 an outstanding Dallas artist was unveiled and now hangs in the hospital foyer.
 Dr. Charles G. Markward came to Knox City in 1942. He took his medical work at Tulane University in New Orleans and served his internship at Parkland Hospital and the Southwestern Medical Foundation of Dallas. He maintained offices in Rochester for a year or two, then went into the Army Air Force and served in Brooks General Hospital in San Antonio. After his return from ser-

vice he resumed practice in Knox City, remaining until June 1964 when he left to take residence or post graduate work in psychiatry in a Dallas hospital.
 Dr. R. L. Newsom is also a member of the staff of Knox County Hospital. He received his degree from the University of Texas Medical Branch in Galveston in 1934. He makes his home and maintains offices in Munday.
 Dr. Ben Bowden, a former Munday resident, joined the staff in 1951. He received his medical training at Southwestern Medical School in Dallas and interned in a Florida hospital. He went into service in 1953 and after his return, he located in Dallas where he now maintains offices.
 In 1953, a devastating tornado struck Knox City badly damaging the upper floor of the

hospital and destroying the operating room. All the windows were shattered and bricks from the new wing were ripped from the walls with a loss estimated at \$350,000. However, no patients or staff members were injured. Of the 23 patients in the hospital at the time, some were sent home and others were sent to hospitals in surrounding towns.
 By 1962, more space and more modern equipment were needed, so another bond of \$125,000 was voted and approved. This added nine more patient rooms, a cafeteria, nursing station, medical room, office, and numerous other improvements, including a new elevator. This addition was named the Frizzell-Eiland Memorial addition.
 Dr. Robert G. Howell joined the staff in August of 1963. He is a graduate of Baylor University and the University of Texas Southwestern Medical School in Dallas. He interned in Jackson Memorial Hospital in Miami, Florida. Dr. Howell was recently named "Citizen of the Year" for his dedicated service to the community.
 Dr. John E. Storey joined the staff on April 1, 1965, for a brief stay before returning to Abilene where he maintains offices.

Glen E. Rumley is serving as administrator of the hospital, while Mrs. Emma Shaw Watkins is director of nurses. Other very capable nurses on the staff include Mrs. Carnie Hodges Covey, Mrs. Nell Shelton, Mrs. Hazel Campbell, and Mrs. Melba McKaye.

 The Prayer Room was added to the hospital last year in an existing room and serves a great need. The room was made possible through donations from individuals as well as from various churches throughout the county. The Rev. B. J. Foster, Methodist pastor, did much of the labor, but also received help from many others.
 The Knox County Hospital staff said that visitors are welcome at any time and it is hoped that many will take time to visit the hospital during the special National Hospital Week.

who presently include Henry Jean Jones of Knox City, Charles Baker, Richie Smith, and Vernal Zelassel, all of Munday, Dr. R. G. Howell of Knox City, Paul Horne of Gilliland, and Stanton Brown of Benjamin.
 Many changes were made in the hospital last year, changes that were of necessity, changes to modernize to keep up with fast growing progress in health care and health fields. Some of the changes were made in order to stay in compliance with the rules and regulations of the Social Security Administration in regard to Medicare, but we must all agree that the changes that have been made and will continue to be

Fidelis Sunday School Class Meets

The Fidelis Sunday School class of the First Baptist Church, met in the beautiful new home of a class member, Miss Mary Grindstaff. Co-hostesses were members of Group 2 with Mrs. Gladys Reed as group leader and group 3 with Mary Grindstaff as group leader.
 Mrs. Louise Williams was program chairman and the opening prayer was offered by the class teacher, Mrs. C. S. Thompson.
 The thirty members and guests present, enjoyed a delicious supper consisting of salads, party crackers, tea or coffee, and for dessert, Lemon Freeze Snow.
 The special guests present were Mrs. E. H. Nelson and Mrs. Clyde Nelson, both of Munday and Mrs. Roger Butler, Mrs. Loree Clark, and Mrs. C. D. Sikes, all of Knox City. Others present were class members and associate members.
 Class president, Mrs. J. T. May introduced Mrs. Louise Williams' friend, Mrs. E. H. Nelson, who showed slide color films of pictures she took of "The Holy Land and Jerusalem" when she went there on a trip in 1959. Some of the scenes shown were views of the Sepulcher and Tomb, in which it is believed, was the burial place of Jesus. The Walls of Jerusalem, some of which are still standing, and the building known to be Samson's dwelling place during his lifetime. Also, scenes of Mt. Sinai, Mount of Olives, and beautiful scenes of The Sea of Galilee, the Jordan River, the Dead Sea, and the Mediterranean Sea. Following

An Open Letter To All Citizens Of Knox County Regarding The Special Knox County Hospital Special Election

When the Knox County Hospital District was created in 1967, a 75 cent per one hundred dollar evaluation tax rate was authorized in the bill. However, the Hospital Board did not feel that this rate would be necessary and only a 35 cent rate was requested and approved by you the voters. Due to inflation and other factors, the Board must now request authority to increase the rate.

Therefore, on May 18th the Board of Directors of Knox County Hospital District will hold a special election for the authority to increase the Knox County Hospital tax rate from 35 to 75 cents per hundred dollar evaluation. However, the Board has determined that only an additional 15 cents will be levied at this time. This will establish a tax rate of 50 cents per one hundred dollar evaluation at this time. It is not intended to levy the entire 75 cents in the near future.

Some questions and answers regarding the election:

Question: Why does the Hospital have to have this extra money?

Answer: Because of increased cost in supplies, labor and maintenance. Overall costs have risen almost 23 per cent to the Hospital since January, 1970.

Question: Can the Hospital operate with fewer employees in order to reduce expenses?

Answer: Absolutely not. We are operating with the minimum number of personnel required by the Texas State Department of Health and Medicare.

Question: Do you anticipate any major repairs or alterations to the Hospital or equipment?

Answer: Over \$8,000 has been spent so far to comply with Medicare and Texas Health Department requirements. It is anticipated that a sprinkler system for fire protection will be required in the near fu-

ture at an estimated cost of \$20,000.

Question: How do your office procedures and financial management compare with other hospitals?

Answer: Independent auditors advise that we rate right at the top when compared to other hospitals that they serve.

Question: What is the present bonded indebtedness of the Hospital?

Answer: When control of the Hospital was transferred to the Hospital District, the District assumed its portion of the Knox County bonds issued for hospital construction. The following is the current schedule of bonded indebtedness:

Due Date	Total Due
1971	\$ 7,018.58
1972	6,900.34
1973	6,782.09
1974	6,663.85
1975	13,302.36
1976	12,922.30
1977	12,542.23
1978	15,540.54
1979	15,033.78
1980	14,527.03
1981	14,020.27

Question: How are collections for hospital services?

Answer: We are fortunate in that our collections for 1970 were excellent. However, these collections were not sufficient to cover costs of operations.

The members of the Board will be glad to answer any further questions that you may have.

Coaches' Comments

By JIMMY ROGERS
The Knox City Track season ended Friday at Lubbock with the regional track meet. We failed to qualify any individual for the state meet but did have two good performances from our seniors. Rogers Lankford vaulted a career best at 12' 10" for fourth place. Mike Newton threw the shot 48' 3/4 for the best effort and managed to place third.
The Sprint Relay failed to qualify for the finals and our miler failed to qualify.
Next year's track team should be considerably stronger due to the loss of only two seniors. With the return talent plus next year's Freshman class we should be able to compete in every event. There should be depth in each event if all goes as planned. We will miss our two seniors and their contributions to our track team. I would like to thank everyone who helped during our track season. I do appreciate this support.

Betsy Ross Qualifies For State Track Meet

Betsy Ross won second in Regional High Jump with a jump of five feet. This jump advances her to the State Track Meet for Girls which will be in Ahilene on May 14.
Yolanda Bradford competed in the 880 run. The competition was rather stiff in our region. She ran her lifetime best of 2:49.6 and placed seventh in this race, winning time 2:33.0. Since only the first three places qualify for State she was eliminated.

Two Benjamin Students Selected To Play Six Man

Two boys from Benjamin High School have been selected to play in the all-star games this summer at South Plains Junior College at Levelland.
They are Don Roberts and Shane Milson, Don, son of Mr. and Mrs. Kenneth Roberts, has been selected to represent the West Team in the Texas Six Man All-Star football game to be played July 30. He made all-district, both on offense and defense, this past season. Don has lettered four years in football at Benjamin High School.
Shane, son of Mr. and Mrs. S. I. Milson, has been selected to represent the West Team in the Texas Six Man All-Star basketball game being played July 29. He has made all-district the past two years and was honorable-mention, all-area, this past season. Shane has lettered in basketball three years at Benjamin High School.

Mother's Day Calls Should Be Placed Early

General Telephone operators, many of whom are mothers themselves, will spend Mother's Day, May 9, at the switchboard, according to Harlan Jones, division manager for General Telephone Company. Seymour Traffic Supervisor Thelma Bailey said the volume of Mother's Day calls has grown to the point where the number of calls on this occasion takes second place only to Christmas. The majority of operators representing the telephone tradition of service derive great satisfaction from helping hundreds of persons get their Mother's Day calls through. Last year more than 3,000 operator calls were handled.
If there are delays, and based on previous years there will be, they will be caused by equipment being worked to capacity, Jones explained. It is not possible for the telephone industry throughout the nation to handle holiday business without delays because the equipment would be idle the rest of the year.
Jones suggested that calling Mother's Day greetings early Sunday morning or Saturday, the day before, will insure calls going through. If you wait until Sunday afternoon or evening, some delay may be encountered even though we have a full contingency of operators on duty, Jones said.

Streams In Desert Places

BY OZELLE STEPHENS

"... Jesus himself drew near, and went with them". Luke 24:14b

The same day the disciples went to the tomb and found it empty, two of the followers were walking to the village of Emmaus, seven miles out of Jerusalem. As they walked they were talking of Jesus' death. They were discouraged and feared what would happen to them. The tragic climax of Calvary had caused their hearts to be full of sorrow. Everything seemed to be a failure, all hope was gone and they wondered, was it really worth it?

Then suddenly they became aware of a stranger walking with them. He talked with them explaining the scriptures, they did not recognize him but their hearts burned with a strange hope as they listened. At the evening meal his identity was suddenly revealed. Hope and joy filled their hearts again. Dear reader many of us often walk an Emmaus road, sadness fills our heart, you wonder, is

Former Resident To Be Installed

Sydney Joe Hester Jr., 18 year-old son of Mr. and Mrs. Sydney Joe Hester of Brownfield and former residents of Knox City, will be installed as Master Councilor of Wayland Parker Chapter, Order of DeMolay, at 7:30 p.m. Friday, May 7, at the Masonic Temple.

Hester has been a member of the DeMolays for three years and during that time has served as standard bearer, treasurer, scribe, senior deacon, junior councilor, and senior councilor. He received the Scribe Efficiency Award and the 50th Anniversary Award. He has also served as Representative DeMolay.

A senior at Brownfield High School, Hester is a member of the Future Farmers of America and the Vocational Agriculture group.

He has received the Green Hand award and the Chapter Farmer award. He is a member of the cotton team and the radio team and as a member of the Vocational Agriculture group, he was presented with the Ag Co-op Award as a veteran.
