to Elk City. Chamber of Commerce officials, the Knox County Commissioners Court, and Judge Sam Clonts presented the request to the commission about two years ago.

The action will become effective on January 1, 1976, and new route markers will be in place when the department's 1976 official highway travel map is released to the public.

In recent months, the farm to market road west of Knox City was designated as a part of State Highway 222.

Officials feel that the changes will definitely benefit the area as better maintenance on primary roads can be expected.

Baseball Teams Plan Social Aug. 14

All Senior League and Little League players and their parents are invited to an ice cream and cake supper, Thursday night, August 14, at the City Park at 7:30 o'clock, according to Doug Meinzer, president.

All players are asked to turn in your uniforms at this time and also the all-star uniforms, Meinzer said.

STEP To Employ Knox County Workers

WACO--The Texas Farmers Union today announced that the Senior Texans Employment Program will be expanding to include Knox County in September. STEP was established in 1973 by the Texas Legislature as a completely state funded work program for older citizens. STEP workers must be at least fifty-five years of age and fall within income restrictions to be eligible for the program. Upon employment, the workers will work part-time for tax-based entities in

Gas Co. Rate Increase

thousand cubic feet of gas. According to Yates, the city gate rate applies to natural gas delivered by Lone Star's Transmission Division to its distribution divisions for sale to residential and commercial users. The new rate replaces a temporary emergency rate of 94.19 cents per thousand cubic feet set by the Railroad Commission on May 1, 1975.

Yates explained that the new rate will increase Knox City residential customers' gas bills by about \$4.46 a month.

Included in the most recent Railroad Commission order was the authorization to increase Lone Star's automatic pass-on of increased gas costs to 85 per cent adjusted monthly. Lone Star was formerly allowed to only pass 65 per cent of their increased costs for gas every six months. Yates said that Lone Star was also seeking to have this provision included in the new city rate ordinance.

Yates noted that the \$1.0399 figure authorized by the Railroad Commission was arrived at after reviewing the evidence which reflected \$1.20 as shown by the Company and 914 cents as testified to by the cities. In addition to the increased rates for residential and commercial customers, Yates said the Railroad Commission's order is designed to provide Lone Star an eight per cent rate of return on the fair value rate base set by the Commission.

NEW ARRIVALS IN KNOX CITY are the Stephen McIlhaney, pictured here with their two children, Luci and Rob. McIlhaney has been employed as girls' athletic coach by the KC Schools.

McIlhaney Move Here

Moving to Knox City last week from Garden City, Texas, were Stephen McIlhaney, his wife, Dana, and two children, Luci, 4, and Rob, 10 months.

McIlhaney has been hired by the Knox City Schools as girls' athletic coach.

The McIlhaney family are both natives of Temple, Oklahoma, and both finished high school there. Coach McIlhaney received the Bachelor of Science degree in education at Midwestern University in Wichita Falls. He served as girls' coach and taught history and driver's education for four years in Garden City.

Mrs. McIlhaney was previously employed by IBM and later worked in a finance office.

The McIlhaney family, who reside at 501 Aspen, are new members of the First United Methodist Church here.

the county, such as school districts, municipalities, and the county government. The men workers will form a crew to perform renovation, restoration, and landscape projects, while the women will be placed individually as teacher aides, library assistants, or in other public service positions. STEP workers are not allowed to do maintenance work, such as floor sweeping or mopping or lawn mowing, and must be engaged in permanent improvement projects of lasting value to the community.

STEP Director Bob Carroll will be in Benjamin at the County Judge's office from 9:00 to noon on August 12 and in Knox City at the school administration building that afternoon from 2:00 to 5:00 to interview STEP applicants. Six or eight persons will be hired, and all residents of Knox County who meet the age and income requirements and who are physically able to work are invited to come by and visit with Carroll. Those who are unable to come by for a personal interview but would like an application may write STEP, 800 Lake Air Drive, Waco, Texas 76710.

Faculty Completed At Carney School

Carney Independent School District will begin classes Friday morning, August 22, at 8:30 o'clock. The buses will run their usual routes and the cafeteria will be in operation, according to Ed Whitely, superintendent.

All teachers and aides will participate in an in-service workshop the week of August 18-21 inclusive, beginning at 9:00 a.m.

On Thursday, August 21, all students will register be-

Funds For Arthritis Being Sought By Mail

Residents of Knox County will receive letters this week on behalf of the Plains Division, West Texas Chapter, of The Arthritis Foundation.

These letters will take the place of a house to house campaign, soliciting funds to continue the maintenance of the chapter's projects in education and research at Texas Tech University School of Medicine in Lubbock. Billye and Buddy Angle, owners of the Knox County News and authors of the letter, explained that 65% of the funds raised in West Texas remain in West Texas.

The West Texas Chapter was instrumental in getting a Department of Rheumatology at Texas Tech University School of Medicine. Less than one-third of the medical

schools in the United States have such departments, and there are only about 2200 rheumatologists in the nation. The chapter has also established and maintains a research lab, as well as scholarship and fellowship funds that go to West Texas young men and women at TTUSM who wish to pursue the study of arthritis and the rheumatic diseases. These projects are funded strictly by West Texas monies.

Arthritis is the nation's number one crippler. Contrary to popular belief that arthritis is an "old folk" disease, rheumatoid, which is the most crippling, painful and prevalent type, strikes from birth to age 30 or 40. Each year 250,000 children are diagnosed as having arthritis; some infants are born with it. The economic toll in lost time and wages and medical bills each year exceeds \$9.3 billion dollars, and the American people are ripped off to the tune of \$408 million in quack "cures" and remedies annually.

Knox County residents are urged to support the efforts of the West Texas Chapter by responding as generously as possible when they receive their letters this week.

Teachers Report August 18

Knox City Schools Begin 1975-76 Term August 22

Another summer has gone and the 1975-76 School Year looms just around the corner. Teachers will report for duty and four days of In-Service Monday, August 18, and students will begin school on Friday, August 22.

In-Service will begin at 8:30 Monday morning in the high school library. Tuesday and Wednesday, teachers will attend the Haskell-Knox Co-Op In-Service at Munday and will return to this campus Thursday for more In-Service and High School registration Thursday afternoon.

High school students will register Thursday afternoon, August 21 at the following times:

1:00-1:45	Seniors
1:45-2:30	Juniors
2:30-3:15	Sophomores
3:15-4:00	Freshmen

Grades K through 8 will not pre-register.

Friday will be a regular school day with buses running, lunch served (no breakfast served the first day only), bells at 8:25 and 3:50, desks assigned, books passed out and students settling in.

Children enrolling in Kindergarten need to bring their birth certificate, an immunization record from the family doctor, and be accompanied by one parent or adult guardian.

Lunch prices will remain the same as last year: 70 cents for adults, 50 cents for grades 5-12, and 45 cents for K-4.

Breakfast will be 30 cents for adults and 20 cents for students. Free breakfast and lunches are available to students who need them to request. Free lunch applications are given to every student the first day of school, as well as several other forms for parental permission, insurance, and miscellaneous forms that need to be looked over by the parents and returned marked accordingly.

Teachers for the coming year include Mrs. Joanna Delgado, Early Childhood Education; Mrs. Margie Clonts, Kindergarten; Mrs. Louise Kemelz, First Grade; Mrs. Hazel Long, Second Grade; Mrs. Linda Underwood, Third

Grade; Mrs. Earlene Austin, Fourth Grade.

Fifth through the Eighth Grades will be departmentalized with Ronnie Verhalen, Mrs. Frankie Baker, and Mrs. Mary Jo Lankford as home-room teachers. Other teachers will include coaches, band, math, and reading lab teachers.

Mrs. Frances King will be in charge of the Mid-Range Resource room. One more Resource teacher may be hired if Title One funds application is approved. Modified Academic classes in high school will be taught by Mrs. Zoy Risinger and Leonard Morgan.

Mrs. Florence Morgan will

head the Migrant Program.

High School teachers will include Mrs. Renella Watson, English and Business; C.H. Underwood, English and Social Studies; James Reid, Mathematics; B.R. Winchester, Science; Mrs. Dottie Lowrey, Business; Mrs. Vera Newton, Vocational Home-making; Leon Burkhart and Jim Dillon, Vocational Agriculture; Leonard Morgan, C.V.A.E. and Resource; Hubert Seale, Band.

Jimmy Rogers, Jerry Lowrey, Tommy Sloan, and Stephen McIlhaney will share coaching duties and teach Social Studies, Drivers Education, Speech, Math, and Health Classes.

Aides assisting the teachers throughout the system will be Birdie Helton, Kindergarten; Idella Escobar, Resource; Jan Lankford, Resource; Janice Johnston, Resource; and Barbara McGaughey, Reading.

Special Services will be provided by Mrs. Wretha Fitzgerald, Nurse, and Mrs. LaRue Reeves, Counselor. Bus Drivers will be Leroy Davis and Jerry Johnston.

Lunchroom personnel will be Mrs. Ramona Helms, Supervisor; Mrs. Pearl Eaton, Mrs. Pat Grimley, and Mrs. Elaine Lewis. James Hewitt is School Custodian.

Administration includes W.R. Baker, Superintendent; Bill Holcomb, Principal; Mrs. Mary Beth Smith, Business Manager; Mrs. Melanie Whitley, Secretary; and Oscar Mangis, Tax Assessor-Collector.

KC Grant Approved

The City of Knox City has been advised by Congressman Omar Burleson that the application for a \$100,000.00 Community Development Block Grant to Knox City has been approved by the Department of Housing and Urban Development.

Purpose of the grant is to provide funds for water system improvements.

Knox City was one of seven towns invited to file a full

application for discretionary Community Development funds in March of this year.

Other towns in the area who received the invitation from HUD included Cisco, Santa Anna, Sweetwater, Coleman, Brownwood, and DeLeon.

Knox City's application for the full discretionary grant in the amount of \$100,000.00 was requested for improvements including water main replacements and extensions, installation of fire hydrants, and demotion equipment, according to Mrs. Faye Railsback, city secretary.

The federal money is part of a housing and community development project designed to eliminate urban blight.

Two-A-Days Will Begin On Monday

Coaches Jimmy Rogers, Jerry Lowrey, and Tommy Sloan returned Friday from the 43rd annual Texas Coaching School held July 27 through August 1 in Fort Worth.

The highlights of the school were the All-Star basketball game and the football game.

This week the coaches are preparing for the coming week of two-a-day work-outs which will begin Monday, August 11, and continue through August 22 at 8 a.m. and 6 p.m.

Parents of high school athletes are asked to come by the school this Thursday morning from 9:00 to 12:00 to check on insurance.

Athletes are reminded to come to the Field House Friday morning to check on their equipment, Coach Rogers said.

KC Men First In Own Tourney

J.B. Tabor and Jeff Graham teamed up to fire a two-round total of 127 to take first place in the Louisiana Draw Men's Partnership to rney held Saturday and Sunday at the Knox City Country Club.

Graham sank a 12-foot putt on the last hole to cinch the championship.

Louis Conn and Cidy Williams were second with 128, followed by Joel Bevel and T.A. Watson with 130.

In the First flight, Donnie Johnston of Lubbock and Rogers Lankford of Abilene took top honors with 140, followed by Carl Shelton and Billy Mitchell with 141. Maritz and Ballard came in third with 142.

James Reid of O'Brien carded a hole-in-one on the number two hole, 151 yards on the fly, during Sunday's play, a spokesman reported.

Tournament chairmen were Willard Skiles and Mat Verhalen.

KC Principal Explains Three Quarter System

During the 1975-76 school year, the Knox City Schools will use the Quarter System instead of the old Semester System. There will be few actual changes according to Principal Bill Holcomb, who offers this explanation of the new Quarter System.

"The 62nd Session of the Texas Legislature in 1971 enacted a law which changes school operation from a semester system to a quarter system. Some school districts in Texas agreed to pilot test the quarter system during the 1972-73 school year.

"The 63rd Legislature changed the deadline for statewide implementation of the system to begin in September 1975.

"It is hoped that the following material answers some of the questions which have been asked about the quarter system for Texas Schools."

The quarter system is a new way of dividing the school calendar year. Instead of two semesters, the school year will now have four three month terms or quarters. Three quarters will provide 180 days of instruction to meet attendance requirements. During the summer quarter a regular summer school can be held. Like any school plan, the quarter system can be developed and modified to fit the needs of the local community. It makes possible more complete use of school facilities and more flexibility in scheduling and curriculum and provides added educational opportunities for our young people.

Districts will decide which options of the quarter system to implement in their schools.

CofC Plans Are Discussed At Breakfast

The monthly breakfast for Chamber of Commerce directors was held Tuesday morning at Korner Kitchen with vice president J.B. Tabor and secretary-manager Doris Crowover presiding in the absence of president David Counts.

Present in addition to Tabor and Mrs. Crowover were Bill Baker, Buford Wright, Billye Angle, and youth director Jimmy Lynn.

Mrs. Crowover advised the directors of the approval of the re-routing of State Highway 6 which will now come through our town and the group felt that Judge Sam Clonts should be commended for the work he did toward this.

The group also told that the annual sidewalk sale, sponsored by Knox City merchants, will be held again this fall.

Tabor presented the suggestion that Mrs. Crowover be sent to a workshop for

RETURN FROM TRIP

Mrs. Hazel Long and Mrs. Mary Vaughan returned home Wednesday from a three-week trip to the Pacific Coast with the Traveling Texans. They were met in Abilene by Mrs. Vaughan's niece, Mrs. Fuller Shannon and Mrs. Kenneth Lankford.

While in California, the women visited Mrs. Vaughan's nephews, Atson Reeder of Eureka Springs, and Mr. and Mrs. Patrick Shannon of San Francisco. Also Mr. and Mrs. W.M. Reeder of Los Angeles and Mrs. Allison Reeder of Laguna Beach.

Mrs. Louise Kemletz served as tour director for the group, and is due home this week from Dallas. This was the second tour Mrs. Kemletz has directed this summer for the Dallas agency.

VISITING HERE

Seaman 3rd Class Mike Pridden, grandson of Mr. and Mrs. A.P. Denton, is visiting several days with them. He is on his way to Norfolk, Virginia, where he will be aboard a submarine in the Atlantic Ocean.

Other visitors over the weekend were Miss Lou Denton, Danny and Donny Denton, sons of Mr. and Mrs. David Denton of Arlington and Mrs. Lois Bruton and Randy of Olney.

IN LUBBOCK

Mrs. Roy Day Sr., Dana Day, Mrs. Jack Stubbs, Sandy and Shea were in Lubbock over the weekend to visit relatives and to bring Darin Day home with them.

Darin has been visiting Mr. and Mrs. Clyde Day.

attend a fourth quarter, nor are teachers required to teach more than three quarters.

Local districts can offer a traditional summer school if they wish.

Eligibility for funding under the Foundation School Program is based on student attendance for 180 days, three quarters, in one school year.

Districts must offer a full complement of required courses in order to obtain state financing in any quarter.

The three quarters that a student will be counted for eligible ADA must be determined by the district when a student begins a school year.

Districts will continue to arrange the school calendar for holidays, vacations, and inservice education.

Requirements for teacher certification will remain unchanged.

Districts will continue to make all contract arrangements as to length of service for employment of school personnel.

Students still must be five years old by September 1 to be eligible to enter public schools for the first time.

Local districts will be required to develop policies so that students who transfer or miss a quarter because of illness can fit into the next quarter without losing credit.

Districts are given the option of selecting a plan for granting credit. One plan provides for 80 minute classes each day for 60 days, a total of 80 hours of instruction for one-half credit. Under another plan, one quarter unit of credit is earned in 55 minute classes for 60 days for a total of 55 clock hours of instruction. Under either plan, the school year still totals 180 days.

Moving to the quarter system may have little effect upon the administrative operation of Elementary Schools provided a school operates only three quarters. Our Elementary School will maintain a balanced curriculum offering in three quarters English language arts, science, mathematics, social studies, art, creative dramatics, music, health, and physical education. Each course is based upon the state description of courses and local courses of study.

The quarter system in the secondary school operation will still be in accordance with accreditation standards and will specify time allocations for most subjects from grades 7-12. The time allocations will differ very slightly in the quarter system from those in the semester plan.

Knox City school officials feel that local needs could best be met by using the 55 minute period class operated on a three twelve weeks period. Together the three twelve weeks periods must include 180 days of student instruction excluding teachers' workdays or holidays. Report cards will be sent out on a twelve week basis along with mailing out unsatisfactory cards every three weeks. We will not be using the term semester anymore, but will be using first, second or third quarter. The student's grades will be determined by how well he does in any one quarter—each quarter will be graded by itself—each quarter will stand on its own.

In the past it has taken a student 20 credits to graduate, providing they were the required credits. In the future the requirements will be 60 quarters of specific subjects. In Knox City, most of the

subjects will be three quarter subjects with a few one or two quarter subjects offered. Required subjects will be exactly the same as in the past with the exception of quarter credits rather than semester credits.

Mr. Holcomb concluded, "This article has just touched the surface of the quarter system, but I feel certain that in time this new system will be no more complicated than the semester unit plan. We are in a continuous move to improve education for our children and this new program certainly seems to be a step forward."

Rural Development scheduled at Texas A&M in November. Baker made the motion that the necessary expense be taken care of by the Chamber and Wright seconded the motion.

A proposal was also made that Knox City plan a musical jamboree some Saturday night such as those that are being enjoyed by our neighboring towns. A night will be selected so as not to conflict with other jamborees and the date, time, and program will be made public in the near future.

In other discussion, Mrs. Crownover reported that the housing study is continuing and that Joe Bill Pierce, architect, consulted with officials here last week.

Mention was also made in regard to the Senior Texas Employment Program that is being expanded to include Knox County. As will be noted elsewhere in this week's News, workers 55 years of age who fall within income restrictions are eligible for the program and applicants will be interviewed here Tuesday, August 12, from 2:00 until 5:00 p.m. in the school administration building.

COMMUNITY EVENTS

The August Truscott Jamboree was a tremendous success. Over 400 people came to listen to the swinging country music. The next musical, dubbed "Country Town, Saturday Night", will be August 30. Everybody come and have some fun!

If you've driven through Truscott lately you've probably seen people busy painting, building, and fixing up their houses. The end result is personal enjoyment but it's also a big step in putting Truscott in first place at the community contest next time. The judges want to see a change so everyone keep busy! (P.S., The top prize is \$100!)

The residents of Gilliland would like to invite everyone to the Gilliland school building every Friday night. Volleyball, basketball, pool, and various card games are examples of the exciting things happening in this fun-loving community. Why sit home and watch a dull movie? Come to Gilliland for a fun-filled evening!

'Ma Eiland' Dies July 21

Word has been received by friends here of the death of "Ma Eiland" Moorhouse, 87, who died in Galveston July 21. Services and burial were held in Galveston on July 23.

Born Exie Rosser in Alabama, she moved to Munday in 1906 and in 1907 married David Ansel Eiland. Mr. Eiland died in 1932.

At one time she operated the Eiland Hotel and later began working for her son, the late Dr. D.C. Eiland in his offices in Munday, where she remained from 1939 to 1968 when her grandson, Dr. D.C. Eiland Jr. closed the offices in Munday and moved to Galveston.

She was married to Charles Moorhouse in 1952. He died in February, 1975.

"Ma Eiland" was honored by Munday and Knox City doctors in 1959 for her 20 years of service to the medical profession and received a large portrait of herself as a surprise gift.

Due to failing health, she moved to Galveston in 1968 to be near her eldest daughter, Mrs. B.F. Hood.

Survivors include a son, Andy Eiland of Galveston; two daughters, Mrs. Hood and Mrs. Laverne Martin of Milwaukee, Wisconsin; nine grandchildren and twelve great-grandchildren.

THEY CALLED HER FOR THE JOBS
NO ONE ELSE COULD HANDLE!

the Specialist
IN COLOR

We deal with two types of energy:

1. HUMAN

Many businesses and industries are moving into this region from other parts of the country. They've found that we have a willing work force, a sensible tax structure, favorable weather and adequate energy sources.

New industries don't just move into your town by accident. Sometimes years of personal contacts by your Chamber of Commerce industrial team and the industrial development experts at Lone Star Gas are carried on before the final decision is reached to relocate in your town.

Your Chamber's industrial team, aided by the state, county and utility teams, study the area to make sure the right industry is matched with the right plant site location.

A new business or industry helps your town's economy by providing new jobs and by adding tax dollars for schools and hospitals and other community services.

So when you hear about a new industry moving into your town, call your Chamber of Commerce and thank them for another job well done.

2. NATURAL

To our customers, Lone Star is "the gas company." We serve over one million customers in about 400 cities and towns in Texas. That's a lot of customers... and a lot of responsibility. People depend on Lone Star Gas to have the available natural gas energy whenever and wherever they need it. And we've provided that energy for over 60 years through investments in pipelines, compressor stations and the purchase of new, more expensive gas supplies.

Natural gas produced in the United States provides over ONE-HALF of this country's industrial energy requirements. And the availability of adequate natural gas energy is one of the primary reasons that more and more businesses and industries are moving into this part of the country.

Lone Star Gas is committed to helping your town attract and keep industries that can provide jobs and help the economy. It's just good business for all of us.

Mrs. Carlos Valdez, San Benito, is engaged and approaching the wedding of her daughter, Elma, to Arnaldo Noyola, San Benito. Mrs. Valdez is a graduate of Texas Women's University and has earned a bachelor of science degree in elementary education. Her fiancé is a graduate of Pan American University and has earned a master's degree in biology from the same institution. The couple will marry August 9 in the morning at St. Joseph's Church in San Benito.

MRS. DANIEL ARTHUR WESTERN
...the former Pamela Sue Wilcox

Wilcox-Western Vows Exchanged

Pamela Sue Wilcox became the bride of Daniel Arthur Western Thursday evening, July 31, at the Heights Presbyterian Church in Albuquerque, New Mexico. The Rev. Larry Moss read the double ring ceremony. The bride is the daughter of Mrs. Max Sklower and B.T. Wilcox, both of Albuquerque, New Mexico. Attending the bride as maid of honor was Miss Sandy Guthrie and bridesmaids were Misses Nancy Weideman and Kristy Haslam. Harold Gilmore was best man and groomsmen were

Tom Wilcox, brother of the bride, and Mark Martinez. Ushers were Clay Bower and Jerry Smyrl, brothers-in-law of the bridegroom. Marian Bower, niece of the bridegroom, was flower girl and Christopher Smyrl, nephew of the bridegroom, was ring bearer. Immediately following the ceremony a reception was held in the garden at the home of Mr. and Mrs. Max Sklower. Miss Nancy Sklower registered guests and Miss Erin McNew served the three tiered wedding cake. Misses Laurie Kaiser and Diane Leigh served punch and coffee. After a honeymoon trip to Mexico, the couple will be at home in Albuquerque. Mrs. Western is employed as secretary by the Disabled American Veterans office and Western is employed as a bookkeeper by Swift and Company. The bride is the granddaughter of Mr. and Mrs. Jess Dennington of O'Brien and Mrs. Nettie Wilcox of Knox City.

Doris Howell Returns From Mexico Trip

Doris Howell, daughter of Mr. and Mrs. Glen Taylor, has recently returned from a Mexico Field Course sponsored by Texas Tech University in Lubbock where she is a junior, majoring in social welfare and minoring in Spanish.

The 56 Tech students were accompanied by two teachers, Roberto Bravo and Lorum Stratton who taught both graduate and undergraduate courses. Classes were conducted every day and the students received six hours' credit.

The group met in Laredo for the annual trip and took a bus to San Luis Potosi where they lived with pre-selected Mexican families. Doris reported that most of their experiences were very enjoyable with only a few exceptions.

Her studies included grammar as well as history and culture.

The trip included a week's stay in Guadalajara and Mexico City where they enjoyed sightseeing. Doris remarked that the cathedral in Mexico City was one of the most beautiful that she had ever seen. The group enjoyed the bull fights, horse races, and a family reunion of some of the Mexican families with whom they were staying.

Also on their agenda was a one-day excursion to Guajuato, San Miguel de Allende, and Delores Hidaigo.

Pre-Nuptial Parties Fete Miss Tankersley

Miss Gayle Tankersley, bride-elect of Terry Hamilton, was honored with a bridal shower Saturday in the home of Mrs. E. Hob Smith. Calling hour was from 3:30 to 4:30 in the afternoon. Mrs. Paul Clayton greeted guests and presented them to the honoree; her mother, Mr. Samuel Tankersley; the prospective bridegroom's mother, Mrs. L.V. Hamilton of Goree; and the honoree's grandmothers, Mrs. M.S. Lowrey and Mrs. J.W. Tankersley.

Presiding at the guest book was Miss Becky Hawkins, sister of the bridegroom.

Misses Debbie Reese, De Lacy Bateman, Sheryll Guinn, and Laura Lynn served finger sandwiches, cheese rolls, cookies, nuts, and punch from a table covered with a white cloth. Appointments of crystal and silver were used and the table was centered with an epergne filled with blue and white daisies, the bride-elect's chosen colors. Hostesses were Mmes. Tom Brooke Hudson, Bob Harrison, Bill Baker, Jeff Graham, Herbert Bellinghausen, Jimmy Lynn, Charles Reese, Billy Gene Johnston, W.J. Roddy, Bill Holcomb, Tommy Kent, Mary Stone, Hob Smith, Paul Clayton, and Miss Anne Underwood.

HAMBURGER SUPPER
Mr. and Mrs. Melvin Lowrey and Jan hosted a hamburger supper for their niece and her fiancée at their home Friday evening. Guests for the supper were the honorees; Mr. and Mrs. Samuel Tankersley, parents

of the bride-elect; Mr. and Mrs. L.V. Hamilton and Eldon of Goree, parents and brother of the bridegroom-elect; his sister, Miss Becky Hawkins of Dallas; the couple's grandparents, Mr. and Mrs. Eldon McSwain of Goree and Mrs. M.S. Lowrey; Mr. and Mrs. Dan Wadzeck of Rochester; Larry Wadzeck of Lubbock; Mr. and Mrs. Joe Clonts, Diane and Mark; and Mr. and Mrs. Charles Reed, Mel and Kevin.

KITCHEN SHOWER
A kitchen shower Thursday in the home of Mrs. Patricia Deering honored Miss Tankersley. Mrs. Deering and Sheryll Guinn were hostesses for the occasion. Refreshments of cookies and punch were served guests from a table centered with a blue and orchid arrangement. Those attending were the honoree, Jane Arledge, Timilu Graham, Sarah McGaughey, Marcella Durham, Patti Lain, Sandy Stubbs, Sheila Cobb, Jan Lowrey, Debbie Reese and the hostesses.

Weldon Pharr Receives Diploma
Weldon Pharr, son of Mr. and Mrs. Ed Pharr of Knox City recently completed requirements at Thomas Jefferson High School in San Antonio and received his high school diploma. Pharr plans to attend college this fall. He is the grandson of Mrs. Opal Hutchinson, also of Knox City.

License Needed For Child Care

According to Section 8 (a), Article 695c, Vernon's Texas Statutes persons must have a license to care for children in their homes. This license is issued through The State Department of Public Welfare and is free of charge. Requirements for a license are summarized as follows:

1. Visit from a licensing representative.
2. Fire and Health Department inspections.
3. A fenced yard.
4. Adequate indoor and outdoor play space.
5. Hot, nutritious lunches.
6. Health card for the day care mother.
7. A bed for each child to nap on (couches or cots may be used).
8. Immunization card on each child.

All visits from licensing representatives are free as well as all fire and health inspections. This law protects the child from inadequate care, insures nutritious food and personal attention. The day care mother will receive help at any time it is needed from the State Department of Public Welfare. She will have better

opportunity to receive new ideas on foods, play ideas, and furthering her knowledge of child care. Anyone now caring for children or interested in caring for children, please contact Cathi Weisensee, State Department of Public Welfare, Courthouse, Vernon, Texas 76384 (817/552-6238), for further information on day care licensing.

Baker Speaks Walsworths At Junction Meet Hold Reunion

Supt. W.R. Baker was in Junction Friday afternoon to attend a meeting regarding the representation of rural schools and rural ad valorem property taxpayers in future sessions of the Texas legislature.

State Rep. Jim Nugent of Kerrville, speaking to more than 85 school superintendents, school board members, and tax assessor-collectors at the meeting in the Texas Tech University Center in Junction had harsh words to say about the new school bill.

Following on the heels of the criticism, Nugent proposed that "some reasonable framework of taxing" must be achieved to arrive at a fair taxing method.

Mr. Baker, long active in school finance studies, spoke to the group and invited his listeners to join a proposed property owners' association.

Purpose of the organization, he said, will be to provide a communication link between Austin and school districts.

From the audience the question was asked on the impact of the new school bill on major urban areas such as Dallas, San Antonio, Houston, and Nugent shot back the reply, "It was well written for their benefit!"

The Walsworth family reunion was held Saturday and Sunday, August 2 and 3 at Lake Stamford.

Those attending included Jim, Tina, Wendy and Jamie Johnston, Lubbock; Kenneth and Sammie Roberts, Randy, Rodney and Sherry Burns, Plainview; Donnie, Marilyn, Lance, Kendi and Kari Johnston, Lubbock; Audie and Sam Johnston, O'Brien; Jim, Linda, Cari and Chase Hall, Memphis; Lynn Wilkinson, Olton; Max, Pat and Marcie LaDuke, Fort Worth; Mary Nell Hall, Petersburg; Judy Redigner, Olton; Patti Wilkinson, Olton; Roy and Juanice La Duke and boys, Olton; Mildred and Mouse La Duke, Olton; Mr. and Mrs. Ross Walsworth, O'Brien; Ruby Walsworth, Spur; Bobbie Lindsey, Abilene; Jerry, La Rue and Robin Riggs, J.C. and Debbie Riggs, China Springs; Betty, Patty and Terry Waller and Laura Bloodworth, Burkburnett; Avie and Dick Johnston, Burkburnett; Jean and Babe Banner, Littlefield; Rose Marie, Kenneth, Karen and Shirley Johnston, Wichita Falls; Butch Banner, Albany; Judy, Dale, and Billie Ann Sanders, Amarillo; and Willie Mae and Berlie Banner, O'Brien.
