Lowell-Smith

Vera Tragedy

an Angelo, Texas July 8—Miss Lowell and Mr. O. W. Smith were married here this morning at 10 o'clock at the First Methodist church, the ceremony to be read by Reverend Edmund Heinsch, attending the quiet service will be Mr. and Mrs. Ernest C. Hill of Waco and Mr. and Mrs. Homer Smith of Sweetwater.

Following the service, the couple will leave for Monterrey, Mexico, where they will spend a week. Returning to Texas, they will be at 10 in San Angelo.

The bride has been home demonstration agent for Schleicher County for the past 13 months. She is a daughter of Mr. and Mrs. J. W. Howell of Knox City former San Angelo. She attended grammar school and holds a bachelor of science degree from Tech Tech.

Mr. Smith is a son of J. H. Smith of Fronte. He is an appraiser in this district for the Federal Land Bank Houston. Previously, Mr. Smith managed the wool house in Eldorado and was connected with a gin company in Schleicher County.

On Friday morning of last week the Vera community, Knox county, was the scene of a human tragedy, surpassed by few and touchingly close to home.

Mr. Hollis McGuire not only took his own life but also that of his wife and two children. While it is said that financial reverses caused the quadruple kinning it is altogether possible and believed by many that Mr. McGuire's physical condition contributed to the killing.

Some nine years ago Mr. McGuire fell from a pecan tree and cracked his skull. Since that date his health has been bad, he being unable to do the work about his farm. Being in this condition the man naturally brooded and having reached a financial condition, seemingly unsurmountable, he doubtless met a form of insanity.

Burial for the family was held Saturday interment being made in the Vera cemetery.

This is the third tragedy for Vera within the past few months.

LEGION ELECTS NEW OFFICERS

The Knox City Post of the American Legion met in regular session Monday night at the Legion Hall at which time new officers for the ensuing year were elected. They are as follows:

Commander, Benton Anderson
Vice Commander, Vance Favors
Adjutant, Vance Jones
Chaplain, Mack Sweeney
Historian and Service Officer Roy Smith.

A number of visitors from Monday and Benjamin were present at the meeting Monday night and plans for a countywide celebration were made. The occasion is to be in honor of the newly adopted Legion Band, the Rhineland band. All ex-service men and their families of the county are asked to join the crowd in a picnic at Monday on the evening of August 7. More facts concerning the picnic will be given at a later date.

The meeting Monday evening was quite the most successful the local Post has had in some time.

ATTEND BROTHERS FUNERAL

Mr. M. J. Hollabaugh of this city was called to Midlothian Tuesday in the death of his brother J. A. Hollabaugh. The latter died Monday July 9th and was buried Wednesday at Mountain Peak. He was 62 years old.

Mr. J. A. Hollabaugh owned a farm in Knox City having bought the land as an investment.

M. J. Hollabaugh was accompanied to Midlothian by his wife and Mr. and Mrs. J. H. McGee and little Miss Ruth.

The Knox City Hollabaugh couple are among the oldest residents in the city. She is 79 years and he is 74. They have lived here for twenty seven years, now making their twenty eighth crop. They are both in reasonably good health, caring for themselves at their home on the outskirts of the city, east.

Mr. and Mrs. Melton Jones of Bryson spent the weekend here with M. R. Jones. They were accompanied home by Mr. M. E. Jones who went from Bryson to Wichita Falls Monday to hear Jimmie Allred speak, also to see his wife who has been in Wichita Falls for the past two weeks. Mrs. Jones' health has improved considerably since her arrival in Wichita.

BAPTIST LADIES VS METHODIST LADIES

The most interesting play ground ball game scheduled this season is that to be played Friday night by the Baptist ladies and the Methodist men.

Mrs. Milton Bradberry, manager of the Baptist team, hopes to stage some excellent plays, defeating the Methodist team; however the Methodist ladies have the same victorious aspirations.

The first ball will be tossed promptly at seven thirty. Be on time and boost for your team. The field is located on the lot south of the Methodist church and is well lighted.

Panny Farmer, and Jack Wilson played golf in Crowell Sunday.

Here and There

As the days continue to come and go and no rain falls the Stroller, along with the rest of the citizenship, has to keep faith but find pleasure in other things. It is doubtless in view of this fact that fisherman Thompson enjoys visiting the Benjamin lake so often. He can see quite a bit of water and even get his fingers wet, even if it doesn't rain.

Early one day this week the Stroller happened upon Mr. Thompson happily consuming a ripe, juicy peach but still bemoaning the fact that his string of nice bass succeeded in making their getaway from where he had tied them to his boat oar. That was a break for the fish.

Rounding the corner Grocery store I found Charley Keck using all his current and surplus salesmanship in disposing of a basket of ripe tomatoes. He made the deal.

Being numbered among the good water users of the Teague Cafe I stopped for a drink and a chat and found Ed'ar busy as a cranberry merchant making tea, a big jar full, all of which he hoped to sell during the noon meal.

Business at the Post Office was good but slow, said the Postmaster and he himself was engaged in improving upon the Rock of Ages. See his idea and display in the parcel post window.

At the Knox City Motor I found Rudolph trying to collect a bill and Jack attempting to convert a five gallon gas buyer into a nine gallon buyer. Rudolph succeeded with his bill but I think Jack is still arguing.

Russell Boyd was on one of his 99 trips coveting the territory between the Service Station and the Hotel, missed him completely.

At the X-L Station Jerry Earp was enjoying a cool, comfortable rest upon the Co. Co. Cola box; however, he was all of a flutter when a model T drove up and asked for gas.

Mrs. Lawrence Lee, boss of the Smile Cafe, looked fresh, cool and comfortable as she sat listening to the program from her new Zenith radio which she received Saturday from the Leader Store and the Texas Theatre.

In the Beneliet building I found Mr. and Mrs. Shonard considerably upset over a gallon and half of ice cream they had just made and let salt water get in. It was a sad situation but Cassie just made another freezer.

Contrary to all laws of small town life I found T. E. Robbins in the Citizens State Bank arguing with C. W. Armstrong, trying to loan the man some money. C. W. just didn't need money.

Joe Averitt was aspiring to own a million, being satisfied at the rate of a dollar a day.

Jack Coats was trying to out argue Finis Walker and from this scene I made my way home.

Miss Laverne Cummings of Yuba City California is here visiting Miss Mary Gray of the Brock community.

There was a Prohibition rally in Monday Tuesday afternoon, a number of Knox City folks attending. A rally is being held in Knox City this evening.

The Seth Parker club met Tuesday evening at the church the entire evening being given to the practice of songs to be used during the revival meeting that begins in the church Sunday.

KNOX CITY DEFEATS PEACOCK

Knox City ball team defeated Peacock Sunday 10 to 2, the game being played at Peacock.

The second half of the season begins Sunday. Knox City will play Monday. The first game of the second half to be played in Knox City will be Wednesday, July 18th with Haskell. Fans are asked to see the game.

TRI-COUNTY GOLF TOURNAMENT

The annual tri-county golf tournament of Knox, Baylor and Haskell counties began Monday of this week in Haskell. Panny Farmer and Jack Wilson qualified Monday. Bud Wheeler of Seymour, medalist, scored 72 with Farmer following with 73 and Wilson with 74.

A number of Knox City fans were present Monday for the calculus pool.

Farmer and Wilson Win First Matches

Panny and Jack played their first matches of the tournament Tuesday afternoon each winning over their opponents. Panny defeated Red Campbell 8-7 while Jack defeated Virgil Reynolds 4-3. Campbell was from Monday and Reynolds from Haskell.

The other three favorites, Bud Wheeler, Byron Shupe and Jarold Davis all of Seymour, advanced in the first rounds.

Panny and Jack will play their next matches today, Thursday, Panny playing Jerold Davis and Jack playing Tom Craddock, both boys being from Seymour.

Christian Church Revival

The Christian Churches of Knox county will have a big County-wide revival lasting for 33 days starting Sunday, July 22nd at Benjamin under the leadership of Dr. John W. Darby of San Antonio, Texas. The evangelist has a national reputation and is one of the strongest and most able preachers in the Christian Church. He is not sensational in his methods but is a great preacher and teacher of the Bible. The schedule is as follows: Benjamin from July 22 to August 1st; Knox City from August 2nd to August 12th; and at Goree August 13 to 23rd. The evangelist will be assisted by Minister Bedford Smith, Knox County evangelist and pastor of the local church here.

More information about the big county meeting will be given in the next issue of the Herald.

The L. W. Graham family spent Sunday with relatives in Electra.

O. L. Jamison received a message Thursday of the death of Mr. Howard Thomason and that his body would arrive in Knox City Saturday for burial. Mr. Thomason is a former citizen of Knox City and is a relative of Hoyt Shaw and the Jim Stevenson family. At the time of his death Mr. Thomason lived in Coolidge Arizona. Friends and acquaintances of the Knox City relatives and the Thomason families are asked to attend the funeral services.

The merchants of the city are sponsoring this program which will be broadcast through a loud speaker from the City Hall. All talent on these programs will be home folks. Anyone wishing to tryout, be at the City Hall Friday night.

The public is invited to attend these programs, bring the family.

Mr. I. M. Allison, former Dean of music of Simmons University of Abilene, was in Knox City Friday of last week and visited with Miss Mildred Dutton. Mr. Allison is now head of the Teachers National Music Guide.

Mr. and Mrs. R. E. Carpenter moved recently to the Davis home.

"REPEALING THE UNREPEALABLE" will be the sermon subject of Minister Bedford Smith Sunday morning at the First Christian Church here at the 11:00 o'clock morning worship hour. There will be no night service on account of the Baptist revival. Brother Smith will preach at Benjamin Sunday evening on the same subject. The public is invited. The Bible School under the direction of Mr. B. C. Anderson meets every Sunday at 10:00 o'clock.

The Herald has been informed this week that little Miss Bobby Jo Favor is on her vacation this week visiting her aunt Mrs. Culwell in Abilene. We hope that little Jo's vacation proves sufficient unto her needs that upon her returning home she will be able to assume her duties about the place. Miss Bobby Jo is the ripe old age of four years.

HOW ABOUT THE BEER QUESTION

Announcement was made this week by the commissioners that Knox county is being called to vote upon the question whether or not beer can be legally sold in the county, said election to be Saturday, July 21.

Now what are you going to do about it? It seems to me, the lady editor, that no sound thinking individual would vote for the return (in any manner) of any drink that is intoxicating or that has a leaning in that direction. We urge that those upon whom teaching the manhood and womanhood of the generations rest, the wives and mothers, we urge that you vote in this election. If your true vote is cast in this election, you will be satisfied with the outcome thereof.

We understand that Henry Arledge is thoroughly versed in the category of antics that one usually expresses when a mouse scampers up his trouser leg. As a matter of fact, Henry is so thorough in this business that he succeeded in arousing the larger portion of the city Sunday evening, when a rat ran up his trousers, eve before the rat could turn around and run down again.

The Political speaking was well attended last Friday night. Although nothing was heard from the Commissioners in the race, there is a sufficient number running for the town to have just a Commissioners speaking.

THE BOOK

the best line of which reads, "The Holy Bible," and which contains Four Great Treasures

by BRUCE BARTON

FROM CARPENTER'S BENCH

The early years of Jesus' life are cloaked in mystery. We catch one glimpse of Him going up to the Temple with His parents, where He was lost from them for a day and subsequently discovered in the midst of a group of wise old men, asking questions and amazing them by the keen penetration of His comment. Except for this single episode the Gospels throw very little light upon His boyhood. We know the names of His brothers, James and Judas and Joseph and Simon, and there was at least two sisters. For some years He apparently was the man of the house, and His earnings in the carpenter shop were the main support of the family. Perhaps this was a disappointment to Him for He must have been a studious boy who would have preferred to read and study. But He was strong and vigorous, and the family needed His help and His younger brothers His protection. At thirty, however, He had discharged His obligations: He was free legally and morally to find His own occupation and to do as He liked.

But what should He do? He had no professional education. He had attended the village school in the synagogue, as every Jewish boy of His time was supposed to do, and He could read as we know, for He did read later in public; so? His conversation and discourses showed a considerable degree of familiarity with the literature of His people, the Law and the Prophets and the Psalms.

It requires no great imagination to sense the brooding that must have been on within Him as He lifted up his eyes from the bench to see a caravan passing through the valley below on its way to the greater world or sat at night under stars wondering at the eternal mysteries behind

them. One day in the slack season, about the first of the year as we count it. He took a vacation, turned the shop over to His brothers and went away to attend a kind of camp-meeting conducted by a brilliant, fiery cousin, John.

The two cousins had known each other more or less, for John's father was a priest, and there is little doubt that as Jesus went up to Jerusalem for the annual feasts He met John there. John had turned his back on the priesthood and become an independent preacher. It is rather a solemn thought that at nearly every important period of Jewish history the established church failed to meet the requirements of the situation. Neither the prophets nor the psalm writers were official priests, but unsalaried and unofficial John the Baptist refused the priesthood; Jesus was a layman. This is not necessarily a criticism of organized religion, but it does suggest strongly the need for tolerance in the church and for a spirit of humanity toward new truth.

TRUCKS MUST REGISTER UNDER CODE

Austin, June 29.—National code authority at Washington has notified the Texas code authority to certify to them all truck operators for hire who fail to register under the trucking code during this week according to Col. Harry Stewart, chairman of the Texas authority today. After July 13 the full penalties of the National Recovery Act will apply to any operator of a truck for hire whose truck is not equipped with the insignia of the trucking code furnished only to those who register.

"The National Recovery Administration estimated at the time the trucking code was approved that it was capable of absorbing 11 per cent of the reemployment expected under the national recovery program," said Col. Stewart, "except in those states where restrictive tonnage laws tend to prevent the normal use of this transportation agency."

"According to Mr. Ted Rodgers, Chairman of the national code authority, who was in Dallas on a tour of some of the principal cities of the country," continued Col. Stewart, "it is evident that the administrator for national recovery is determined to enforce the national trucking code. It is the biggest code of all in its potential employment."

FOODS

KEPT FRESH

WITH ICE

Are far more attractive to the appetite during these hot days than foods kept any other way.

This is true first because ice keeps foods fresher and second because in being kept fresher the foods are free from odors and staleness that make them limp and distasteful.

Keep plenty of clear, sparkling tasteless ICE on hand at all times during these long, hot days for the use and comfort of your whole family. Only ICE refrigeration furnishes this supply of ice. Phone 98.

After the "feed" every one participated in a number of very amusing games and to say all had a good time is insufficient, they had a grand time.

The Missionary Society of the Methodist church met Monday in regular Bible Study with Mrs. C. C. Hoge, eleven members being present. Following the study a short business session was held at which time the election day dinner, which the ladies planned to serve the 28th of this month, was called off.

Mrs. Hoge served a most refreshing feed punch and cookies. The Society meets next Monday with Mrs. Lloyd Waldrip in study of the 9th and 10th chapters of their present Bible course. The hour of meeting has been changed to four o'clock. All ladies of the church are invited to attend this meeting.

NEW G-3 TIRE HAS SKYROCKETED TO PUBLIC APPROVAL

Numerous Advantages of New Product Result in Increased Sales, Dealer Says

Unprecedented sales have resulted since the public announcement of the Goodyear G-3 tire on April 29, according to Mr. J. V. Jones, local dealer for the Goodyear Tire and Rubber Co.

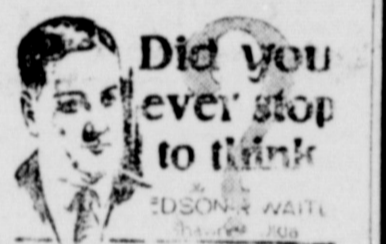

"The new G-3 All-Weather skyrocketed to success," Mr. Jones asserted. "It took Goodyear over 21 months to perfect it, but it met with immediate public acceptance within 24 hours after its announcement.

"There are a number of reasons why the G-3 has become so popular. Included are a wider, flatter tread, giving greater road contact, more diamond blocks in the center of the tread for additional safety; and average of two pounds more rubber per tire; wider riding ribs; narrower and deeper grooves—all of which sum up to 43 per cent more non-skid mileage in the G-3 over old style tires.

"In addition, the tire may be purchased for the present at the same low prices, but restrictions on crude rubber may affect tire prices, and it seems reasonable to expect that anyone purchasing tires now will be saving money and getting the benefit of new tires during the hot summer months, and sure-footed traction during the winter when wet, slippery streets are the rule," Mr. Jones concluded.

Miss Velma Kirkland returned to Knox City last Saturday after having spent a week with relatives in Lawton Oklahoma.

Mr. and Mrs. Earl Cook and S. J. Bradley and family visited in Wichita Falls Tuesday.

That in live, worthwhile cities, you will find that the progressive citizens are in the saddle.

They have cleaned out the nests of pull-back and city-knockers.

The blow that broke their backs was when the live citizens said "We can and we will make our city a bigger, better, brighter and busier city," and then got into action.

They then stormed the breastworks of the pull-backs and knockers. They couldn't stand the fight of progress and they were to be thrown into the scrap-heap. They knew the time to disappear had come and they never again would have a chance to bob up serenely and stick a harpoon into the machinery that was moving the city forward.

Cleared of these pests, these cities are now growing cities; they are cities with an assured future and are good places in which to live and make a living.
