

ence is what you think
ave until you try to use it.

is scribe noticed an article
ne of the state papers re-
ly where styles for men
showing progress. Well,
not? The women have had
r day with "The New Look,"
ack Dresses," etc. In the past
years there has been a not-
able shift away from the old
onservative, never-changing
yles to more colorful and va-
ed attire.

There's no doubt about it . . .
he masculine fashions can add
much to a man's appearance.
But then it would indeed be a
sad day to see fellows like Jack
Barker, Horace Finley, George
Houston, Zeb Smith, Mayor Otis
Harbert, Curtis Coates, Cidy
Williams, Otto Lawson, Jeffers
Graham, Bill Sams and others go
prancing around town in Ber-
muda shorts. Maybe Cidy's or
Bill Sams' legs would look like
Marilyn Monroe's, protruding
from the shorts, but so other
"knobby-kneed" guys had better
stick to some "cover-up" wearing
apparel.

We are not exactly against
short, shorts . . . but not on the
men.

Men's style of clothing has
come a long way since grand-
pa's day, but we have never
known a man to come right out
and say, "I don't have a thing
to wear."

Many persons have phobias
. . . such as fear of an audience,
fear of heights, fear of crowds,
planes, trains, etc. We have been
told by those in the know that
the way to cure a phobia is to
do the thing you fear enough
times, until it becomes a habit . . .
but we don't believe this sort of
propaganda . . . because we
have tried for 25 years to over-
come the fear of talking back to
the wife . . . by talking back to
her . . . and it just somehow
doesn't seem to cure our phobia.

Have you heard about the
fellow who used to work from
dark to dawn in a lingerie shop?
He was a nightie watchman.

Recently, early one morning,
just as we were rounding the
corner near the office, some
good-size fellow jumped out from
behind the corner of the building
and shouted Boo! right in this
columnist's face. Not expecting
anything of this manner . . . of
course we jumped, and for a
moment was frightened . . . in
fact too frightened to get the
man's name. We don't believe
we were any more scared than
this fellow was embarrassed. He
apologized and then explained
that he had seen a friend enter a
store, and thinking to have a
little fun with his buddy had
hidden behind the corner of the
building, and was going to jump
out unexpectedly and scare him.

At a Lions Luncheon meeting
discussion turned to the fact
there are a number of Smiths in
the club . . . and someone spoke
up and asked . . . Why there
were so many Smiths, and where
did they all come from? . . . to
which the local Methodist min-
ister O. D. Smith quipped: "Don't
you fellows remember seeing the
sign just outside of Knox City
on the Benjamin highway which
reads . . . 'Smith's Hatchery.'"

By no means is this scribe re-
ferring to the Lions swimming
pool bonds, but of late we have
been seeing and hearing quite
a lot of advertising in an effort
to get citizens to purchase gov-
ernment bonds . . . and with in-
flation problems hitting us right
smack-dab in the pocketbook . . .
we decided to dash off the fol-
lowing little poem.

Mary had a little Bond
On paper white as snow,
And every penny she could
save,
Into that Bond did go.
But when it reached maturity
Her mind she really lost,
She found she couldn't buy
with it.
As much as it had cost!

For most of us life is what
we make it. But for some pedes-
trians, it's IF we make it.

Wilcox Is Named Custodian For O'Brien School

In a school board meeting held Tuesday of last week, W. T. Wilcox of Knox City was elected custodian of Carney Rural High School, O'Brien, Elvin Mathis, Supt. announced He replaces Henry Clark, who is retiring.

Wilcox has driven a school bus for O'Brien for several years.

LET'S GO SWIMMING — That was the cry heard around Knox City last Saturday as a multitude of citizens enjoyed the opening day of the Knox City swimming pool. The photo above was made less than an hour after the pool was opened.

Moisture In Wichita-Brazos District Is Ideal

Moisture conditions in the Wichita Brazos Soil Conservation District are ideal for that summer soil improving crop this year. Soil is much like our bank account. If everything is taken out and nothing replaced, they will both play out.

Guar is one of the more popular summer soil improving crops in this area. Possibly the reason for the popularity is the drought resistancy of guar. Two of the more popular strains are the Texel and the Groehler strain. Texel is a single stalk guar, where the Groehler is a branching type guar. Six to eight pounds of seed per acre should be planted when seed is in rows. Row seedings can be done with planters used for combine sorghums. The seed should be covered from one to two inches deep, on land prepared in the same manner as for cotton or for grain sorghum. Guar can still be planted during the months of June and early July. A practice that is becoming more and more popular is to overseed wheat or small grain fields following harvest with guar. Reports are that co-operators following this method have been averaging around 4

bushels more grain per acre over a period of a year.

Cow peas are another annual legume being grown successfully in the district. This legume can also be seeded in June and early July at the rate of 10 to 12 pounds per acre when planted in rows. When planted in a mixture with grain sorghum 5 to 10 pounds should be seeded.

Some of the advantages to be gained by planting soil improving crops are: the roots will increase water intake and water-holding capacity of the soil, add nitrogen to the soil, can be used as a green manure crop to add organic matter, cover soil for protection from erosion, reduces soil temperature, and in some cases helps reduce the effect of root rot. Possibly of prime importance to co-operators in the district is the fact that crops following soil improving normally produce in greater abundance too.

When planting summer soil improving crop be sure you inoculate the seed with the proper inoculant. All local seed dealers can supply the proper inoculant.

RANGE TOUR

A Range Tour is being planned by the District Extension Service. The date is June 26. Further details as the exact time and location will be announced at a later date.

Lions Swimming Pool Is Opened With 'Big Splash'

Knox City's new swimming pool was officially opened Saturday, with a "big splash." Formal opening will be held June 25th, at "Lions Ladies Night."

The pool was swarmed by youngsters as well as many adults, for the "official opening."

Coach Curtis Hines is in charge of the pool. Jimmy Phillips and Jim Anderson are serving as life guards.

The pool, a Knox City Lions Club project, is one of the finest in this section of the country. It is around 82 feet long, 30 feet wide at the deep end, and 50 feet wide at the shallow end. There is also a separate wading pool for the children.

The \$20,500.00 project was constructed by C. R. Ballenger of Lubbock. Much of the finishing work was done by members of the Lions Club.

Knox County Well Is Completed

Tom B. Medders completed No. 3 Winnie Ferguson in the Big Four (Tannehill) Field of Knox County, two miles east of Knox City, in section 45, block 2, D&W survey. During 24-hour test, the well pumped 48.27 barrels of 38 gravity crude, plus 5 per cent water, from open hole at 2185-87 feet. Gas-oil ratio was 200-1.

EXCHANGE STUDENT FROM GERMANY SPEAKS TO LIONS

Attractive, well-educated, Nora Schwabe, an exchange student from Germany, spoke to members of the Knox City Lions Club Wednesday noon.

Miss Schwabe, who has been attending high school at Stamford the past year, under the sponsorship of the St. John's Methodist Church, Abilene, will return to her home in Weisbaden, Germany in early July.

The talented German Miss, attired in American fashion, and sporting an up-to-date "hair-do", spoke fluent English. She held the club members spell-bound for thirty minutes.

Miss Schwabe spoke about the war with Germany, her impressions of Texas, the United States, its young people, and gave a comparison of life in Germany with that "over here."

"I would not take anything for the year spent in this country as an exchange student," Miss Schwabe said . . . and "I plan to return in about two years to complete my college education", she continued.

Well versed in all subjects ranging from government to mathematics, Miss Schwabe said she thought she knew everything about this country. Prior to coming to Texas she had done quite a bit of "baby-sitting" for American families stationed in Germany . . . "but I found out upon arriving here, I really

Library At O'Brien School To Be Open During Summer

The O'Brien school library will be open throughout the summer on Wednesday of each week from 8:00 a. m., Elvin Mathis, Superintendent, said.

Sandra Ellis, freshman assistant librarian, is in charge.

DONKEY BALLGAME

Lions, upon invitation, Wednesday, matched a "donkey" ballgame with the Munday Junior Chamber of Commerce . . . to be played at Munday, Tuesday night, June 30th.

A return match is scheduled here on Wednesday night, July 1. More information concerning the games will be announced later.

Pony League Drops One And Wins One

The Knox City Pony League team lost one, and won one in League series games the past week.

In losing to Munday, Friday, the locals used three pitchers; Simon Rocha, Don Reeves, and Rudy Reyes.

Monday night Knox City topped Haskell 4-2. Rudy Reyes started for the Pirates, but was relieved in the first inning by Simon Rocha.

Tomorrow night, (Friday), June 12, the Pirates meet O'Brien here at 8:00 o'clock.

Father Of Mrs. Joe Reeder, Jr. Passes Away

Harry Ross Davidson, 74, father of Mrs. Joe Reeder, Jr., of Knox City, passed away June 4 midnight, in Missouri-Pacific Hospital, St. Louis, where he underwent surgery May 25.

Final rites were held Sunday at 3:00 p.m. at Jonesboro, and Mrs. Reeder attended services. Interment was in Oaklawn Cemetery, Jonesboro, Mo.

Davidson, a retired Missouri-Pacific Railroad conductor, was born and reared at El Dorado, Ill. He and Mrs. Davidson moved to Jonesboro when he retired in 1952.

He was a member of the First Baptist Church, and the Hustlers Sunday School Class, the Brotherhood of Railroad Trainmen, Lodge 205 at Popular Bluff, Mo., and the Masonic Lodge at Hoxie.

Survivors include his wife, Mrs. Jerusha Barton Davidson; two daughters, Mrs. W. D. Duckett of Tyler, Tex., and Mrs. Joe Reeder; one sister, Mrs. P. E. Edwards of Pine Bluff, and five grandchildren.

One Injured In Wreck Monday

Ginger C. Crowley, 20, (colored) was hospitalized here Monday, a little after noon, from injuries received in a wreck involving two pickups, one-half mile north of Knox City on the Benjamin Highway. The colored woman received minor cuts and bruises in the mishap.

Jesse Priest and Bill Angle, Highway Patrolmen, Seymour, who made the investigation, said that the 1942 model Ford pickup driven by Orene Jackson, also a colored woman, was attempting to make a "U" turn on the highway at the time of the accident.

Mrs. Nora Stevens Vance, Knox City, driver of the 1959 Ford pickup, who was traveling north, was not injured.

The Patrolmen said that considerable damage resulted to the pickup driven by the colored woman, but damage to the '59 pickup was not so extensive.

LITTLE LEAGUE RESULTS

Thursday night, June 4, a large crowd thrilled to more exciting Little League play. The Braves defeated the Red Sox 4-3. Mark Anderson was the starting pitcher for the Sox, but was relieved by Ronnie Johns. Starting pitcher for the Braves was Dale Howeth but Paul Dalio was credited with the victory.

The Cardinal-Tiger game was played Friday, June 5, instead of Thursday night, due to lack of time. The Cardinals were victorious by a score of 5-2. Stan Hansen hurled for the Cardinals and Dearl Marion for the Tigers. Johnny Montandon hit his third homer in the young season.

Tuesday, June 9, the Red Sox defeated the Tigers 6-0, in the twilight game. Mark Anderson started on the mound for the Red Sox, but was relieved in the fourth by Paul Rios. Rios was relieved in the sixth by Ronnie Johns.

In the nightcap, the Braves lost to the Cardinals 8-7. Starting pitcher for the Cardinals was Brack Shaver. Robbie Glenn relieved Shaver in the first. The Braves' pitchers were Dale Howeth, Paul Dalio, Irving Brooks, respectively.

Tonight (Thursday), the Braves met the Cardinals in the twilight game at 6 o'clock, and the Red Sox tangle with the Tigers in the nightcap.

Lake Davis Dedication Held Saturday Morning

Dedication ceremonies were held Saturday, June 6, at 7:00 a. m., (lakesite) for Lake Davis, private irrigation project, on the League-Davis Estate, about 5 1/2 miles southeast of Benjamin.

Present for the dedication ceremony were Mrs. Gladys Davis of League City; Mrs. D. S. Gauss, New Canaan, Conn.; Waters S. Davis, III, Roger and Jerry Davis, Jack Gray, and other close relatives and friends interested in the project.

Jack Idol, manager of the League-Davis Estate, gave the dedicatory address in which he paid respect to the late Waters S. Davis, one-time Conservationist, National President, whose desire was to have the dam constructed.

On the north side of the lake near the dam, a monumental marker erected reads: "Dedicated to Soil and Water Conservation in Loving Memory of Waters S. Davis, Jr.", with a reproduction picture of his hands holding soil, and these words below: "The Earth is 'The Lord's.'"

The huge irrigation project, with the dam on Double Dutchman Creek, will impound some 4,500 acre feet of water, and will be the largest body of water in the county. Covering approximately 500 acres of land, it is about six times as large as the

729-acre-foot Benjamin Lake. The damsite is about two miles east of Highway 283, midway between Benjamin and Knox City and when the lake is full of water it will be backed up to the highway.

Lyles and Davis of Childress were contractors.

Idol said around 1,000 acres adjacent to the lake could be irrigated.

Knox County Wildcat Due

S. A. Agee Jr. No. 1 Walter Mooney is a 1900-foot Knox County wildcat two miles northeast of Goree. Location is 2500 feet from east and 2000 feet from south lines of section 4, block 2, D&W survey.

Fletcher Oil and Gas Drilling Corp. No. 2 Mary C. Brown will be a 5,000-foot rotary project one mile northwest of O'Brien in the O'Brien, West (Strawn) Field.

Location spots 467 feet from south and 330 feet from east lines of section 24, block 14, H&TC survey.

KING WILDCAT DUE
B. A. Duffy of Abilene has filed application to drill a wildcat in King County.

It will be No. 1-G Masterson, 13 miles northeast of Guthrie. Slated for 6,150 feet with rotary, it spots 1,950 feet from the north and 660 feet from the west lines of Section 44, J. F. Thompson Survey.

WELL BOTTOMED
B. A. Duffy of Abilene No. 1-F Masterson, Section 57, Block A, J. B. Rector Survey, was bottled at 6,174 feet in shale and waiting on orders. The wildcat is 12 miles northeast of Guthrie.

Anderson Oil & Gas Company, Wichita Falls, No. 2 Anton Brown, 330 feet from south and west lines of section 2, D. G. Burnett survey 20, A-8, is a 2,150-foot test four miles north of Munday in Knox County and 1 1/2 miles southwest of the Tannehill pool.

Final Rites Are Held For Former K-C Resident

Final rites were held Monday, June 8, at Spencer, Oklahoma, for E. P. Sanders, 79, brother of Mrs. A. E. Lightfoot and Mrs. Mae Large, of Knox City, and Mrs. Bill Scott, of Tulsa. Interment was made at Spencer.

Sanders resided here some 42-years, prior to moving to Oklahoma in 1917. He passed away at 2 a. m., Thursday of last week, at Oklahoma City.

Attending funeral services were Mr. and Mrs. Pruitt Large, Mrs. Mae Large, Mrs. Joyce Smith, Mrs. C. E. Johnston, and Mrs. A. E. Lightfoot.

Rev. Barnett To Preach At Methodist Church, Sunday

Rev. H. W. Barnett, of Goree, will preach at both the morning and evening services at the Knox City Methodist Church, Sunday, June 14.

Rev. and Mrs. Smith and John, left Monday for a vacation trip which will take them to Mobile, Alabama, and points in Mississippi.

The Smiths, left Knox City with a "giant fish hook" with promises to bring back the evidence.

Essay Written By Elmo Todd Is Selected "Best"

An essay written by Charles Elmo Todd, Jr., son of Mr. and Mrs. Elmo Todd, of Truscott, was selected best from 31 essays submitted from Wichita, Wilbarger, Archer and Clay counties in a statewide contest.

Todd was a senior at Vernon the past year. He received a \$250 scholarship from the Wichita Falls Trades and Labor Council for his winning essay in the contest, which was sponsored throughout the state by AFL-CIO.

Courthouse News

In a meeting of the Commissioners Court Monday night, all bills were ordered paid, and up on motion by W. W. Trainham and seconded by T. S. Porter, it was ordered by the court to transfer \$6,000.00 from the salary fund to the 3rd class fund.

In a motion made by J. B. Eubank, Jr., and seconded by W. W. Trainham, it was ordered by the court to accept bid of \$14,000.00 to construct a new roof on the courthouse. Bid was by Central Roofing and Material Company.

Joe Reeder Jr., Is Back Home

Mr. and Mrs. Joe Reeder, Jr., returned home Monday night from Little Rock, Ark., where Mr. Reeder underwent a chest operation for the removal of a tumor.

Reeder had been a patient at St. Vincents Infirmary, Little Rock, for the past three weeks. Mr. Reeder has not returned to his office, but is reported to be doing "just fine."

Joe Lynn Cash Is Counselor At Youth Camp

JOE LYNN CASH

Joe Lynn Cash, son of Mr. and Mrs. Otis Cash, of Knox City, left last week for Blue Haven Youth Camp where he is serving as counselor for a nine weeks period. He will also teach hand crafts the last half of the camp term.

The camp is located 17 miles west of Las Vegas, N. M., and was purchased by members of the Church of Christ in October 1956. The camp contains 1,100 acres and was formerly known as "The Flying B Guest Ranch."

Others from Knox City who will attend the camp, June 21-July 3, are Doris Marion, Carol Thomas, Jimmy Hackney, Joe Ed Hackney, Ronnie Worley and Danny Jones.

Joe Lynn was a freshman student at Abilene Christian College the past year.

Grain Harvest "Nearly Over"

Harvesting of the '59 grain crop is approximately 80 per cent complete in the Knox City area, local grain men said Wednesday.

Should "open weather" prevail during the next few days, grain harvest will just about be completed this week end. John Crownover and Sam White said. This year's yield will be less than half of last year's harvest, grain dealers estimate.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

First called session of the 56th Legislature will end automatically June 16.

It would be hard to find anyone around the Capitol who would bet on the state's money problems being wrapped up by that date.

Senators began their work on the tax bills sent them by the House with an air of deliberate calm. They even waited 48 hours before beginning hearings to give everybody time to ready his presentation. (This is the "tag" rule whereby if one senator "tags" a bill, it cannot be heard except with 48 hours notice.)

Main issue was a bill to raise new revenue for 1960-61 spending needs. Gov. Price Daniel

appeared personally before the Senate Affairs Committee in behalf of H. B. 7. This is the House-passed bill to tax natural gas, interstate corporation corporation franchises, utilities, liquor, cigarettes, autos, etc.

Governor Daniel stoutly defended the bill on all counts, but said he would not "feel hurt" if the Senate wanted to make some changes.

Industry spokesmen and chamber of commerce representatives told the committee the bill would drive business away from Texas. "Our customers," said one company man, "will not pay a premium for a 'made in Texas' label."

Others complained that H. B. 7 not only would tax the same groups that have been hit before, but would hit some from several directions at once.

Governor Daniel's reply to those arguments is that business should bear a portion of the tax burden to keep from dumping it all "on the family budget," as in a general sales tax.

HARD-GOING—Governor Daniel's abandoned property bill, killed during the regular session, made it back to the House floor, but only after a committee had attached crippling amendments.

As introduced, the bill would have allowed the state to take over property or bank accounts unclaimed for seven years. Committee changed the waiting period to 15 years. This cut the estimated first-year take from

ATTENDS GRADUATION

Mr. and Mrs. E. A. Egenbacher and Bertha Perry attended graduation exercises for Mrs. Egenbacher's brother, Bert Scates, in Wichita Falls last week.

\$20,000,000 to \$3,000,000.

This is one of the bills recommended by the governor to pay off the \$95,000,000 deficit that accumulated during the 1958-59 biennium.

House Taxation Committee killed outright Rep. Jerry Sadler's proposal to levy a one per cent gross receipts tax on manufactured goods.

THUMBS DOWN ON THESE—Governor Daniel vetoed nine of the some 500 bills passed during the regular session.

Among these was the "de novo" bill which would have provided for an entirely new trial when decisions of state agencies were appealed to the courts. Governor Daniel said it would have disrupted oil and gas conservation procedures of the Texas Rail Road Commission.

Also turned down was a bill to create a Fort Bend County water district. Governor Daniel said it was in conflict with state-wide water planning. Rep. Jimmy Day of Brookshire, sponsor, made a critical speech on the House floor, contending the governor had signed a bill just like that one two years ago.

Another vetoed bill would have provided for repayment to persons who have paid fines or served sentences for crimes of which they were not guilty. Governor said the intent was good, but with no limitations in the bill, the taxpayers had no protection.

ONE SOLUTION—Many observers believe that much of the current legislative trouble—the slow start, delays, bickering between members and last-minute do or die legislation—would not happen if the office of Speaker of the House were an elective post.

Certainly this would eliminate the factions that exist in the Lower House.

Evidence of the desirability of such a plan is found in the office of the Lieutenant Governor, who performs identical functions in the Senate. Both officers have apartments in the Capitol Building, but only the Lieutenant Governor is elected by the people.

Selection of the House Speaker is made by the House members themselves. This delays the start of nearly every session. Furthermore it provokes many bitter battles, divides the House, and creates deep wounds that never heal. Also, much time is wasted during sessions by various groups campaigning for the Speakership for the session that still is two years away.

The real loser in the battle is the public and they have no choice in the matter, as things now stand.

Demands for making the post an elective one would have to come from the people, as there is considerable feeling among public officials against the idea of elective offices.

STUDENT FEES DEBATED—House members considered a bill to require students in state-supported colleges to pay an activity fee of up to \$30 a semester.

KNOX CITY

Uncle Ben from Benjamin says:

DEAR MISTER EDITOR:

I ain't too happy about this meeting "at the summit" business. Them Russians will end up talking us out of Fort Knox. We met with old Joe Stalin three time "at the summit" and ever time he sold us Brooklyn Bridge. At Tehran in 1943 he made us promise a second front. At Yalta in 1945 he really took us to the cleaners. He agreed to enter the war with Japan, which was already won, if we'd agree to give Russia a bunch of islands and Port Arthur for a naval base, and let 'em run the railroads in Manchuria. The reason he put that railroad item in the bargain was because he was already planning the "police action" in Korea.

Six months later Truman and our fellers met Joe at Potsdam Harry is a real sociable feller and he thought it might ease the international situation if he'd played the piano for Joe. But Joe, it turned out, wasn't no

patron of the arts, and while Harry was playing the Missouri Waltz for Joe, the Russians was prying us loose from our shirt. We agreed to cut Berlin up in scenes, and Joe slipped a joker in the deck when he fixed it so nobody could get into Berlin without crossing Russian territory.

With such past successes, Mister Editor, it ain't no wonder that them Russians is strong on this meeting "at the summit" business.

Ed Doolittle is temporarily buying his dairy rations at the country store. He come home yesterday with a pound of colored oleomargine, so his old lady told mine. He said he found it cheaper and to him grease was grease. The reason I mention it here, Mister Editor, is to show how people in this country has lost their pride. I can recollect when, if a farmer's wife slipped a little coloring in her butter, they kept it a household

Eastern Star Officers Are Installed In Impressive Ceremony Friday Evening

Mr. and Mrs. Willie White were installed Worthy Matron and Patron of the Knox City Chapter 119 Order of the Eastern Star during an impressive ceremony Friday evening, June 5th, in the Masonic Hall. Lina McGee, Past Matron, of Knox City Chapter, was the installing officer. Assisting were Annie Mae Redwine, installing Marshal; Easter May, installing Chaplain; Marriion Perdue, installing Pro-tem secretary; Evelan Warren, installing organist; Fay Graham, installing Warder; Charlie Clark, installing Sentinel.

Other officers installed were: Mrs. Leota Lawson, Associate Matron; Mr. Joe Roy Smith, Associate Patron; Miss Florence Cornett, secretary; Mrs. Joe Nell Cornett, treasurer; Mrs. Jeanette Clark, conductress; Mrs. Julia James, associate conductress; Mrs. Rena Fisher, Chaplain; Mrs. Opal Egenbacher, Marshal; Mrs. Dottie June Lowrey, organist; Mrs. Beverly Campsey, Adah; Mrs. Tommis Smith, Ruth; Mrs. Janice Lankford, Esther; Mrs. Margie Clonts, Martha; Mrs. Dorothy Keener, Electa; Mrs. Dessie Mae Egenbacher, Warder; Mrs. Charlie Clarke, Sentinel.

The setting for the ceremony was very impressive and beautiful with profusion of flowers at vantage points throughout the chapter room. The Worthy Matron chose royal blue dresses

which all officers wore. Her colors being royal blue, silver and white. The Holy Bible was chosen her emblem; her flower, the pink rose and the scripture—"For We Walk by Faith, Not by Sight."—Second Corinthians, 5th chapter, 7th verse.

The closed installation was called to order by Mrs. Lucy Goodson, retiring Worthy Matron who gave a welcome to all present.

After each officer for the ensuing year was installed Mr. and Mrs. White addressed the chapter and expressed their appreciation to their chapter and visitors. Mrs. Lucy Goodson presented Mrs. White with an attractive scrapbook—as a gift from the chapter.

In an impressive manner Mr. and Mrs. McGee presented the Worthy Matron and Patron a gavel from he and his wife. The gavel was made by McDaniel Music Company, Abilene. It was of cedar with a gold band which was engraved with their names, the chapter and year.

Mrs. Onna Parker presented Mrs. Lucy Goodson, Jr. Past Matron, and Charlie Clarke Jr., Past Patron with their jewels from the chapter.

Installing officers were presented in the West, and the Worthy Matron expressed her appreciation and thanks to each one as the conductress and associate conductress presented gifts from the Worthy Matron.

After the chapter closed a beautiful, impressive program, arranged by Mrs. Lucy Goodson, retiring, W. M. with the newly installed officers honored

Program Set For Church Conference

"The Rural Church Serving the Changing Rural Community", will be the theme of the 14th annual Rural Church Conference to be held in the Memorial Student Center of Texas A&M College on June 22-24.

The Conference is sponsored by Texas A&M College in cooperation with the Texas Rural Church Conference, the Texas Agricultural Extension Service and the Texas Agricultural Experiment Station.

Rev. R. R. Lloyd, president, Texas Rural Church Conference and a member of the Texas General Baptist Convention staff, will be in charge. Council members represent several denominations.

A task force presentation by several Texas A&M men and other presentations by professors at A&M, plus Dr. J. H. Jones, Jr., extension rural sociologist at Louisiana State University, Baton Rouge, La. will be among the features of this conference.

The rural minister of the year will be honored and items such as architecture for the rural church, landscaping, teaching techniques of closed circuit television and agribusiness will

be discussed at the meeting. Ample scholarships and expense funds are awaiting the clergy and church members who have an interest in rural church life and would like to attend the conference. A special invitation is given to church members to attend this year's conference.

CHEVY BESTS

Independent experts and official facts and figures prove Chevrolet's ahead of its field in seven big ways.

BEST BRAKES . . . In direct competitive tests of repeated stops from highway speeds, conducted by NAS-CAR*, Chevy out-stopped both the other leading low-priced cars—and why not: Chevy brakes are far larger, built with bonded linings for up to 66% longer life. **BEST TRADE-IN** . . . Check the figures in any N.A.D.A.† Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two." **BEST STYLE** . . . Popular Science magazine sums it

up: "The fact is, in its price class the Chevy establishes a new high in daring styling . . ." It's the only car of the leading low-priced three that's unmistakably modern in every line. **BEST ECONOMY** . . . No doubt about this: two Chevrolet Sixes won their class in the famous Mobilgas Economy Run, got the best mileage of any full-size car. **BEST ROOM** . . . Official dimensions reported to A.M.A.‡ make this clear. For example, Chevy front seat hip room is up to 5.9 inches wider than comparable cars. **BEST**

ENGINE . . . Every motor magazine has given Chevy's standard and Corvette V8's unstinted praise. As Sports Cars Illustrated puts it: "Indeed, this device is surely the most wonderfully responsive engine available today at any price." **BEST RIDE** . . . You'll be able to tell this yourself, instantly. But Motor Trend magazine expresses it this way: ". . . the smoothest, most quiet, softest riding car in its price class."

Miss Harriet Jean Spenny And Charles Robert Sanders Married Here Saturday

Mr. and Mrs. Charles Robert Sanders are on a wedding trip following their marriage in Knox City Methodist Church, Saturday, June 6 at 4:30 p. m.

The bride is the former Miss Harriet Jean Spenny, daughter of Mr. and Mrs. Perry C. Spenny, Knox City, and the groom is the son of Mr. and Mrs. Jerrald M. Saunders, San Angelo.

Rev. Oran D. Smith, pastor, performed the double ring ceremony before a background of greenery, flanked by floor baskets of white gladioli and branched candelabra holding blue candles. Pews were marked by blue and green bows. Mrs. Oran D. Smith furnished organ music and accompanied Miss Virginia McBride, soloist of Bryan. Miss Linda King of Kings, Ill., was violinist.

The bride, given in marriage

by her father, wore a gown of magnolia white silk and lace. The long fitted bodice of lace had three quarter length sleeves and a round neckline. The skirt was full and floor length with a slight train. She carried white gardenias and stephanotis.

Her veil of illusion was attached to a tiara of lace and seed pearls. Mrs. Ellis G. Baveris, of Beeville, sister of the bride, was matron of honor. She wore a blue and green plaid dress of silk organza over green, made with square neckline and puff sleeves. Mrs. Tom Edge of Abilene was bridesmaid and wore a dress similar to that of the matron of honor. They carried white pompoms in blue net butterfly wings.

Following the wedding, a reception was held at The Woman's Club. The bride's table was laid with a white linen and lace cloth centered with the bridesmaids bouquets and blue tapers. Assisting in serving were Miss Barbara Pollard, Denton, Mrs. Jerry Don Brown, Abilene, and Mrs. Floyd King, Kings, Ill.

Jerry Saunders, San Angelo, brother of the groom, was best man. Ushers were Vernon Ryan, Austin and Stanley Terry, Austin.

The bride is a graduate of North Texas State College, Denton, and was a member of the Corpus Christi schools this year. Saunders is a student at the University of Texas, Austin. They will make their home in Austin.

Miss Condray will graduate from Texas Tech this summer with a major in elementary education. She is a member of Kappa Kappa Gamma social sorority.

Her fiancé graduated from Tech last week from Tech engineering school with a civil engineering degree. He is with the Army Corps of Engineers, assigned in Fort Worth. His fraternity is Sigma Chi.

Streams In Desert Places

Ozelle Stephens

"In quietness and confidence shall be your strength." Isa. (Isa. 30:15).

In quietness of your daily devotions you learn the beauty and power of the name of Jesus. You learn to love that name, praise that name, hold yourself in the power of that name.

By praise, love and gratitude there come to you a power to overcome all darkness, to cast out all fear. The light of Christ will become so potent that all difficulties will melt before you. Calamity and evil will become as blessings from the hand of God. You truly walk with God overshadowed with Streams of His power.

RETURNS HOME

Mrs. Annie Dowling and Mrs. John King have returned home from a three-week visit to California. While there they toured the Wayfarers' Chapel, The Farmers Market, Knotts Berry Farm, The Pacific Ocean Park, and other scenic places. They flew from Los Angeles to Amarillo, returning home.

VISITING IN OHIO

Mr. and Mrs. B. R. McNulty left Tuesday for Columbus, Ohio. They will be away for two weeks.

FOUR-FOOTED FURY, represented by this storm-kicking bareback bronc, falls to unseat the well-balanced bronc rider. To stay aboard, the bareback rider has only a simple rigging to hang onto, a plain circingle with a leather handhold. The ride lasts for eight seconds, eternity enough on this kind of a hot seat. The nation's top contenders will be competing in this event at the Santa Rosa Roundup in Vernon, Texas, June 24-27.

Shoulders Will Perform At Santa Rosa Roundup

Jim Shoulders, world champion all around cowboy in 1958, will head up an impressive list of more than 200 of the world's best rodeo riders, ropers and steer wrestlers who will perform in the 14th annual Santa Rosa Roundup and Quarter Horse Show, Vernon, which opens on June 24.

Four action-filled nights of championship rodeo are scheduled, beginning at 8 o'clock each night, rain or shine. There's \$8,000 in prize money, plus entry fees to be split by performers.

Rex Allen, famous Western singing star of motion pictures, television, radio and records, will highlight a glittering array of specialty acts. He will appear with his famous trick horse, Koko, each night at the big rodeo.

Gene and Bobby Clark and the comical capers in the big arena, Billy Buschom and his trained horse, Sir Roger, and the spectacular mounted drill of the world-famous Santa Rosa Palomino Club will add to intermission enjoyment at the rodeo.

Girl riders' barrel racing, a thrilling and dangerous event, again will be featured this year along with Ruby Nance and his scintillating rodeo band and the famous voice of Cy Tallion as rodeo announcer.

A co-feature of the 14th annual Roundup will be the Quarter Horse Show featuring scores of the most talented and sleek

quarter horses in the nation.

More than 1,000 horses will add splendor and a real Western touch to a two-mile-long parade Wednesday afternoon, June 24, according to John Biggs, general manager of the Roundup. More than 25 Texas and Oklahoma riding clubs are expected, along with scores of floats and bands. Tickets to rodeo performances may be obtained by calling LI 2-6868 or writing Santa Rosa Roundup Ticket Headquarters, Vernon.

Insure your vacation fun

... phone ahead and be safe
 ... phone home and be serene

Make sure the "No Vacancy" sign doesn't apply to you when you reach your chosen vacation spot. A phone call ahead will take care of it.

And—when you're there—phone back home regularly. That's the way to have peace of mind and to keep your finger on things.

So have fun and a good rest. Your telephone will help you both ways!

JUST TALK

By JAMES HILL

Everybody in Knox County knows Wesley Garrison, the city secretary, is the town's . . . er . . . uh . . . practical joker.

For joker and rawhiding expert, it is doubtful that anyone could come up (?) to his standards.

For some time now, Wesley has pulled some pretty good capers on us and we have tried and tried to fix him up with some of his own medicine. We will have to admit, though, that we haven't been able to get up that early, even though we have stayed up a few nights trying to beat him up in the morning.

We have come up with a couple of pretty tasty morsels, though, so we will pass them on to you.

The following incident came to our attention through a very reliable source:

Knox City was as Sputnik conscious as the rest of the world when Russia sent up her missile with the little dog inside, and of course, everyone was expecting the missile to fall at any time and any place. During all this excitement a jet plane broke the sound barrier over Knox City and a local woman called the City Hall and frantically told Wesley that the Sputnik had landed in her back yard and that she kept hearing a dog barking. With this she slammed down the phone receiver and sat back and waited. Sure 'nuff in seconds, the City Secretary was burnin' the road to the ladies house. After driving slowly all around the neighborhood, Wesley headed back towards the City Hall . . . blandly ignoring all the neighbors who were in the yards roaring with laughter.

As Wesley has never related this incident to us, we presume he is still looking for Laika. The latest tidbit on Wesley, though, according to another very reliable source, is that he had the gall to ask the City Commission for a vacation to be taken two hours each week between the hours of 8 and 10 a. m. Wednesday mornings.

We didn't know the city secretary worked. We had thought he was already on vacation.

In any event he said if anyone had a water bill to pay during those hours on Wednesdays, they could bring it to the swimming pool!

After some brilliant sleuthing on the part of the Herald staff, we finally discovered that the local pool is open only to the

ANNOUNCE BIRTH

Mr. and Mrs. Gary "Skip" Cure announce the birth of another son, Christopher Malcolm, Sunday, May 31, in the Knox County Hospital.

"Chris" weighed 8 lbs., 6 oz. He has an older brother, Mell, 22-months old.

Grandparents are Mr. and Mrs. L. C. Guinn, Jr., of Knox City and Mr. and Mrs. Omar Cure of Munday.

ladies at that time ! ! ! ! ! It really does sound like a nice vacation Wesley—but aren't you scared you might strain your one good eye????

Seems as though mother-in-laws are always good targets for son-in-laws to tease, and our mother-in-law is no exception.

In a visit with the mother and father-in-law at the Slaton Hospital last Sunday, we had turned on the T-V and were watching the New York Yankees and the Cleveland Indian tangle. Some how or other we started talking about great ball players and the mother-in-law was trying to identify Joe DiMaggio by Association with Marilyn Monroe. She said, "you know that ball player I mean. He is the one that married Marilyn Monroe." We answered "Of course. You must mean Joe DiMaggio."

"Yes," she said. "That's his name. I have often wondered why he married her anyway. While we were still sitting speechless, our father-in-law, after some deliberation, spoke up and said, "For her money, naturally. (! ! ! !)

Which just goes to show some folks like chocolate and some strawberry, but we'll take vanilla!
