## 5 Students To and Boys State

Boys will from June 5 to June 12, 1971, at the University of Texas, Austin, Commander Watson said.

Departments of the American Legion will sponsor 51 of these Boys States this summer. Two outstanding youths from each of the American Legions Boys States will go to American Legion Boys Nation in July in Washington, D. C., where they will study federal government organization and operation in much the same manner as the Boys State delegates participate in training in state government.

During their State sessions the Knox City youths will participate in the organization of political parties, campaigns, elections, and the enactment and enforcement of their own laws within a mythical state.

"As one of the Legion's outstanding youth-training programs, Boys State affords these youngsters an opportunity to learn the functions of governments," Commander Watson said. "Also, they will see the importance of the role a good citizen has in discharging his citizenship responsibilities. They soon discover how good government depends upon the active interest of every citizen."

On behalf of Post No. 229, Commander Watson expressed appreciation to the Lions Club of Knox City for also supporting these youths to American Legion Boys State this year.

TROOP 161 is shown here with all of the blue ribbons KC brought home. From left, kneeling, Johnny Bradford, Ray Hernandez, Jimmy Lynn, Ricky Bishop, and Roy Faulk. Back row, left, Ricky Hacker, Rudy Hernandez, Gary Odum, Brett Boone, Randy Egentacher, David McLaughy, Robert Taylor, Joe Mark Clonts, Kelly Robinson, and John McLaughy.

## KC Troop 161 Attends Spring Greenbelt District Camporee

Fourteen scouts of Knox City's Troop 161 attended the Spring Greenbelt District Camporee ten miles northeast of Quanah Saturday, and carved out of a tangle of bois de arc and locus thorns, a campsite which won the first place camping honors for the troop. The boys competed against six troops from Vernon and Quanah in such scouting skills as tent raising, first aid, pioneering, and knot tying. Some fun skills such as glove milking and stake driving were included in the events in which approximately 150 boys took part.

The Cougar Patrol led by Randy Egentacher won ribbons in first aid and milking. The Eagle Patrol led by Ricky Hacker won the stake driving and first aid. The Flaming Arrow

Patrol led by Johnny Bradford won in stake driving, first aid, tent pitching, and knot tying.

Boys who attended the camporee were Johnny Bradford, Randy Egentacher, Ricky Hacker, Mark Clonts, Roy Faulk, Gary Odum, Rudy Hernandez, Ray Hernandez, David McLaughy, Brett Boone, Kelly Robinson, Raymond Taylor, Ricky Bishop, and Jimmy Lynn. Scoutmasters C. L. Hacker and John McLaughy camped with the boys. Transportation was provided by Buddy Faulk and Joe Clonts.

Outstanding camping skills in sanitation camp arrangement and camp gaietry contributed to the first place campsite ribbon which the troop brought home after the final campfire ceremony Saturday night. Approximately fifty parents watched the awards ceremony.

Quanah Explorer post acted as host troop and also served as judges of the events, which were carried out under almost perfect weather conditions for camping and scouting skills.

## KC's Second Straight Year For State Champ UIL Awards Banquet To Honor State Winner Betsy Ross, Fri.

The University Interscholastic League and Activity Awards Banquet to be held Friday night, May 21, has another state champion as honoree, the second in as many years.

Betsy Ross, senior honor student and daughter of Mr. and Mrs. J. C. Ross, won first place in Division B high jump at the girls' state track meet Saturday at Elmer Gray Stadium in Abilene.

In girls' track, Division B is made up of Class A and Class B schools. The meet marked the last year for the state event to be held at Abilene Christian College. Next year the state meet will be held in Austin and sanctioned by the UIL.

Betsy's leap of 5' 2" was her best recorded height for the year. Kathy Shuman of Marlon and Bobbie Evans of Elkhart tied for second at 5' 0.

Last year's UIL awards banquet honoree was Mary Gentry, daughter of the Wayne Myers, who placed first in state in Class A informative speaking.

Speaker for the Friday evening banquet to be held at 7:30 o'clock in the school cafeteria is a celebrity in his own rights. Gordon Wood, winner of seven state championships, was honored last Friday in Brownwood when "Gordon Wood Day" saw dignitaries, including former President Lyndon B. Johnson, pay tribute to his many accomplishments. President Johnson was principal speaker at a banquet Friday night and was joined by Lt. Gov. Ben Barnes, State Sen. J. P. Word of Meridian, State Rep. Lynn Nabers of Brownwood, University of Texas football coach Darrell Royal, and an estimated 2,000 Brownwood followers in honoring the veteran coach.

The awards banquet was begun here in 1969 as an incentive to all Knox City students to "Think Big - Think State!" The first banquet honored the late Ansel Waldrip, state champion in discus in both 1921 and 1923, and Darrell Marion, 1965 state champion in the mile run. Miss Gentry's state championship was a first for Knox City in literary events.

**USDA Announces Referendum For Lamb And Wool Producers**

The U. S. Department of Agriculture today announced that a referendum among wool and lamb producers will be held June 7 through 13 to determine their approval or disapproval of a new agreement with the American Sheep Producers Council (ASPC), Inc. The agreement provides for the Secretary to withhold a part of producers' wool payments on 1971-73 marketings. The payment deductions would be used by the Council to finance advertising and promotion programs for wool and lamb.

The new agreement is similar to the last one. By approving it, producers would authorize payment deductions of up to 1 1/2-cents a pound on shorn wool and 7 1/2-cents a hundredweight on unshorn lambs, the same as the maximum deduction rates for the past 5 years.

The referendum will be conducted through the county offices of the Agricultural Stabilization and Conservation Service. The county offices will distribute copies of the agreement and ballots to sheep producers in early June. Producers may cast their ballots by mailing or delivering them in person to county ASCS offices by the close of the referendum.

Anyone may vote who has owned sheep 6-months-old or older for at least 30 consecutive days during 1970. Votes may be cast by individuals, corporations, or partnerships. Cooperative associations may qualify to vote for all of their eligible members who would not then otherwise vote in the referendum.

The agreement requires approval by two-thirds of the total number of producers, or two-thirds of the total volume of production, represented in the referendum. If the agreement is not approved by producers, no deductions will be withheld from payments on 1971 marketings. In this event, ASPC program will be continued only as long as the present reserve fund permits, or until such time as some other agreement may be approved by producers.

Sheep producers have approved the wool and lamb promotion program in 4 referendums since 1954. In the most recent referendum of 1966, 79.9 per cent of the producers voting, who owned 79.5 per cent of the sheep, approved the program.

Wool and lamb promotion expenditures in the year ended June 30, 1970, were about \$3.4 million and the budget for the current year is \$3.2 million. Because of the decrease in wool production, deductions from payments have declined to about \$2.8 million. ASPC has been able to maintain its promotion activities by reducing its reserve funds.

The Council's present wool promotion is on a national basis in cooperation with other segments of the industry which provide additional or matching funds. Lamb promotion now is

concentrated on wool-consuming areas. The promotion activities include advertising, merchandising, and education.

FROM LIMA

In our transit from Rio de Janeiro to Lima, Peru, we had to sail through the picturesque Strait of Magellan, at the far southern tip of South America (not too far from Antarctica, and only 6000 miles from home). We awakened one morning to find the ship surrounded by snow-capped peaks on each side and far ahead of us, and by frigid temperatures on ALL sides. As we sailed past Punta Arenas, Chile, the southernmost city in the world, the mountains and glaciers formed an opening resembling as wide as an irrigation ditch in front of us. It took us only about sixteen hours to transit the 300-mile long passage, and we entered the cloud-shrouded southeast Pacific Ocean on the afternoon of March 12. Three days later, after a brief stop in the harbor of Valparaiso, Chile, we were off again on the remaining 3-day cruise to Lima.

In Lima, Peru, Americans are somewhat more of a novelty than in some other parts of South America. It is not known of us being as popular a vacation spot as, say Rio or Caracas, Venezuela. Some natives tended to stare at us gringos as we walked down their narrow streets, but almost all of them were just as friendly as the Carlocas in Rio. The people of Peru are pretty people, as are most Latin Americans, and the American fashions are "in" down in this country just as they are at home. Miniskirts and hotpants abound.

The city is not picturesque as is Rio, but there are fantastic sights unique to Lima. The Government Palace and its fancy, stone-faced guards, the nearby cathedral which contains the mummified remains of Francisco Pizarro, the Spanish conqueror of Peru and other Latin American countries, and the plaza squares with their ancient Incan architecture are sights to behold and to photograph. The Quechua, Aymara, and Inca Indians offer their products of alpaca and llama rugs for sale in sidewalk stores next door to the numerous jewelry shops selling silver and gold articles made from ore mined in the nearby Andes Mountains. And the asking price of these items is about half of what they can be bought for. Latins like to bargain.

We weren't able to get back into the interior of the country, near Cuzco, where are located the towering snow-covered peaks of the Andes Mountains and ancient ruins of Inca cities, such as Machu Picchu. This was one of the few disappointments to us while in Peru.

Lima also has its beautiful sun-drenched beaches, a few of which are Herradura, La Plata, and Miraflores, and all of which are jam-packed on weekends and holidays. The hills above afford commanding views of these fantastic beaches and their everbreaking surf. The bathers have to move pretty quickly as the sun begins to sink into the ocean, for the temperature drops fast here on the coast, although the days have mean temperatures of about 75-80 degrees, even during the latter part of March.

Many open-air mercados (markets) avail themselves to the dust and flies and other disease-carrying insects. The Indian merchants offer beads, leather goods, socks, and lingerie for sale along with the usual fruits, vegetables, and fish and meats. These markets were common in all four ports into which the USS BLUE RIDGE pulled.

And there were the ever present shoe shine boys, those kids below the age of ten, dressed in their bedraggled shirts and jeans and wearing no shoes in the chilly night air.

A friend and I were driven around the Lima environs by a cheery Peruvian taxi driver (Enrique) and his armless interpreter (Carlos, who had lost both arms in World War II). Hank and Charlie drove us around in our guided tour in their dilapidated '55 Cadillac. We found that the Peruvian drivers were a tad more courteous than those in Brazil. These friends took us through downtown Lima, stopping to let us take pictures of the govern-

ment buildings and plazas and to purchase souvenirs, and through the slums and outdoor markets (Enrique told us that "this is the REAL Peru", and the present home of the proud Inca people), as well as through the better developed Americanized suburbs of Lima.

Hank and Charlie invited us into a small cafe near Herradura Beach, where we were treated to a plate of some strange Peruvian delicacy. We were wary when Hank told the waiter, in Spanish, to bring a plate of "porpo". My buddy and I made several guesses as to what it looked like, but we were anxious to sample it nonetheless. . . . and did. The salty, slightly tough, finger-like appendages were quite delectable, but lost their delectability somewhat after Charlie told us that we were eating octopus! That was okay, but when he ordered something else, and the waiter brought out a raw oyster on the half-shell, covered with onions and hot sauce, we said "Whoa!" That was going a bit too far! I did finally sample it, but quickly retreated to let Charlie finish it off!

In Peru, as in Rio we were warned to stay away from the local water. So, restaurants sell pure water in bottles just as they do soda pop.

After the ten-mile ride back to the Fleet Landing at Callan, Peru, the seaport located west of Lima, we waved adieu to our friends with our free arm that wasn't loaded down with souvenirs and cameras, and boarded the liberty boat which carried us back to the ship, anchored some two miles out in the smelly harbor. We left Peru the next day, bound for Rodman, in the Panama Canal Zone.

One last word you can mull over; according to the taxi driver and his friend, gasoline costs only 10¢ a gallon in Peru. And that's even without a gas war!

**Munday Man To Serve On Board Administrating New Program**

Mr. Leo Wilkowski, President, Texas Wheat Producers Association said that preliminary results on May 14 from the referendum canvassing committee indicate that the wheat referendum held May 11, had carried with 67.1% of those producers voting on the proposition favoring H. This now provides for producer self-assessment of not more than five mills per bushel for research and market development.

He also said that nine producers had been elected to a board charged with the administration of the new program. Those elected according to preliminary results were: Kenneth Kendrick, Stratford; C. L. Edwards, Panhandle; Delbert Timmons, Perryton; Leo Wilkowski, Hereford; N. F. Renner, Spearman; John Cogdell, Crowell; Dwight Hamilton, Olney; Otis Harman, Tulla; and W. R. Moore Jr., Munday.

The wheat producers now join the producers of peanuts, turkeys, grain sorghum and soybeans in having approved self-assessment for research and promotion of their commodities in an effort to strengthen farmer income un-

Existing without central gas air conditioning is no way to live. This summer and every summer central gas air conditioning can keep you cool, at a price you can live with. Very comfortably.

To begin with, you'll save in installation costs. Just add a cooling unit to the furnace and ductwork of your central gas heating system. And there you have it. A complete central gas cooling system.

You'll continue to save while you keep cool. Because gas is cheaper to use than electricity. And our special low summer rates for central gas cooling bring down the cost even more. Through the years you'll find that your maintenance costs are extremely low. Because central gas air conditioning is beautifully designed. Simply and ruggedly. With fewer moving parts to go wrong. It all adds up.

This summer, have central gas air conditioning installed in your home. And find out how really sweet it is.

EDWARD BRAXTON SHAVER III  
...nee Miss D'Anna Rosa Dana

### D'Anna Dana Weds Edward Shaver III Saturday

D'Anna Dana became the bride of Edward Shaver III Saturday afternoon at 4:00 p.m. in the Apostle Episcopal Church in Fort Worth. Philip Johnson officiated at the double ring ceremony. The bride wore a gown of cascades of lace down the front and the detachable train with applique medallions, framed by a wide lace band, flowed into an aisle-wide court sweep. Her veil of imported English illusion fell from a cluster of lace petals and seed pearls. She carried a bouquet of roses, carnations, and stephanotis. Miss Suzanne Dana of Fort Worth, sister of the bride, was maid of honor. Bridesmaids were Miss Doreena Dana and Mrs. Skip Benson, sisters of the bride, both of Fort Worth, Miss Susie Wine of Arlington, and Mrs. John Muller, sister of the groom, of Austin. Their gowns were of dotted swiss over peau de soie in rainbow colors of pink, green, yellow, and lavender. They wore brimmed bonnets and carried baskets of white daisies. Best man was Lanny Logan of Lubbock. Groomsman were Bill Slusser of Arlington, Danny Scott of Mesquite, Bob Isbell of Stamford, and George Medlen of Olney. The reception was held in the Church Annex and hosted by the bride's parents. Assisting were Miss Laura Osburn, Mrs. Mike Peck, Mrs. Bob Isbell, Mrs. Skip Butler, Mrs. George Shuppe, and Miss Mary Locke. The bride is a graduate of Haltom Senior High School in

Fort Worth and received a bachelor of science degree in math from the University of Texas at Arlington where she was an honor student. She is a member of Zeta Tau Alpha sorority and recently received her master's degree in statistics from Southern Methodist University in Dallas. She has been employed by the City of Dallas. Shaver, an honor graduate of Knox City High School, received a bachelor of art degree in government from the University of Texas at Arlington, where he was also an honor student and member of Phi Delta Theta, national fraternity, and the Ex-Letterman's Association. He is currently working toward a master's in government at UTA. Following a wedding trip to the Gulf Coast, the couple will be at home in Arlington. The rehearsal luncheon, hosted by the groom's parents, was held Saturday noon at the El Chico Restaurant.

### Announce June Wedding Plans

Mr. and Mrs. Narciso M. Gauna are announcing the engagement and approaching marriage of their daughter, Janie, to Jessie Bernal, son of Mr. and Mrs. Elias Bernal Sr. of O'Brien. The wedding will be in the Immaculate Conception Catholic Church in Dimmitt at 11:00 a.m. Saturday, June 12, 1971. A reception will follow. The young couple plan to make their home in Dimmitt, where he is employed by the Dimmitt Agri-Industries and she is employed at the Plains Memorial Hospital.

### KC Garden Club At Lake Kemp

The Knox City Garden Club met in the cabin of Mrs. W. C. Hertel at Lake Kemp on May 11, with Mrs. H. F. Jungman serving as co-hostess. The meeting opened with Mrs. Ernie Wilson presiding. Roll call was answered with program suggestions for the coming year. Propagation, conservation, as well as the hospital grounds, and a pilgrimage were mentioned. Mrs. Arthur Crowover extended an invitation from the Chamber of Commerce to the Garden Club, to join with them in an Arts and Crafts show. A covered dish luncheon was enjoyed by all. The tables were decorated with green cloths and "Mr. and Mrs. Vegetable" table decorations. The installation of officers was led by Mrs. Clara Hines. Officers installed included Mrs. Ernie Wilson, president; H. E. Wall, 1st vice-president; Claud Reed, 2nd vice-president; J. C. McGee, 3rd vice-president; Marthie Floyd, secretary-treasurer; Arthur Crowover, parliamentarian; and Idoma Chowning, reporter. Fifteen members were present including Mrs. J. M. Averitt, J. C. McGee, E. Hob Smith, J. T. Gilpin, Idoma Chowning, H. E. Wall, Arthur Crowover, C. C. Hoge, Claud Reed, Emma Watkins, G. W. Coats, Ernie Wilson, L. W. Graham, Marthie Floyd, and Miss Mary Grindstaff, with two visitors, Mrs. Clara Hines of Rule and Lynette Wilde of Houston.

### Gift Tea Honoring Gwen Angle Held In Sterling Lewis Home

Miss Gwen Angle, bride-elect of David Hewitt, was honored with a gift tea Saturday, May 8, in the home of Mrs. Sterling Lewis. Mrs. E. B. Shaver Jr. greeted guests and presented them to the honoree, her mother, Mrs. Buddy Angle, the groom-elect's mother, Mrs. James Hewitt, and the honoree's grandmother, Mrs. Grady Benedict. Special guests included great-aunts, Mrs. Carrie Belle Benedict and Mrs. Mabel Pyeatt. Guests were registered by Miss Stacy Angle, sister of the bride-elect. The serving table was laid with a white lace cloth over yellow and centered with an arrangement of yellow mums. A satin ribbon, inscribed with the honored couple's names, furthered the bride-elect's chosen colors of yellow and white. Crystal and silver appointments were used. Assisting in serving lemonade and decorated cake squares, topped with a miniature bride and groom, were Mrs. Mike Hewitt, and Misses Patricia

### Acteens Honor Mothers Sun.

The Acteens, a junior high group of girls in the First Baptist Church, honored their mothers with a Mother-Daughter tea last Sunday, May 16, in the church's newly-finished youth center at 3:00 p.m. The group presented a program on the work that members are currently doing. Refreshments of punch and cookies, as well as delicious chicken almond puffs made and furnished by Mrs. Horace Finley, were enjoyed by approximately 25 persons. Sponsors of the Acteens are Mrs. Florene Reese and Mrs. Lou Sikes. Mrs. Roger Butler, association director, was a special guest.

### Soil Stewardship Week, May 16-23 Now Is Time To Spray Pecans

Soil Stewardship Week, a nationwide observance which places emphasis on man's obligation to God as stewards of the soil, water, and other related resources, will be observed locally, May 16-23, according to L. D. Offutt, Chairman, Wichita Brazos Conservation District. "The World and They That Dwell Therein," the theme of this year's observance, underscores the responsibility which each citizen has in fulfilling his or her role as caretakers of the realm. The Wichita Brazos Conservation District and some 3,000 component Districts throughout the nation along with their State and National Associations are sponsoring the event for the 17th consecutive year. Among the local events designed to encourage widespread recognition of Soil Stewardship Week are Stewardship Church Programs and Stewardship Programs presented to local civic clubs by the Soil Conservation Service. The Wichita Brazos Conservation District has distributed to churches of all faiths stewardship material created particularly for this year's observance. The materials were prepared by the National Association of Conservation Districts, in consultation with a Soil Stewardship Advisory Committee composed of leading church men in the nation. The committee consists of the Rt. Rev. John George Weber, National Catholic Rural Life Conference; the Rev. Harold S. Huff, Methodist Church; the Rev. Henry A. McCanna, Town & Country Church; Dr. C. Wilson Brumley, Southern Baptist Convention; and Mr. Osgood Magnuson, Dept. of Church & Country Planning. Members of the Wichita Brazos Conservation District Stewardship Committee are: L. D. Offutt, Jack Idol, Emil Navratil, W. L. Ballard and Tiffen Mayfield.

### Accident Cost Drops

The economic loss from traffic accidents in the United States during January totaled \$977,041,000, a reduction of about \$100 million in the figure recorded for the same month last year, the Insurance Information Institute recently reported.

### Former KC Woman Receives Degree

Mrs. R. A. Shaver III has received the bachelor of business education degree from West Texas University in Canyon. Commencement exercises were held Sunday, May 9. Valdictorian of her graduating class in Knox City High School in 1964, Mrs. Shaver, the former Jinx Reeder, attended three years at Texas Christian University in Fort Worth and the fourth year at Canyon. She also completed her practice teaching at Canyon. Mrs. Shaver, daughter of Mr. and Mrs. Joe Reeder Jr., her husband and two-year-old son, Richard, live in Rochester.

### May Is Senior Citizen Month

For the ninth time, May is being observed as National Senior Citizens Month, according to Mrs. Elaine Carmichael, county home demonstration agent. In the United States today, one in every ten Americans has reached his 65th birthday. And there are about 20,000,000 of these older persons in our population. Texas' older persons population is less than the 10% national average, and Knox County has 19% of its total population in the Senior Citizen group. The ranks of American senior citizens are growing, the agent reports. Those 65 years of age and older are increasing at the rate of approximately 900 a day. An additional 2 people in every 10 Americans, or about 42,000,000 middle-aged men and women, will be tomorrow's older Americans. Senior Citizens Month recognizes those 65 and older for the important part they still play in our society and economy. Their skill, judgement and knowledge have been an aid many times in the past, and their inspiration and counsel are continuing assets in the growth and development of our county, Mrs. Carmichael says.

### Tax Man Sam Sez:

At one time the waitress at the local cafe who was lucky enough to get a few tips considered them a gift and certainly didn't pay any income tax on them. Now the law requires the employer to withhold income tax from any employee who receives tips. An IRS radio spot answers the question like this - Question: "I own a restaurant. Must my employees' tips be reported for tax purposes?" Answer: "Yes - if their tips amount to \$20 or more a month, you must withhold Social Security and income tax on them. If the tips are less than that, taxes are not withheld but your employees must still report them when they file their tax return." It looks like IRS is giving employers and employees a tip that tips are taxable.

## New Information SS Reports For Veterans

A special pamphlet for veterans and servicemen who want information about a guaranteed loan for a mobile home has been prepared by the Veterans Administration according to Jack Coker, Director of the VA Regional Office in Waco. The brief pamphlet (No. 26-71-1) titled "Questions and Answers on Mobile Loans to Veterans," is designed to answer questions often asked about the program which was established last December.

Coker said single copies of the pamphlet are available free at all local VA offices. One question the pamphlet answers is "How does a veteran or serviceman go about getting a loan?"

The answer: Obtain a Certificate of Eligibility from the nearest VA regional office, find a mobile home of his choice which meets VA standards; arrange for rental or purchase of mobile home lot; apply to a lender for a loan.

Another question: "Who is eligible for a mobile home loan?"

Answer: Servicemen on active duty, veterans of World War II, the Korean Conflict, and those who served after January 31, 1955, if they are entitled to VA's maximum \$12,500 conventional home loan guaranty.

VA Pamphlet 26-71-1 also provides answers to such questions as where a mobile home can be located, maximum loan amounts and terms, general specifications for mobile homes, interest rates, and other questions about mobile loans.

## SS Reports

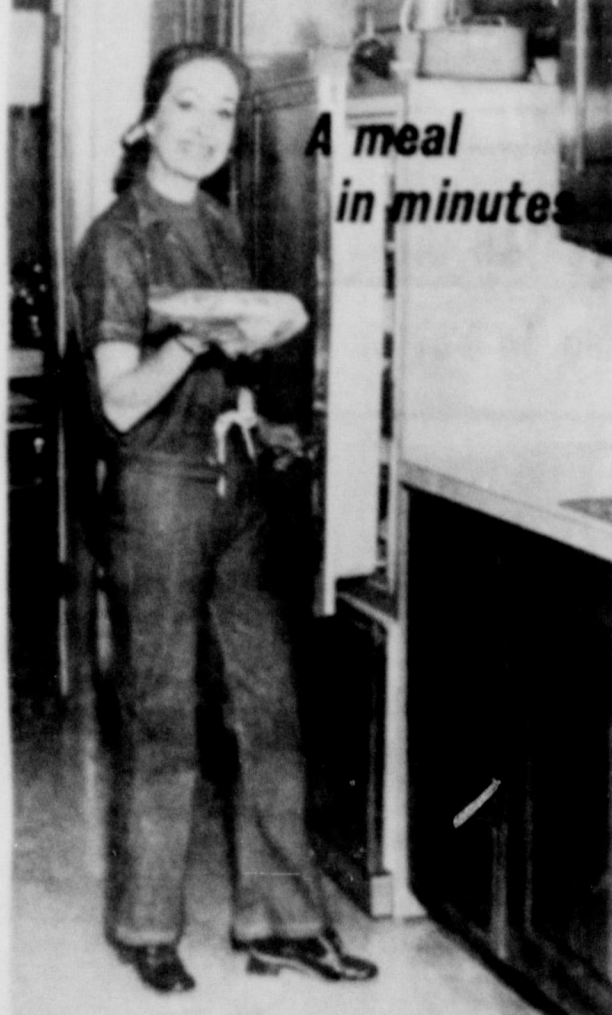

If you are enrolled in Medicare, the protection you have against high medical expenses is becoming more and more valuable each year. Hospital and medical costs have nearly doubled since Medicare went into effect in 1965.

As these expenses have continued to grow, Medicare has absorbed most of the costs with only small increases in the price of its protection. However, to continue maximum coverage to its beneficiaries without increases in taxes, the Social Security Administration has announced that, effective January 1, 1971, the part you pay while in a hospital was increased slightly. For the first 60 days you are in a hospital, Medicare pays all of the covered expenses except the first \$60. For the next 30 days, Medicare pays all the covered expenses except for \$15 a day. You previously had to pay the first \$52 and \$13 a day.

Also, if you use any of the 60 "lifetime reserve" days in the hospital, Medicare pays all the covered costs except \$30 a day.

If you have medical insur-

A few (HA!) have managed to acquire cars - such as: Don Ray, Patricia Lewis, Belva Penman, Greg Clonts, Leslie Fitzgerald, Ricky and Larry Callaway, Rudy Espinosa, Bobby Reeves, Danny Woodall, Roland Marion, Dean Bouldin, and Debbie Wall. Cindy Foster DID have one, but something seems to have happened to it! And Jan Gunn MAY still get that orange '56 Plymouth!

The Sophomores recently completed their workplans for next year. Several subjects are being offered. These are English III, Algebra II, Advanced Geometry, Chemistry, Plane Geometry, Speech, Typing I, Typing II, Homemaking III, Bookkeeping, Shorthand, Athletics, and Band.

See ya'll next year!!

High School. The day was a total success. Dean Bouldin was elected vice-president and became the first Mr. FTA from Knox City to win in eight years. At the end of the day, the delegation caused a small sensation in Wichita General Hospital as they paraded down the hall to Mr. Cash's room to show Dean's gold plaque off.

In December, Mrs. Cash entertained the FTA members at her home for the annual Christmas party. Gifts were exchanged, games were played, and refreshments were served. Everyone seemed to feel that the party was fun and they enjoyed it.

By January everyone was getting excited because we were headed for Houston. It was decided that Brent Hallstuck would run for state vice-president. Mrs. Kemlets spoke to the chapter on her trip to Nevada and California.

February came. At the meeting, Mrs. Ross spoke on modern methods of education. And then on February 21, 32 very sleepy FTA'ers boarded the chartered bus and headed for Houston. We had many memorable experiences. We saw the first rain in three months. Brent Hallstuck did not win, but he developed quite a fan club. Several girls wanted to know if he was going steady, and one girl gave Mrs. Cash her address to give to Brent with the instructions to write her. Don Ray slammed poor Emmy Jones' hand in the door, and several got stuck in the elevator between the 14th and 15th floors. The Rice Hotel may never be the same.

In March reports on the State Meeting were given. The work-

shop reports produced many constructive ideas from the members.

In April, officers were elected. Brent Hallstuck was selected for the president of next year's chapter. Mrs. Benny Grill spoke on the value of getting a good education.

Our May meeting will be Monday night. The new officers for next year will be installed.

All in all the FTA'ers feel we have had a very successful year. Thanks for helping us make it great.

## Hospital Receives New Flag

A new flag pole can now be first time seen on the grounds of the Knox County Hospital, Glen Rumley, administrator, states that as far as he can find out this is the first flag pole ever erected on the hospital grounds.

The pole was donated in memory of Mrs. Ida Love of Rochester. It was reconlited and painted by Buddy Bishop of Rule.

The flag which waves from the pole was donated by the American Legion Women's Auxiliary.

The flag was raised for the

## Eighth Grade News

By STACY ANGLE

Last Wednesday afternoon, the eighth grade class had a meeting and chose Mr. West Hays as its speaker for graduation.

Graduation exercises will be May 27 in the First Baptist Church.

## Jr. High Band News

By STACY ANGLE

Last Thursday afternoon, twirler tryouts were held in the new gym. Majorettes chosen were Timilla Graham, Melinda Hewitt, Pam Skiles, Tamie Grindstaff, and Lynn Larson. Timilla, Melinda, and Pam will be eighth graders and Tamie and Lynn will be seventh graders.

Congratulations, girls!

came and talked to the Juniors during American History class. After telling us some of the background and origin of insurance, he told us that the insurance business controlled \$1 out of every \$6 in the nation. Most of the insurance money, he said, goes to the government. If all protection by insurance were stopped for one month in Texas, we found out, the State Treasury would lose \$3.4 million in insurance taxes and fees. Also, 600 new businesses would not be able to open, 900 corporations would not be formed, 21,000 autos would not be assembled, and 10 or more new schools could not be constructed, nor could the 5,344 schools now standing operate. We appreciate Mr. Counts' taking the time to come and talk to us.

## Sophomore Class News

By DENNIE WALL

School is coming to a close, and because of this, you are reading my last article for this year. I have enjoyed bringing you the Sophomore News, and I hope you have enjoyed reading it.

Twirling tryouts were Thursday and one Sophomore was chosen - Becky Swain.

Cheerleading tryouts were some time ago and three out of four elected were Sophomores. They are Debbie Hurt, Cindy Foster, and Debbie Wall.

Thursday night was the FFA-FFA Buffet Supper, and several Sophomores received awards.

The UIL Banquet will be Friday night at the High School Cafeteria. Tickets are \$2.00 per person.

The girls in athletics have been playing softball every day. One team, made up of nearly all Sophomores, has a good winning streak - when all the players are there! That team - Shari Shelton, Patricia Lewis, Belva Penman, Becky Swain, Debbie Wall, Connie Gentry, Kathi Koot, and Alice Martinez - has played the other team with only few players before!

We didn't do too well! The other team - Debbie Hurt, Karen Helms, Jamie Grimsley, Yolanda Bradford, Jan Gunn, Diane Clonts, Chris Larson, Denise Gribstaff, and Laura Elston - sure rub it in when we lose, since we beat them 40-12 the first day!

The Band Spring Concert is Tuesday night in the School Auditorium. There are several Sophomores in band. They are: Yolanda Bradford, Leslie Fitzgerald, Jamie Grimsley, Jan Gunn, Gary Hewitt, Doris Howell, Patricia Lewis, Belva Penman, Shari Shelton, Susan Stone, Becky Swain, and Debbie Wall.

The band will be going to Six Flags Saturday, May 22. The choir will sing at the High School Nacalareate next Sunday night. The Sophomores in Choir are Cindy Foster, Jan Gunn, Becky Swain, Debbie Hurt, Yolanda Bradford, Patti Pitts, Doris Howell, Debbie Wall, Bobby Reeves, Dean Bouldin, Leslie Fitzgerald, David McGaughy, Jay Eaton, and Danny Woodall.

The year is nearly out and several of us have licenses.

## Senior Class News

By GWEN ANGLE

Our year has been quite successful. It's nearly over and graduation is quite close. That seems impossible.

Last week we chose our songs for graduation. The class will sing "We've Only Just Begun", and a trio of Jody, Rogers, and Gwen will sing "I Love Life". Don Timberlake will be our speaker. Our honor graduates are Rogers Lankford, Valerickson, Becky Ross, Salvatorelan, and Alice Martinez, third ranking.

As of now, Monday, we seniors have approximately eight school days left at KCHS. Most of us can still remember the first day of school twelve years ago. Looking back it seems like only yesterday! But we can still remember many seemingly endless days in school.

A heart-felt thanks goes to our parents, teachers, and friends who have helped us complete twelve unique years of our lives - yet we've only just begun to live.

## Junior Class News

By JAN LANKFORD

Last Thursday, May 6, at 5:30 a.m., the Junior class and Mr. and Mrs. Wes Hays left for Forest Park Zoo and Amusement Park in Fort Worth. This was supposed to be our "Break Day" but the whole school found out about it, so it really wasn't much of a "break". It was a lot of fun, though. We spent the morning at Forest Park, and then after lunch we came back.

About 4:00, we left the park and went bowling. It started raining and then raining while we were bowling. That was so exciting to us that a lot of us just went out and stood on the sidewalk and watched it.

By the time Mr. and Mrs. Hays and the others got through bowling, it was raining so hard that Mr. Hays had to bring the bus around to the door to get us. We stopped for about an hour and then we started home. We ate in Jacksboro on the way back, and we got home about 11:00.

## Freshman Class News

By DENNIE GRUNTAFF

The Greenhand boys had initiation Wednesday night. While they were sitting in that ice water saying the FTA (mills long) creed, we felt sorry for them. The next day the Greenhands were really noticeable, as they wore green paper bands around their necks.

Twirler and drum major tryouts were held in the new gym Thursday afternoon. Diane Clonts was awarded the high honor of drum major. Janna Hise and Debbie Boshop got twirlers. Congratulations, Freshmen!

The FFA-FHA Awards Banquet was held last Thursday night in the school cafeteria. Freshmen receiving awards included Diane Clonts, the home Ec I student award, and Billy Baker, the Ag I Student award.

All the Freshmen agree that it was fun being "fish" but we will be happy to be Sopho-

## FFA News

By ROGERS LANKFORD

The annual FFA-FHA banquet was held Thursday night, May 13. This is always a nice affair, and this year's banquet was no exception. The meal was served buffet style and it was all very good. The FFA and FHA both gave their opening and closing ceremonies. Awards and certificates of achievement and merit were given to numerous members of both organizations. The City Service Awards sponsored by Mr. and Mrs. Joe Roy Smith, were presented to Billy Baker, outstanding Ag I student; Dean Bouldin, outstanding Ag II student; and Max Spencer, outstanding Ag IV student. Mr. Kenneth Lankford was officially made an honorary member of the Knox City Chapter of FFA. Also Joe Roy Smith, Dr. R. G. Howell, and Vic Lowry were recognized for rendering outstanding service to the FFA organization this year.

## Band News

By EMMY JONES

Band member of the month for the month of April is Belva Penman. Belva is a sophomore and the daughter of Mr. and Mrs. Mandy Penman.

The Spring Concert will be held Tuesday, May 18. This will be the last time for ten seniors to formally play with the band. These ten seniors are: Jody McKloney, Betsy Ross, Alice Martinez, Gwen Angle, Emmy Jones, Sammy Tankersley, Rogers Lankford, Mike Newton, Steve McKaye, and Bobby Lewis. The pieces that the High School band will play are: "Also Sprach Zarathustra", "Star Spangled Banner", "House of the Rising Sun", "Back Talk March", "Fantasy for Band", "Festivo", and "Dragons and Jet Planes". The stage band, along with the other grade bands, will also entertain.

## Homemaking II

By PATTY PITTS

The end of this school year is quickly drawing to a close. I'm sure many are regretful that it is almost over, but, to keep their minds off of sorrows, there are many things going on.

Thursday night, May 14, the FFA and FFA members had a wonderful banquet. There were many people there.

Not too long ago the Homemaking II girls prepared a complete meal, by special encouragement on Mrs. Newton's part. Every girl was glad to help, especially in eating it.

## Choir News

By GWEN ANGLE

We are now working on two songs for Nacalareate. They are "My God and I" and "Walk With Us, Lord". The senior trio will sing "The Lord's Prayer". Nacalareate will be held in the First United Methodist Church on May 23.

At this time, I would like to thank our director, Mrs. Melvin Lowrey, for making our choir year so worthwhile. I would also like to thank Mr. McGaughy and the school for sponsoring us on our out-of-town concerts. Lastly, the whole choir would like to thank the people of Knox City for their continuous support and commendation.

## Homemaking I

By JANNA HISE

The Homemaking I girls went to the FFA-FHA Awards Banquet last Friday night. Each girl got an award for completing her Junior Degree. The girls included Debbie Bishop, Diane Clonts, Ginger Crowder, Mary Espinosa, Denise Grindstaff, Janna Hise, Martha Jones, Chris Larson, Karen Leach, Irene Leija, Rachel Rodriguez, Alice Valdez, and Ola Watson.

Each girl has almost finished her dress that she is to model at the Mother-Daughter Salad Supper, May 24, 1971.

## Pep Club News

By ALICE MARTINEZ

Several weeks ago the cheerleader try-outs for Knox City High School were held. Cheerleaders chosen for 1971-72 are Connie Gentry, Debbie Wall, Cindy Foster, and Debbie Hurt. Co-cheerleader is Cecilia Skiles.

At the present time, the Pep Club is making plans for the UIL Banquet to be held Friday night.

As this will be the final article of the Pep Club in the 1970-71 Kennel, I want to say it has been fun along with work reporting to all of you.

## FTA News

By DORIS HOWELL

The KC FTA chapter began the year back in August with an officer meeting at Doris Howell's house. The purpose of this meeting was to plan the program, the scrapbook, and the yearbook. The officers decided to base their projects on the year's theme - Within Our Grasp.

An organizational meeting was held in September. Dues were set at one dollar for first year members and two dollars for other members. After all dues were in, there were officially 63 members in FTA.

In October Miss Martha Jones spoke to the chapter on drugs. Her slides and talk were very informative and many of the members learned more about the cause of drug addiction. Also during October, the FTA members had their money-making project. They knocked on doors and soon sold all of their candy - had almonds and all.

At the November meeting, try-outs for Mr. and Miss FTA were held. Carol King and Dean Bouldin were selected to represent Knox City at the annual speaking event at the FTA District IX meeting. Also at this meeting, the chapter selected Dean Bouldin as a candidate for district vice-president.

On November 27, eleven FTA members and Mr. McGaughy went to Wichita Falls for the district meeting held at Hirschi

## Science Dept. News

By JEAN MARTINEZ

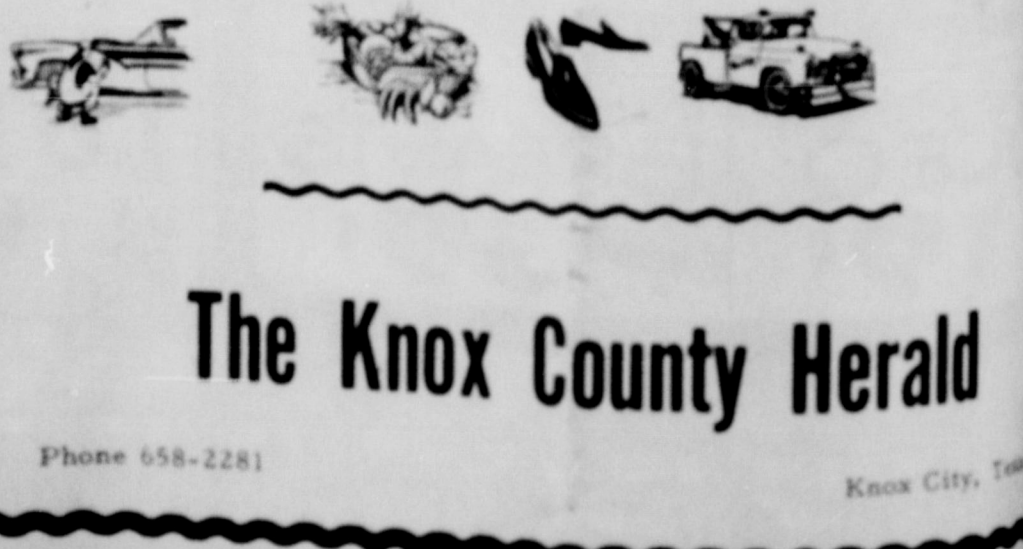

With school nearing the end, this will be the last article written for the science department. Advanced Biology students have completed their labs for the year. There is little doubt that they will be glad too. General Biology students are
