E. Wilson.

Four FFA Boys, Adviser to Attend State Convention

A delegation of four boys from the Knox City FFA chapter will go to Houston July 20-22 to attend the twenty-seventh annual convention of the Texas Association of Future Farmers of America.

The boys will be headed by Carl Bradley, treasurer, and L. E. Groves, chapter adviser, will accompany them.

Others who will make the trip from Knox City are S. E. Park, Jr., Hoyt Lovelace and Douglas Bradley.

More than 3,000 boys from all over Texas are expected for the convention which will be held in the completely air-conditioned Sam Houston Coliseum, home of the Houston Fat Stock Show.

Convention headquarters will be the Rice Hotel, located in downtown Houston.

Many varied activities are being planned for the Future Farmers. Tours of industry, visits with leading business men and industrialists, banquets, plenty of entertainment, as well as the regular business sessions are on the agenda for the three-day convention.

More than \$5,000 in awards will be presented to the outstanding FFA boys and chapters during the convention.

Houston leaders heading the convention committee include Archer Romero, president of the Houston Fat Stock Show, Howell B. Jones, chairman of the agriculture committee, Houston C of C, and J. D. Sartwell, president of the Houston Farm and Ranch Club.

Local Women Attend T.F.W.C. Program Planning Session

A Program Planning session, First District, Texas Federation of Women's Clubs, was held at the new school building in Rule last Saturday. Attending from Knox City were Mmes. Phil Colehour, T. S. Edwards, E. F. Branton, Ulic Lea, Samuel Tankersley and Joe M. Clonts.

Mrs. J. W. McCloud of Bryson, president of the first district, presided. Hostesses were federalist club members of Rule. Approximately 100 women registered.

Homecoming Invitations Mailed to Ex-Students

Approximately 500 letters about people and changes in the "old home town" have been mailed to graduates of Knox City High School, inviting them to return to Knox City Saturday and Sunday, June 4 and 5, for the 1955 Homecoming.

Paul Hoge, president of the Ex-Students Association, said he would like to have invitations sent to former students of the school who did not graduate here. A record of the graduates is kept, but there is no record of ex-students and ex-teachers.

"If you know the address of a former classmate or teacher and would like for him or her to receive an invitation, contact me and a letter will be mailed," Hoge said.

Exes who cannot attend the homecoming were asked to send their \$1.00 dues to Mrs. Mary Reeder Vaughan, secretary of the association.

Since no homecoming was held last year, officers of the association expect a larger number of former residents than usual to attend the affair this year.

Activities will include a dance on the city tennis courts Saturday night, June 4. Sunday morning services at the school auditorium, dinner, and a business session and get-together Sunday afternoon.

This year, the Sunday dinner will be served by a catering service at \$1.00 a plate, instead of being furnished by Knox City women. However, local women were asked to bring cakes and pies to supplement the meal.

"We're sure no one will mind the charge for the dinner," the president said, "and this arrangement will allow local ladies to spend more time with their friends and former classmates."

Speaker at the Sunday morning service will be Charles Shoemaker, former teacher in the school, who is now a Weatherford attorney.

Officers Elected By Eastern Star

Mrs. Easter May was elected Worthy Matron at a meeting of the Order of Eastern Star Monday night.

Other officers elected were as follows: J. C. McGee, Worthy Patron; Mrs. J. C. McGee, Associate Matron; L. A. Parker, Associate Patron; Mrs. Opal Hutchinson, conductress; Mrs. Pave Graham, associate conductress; Leota Lawson, secretary; and Cora White, treasurer.

The ten other officers will be appointed by Mrs. May later.

Retiring officers are: Mrs. Anna Mae Redwine, Worthy Matron; L. A. Parker, Worthy Patron; Easter May, Associate Matron; J. C. McGee, Associate Patron; Mrs. J. C. McGee, conductress; Lucyle Collins, associate conductress; and Pave Graham, treasurer.

Awards Presented To Cub Scouts

Awards won by Cub Scouts this month were announced today by H. M. Compton, Cubmaster. They include Brack Shaver, Wolf Badge with a gold arrow point; two silver arrow points were earned by Mark Anderson and Danny Fisher.

Boys earning one silver arrow point include Ronnie White, Eddie Smart, Stanley Duckworth and Andy Supina.

Dens 1 and 4 have agreed to disband during the summer, it was announced.

O'Brien Honor Graduates Named

Mrs. Cleon Watson, the former O'Brien High School's valedictorian of 1944. She is the daughter of Mr. and Mrs. Tom Posey.

Salutatorian of the O'Brien graduating class, with a four-year average of 91.12, is Mrs. John L. Grindstaff, Jr. Mrs. Grindstaff is the former Peggy Edge.

Knox Cancer Crusade Exceeds Quota

Knox County's 1955 Cancer Fund Drive quota was topped by \$157.07, according to Dr. T. P. Frizzell, county chairman.

Assigned a quota of \$1,075.00, volunteer workers over the county collected \$1,250.07. The drive was in cooperation with the American Cancer Society's goal of twenty-four million dollars. Sixty percent of all money collected in Texas' campaign for one million dollars will remain in the state, Dr. Frizzell said.

The county chairman expressed his appreciation to all volunteer workers in the county. They were area chairman J. B. Eubank, Jr., of Truscott and his assistants, Mrs. Zena Waldron of Benjamin, Mrs. Odell Williams of Truscott, Mrs. Arthur Horne of Gilliland and Mrs. Tom Russell of Vera; area chairmen Tom Bullington and Mrs. D. C. Eiland of Munday who had assistants in Hefner, Goree, Sunset and Rhineland communities, and Otis Harbert, Knox City chairman, who exceeded his quota in a one-man campaign.

Figures in the county fund-raising campaign were: Knox City-Brook, \$319.50; Munday, Goree, Rhineland, Sunset and Hefner, \$685.19; Benjamin, \$79.10; Vera, \$65.00; Gilliland \$46.80 and Truscott \$54.48.

Summer Vacation for Knox City Students To Begin Friday

The Knox City School will dismiss by noon Friday, May 20, Supt. Chas. E. Silk said this week.

Students will go to school Friday morning to check in their books and receive their report cards. Lunch will not be served at the lunchroom.

Legion and Auxiliary Plan Memorial Service

A thirty-minute memorial program will be held at the Knox City Cemetery Memorial Day, Monday, May 30, it was announced Wednesday by Paul Hoge, commander of the Teague-Carpenter Post, American Legion.

The program, which will begin at 7:15 p. m., is being sponsored by the American Legion post and its auxiliary.

Chas. E. Silk, superintendent of schools, will make the memorial address.

A flag committee, composed of Earl Woodward, Clarence Woodward and Loyce Teague, will place flags on veterans' graves Sunday for Monday's program.

The American Legion Auxiliary will have charge of a special song and appropriate reading, and the firing squad will be headed by Curtis Costes.

Hoge urged everyone to attend the program, which will last about thirty minutes.

Sunday School Class Seeks Clothing for Needy Families

The Christian Ambassadors Sunday School Class of the First Methodist Church made an appeal this week for good used or new clothing to be donated by local people and distributed to needy families in this area.

Those who wish to assist in the project may call Mrs. Chas. G. Markward, class president, or Paul Fitzgerald. Mrs. Myrtle White is teacher of the class.

Funeral Services Held Tuesday for Former Resident

Funeral services for Mrs. W. K. Keneda of Munday were held at the Knox City Church of Christ Tuesday, May 17 at 10 a. m., with Wesley Reagan, minister, officiating.

Mrs. Keneda died unexpectedly at her home in Munday Saturday, May 14. She was born July 31, 1881, in Arkansas. She reared her family in Knox City and moved to Wichita Falls about seven years ago. Mr. and Mrs. Keneda had lived in Munday about 18 months, moving there from Wichita Falls. She was a member of the Methodist Church. Interment was in Alford, Texas.

Survivors are the husband; four sons, Hoyt Keneda of Glendale, Ore., Earl Keneda of Albany, Ore., Evan Keneda of Oklahoma City and Leon Keneda of Wichita Falls; four daughters, Mrs. H. E. Miller of Wichita Falls, Mrs. A. V. Harper of Oakland, Calif., Mrs. Dock Wilson of Salinas, Calif. and Mrs. G. O. Lewis of O'Brien; 23 grandchildren and 12 great-grandchildren.

Auxiliary to Sell "Memorial Poppies" Saturday, May 28th

On Saturday, May 28, members of the American Legion Auxiliary will ask everyone in Knox City to wear a Memorial Poppy in honor of our war dead, Mrs. Paul Fitzgerald, chairman of the auxiliary's Poppy Day committee, said this week. Memorial Day is Monday, May 30.

The Auxiliary committee will sell the paper poppies, which are made by disabled veterans. All proceeds from the sales will go to aid disabled veterans, war widows, and orphans.

Plans for the sale were made at the regular meeting of the Auxiliary Tuesday night at the Legion Hall. Mrs. Guy Robinson presided during the business meeting. Mrs. Fitzgerald explained the purpose of Poppy Day and Mrs. Alvin Roberts was chairman of the committee.

10 Most Destructive Insects Are Listed

Cotton bollworms, grasshoppers and boll weevils were the three most damaging insects to Texas crops last year.

Aphids, rice weevils, cutworms, spider mites, thrips, armyworms and plant bugs complete the list of the state's ten most destructive insect pests in their order of "economic importance," according to a report by Dr. J. C. Gaines of the department of entomology of the Texas A and M College System.

Pink bollworms should be added to this list, Gaines says, not because of its present economic damage, but for its potential damage to Texas cotton.

The cotton bollworm is also known as the corn earworm or tomato fruitworm.

Nationwide, the corn earworm, grasshoppers, aphids and mites were listed among the more important insects of 1954 by entomologists.

Corn earworms, aphids and mites also dominated the 1953 listings.

W. S. C. S. MEETS MONDAY WITH MRS. GRAHAM

The Woman's Society of Christian Service, Methodist Church, met May 16 in the home of Mrs. L. W. Graham.

The program was on Youth Work. Mrs. Guy Robinson, youth counselor and secretary of youth work in the W.S.C.S., brought a very interesting report on the work. Songs were used from the youth song book and the meeting was closed with the youth benediction.

Truscott H-D Club Entertains Guests

The Truscott Home Demonstration Club recently entertained the Gilliland H-D Club and other guests with a tea at the Community Center, in observance of National Home Demonstration Week.

At a beautifully appointed table refreshments of punch and cake, mints and nuts were served by Mrs. J. R. Brown and Mrs. W. R. Owens. Arrangements of flowers were placed throughout the community house.

Hand-work displayed in the club room included children's dresses, baby quilts, ceramics, crocheted hats with bags to match, quilts and tablecloths.

Mrs. H. P. Gillespie entertained the group with a game, and songs were sung.

Attending from Gilliland were Mrs. J. T. Cook and Karen, Mrs. Arthur Horne, Mrs. Charlie Groves, Mrs. John Black, Mrs. John Crowover and Carolyn, Mrs. W. T. Cook, Mrs. Florence Miller, Mrs. L. D. Results of Local Guar Crop Told In Magazine Article

Alvie Ressel, Knox City farmer, tells of his experience growing guar in the June issue of The Progressive Farmer magazine.

In a 48-acre field, Ressel stripped four rows of guar and four rows of grain sorghum across the field. He harvested 8,788 pounds of guar that brought \$3.40 per hundred on the market, and 7,000 pounds of maize that brought \$2.00 per hundred. His difference in income from the two crops was \$158.79, in favor of the guar.

"However, the main difference will come in 1955 when I plant cotton on the guar land," Ressel said.

The magazine also carried a picture of cotton produced in 1954 on two test blocks of 4 300-foot rows each on the Ressel farm. The four rows on which guar was planted in 1953 produced 34 pounds of cotton, while the four rows following grain sorghum produced 17 pounds.

Mrs. L. W. Graham, district secretary of missionary personnel, Woman's Society of Christian Service, and Mrs. J. C. McGee, district secretary of Wesleyan Service Guild, plan to attend an officers training meeting in Lockney today.

FHA Borrowers Plant More Cover Crops

In areas where adopted, Farmers Home Administration borrowers grew more winter cover crops in 1954 than in any previous year since 1949, according to Walter T. McKay, State Director of the Farmers Home Administration. The limiting factor was moisture conditions; however, farmers in the eastern half of the state, as well as in the Gulf Coast section, were able to get good stands of legumes and small grains which grew off fairly well.

Early last fall FHA County Supervisors made individual plans with borrowers regarding their winter cover crop program, extending credit where necessary. This resulted in the production of much-needed winter grazing crops for the farmers' livestock in addition to the soil improvement value of the legume crops. Such soil improvement values will be reflected in higher yields of cash crops grown on the land in 1955.

Mr. McKay stated that records of past years of the FHA borrowers clearly demonstrate the increase in debt paying ability of borrowers who follow a soil build-

ing program in their farming operations.

Traffic Deaths in Texas Show Increase

AUSTIN. — The pine box score of Texas traffic deaths in 1954 was 2,431. This was a 2.7 percent increase over the deaths in 1953 when 2,368 people were killed. Traffic fatalities in the nation in 1954 decreased 5 percent from 38,300 to 36,300.

During 1954 someone was killed in a traffic accident every three hours and 36 minutes on an average. Someone was injured every 5 minutes and 7 seconds.

"Blessed be God, even the Father of our Lord Jesus Christ, the Father of mercies, and the God of all comfort; Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God. For as the sufferings of Christ abound in us, so our consolation also aboundeth by Christ. And whether we be afflicted, it is for your consolation and salvation. And our hope of you is steadfast, knowing, that as we are partakers of the sufferings, so shall we be also of the consolation." (II Cor. 1:3-7).

There is a cost which you have to pay if you become skillful in binding up the gaping wounds and drying tears. Suffering sacrifice is rough and hard to bear; but it prepares you for the noble work in helping others. So get out of it all you can, both for yourself and for service for others as God wills for you to do. Be not like Job's friends who came to comfort him, but be prepared in the Lord to bring comfort and hope to all you meet.

"Quotation by Thomas Sydenham 1689 Copyright 1C455"

MAGGIE MCKENZIE, popular radio star of KGNC says, "Every woman knows light Karo is best for cooking... and on the table..."

it's Karo for me, the best-tasting waffle syrup of 'em all"

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

Ask your grocer for Karo waffle syrup, in pints and quarts

Eighth Graders to Graduate Tonight

Graduation exercises for the eighth grade will be held tonight (Thursday) at 8 p. m. in the school auditorium.

Processional will be "Salute to the Colors," by Paula Jones and Kay Dean Hester. Doyle Graham and Raymond Huntsman will present the flags.

A prayer will be given by the entire class, followed by the welcome by Montie White, class president.

The Junior Band, directed by W. J. Morris, will play Easy Steps, Shadowland, and The Junior Band.

Class members will sing "Hail to Our Country" and "Vive la Compañie," accompanied at the piano by Mrs. A. V. Kemletz.

Renella Mansfield will play "Navajo Warrior" and the girls chorus will sing "Indian Love

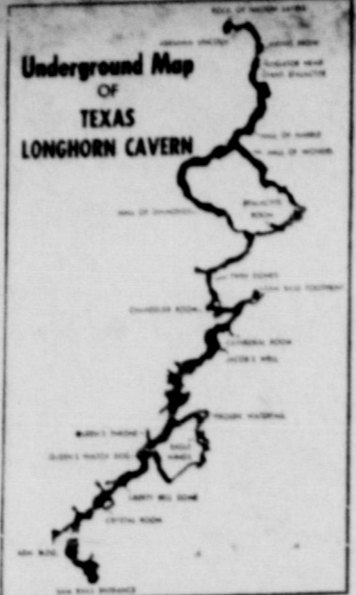

Call. "My Prairies" will be given by Laval Verhalen and the class will sing "I Like It Here" and "Vesper Song."

A choral reading, "My People Came to This Country," will precede a number, "The Challenge," by the boys chorus.

Sam Anderson will introduce the speaker, Joe Reeder, Jr., who will use as his subject Trails That Lead On. Supt. Chas. E. Silk will make the presentation of certificates and Mrs. E. F. Branton, home room teacher and elementary principal, will present the awards. Paul Prater will give the benediction.

Bill Watkins, who is stationed at Alexandria Air Force Base, Alexandria, La., is visiting his parents, Mr. and Mrs. Joe Watkins, while on 30-day leave. Airman Watkins recently returned to the States after a year of service in Europe.

TEXAS' BIGGEST CAVE

Underground map of famous Texas Longhorn Cavern shows the two miles of subterranean passageways that have been opened to visitors and some of the amazing natural phenomena that make the cavern one of the most spectacular scenic wonders of Texas and the nation. The tremendous cavern, located in Longhorn Cavern State Park near Burnet, is the largest cave in Texas and the third largest in the world.

Area Postal Workers Meet at Rule

The Brazos Valley Postal Association met in Rule Tuesday night, with postal employees present from Knox City, O'Brien, Munday, Haskell, Rule, Rochester and Stamford.

The group met in the banquet room of the Bluebonnet Cafe. Following refreshments of mince meat pie a la mode and coffee, D. R. Walsworth, postmaster at O'Brien and president of the association, conducted a business meeting.

M. E. Trice, postmaster at Rule, conducted a round table discussion on postal problems and procedure. A spelling bee was held, and was won by Jeff Graham, Knox City postmaster.

Mrs. Charles Markward returned Sunday from San Antonio where she spent ten days visiting friends.

Traffic Laws Made To Protect Drivers And Pedestrians

COLLEGE STATION. — No one can continually violate traffic laws without paying the penalty — either a fine or involvement in an accident. If you don't know the laws, learn them, advises the Texas Farm and Ranch Safety Committee, and then obey them.

The committee has figures from the National Safety Council which show that records of fatal accidents in 1953 involved 76 traffic violations per 100 drivers. Speeding, nearly 3 out of 10 drivers in fatal accidents were violating a speed law. The percentage in rural areas was even higher, slightly over 10 percent above the rate for cities.

Among drivers involved in fatal traffic accidents, 18 out of 100 had been drinking. Seven out of 100 drivers in fatal accidents did not have the right-of-way. The city rate exceeds by almost three times the rural rate in this classification. Improper passing involved 3 out of each 100 drivers in fatal accidents and 9 out of 100 drivers failed to keep to the right of the center line of the highway.

Disregarding a traffic sign, signal or officer was the violation involving 6 out of 100 drivers in fatal accidents. The committee points out here that rural drivers were more frequently guilty of disregarding stop and warning signs while their city cousins more often disregarded a signal or officer.

Statistics show 8,600 pedestrian fatalities in 1953 with 36 percent caused from crossing between intersections; more than 1,800 of the 6,650 adult pedestrian deaths were attributed to alcohol while crossing against the signal accounted for 5 percent of those killed. Playing in the roadway accounted for 26 percent of the child pedestrians under 5 years of age killed or injured and 18 percent of those between 5 and 14 years of age.

Finally, warns the committee, don't depend on luck for traffic safety. Know and obey traffic laws—they were passed for your protection.

New Variety of Sesame Ready

COLLEGE STATION. — Rio, a new non-shattering variety of sesame described as "completely adapted to mechanical harvesting" soon will be available to farmers.

Released jointly by the Texas Agricultural Experiment Station and the U. S. Department of Agriculture, Rio is now in the hands of certified growers and seed in quantity should be available for planting this fall.

Rio is better adapted to Texas growing conditions than other strains of non-shattering sesame but it is expected to serve only until still better varieties are developed in an extensive sesame

breeding program. station research station Rio can be cut in power, allowed to be combined directly from row.
Seed yields in plantings at College ranged up to 1,488 in favorable growing row.
Mr. and Mrs. Albert Kay Dean spent the week end with Mr. and Mrs. Frank M. Aultry and Sandra.
Mrs. Pat O. Riley and Kathleen, of Wichita, the week end with Mr. and Mrs. Frank M.

HOW TO READ A ROAD MAP

by CAROL LANE TRAVEL AUTHORITY

EVERY YEAR, THOUSANDS OF OTHERWISE LITERATE MOTORISTS LOSE THEIR WAY BECAUSE THEY DON'T READ ROAD MAPS. YOU'LL NEVER BE PUZZLED BY THE "ROAD MAP RIDDLE" IF YOU UNDERSTAND THE LEGEND. THESE IMPORTANT SYMBOLS WILL HELP YOU READ YOUR ROAD MAP ON YOUR NEXT HOLIDAY WEEK-END.

- A NATIONAL PARK IS SYMBOLIZED BY A GREEN BROKEN-LINED SQUARE, A STATE PARK BY A GREEN TREE.
- A STAR INSIDE A DOUBLE CIRCLE IS THE SIGN FOR A STATE CAPITAL.
- SYMBOLS FOR SCENIC, HISTORIC POINTS OF INTEREST IS A SOLID DOT INSIDE A LARGER SQUARE.
- STATE HIGHWAYS ARE DENOTED BY A CIRCLE OR AN EGG-SHAPED SYMBOL WITH A NUMBER INSIDE.
- NATIONAL HIGHWAYS HAVE NUMBERS ON SHIELD-SHAPED SYMBOLS, WITH ODD-NUMBERED ONES RUNNING NORTH TO SOUTH, EVEN-NUMBERED, EAST TO WEST.
- TWO PARALLEL RED LINES INDICATE A SUPERHIGHWAY OR EXPRESSWAY; A HEAVY SOLID LINE, A FIRST-CLASS PAVED HIGHWAY.
- DISTANCE BETWEEN TWO POINTS IS INDICATED BY NUMBERS BETWEEN RED DOTS OR STARS.

Defense Secretary To Participate in Texas 4-H Project

Secretary of Defense Charles E. Wilson will be in Houston June 20 to participate in ceremonies connected with the sailing of the Texas Friendship to Korea.

He told Walter Parr, director of CROP and Harris County Agent Dan Clinton when they were in Washington recently he would like to be present for the ceremony. Since returning to Texas, Parr has received definite word from the Secretary that he will attend.

Texas 4-H Club members, cooperating with the Texas CROP Committee, Church World Services, the American-Korean Foundation and the Heifer Project Inc., are the first in the nation to take on the job of securing demonstration and project material for fellow 4-H members in Korea. The

4-H participation in the state is only a part of the overall effort aimed at sending a cargo which may reach a total value of \$2,000,000 to Korea.

All contributions made by Texas 4-H members, their friends and supporters will go to 4-H members in Korea. Korean 4-H members will earn the things they use in their projects by paying back an equivalent in value to a 4-H Club "bank" from which other youth may draw material for their projects. The 4-H members in Korea will be given the name of their donor and will report directly at the end of the year.

In commenting on the program, Secretary Wilson said, "This is the kind of thing that makes my job easier. It is one of the best defense jobs that has been put on."

Parr said, "It is the finest possible example of the development of the spiritual side of 4-H Club work."

Highway Deaths Drop Third Straight Year

Traffic deaths on state and federal highways in Texas, outside of cities and towns, have decreased three consecutive years, according to Capt. K. B. Hallmark, Jr., in charge of the Wichita Falls District, Texas Highway Patrol.

Through March, 1955, there was an 11 percent decrease under the same period in 1954, which is a good start on a decrease for four straight years.

"It is on these roads that Texas Highway Patrolmen of necessity do most of their work," Capt. Hallmark said, "because 300 patrol cars cannot begin to cover 26,000 miles of State and Federal roads, let alone farm-to-market and county roads."

On the State and Federal roads 1536 people were killed in 1951. In

1952 the toll was reduced to 1455 dead. In 1953 the figure was 1369 and in 1954 it was 1362. Through March, 1955, the toll was 292 dead and for the same period in 1954 it was 329.

Munday Girl In Gonzales Polio Center

Jerrilynn June Kane, daughter of Mr. and Mrs. Jerry Kane of Munday, is currently undergoing treatment at Gonzales Warm Springs Foundation for Crippled Children.

Jerrilyn was stricken with polio June 10, 1954, and was admitted to the Texas speciality hospital of physical medicine and rehabilitation May 2, 1955.

Gonzales Warm Springs Foundation, located ten miles north of Gonzales, was built and is sustained by citizens of Texas. It first opened its doors in 1941 with one unit and a 16-bed capacity. Through the support of interested Texans, it now has six units and a bed capacity to accommodate approximately 140 patients, thus meeting the increasing demand for treatment and care of handicapped Texans.

NOTARY PUBLICS MUST APPLY FOR RE-APPOINTMENT

Secretary of State A. M. Muldrow has announced that he will reappoint all persons who now hold Notary Public Commissions and that all such persons must qualify by filing an oath and bond with the County Clerk between June 1 and June 10, 1955. The law specifically requires county clerks to approve notary bonds, and individuals should not send money or requests for commissions direct to the secretary of state.

Any person who has not been a notary public should apply to his county clerk before May 23, 1955, if he desires to have his application given prompt attention in the State Department, as the rush of reappointing all old notaries may slow up the ordinary process of making new appointments and issuing commissions.

Each person applying for a commission as notary public must be at least 21 years old and a resident of the county for which he is appointed; exact names and permanent addresses should be given to the County Clerk in applying for a commission, as location of the notary may be necessary long after he has notarized a particular instrument, Mr. Muldrow said.

Navy Announces New Recruit Plan For Graduates

The Navy has announced that High School graduates are now joining the Navy assured of schooling following Recruit Training.

Men qualifying for this new High School Recruit program are sent to one of the Navy's Class A or Class P schools immediately after completion of boot training. Applicants are enlisted in one of four ratings: a. Electronic Field Seaman Recruit; b. High School Hospital Recruit; c. High School Airman Recruit; d. High School Seaman Recruit.

The recruit will be sent to a Navy Class A or Class P school where he will receive training in his rate. For example, if a man is enlisted as an Electronics Field Seaman Recruit, he would be selected for one of the fourteen Navy Electronics Schools.

If a man has enlisted as a High School Hospital Recruit, he will be trained as a Hospital Corpsman or Dental Technician. If he has enlisted as a High School Airman Recruit, he would go to Airman Class P School. If the applicant is enlisted as High School Seaman Recruit, training in one of 26 Class A schools is possible, with training as Boilerman, Yeoman, Gunners Mate, Mechanic.
