Gaddys Wheel Jack-This is a WA114 Wheel Jack shown by its inventor, Arthur Gaddy. This wheel jack uses 30-40% less energy than Lufkin.

New Business Comes To Baird —Gaddy's Wheel Jack Co.

A new business has come to Baird recently—Gaddys Wheel Jack Company.

Gaddys is owned and operated by Doug Summers, Kurtis Gaddy and Arthur Gaddy. They have one other employee as a roustabout, Les Garber.

Mr. Arthur Gaddy invented this new type of Wheel Jack which he has patented.

This new machine is a number one energy saver. For example—during a three-month period, Gaddy Wheel Jack used a total of 5,804 KWH as opposed to New Mexico's Electric Service Company's 15,055 KWH. Gaddys Wheel Jack used 9,251 less KWH, conserving a tremendous amount of energy.

In other comparison, Gaddys Wheel Jack consumed only 1,920 KWH in a three-month period compared to B.T.A. Oil Producers' 4060 KWH.

Said Arthur Gaddy, owner, "this new wheel jack uses 30-40% less energy than Lufkin and we've only been on the market for 7 years."

Gaddy Wheel Jacks can be found in places like Oklahoma, New Mexico, Texas and Kansas. Right now there are more than 500 Gaddy Wheel Jacks in operation in several states.

The Gaddys have had over 48 years of experience in construction, building and plumbing.

Gaddys also has a prototype shop, pumping units, a machine shop, a light industrial supply house, and oil field equipment. They also feature general maintenance and welding and do oil-field service work.

We the people of Baird, Texas wish to welcome this prominent new business to our community and wish them well.

Putnam Writer Reports Rain And Storms

The Big Country has been plagued with rains and storms. We here at Putnam have been lucky to have missed the severe storms. All week we have had about 2 in. rain. Everything is green and growing. Gardens are flourishing. Most all tanks and lakes are full. So I suppose we are going into June in real good shape.

I do not know if its the rains but there seems to be a lot of rattle snakes around. The I.G. Mobleys', the Milton Donaways and Mrs. Graham all have killed snakes this week.

The fruit is beginning to ripen. Annie Mae Donaway brought some nice apricots today.

We haven't heard from any of the sick folks. Except Howard Farmer who is still very ill at Hendricks Hospital.

Sorry to learn of the death of Mrs. Ada Cutbirth at Cross Plains. Mrs. I.G. Mobley and Mrs. Taylor attended graveside rites at Baird Friday morning. Our deepest sympathy to the family.

We were shocked to hear of the death of

Charlie Young of Clyde. He was the son of Mr. & Mrs. Bob Young and only 16 years old. Our sympathy to Bob & Karen and grandparents and to the rest of the family.

Dr. and Mrs. Durnin spent several days around Putnam. They had Dinner with the I.G. Mobleys Wednesday.

Mrs. Bill Brown and son visited her mother Ollie Burnam Tuesday.

Mr. Milton Donaway is still working on the playground just west of their house. It is a

wonderful place for big and little children to get together. We want to commend Milton for his work on this project.

Mrs. R.L. Clinton visited Mrs. R.B. Taylor Wednesday afternoon.

Mrs. Marie Maxwell and Bill Lewis spent the weekend at Austin visiting her daughter & family, the John Sawyers.

We want to extend congratulations to Ronald Green on his graduation from Grammar School at Baird Thursday morning.

County Library Receives New Additions

A recent most welcome addition to the Callahan County Library-Museum, located in the basement of the courthouse in Baird, is a handsome case of trophies from the Putnam High School which is non-existent.

Throughout the years of its existence, many outstanding students have graduated from Putnam High School; and the case of beautiful trophies can attest to these students' success in both literary and athletic competition.

The Callahan County

Library has received fifteen books recently for the Memorial Shelf. In memory of Mrs. L.L. Blackburn of Baird one of the founders of the Library, is the book "Public Smiles, Private Tears" by Helen Van Slyke and J. Elwards. In memory of Mrs. Bruce G. Rushing, a well known Texas writer; "Patchwork Clan" by Doris Lund; and "Complete Guide to Needlework" edited by Readers' Digest.

In memory of John T. Towler of Baird are five books: "A Will

Rogers Treasury, Reflections and Observations" edited by B. Sterling and F. N. Sterling; and four for young readers—"Where to Now, Blue?" by A. Stoutenberg; "Animals That Use Tools" by B. Ford; "The Case of the Missing Six" by D. Glaser; and "The Roundabout Horse"

by Todd and Biro.

Honoring the memory of Bonnie Thompson of Baird are six books in large print.

In addition, Sonia Walker, librarian reports that several other books of fiction and non-fiction have been received.

Beginning June 1, free films will be shown at

the Library from 10 A.M. to 11 A.M. each Tuesday for children ages kindergarten to 10 years. This is a part of the summer

recreation program.

Library hours are from nine to twelve, one to five, Monday through Friday.
