf pro at Vernon. The couple was killed in an automobile accident near Sonora last Wednesday.

20% of Food Dollar Goes for Dairy Foods

COLLEGE STATION — The average person in the United States in 1957 consumed milk and other dairy products which utilized 695 pounds of milk, according to A. M. Meeka, extension dairy husbandman.

The average consumer bought 142 quarts of fluid milk, which headed the list of individual purchases, says Meeka. Cream was second at 43 pints (milk equivalent) and butter was third with 8.4 pounds.

Per capita consumption of other dairy foods was 7.8 pounds of cheese; 15.1 pounds of evaporated and condensed milk; 5.7 pounds of nonfat dry milk; 19.8 quarts of ice cream and other frozen dairy products; 5.2 pounds of cottage cheese; 5.4 quarts of fluid nonfat milk; 16.4 quarts of buttermilk; and 4.1 quarts of chocolate milk.

Twenty cents out of each food dollar, or 20 percent of the food budget, was spent for the above-listed foods.

The money price of milk may be seemingly high, but the "real" price has shown a sharp decline. For example, in 1890, milk retailed at an average of seven cents per quart. Despite this low

price, the factory employee had to work about 25 minutes to earn wages equal to the price of a quart of milk. By 1929, it took 15 minutes for the worker to earn a quart of milk. In 1947 it took 10 minutes and in 1957 it required only seven minutes.

Dairy farmers produced 126.3 billion pounds of milk in 1957. This all-time record production was accomplished with only 20.5 million cows, a smaller herd than the United States has had at any time in the last 40 years. The increased total production was due to greater yield per cow—a three percent increase over 1956 to an average 6,162 pounds per cow. Had the 1957 herd produced only at the 1925 rate, 20 percent more cows would have been needed to meet the production record of 1957, Meeka.

Miss Tankersley and Tommy Abe Watson Exchange Wedding Vows Here Saturday

In a candlelight ceremony Saturday evening at 7 o'clock, Miss Lynelle Tankersley, daughter of Mr. and Mrs. E. H. Tankersley, Jr., became the bride of Tommy Abe Watson, son of Mr. and Mrs. Abe Watson, all of Knox City.

Double ring vows were exchanged at the First Baptist Church with the pastor, the Rev. R. L. Dodson, officiating.

The couple stood before an archway covered with peacock blue satin ribbon and clusters of pink gladioli. The archway was centered with pink wedding bells, and flanked by four seven-branched candelabras holding burning pink candles. A background of palms and greenery and four large floral baskets of pink gladioli and emerald completed the nuptial setting. Arrangements of English ivy

and pink gladioli, centered with pink candles, decorated the organ and piano and windows of the church. Pews were marked with pink gladioli and greenery tied with peacock blue satin ribbon.

Given in marriage by her father, the bride wore a gown of imported Chantilly lace fashioned with an Angelo wing collar appliqued with iridescence and seed pearls. The basque bodice came to a point in front, and had long tapered sleeves. Scallops of lace agleam with pearlized sequins, outlined the lace pelum that fell over tiers of pleated tulle ruffles and scalloped lace ruffles that cascaded into a court train.

Her floor length veil was caught to a Chantilly lace cap sprinkled with iridescence and seed pearls. She wore pearl earrings, a gift from her bridegroom.

On a white Bible she carried a white orchid surrounded by stephanotis and lilies of the valley tied with lace-edged white satin ribbon in lovers' knots.

For the traditional "something old, something new," she wore a gold bracelet which belongs to her grandmother, Mrs. E. H. Tankersley Sr., of Knox City, given to her by her husband as a wedding present 48 years ago; and borrowed a white lace handkerchief which belonged to the bridegroom's grandmother, the late Mrs. Bessie Russell. Her wedding attire was something new and she wore a blue garter. Miss Beverly James of Knox City was maid of honor and Mrs. Bobby Williams of Graham, sister of the bridegroom, was matron of honor. Bridesmaids were Misses Kay Dean Hester and Glenda Givens and Mrs. Montie White. Samantha Graham, cousin of the bridegroom, and Wynette Tankersley, cousin of the bride, were junior bridesmaids. Carrol Tankersley and Karen Graham, cousins of the couple, were candlelighters.

The maid of honor, matron of honor, bridesmaids, and candlelighters wore identical gowns of silk organza in peacock. Each was fashioned with a scoop neckline, cut low in the back, with three-quarter length shirred sleeves and a harem draped skirt. They wore hair clips of peacock organza with a circle of tulle, and short white gloves.

Miss James and Mrs. Williams carried an arrangement of white feathered carnations centered with a white gardenia. The bridesmaids carried white car-

nations in lace nosegays.

Flower girls, Debbie Rowan and Lynn Clarke, cousins of the bride, wore gowns of peacock silk organza and headbands of pink net and sweetheart rosebuds. They carried baskets which matched their headbands. Best man was Bobby Williams of Graham, brother-in-law of the bridegroom. Groomsmen were Bobby Tankersley, brother of the bride, Jeff Graham, Charles Reed, and Hubert Finley.

Chad Williams of Graham, nephew of the bridegroom, was ringbearer. Mrs. Kenneth Myers, pianist, and Mrs. J. M. Bradberry, organist, played "All For You," "At Dawning and "I Love You Truly" as the guests assembled. They also accompanied Jimmy Tankersley, brother of the bride, when he sang "How Great Thou Art" and "Perfect Love" preceding the ceremony, and "The Lord's Prayer" as a benediction.

Mrs. Bobby Tankersley, sister-in-law of the bride, registered guests in the foyer of the church. She wore a pink lace dress. The table held an arrangement of pink rosebuds.

The bride's mother wore a peacock street-length dress and white satin hat. Her shoulder corsage was of white gardenias, white satin leaves and rhinestones. The bridegroom's mother wore a mauve crepe dress with a beaded jacket and matching feathered hat. Her shoulder corsage was of pink rosebuds. At the reception which followed at the Tankersley home,

Mrs. Donald Tankersley ladled punch from a sterling service which belongs to an aunt of the bride. Mrs. Less Miller of Fort Worth. Mrs. Blanton Scott of Clyde, cousin of the bridegroom, served the cake. The table was laid with a floor-length white satin cloth. English ivy, pink rosebuds, and greenery encircled the punch service. The cake was three tiered and decorated in pink and peacock, topped with a miniature bridal couple.

Piano selections were played by Miss Shirley Watson of Howe. Displaying wedding gifts were Mrs. Gary White, and Misses Pat Compton, Patsy Williams, and Wynette Graham. Other members of the houseparty were Mrs. Jack Fisher and Misses Glenda and Sarah Scarbrough, Dorothy Jackson, Joyce Denton, Christell and Bobbie Lee McHam, Annie Ruth Culp and Margie Paul.

Assisting the couple in greeting guests were their parents and members of the wedding party.

For going away the bride wore a suit of wool soufflé in cobalt blue with a trapeze jacket over a straight skirt. She wore an off-the-face hat of black feathers and black opera pumps. Her corsage was the orchid from her bridal arrangement.

The couple will live in Knox City where he has extensive farming interests. They are now at home in the Hallmark house they recently bought.

The new Mrs. Watson is a

BOB AND PAT DUNNING'S DREAM CAR COMES TRUE IN PLYMOUTH'S END-OF-MODEL CLEARANCE SALE

Canny young local couple takes advantage of year's lowest prices

Bob and Pat Dunning had put off buying a car. Budget. Wanted to see what would happen.

Last week as Bob, a commercial artist, was driving to work he noted a sign in a Plymouth dealership reading, "End-of-Model Clearance Sale. Lowest Prices of the Year." "Just," as he says, "for the fun of it," he stopped his car and went in. Chatted with a Plymouth salesman. Couldn't believe his ears.

Bob and Pat own their new Plymouth

now—made the best deal of their lives.

You can, too, if you hurry. This End-of-Model Clearance Sale will be on at your Plymouth dealer's until the last 1958 is sold. All models included, and all at the year's lowest prices. All come equipped with Plymouth's luxurious Torsion-Aire Ride at no extra cost. All feature sleek Silver Dart Styling, Total-Contact Brakes, thrilling sports-car "feel," other Plymouth exclusives. Engine options even include the breath-taking Golden Commando V-8.

Better stop in at your Plymouth dealer's today. If you've been waiting to "see what happens" . . . it's happening right now!

TWO GOVERNORS TO SPEAK AT STATE WATER CONFERENCE

Governors of two states will tackle a common problem—water—at the four Water for Texas Conference September 15-17 at Texas A&M College.

Gov. Price Daniel of Texas and Gov. George D. Clyde of Utah will address the opening session of the conference Tuesday morning Sept. 16. Gov. Daniel will speak on "Texas Attacks Its Water Problems" and Gov. Clyde will discuss "Water—A National Problem."

Other speakers on the three-day annual conference will discuss such topics as plans for the overall development of Texas Water resources, soil properties in artificial recharge and storage and modifying water quality

Another phase of the program will deal with the water research needs of industry, of municipalities and of agriculture.

The conference, devoted this year largely to the agricultural aspects of water use, seeks to find ways through a united effort to meet the state's skyrocketing demands for water—in the city, in industry and on the farm.

Theme of the conference which is sponsored by Texas A&M is Watershed Management and Our Water Supply.

HOW MANY HORSES IN YOUR HOME?

... in terms of the amount of work you give electricity to do, perhaps 5 or 6. The electricity an average American family uses actually equals the work of a half-dozen powerful horses.

Hard to believe? Stop for a minute and think of all the ways you put electricity to work — and how often. Cooling, heating, cooking, cleaning, lighting, even entertaining.

Yet how little all this electricity costs! Nothing else your family buys adds up to such a value.

The horsepower, equivalent to electric energy, used for electric cooking costs the average WTU family less than 2¢ in coal — about \$2.24 a month.

Electricity costs so little — you can afford to use more of it!

Miss Westmoreland Weds Goree Man

Miss Patricia Louise Westmoreland became the bride of Keith Chamberlain in a double ring ceremony read Friday, Sept. 5, at 5:45 in the afternoon.

Rev. Snodgrass, pastor of the Methodist Church in Lawton, Okla., officiated for the ceremony held at his home.

The bride is the daughter of Mrs. Louise Westmoreland of Knox City and the bridegroom is the son of Mrs. Buster Chamberlain of Goree.

For her wedding, the bride wore a white dress fashioned with a fitted bodice of lace and tucks and a bouffant skirt.

The new Mrs. Chamberlain is a junior student in Knox City High School and plans to complete her high school studies. The bridegroom is in the air force and will sail next week for Iwo Jima.

Public Invited to O'Brien Wedding

The public was invited this week to attend the wedding of Sharon Underwood and Billy Ray Morrow, on Saturday, Sept. 13 at the First Methodist Church in O'Brien.

Rev. Guy McLain, pastor, will perform the double ring ceremony, which will begin at 6:00 p. m.

Miss Underwood is the daughter of Mr. and Mrs. E. E. Underwood of O'Brien. The prospective bridegroom is the son of Mr. and Mrs. B. C. Morrow of Guthrie.

TO ENROLL IN H-S U.

Planning to enroll in Hardin-Simmons University, Abilene, for the fall semester are Jimmy Finley, Bobby Morris, and Jerry Johnston.

Jimmy Abbott was to undergo surgery in a Wichita Falls hospital this morning for an injured knee received playing football last year. He is the son of Mr. and Mrs. L. D. Abbott.

Luncheon Opens Garden Club Year

A fall luncheon Wednesday at Roddy's opened the club year for the Knox City Garden Club. Hostesses were Mrs. B. B. Campbell and Miss Beulah Sanders.

Invocation was given by Mrs. T. S. Edwards. The president, Mrs. Elwood Hackney, recognized the guests and distributed yearbooks. Guests were Mrs. W. E. Braly of Munday, Mrs. Sam Miller, Mrs. Oran D. Smith, and Mrs. Jack Tankersley.

New members were introduced by Mrs. C. E. Reed, first vice-president. Introduced were Mrs. Donald Tankersley and Mrs. Jimmy Lynn. One new member, Mrs. Ray Blackwell, was not present.

Program topic was "A Good Garden Club." Parts given were "Preparing the Soil" by Mrs. Hackney, "Sowing the Seed" by Mrs. George Houston, "Tilling by Mrs. J. C. McGee, "Grooming by Mrs. Ansel Waldrip, "Reapers by Mrs. Reed, "Conserving For Future by Mrs. H. W. Finley, "Paying Our Debts by Mrs. Campbell, "Sharing Our Harvest by Mrs. H. F. Jungman, and "Seeing the Beauty of It by Mrs. L. W. Graham.

Critic for the horticulture exhibit was Mrs. Waldrip. Mrs. S. M. Clonts and Mrs. Campbell made the arrangements on display which were used as table centerpieces.

Members wore corsages made from flowers in their yards. The corsages were classed according to the type of flower and judged by the guests. Winners were Mrs. Finley, Mrs. Donald Tankersley, and Mrs. Waldrip. They were awarded pot plants.

October has been designated by the National Council as "Golden Age" month. At the meeting Wednesday, each member submitted the name of an aged person then each member drew a name. Mrs. Hackney asked each member to visit her "golden age" citizen as often as convenient during the month and, if possible, remember her with flowers and gifts.

New appointments announced by Mrs. Hackney were Mrs. Waldrip as horticulture chairman, Mrs. Finley as conservation chairman, Mrs. Clonts as librarian, Mrs. J. T. Gilpin as litterbug chairman, and Mrs. C. C. Hoge as clipping chairman for the district historian.

The next meeting will be October 8 when Mrs. Clonts and Miss Lessie Bolin will be hostesses.

Joe Lynn Cash left Sunday to enroll in Abilene Christian College as a pre-med major. He is staying in Edwards Hall. The son of Mr. and Mrs. Ottis Cash, Joe is a May graduate of Knox City High School.

High School Classes Elect Officers

High school students elected their class sponsors and officers in meetings Wednesday morning.

Truman Barnett was elected president of the senior class. Other officers are Jimmy Abbott, vice-president; Renella Watson, secretary; Christell McHam, treasurer; and Charlotte White, reporter. Sponsor is Mrs. Ottis Cash.

The nineteen members launched plans for two fund-raising projects, the football programs and initiation of the freshmen.

Kelton Tidwell, science teachers, was elected sponsor of the junior class. Officers are Don Johnson, president; Joe Elledge, vice-president; Kay Dean Hester, secretary; Paula Jones, treasurer; and J. Tom Graham reporter.

Plans for their first money-making project were completed. A bake sale will be held this week end. Orders for cakes, pies or cookies will be taken by class members or may be called to the secretary, Kay Dean. All pies will be \$1 except pecan and lemon icebox. Cookies will be \$1 a dozen and cakes will be a dollar a layer.

Elected sponsor of the sophomore class was Don Davis, band director. Parent sponsors named were Mr. and Mrs. Lincoln Bolin. Officers are Danny Burt, president; Lyndol Cypert, vice-president; Peggy Crownover, secretary; Bobby Robinson, treasurer; and Mary Nell McElroy, reporter. The class has 40 members.

James David Eiland will head the freshman class. Helping him will be James Weedon as vice-president; Sue Shelton as secretary; and Charlotte Perdus as reporter. Class sponsor is Mrs. Shwadienak, homemaker teacher, and class parents are Mr. and Mrs. M. L. Verhalen.

James-Campsey Vows to Be Read Saturday, Nov. 1

Mr. and Mrs. O. M. James this week announced the engagement and approaching marriage of their daughter, Beverly Lena, to Palmer Brooks Campsey, son of Mr. and Mrs. Brooks Campsey of Munday.

Vows will be exchanged at 7 o'clock in the evening, Saturday, November 1, at the First Baptist Church.

Mr. and Mrs. James invited the public to attend the wedding.

Jimmy Seale Dutton left Sunday to enroll in Midwestern University as a freshman student. He is the son of Mr. and Mrs. James Dutton and a May graduate of Knox City High School.

Mr. and Mrs. J. C. McGee were in Sweewater last Friday to attend funeral services for L. J. Hines, 26, son of Mr. and Mrs. Malcomb Hines formerly of Seymour.

New W.S.C.S. Circle Organized

A new circle of the Woman's Society of Christian Service was organized Monday morning when a meeting was held at the First Methodist Church.

Under the leadership of Mrs. J. C. McGee the following officers were elected:

Mrs. M. A. Lowrey, chairman; Mrs. Rastus Pack, treasurer; Mrs. Don Railsback, recording secretary; and Mrs. Neil Perdue, chairman of spiritual life. Other officers will be elected later.

Also present were Mrs. Gene Kissinger, Mrs. A. J. Keathely, and Mrs. Jeff Graham.

Following the organization, Mrs. Oran D. Smith and Mrs. O. A. Green were hostesses for coffee and doughnuts.

The circle will meet each Thursday morning at 9:30. The nursery will be open each time, Mrs. McGee said. Members of the Florence Smith circle of WSCS kept the nursery for Monday's meeting.

All women of the church not now working in the Wesleyan Service Guild or WSCS were invited to become members of the new circle.

Gene Montandon, son of Mr. and Mrs. Doc Montandon, underwent surgery on his knee Monday morning at Wichita General Hospital. He injured his knee in football practice last week.

Streams In Desert Places

By Ozelle Stephens

In complete surrender of yourself unto Christ you can be more than conquerors through Him that loves you. You can know how wonderful it is to walk in the way of Christ. What a thrilling, joyous experience it is to wake up every morning and feel His presence in your room. How wonderful and precious is the experience every evening when the sun is setting to know the peace of God as you go to bed and sleep the sleep that only those who know Christ can sleep. What a joy to walk in that eternal and permanent experience of Christ, with the holy spirit to constantly comfort, strengthen, cheer and guide you day by day, even until the end of this way on earth, into the eternal joys of life everlasting.
