NUMBER 22

Knox Co. Hospital District To Enforce Visiting Policy

Due to the number of emergencies this past weekend, the Knox County Hospital District has been forced to enforce visiting policies in the hospital.

Visiting hours will be strictly enforced. The permitted visiting times are from 10-11 a.m., 2-4 p.m., and 7-9 p.m. Hospital authorities are asking that everyone confine visiting to these hours as the patients are ill and need rest and quiet. Also, only "immediate" family will be allowed in the halls and patient's room following an accident or emergency.

All friends and relatives are asked to please stay OUT of the halls and patient's room during this time. There will be no allowed in the halls by the X-Ray and Emergency Rooms.

The reasons behind this policy is that the doctors are hindered in going from one de-

partment to another, and the patients cannot be transferred from one department to another with bystanders filling the halls.

A spokesman said, "We are fully concerned about the welfare of the patient and his recovery, and if others are, they will please abide by these stated policies. Also, we have the welfare of other patients in the hospital, and they deserve as much quiet as we can possibly give them."

Funeral Here Sun. For O. D. Reid

Services were conducted Sunday, April 14 at 2 p.m. from the First Christian Church here for Owen David Reid, 72, The Rev. Robert Belew, pastor, officiated. Interment was in the Knox City Cemetery with Smith Funeral Home in charge.

Mr. Reid died Friday at 8:30 p.m. in the Brazos Valley Care Home here after an illness of several months. He had been a patient in the Home since January of this year.

Born September 7, 1895, in Desdemona, Texas, he had lived in Knox City for about thirty years. He was a retired barber and carpenter.

Survivors include three sons, Jimmy Joe of Amarillo, Orbie and Ricky, both of Knox City; three step-daughters, Mrs. Marye Hope Carr of Benjamin, Mrs. Nelda Lashley, Clam Gultch, Alaska, and Mrs. Melba Evans of Midland; a brother, A. L. Reid of Wichita Falls; two sisters, Mrs. Della Edgeman of Hot Springs, California, and Mrs. Allie Taylor of Stamford; and 10 grandchildren.

Pallbearers were Doyle Graham, Joe Reeder Jr., A. L. Fitzgerald, David Counts, John Crownover, and Paul Hoge.

New Law Of Interest To New Residents In County

Voters in the May primary who moved into the county on or after November 4, 1967, must vote between April 15 and April 30 in the office of the county clerk in the county of their present residence, according to information supplied by Zena H. Waldron, County Clerk of Knox County.

A new law enacted last year permits registered voters with less than six months' residence in the county to vote on all state-wide offices and issues if they have lived in the state longer than one year, but they must vote in the county clerk's office under procedures similar to absentee voting. The new law puts into effect a constitutional amendment adopted in November, 1966.

Formerly, a person who moved from one county to another within the state was totally disfranchised for the first six months after he moved, unless one or more of the various types of districts (congressional, See NEW LAW, Page 2

Sunday Accident Injures KC Girl

Sue Bateman, daughter of Mr. and Mrs. Eddie Bateman, was injured about 3:30 o'clock Sunday afternoon when a pistol accidentally discharged and entered her right leg just below the hip.

Miss Bateman and Cyndy Johnston, students at Midwestern University in Wichita Falls, were passengers in a car driven by Johnny Fletcher of Fort Worth, former Rochester resident. The three were enroute to the river and were traveling west on FM 143 about four miles out of Knox City when the pistol Fletcher was carrying on his lap with one hand over it, fired and passed through Fletcher's left hand before hitting Miss Bateman.

Both were admitted to the Knox County Hospital where he was treated and released and Miss Bateman was kept overnight.

FROM HOBBS

Mr. and Mrs. Vaughn Gruben and Suzanne of Hobbs, N. M., former Knox City residents, were here over the weekend visiting his mother, Mrs. Laura Gruben, and other relatives.

Ground-Breaking Ceremony For KC Municipal Airport Held

Last Friday afternoon at 2:00 o'clock several area citizens were on hand for the ground-breaking ceremony for the new Knox City Municipal Airport. This was quite memorable occasion for those of the airport committee who have worked so diligently on the project during these last few months.

Mayor Buddy Angle expressed appreciation to all those responsible for this important step in the progress of Knox City. He said that this was another indication of the foresight of our citizens and their faith in the community. He thanked the persons who have contributed in any way, the local Chamber of Commerce, the airport committee chairman, Bill Baker, and the committee including Bud Carver, Doyle Graham, Henry White, Bob Harrison, and Charles Lankford for the many hours of work and planning prior to the official beginning of construction. He then introduced Bill Baker who told the group that the beginning of the actual construction marked the finalization of a dream that had its beginning twenty-one years ago. Mr. Baker said the dream was to provide Knox City and our neighbors with a modern airport.

"Our first airport was located south of the present hospital and was certainly indicative of the barnstorming type flying of that time. It was about one-third as large as our planned facility, and the only good thing was the fact that at least it was a beginning and the hospital was near at hand!"

"Real progress was not realized until 1960 when the city acquired twenty acres of the present site and with the help of many interested individuals built the present airport. This facility alone has been a great contributor to the progress of our community. It has pro-

vided a base for numerous agricultural operations, business aviation, as well as private aviation."

Mr. Baker continued by saying that there are now only 119 airports that will be equal to our new airport, therefore placing Knox City and our neighbors in an excellent position, airport-wise.

"When completed there will be 3200 by 50 feet of paved and lighted runway, taxiways, commercial areas, transit aircraft areas and modern service facilities. The city will have a 50 acre tract of land of which a site 160 feet by 3600 feet or twelve acres will be available for industrial development. This See Ground Breaking, Page 2

Services Held Friday For Mrs. Virginia Lampe, 46

Funeral services were held Friday at 3 p.m. in the First Baptist Church at Rochester for Mrs. Virginia Lampe, 46, of Rule. The Rev. Fred Garvin, pastor, officiated. Interment was in the Knox City Cemetery under the direction of Smith Funeral Home.

Mrs. Lampe died at 3:30 a.m. Wednesday, April 10, in the Knox County Hospital after an extended illness.

Born October 25, 1921, in Enid, Oklahoma, she married Cecil Lampe on September 5, 1940, in Longview. They had lived in Oklahoma City and Haskell County for the past fifteen years. Mrs. Lampe was a Licensed Vocational Nurse and was employed by the Knox County Hospital at the time

of her death.

She was a member of the Rochester Baptist Church.

Survivors include her husband; two daughters, Mrs. L. A. Williams and Mrs. J. W. Slaton, both of Rule; one son, Cecil L. Lampe of Fort Worth; her mother, Mrs. Nettie B. Goins of Kilgore; four sisters, Mrs. Anna Kruse of Kilgore, Mrs. Helen Chastine of Branch, Arkansas, Mrs. Marjorie Campenella of Las Vegas, Nevada, and Mrs. Peggy Huey of Houston; and five grandchildren.

Pallbearers were Lyndol Cypert, Oran Covey, Clyde Covey, Tom Campbell, Ikie Ray, and Homer Brown.

Cancer Fund Drive Begins

The Knox City fund raising campaign for the American Cancer Society begins today (Thursday) at 8 p.m.

House-to-house solicitations will be made by members of the 1946 Study Club, according to Mrs. Peggy Grindstaff, chairman.

Lee Smith is serving this year as the Knox County Chairman, as well as the local community chairman.

Every resident is asked to watch for these volunteer workers and to give all we can.

JUDY RUSHING

Judy Dianne Rushing, the daughter of Mr. and Mrs. Roy Rushing, was born in Knox City on June 4, 1950, and has lived here for almost eighteen years. Judy began her education under a very capable woman, Mrs. Louise Kemletz, in the first grade; and now she is nearing graduation from the Knox City schools. Upon graduation, she is to enter the Fort Worth Commercial College.

Some of Judy's junior high and high school accomplishments are as follows: placed first in District Spelling, sixth grade; received awards for

JOE REEDER

Joe Reeder was born on January 11, 1950. He is the son of Mr. and Mrs. Joe Reeder, Jr. His father attended Texas Christian University and Southern Methodist University where he got his law degree. He has his practice in Knox City.

Joe has one sister. Her name is Jinx, and she is attending her final year at West Texas State. She was married to R. A. Shaver, II of Rochester last year. He is employed by Red Barn Fertilizer Company in Hereford.

Joe plans to attend Texas Christian University where he See SENIORS OF THE WEEK, Page 3

and saloon girls made their contributions to history in towns such as Fort Albany. A Fandangle Sampler celebrating the colorful past of West Texas in the School Auditorium in Knox City on April 27, at 8 p.m. Tickets to the play by the Knox City Study Club will be on sale April 22-26 from 2 to 5 p.m. at Macy and Jones Drug Store in Knox City.

Accidents Plague Area During Easter Weekend

In a rash of tragic accidents which began last Friday, several area youths were injured and some critically.

Friday at 4:15 p.m. a two-car collision on FM 2299 about 3.4 miles west of O'Brien injured two O'Brien boys and two Knox City students. Clint Fletcher, son of Mr. and Mrs. Jess Fletcher of Knox City, was driver of a 1956 Chevrolet traveling east. Passengers in his car were Duane Bradford, son of Mr. and Mrs. Kenneth Bradford of Knox City, and Jim Edd Adkins, son of Mr. and Mrs. Eddie Adkins of O'Brien and sophomore student at Cisco Junior College. Lanny Covey, traveling west in a 1967 Dodge was alone in his car. Investigating officer, Bill Lusk of the Texas Highway Patrol, described the collision as "near head-on", and both vehicles were a total loss. All of the youths were admitted to the Knox County Hospital.

Jim Edd Adkins was transferred by Smith Funeral Home ambulance to the Wichita General Hospital in Wichita Falls Saturday at noon where he was placed in the intensive care unit. Relatives described his condition as of press time as "real good". Clint Fletcher was transferred to Hendrick Memorial Hospital in Abilene, Monday and authorities report that he is slightly improved. Duane Bradford was dismissed from the hospital on Monday, and as of Tuesday afternoon, Lanny Covey was still a patient in the Knox County Hospital and reported to be doing well.

About 1:30 o'clock Sunday morning, Martha Pape of Munday was brought to the Knox County Hospital by a Smith Funeral Home ambulance following a one-car accident about four miles south of Gilliland on FM 267. John Lee Nelson, student at Oklahoma State University, Stillwater, Oklahoma, was owner and driver of the car. Other passengers were Johnny Smith and Johnny Hunter. All of the 19-year old youths were from Munday. Miss Pape was admitted and kept for several hours for observation and released.

Sunday afternoon about 5:30 p.m. Miss Peggy Duke, 19, of Munday was taken to the Knox County Hospital by McCauley-Smith Funeral Home Inc. ambulance of Munday and later transferred to Wichita General Hospital in Wichita Falls following a two-car accident in Munday.

Miss Duke was a passenger in an auto driven by Greg Oustad, 19, also of Munday. Other Munday youths injured in the accident were Kathy Welch, 19, student at Hardin-Simmons University, Abilene, and Beverly Stewart, 19. Wayne Birkenfeld, 19, of Goree was also injured. As of Tuesday afternoon, Miss Welch and Birkenfeld had been dismissed from

the hospital. Miss Stewart was transferred to Wichita General Hospital in Wichita Falls following a two-car accident in Munday.

ABOVE CAR was photographed after being brought in by a Lewis Paint & Body Shop wrecker. Lanny Covey of O'Brien was alone in the car at the time of the near head-on collision with the Fletcher car.

THE CAR IS SHOWN ABOVE in which Clint Fletcher, driver, Duane Bradford, and Jim Edd Adkins were injured Friday.

JOHN NELSON of Munday was owner and driver of the car shown above. The one-car accident occurred near Gilliland shortly after midnight, Saturday.

legislative, judicial, etc.) included both the county of his former residence and the county of his new residence. If he had lived in a district for six months before the election, he could vote on statewide offices and issues and on the offices

for districts in which he had six months' residence, but he could not vote on local offices and issues within the county. The new law preserves the voting rights which existed under the old law, but the procedure for voting has been changed. Heretofore, a person entitled to vote on the basis of six months' residence in a

Knox City School Board Installs Trustees April 9

In a meeting of the Knox City Independent School Board on Tuesday, April 9, John L. Grindstaff Jr. was installed as a new member of the board of trustees. Charles Reese was reelected to another term, and Donald Johnston was elected to his first regular term, having been appointed to fill the unexpired term of A. J. Keathley last year.

In other action of the board, the resignation of Band Director Norman Arnett was accepted.

Board officers were re-elected. Continuing to serve will be John Crownover, president; Doyle Graham, vice president; and Mrs. Betty Williams, secretary.

In a previous board meeting, teachers were hired for the 1968-69 school term including Mrs. Louise Kemletz, Mrs. Frances King, Mrs. Esther Weaver, Mrs. Hazel Long, Mrs. Jean Halbert, Miss Martha Neu-

mann, Mrs. Carol Carleton, Mrs. Lora Beth Ross, Mrs. Mary Frances Shannon, Mrs. Virginia Casey, Mrs. Mary Jo Lankford, Mrs. Vera Newton, Mrs. Sudia Cash, Mrs. Dottie Lowrey, and B. R. Winchester.

Give PO Dept. And VA Change Of Address

About \$1 million in undeliverable checks is returned to the Veterans Administration each year.

This means that some 12,000 persons miss at least one payment of their monthly compensation, pension, or other VA benefit. In some instances, failure to receive a monthly check results in a hardship to the family involved.

To help solve this problem, the VA advises all recipients to give the VA and the Post Office Department their new address, including zip code, when they plan to move.

Funeral Services Held Wed. For Henry Leonard Force, 61

Funeral services for Henry Leonard Force, 61, were held Wednesday at 2 p.m. from the First Baptist Church at O'Brien, with the Rev. W. A. Park, pastor, officiating. Burial was in the Robert Cemetery at Mattson under the direction of Smith Funeral Home of Knox City.

Mr. Force suffered a heart attack at his home eight miles southeast of Knox City about 9:00 o'clock Monday morning, and died Monday at 7 p.m. in the Knox County Hospital.

Born in Glen Rose on September 12, 1906, he had been a resident of Knox and Haskell Counties for the past 50 years. He was a farmer. Mr. Force was a member of the Baptist Church, and had served as a song leader for several years. He married Wanza Nelline Connor in October, 1934.

Survivors include his wife; two sons, Herchel of Abilene

CONSTRUCTION OFFICIALLY BEGINS on the Knox City Municipal Airport. Heavy equipment is shown above, looking north, on the site of the new landing strip.

Ground Breaking

Continued From Page 1
tract will have all of the modern transportation facilities available to it." He reminded the group that the site has highway and railroad frontage, also.

All of this is being made possible by a \$20,000.00 grant from the State of Texas, \$6,000 in private subscriptions from over seventy individuals and families, and in-kind services from numerous individuals in which the value will be in excess of \$12,000.00. When completed the citizens of Knox

City and area will own a debt-free \$50,000.00 modern airport.

Mr. Baker lauded the spirit of cooperation of this entire program. He said that it had also drawn statewide attention to our town.

He concluded by saying that there is nothing wrong with Knox City that faith, intelligence and the energy of her citizens cannot cure.

Following his speech, on-lookers were all given a turn at "turning over a shovel of dirt".

Don't let an electrical fire become a current event in your home. The Institute for Safer Living of the American Mutual Liability Insurance Company points out that many such fires originate from broken switches, dirty sparking motors, loose wiring connections, defective appliances, and frayed or bared cords.

Holding Dentures No Secret... Firm

LOS ANGELES, Calif.—Authorities of a western drug firm say there is no secret to holding dentures tight. All it takes is perimenter suction. Trouble is, most products haven't got it. Bite 'N Hold, a new product has perimenter suction. "It feels different" observed first users, "a secure sensation like having real teeth, and Bite 'N Hold lasts months." Bite 'N Hold is available at HOGE PHARMACY Knox City, Texas

Two Accidents Investigated During March

The Texas Highway Patrol investigated two accidents on rural highways in Knox County during the month of March, according to Sergeant Frank Jitrik, Highway Patrol Supervisor of this area.

These crashes resulted in an estimated property damage of \$840.00.

The rural traffic accident summary for this county during the first three months of 1968 shows a total of nine accidents resulting in one person killed, no persons injured, and an estimated property damage of \$4,360.00.

The final entry in the 1967 Texas traffic records has been entered and closed. There were 3,367 persons killed, 205,308 persons injured and an estimated property loss of \$793,094,000.00. This compares to the 1966 record of 3,406 persons killed, 208,310 persons injured, and an estimated property damage of \$557,414,000.00.

1967 marks the first decline in traffic deaths and injuries since 1960. The Sergeant stated, "With new traffic laws and the willingness of the public to drive defensively, traffic deaths and injuries can be further reduced in 1968."

April 22 - 26
MONDAY - Fish sticks, tartar sauce, buttered corn, cabbage salad, thick sliced buttered bread, coconut cake squares, milk.
TUESDAY - Sliced turkey, cream peas, buttered carrots, hot rolls, butter, blackberry cobbler, milk.
WEDNESDAY - Barbeque on bun, baked beans, relish, pineapple pudding, milk.
THURSDAY - Spaghetti and meat balls, green beans, green salad, corn bread, butter.

chilled fruit, milk.
FRIDAY - Baked chicken, mashed potatoes, congealed salad, whole wheat bread, peach cobbler, milk.

FHA News
BY LINDA MARTINEZ
Mary Reese and Margaret Howell, Junior students in Knox City High School, will receive recognition in Austin at the FHA State Meeting for having ob-

mony, Mary and Margaret will receive a certificate and a torch charm, symbolic of the degree. Mary, the daughter of Mr. and Mrs. Charles Reese is an active student in high school. Besides being 3rd Vice President in FHA, Mary is a member of the basketball and volleyball teams, member of the Beta Club, cheerleader, and member of the Annual staff.
Margaret, the daughter of Mrs. Thelma Howell, is presi-

stowed upon an FHA member. This is not only an honor, but is a symbol of much hard work and perseverance.

The State Degree gives a girl opportunities for improving herself by developing better leadership qualities; for developing better citizenship at home, school, and in the community and church; it gives her the opportunities for better understanding FHA and learning new ways of interpreting its ideals to her fellow citizens; and it gives an individual the opportunity to examine her own goals and ideals.

A State Degree encourages a girl to better herself by participating in more worthwhile activities. Writing a degree improves a Future Homemaker's ability to organize material and to express herself. If there are no other rewards of having a State Degree, the feeling of personal pride and satisfaction made it worth the effort.

In order to obtain a State Degree of Achievement, the candidate must meet certain requirements: she must be a member of the Future Homemakers of America; she must have obtained a Junior and Chapter Degree of Achievement; she must satisfactorily complete two years of homemaking beyond the eighth grade; she must have a two-year record of active membership in local FHA chapter; and she must have an average of 85 or more in homemaking, an average of 85 or more in English, and an over-all average of 85 or more in all other subjects.

A State Degree girl was proudly showing her degree to a friend. "Well, what is it?" asked the friend.
"It's me," responded the degree girl with a proud smile!

More than 2,000 trees have been planted on the grounds of HemiFair, giving 75 per cent shade.

English and Writing, eighth grade; placed first in District Number Sense, 2; placed fourth in Regional Number Sense, 1; placed seventh in Regional Number Sense, 2; received award for Junior degree of Homemaking achievement, 1; and was listed to Who's Who in Geometry, World History, and Biology, 2; and Algebra II, 3.
Judy's high school offices and club memberships are: FHA, 1, 2, 3; FHA Secretary, 2; FTA, 1, 2, 3; FTA Historian, 2; Beta Club, 2, 3, 4; Beta Club Reporter, 3; Pep Club, 1, 2, 3, 4; Pep Club Reporter, 2; Pep Club Secretary-Treasurer, 3; Pep Club President, 4; Annual Staff, 3, 4; Annual Staff Typist, 3; Co-Chairman for Annual Ad Sales, 4; Office Staff, 2; Home-making Class Reporter, 1; and FHA Officer of the Month of May, 2.

hopes to major in Pre-Law. He also wants to get a minor in History.

He has spent all his years of schooling at Knox City. During the past four years he has participated in several school activities. He has participated in football and basketball for two years. Joe has been entered in the Interscholastic League as a ready-writer. He participated in the Junior Class Play last year, and hopes to participate in the Senior Class Play this year. He has also helped with the school's One Act Play. This year, he was chosen as a Senior Class Favorite. He is also an officer in the Future Teachers of America, and the Sports Writer for boys' athletics.

His favorite color is blue. His favorite food is steak, and his favorite recording group is the Beatles.

FROM MIDWESTERN
Lanny Logan, student at Midwestern University in Wichita Falls was home for the holidays with his parents, Mr. and Mrs. Neal Logan.

Seniors Will Present Play, "Pass The Cream"

The Knox City Senior Class of 1968 will present "Pass The Cream", a farce in three acts by J. Wilbur Fitzpatrick on Tuesday evening, April 23 at 7:30 p.m. in the school auditorium. The play is published by Art Craft Play Co. of Cedar Rapids, Iowa, and features five boys and six girls in the cast.

As an added attraction, the Knox City Stage Band under the direction of Band Director Norman Arnett will provide musical entertainment from 7 until 7:30 p.m. Admission of 50 cents for students and \$1.00 for adults will be charged.

The story is that of the members of the wealthy Lamb family who have gone so far out of line in their modern expenditures that Richard Lamb Sr. (Gary Wheeler) turns the entire management of his business and his family over to Bennings Dunahay (Mike McKinney) who proves to be more than just his efficient secretary. Members of the family include his wife, Alice (Kathy Wilson), his spoiled daughter, Helen (Pam Waldrip), his playboy son, Richard Lamb Jr. (Richard Barnard), his artist cousin, Jane Roberts (Sherry Sutton), his efficient household maid, Rose (Colleen Averitt). Other cast members include Greta Lawrence, Helene's girl friend (Velvet Verhalen), John Gibbs, Richard Lamb's boy friend (Paul Graham), Sarah

of the play including those of makeup, sales, announcing, prompters, stage managers, publicity and programs.
The play is directed by class sponsors, Mrs. Ottis Cash and Ward M. Cooksey.

The famous Ballet Folklorico de Mexico will appear 16 times at HemiFair from May 5 - 18.

Truscott News

BY RUTH BROWN

Black Sunday, Mrs. C. A. McNeese left with her son, Cotton McNeese, and his family for a visit with them in Houston.

Mr. Stoker is still in the Knox City hospital.

Last Thursday Mrs. Paul Bullion and children went to San Angelo to visit relatives there. They returned home Monday.

Mr. and Mrs. Roy C. Daniel and children spent Sunday with his parents, Mr. and Mrs. Roy Daniel of Benjamin.

Mrs. Tommy Tapp and boys were in Seymour over the weekend.

Mrs. Gladys Bird's mother of Olney spent several days with her last week.

Elmo Glasscock and R. B. Glidewell Jr. were in Truscott Friday. They sold Mrs. R. B. Glidewell's house to Mr. and Mrs. Lupe Salazar who are moving here from San Antonio.

J. L. Price of Seymour and the Charlie Reagans of Houston visited the Tommy Tapps Saturday.

The Oscar Whitakers of Tahoka visited in Truscott over the weekend.

The Paul Bullion house was moved to Gilliland Friday.

Mr. and Mrs. Monroe Cash visited Mr. and Mrs. Shirley Moore of Plainview over the weekend.

Clyde Bullion visited his daughter and family, the Don Daniels of Palo Pinto over Easter weekend.

Robert and Raymond Dittmore, James Matthew New, Trenna Cash and Grover Reed had or were suspected of having scarlet fever last week. No new cases were reported by Monday.

D. B. Myers of Red Spring visited the Ralph, Connie and Cleo Myers families Sunday.

Vicki Ansley was taken to Wichita General Hospital last Monday for emergency appendectomy.

The Gilliland School held its annual picnic April 11 at Dead Man's Mountain.

Mrs. Lula Baty and Mrs. Marlene Abbott accompanied Gilliland students to the UIL literary events at O'Brien April 9. Gilliland teams were not eligible to win due to an error in registration but entered in several events nevertheless.

A son was born to Mr. and Mrs. Johnny Robinson April 8 in Knox City hospital, Johnny De-

wayne is their first child.

The Kenneth Walkers of Lubbock visited the Ray Glasscocks Monday through Wednesday.

Joe Ed Gillespie of Ackerley visited his mother, Mrs. Marie Gillespie last week.

Randy Prince of Crowell visited Allen Tapp Thursday and Friday.

Mrs. E. J. Jones, Mrs. J. R. Brown, and Mrs. Jack W. Brown and children of Truscott, Mrs. Q. D. Williams and children of Floydada, and Bob Brown of Crowell went to the HemisFair Friday and came home Sunday.

The Newell Looneys went to the HemisFair and returned Monday. They also visited in Austin and Dublin.

Mrs. Arthur Horne spent the Easter holidays in Tulsa, Okla., visiting her son, J. D. Horne and family.

Mr. and Mrs. L. G. McGuire and Fred and Phil Cook spent the weekend in Waco visiting Mr. and Mrs. Lewis McGuire and family.

Mr. and Mrs. Doyle Davis and family of Wichita Falls visited her parents, Mr. and Mrs. W. T. Cook over the weekend.

Mr. and Mrs. Paul Horne visited their son and his family, the Teddy Hornes in Plainview during the holidays.

Mr. and Mrs. Ronnie Simmons visited their parents over the Easter weekend.

Mr. and Mrs. Joe Gordon of Crowell visited Mrs. H. H. Williams and Miss Edna Russell Sunday.

KNOX CITY, TEXAS

Cancer: An 'Action Gap' Cotton Pickin's

The American Cancer Society has repeatedly pointed out that cancer is no longer an automatic death sentence. Far from it. It is, in fact, one of the most curable of major diseases.

Yet the Society also points out that about 100,000 Americans will die of cancer this year — needlessly. That is the shocking part: That one little word, "needlessly." For if those 100,000 had had their disease diagnosed and treated in time, chances are they would be alive and well.

Why won't they be? Many — perhaps most — of them have doubtless heard of the need for early diagnosis and treatment. Thanks largely to the cooperation of the nation's press, the Society has been able to bring its life-saving message to the attention of a big percentage of the American people. Great numbers of people know that something should — and can — be done about cancer. They have "gotten the message."

The trouble is, too often they don't act on it. Just why many of us don't act to save our lives is a puzzle. The Cancer Society has been trying to discover why through a public opinion survey which was conducted to find out how people regard cancer and the idea of a yearly checkup for the disease.

Those who go for checkups regard themselves as logical and sensible. "Non-goers," in contrast see no reason to go to a physician unless actually sick. (Unfortunately, by then it may be too late, so far as cancer is concerned.)

It is not only the annual checkup which is involved, of course. Knowledge of the Seven Warning Signals, and the taking of a few elementary precautions can also be life-savers. Avoidance of cigarettes and the wearing of light, protective clothing when exposed to the sun for long periods can actually prevent cancer, of the lung and skin respectively.

What is at the heart of the matter is obviously not so much a "communications gap" as an "action gap." The Society's messages of sense and safety are reaching millions . . . but all too many of us aren't really listening.

The American Cancer Society needs our dollar-support to do its job: a job it is doing magnificently well — on its part. But the other half of the job is ours: to act on the knowledge given us. No one else can force us to. Saving our lives begins with us.

News From HD Agent

GAIL OSBORN

The 1968 Knox County Share-the-Fun Festival and 4-H King and Queen Contest will be held Friday, April 26. The talent contest will begin at 7:30 p.m. in the Munday High School auditorium. All entries should be turned in to the County Extension Agents by Wednesday, April 24. Clubs have been raising funds to support King and Queen nominees with cake walks, cupcake, candy and cookie sales, a paid hayride, and canvassing for a penny a vote.

Knox County 4-H members are conducting a fund drive in April, which is a part of the 22 county area drive being conducted by the District 3 4-H Council and the Texas 4-H Youth Development Foundation, according to David Navratil, County 4-H Council Chairman.

David Navratil said that the 4-H members from all of the clubs in the county are conducting the drive. They will call on their friends and neighbors and ask them to give one dollar to the 4-H program. Each 4-H member participating in the drive will be identified by an attractive badge. All contributors will view or receive a brochure describing 4-H activities.

The purpose of the fund drive is to secure funds for the Texas 4-H Youth Development Foundation, a service organization for 4-H in Texas. Funds collected will be used to increase the Foundation's endowment fund and to help underwrite new as well as existing programs at state, district, and county levels of work. All of the 4-H Foundation's programs are designed to increase opportunities for leadership development among 4-H youth and their adult leaders.

Aubrey Lockett of Vernon and Robert Hillery of Wichita Falls are the honorary chairmen of the drive and also serve as Trustees to the 4-H Foundation from District 3. The district steering committee is composed of the District 3 4-H Council. The county 4-H council serve as county steering committees, which includes an audit committee, a prospect committee, advisory committee, and publicity committee.

Tax Man Sam Sez:

Well, the big day finally got here. We are glad that you made it, even though it was at the last minute. Internal Revenue has some good advice for a large part of those late filers: Be patient about your refund check, since these last minute returns take a little bit longer. For the people who waited 'till the last minute and still had to pay, IRS doesn't have a message, but in case you haven't given up reading everything pertaining to taxes until next April 15, let me repeat our January 1 message: "Next year, file early!"

Texas Anti-Crime Council Stands Against Pari-Mutuel Betting

State-wide organization of the Anti-Crime Council of Texas was completed in organizational meetings held in Dallas, Houston and San Antonio, Dr. Abbor University and co-chairman of ACT, has announced.

Composed of more than 100 leading citizens of the state, ACT was formed to combat rising crime rates, and specifically to defeat the May 4 state-wide referendum on pari-mutuel betting.

"Where pari-mutuel betting goes, organized crime takes over," Dr. McCall said, "and we must not let it happen again in Texas."

Each senatorial district chairman has been charged with the responsibility of naming county chairmen, who in turn will work with city and precinct chairmen, Dr. McCall said.

Senator Ellender, chairman of the Committee, was notified by wire of the cancellation and extra copies of the testimony sent to him by mail.

Late Monday Congressman Purcell said that due to the turmoil created by the assassination of Dr. Martin Luther King in Memphis, Tenn., the legislative programs in both House and Senate had been revised. He was unable at the time of the call to contact Senator Ellender or any other member of his staff. Congressman Purcell assured Bragg that he and Mahon would lend whatever assistance they could in getting the Texas growers' testimony before the Senate Committee.

"For the first time in history," said Bragg, "Texas growers will present a united front on major provisions of the new cotton program whenever the testimony is presented."

Details of the presentation were worked out at a meeting of Texas Association of Cotton Producers Organizations held early last week in Dallas.

Bragg said TACPO's program, to be presented to both the Senate and House Agriculture committees, would include practically every detail of the legislative proposals approved by the RPCG executive directors and legislative committee at a March meeting in Stamford.

Specific recommendations to the Ellender Committee included the following excerpts from the testimony to be given:

"Most important, any extension of the present program must be designed to maintain the current level of producer income . . ."

"This should be an absolute minimum income for cotton producers, and while we agree that provisions of the program must be flexible, we believe it is essential that this amendment (the Ellender Amendment) to the 1965 act guaranteed cotton producers 65 percent of parity) remain intact in new legislation.

"A program must be designed for domestic and export consumption that will lead to a return to a profitable production from legal minimum of 16 million acre national allotment.

"Texas cotton farmers export approximately 65 percent of their crop each year. On the farm, they cannot separate domestic from export bales. They cannot separate export acres from domestic acres. The cost of producing for the two markets is the same . . . Therefore we recommend that the price support payment provisions be modified to include the total needs of the market, both export and domestic.

"Authority to transfer cotton allotments between farms by sale or lease should not only be extended, but liberalized. It can be made more efficient by removing the 100-acre limitation and extending the time period during which transfers can be made."

MISS TRUDY WOODALL

Miss Woodall To Wed May 11

May 11 is the wedding date chosen by Miss Trudy Elaine Woodall and Larry Wayne Boatright of Dallas.

Parents of the couple are Mrs. Joyce Wier of Dallas, Mr. James Woodall of New Orleans, Louisiana, both former Knox City residents, and Mr. and Mrs. L. B. Boatright of La Marque, Texas.

Miss Woodall is the granddaughter of Mrs. Joyce Smith of Knox City.

Lewis-Curry Nuptials Told

Miss June Lewis was married to Dave Curry in Rawlins, Wyoming, on Thursday, April 11. Parents of the bride are Mr. and Mrs. Frank Lewis of Knox City.

Miss Lewis recently completed a course at the Job Corps Training Center in Omaha, Nebraska. The groom completed Job Corps Training in Lincoln, Nebraska. He is a graduate of Rawlins High School and served four years in the U. S. Air Force before enrolling in the training center.

They will make their home in Rawlins where they are both employed.

MISS DIANA UNDERWOOD

Engagement Announced

Mr. and Mrs. R. H. Underwood of O'Brien announce the engagement of their daughter, Dianna, to Gary Condron, son of Mr. and Mrs. C. B. Condron of Denton, Texas.

The wedding will be in late June at the First Methodist Church in Knox City.

Miss Underwood is a 1966 graduate of Carney High School in O'Brien and is a sophomore at Midwestern University in Wichita Falls. Condron is a graduate of Throckmorton High School and has attended North Texas State University in Denton. He is now Airman First Class in the United States Air Force, stationed at Castle Air Force Base, Merced, California.

there are two varieties of the plant, one the Lupinus-Sub-Carnosus, the other Pexensis. The generic name Lupinus comes from the Latin word for wolf, referring to the old supposition that these plants impoverished the soil. Now it is known that the roots from nitrogen compounds which add to the soil's fertility.

Mrs. J. T. Gilpin provided the Abstract arrangement, "Spring", a low vase of lilacs and greenery.

Cake squares and lemonade were served to Mes. Gilpin, L. W. Graham, Dudley, C. C. Hoge, Guy Robinson, E. Wilson, Wall, and the hostesses.

The last meeting of the year will be a 12:00 noon luncheon to be held on May 14 at the Woman's Club. Each member is asked to make and wear a corsage, and to also bring a salad. Officers for next year will be installed by Mrs. J. C. McGee.

SS Benefits Available For Disabled Youth

Severely disabled young people will now find it easier to qualify for social security disability benefits, Edwin Draughon, manager of the Vernon office, said today.

A recent change in the law reduces the work requirement from a minimum of 5 years to 1 1/2 years.

"This new minimum", Mr. Draughon stated, "applies only to those who become disabled before they are 24 years old. If disability begins between the ages of 24 and 31, they must have worked the equivalent of half the time between age 21 and the date the disability began."

"For example, a teenager who becomes disabled from illness or accident, could qualify for monthly disability payments if he had earned \$50 or more in a job covered by social security in each of 6 calendar quarters during the 3 years just before he became disabled. In addition to spending money, the teenage worker is now building up disability insurance protection.

"Although benefits under this change cannot be payable for months before February, 1968," Mr. Draughon pointed out, "the disability condition may have begun earlier."

Further information and assistance in filing applications may be obtained at the Vernon Social Security office 1728 Fantin Street, phone LI2-9346, or meeting with the Representative when he comes to the City Hall in Munday.

Hall in Knox City, *****

Set up rigid family smoking rules for safety's sake, advises the Institute for Safer Living of the American Mutual Liability Insurance Company. See that they are obeyed. Thoughtless family and guest smoking habits account for the largest number of residence fires each year. Rules should include no smoking in bed, and safe disposal of cigarettes and matches.

Regional Rehab. Conference For Veterans, April 18

A Regional Rehabilitation Conference for Veterans Service Officers will be held in Lubbock on April 18 and 19, 1968. This announcement was made today by Mr. Charles L. Morris, Executive Director of the Texas Veterans Affairs Commission.

This two-day meeting will be conducted by the Veterans Affairs Commission, in cooperation with the American Legion, Disabled American Veterans, Veterans of Foreign Wars, and the Veterans County Service Officers in the 79-County West Texas Region. The purpose of the Conference is to acquaint Service Officers with the latest changes in the laws and regulations pertaining to veterans' benefits. Present for the meeting will be representatives from the Veterans Administration Regional Office in Waco, Texas, from the Veterans Administration Hospitals in Amarillo and Big Spring.

During the Conference there will be discussions concerning the various veterans' benefits programs, such as disability compensation and pension, VA hospitalization and medical treatment, survivors' benefits, educational assistance for veterans and their children, and others. The meeting is open to the public, and will be held at the American Legion Post #148, located at 2412 Avenue Q, in Lubbock, Texas.

State draft boards are being called upon to furnish 2,131 men for the Army in May, Colonel Morris S. Schwartz, state Selective Service director, said Friday.

This compares to a quota of 2,378 for the Army and Marines in April.

The draft boards will forward nearly 9,000 men to the armed forces examining and entrance stations in May for the pre-induction physical and mental examinations in preparation to fill future quotas.

This compares to 8,500 being forwarded for this purpose in April, 7,200 sent in March, and 4,600 in February.

The May induction and pre-induction quotas are scheduled to be mailed to all local boards Friday by the state Selective headquarters.

The May call of 2,131 men for Texas is the state's share of a national quota of 44,000 all for the Army.

The order of selection to fill the May induction call may be from among examined and acceptable men who are:

- (1) delinquents 19 years old and older, (2) volunteers under age 26, and (3) nonvolunteers 19 through 25 years old, single and married, with those married after August 26, 1965, being selected ahead of those married on or before that date.

The state director of Selective Service also announced receipt of a state call for 42 doctors of medicine and two doctors of osteopathy for the Army during July, August, and September. The national quota is 1,070 medical doctors and 56 osteopaths.

"Your receptionist, for one, said I might call again."

L. Gray Beck New President Of GT Company

E. H. Danner will be succeeded as president of General Telephone Company of the southwest by L. Gray Beck, executive vice president, when Danner retires June 30, it was announced April 11, 1968 by James J. Clerkin, Jr., executive vice president-telephone operations of the company's parent organization, General Telephone & Electronics Corporation.

A 40-year veteran of telephony and graduate of Illinois College in Jacksonville, Ill., Danner has been president of the Southwest Company since 1957 and was operating vice president before becoming president. Preceding his association with General of the Southwest, he resided in Sherman, Texas where he was president of the Texas Telephone Company which later was merged with General Telephone Company of the Southwest. Danner will continue to serve on the Southwest Company's board of directors.

Beck, a native of Everett, Washington, began his telephone career in 1934 with the West Coast Telephone Company, now a part of General of the Northwest.

Beck moved to Texas in 1964, when he was named executive vice president of the Southwestern States Telephone Company, a part of the Western Utilities group, which merged this year with General of the Southwest.

Immediately prior to his assignment with Southwestern States, Beck was vice president and general manager of the West Coast Telephone Company.

In 1966 he was named executive vice president of General of the Southwest and was elected to the board of directors.

Both Danner and Beck have participated extensively in local, state affairs and telephone activities.

Danner currently is on the executive committee and vice president of state affairs for the Texas Manufacturers Association; member of the advisory committee on educational TV for the Texas Education Agency; vice chairman of the board of trustees of Austin College at Sherman; and director of the Texas Telephone Association.

Motorcycle Stripping Major

The theft of sports motorcycles has rapidly become a major problem for law enforcement officials to the National Bureau.

C. C. Benson, southwestern NATH, said the rise in motorcycle thefts is alarming and represents nearly all of the many cities.

"Stealing a motorcycle is a false theft because many teenagers of their ability to acquire a license and drive," Mr. Benson said.

The theft of high performance motorcycles by teenagers is one of the nation's automobile crimes, Mr. Benson said.

Mr. Benson said parents should be aware of the age children are certain they know came from, how acquired, etc.

Benjamin News
