Girl Scout Week In Knox City Is Proclaimed By Mayor Angle

The Honorable C. C. (Buddy) Angle has proclaimed March 9-15 as Girl Scout Week in Knox City, it was announced at City Hall today.

The Mayor's proclamation paid tribute to the Girl Scouts of NorTex Council and Girl Scouts of the U.S.A. on the organizations 57th birthday, and hailed the firmness of purpose which has guided the lives of many million Girl Scout members since the organization's founding in Savannah, Georgia, in 1912 by Juliette Gordon Low, who brought the idea home from England.

continuing service to "our daughters, our community, and our nation."

Mayor Angle called upon all citizens of Knox City to give Girl Scouts their "continued interest, cooperation, and support so that an increasing number of girls may benefit from a program which also benefits each and every one of us." The movement has grown in this country from an original troop of 18 girls to an organization of three and three-fourth million.

The Girl Scout Week proclamation was signed by the Mayor in the presence of Mrs. Mary Margaret Campbell, Service Unit Director for Knox City Girl Scouts, and Mrs. Faye Rallsback, city clerk.

Former KC Couple Active In ACC Bible Lectureship

KNOX CITY - Dale and Gay Graham, former Knox City and Rochester residents, were in Abilene last week to participate in the Abilene Christian College annual Bible Lectureship and related activities. J. D. Thomas, director of the lec-

tureship, estimated, 10,000 were Lectureship guests during the week-long affair.

Dale, son of Mr. and Mrs. L. W. Graham is now serving as minister of communications at Burke Road Church of Christ in Pasadena, Texas. He taught a major lectureship class, "Reaching for the Lost." The class covered not only the more conventional avenues of personal and public evangelism, but also a variety of imaginative ways to bring the gospel into meaningful contact with modern people. Graham's emphasis was heavily on the stewardship of the total life. He stressed the dedication of such talents as Phil Kimbrough's artistic ability. Kimbrough created a theme picture especially for the lec-

SECOND NIGHT OF FARM MANAGEMENT SHORT COURSE MARCH 13

The second night of the Knox County Farm Management Short Course will be held at 8:00 p.m., Thursday night, March 13 in the Munday Chamber of Commerce building. The public is invited.

Norman Brints, Area Extension Farm Management Specialist from Vernon, will be in charge of the meeting.

Information on the government farm programs as well as some record keeping for income tax purposes will be discussed. ****

MOD Donations Exceed Goal

Mrs. Morris Denton, Knox County chairman of the March of Dimes told the Herald today that the donations have gone beyond her greatest expectations. She said a goal of \$1000.00 was set for the county at the beginning of the campaign, to date the total has climbed to \$1,268.48, and donations are still coming in and will be accepted until the last day of this month.

Mrs. Denton expressed her gratitude to each chairman and to each individual making a donation, and gave a run down on the totals for each community in the county. They included Goree, \$124.73; Gilliland, \$65.50; Truscott, \$76.63; Benjamin, \$161.60; Rhineland, \$267.85; Munday, \$125.56; and Knox City, \$416.61. ****

Allen Lowrey Suffers Heart Attack Friday

Allen Lowrey, recently employed as city secretary here, was admitted to the Knox County Hospital at 3:00 p.m. Friday after suffering a heart attack. He became ill while at work.

The hospital reports that his condition is improving, but that he is not allowed visitors at this time.

Executive Committee Sets District 11-A Spring Dates

The executive committee of the District 11-A Spring Meet has agreed that this district would sponsor all applicable University of Interscholastic League events. Superintendents attending a Seymour meeting included H. R. Jefferies of Paducah, Henry Black of Crowell, Tyra Roper of Petrolia, E. H. Howard of Chillicothe, Douglas Myers of Munday, W. S. Thomas of Holliday, Tim McPherson of Archer City, Dilton Stille of Nocona, and W. R. Baker of

Red Cross Fund Drive For March

About 2,200 Red Cross Chapters, population 10,000 and under, extend services in suburban and rural areas. Since these local units make up about two-thirds of all chapters, each of them is vital to the work of the National Red Cross.

We are faced with the greatest fund challenge since World War II. This is brought about by our continued increased involvement in and commitments to provide, on behalf of the American people, services to members of the armed forces, veterans and their families, disaster relief, blood and its derivatives, first aid, nursing, and safety instructions, and other services.

The Knox County Chapter participates in most of these, including services to armed forces and their families, home nursing, water safety and first aid instructions and the blood program.

The quotas for Knox County Chapter are: Benjamin, \$150; Gilliland, \$50; Goree \$250; Knox City, \$900; Munday, \$900; Rhineland, \$100 and Truscott, \$50. This quota is based on 50¢ per capita population.

Your willingness to support the Fund Campaign reflects your relief in the Red Cross, and all contributions will be thankfully received and appreciated.

CONGRATULATIONS TO our girls for another outstanding record for the 1968-69 basketball season! Shown above with Coach O'Neal Weaver and manager Jill Thompson are, from left, Stella Reyes, Connie Gentry, Lou Ann McGaughy, Sandra "Pinkie" Woodward, Mary Reese, Gayle Campbell, Brenda Vassar, Sue Egenbacher, Betsy Ross, Teresa White, Eloise Jordan, Donna Rallsback, Gwen Angle, Alice Martinez, Kathi Kent, and Carol Speck. (Editor's note: The Herald had planned to use individual pictures of each player in this issue, but due to limited space, a group picture was used instead. Thumbnail sketches for each player were turned in to The Herald and will be found elsewhere in this issue.)

Houndettes Lose Thriller Friday Night

The Knox City Houndettes lost a close one Friday night when the third and final best of three series was played at Seymour to determine the District 11-A champions. The final tally, 52-42, did not indicate just how close the score was during the entire game. Petrolia, winners of the eastern zone, had a one-point lead at the end of the first quarter, 13-12 and a two-point at the halftime, 23-21.

The Houndettes, western zone champs, made ten points to Petrolia's sixteen during the third quarter of play, but the eight-point advantage did not

seem to be too much of a threat to the Knox City girls, who have always been known to "come from behind." However, during the final quarter when Petrolia stalled the ball several times, the necessary fouls made by the Houndette guards gave the free throw experts the lead they needed to win the deciding game.

Petrolia had won the first game of the playoff series, and then Knox City came back Tuesday night of last week to hand the previously unbeaten Pirates their first defeat of the season. In Friday night's game Eloise Jordan was high

point with 14 for KC. Donna Rallsback had 13, and Lou Ann McGaughy hit double figures with 10. Betsy Ross accounted for 5. Guards Sue Egenbacher, Mary Reese, and Alice Martinez have turned in some fine performances this season and again Friday night held the Petrolia forwards down on their field goals.

Knox City is indeed proud of you, Houndettes for the fine spirit you have shown in your games this year, and more than that, we are grateful as a school and community for your wonderful attitude and consideration.

THE KNOX CITY GREYHOUNDS are shown above with Coach James Draper and manager Ricky Reid. Though small in number the 'Hounds made some real progress this year and will make it hard next year on some of their opponents. Back row, left, Joe Barnard, junior; Charlie Lieb, freshman; Jerry Watson, freshman; Mike Newton, sophomore; and Calvin Tubbs, freshman; front row, left, Brent Rallsback, freshman; Alan Orr, freshman; Rogers Lankford, sophomore; and Victor Gonzales, freshman.

Writers Of The Week With Their Autobiographies

RONALD CURD

Born June 8, 1950, Mr. G. Vassar Jr., beloved parents of a Diana Ariene. She grew into the family by her. In 1951, she had a younger sister. Her family lived in the city until 1957. This she entered the first grade at Ward School. She began, she bawled and threatened to withdraw. After this she went with school, she had to do it. Shortly after middle school her father was transferred to Knox City. She and her mother moved to town for the first time. After the move from the school year, she had a bad cold and was hospitalized in a small hospital. The bus turned out to be exciting object in her life. In a cold winter she was pouring snow, her dad was taking her to school. The snow made a corner and she was stuck. Luckily, no one was hurt, just a bit shaken. Six weeks later the bus was stuck in the bar ditch. This was one of the reasons she moved to town shortly after.

She is a member of the band and the band director. She graduated with honors.

At school she has been elected Houndette "B" and Homecoming Queen. She is a member of the band.

She plans to attend Christian College major in biology and music.

Newspaper Ads Replace Bargain Day Circulars

As will be noted in this week's issues of The Knox County Herald and the Rochester Reporter-The Rule Review, Munday merchants have abandoned their bargain day circulars this month in favor of newspaper advertising.

The merchants have held bargain days for a number of years. However, this is their first attempt to advertise their special prices each month in this media. ****

Three File For One-Year Seat On City Council

A race has developed for the one-year unexpired term on the City Council which was created when Councilman Larry Don Lain resigned last year to move outside the city limits. Businessman Randy Larson was appointed by the council to serve the few months until election. Last week, Jerry Cobb, employee of Guinn Sheet Metal and Plumbing, and Roy Stewart, owner-operator of The Hairdresser, signed for the one-year council seat, and before the week's end, incumbent Larson had filed for reelection. As of press time, Mayor C. C. (Buddy) Angle and Councilmen Carl Shelton and Sammy B. White whose two-year terms expire this year, were unopposed.

Holdover members are Willard Skiles and L. V. Worley. In checking with the Knox City Independent Schools just before press time, John Crowover and Doyle Graham, incumbents, and Tommy Richardson had filed for the expiring terms of Crownover and Graham. Holdover trustees are Charles Reese, Betty Williams, Henry Jean Jones, Donald Johnson, and John Grindstaff Jr.

Deadline for filing for the city and school elections was March 4.

Filing deadline for the Knox County Hospital District is March 6, according to Lyndol Cypert, administrator. As of press time Tuesday, Henry Jean Jones was the only applicant who had signed for the expiring term of Director C. J. Reese.

Clifford Cornett of Knox County Precinct No. 1 and H. A. Reeves of Knox County Precinct No. 3 were unopposed in their bid for re-election to the Knox County School Board as of Tuesday afternoon's press time.

All elections will be held here Saturday, April 5, in the City Hall from 8:00 a.m. until 7 p.m. Otis Harbert is presiding judge in the joint election. ****

VB Tournament Slated For Tonight At 5:30

The All-Star Volleyball Tournament, sponsored by the 1946 Study Club has been slated for tonight (Thursday) in the Knox City High School gym. Play will begin when the O'Brien women's team meets the Factory Outlet women's team of Knox City at 5:30 p.m. The first game on Friday night will begin at 6:00 p.m. and at 6:30 o'clock on Saturday evening.

Admission for adults has been set at 50¢ and children under 12 will be admitted for 25¢.

The Study Club has planned a concession stand with an abundant supply of sandwiches, candy, gum, and soft drinks. ****

Benjamin Sets School Election

The Benjamin Rural School Board of Trustees Election has been set for Saturday, April 5, and will be held at the school from 8 a.m. until 7 p.m.

The election is for the purpose of electing three trustees. The terms of O. L. Patterson Jr., Charles Griffith, and Frank Driver expire this year. O. L. Patterson Jr. and Charles Griffith have filed for re-election and Billy Ben Benson and Vandal Green have signed for a place on the board. Driver is not seeking re-election.

Holdover members are Stanton Brown, Pate Meinzer, Mrs. Jonnie Barker, and Duane Conner.

Local Woman's Brother Dies

Luther Bryan Parris, 72, brother of Mrs. J. J. Foshee died unexpectedly in the hospital in Frederick, Oklahoma Thursday, February 20.

Funeral services were held at the Church of Christ in Grandfield.

Born June 16, 1886 at Birdstown, Tennessee he came to Knox County with his parents at the age of six, and married Sophia Williams May 2, 1918 in Grandfield, Oklahoma. Mr. Parris was a member of the Church of Christ in Grandfield and a World War I veteran.

Survivors include his wife; four daughters, Mrs. Syble Bolton, Mrs. Betty Lindsey, and Mrs. Joyce Kinder, all of Grandfield, and Mrs. Margie Sullivan of Abilene; three brothers, Bill, George, and Posey all of Grandfield; two sisters, Mrs. Sallie Pierce of Fort Worth and Mrs. Foshee; ten grandchildren, and one great-grandchild. ****

Herbicides Are Applied On Texas Tech Vegetable Plots

By JOE TIDWELL

Herbicides are in greater demand each year as the cost of labor increases and field laborers are harder to obtain. There are three types of herbicides depending upon their effects on plants: contact, growth regulators and soil sterilants.

Contact herbicides kill plants covered by the chemical. Generally the effects are acute and the plant dies quickly after treatment. Contact herbicides are selective or non-selective. A selective herbicide kills or stunts some plants with little or no-injury to others. A non-selective herbicide is toxic to all plants. Living plant tissue has little or no resistance to non-selective herbicides.

Growth regulators can be absorbed by either the roots or above-ground parts and move, or are translocated through the plant system. The chemicals upset the plant's growth and metabolic processes. They have a chronic effect, that is, the full effects may not show up until a week to a month or more after treatment.

Soil sterilants are any chemicals which prevent the growth of green plants when present in the soil. If the chemical sterilizes the soil for less than 48 hours, it is said to have no residual toxicity. If the soil is sterile for 4 months or less it is considered to be a temporary soil sterilant, from 4 months to 2 years as semi permanent and

tureship class. The picture will be on display at Graham's home church soon, according to a church bulletin.

Graham cited the fact that over half the world's population consists of members of

non-Christian religious groups. Of the remaining portion, millions have no religious affiliation and only slightly more than half of those who are members of some church ever attend or participate.

Demanding frank and courageous witnessing Graham said, "The world will never be converted with implied testimony." Warning against short cuts or excessive reliance on techniques he said, "The heart of the conversion process is the work of the Holy Spirit through the word. Any substitute will make weak converts."

The ringing challenge of the class was given an added dimension by the warm personal concern that Graham insisted must be shown every individual. The Burke Road minister reminded his class of the mother who said, "All my chilluns got names. They don't have numbers."

Dale's wife, Gay also was busy during the lectureship with messages to ladies' groups. She addressed the annual banquet of Gleaner magazine, a ladies' periodical on mission work. Mrs. Graham also discussed her church's involvement in volunteer hospital work with a group of ladies from the Highland Church in Abilene.

Gay serves as Director of Volunteer Services for Southmore Hospital in Pasadena. In that capacity she directs the work of about eighty ladies who each volunteer four hours of work each week. About seventy of the ladies are members of their congregation.

Dale also serves as editor of the Burke Road Times and writes a weekly column. His co-workers report that he has a sixth sense for a news story, his ready camera, and his articulate typewriter.

The Grahams, including their son, Brick and daughter, Roci recently spent about two years in Australia in behalf of the Church of Christ mission program.

Dale and Gay were at one time, owners and publishers of The Rochester Reporter.

ninth grade would compete with High School grades 10, 11, and 12 and all other grades would compete with the Elementary School in the event open to the Elementary School. It was mentioned and agreed to hold contests in these areas, some of which are new contests to the district. (1) A Grade School Literary Contest, (2) Girls' Softball, (3) Journalism, (4) to follow the Elementary Track and Field Event as shown in the 1968-69 Constitution and Rules, and, (5) to follow the High School Track and Field Event schedule as shown in the 1968-69 Constitution and Rules. (In the past there has been some variance from the track and field schedules.)

Motion was made and carried that the literary meet be held in Knox City and track meet at Holliday.

After a discussion concerning a grade school literary meet, W. R. Baker agreed to host the meet at the same time the high school meet is held. Schools indicating that they would participate were Knox City, Munday, Holliday, and Nocona.

Motion was also made and carried that a girls' track meet would be held and hosted by Holliday. It was noted that this contest is not part of the overall U.I.L. Spring Meet, but is supported by the members of the district as being worthwhile.

Schedule of events were set as follows:

- Tennis (Eastern Zone), Holliday, March 31; Tennis (Western Zone), Crowell, March 31; Tennis (Finals), Holliday, April 2; Volleyball, Crowell, March 25; One-Act Play, Nocona, April 11; Literary Events, Knox City, April 1; Track and Field, Holliday, March 29; Science, Archer City, March 28; Golf, Vernon, April 10; Play ground ball, site to be selected, April 8; and Girls' Track, Holliday, April 26.

Attends Workshop

"On-the-Farm-Service" is the theme for a workshop March 5 and 6 at Amarillo, Texas attended by Eugene Hamilton of Knox City, local claims adjuster for the Federal Crop Insurance Corporation.

Hamilton took part in special sessions designed to introduce new loss adjustment techniques and improvements in the All-Risk Crop Insurance program. Federal Crop Insurance is a government voluntary plan designed to assist farmers through crop investment protection.

Scales Services Held In Electra

Services were held March 1 at 2:30 p.m. in Assembly of God Church in Electra for Mrs. Clara Ellen Scales.

The Rev. E. B. Crump, pastor, officiated, assisted by the Rev. Richard Clymer, pastor of the Hillside Baptist Church. Burial was in the New Electra Cemetery.

Mrs. Scales died last Thursday at her home in Electra. Born January 5, 1894 in Clara, Wichita County, Texas, she married Ewen David Scales in November, 1913. Mr. Scales died August 29, 1957.

Survivors include four sons, Homer of Grand Junction, Colorado, Johnny of Electra, E. D. of Dover, Arkansas, and Bert of New Orleans, Louisiana; three daughters, Opal Egenbacher of Knox City, Frances Thompson of Olney, and Udella Tucker of Pecos; 16 grandchildren and three great-grandchildren.

Nephews served as pallbearers and included Howard Payton, Arthur Payton, Clarence Payton, Leonard Payton, Jack Payton, and Orton Jefferies.

Little League Meet Set For 7:30 Thurs.

An organizational meeting for Little League has been set for tonight (Thursday night) at 7:30 o'clock at the Knox City High School. According to Bud Reynolds, president, an election of officers will be held and some of the coaching spots for the coming season need to be filled. Mrs. Pansy Russell is currently serving as secretary-treasurer.

Mr. Reynolds emphasized that the meeting is open to all interested persons, not just for parents. Also, he said that some members were under the impression that the details needed to be worked out by the men in the organization, but this was not so and that he wanted to encourage all of the women who were interested in Little League to please be there Thursday night.

Evangelism Rally To Be At Stamford, Mar. 6

Delegations from 61 churches of the Double Mountain Area are expected in Stamford Thursday, March 6, for an evangelism rally which will feature three men from the Dallas office of the Southern Baptist Convention.

The meetings, to get underway at 3 o'clock Thursday, will conclude at 9 p.m. and will be held at First Baptist Church, Stamford.

The afternoon meeting will be principally for pastors and staff members but others are welcome. Sam Prestidge Jr., of the church music division of Dallas, will lead a song and give the prayer.

Dr. Theron Farris of the evangelism division at Dallas will present the Bible study. Farris and Prestidge will be joined by Dr. Rudy Hernandez, also of the evangelism division, in presenting the "Count Down Calendar".

There will be a choir rehearsal at 6:30 and all singers are invited to take part. There will be no choir robes needed.

The night service will get underway at 7:10 p.m. with a song service followed by scripture and prayer by Rev. Jack Southerland, pastor of First Baptist Church Stamford. Special music will follow this.

Dr. Farris then will present Crusade strategy through the Sunday school. A period of singing will follow.

Rev. L. L. Trott, missionary for Baptist Double Mountain Area, will make special announcements and give recognition.

Mr. Reynolds emphasized that the meeting is open to all interested persons, not just for parents. Also, he said that some members were under the impression that the details needed to be worked out by the men in the organization, but this was not so and that he wanted to encourage all of the women who were interested in Little League to please be there Thursday night.

etbook, he adds.
Cattle lice are common over the entire state and include both the biting and sucking types. Their populations build up rapidly during cool weather and when cattle are kept in close quarters.

Sucking lice, short and long nosed, pierce the animal's skin and feed sucking blood. They are usually found, explains the county agent, on the sides of the animal's neck, on the bris-ket, back, inner surface of the thighs, tail and around the nose eyes and ears. Chewing lice are smaller and are usually found on top of the shoulders and around the root of the tail but may also infest other parts of the animal's body.

Many chemicals are available for controlling lice as well as other external parasites of farm livestock. Because of restrictions and safety suggestions which apply to the use of chemicals, the county agent invites stockmen to come by his office and pick up a copy of MP-691, "Texas Guide for Controlling External Parasites of Livestock and Poultry."

Marine Second Lt. Kenneth Roberts Completes Training

(D0509) MERIDIAN, MESS. (FHTNC) Feb. 20 - Marine Second Lieutenant Kenneth M. Roberts, son of Mr. and Mrs. W. Kenneth Roberts, and husband of the former Miss Barbara G. Duke all of Benjamin, Tex., completed basic jet flight training with Training Squadron Nine at the Naval Air Station, Meridian, Miss.

During the five to six weeks of training as a student aviator he mastered the techniques of jet acrobatics and formation flying in the North American T-2 "Buckeye" jet training aircraft, accumulating some 48 hours of flight time.

His training also included 200 hours of academic instruction in aircraft engineering, meteorology, navigation, and naval leadership.

(MUNDAY) — HERBICIDES are being applied postemergence on vegetable plots to obtain the most efficient and inexpensive herbicides suitable for weed control for this area. Sam Tankersley, driver, and Joe Tidwell, vegetable specialist for Texas Technological School of Agricultural Sciences, are pictured above with the tractor and spray applicator used for the herbicide application. The tractor was furnished by Harper's Quality Implements and the applicator compliments of Leflar Flying Service.

cast, as a band, as a directed spray and as spot treatment.

Developing a new herbicide is expensive, 1 to 3 million dollars, and usually requires 5 to 10 years of a full scale developmental program. Herbicides are thoroughly safety tested before they are sold to the public. Before a herbicide can be applied on food or feed crops it must obtain the approval of the Federal Food and Drug Administration. Foods which exceed the residue tolerances set up by the FFDA are removed and condemned from the public market.

The median income in Knox County is \$3,646 in comparison with \$4,884 as the median income in Texas. Facts point out that as income increases, conflict over use of money increases. There is a growing trend for people to secure desired goods and services when they want them rather than waiting until they have saved the money to purchase them. The philosophy of "live today and worry about tomorrow later" tends to prevail.

National trends in consumer behavior have resulted in financial difficulty for thousands of families who have incomes high enough to permit discretionary spending. Consumers are spending over \$1 billion a day. There is much evidence that they are not well informed either in technical knowledge about products or about the market system and conditions such as competition in the free economy, price structure, promotional gimmicks, and credit. These trends are affecting Knox County families also. If you are concerned about your family's managerial ability, take part in the Management Correspondence Course offered by Your County Home Demonstration Agent starting March 28. Enrollment is open until March 25. A One dollar enrollment fee will be charged to cover the expense of the reference bulletins that accompany the course.

These marketing tips from Gwendolyn Clayt, Extension consumer marketing specialist, may help shoppers stretch their food budgets this week-end.

At retail meat counters, look for best beef values on chuck roasts and steaks, short ribs, ground beef and round steaks and roasts. Pork values include hams, picnics, end cut loin roasts and chops and shoulder roast and steaks; canned hams and pieces.

Fryers are feature items in some markets and grade A large size eggs continue to offer the best combination of quality and economy for your egg money.

Fresh fruit and vegetable items in good supply at the most economical prices include oranges, grapefruit, bananas, apples, potatoes, celery, cabbage, carrots, dry yellow onions, collards, mustard greens and bulk turnips, says the Texas A&M University specialist.

Broccoli, eggplant, tomatoes, cauliflower, yellow squash and snap beans are moderately priced vegetables. Canned and frozen corn are offered at special prices while supplies are large.

Candidate For "Miss Future Nurse Of 1969"

Miss Helen D. Drozda, Guidance Counselor for Knox County Public Schools announces that Sarrah E. Golden, daughter of Mr. and Mrs. J. C. Golden, Benjamin has been accepted as a candidate for Miss Future Nurse 1969 Contest.

The contest is sponsored by Northwest Texas Hospital, School of Nursing, Amarillo.

To qualify as a contestant, Miss Golden had to write a letter about "Why I would like to be a Nurse"; be a member of the Senior Class; have definite plans to make nursing her career; not be married or ever married; be in the upper half of her class scholastically; participate in at least two extra-curricular activities within the last year; be well-groomed; have pleasing personality characteristics.

Miss Drozda and Miss Golden will be required to attend the finals at the Psychiatric Pavilion Auditorium, Amarillo on

SARRAH E. GOLDEN

March 7, 1969. Lunch will be served at 11:30 a.m. and the contestants will be presented to the judges and audience to give a one minute statement about their letters. After the judges choose the top five girls, the Master of Ceremonies will ask each of the five contestants a simple off-the-cuff question which she will be able to answer in a short statement. When the judges' ballots are totaled the second runner-up, the runner-up, and the winner will be presented to the audience.

Miss Sarrah E. Golden is a senior at Benjamin High School and has been active in basketball, volleyball, tennis, FHA, worked in the NYC program, and the school year book.

Recent Reports On Geo. Houston Are Favorable

The Herald has not actually received a direct report from George Houston, former resident of Knox City who was injured recently in a hold-up at the Globe-Traveler Motel in Dallas. However, friends have reported that he was recently moved to a hospital in Mesquite where his wife, Maxine is employed, and underwent surgery for removal of bullets received in the hold-up.

The latest reports from Mrs. Charles Prewitt (formerly Jan Sutton) who lives in Dallas, indicate that George is doing quite well. Jan and husband Charles received a personal phone call from George requesting that they come over for a visit, "I'm lonesome," he said.

March Is American Legion 50th Anniversary

During the month of March, The American Legion here in Knox City and throughout the Nation and even in many cities beyond our borders will climax its 50th Anniversary observance. It was March 15-17, 1919, that the Legion was founded in Paris, France, during a meeting of representatives of the various outfits which made up the World War I Expeditionary Force.

A citizen-veteran organization conceived in duty to its fellow man, The American Legion has been a responsible contributor to American thought and deed during the years of our Nation's emergence as a world power. American Legion history of the past 50 years is filled with achievements in behalf of mankind through active, continuous campaigns to preserve the lofty concepts of Justice, Freedom, and Democracy.

However, there's an unusual aspect to the Golden Anniversary celebration of this organization of war veterans. Any 50th anniversary celebration is an appropriate time to reflect on past accomplishments. During its year-long Golden Anniversary observance, though, The American Legion is taking a somewhat "let-the-record-speak-for-itself" attitude. Instead, this gigantic fraternity of service is tuned to its Golden Year theme of "Forging The Future."

The first 50 years of American Legion existence have been years of ever-increasing waves of change for both the Nation and the world. Change is still the order of the day. Today's greatest challenge is whether man shall manage change or change manage man. It is to this challenge that The American Legion addresses itself during its Golden Year as it charts its course of service to a changing community, state, and Nation.

With a 2.6-million membership drawn from the veterans ranks of four wars - World Wars I and II, Korea, and Vietnam - The American Legion is dedicated to "Forging The Future" of a strong vigorous, compassionate America of the next half-century.

Through its Golden Anniversary observance, The American Legion is declaring its confidence in the future of America, seeking wider avenues of involvement in meeting the

Correction should be made of the place mentioned in last week's column for the Home Demonstration Council meeting this month. It will be at the Clubhouse in Benjamin rather than the courthouse. All Home Demonstration Club members in Knox County are urged to attend. Be there March 7 at 2:00 p.m. to take part in the Yesteryear Style Show and win a prize for having the oldest dress, shoes or bonnet.

Couples Visit In Irving Hospital

Mr. and Mrs. Lewis Williams and Mr. and Mrs. John Atterbury were in Irving Sunday visiting Mrs. Sammie Carpenter. Mrs. Carpenter was admitted to Irving Community Hospital last week for surgery due to a perforation of the stomach.

Mrs. Williams reported that Mrs. Carpenter was resting under heavy sedation and was recovering nicely. Her room number is 260 at the Irving Community Hospital where her nephew, Dr. Jerry Culwell practices medicine.

PUBLIC NOTICE

PUBLIC NOTICE OF THE REQUIREMENT FOR RECORDATION AND LIMITATION OF CERTAIN CLAIMS OF WATER RIGHTS.

Notice is here given as required by Section 4 of the Water Rights Adjudication Act of 1967 (Article 7542a, Vernon's Civil Statutes) that all claims of riparian water rights, all claims under Article 7500a, Revised Civil Statutes of Texas, 1925, to impound, divert or use public waters for other than domestic and livestock purposes for which no permit has been issued, all claims of water rights under the Irrigation Acts of 1889 and 1895 which were not filed with the State Board of Water Engineers in accordance with the Irrigation Act of 1913, as amended, and all other claims of water rights other than claims under permits and certified filings, must be recorded with the Texas Water Rights Commission. Section 4 does not apply to use of water for domestic and livestock purposes as the same is defined by Commission Rules.

On or before September 1, 1969, every person claiming any water right to which Section 4 applies shall file with the Commission a sworn statement setting forth the nature of the claim of water right. Claims to which the Section applies shall be recognized only if valid under existing law and only to the extent of actual application of water to beneficial use without waste during any calendar year from 1963 to 1967, inclusive. However, in any case where any claimant of a riparian right has prior to August 28, 1967, commenced or completed the construction of works designed to apply a greater quantity of water to beneficial use, such right shall be recognized to the extent of the maximum amount of water actually applied to beneficial use without waste during any calendar year from 1963 to 1970, inclusive; provided an additional sworn statement is filed on or before July 1, 1971. Failure to file the sworn statement or statements in substantial compliance with Section 4 shall extinguish and bar any claim of water right to which the Section applies.

Instructions and forms for recording claims may be obtained without cost from the Texas Water Rights Commission, P. O. Box 12396, Capitol Station, Austin, Texas 78711. 3-6 ttc

Residents Advised Concerning SS

Residents of the Knox County area who are receiving monthly social security checks are reminded by Edwin Draughon, social security manager in Vernon, to report directly to the Vernon office any change of address or other events affecting continued receipt of their checks. Reports may be made by mail, phone, or in person. Appropriate report forms are available at the Vernon office located at 1728 Fannin Street. Mr. Draughon said this reporting method enabled the Vernon office to take advantage of the increased capacity of its high speed communications circuits to transmit information to record centers. Until recently, social security beneficiaries were encouraged to notify the Social Security Administration about the occurrence of these events by mailing pre-addressed postcard forms to a record center. Events that affect receipt of monthly social security checks,

"Melanie Meddles"

By Melanie Whitley

The twenty Juniors and Seniors at Carney High School in the Texas History Class have concluded their semester research themes which were taken from primary resources or elderly individuals themselves. Their teacher C. H. Underwood said the researchers in general covered from the 1700's and 1800's through the depression of the 1930's.

Their findings were very interesting to me. When my grandmother Verhalen first came to Knox County she said it was flat prairie as far as she could see with no mesquite trees. If you are familiar with the location of the Verhalen farm (one mile east of the roadside park, just south of the Brazos bridge between Knox City and Benjamin); she said the reason they settled there was because that was the site where everyone at that time thought Knox City would be built. They built a very big two-story house, intending to make it a hotel in the new town. I've often wished I had

written down all her reminiscing.

Walking to school, playing townball (baseball), chicken pie and twisterification (square dancing) were found to be common in the early days. One student discovered an odd means of keeping milk fresh. It was found that some people would build milk boxes near cold springs to keep their milk cold. Those who lived where sweetgum trees thrived, usually cooked the sweetgum from these trees and had sweetgum to chew all year. Many people, farther east, seemingly had syrup presses and produced their own syrup.

One student's great-grandfather, who was a freighter in Brewster County, supposedly returned to Mexico when Pancho Villa rose in arms and became a colonel under Villa.

Another student found that one of his ancestors hunted buffaloes in the late 1860's having lost much of his holdings along the Brazos in Young County due to the flood.

Many of the researchers found that open range with tall grass and dead mesquites seemed to characterize our immediate area in the late 1800's.

After O'Brien was established, it was found by one researcher that ice was brought to the thriving little town by wagon. The ice was packed in straw and wrapped, being secured in Stamford. It was interesting to know that these blocks of ice sold for 5¢ and 10¢.

The first doctor to come to the then thriving town of O'Brien was the great-grandfather of another of the Texas History students. Having ridden on horseback a few years to make his calls, he ordered a buggy from Sears and Roebuck. The buggy was shipped to Benjamin by freight wagon.

The mention of plowing with mules, making lye soap from winter fire ashes and lard, homesteading land, building of smokehouses to cure meat, living in log cabins, working for 50¢ to \$1.00 a day, living in dugouts, lashings for disobediences and the coming of the automobile and airplane were common inclusions in the researchers produced by the students.

One research was concerned with Mitchell School which was consolidated with O'Brien in the 1930's. This research along with many of the others agreed that baseball, Sunday Singings, and short school terms (due to the children working and the lack of finances) characterized the early day schools. The use of McGuffies' Readers and the Blue Back Spellers also denoted a difference from our present day school systems.

Fewer teachers seemed to be a common thing and in many instances it was one room school houses with one teacher. It was interesting to note a means of discipline which one teacher in particular used. When boys or girls were unruly or fought, their thumbs were tied together and they were called "the teacher's little puppies." If the two being punished were from different rooms, they had to follow each other from one room to the other to recite their lessons.

The various researchers agreed that the Great Depression was certainly bad. One research revealed that some of the people hardest hit by the depression found cleaned cactus a good dish after it was boiled. Rabbit stew was also a good meal for some in those days.

By doing the research for these themes, the students learned much of the history of our area and their ancestors as connected with the history of the Nation and the history of Texas. Each theme was original, and as we can tell, interesting. Aren't we glad they shared them with us?

An in-depth Home Management Correspondence Course is now being offered by the Agricultural Extension Service through your county HD agents. Cost of the course is \$1.00 to cover postage and the enrollment deadline is March 8th.

The course will take approximately two months to complete and will cover budgeting, living on what you make, savings for college, installment buying and related subjects.

If you are interested, contact your County Home Demonstration Agent.

This is a warning to beware of those innocent looking Girl Scouts selling cookies. These girls have been pep-talked by their leaders, Mrs. Clyde Bouldin and Mrs. Jack Stubbs.

Mrs. Bouldin attended a sales meeting and came home to make the point to her girls that it is just as easy to say "two boxes for a dollar" as it is to say "one box for fifty cents."

Evidently it soaked in. One

The Knox City FTA Chapter received a critique sheet on the yearbook which was entered at the state convention last week. The yearbooks were judged in two divisions: commercial and non-commercial. Ours fell in the latter bracket. The ratings for the books were:

Poor-0-31; good-32-63; and excellent-64-100 points. The rating on the Knox City entry was 73, which placed our yearbook as excellent. The Knox City FTA Chapter is proud of this achievement. This is the first yearbook that Knox City has entered in several years, and will endeavor to repeat and improve our efforts next year.

Houndettes News

By Donna Railsback

Last Tuesday night Petrolia suffered its first defeat of the season when the Houndettes came through with a 46-40 victory over the Pirates. Houndettes pulled ahead during the second quarter and they never lost this lead.

Guards played a great defensive game and Knox City had two forwards to score in the double figures - Eloise Jordan with 11, and Donna Railsback with 22.

However, basketball season ended for the Knox City Houndettes when the Petrolia Pirates captured the District Championship last Friday night at

All he got was a blank look. "But you've got another box coming," the little girl said.

Seymour. During this game the Houndettes gained a five point lead during the second quarter but this was soon lost and the half ended 21-23, Pirates' favor. Then at the beginning of the third quarter the Houndettes tied the game 23-23, but again the Pirates pulled ahead and gained an eight point lead in about the first three minutes of the third quarter. They never relinquished this lead and the game ended 52-42.

Houndettes' season record stands 28 wins, 4 losses.

Houndettes would express appreciation for the fine support everyone has extended, especially these past few weeks.

FHA's Attend Area Meeting

"Youth-Path to the Future" was the theme for the annual Area IV FHA meeting held March 1 in Stephenville, Texas. Lawynn Rister of Hawley presided over the meeting.

Eight delegates and two sponsors from the Knox City FHA Chapter left Friday morning. Practice was held at 5:30 o'clock Friday afternoon for the State Degree Ceremony. Girls participating in this practice were: Gayle Campbell, Sandy Park, Cissia Skiles, Jody McKinney, Connie McKinney, Margaret Rodriguez, Mary Gentry, and Margaret Howell.

The House of Delegates met and elected officers. Gayle Campbell from Knox City was elected Area IV Second Vice-President. Gayle will serve as area chairman of the State Homemaker Degree of Achievement. It will be her responsibility to conduct the State Degree ceremony at the Area meeting next year. Margaret Howell served as voting dele-

gate. Miss Betty Kittrell from Ty-

ler gave the keynote address at the Saturday morning session.

The Area chorus sang "Windy," "The Impossible Dream," and "Love Is Blue." Knox City was honored to have Connie McKinney and Margaret Rodriguez sing in the 100-member chorus.

At the chorus try-outs, Connie McKinney was selected to sing in the state chorus which will be held in Dallas in May. There, she will be able to try-out for the National Chorus.

The following girls submitted their State Degrees to the Area Evaluation Committee for approval: Teresa White, Jill Thompson, Lou Ann McGaughey, Gayle Campbell, Eloise Jordan, and Kathy Verhalen. Connie McKinney filled in for Kathy Verhalen at the Degree Ceremony. Margaret music for this ceremony.

During the Installation of Officers Gayle Campbell was installed as second vice-president.

Those attending the meeting were: Sandy Park, Margaret Howell, Connie McKinney, Margaret Rodriguez, Cissia Skiles, Jody McKinney, Gayle

Campbell, Mary Gentry, Miss Iva Tanner, and Mrs. Vera Newton.

Lou Ann McGaughey, Jill Thompson, Teresa White, Eloise Jordan, and Mrs. Allan McGaughey attended the Saturday session.

CONSTRUCTION BEGAN last week on the Truscott-Gilliland Water System. Bids were let and surveying was begun last September on the \$139,000 project. County Supervisor, Joe Boone secured the loan from Farmers Home Administration last summer. The ditching machine pictured above, furnished by Rhode Pipe Co. of Silverton will prepare ditches for the laying of approximately 40 miles of pipeline. Tentative date for completion has been set for May 1.

OFFICIALS gave the final word recently on the "pipe laying" of the Truscott-Gilliland Water System. Shown from left: Paul Horne of Gilliland, president of the board; Ernest Lee, consulting engineer of Wichita Falls; Joe Boone, county FHA supervisor of Knox City; and Carmen G. Rhde, contractor for Rhode Pipe Line Co. of Silverton. About 40 miles of line will be laid, using six inch jointed transite pipe for the approximately three miles of main line and plastic PVC pipe ranging from one inch to four inches for line extensions. The 85 foot well will be drilled north of Gilliland on the O. R. Miller place.

Miss Sheryl Trimmer urged all to come and participate in the "Yesteryears" style show at Council March 7.

Following the business meeting, Miss Trimmer presented

a program on landscaping and yard beautification. She showed slides that displayed several landscape plans and then discussed plantings. The agent said "When planning to landscape one should remember the plants, land masses and man-made structures. Each home has three main areas, the outside approach or public area, the work unit and the living area. Grass and trees are major points in early landscaping efforts, next are shrubs, hedges and screens. Trees should be placed to shade the south

Tax Man Sam Sez

The good tax folks try real hard every year to get tax instructions that taxpayers can follow without getting mixed-up. Of course, the law is real complicated and the IRS folks that write the instructions have their work cut out for them. Taxpayers have more trouble getting the right tax table, and the right line or column on the tax table than anything else. Since the law requires a lot of different tax tables, the instruction must be detailed or even tedious. About the only thing we can do is to re-check our tax computation carefully.

More than half of the errors reported by the computer for Dallas district taxpayers are caused by taxpayers getting mixed-up and getting the wrong tax table, line, or column. So re-check your instructions, your computations and everything. Be real careful! If you don't the computer may send you a little notice pointing out your error.

Services of the Church of God in Christ

Sunshine Band was held on Saturday evening. Each child took part in the service. Sunday School had a small attendance on Sunday morning. Due to illness Supt. Smith was still unable to be present.

On Sunday evening part of the members and some children went to Abilene to attend the YPWV Joint Meeting. Churches from all over the District were represented. The meeting was taught by Sis Rhodes from Collossians 3:1,5.

Supt. Bennett announced a State call meeting in Lubbock on Tuesday night of this week. Also a revival will be conducted by Evangelist Peterson in Haskell, Texas beginning the night of March 17.

Joint Bible Band meeting will be at the Knox City Church this Thursday night.

Many people are sick at this time in Knox City. Let us pray one for another.
