EADS BABY BURNED WITH WATER

Saturday night the two-year old baby of Mr. and Mrs. Earl Eads was burned when it pulled a bucket of hot water over on itself. The side of the child's face, chest and legs were burned, some places being more than just skin burned. After receiving treatment the child returned to its home where it is reported as doing very well.

CLIFF SCHOOL OPENED MONDAY

Monday the Cliff School opened with an attendance, estimated, of about sixty per cent of their scholars. Mr. H. Cunningham is superintendent of the school and the other teachers are Mrs. J. B. West, Mrs. Russel Boyd. Work through the 9th grade is taught at Cliff. There was no opening program Monday due to the fact that every one is so busy. Books were issued and lessons assigned while classes were in session Tuesday morning.

The church of the Cliff community is Smith Chapel. Church services are held regular there two Sundays out of each month. Sunday Brother I. J. Duff preached at both the morning and evening hours. The attendance showed an increase of some fifty percent, which fact no doubt, was due to the large number of people in the community working on the farms.

Smith Chapel is the Missionary Baptist church and every one is invited to all services there.

MAN KILLED IN WEINERT WRECK

Sunday night three men were seriously injured and a fourth killed in a car wreck on the highway some one and a half miles north of Weinert. The three injured were carried to the Stamford Hospital while funeral arrangements were made for the dead, R. D. Robertson, Mr. Robertson is of Fort Worth.

Mr. Robertson and his brother-in-law, Willard Chambers, had been duck hunting. They were parked just off the highway. Another car, driven by Buster Coffman who was accompanied by Jott Tymes, were returning to their homes from Haskell, to Goree, when they ran into the Robertson car.

J. E. Clarke and family were in the city last week. Mr. Clarke was looking fine and was glad to be with his friends here again. The family, after visiting with friends and relatives here, returned to their home to gather their crop, which is later than crops here.

HERALD TO CLOSE ARMISTIC

In honor and respect to my buddies who made the supreme sacrifice that we might be a great and free nation, we will close tomorrow, Friday.

Mac Sweeney

SHAVAR TRUCK WRECKED IN ACCIDENT

Dick and Nick Shaver with one of the Phillips boys made a trip to Oklahoma for cattle the first of the week and had the misfortune of getting their new truck wrecked when a drunken negro ran into them. Neither of the boys was hurt.

Texas Next Governor

The vote Thursday morning stood Ferguson 256,398, Bullington 162,823, a lead of 93,575 for Ferguson.

Gin Reports

Reports from the four gins of the city this week gives an estimated total ginned for the city around 13,000.

Cotton is selling around 5.50 and 75. The gins are still being crowded by the farmers, with from a half dozen to near one hundred bales on the yards. At the present rate of gathering and ginning, the cotton crop will be out by the first of the year.

It is apparent that the Farmers are catching up with their debts for some two or three thousand bales are being held by the owners. Now that they have paid most of their debts, the farmers do not have to sell their cotton. It is a gamble for a better price but with the gamble goes great hope for a rise in the market.

COTTON WEIGHER SEEKS NEW YARD

Cotton Weigher, Quincy Davis, moved his scales onto a new yard for cotton this week, making the third location he has had to find this year. Mr. Davis says there are better than two thousand bales on the yards now being held by farmers.

The main cotton yard was filled last week and Mr. Davis had to move his scales on the lot just north of the Russel Boyd Service Station. Now that block is covered with cotton and Mr. Davis has moved across the road on the lot just north of the Knox City Motor Company.

Mr. Davis estimates that Knox City will gin seventeen thousand, or a little better, bales of cotton this year. He is of the opinion that seventy percent of the cotton was ginned by Tuesday of this week.

"WANTED A MAN"

One of the most interesting, wholesome plays ever staged in Knox City is now underway to be presented by the Methodist Missionary Society. The play books have arrived, parts assigned and practice will begin not later than Monday.

The play is far superior, in comedy entertainment, to any that has been given in Knox City. Plan now to see it.

Mrs. Dollie Harris and four children left here Tuesday for their home in Chandler Arizona. They have been some two months in the home of Mrs. Harris' parents, Mr. and Mrs. J. W. Smith.

Miss Irene Holland entertained last Saturday with a slumber party honoring Miss Flossie Mills of Abilene who is visiting Miss Chlois Stoll. The girls had a most enjoyable night in spite of the fact that the hostess fell against a chair and hurt her face pretty bad.

Republicans Return 1928 Favor With Compound Interest

FIRE AT GIN BURNS 100 POUNDS OF COTTON

Fire which began in the stands of the Cooperative Gin Wednesday afternoon about two o'clock, brought the Fire Department to the scene with quick action. With the exception of about 100 pounds of cotton that burned, no damage was done. Ginning was halted only for about an hour.

Manager Arnold has been limping some time with a sprained ankle but the excitement of the hour, Wednesday brought him to his feet without any sense of pain. However, after all had been made safe and the gin was again handing out the bales, Arnold realized his foot was not yet well.

Hospital Notes

Patients in the hospital this week include Madalena Balders (Mexican) of Benjamin, Mr. Carr of Rochester, E. L. Michael of Rochester, M. G. Gattiff of Goree and J. C. Gattiff of Goree, J. E. Hunter of Sun Set, Ms. T. E. Bently and baby girl of Benjamin, E. C. Goodrich of Munday, Glenn Merchant of Haskell, Mrs. A. W. Connell of Rotan, Mrs. Mansel and baby girl of Munday.

Patients dismissed during the past few days were Mrs. S. E. Corley of Rochester, Mr. Hargis of Cliff, Eliza Beth Ward of Sylvester and Mrs. T. W. Alexander and baby of this city.

Mrs. J. M. Lee of this city was in the Hospital last Friday for treatment but returned to her home.

Mrs. Trice of Haskell is doing General Duty at the Hospital now.

Mrs. M. D. Thom of Rotan is staying with her sister Mrs. Connell at the Hospital this week.

CHURCH OF CHRIST HEARS INTERESTING DISCOURSE

Brother W. C. Hill, principal of the Sun Set Grammar school, delivered an interesting discourse Sunday morning at the Church of Christ in Knox City on the subject "Becoming a new man in Christ Jesus". The lecture was splendid and those who did not hear it missed a wonderful lesson.

A special contribution of \$11.56 was taken up Sunday in behalf of the Boies Orphans Home.

There was no preaching Sunday night; however, the membership met for its regular Sunday evening Song practice.

Brother J. Porter Wilhite will be with us next Sunday. Everybody is welcome. Come and hear Brother Wilhite, it will be well worth your time.

YOUNG PEOPLES CLASS

The Young People's Class of the Church of Christ is having splendid attendance each Sunday morning, but, as teacher of the class, I want to urge that more young people come. We are trying to make our class interesting and worthwhile. Only in that way can we gain a clearer conception of God's Word.

Paul, writing to Timothy in 2 Tim. 2:15, exhorts him to "Study to show thyself approved unto God, a workman that needeth not to be ashamed rightly dividing the word of truth". That is our aim; we want to do that because the Bible says we should. I am afraid that we study about so many things which do not pertain to our soul's salvation that we have no time left to study about Him, who died for us. Let's learn more about Him and what he has done for us!

I want to urge again that other young people of the town who are not members of the church, as well as those who are members, join us in our class at 10:45 next Sunday morning.

—Beulah Dearing

DEMOCRATIC TRIUMPH NOT PARTY VICTORY

The most overwhelming presidential election in the History of the nation was made in the General elect President, the masses will expect of the votes of 1928 Hoover carried six states while the Democratic nominee totaled 42 states.

This overwhelming Democratic triumph was not a party victory, it was the votes of many, many Republicans that led Roosevelt to victory. An almost unanimous desire for a change in the governmental machinery led the staunch Republicans to support Roosevelt. The Republican party returned the Democratic favor of 1928 with fine interest.

With the election of a Democratic President, the masses will expect that something called "depression" to automatically get up and walk out of the country. But it is our opinion that these voters will be greatly disappointed. Without a doubt conditions will brighten but that, we believe, will be largely due to the fact that the people's minds have changed. Being now on the eternal lookout for better times, it goes to believe that all will see more of the better things.

Literary Digest Poll

In the recent Poll of the Literary Digest Roosevelt was given 474 electoral votes and Hoover the sum of 57. In this same vote Roosevelt was given 22,717,000 popular vote and Hoover 13,591,000 popular vote. This same vote granted Roosevelt 41 states and Hoover 7.

Returns compiled by the Associated Press up to 11 p. m. Wednesday show totals which, if born out by later figures, would give the following electoral vote:

Roosevelt 472
Hoover 59
The popular vote from 95,531 precincts out of the 119,714 in the country was:
Roosevelt 18,872,321
Hoover 13,513,652

Mr. Hoover received the least electoral vote not including Taft who received only 8 votes in a three cornered race. Mr. Roosevelt received the greatest electoral vote in the history of the nation.

The election run a course true to that predicted by the Literary Digest believe it or not.

26 STRAIGHT REPUBLICANS IN LOCAL BALLOT

"Ma" Leads By 59 Votes

Mr. E. L. Park, Election Judge of precinct 9 Knox City, states that the local box voted 26 straight Republican tickets and 293 Democratic tick ets.

Mrs. Ferguson led Bullington in the race for Governor by 59 votes. Mrs. Ferguson received 185 votes while Bullington totaled only 126.

All Amendments carried in this box.

Mr. and Mrs. Otto Lawson motored to Vernon Sunday where they were joined by her sister Miss Ila Janes and went to Wichita Falls for the day.

TWO IN HOSPITAL FROM GAS EXPLOSION

A gasoline stove in the Mattiff home in Goree exploded on Monday of last week and four members of the family were badly burned, two critically so. Mr. E. L. and Mr. M. G. Mattiff, brothers, were seriously burned and are in the local Hospital. Their mother, 87 years of age, was badly burned about the face and both hands. Her grand son, 18, was also badly burned, however he with his grandmother returned to Goree after receiving treatment here.

The Mattiff home was completely destroyed by the fire nothing being saved. The family's money hidden in the home, also burned.

ARMISTICE DAY

On November 11th the people of the whole world will celebrate the fourteenth anniversary of the end of the greatest catastrophe in the history of the world. When the order of cease firing was given at 11 o'clock in the morning on the eleventh day of November, 1918, there was hardly a human being on the face of the earth who did not join in the universal rejoicing. For there was no single human being in the world at that time and none who has been born since, whose life and whose future was not affected by the war.

We have called it the greatest catastrophe in the history of the world, and that is not an exaggeration. Who could have believed that the firing of a single shot in an obscure Serbian village eighteen years ago last August could have precipitated a tragedy that would involve the entire human race, and from the effects of which we have not yet recovered? For there is no possible question that the world-wide economic depression, the internal and international maladjustments and financial difficulties from which every nation in the world is suffering today, are all directly traceable to the Great War.

More than 45,000,000 young men, the best of their respective nations, were taken from their homes and occupations and sent into the battlefields to kill each other. More than eight and one half million of them were killed or died of wounds; another twenty-one million were wounded or incapacitated. At the end of the war the survivors returned, most of

them, to almost hopelessly impoverished homelands, burdened with impossible debts and crushed by unbearable taxes.

We cannot destroy millions of lives, billions upon billions of accumulated wealth, without paying for it. That we have made as much progress as has been made toward economic recovery in fourteen years is little less than miraculous. But let us not delude ourselves. We the people of the United States, although our economic losses in the war, both in men and in money must continue for another generation and even longer to pay for the war with our labor and our gold.

It seems to us that those are the things to remember on Armistice Day. It seems to us that the eleventh of November should be the occasion for a solemn resolve on the part of every American that we and our nation shall use our commanding position and influence in the world to help the peoples and governments of the whole world to find means for lasting peace and security.

THE GROWING IDEA OF PEACE

Program for November 13, 1932.
 Time: 6:00 o'clock.
 Place: Methodist Church.
 Song: My Faith Looks Up to Thee.
 Leader: Alba Thompson.

1. When was war a common experience, Mary Leone Hoge.
2. A far off vision of Peace, Lora Jean Propps.
3. A coming Leader, Florence Wilson.
4. The Formulas of Peace, Odell Thompson.
5. The modern world organization, Claydene Hoge.

Closing song.
 League Benediction.

Be sure and come to the Epworth League, everyone is welcome.

Anything in radio tubes and batteries, we have them. We also check your tubes free.

Ashcroft Chevrolet

BRUCE BARTON
 Writer of "THE MASTER EXECUTIVE"

Supplying a guide to youth inspiration for the busy business man who will find every lesson well paralleled in the experience of "The Man Nobody Knows."

NERVES OF STEEL

All of Jesus' days were spent in the open air—this is the third outstanding testimony to his strength. On the Sabbath he was in the synagogue because that was where the people were gathered; but by for the greater part of his teachings was done on the shores of his lake, or in the cool recesses of the hills. He walked constantly from village to village, his face was tanned by the sun and wind. Even at night he slept outdoors, when he could—turning his back on the hot walls of the city and slipping away into the healthful freshness of the Mount of Olives. He was the type of outdoor man whom our modern thought most admires; and the vigorous activities of his days gave his nerves the strength of steel.

He stepped into a sailboat with his disciples late one afternoon, and being very tired, lay down in the stern and was almost immediately asleep. The clouds grew thicker and the surface of the lake which had been quiet a few minutes before, was broken into sudden waves. The little boat dived and tossed, and still he slept. His disciples had grown up on the shores of that lake; they were fishermen, accustomed to its moods and not easily frightened. But they had never been out in such a storm as this. It grew fiercer; water began to lome in over the side every moment seemed to threaten destruction. At last they could stand no longer; they went to the stern and woke him.

He rose without the slightest suggestion of hurry or alarm. A quick glance was enough to give him a full understanding of the situation. He issued a few quiet orders and presently the menaced boat swung round into the smoother waters of safety.

Call it a miracle or not—the fact remains that it is one of the finest

examples of self-courage in all human history. Napoleon said that he had met a few men with courage of the two o'clock in the morning variety. Many men can brave in the warmth of the sun and amid the heartening plaudits of the crowd but to be awakened suddenly out of sound sleep, and then to exhibit instant mastery that is a type of courage which is rare indeed.

Jesus had that courage, and no man ever needed it more. In the last year of his public work the forces of opposition took on a form and coherence whose significance was perfectly clear. If he refused to retreat or to compromise, there could be but one end to his career. He knew they would kill him, and he knew how they would kill him.

Next Week: Strength, Assurance, Calm.

Mr. and Mrs. G. R. Couch and Mrs. L. B. Hammer of Haskell were guests of Mr. and Mrs. H. E. Wall Sunday.

G. P. A. Radiator glycerine, the safe anti-freeze, is now ready for your car at the Knox City Motor Co.

R. C. Campbell of Munday, undertaker, was in our city Monday on business.

Mr. and Mrs. Holt Moseley and daughter visited in Rochester Sunday.

You will notice in an advertisement in the Herald this week that Warren Brothers have a number of Used Cars for sale. Read their add and go see these used cars.

Mr. and Mrs. H. B. Ward of Sylvester are here with their baby who is in the hospital. They are staying in the Methodist parsonage and looking after the Sharp children while Brother and Sister Sharp are attending the Conference in Amarillo. Brother and Sister Sharp left the city Tuesday for Vernon, leaving there Wednesday for Amarillo.

DEPRESSION

"If you can see what some folks call depression
 As nothing but a spin of Fortune's wheel;
 If you can keep your poise
 No matter what you think or how you feel:
 If you can view a stupid situation
 All cluttered up with "ifs" and "buts"
 And take it at its proper valuation
 A challenge to your common sense and "guts".
 If you can rise above the mess and muddle,
 If you can glimpse a rainbow through the clouds
 If you can disregard Report "lightly inexact";
 If you can keep a saving sense of humor
 For stories that are
 When doubt and dread and
 And not accept a
 and Rumor
 for a shroud,
 Fear are in a huddle
 And Hope is being measured
 Statement as a fact;
 If you can spread the gospel of success
 If you can stir the spirit that instills
 The latent life in lathes and looms and presses
 And lift the stream above a thousand mills;
 If, briefly you can spend and extra dollar;
 If you can pry the sacred Roll apart
 And buy another shirt or shoe or collar
 And act as if it didn't break your heart;
 If you have faith in those with whom you labor,
 And trust in those with whom you make a trade;
 If you believe in friend and next door neighbor
 And heed examples pioneers have made;
 If you expect the sun to rise tomorrow;
 If you are sure that somewhere skies are blue—
 Wake up and pack away the futile sorrow
 For better days are largely up to YOU."

—Author Unknown.

A. B. Lowrey is in Dallas this week on business.
 Ulric Lee went to Lubbock Sunday for a few days stay.
 Mr. and Mrs. L. E. Lovelace and two children of Seymour were guests of Mr. and Mrs. J. M. Ashcroft Sunday.

WEST TEXAS Offers Industrial Opportunities

It has been the history of West Texas that after every national depression this section returns to normal—and marches ahead to greater prosperity—more rapidly than any other section of the country.

Present fundamental conditions are sound, and West Texas' wealth of natural resources—unsurpassed in any other part of the country—promise future progress of a magnitude that will dwarf that sensational development which a few short years ago riveted on this section the attention of the entire nation!

—AND ALERT INDUSTRIES ARE TAKING ADVANTAGE OF THIS ASSURED DEVELOPMENT!—

An adequate, flexible and inexpensive power supply is vital to industrial activity. Here in West Texas, the "Land of Opportunity," this industrial necessity is ably and amply supplied by the West Texas Utilities Company.

Industries recognize power as one of their prime problems. They recognize, too, that in West Texas this company has solved that problem by making their power investment for them—and is able to furnish energy at a lower cost than it could be produced in any other manner.

The West Texas Utilities Company, dependably serving 125 progressive West Texas cities, makes available more than 100,000 horsepower of electrical energy, distributed from three major generating stations and 22 auxiliary plants over a 2,500-mile transmission line network.

For detailed information on any subject concerning West Texas, write this company's Industrial Department, Abilene, Texas.

West Texas Utilities Company

The Kennel

VOLUME 4 Thursday, November 10, 1932 NUMBER 1

The Staff

Editor-in-Chief Donald Withrow
Assistant Editor Addie Short
Sports Editor Jeff Graham
Ward School Reporter Rowena Wall
Senior Reporter R. H. Howell
Junior Reporter Wynell Edwards
Sophomore Reporter Maymie Shaver
Freshman Reporter Clyde Graham

THE KENNEL IS REORGANIZED

The third year English of the Knox City High School have reorganized the school paper the "KENNEL". In a meeting of the class on November 4, 1932, the following officers were elected: Editor-in-Chief Donald Withrow, Assistant Editor, Addie Short, Sports Editor, Jeff Graham, Ward School Reporter Rowena Wall.

The Kennel will be published as a part of the Knox County Herald. The citizens of Knox City and the students of the Knox City Schools are urged to read, enjoy and cooperate with the Kennel.

BACK ON THE JOB

Everyone is back on the job again as school reopened Monday, October 31, at 8:45, after a vacation of 5 weeks. The High School Students assembled in the study hall and gave a few yells, and sang some of their school songs. Brief speeches made by some of the teachers were enjoyed. Mr. Dean assisted by the senior class sang "The Good Morning" Song. Concluding the pep-rally was the song "Pack Up Your Troubles in Your Old Kit Bag". Mr. Guy attracting most attention here.

The school work seems to possess a new spirit, and is progressing much better than previously. The Pep squad and Foot ball team are working hard, and a greater school spirit is anticipated. Although everyone seems to be deep in study for six week exams, things are progressing rather lively.

CHORUS CLUB ORGANIZED

The members of the Knox City high school met Tuesday morning, September 13th and organized their annual Chorus Club. The officers elected for this term are Charles McBeath, president; Mary Howell, Vice president; and Wynell Edwards Secretary and treasurer.

The club has planned to meet in the school auditorium each Wednesday morning from 10:05 to 10:35 o'clock under the supervision of the music teacher, Mrs. E. Q. Warren. The club plans to give an Operata, which will probably be given before Christmas, for their project this year. Rehearsal begins this week so watch for a great success in the Chorus Club this year.

—Faye McAuley

THE FRESHMANS

The Freshmans have elected their class officers for the school term 1932-33. They are as follows:

President Florence Wilson
Vice President Edward Shaver
Secretary Lora Jean Propps
Treasurer Mary Leone Hoge
Reporter Clyde Graham

The Seniors sent in the order for their class rings last week and won't those Seniors be striking them when they are received? (But we won't blame them much).

The Detention Hall

The detention hall, one of the most dreaded things in our school was started again Monday. The student body have been talking entirely too much here of late, in the study hall, in class, and in the corridors.

GREYHOUND GRIDIRON

The Knox City Greyhounds played their first Conference game Saturday November 5th defeating Aspermont 27 to 0. This game was the third straight victory of the season for the Greyhounds. It was a good clean and hard fought game but we were very sorry to lose the services of our best player, Donald Withrow, who got his collar bone broken. Donald hopes to be able to play in the last game for this season.

Greyhounds Beat Steers

There are only three more Conference games this season, Rochester Rule and Munday. The Greyhounds hope to go through an undefeated season and to win the Brazos Valley League, so lets get behind the boys and give them every bit of support that we can and help them win this Conference.

Schedule for Rest of Season

Rochester vs Knox City, Here November 11th
Rule vs Knox City, Here, November, 18th
Munday vs Knox City, Here November 24th.

GIRLS BASKET BALL

The girls have organized their Basket Ball team for this year with Fay Hyde as captain and Mr. Cloud as coach. The girls are getting some good training and hope to win every game they play.

Those whose reported for practice who played last year were Fay Hyde, Mayme Shaver, Viola Daniels, Irene Holland, Marie Dunlap and Faye McAuley. The most promising new material are Rheba Whorton from Brook, formerly of O'Brien, Evelyn Mathews, star base ball player in the grades last year, Yvonne Jamison, Stennie Opal Rutledge, Estelle Whorton and Anice McBrayer.

—Sports Editor

Donald Withrow, the Editor-in-Chief of the Kennel, is unable to be in school this week due to having his collar bone broken in the foot ball game with Aspermont Saturday. We hope Donald will be back in school next week end especially before the second edition of the Kennel goes to press.

JOKES

Landlady (to prospective tenant): Have you any children?
Mr. Dean: No.
Landlady: A dog, cat or canary bird?
Mr. Dean: No.
Landlady: Piano, loud speaker or phonograph?
Mr. Dean: (Timidly) No, but I have a fountain pen that scratches a little.

Poward Logan was busily engaged with a spade in the mud beside his car when Panny hailed him, "Stuck in the mud"? Oh, no! replied Howard, cheerily. My engine died here and I'm digging a grave for it.

Edward Shaver was strolling through a cemetery reading the inscriptions. He came to one which read, "Not dead but sleeping". Scratching his head, Edward remarked, "He sure ain't fooling nobody but himself."

Mrs. Frizzell: Is your husband a bookworm?
Mrs. Cloud: No, he is just an ordinary one.

Archie B.: May I call you Revenge?
Mary McAuley: Why?
Archie B.: Because Revenge is sweet.
Mary Sure, if you let me call you Vengeance.
Archie B.: Why?
Mary Mc. Because vengeance is mine.

GRAMMAR SCHOOL

Work in the grammar grades of the school is proceeding nicely. The first grade pupils are building furniture. They are making a bedroom and living room suit of clothes pins as well as making a farm in their sand table.

The Third grade children have been working on a town in English and Spelling, learning to spell the words of our city. They are preparing a program for their Mothers to be given Wednesday at the meeting of the Parent-Teacher Association.

The officers of the Seventh grade have been elected and are as follows:

Marilyn Edwards, president.
Arnold Davis, vice president.
Imogene Coppe, secretary.
Ruie Cell Waldrip, treasurer.
Claudie Sue Moseley, reporter.

The Seventh grade room mothers are Mrs. L. L. Davis, "Mammy" Smith and Mrs. T. P. Frizzell Jr. The room fathers are Mr. Cash and Mr. L. L. Davis.

The seventh grade pupils will miss Billy Harris. She has returned to her home in Arizona.

The Grammar school is planning to give a play, "In Quest of Santa Claus", sometime before Christmas. It will be supervised by Mrs. E. Q. Warren.

Grammar School Reporter

J. A. Kennedy, editor of the Munday Times, was in our city Sunday.

Mr. and Mrs. J. C. Campbell and her brother Homer Coker spent Sunday with relatives in Stamford.

See us before you have that motor overhauled. We are equipped to do the work right.

Ashcroft Chevrolet

Lost 20 lbs. of Fat in Just 4 Weeks

Mrs. Mae West of St. Louis, Mo., writes: "I'm only 28 years old and weighed 170 lbs. until taking one box of your Kruschen Salts just 4 weeks ago. I now weigh 150 lbs. I also have more energy and furthermore I've never had a hungry moment."

Fat folks should take one half teaspoonful of Kruschen Salts in a glass of hot water in the morning before breakfast—it's the SAFE, harmless way to reduce as tens of thousands of men and women know.

For your health's sake ask for and get Kruschen at any drug store—the cost for a bottle that lasts 4 weeks is but a trifle and if after the first bottle are not joyfully satisfied with results—money back.

SOME STRANGE BOATS

By Ed Kressy

GET INTO THE DOCKET-PLANE BOYS AND WE'LL VISIT LANDS WHERE VARIOUS TYPES OF BOATS ARE USED.

FROM THE VERY EARLIEST MAN HAS DEVISED ALL SORTS OF QUIER AND INGENIOUS CRAFT & FROM SUCH THINGS AS REEDS, BARK, SKINS, HIDE'S etc. EVEN TODAY NATIVES PADDLE ACROSS THE OCEAN ON INFLATED GOAT SKINS

THE COVERING IS LACED ABOUT THE PADDLER'S WAISTS.

PROBABLY THE MOST PERFECT SKIN CANOES ARE THOSE OF THE ESQUIMOS THEIR 'KAYAK' OR HUNTERS CANOE IS MADE OF WHALEBONE AND LATH FRAMEWORK OUR NORTH AMERICAN INDIANS WERE VERY EXPERT CANOE-BUILDERS AND NAVIGATORS

ON THE STEPPES OF EUROPE & ASIA ARE FOUND SMALL CRAFT CALLED PELUDIAS MADE OF OX HIDE, IN WHICH GOODS ARE PILED THE NATIVES SWIM OVER A RIVER PULLING THE PELUDA AFTER THEM BY MEANS OF ALONG CORD.

THE ROUND BASKET BOAT ON THE TIGERS IS CALLED A KUIAS. IT GOES BY THE RIGHT OF ALL KINDS ARE CARRIED PILED ACROSS THE RIVER CORD. WHEN STREAM PADDLING A LADY WOULD BE IN STREAM IS NOT SUCCESSFUL

IT'S PRETTY NEAR SUPPER TIME PROFESSOR, HADN'T WE BETTER BE GETTING BACK?

Mitchell News

The Mitchell school started Monday, November the 7th. Mr. and Mrs. J. O. Nickell and J. T. are here for another school year. We are glad to have them back again.

Mr. and Mrs. Jess Brothers visited in the home of Charlie Collier near Cliff Sunday.

Mr. and Mrs. H. C. Lusk of Needmore visited her mother Mrs. J. S. Teague, Sunday.

Mr. and Mrs. R. B. Carver spent the day Sunday with her mother, Mrs. John Bearden, in Rochester.

Mr. and Mrs. J. E. Nance and Mr. and Mrs. Earl Nance of Cliff and Mr. and Mrs. David Cummings of Needmore were guests in the Carl Carver home Sunday.

Little Jean Lewis happened to an accident last week and sustained a broken collar bone.

3,000,000 FAMILIES HELPED BY RED CROSS

Distress in All Areas Met by Giving Food, Clothing and Other Aid.

More than 3,000,000 families throughout the nation were given relief of various types by the American Red Cross in the past winter, to aid them in their distress caused by unemployment, disaster or other misfortune.

A major relief task, due to unemployment and other unusual conditions in the bituminous mining counties in twenty states, was met by the Red Cross chapters alone, or participating with other agencies. In these 143 counties, the Red Cross aided 90,000 families through giving groceries, school lunches, clothing, flour and other necessities to combat privation.

Flour, milled from government wheat turned over to the Red Cross by Congress, was given to 15,000,000 persons in the period from March 8 to June 30, the close of the fiscal year. Flour will continue to be given through the winter of 1932-33, and Red Cross chapters also will give cotton clothing, made from government cotton turned over to the Red Cross for distribution.

"The Red Cross faces the busiest winter since the days of the World War," Chairman John Barton Payne said. "It is organized in virtually every one of the 3,972 counties in the United States, and will co-operate with all agencies to meet distress wherever found. The flour has proved of great benefit, and the cotton clothing will be given wide distribution."

While carrying on nation-wide these unemployment and other relief measures, the Red Cross also was engaged in its regular peace-time activities in public health nursing, service to ex-service men and their families, teaching home hygiene, life saving and first aid. The Junior Red Cross, composed of almost 7,000,000 school children, also rallied to the support of the society's relief efforts, and the children aided others of their age in practical ways, formed sewing and food canning classes, and were of great assistance in chapter relief work.

While the wheat and cotton were given by the U. S. Government, no money was provided to pay for the necessary work entailed. The Red Cross will meet this expense of almost \$500,000 from its treasury. Citizens can aid by joining as members of the local Red Cross chapter during the roll call from Armistice Day to Thanksgiving Day.

Clothes for the Needy

Women volunteers sewing for the needy under direction of the Red Cross produced 296,000 garments last year, and will produce millions of garments in the winter of 1932-33. These will be from the millions of yards of cotton cloth distributed by the national Red Cross from the 500,000 bales of cotton turned over to the organization by Congress. Cloth was sent to all chapters requesting it, and later it was proposed to send some simple ready-made garments, including trousers, overalls, underwear, stockings and sox.

Huge Task of Nurses

Red Cross public health nurses, who work in hundreds of communities, are meeting the greatest demands in history for their services, due to the depression. Visits in maternity cases, protecting the health of infants and children, and aiding mothers in distress due to unemployment of the bread-winners have taken them into thousands of homes. The nurses made 1,357,000 visits to or on behalf of individuals, and inspected 349,000 school children. More than 58,000 adults were instructed in home hygiene and care of the sick.

Blind Readers Get Books

Books in braille for reading by the blind are made by women under Red Cross direction. Last year 2,513 such books were produced in single copy and 1,525 in double copies. Fiction, biography, history, economics and school books were among those printed in braille. The Red Cross gives them to libraries for free distribution to blind readers.

NOVEMBER 11th

In days of peace it is well, once each year, to pause and pay tribute to the men, past and present, who have brought safety to our homes through service.

The history of the United States is one that reflects glory upon its men and we deem it a privilege to pay them tribute.

This bank will be closed all day Friday, November the 11th.
