HS Choir Program Tuesday At 7:30

Knox City High School will present its annual choir program Tuesday evening, December 22, at 7:30 p.m. in the school auditorium. Melvin A. Lowrey is the accompanist.

The program includes "Christmas Thing", "Sing Zebras Now", "House Top", "Sing Christmas", "Go to the Mountain", and "Those Christmas Songs". Soloists are Jody McKinney, Debbie Owen Angle, "The Inn Room at the Inn", "The Hallelujah Chorus", "We Wish You a Merry Christmas". Soloists are Jody McKinney, Debbie Owen Angle.

Barnie Grissom Buried Tuesday

Funeral services were held for Barnie Grissom, 62, Tuesday, at 2:00 p.m. in the First United Methodist Church with Rev. B. J. Foster, pastor, officiating. Burial was in the Knox City Cemetery under the directions of Smith Funeral Home. Masonic graveside rites were conducted by the Orient Masonic Lodge No. 905.

Mr. Grissom died Monday at 6:10 a.m. in the Knox County Hospital. Born January 7, 1908, in Erath County, he married Susan Rader on July 14, 1925, in Stephenville. They moved to Knox City October 1, 1928.

He was a carpenter and had worked in Knox City since 1928. He was a member of the Orient Masonic Lodge No. 905. Survivors include his wife, Susan of Knox City; two brothers, Roy of Cedar Creek, and John of Stephenville; and one sister, Mrs. Rufe Hillard of Dallas.

Funeral services were held Sunday, December 13, at 2:00 p.m. in the First Baptist Church for "Uncle" Joe Smith, pioneer resident who moved to Sundown twelve years ago. The Rev. Roger Butler, pastor, officiated. Burial was in the Knox City Cemetery with Smith Funeral Home in charge of arrangements.

Services Held Sunday For "Uncle" Joe Smith

"Uncle Joe", as he was familiarly known to area residents, died Friday night at 7:25 p.m. in a Lubbock hospital after a one-day illness. Born July 23, 1874, in Muscle Shoals, Alabama, he moved to Rule in 1891 and to Knox County in 1916. He married Lena Caudle in December 23, 1894, in Pinkerton, Texas. Mrs. Smith died January 18, 1959.

Uncle Joe was a longtime member of the Baptist Church and he had served on the Board of Deacons for many years. He served on the building committee for the older portion of the First Baptist Church in 1924, and taught a Sunday School class for more than fifty years. Survivors include one son, Edmond Smith, of Sundown; one daughter, Mrs. Byron Lee, of Sundown; one granddaughter, and three great-grandchildren. Nephews served as casket-bearers.

AND THIS IS WHAT Christmas is all about - Doing something for others - Roy Stewart, local operator, is shown, extreme right, with eleven residents who received Christmas hairdos at the Brazos Valley Care Home Monday. Reading from left, back row, Mrs. Velma Tillinghast, Miss Eda Faye Pounds, Mrs. John Griffith, Vicie Pearl Emerson, Mrs. Edna Odum, and Mrs. Lela Milford. Front row, from left, Mrs. T. S. Edwards, Miss Emma Locker, Mrs. Ethel McMahan, Mrs. Nellie Edge, and Mrs. Virginia Smart.

Local Businessman Takes Christmas To Care Home

Monday, and we thought it quite fitting that some mention of it be made.) Roy Stewart, who owns and operates The Hairdresser with

his wife, Kay, took Monday, his usual day off from the shop, and went to the Brazos Valley Care Home. Roy took his equipment, including a dryer, and shampoo, set, and combed out eleven heads of hair. The women, residents of the home, received the beauty treatment as a Christmas gift from Roy, and as one woman said, "We're all so pretty now, we need to be going to a party somewhere!" All of the hairdos were especially pretty and certainly appreciated by each of the women. Mrs. Doyle Graham, wife of the administrator, said,

Early Deadline

As next week's Herald will be mailed out early due to the Christmas holidays, it will be necessary for all copy to reach the office no later than Monday afternoon. It would help if everyone could turn in their news and ads by Friday at 4:00 p.m.; however, some copy will be accepted Monday morning. We will appreciate your splendid cooperation, as always!

Christmas Cantata Slated Sunday At 7

The combined choirs of the community will present a Christmas cantata Sunday evening at 7:00 o'clock in the sanctuary of the First Baptist Church. Wes Hays will be directing, and accompanists are his wife, Becky, at the piano and Mrs. Jimmy Rogers at the organ. Practice began several weeks ago for the forty-plus voices and many hours have been spent in preparation. The cantata, "Carol of Christmas" by John W. Peterson is based almost entirely on the carols we all know and love and will include such favorites as "O Come, All Ye Faithful", "Joy to the World", "O Little Town of Bethlehem", "Away in a Manger", "Silent Night", "While Shepherds Watched Their Flocks by Night", "Angels We Have Heard on High", "We Three Kings of Orient Are", and "O Holy Night". In addition to the choral anthems, a duet will be sung by John McLaughery and Gwen Angle. Mrs. Kenneth Lankford and Jody McKinney will be featured soloists, and a men's trio will be presented by John McLaughery, Rogers Lankford, and Dick Willison. The Rev. B. J. Foster will

Landfill Plans Become Reality

A search which began several years ago for more "dumping" facilities for the City of Knox City and a suggested plan for a sanitary landfill presented by two men from the local Soil Conservation Office have apparently become a reality with an arrangement made last week with J. C. Eaton. For years, city officials were aware of the critical need to obtain more land for refuse disposal, but either the price of the available land was too high for the city's budget or the local

See, "LANDFILL," Page 3

Classes Dismiss At 2:50 Tuesday

Classes in the Knox City Schools will dismiss at 2:50 p.m. Tuesday, December 22, for the Christmas holidays, according to Principal John McLaughery. The holidays extend through the New Year's weekend and classes will resume on Monday, January 4, at the regular time.

During the last hour of school Tuesday, the Knox City Bands and High School Choir will present a Christmas program in the elementary gym, and according to Supt. W. R. Baker, everyone is invited to attend the assembly.

Also scheduled to take place after school dismissals will be the High School Choir's program slated for 7:30 o'clock Tuesday evening, December 22, basketball games on Monday night, December 28 with both junior high boys and girls' games to be followed by the high school boys and Throckmorton, and on Tuesday night, December 29, three high school games, "B" and "A" boys and "A" girls vs Crowell here.

Stores To Close Fri., December 25

Knox City merchants will close the doors to their businesses and observe Christmas and New Year's Day holidays on Friday, December 25, and Friday, January 1.

According to Chamber of Commerce manager Mrs. Doris Crowover, all of the local stores have chosen to observe only one day for Christmas this year as it is followed by Saturday.

Rites Held Monday For W. G. "Bill" Johnston

Funeral services were conducted Monday, December 14, at 2:30 p.m. from the O'Brien Baptist Church for W. G. "Bill" Johnston, 76. The Rev. Mart Hardin, pastor of the First Baptist Church in Frederick Oklahoma, officiated, assisted by the Rev. Roger Butler, First Baptist pastor of Knox City, and the Rev. B. J. Foster, pastor of the First United Methodist Church of Knox City. Burial was in the O'Brien Cemetery with Smith Funeral Home in charge of arrangements.

ATTEND FUNERAL

Mr. and Mrs. J. B. Joiner and Mrs. Alice Dutton, all of Lubbock, and Mrs. Margaret Bowden of Wichita Falls were here Sunday to attend funeral services for "Uncle Joe" Smith.

While here, they also visited in the home of Mrs. Buck Propps.

1970 GOLD STAR AWARD Winner is Randy Jones, left, son of Mr. and Mrs. Harold Jones of Goree. Presenting the award is Wendell Partridge of Munday.

Knox Co. 4-H'ers Honored Tuesday

Knox City - The outstanding Knox County 4-H club members for 1970 were honored Tuesday night, December 8, at the annual achievement awards banquet sponsored by various businessmen in the county and held in the Munday High School cafeteria. Members, their parents, and guests were present.

Master and mistress of ceremonies were Randy Jones and Susan Kuehler. Lisa Boone gave the invocation. The awards were presented to the 4-H'ers by Miss Elaine Bowman and Herman Collier, extension agents. Following the presentation of awards, Mr. Collier recognized two outstanding adult leaders for their work in the 4-H program. The speaker for the evening was Rev. B. J. Foster, pastor

of First United Methodist Church of Knox City. Following Rev. Foster, Wendell Partridge presented the 1970 Gold Star Boy. This year's winner of the title was Randy Jones, son of Mr. and Mrs. Harold Jones of Goree. Randy has carried beef calf projects five years, exhibiting in the Knox County Junior Livestock Show, Haskell County Fair, Abilene Fat Stock Show, and Wichita Falls Junior Beef Show. He has participated in District III 4-H Dairy Judging two years and Livestock Judging two years. Randy is presently the Knox County boy representative on the District III 4-H Council and has served as vice-president and president of the Goree Boys 4-H Club. He is a freshman in the Goree High School and was a member of the regional champion eight-man football team. He works with his father on the farm in the production of beef, cotton, grain sorghum, and small grain. Other award winners were: Achievement - Tracy Cartwright, Diann Williams; Agricultural - Randy Jones, Glenn Herring; Beef - Mark Haskin; Citizenship - Temi Baker.

See, "4-H'ERS," Page 3

Wildcat Staked NW Of Rochester

A Haskell County wildcat was recently staked three miles northwest of Rochester as Lloyd Patton of Fort Worth No. 1 W. P. Russell.

Having a proposed depth of 5,100 feet, it spots 2,193 feet from the north and 467 feet from the west lines of Section 10, Block 14, T&P Survey. The lease is composed of 130 acres.

VEBIT PARENTS

Mr. and Mrs. Lyndol Cypert, Lance and Tim of Wichita Falls, were recently visiting here with his parents, Mr. and Mrs. J. T. Cypert.

Army Sgt. Speaks To Students And Lions

SFC John W. Warner Jr., a member of the Department of the Army Speakers Program, addressed members of the Knox City High School and Knox City Lions Club Wednesday, December 9.

The recent returnee from Vietnam showed slides he made while an advisor to a Vietnamese pacification team in 1967. He discussed conditions during this tour of duty and then contrasted current conditions with another group of slides taken in the early part of this year while he was a member of a combat unit in Vietnam.

Sergeant Warner answered as many questions as time allowed for both groups. In reply to questions regarding the current trial of Lt. Calley and others he pointed out that while he had strong personal feelings he could not comment on the trials while representing the Dept. of the Army.

SGT. JOHN WARNER

The personable 14-year veteran's presentation was enthusiastically received by Lions and High School alike.

A person has to work himself to death to earn the money to buy labor-saving devices these days.

HS Basketball Tournament Scheduled For Dec. 17-18-19

Knox City High School basketball teams will host an invitational basketball tournament here this week-end. Thursday afternoon, 7:00 o'clock and continuing Saturday night. Entering this year in the tournament are Northside, Munday, Benjamin, Haskell, and Rochester. The tournament follows Thursday 7:00 p.m., Haskell boys vs. Munday; Friday 7:00 p.m., Munday boys vs. Munday; Saturday 9:00, Los-

Prizes In Saturday Drawing Are Announced

The crowd was on hand for the second Christmas drawing. Prizes announced at 3 p.m. Eddie's ticket No. Y902130 won \$50. The winners of Benjamin are Eddie's ticket No. Y902130 and the winner of the grand prize ticket for Petroleum Oil and Business is Eddie's ticket No. 022190 from Eddie's. The winner of the \$25 prize was Eddie's ticket No. 022190 from Eddie's. The winner of the \$10 prize was Eddie's ticket No. 022190 from Eddie's.

express their appreciation to shoppers for their patronage throughout the year as well as during the holiday season. The next and final drawing will be held Saturday afternoon, December 19 at 3 o'clock at the same location. Four winners will again be awarded cash prizes for their lucky tickets. Be sure to take care of your Christmas shopping and lay-away items before Saturday. For the more you buy, the greater number of tickets you get and the better your chances of winning.

Knox City Resident Is First To Qualify For New Benefits

Mrs. Myrtle Ary of Knox City recently became the first person in this area to receive benefits under the provisions of the Federal Coal Mine Health and Safety Act of 1969, announced Wayne Klipping, manager of the Vernon Social Security office. This law provides for payments to coal miners who were employed in underground coal mining operations who are disabled by black lung disease (pneumoconiosis). The law also provides for payments to the widow of a coal miner who died due to the black lung disease. "Mrs. Ary's husband, Jess Ary, had been a coal miner for over forty years", stated Klipping. Based on medical evi-

dence that Mrs. Ary submitted, it was determined her husband died as a result of black lung disease. Because of this, Mrs. Ary is entitled to miner's widow's benefits. Her benefits began as of the month she applied, for although her husband died in 1954, no payments can be made for any month before the application is made. Normally, all information about social security benefits and benefits payable under the Federal Coal Mine Health and Safety Act is confidential. However, Mrs. Ary agreed to let us tell her story in hope that others who might qualify for these benefits will apply for them. People who have not worked

Five O'Brien Bulldogs Make All-District Team

The 1970 O'Brien Bulldogs placed five players on the 4-B All-District team, according to a release by coaches last week. The district champions, led by senior fullback Alan Holmes, took five positions on the starting offensive and defensive units of the 4-B All-District six-man football team. He will serve as alternate on the six-man coaching school all-star game. The 160 pound player is the son of Mr. and Mrs. Grady Holmes. Ben Walling was named to first team as an end on offense

Local Woman's Father Dies

Funeral services were conducted Wednesday, December 9, at 2 p.m. from the Munday Church of Christ for Frank Garrett Adams, Cecil Cox, minister, officiated, assisted by the Rev. H. B. Graves Jr. Burial was in Johnson Memorial Cemetery.

Mr. Adams died at 8:30 a.m. Monday, December 7, in a Wichita Falls hospital after a week's illness.

Born November 3, 1884, in Stephens County, he moved to Munday in 1934. He married Georgia Mae Lowe in 1907 in Haskell. Mrs. Adams died July, 1970.

The retired farmer was a member of the Munday Church of Christ.

Survivors include two sons, Delbert and Elton, both of Wichita Falls; three daughters, Mrs. Jim Booe of Knox City, Mrs. Melvin Gray and Mrs. C. T. Gray Sr., both of Pecos; two sisters, Alma Adams and Mrs. Oma Hilderbrandt, both of Laton, Calif.; nine grandchildren; and 14 great-grandchildren.

Pallbearers were Joe Lane, Edd Johnson, Glynn Weaver, M. M. Booe, Nathan Hosea, and Oran Howard.

James Smith Is Named VP Of WTVRAC

Lubbock - James Smith of Route 2, Munday, has been named vice president of the West Texas Vegetable Research Advisory Committee to aid Texas Tech University agricultural scientists in working toward solutions of problems facing that segment of agriculture. Other residents of the Munday area who are members of the committee are Lonnie Offutt, Clifton Patterson, Garon B. Tidwell, Hugh Beatty, Joe Roberts of Munday, Buddy Angle of Knox City, and Boyd Meers of Goree.

Nineteen persons representing vegetable growers, packers, shippers, canners and other processors, suppliers and agribusinesses and services attended the organizational meeting. The advisory committee will aid Tech agricultural scientists in "identifying, defining, evaluating and assigning priority to the many problems facing the vegetable industry" in the West Texas producing region.

Tech Vice President for Research Orlo E. Childs expressed appreciation for the aids such groups provide in designing and evaluating the institution's research programs which he emphasized are "problem oriented."

Charles Schlabe of route 2, Hereford, was elected president, Dr. John D. Downes of Texas Tech's College of Agricultural Sciences, secretary and Charlie Flynn of Bovina, treasurer. Others who attended the meeting included Donald W. Clark of Amarillo; Ray Frye and Bill Reinauer of Hereford, John Klemm and Preston Walker of Plainview; L. L. Ray and Irvin Lee of Hale Center; Bill Turner of Plainview, Ed McLeroy of Dimmitt and Tech Agricultural Sciences representatives.

Mr. Lieb said that Knox Coun-

LANDFILL

(Continued From Page 1)

cation was not suitable. Last August, Wes Robbins, soil conservationist, and Mike Risinger, soil scientist, both with the local SCS office, met with the City Council to discuss the feasibility of a sanitary landfill and presented slides. City officials were told that acquisition of land should be either north or west of the Brazos River because of the water table and drainage. The search for a location continued until a few weeks ago when dozer operator J. C. Eaton, who has a place nine miles west of Knox City, agreed to maintain a pit on his place. The site, a former gravel pit from which all gravel had been removed, is ideal, city officials said, because it eliminates the need for digging a pit. At the same time it will be very beneficial for Eaton as the pit, once filled, will be seeded back to grass, not only removing an eyesore but the converted top soil will grow grass for his cows. The pit is now useless to Mr. Eaton.

Mrs. Faye Hallsback, city secretary, explained that the city truck will dump several times a week and Mr. Eaton will cover the refuse with dirt. She was emphatic in saying that the site will be used exclusively for city dumping and will not be available to individuals. The dumping grounds obtained about two years ago northwest of town will continue to be maintained by Mr. Eaton for residents to have a place to dispose of shrubs or "junk." She said garbage would be prohibited at this site and it would be restricted to the use of city residents only.

TOURNEY

Continued From Page 1

Friday. The boys' game at 8:30 p.m. will be a contest between the winners of the Knox City-Northside and Munday and O'Brien games.

Saturday competition will include two games before noon and one boys' game at 1:30 p.m. Saturday. Saturday morning at 9:00 losers of the Benjamin-Haskell girls' game will meet losers of the Aspermont-Rochester game.

Competition for girls' consolation will begin at 4:30 p.m. Saturday followed by boys' consolation play-off at 6:00 p.m. Championship games will begin at 7:30 and 9:00 Saturday night.

Trophies will be awarded for first place, second place, and consolation.

LVN School To Be Offered Again

Knox City - The Greenbelt School of Practical Nursing has advised officials of Knox County Hospital that the school, located in Crowell, will offer another course in Practical Nursing in 1971. The school will start about February 15th.

Upon completion of the prescribed courses of the school, graduating students will be eligible to take the state examination for Licensed Vocational Nurse.

Applications for the school may be filled out at Knox County Hospital. There are qualifications that should be met for these courses and they will be explained upon request for an application, a hospital spokesman said.

Water Tester

A new measuring device to tell companies the condition of discharged water from plants has been announced.

The instrument monitors water characteristics like Ph factor and temperature rather than specific pollutants. It was developed by Enviro Corporation of Washington, D.C. The device can be tailor-made to measure specific areas.

Letter To The Editor

I am completing a 1,500 page, "A History of the Fee Family," which includes all variations of the spelling.

McAfees have lived in our county. I am interested in hearing from anyone related to, descended from or who knows about anyone from Fee through McAfee to Phee.

Many are already cooperating in this project.

Sincerely, Ralph E. Pearson, 2218 Alta Vista Ave., Austin, Texas 78704

Christmas Fele Enjoyed By Knox Co. H-D Council

Knox City - The Knox County Home Demonstration Council held its regular meeting Friday, December 4, in the courthouse assembly room. All four clubs in the county were represented with a total of thirty-seven present including six officers, fourteen members, fifteen visitors, the County HD Agent, and Mrs. Helen Banks, Home Service Advisor for Lone Star Gas Co. in Wichita Falls.

Mrs. Banks gave a very interesting program on packaged food ideas for Christmas gifts. She gave the background for using candles during the Christmas season and showed holders that were made from ordinary clay flower pots and saucers glued together, sprayed with clear plastic spray, then painted green and antiqued. Another coat of clear plastic spray protects the finish, she said. Another clever idea passed on was using plastic vinyl for a tablecloth. It requires no seams or turned under edges, just sew a fringe of other decoration around the bottom edge. After it serves its purpose a gouncho or other garment may be made from it. Some of the packaged food ideas Mrs. Banks demonstrated to the group were to fill a popcorn popper with Popcorn Crunch and give to an outdoor cooking enthusiast, cover an empty cocoa can with red and white tape in candy cane stripes and fill with Christmas Cocoa or have single servings of the cocoa in little plastic bags tied to a green mac tree for each guest and family member on Christmas morning. A giant cup and saucer, filled with Mac-Snax, makes a great gift for a member of the coffee crowd or a footed cake plate from a flower pot and saucer glued together and painted as desired is great to hold a fruitcake that has been

wrapped in plastic. These are only a few of the ideas Mrs. Banks showed. More information may be obtained by writing either Mrs. Helen Banks or Miss Elaine Bowman.

After the covered dish luncheon, there was a short business meeting at which time it was decided that the January council meeting would be postponed until January 8.

The Munday HD Club led the group in several games, Gilliland club led the group in three songs. Truscott gave the devotional and then the gifts were passed from under the tree which was furnished by the Benjamin club. After each person showed her present and found who had given it, the meeting was adjourned.

Industry Opens Recreation Areas

Forest industries have opened approximately 62 million acres of timber lands to hunters this year, according to the National Rifle Association.

More than 95 percent of the 200 forest industry companies surveyed open their lands for hunting, fishing, skiing, camping and other outdoor activities.

More than 43 million acres are completely open, while two million acres require nominal fees and seven million acres require permits. Hunters also may use the 86,000 miles of company roads.

A survey last year showed that forest industry companies spend more than \$7 million a year to keep their lands open for public recreation and an additional \$436,000 to repair and replace facilities and damaged equipment.

KC Schools Announce New Free And Reduced Price Lunch Policy

In order to meet President Nixon's and Congress' commitment to put an end to hunger in America and to comply with Public Law 91-248, the Knox City Independent School District serves a well-balanced nutritious lunch each school day. The charge to students who can pay is thirty cents. How-

ever, since some families find it difficult to pay this full price, the school will provide these lunches free of charge or at a reduced price to those children determined by Principal John McGaughy to be unable to pay the full price for their lunches. Families who feel that their children may be eligible for

free or reduced price lunches are urged to apply. Copies of the application form are being sent home in a letter to parents. Additional copies may be obtained at the principal's office. The completed application, signed by an adult member of the family should be sent to School Principal John Mc-

Gaughy. Such applications will be reviewed promptly and within seven days the family will be notified in writing as to the decision made. All information provided on the application will be held in strictest confidence. Decisions for approval will be based on the following Income Scales:

(a) A. Free Lunches

Family Size	Income	Number of children in schools or service institutions							
		1	2	3	4	5	6	7	8
1	Below - \$1,200								
2	" - 1,800								
3	" - 2,400								
4	" - 3,000								
5	" - 3,500								
6	" - 4,100								
7	" - 4,600								
8	" - 5,100								

(b) B. Reduced Price Lunches

Family Size	Income	Number of children in schools or service institutions							
		1	2	3	4	5	6	7	8
1	\$1,200 - 1,920	20¢							
2	\$1,800 - 2,520	20¢							
3	\$2,400 - 3,120	20¢	10¢						
4	\$3,000 - 3,720	20¢	10¢	F					
5	\$3,500 - 4,270	20¢	10¢	F	F				
6	\$4,100 - 4,820	20¢	20¢	10¢	F	F			
7	\$4,600 - 5,320	20¢	20¢	10¢	F	F	F		
8	\$5,100 - 5,820	20¢	20¢	20¢	10¢	F	F	F	

Note: Add \$450 to the above amounts for each additional family member.

Any unusual circumstances or hardships which affect the family's ability to pay for school lunches, such as prolonged illness in the family,

unexpected expenses due to fire, flood, or any other disaster of this nature, seasonal unemployment and similar emergency situations, will also be considered.

If a family is not satisfied with the decision made on its

application, it may request a hearing to appeal the decision. This request may be made orally or in writing to Superintendent W. H. Baker who will review the application with the family and see if different arrangements can be made.

The school district's formal free and reduced price policy statement and the procedure that will be followed when a decision is appealed are on file in the administrative offices and may be reviewed by any interested person.

Meekness may be nothing more than uncommon patience in planning a revenge that is worthwhile.

A trial is a formal inquiry designed to prove and put upon record the blameless character of judges, lawyers, and jurors.

Knox City Added To Freight Service

Knox City is among the new communities now being served by Merchants Fast Motor Lines as last week daily overnight freight service began to more than 20 points north of Abilene, President Roy Brandenberger announced.

The new service was the result of a grant of authority by the Texas Railroad Commission after hearings held in Austin and Dallas September 1, 2 and 3.

Other communities include Archer City, Benjamin, Crowell, Elbert, Guthrie, Jean, Jermyn, Lockett, Loving, Matador, Megargel, O'Brien, Olney, Paducah, Red Springs, Rochester, Rule, Thalia, Throckmorton, Vera and West-

over. Brandenberger said these towns are afforded overnight service not only from Abilene but also from Wichita Falls, Lubbock, and Amarillo.

Merchants already was giving daily service to Munday, Anson, Stamford, Haskell, Wainert, Seymour, Goree, and other points near Wichita Falls.

Abilene is the headquarters for Merchants, which operates a vast network of routes connecting Port Arthur, Beaumont, Houston, and other coastal points with Fort Worth, Dallas, San Antonio, El Paso, Abilene, Wichita Falls, Lubbock, Amarillo, Perryton and intermediate points.

Cotton Classing Report

The USDA Cotton Classing Office will stop receiving cotton on Thursday, December 17, 1970, and will close on December 18, according to John E. Williams, in-charge.

Sample receipts dropped off to almost nothing by Thursday, but the office continues to be about 4 days behind in classing. During the week ending December 11, 1970, there were 10,162 samples classed bringing our season total to 66,051.

The predominant grade was 32 with 34 per cent, followed by grade 42 with 26 per cent and 41 with 24 per cent. Staple lengths were as follows: 29's - 25 per cent, 30's - 44 per cent, 31's - 12 per cent, 32's - 8 per cent, and 33's and longer - 10 per cent.

Micronaire readings remained about the same with 68 per cent of the cotton making in the premium range, 26 per cent making 5.0-5.2, and 4 per cent making 5.3 or higher.

Prices for cotton remained about the same with a slight increase in lower qualities. Predominant grades were bringing 150 to 375 points above CCC loan prices. Some average prices for premium mike cotton were: 32 30 - 19.65 cents; 42 29 - 19.00 cents; 42 30 - 19.50 cents; and 41 30 - 19.85 cents.

ABILENE OFFICE Daily sample receipts continue to decline at the USDA Cotton Classing Office Abilene, Texas. Officer-in-charge, B. B. Manly Jr., reports that 41,000 samples were classed for the week ending December 11, 1970

compared to 13,000 for the same period last season. The season's total is now 283,000 samples classed compared to 127,000 for a season's total a year ago.

Twenty-one per cent of the samples classed was in the white category, 74 per cent was light spotted and 4 per cent was spotted. The predominant grades were 32, 52 per cent and 42, 21 per cent.

Predominant staple lengths were 30, 54 per cent, and 31, 20 per cent. Micronaire readings showed 78 per cent in the premium range.

Presley or strength readings show 81 per cent reading 80,000 PSI (pounds per square inch) and better.

The Consumer and Marketing Service, Abilene, reports average gross prices for some predominant qualities were: 3229 brought 18.95¢, 3230 brought 19.55¢, 4229 brought 18.45¢, 4230 brought 19.00¢.

A Sound Investment The Census Bureau reports that the average income in 1968 of men 25 years or older with a college education was \$4,500 more than the average income of men with no more than a high school diploma. The mean income received by American men 25 and older increased from \$5,600 in 1968 to \$7,900 in 1968. For men with more than a high school diploma, the mean income was \$8,400. For those with four or more years of college it was \$12,900.

Country Club Happenings

The Ladies' salad luncheon was held December 2 at the Knox City Country Club.

Hostesses Mrs. Neil Perdue and Mrs. Otis Harbert decorated the tables in white cloths, white milkglass candle holders and red candles with mistletoe surrounding the candles. A big Santa, a large red candle with driftwood, and pine cones, made up the attractive centerpiece.

President Mrs. Frank McAuley Jr. called the meeting to order. Secretary-treasurer, Mrs. Bobby Joe Helton read the minutes and the financial report. The women voted to buy new lamps for the lounge.

Mrs. Harbert, chairman of the nominating committee, appointed Mrs. June Tankersley and Opal Egenbacher to the committee.

The new officers that will

take office in 1971 include president, Mrs. Neil Perdue; president, Mrs. Otis Harbert; secretary-treasurer, Mrs. Bobby Joe Helton; secretary, Mrs. Frank McAuley Jr.; treasurer, Mrs. June Tankersley; and social chairman, Mrs. Opal Egenbacher.

The Christmas luncheon was held December 13 at the Knox City Country Club, and music provided by the Knox City Country Club Band.

December 21 will be the Christmas Eve dance, sponsored by the Knox City Country Club from Rochester.

The next Ladies' luncheon will be held on December 28.

Everything is in place as it is happening else.

No matter what there's always something else.

Truscott News

By Ruth Brown

Mr. and Mrs. Connie Myers and Bill attended the District III 4-H Gold Star Awards program and luncheon at the Willbarger Auditorium in Vernon Saturday. Bill was honored as the Foard County Gold Star Boy.

The Y Truscott Community Christmas Party will be held at the Community House December 18 Friday night at 6 p.m. Following the basket supper will be a program of songs, gift exchange and games.

The Gilliland Community Christmas Party was held Friday night, December 11.

The Methodist Church annual Christmas program will be held at 5 p.m. Sunday night, December 20. Following a program presented by children and youth of the community gifts will be exchanged and refreshments served. Everyone is invited.

Mrs. Ed Nolan of Benjamin and Jane Trimble visited Mrs. Irene Gerrold Sunday afternoon.

Mrs. Curtis Casey presented her pupils in a recital Sunday. Curtis Casey visited Mr. and Mrs. J. R. Eubank in Paducah Tuesday.

Mr. and Mrs. Shirley Moore of Plainview visited Mr. and Mrs. Monroe Cash over the weekend.

Mr. and Mrs. W. O. Corder visited Mr. and Mrs. Newt Bryant at Abilene over the weekend.

Mr. and Mrs. Walter Carl Taylor and Mr. and Mrs. Bo Holder of Farmers Valley visited Mr. and Mrs. Guyon Hickman Sunday.

Curtis Casey has a 15 year old Hereford cow with twin heifer calves.

Ricky and Mark Patterson of Wichita Falls are visiting their grandparents, Mr. and Mrs. John Jamison.

Mr. and Mrs. Roy Daniel visited Mr. and Mrs. Buddy Tolson and children at Benjamin Sunday.

Mrs. E. J. Jones and Mrs. J. R. Brown met Mrs. Jones' granddaughter in Wichita Falls Friday. Nancy Williams is a freshman at David Lipscomb College in Nashville, Tenn. Sunday her parents, Mr. and Mrs. Q. D. Williams of Floydada, and brother, Monty, came after her.

Harold Shaw and son, Jerry of Alvorda, visited the Elmo Shaws and Mrs. Bertha Shaw over the weekend.

Mr. and Mrs. Sid Alexander visited in Abilene over the weekend.

Mr. and Mrs. Curtis Casey visited Mr. and Mrs. Rufus Benson and Carl in Benjamin Sunday afternoon.

Mrs. Harold Barry spent a few days visiting relatives in Seguin last week.

Mrs. Lillian Iseng of Arlington and Mrs. Gilma Iseng of Gilliland visited Mrs. John Bullion Monday.

Mr. and Mrs. Roy Daniel and Mrs. Buddy Tolson and children, of Benjamin, visited the Edward Daniels and children, Mark, Richard and Karen last Monday and Tuesday.

The Rev. and Mrs. Bob Peake of Abilene, he is Truscott Methodist minister, and the Truscott Baptist minister, the Rev. and Mrs. Joe Mitchell of Knox City, had dinner with the Curtis Caseys Sunday.

Jackie Daniel entered the hospital Sunday.

Ruth Brown left for Washington, D. C. Sunday to attend the White House Conference on Children. In Dallas she nearly got on the plane for Denver by

following a helpful lady's advice, but she asked someone else for help in time to make the right connection. She was met at her destination by Kennan Brown, former Truscott resident and son of the late John Brown.

Six young people of Truscott were recognized at the Knox County 4-H Banquet last Tuesday night. Rhonda Westbrook received a food preservation award; Gail Bullion, food; Tracy Shaw, food; Michael Daniel, conservation of natural resources; Billy Brown, wild life conservation; and Jacquelyn Brown, leadership.

Others attending the banquet from Truscott were Mr. and Mrs. Tommy Westbrook, Mrs. Elmo Shaw, Mrs. Paul Bullion, Mr. and Mrs. Don Daniel and Mr. and Mrs. Jack W. Brown.

Hightower Named Official Delegate

Austin - State Sen. Jack Hightower of Vernon has been named by Governor Preston Smith as an official delegate from Texas to the White House Conference on Children December 13-18 in Washington.

Senator Hightower received his official invitation to the conference from President Richard Nixon. The Texas delegation will include 19 young people (under age 25) and 39 adults from across the state.

Senator Hightower, a practicing attorney in Vernon, has long been active in civic, church, and youth work in addition to his many years in public office.

He was first elected to the Texas Legislature for the 1953-54 term. He served as district attorney for the 46th district in 1955 through 1961, and has been a member of the Texas Senate since 1965.

American Churches Respond To Pakistan Diaster

The Christian churches of the United States and other nations have finally succeeded in breaking through the log jam of relief efforts in East Pakistan. For weeks the World Council of Churches, Church World Service, and Catholic Relief Services have been trying to find some meaningful way to offer relief to the victims of the recent Pakistan cyclones without contributing instead to the log jam of relief efforts.

Finally, some channels have been opened. The World Council of Churches has asked Church World Service to coordinate the ecumenical relief effort of Protestant and Orthodox churches throughout the world. Church World Service is the cooperative overseas relief arm of thirty Protestant and Orthodox religious bodies in the United States.

To date, American churches have directed through Church World Service and CROP, the community canvass appeal of Church World Service, over \$76,000 worth of clothing, blankets, typhoid vaccine, water purification tablets and water purification concentrate.

Contributions to help increase this ecumenical effort of American churches can be mailed to: CROP-CWS, Box 220, Elkhart, Indiana 46514.

It's almost impossible to convince a new-car salesman that inflation has also increased the value of the car you're trading in.

Report Your Locals

Miss Dana Jean Darr Bride Of Spec. Jerry Lynn Franklin

Miss Dana Jean Darr and Spec. 4th Class Jerry Lynn Franklin were united in marriage during a ceremony at 7 o'clock in the evening, Monday, December 7 in the First United Methodist Church at Shallowater. The double ring rites were performed by the Rev. Max Browning, pastor, before an archway flanked by 12-branched spiral candelabra.

The bride is the granddaughter of Mrs. A. M. Armstrong of Lubbock, and the bridegroom is the son of Mr. and Mrs. Tom Franklin of Tishomingo, Oklahoma.

Given in marriage by Gerald Clifton of Shallowater, the bride wore a white satin and lace gown. Her shoulder length veil fell from a headdress of rhinestones and seed pearls. Her bouquet was of white carnations and white satin streamers tied in lovers knots.

Mrs. Robert Harris of Lubbock was matron of honor, Miss Karen McKennon of Shallowater was maid of honor, and bridesmaid was Miss Voda Beth Voss of Post. They wore identical gowns of royal blue satin fashioned in the Empire line. They carried nosegays of yellow carnations tied with yellow and white satin ribbons.

Paul Franklin of Tishomingo served his brother as best man. Groomsmen were Robert Harris of Lubbock and Garry May of Dimmitt. Guests were seated by Mike Wheeler of Fort Worth and Jimmy Melton of Ralls, cousin of the bride.

Organist was Mrs. Essie M. Middlebrook of Shallowater and

vocalists, Misses Bobbie and Donna Patterson of Seymour, sang "Twelfth of Never" and "Wedding Prayer". The new Mrs. Franklin, a former Knox City resident, graduated from Jal, New Mexico High School in 1968. She attended South Plains College at Levelland two years.

The bridegroom graduated from Idalou High School in 1967. He also attended South Plains College and is presently serving with the U. S. Armed Forces. He recently returned from Vietnam after a year of duty there. The couple will be stationed at Ft. Benning, Ga. after December 30.

A reception immediately followed the ceremony in the recreation room of the church. The bride's chosen colors of blue and yellow were used in decorations. Guests were registered by Cheryl Blair of Walforth, Cecelia Davis of Shallowater served the double-tiered cake, and Jennifer Branch of Lubbock poured punch.

Guests registered from Lubbock, Fort Worth, Dallas, Ralls, Levelland, Dimmitt, Slaton, Post, Idalou, Knox City, Littlefield, and Houston.

For a wedding trip to Tucson, Arizona, the bride wore a costume suit of scarlet woolen knit. Her accessories were brown, and she wore a white carnation corsage from her bridal bouquet.

The best gift you can give a man who has everything is a burglar alarm.

Knox City Study Club Has Annual Christmas Dinner Party

Thursday night, December 10 at The Woman's Club, approximately thirty-five members, husbands, and guests enjoyed a lovely Christmas dinner.

The evening began with the singing of carols by all, led by Mrs. Wesley Hays and accompanied by Mrs. Mabel Pyeatt. Mrs. Hays favored the group with a solo, "What Child is This". The invocation was given by Mrs. Myrtle White. Mrs. Alton Fitzgerald was in charge of the program and extended

greetings along with the president, Mrs. Opal Hutchinson. Mrs. Fitzgerald introduced Mrs. B. J. Foster who brought a very fitting Christmas message.

The exchange of gifts from under the tree was enjoyed by all. Gifts were brought for the State Hospital in Vernon. The entertainment concluded with bingo for prizes to be turned over to the Fire Department.

Hostesses for the evening were Mrs. George Davis, Mrs. Otis Cash, and Mrs. Doyle Graham.

Mrs. Casey's Music Students Present Musical Worship

Music students of Mrs. Curtis Casey presented a musical worship service at the Truscott Methodist Church Sunday afternoon, December 13. All of the numbers were religious in nature and were spaced at appropriate intervals in the narration of the Christmas story from the Gospel of Luke, read by Rev. Bob Peak, pastor of the Truscott Methodist Church.

A light at the altar illuminated various scenes which illustrated the narration. Susan Stone showed the paintings, which were the work of Carol King, Knox City High School junior. The invocation was given by Rev. Peak, and the program was concluded with the audience singing "Joy to the World", accompanied by Sharla Haynie, and the benediction

by Rev. Joe Miller, pastor of Truscott Baptist Church.

Following the program the students and teacher enjoyed a Christmas tree.

Young people listed on the program included Gail Bullion, Tracy Shaw, and Jill Myers of Truscott; Sharla Haynie and Kathy and Kristi Shirley of Crowell; Susan and Cindy Stone of Benjamin; and Patti Counts and Debbie Wall of Knox City.

Stainless Still the Biggest

Again in 1969, stainless steel was the main consumer of the element nickel. Some 320 million pounds of the 820 million pounds of nickel consumed last year went to stainless, representing 39 per cent of the total. Nickel imparts strength and corrosion-resistant properties to stainless.

FARM & RANCH ANIMAL PARASITES EXPENSIVE

Animal parasites, most of which could be controlled, cost livestock producers millions of dollars each year. Total losses are even higher when diseases to which parasite-weakened animals fall victim are included.

It is rather easy to note infestations of external parasites but much more difficult to know about those which work internally. It is wise to consult a veterinarian when internal parasites are suspected.

The best way to control parasites is to break their life cycle. This may be done by preventing infection of the animal by the free-living forms of the parasite, through proper nutrition, pasture rotation, cleanliness, and good sanitation practices. In areas of intense livestock production, slatted floors for penned animals help prevent reinfection from contaminated wastes.

Most livestock need regular

worming treatments to destroy internal parasites until the animal is old enough to establish immunity. Even afterwards, periodic worming may be helpful when combined with proper management.

External parasites are best controlled by the application of recommended sprays or dusts or systemics.

Serious parasite problems call for the advice and assistance of a veterinarian. Most livestock producers will find the information contained in Extension publication MP-591, "Texas Guide for Controlling External Parasites of Livestock and Poultry" valuable. Copies are available from the county agent's office.

RANGE FIRES

Frost, freezes plus dry and windy weather have materially increased fire hazards throughout the state. Pasture and range fires can swiftly and completely wipe out winter feed reserves destroy wildlife and its habitat and leave the soil bare and un-

protected from water and wind erosion. Keep fire plans active until the soil moisture situation improves, advise Extension range specialists.

HOLIDAY SEASON ACCIDENTS

Deaths from accidents in the U. S. last December totaled 10,100. Down slightly from the year before but 700 more than the monthly average. Top killers were motor vehicle accidents, followed by fire and falls. National Safety Council studies show that it pays to be doubly careful during the Christmas and New Year's holidays. The life you save could be your own.

CARBON TETRACHLORIDE PROHIBITED

Carbon tetrachloride, a common ingredient in many cleaning fluids and fire extinguishers, has been banned from sale by the federal government as an extreme health hazard, announces Doris Myers, home management specialist at Texas A&M University. The chemical has a high toxicity and may cause extensive damage to the liver, kidneys, lungs, heart and nervous system. It can be fatal if swallowed or inhaled.

Carbon tetrachloride is a nonflammable grease solvent, and has been used in cleaning fluids and fire extinguishers for many years.

USDA first warned consumers about the dangers of carbon tetrachloride for household chores in 1968. The present ban includes its use in fire extinguishers. Then the chemical is exposed to a flame, the solvent changes into phosgene gas, a deadly poison.

Check labels on cleaning supplies and fire extinguishers for carbon tetrachloride. If included in any of these products, dispose of them immediately.

POINTER BIRD DOG working quail on Bush-Burnett Ranch west of Knox City.

Brush Causing Pasture Pollution

Can increased wildlife, better hunting and more beef result if Knox County grasslands are restored to their once lush condition? Or, does increased beef supplies and grassland improvement spell doom for our wildlife?

These are some of the issues discussed in a new booklet, "Grassland Restoration and Its Effect on Wildlife" published by the Soil Conservation Service. According to Arche Lieb, district conservationist for the Soil Conservation Service at Knox City, grassland improvement can be done in such a way that it will benefit man, livestock, and wildlife. "All uses of the land need to be considered when grasslands are treated. Our biggest need on grassland in Knox County is brush control. We believe that brush control must be coordinated with range seeding, proper grazing use, watering facilities, and other measures to benefit all users of our grass-

land resources," Lieb said. Some good examples of brush control methods discussed in the new booklet can be seen locally. On the Bush Burnett ranch west of Knox City, brush control was planned to leave strips and blocks of brush to provide escape cover and travel lanes for wildlife. Ray Escobar, ranch manager, also leaves strips of sorghum along fields adjoining grassland to provide cover and feed for wildlife. Other good examples of this type of planning can be seen on the League Davis Ranch between Knox City and Benjamin, and on the K. H. Baker farm and D. C. Key Ranch south of Munday.

Each fall urban hunters spend millions of dollars on hunting. Our native wildlife is one of our richest natural resources. To learn more about how we can improve this resource, pick up the new booklet, "Grassland Restoration and Its Effect on Wildlife", at your local Soil Conservation Service office.

Lunchroom Menu

DECEMBER 21-22
Monday Orange Juice - Peanut Butter Whip - Buttered Toast - Milk
Tuesday 1/2 Orange - Buttered Toast/Jelly - Milk.

DECEMBER 21-22
Monday Corn Dogs - Potato Salad - Tomato Wedges - Frito Corn Chips - Pickle Rings - Peach Cobbler - Milk
Tuesday Spanish Rice - Yellow Wax Beans - Green Salad - Corn Bread/Butter - Ice Cream.

Christmas Gift Ideas

College Station - Still wondering about a Christmas gift for a friend that has everything? Consider a tree or shrub for the garden, or a houseplant, recommends Everett Janne, Extension landscape horticulturist at Texas A&M University.

New homeowners would especially welcome a tree or shrub gift. Select a plant that can be used in the home landscape design. It should also be native or adapted to the area.

Some of the ornamental plants that would make a good gift include the many varieties of holly, deodar cedar, pyracantha, eleagnus, magnolia and pine, Janne says. The local nurseryman or florist can help you in the final selection.

If you are considering a house plant gift, Janne suggests such foliage plants as philodendron, English ivy, Christmas cactus, or even a potted azalea or camellia. Other plants popular for indoor landscaping, particularly during the holiday season, are poinsettia, Jerusalem cherry, Christmas pepper and chrysanthemum.

You can easily make an attractive package from a house plant or tree. Just wrap the base of the plant with Christmas paper and tie with a bright colored bow.

While you are plant shopping, Janne adds you may want to select a living Christmas present for your own family. A ball-and-burlapped, or container-grown evergreen can be used as the family Christmas tree. If care is taken to prevent the ball of soil from drying out, it can be placed in the home landscape after the holiday season.

A bachelor is a man with no buttons on his shirts and no handkerchiefs in his pockets while he's sleeping.

One of the best ways to surprise your husband on your anniversary is to mention it.

Always put off until tomorrow what you're going to make a mess of today.

Armor is the kind of clothing worn by a man whose tailor is a blacksmith.

(Championship) on Saturday, have something to eat with us, and enjoy some fine exhibitions of basketball.

MORE TROPHIES for the case - Coach T. R. Stillabower holds the consolation trophy the Houndettes won in the Rule tournament. Two Houndettes were on the 1970 Rule All-Tourney team. Betsy Ross, center, as forward, and Alice Martinez selected as guard. Knox City felt fortunate to have two girls on the team.

NOTICE

(Editor's Note: Our apologies to the Kennel reporters who wrote their news, turned it in before the deadline, and will probably wonder why their news is not in this week - somewhere, somehow, before the deadline next week.)

It was misplaced. I did not make the deadline Monday. I am very much and hope to have the school readers by Friday this week, the deadline next week.

Two Accidents Investigated In County In Nov.

The Texas Highway Patrol investigated two accidents on rural highways in Knox County during the month of November, according to Sergeant J. W. Garner, Highway Patrol supervisor of this area.

These crashes resulted in an estimated property damage of \$1,290.00.

The rural accident summary for this county during the first eleven months of 1970 shows a total of 54 accidents resulting in no persons killed, 16 persons injured, and an estimated property damage of \$62,635.00.

Traffic wise, the month of December has proven to be the most destructive month to the life of mankind - Death by a Motor Vehicle. In order to help reduce the traffic accidents and make this a happy holiday season, the patrol supervisor lists some safe holiday driving rules.

1. Check your car - be sure it is in safe driving condition.
2. Use seat belts to safeguard your family and yourself.
3. Be alert to road, weather, and traffic hazards.
4. Do not overdrive for the existing conditions.
5. Allow plenty of time for your travel.
6. Make courtesy your code for the road; it pays.

A New Answer To Traffic Jams

A new horizontal elevator-like monorail called the "Transivator," which runs on a guideway I-beam, is being developed.

The system is designed to move people at airports, in congested traffic areas, from parking lots to stores, at shopping malls and amusement parks.

Seating six passengers, with six standees, the cars are computer-controlled in line with traffic movement requirements.

Car speeds of 15 to 20 miles per hour are expected in business districts, while on long runs or express runs much higher speeds can be maintained with passenger comfort and safety.

Three Firestone divisions are involved in the development with the Sky-Kar Corporation of Ft. Worth, Texas.

An acquaintance is a person we know well enough to borrow from, but not well enough to lend to.

What is worth doing is worth the trouble of asking somebody else to do.

Coaches' Comments

By COACH JERRY LOWREY

Today marks the beginning of our annual tournament. This year we feel we have some fine teams in our tourney, and, therefore, some good basketball in store for our fans. Aspermont, Haskell, and Benjamin all have strong teams in the boys' bracket. Munday, Haskell, and Aspermont look strong in the girls' bracket. However, the Hounds and Houndettes will be making their presence known in the race for the championship. Games on Thursday and Friday will start at 1:00 with action on Saturday slated to begin at 9:00 a.m.

The boys were able to pick up an extra game to be played at Knox City on December 21 with Throckmorton. Game time will be 8:00 and will follow our Junior High games with O'Brien. Our two teams met in the Munday tournament, and we won by a scant one point margin, so the rematch should be a real thriller.

I'd like to make mention of a player who was overlooked last week who has been doing a good job for us thus far. He is Phillip Newton, a sophomore, who stands 5'6" and plays our point position. Although small he gets alot done and is probably our best defensive ball hawk on the team.

We're still lacking in the consistency department but are improving. We were beaten by Albany at Rule in our coldest game of the year. We hit on

only 9 of 55 shots from the field for 16%. Albany on the other hand hit 43% from the field. I think more than anything we lost our composure. That is we let them control the tempo of the game.

Our Junior High teams are also fast compiling an impressive record. The boys are undefeated, standing 6-0, and the girls are 5-1. Their first home game will be on December 21 with O'Brien to be followed by our boys' high school game with Throckmorton.

COACH T. R. STILLABOWER

We now hold a 10-1 mark after a loss to Welbert in the Rule Tournament by one point. The Houndettes defeated a talented Haskell team just before we entered the Rule Tournament 34-32. Haskell won the tournament rather handily over Welbert. I know we're a better team than we play like sometimes, as soon as the girls realize it, we'll be ready for action. We didn't return empty handed, however. We defeated Rule for the consolation round.

We also placed two girls on the all tournament squad. Alice Martinez at guard, and Betsy Ross at forward. We journey to Haskell Tuesday to play a tough Haskell team and then back home to open our Knox City Tournament with Northside.

I'd like to extend our invitation to you and yours to come by Thursday, Friday, and

Merry Christmas is Electric Gifts!
