## Towns Inquire at Water Purchase

A meeting for representatives of these towns has been scheduled for Monday, November 5 at 7:00 p.m. in the authority office in Munday. Letters announcing the meeting have been mailed to the mayors of O'Brien, Rochester, Rule, Aspermont, Seymour, Throckmorton, and Weinert. Besides the mayors those expected to attend the meeting will include the au-

thority's board of directors, bond attorneys, state engineers, and a representative from the Texas Water Development Board.

According to Beecher, the new Miller Creek Reservoir is ready for operation as soon as enough run-off water has been collected. At the present time, only about three feet of water is in the lake.

All six phases of construction have been completed with the exception of some work on the treatment plant. However, Beecher stated, "We could get started if we had the water."

Presently the authority has a permit from the Texas Water Development Board to impound water at an elevation of 1,331 feet, but an additional permit would allow raising the water level to 1,337 feet.

With 1,331 feet, the reservoir should contain enough water to last the four member towns through a seven-year drought. The 1,337 foot level would take care of an additional four towns.

If more than the additional four towns were added to the authority, a new permit would have to be obtained to raise the spillway level, Beecher said.

The present water treatment plant is also capable of handling more than the four towns which make up the authority.

At present, persons in the four towns consume approximately 2,200,000 gallons of water per day and the treatment plant can handle 3.5 million to 4 million gallons per day, Beecher said.

The cost of water to other towns is not known at this time, but Beecher hopes to know before Monday's meeting.

EXPRESSING HIS GRATITUDE TO BOOSTER CLUB President W.A. Magee, left, is Coach Don Mullins on behalf of the Knox City Greyhounds and the coaching staff for his fine efforts in promoting support for the Hounds this season. Coach Mullins emphasized the fact that support from the Greyhound Booster Club and other fans who attend the games is an important factor in a winning team.

## To Play Paducah Friday

# Hounds Win Big One

The Knox City Greyhounds remain undefeated for the season following a 20-3 victory over Crowell Friday night in an important District 7-A clash.

The Greyhounds opened up a 6-0 lead halfway through the first quarter after taking possession of the ball on a short Wildcat punt at the Crowell 31. It took the Hounds ten plays, with quarterback Joey Swain going over from the one to climax the drive. Big plays on the drive were a 12-yard run by Dale Bloxham and a nine-yard sprint by Charlie Flye.

The Hounds came back at the beginning of the second quarter to add to their score. On a second-and-long situa-

tion, Swain kept the ball, circled left end, sidestepped several tacklers, and 61 yards later was in the Wildcat end zone for the score. Swain's kick made the tally 13-0.

On a second-and-seven from the Wildcat 34, quarterback Randy Prince let loose an errant pass over the end zone. Defensive standouts included Donald Swearinger, Bo Johnson, and Robert Taylor. The Greyhounds will travel to Paducah Friday night to take on the Dragons, with game time set at 7:30 p.m. Other district 7A results were undefeated Aspermont over Paducah 50-6, and Haskell 38, Munday 13.

Cheerleaders and Pep Club members will be on hand to decorate cars for anyone who desires to have his done immediately following the Pep Rally at 3:00 o'clock Friday afternoon.

Sponsored by the Greyhound Booster Club, the motorcade does lend support and encouragement to the Hounds, according to W.A. Magee, president.

In addition to the excitement of the upcoming game with Crowell last Friday night, fans in the motorcade also heard reports on their car radios of a tornado on the ground southeast of Crowell as the group traveled toward Crowell, thus providing additional anxiety for many. However, by the time the motorcade reached town, the tornado had dissipated and the heavy rain cloud was moving in an easterly direction.

middle and Jimmy Don Moore gladly pulled it down and returned 46 yards for the third KC score with 31 seconds left in the first half, making the score 20-0 at halftime.

## Thanksgiving Supper Set November 21

Plans are being made for the annual Junior-Senior Thanksgiving supper scheduled for Thursday, November 21, in the school cafeteria.

This is an annual affair and is a joint fund-raising project for the two high school classes.

Mrs. Barbara McGaughey and Mrs. Barbara Howell, co-chairmen of the event, urge everyone to make plans to eat with them. They also stated that further details would appear in a later issue of the News.

## Absentee Voting Ends Friday General Election Slated November 5

Next Tuesday, November 5, will be an important day in the lives of all Americans for this is the day that each of us has the responsibility, as well as the privilege, of voting.

Of special interest to Knox County voters will be the race for State Senator, District 30. Democratic nominee Ray Farabee of Wichita Falls is opposed by Republican Mrs. Mary Kirchoff of Plainview.

Voters in Knox City will vote in two boxes. The residents of Precinct 1 will vote at the Community Center in box 7S, while the residents of Precinct 2 will cast their votes at the City Hall in box 7N. All rural voters residing in Precinct 1 will vote in Knox City 7S at the Community Center.

Mrs. Evelyn Shelton will serve as election judge for 7S, while Mrs. Lea Reeves will be election judge for 7N.

Everyone is urged to remember to vote Tuesday. Every vote counts and lack of interest could defeat a responsible candidate.

The polls will be open from 8:00 a.m. until 7:00 p.m. A sample ballot for voters in 7S is printed elsewhere in this week's News.

In a telephone call to County Clerk Zena Waldron's office Wednesday morning, the News learned that fifteen persons had cast absentee votes, with the absentee deadline Friday, November 1, and mail-in deadline Tuesday, November 5.

## Ledesma Rites Held Tuesday

Funeral services were held for Fred Garcia Ledesma Tuesday afternoon at 3:00 o'clock in the Santa Rosa Catholic Church. Father Bartholomew Landweirmer officiated and burial was in the Knox City Cemetery under the direction of Smith Funeral Home. Rosary was Monday at 8:00 p.m. in Smith Funeral Home Chapel.

Ledesma, 22, died in O'Brien Sunday night from gunshot wounds.

A 70-year-old O'Brien man was arrested and charged in connection with the shooting, according to Haskell County Sheriff G.T. Garrett. Being held in Haskell County Jail is George Rocha who was arrested at the scene. He will be held in jail until the grand jury convenes, probably in January, Garrett explained.

Justice of the Peace Hubert Bledsoe pronounced Ledesma dead at the scene.

He was born April 21, 1952 in Knox City, where he lived most of his life.

A 1971 graduate of Knox City High School, he married Benita Garcia December 23, 1972, in Stamford. He was employed by the Brazos Valley Gin in Knox City.

Survivors in addition to his wife include an infant son, Fred Jr. of the home; his mother, Mrs. Janie Ledesma of Knox City; three brothers, Tony of Plainview, Jessie and Manuel, both of Knox City; five sisters, Mrs. Margaret Romo of Dallas, Mrs. Reyes Barrientes of Foard City, Mrs. Yolanda Heraner of Rule, Mrs. Rosa Nevaes and Miss Mary Lou Ledesma, both of Knox City.

## Men's Breakfast Set For Saturday

The Santa Rosa Catholic Church will host the monthly breakfast for men of the community on Saturday, November 2, at 7:00 a.m. in the new St. Isabel Hall.

All men and boys of the community are invited to attend.

## Delegates Attend Baptist Convention

Money, membership, and ministry were the major topics of concert Tuesday as Texas Baptists began their three-day 89th annual convention in Amarillo's Convention Center.

Pornography, abortion, and the role of women in the church offered hints of controversy but only muffled fireworks for the two-million-member Baptist General Convention of Texas.

The Baptists have focused their attention on a record \$20.6 million budget for world missions and a challenge to reach 100,000 for Christ during 1975.

Rev. Ralph Smith of Austin, president, stated "We've never won 100,000 people in one year to Christ, but I think we are in a great period of expansion and growth as far as Baptists are concerned in Texas, both from the standpoint of missions giving through the cooperative program and in reaching people for Christ."

Delegates hoped in pre-convention and convention sessions to provide positive Christian solutions to the problems of world hunger, one of the Baptists' prime areas of concern. Attending the convention from Knox City were the Rev.

## Santa Rosa Lists Building Committee

In last week's story concerning the new parish hall for the Santa Rosa Catholic Church, names of the building committee were not included.

Chairman of the building committee was Ray Escobar who was assisted by committee members Eva Flores, Celso Gonzales, Lupe Figueroa, and Edmund Casillas.

Pastor of the Santa Rosa congregation is the Rev. Bartholomew Landweirmer.

## SS Representative In KC October 31

Kenneth King, representative of the Vernon Social Security office, will be at the City Hall in Knox City at 10:00 a.m. Thursday, October 31. He will take applications for social security.

All persons in Knox City and Knox County desiring to file application for social security benefits are invited to meet Mr. King at the convention location.

## Boys' Home Choir To Present Program

Approximately 36 boys will arrive by bus at the Knox City Church of Christ Saturday afternoon at 4:00 o'clock from the Westview Boys' Home in Hollis, Oklahoma.

According to Payne Hattox, minister of the Church of Christ, the boys will spend the night in homes of various church members and will be participating in the Sunday morning worship service.

Sunday afternoon at 3:00 o'clock, the choir will present a program and the public is invited to attend, Mr. Hattox said.

## Three Games Set For Tonight

Three games are scheduled at Greyhound Stadium tonight (Thursday).

Seventh grade action begins at 5:00 p.m., followed by the eighth grade at 6:30 o'clock and ending up with the JV Bullies at 8:00 p.m.

This will be the last home game for these teams as they take on Paducah.

## Hobby Club Will Meet

Members of the Knox City Hobby Club will be sharing Christmas ideas at their next meeting on Thursday, November 7 at 7:00 p.m. at the Community Center.

Ruby Robinson, reporter, urges everyone to come and share her Christmas ideas.

## MRS. PENMAN IS RECOVERING

Mrs. Monty (Eva) Penman is making satisfactory progress following major surgery in Abilene's West Texas Medical Center, according to a spokesman.

Sunday evening she was moved from the hospital's intensive care unit to room 116 at West Texas.

## Mrs. Cobb Accepts KC Assignment

Mrs. Genie A. Cobb of Knox City, who has been employed by the United States Department of Agriculture Farmers Home Administration as County Office Clerk in the Haskell County office since October 12, 1970, has been reassigned to the Knox County Farmers Home Administration office in Knox City and promoted to the position of County Office Assistant.

County Supervisor Joe T. Boone said Mrs. Cobb's promotion became effective October 27, 1974, and she replaces Mrs. Mamie J. Watson who retired August 30 of this year.

Mrs. Cobb has resided in Knox City since 1950. She and her two daughters, Sheila, 16, and Simone, 12, live at 702 South Avenue F.

## COMMUNITY SINGING SET FOR SUNDAY

The first Sunday singing will again be held at the Foursquare Gospel Church Sunday, November 3, at 2:00 p.m.

Everyone is invited to attend the community singing.

## UIL Band Contest Set Tuesday, November 5

The Knox City High School Marching Band, under the field direction of Timilu Graham, will be competing in the University Interscholastic League marching band and twirling contests for Region II north zone next Tuesday, November 5, in Wichita Falls. Contests are scheduled at Memorial Stadium located on Southwest Parkway.

According to Knox City Band Director Kelly Glaze, the Knox City band will march at 10:20 a.m. and will be playing these numbers: 1. Garden Party, 2. Sousa March - Gridiron Club, and 3. My Hero.

Fred Prentiss, Superintendent of Music for the Wichita Falls Schools, is the contest chairman for the third consecutive year. The chief judge will be J.R. McEntire of Odessa Permian who will be assisted by band directors from Fort Stockton and Pampa High Schools.

Each band's performance must be within a minimum of five minutes and a maximum of eight minutes with required movements being executed in the presentation.

Ratings will be given after each class completes its performances.

High School twirlers Kary Kent, Pam Skiles, and Melinda Hewitt will be competing in solo and ensemble competition between 11:00 a.m. and 12:00. Tami Grindstaff will be unable to participate due to recent knee surgery. Eighth grade twirlers Rhonda Skiles, Jan Lowrey, and Terri Mullins will be competing in

DRUM MAJOR TIMILU GRAHAM will be directing the Knox City High School Marching Band as it performs in the UIL contests at Wichita Falls Tuesday, November 5. The junior daughter of Mr. and Mrs. Jeff Graham, Timi is serving her first year as drum major and according to Kelly Glaze, band director, is doing a remarkable job as she puts the band through its maneuvers during halftime activities at the football games. Timi is a member of FHA, FTA, Beta Club, Band, is assistant editor of the Annual Staff, and participates in both basketball and track. She is a member of the First United Methodist Church.

CHARLENE BROTHERS

## HERE AND THERE

Mr. and Mrs. Claudale Barnard were in Levelland over the weekend visiting with their daughter and family, Mr. and Mrs. Eddie Bryant and children. They carried Jennifer Bryant home, after she has visited several days in their home, while her little brother was in the Lubbock hospital.

Visiting in the home of Mr. and Mrs. A.A. Cox during the weekend were their daughter and family, Mr. and Mrs. Jimmy Burt and family of Lockney.

Teresa Hodges of Tarleton State University in Stephenville visited with her parents, Mr. and Mrs. Buster Hodges, over the weekend.

Mr. and Mrs. Marvin Manning spent the weekend in Springtown visiting with the Derwin Lancaster family, Larry Gibson family and the Jerry Brothers family. They also attended the football game that their grandson, Shane Gibson, played in. This was a third grade game, so it probably was as good as some we see around here, at least funnier.

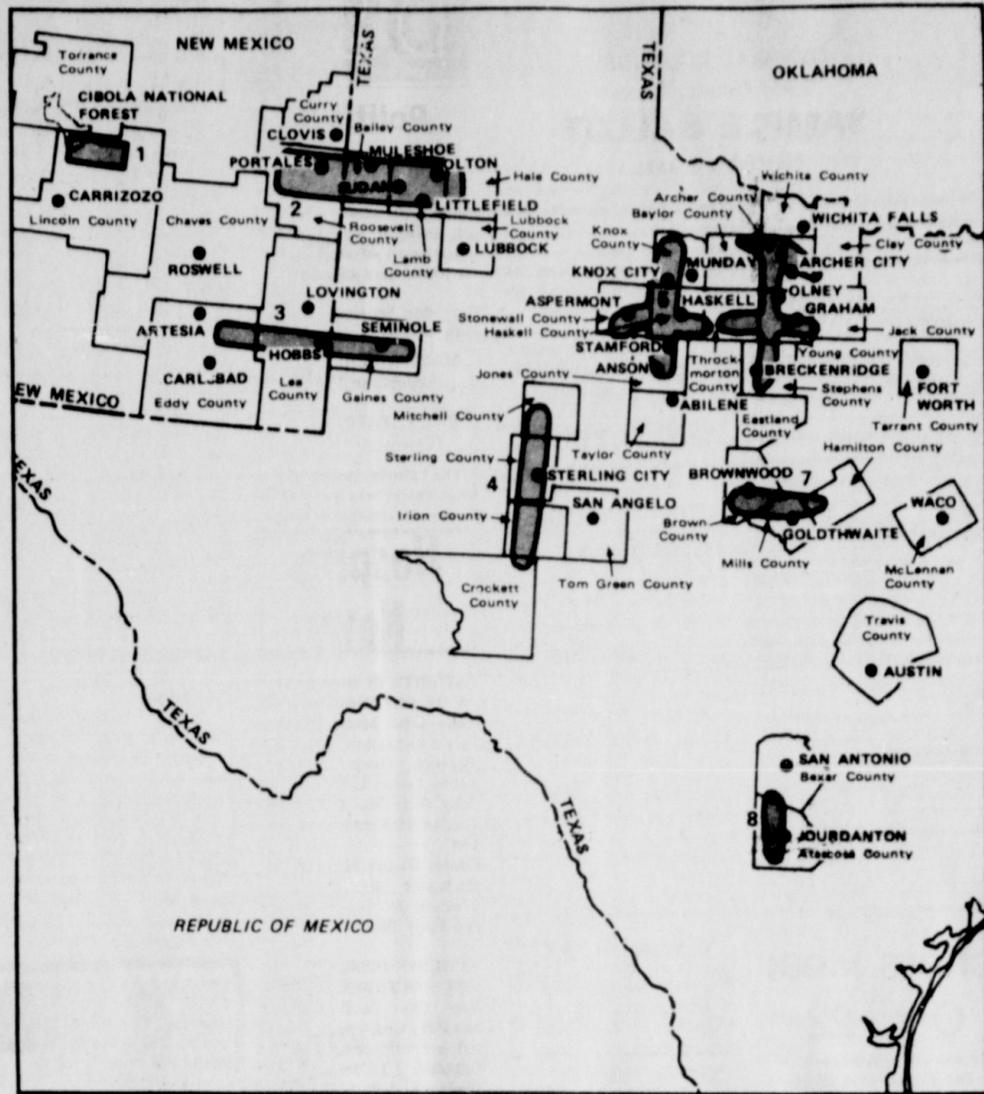

Danny Del Hierro and Bert Gutierrez, students at McMurry College in Abilene, visited with their parents, Mr. and Mrs. Alfonso Del Hierro and Debbie and Mr. and Mrs. Humberto Gutierrez and family, during the weekend.

SSSSS

I'm needing help again. Call me your news and this will help make it more interesting to read. There have been several told me they read the O'Brien news first, especially former residents of O'Brien, that this is their way of knowing what is happening at home. So call in your news, if you can't call me, call the News office, they will take it.

SSSSS

I also missed the ball game last Friday night at Paint Creek, my husband said I must really be sick to miss the ball game and the school carnival, and believe you me, I was. It seems that some people did not want O'Brien to beat Paint Creek. The reports have not been very good about the referees that called the game. Of course,

## County In Geodetic Survey

A five-month geodetic survey of more than 750 miles is being conducted in 30 counties of New Mexico and Texas, it was announced today by the Commerce Department's National Oceanic and Atmospheric Administration.

Portable steel towers, some rising nine stories high, will be used to insure a clear line of sight for determining geographic positions. Laser instruments will enable the federal surveyors to hold error to less than a half-inch in ten

miles. The survey, estimated to cost \$200,000 is being carried out by NOAA's National Geodetic Survey.

A geodetic survey is a precise survey which provides the basis for all forms of mapping, for the development of natural resources and large engineering projects; including the alignment of

highways and buried water and sewage lines and electrical conduits; and for the construction of bridges, dams, tunnels and nuclear

power plants. The monitoring of the earth's movement at nuclear plant sites by geodetic surveys is essential to the selection of stable land sites. Geodetic surveys also provide the basis for determining land boundaries and establishing accurate tax apportionment. The measurements take into consideration the curvature of the earth.

The field parties will conduct the survey in eight different areas of New Mexico and Texas, establishing over 90 geographic positions of latitude and longitude every eight to ten miles. On 18-man surveying team, headed by Ivan R. Crabbe, of Lewiston, Idaho, will work Areas 1 through 4 which will cover portions of Knox, Haskell, Jones, Throckmorton, Stonewall, Baylor, Archer, Clay, Young, Stephens, Hamilton, Bexar and Atascosa Counties, Texas.

The surveys are designed to fill gaps in the existing national network of distances. This network along with a similar network of elevations, provides the basis for all accurate land measurements. The surveys will provide geographic positions that will be used as accurate starting data for mapping natural resources for alignment of highways and public utilities and for land boundaries. The networks are maintained by the National Geodetic Survey.

The surveying crews will conduct operations from atop the towers, using high precision instruments, including those employing laser light beams. Accuracy of measurements will be increased by working at night, when atmospheric disturbance is at a minimum. Distance will be determined by computing the time taken by a laser light pulse to travel to a set of mirrors at another site and return.

Preliminary field work to plan the project began in mid-August. This phase is being carried out in Areas 1 through 4 by surveying

## Paint Creek Falls To O'Brien

they can't see everything that goes on all the time, but sometimes it seems that they could see more than they do. Anyway, O'Brien won the game before the fourth quarter was over.

This leaves O'Brien tied in the district for first place. I am not sure just what will happen if the tie remains, guess they will flip or something like that. O'Brien is ahead in scoring more points and their opponents making less against them than any other school in the district. They appear to be the strongest team, so if they take this into consideration, maybe we will come up first.

The game this week will be at O'Brien, Friday night at 7:30 and they will play Lueders-Avoca. Come out and see a good football game.

Paint Creek Falls To O'Brien

by Charlene Brothers

The O'Brien Bulldogs were in good shape Friday night when they won over Paint Creek Pirates 61-14. They started their scoring in the first quarter when Jaime Rocha ran 11 yards for a touchdown. The extra point was good.

In the second quarter the first score came on a one yard play by Lalo Garcia. A pass to Max Rocha for the extra point was good. Then Lalo Garcia ran 16 yards for the next TD, with the kick being no good. The next two TD's came from Jaime Rocha with a 63 yard run and a four yard play for the second. Keith made the first kick good, but failed with the second one. This ended the first half of play, the score being O'Brien 33 and Paint Creek 7.

During the third quarter, Jaime Rocha ran another TD on a one yard play with the kick being no good. Next came Lalo Garcia with a 19 yard run, with Keith making the extra count. For the remaining score for this quarter Jaime Rocha streaked 62 yards for a TD, with Keith making the extra point.

In the first part of the fourth quarter, Lalo Garcia ran 22 yards for a touchdown, ending the game on the 45-points ahead ruling. They did not try for the extra point, making the score 61-13.

It seems that Jaime and Lalo were running a contest to see who could make the most TD's in this game. Keep up the good work boys, if we make it to bi-district, we may need all the touchdowns we can get, and of course, according to my youngest son, we will make it to bi-district. There is not any doubt. This is what I call positive thinking.

This Friday night the Bulldogs will take on Lueders-Avoca in O'Brien. Kickoff time is 7:30.

**1974 IS A DEMOCRATIC YEAR**

But Only if Democrats Go to the Polls in Full Strength Tuesday, November 5

I am grateful for the fact that I do not have an opponent for re-election as Representative from the 101st District. I hereby solicit the support of every voter in my District. I am not only for myself but for every nominee of the Democratic Party, from Governor, Congressman, State Representative (from the State House to the Court House) down to every candidate for district, county, and precinct office. There has never been a time when there was more urgent need for every Democrat to go to the polls than this year. Our country needs the kind of public service which only Democrats seem capable of giving.

Bob Bullock  
Comptroller

AUSTIN -- Bob Bullock, Democratic nominee for Comptroller this week winds up his campaign to bring a new era of openness, efficiency and common sense to the Comptroller's office.

"This office belongs to the people and it should be run accordingly," Bullock said. "It is the heartbeat of state government and must keep up with the changing times."

The present Comptroller, Robert S. Calvert, is retiring at the end of the year.

Bullock, formerly Texas' Secretary of State, has campaigned in every county in Texas in both the general election race and the Democratic primary. He swept the primary by carrying 243 of the 254 counties.

Bullock says the Comptroller should take a new attitude toward small businesses by helping cut through red tape instead of "spending state money to find two-bit mistakes in nitpicking audits."

He has also called for speeding up the state's handling of city sales tax payments to the cities and for expanding efforts to audit big out-of-state corporations which do business in Texas and handle millions of the state tax

Retired Teachers Hear  
DPS Official Oct. 22

The Knox County Retired Teachers Association met October 22 in the Community Center in Knox City. Mrs. Sudia Cash presided for a short business session. Mrs. Ulric Lea announced a Sectional meeting of Retired Teachers would be held in

Vernon on November 1. The minutes of the September meeting were read and approved. Speaker for the program was John C. Brown with the State Department of Public Safety in Wichita Falls. He was introduced by Ulric Lea.

His subject was "Self Protection for Women." Mr. Brown showed slides and told of the importance of keeping house and car doors locked. He explained that a crime is committed every 14 minutes, and has increased 126% in recent years. He suggested four ways a woman could defend herself: hiding, running, screaming, and striking.

He also said women should be familiar with fire arms, learn about guns and how to use them, never pick up a hitch hiker, look between the seats of her car before getting inside if she has failed to lock it, and to notify police if she thinks something is being done to someone other than herself.

Mr. Brown noted that crime against women had risen greatly since the Mini skirt became fashionable.

Twenty-two members were present and twelve guests. Hostesses were Mrs. Mary Groves, Delia Kay, and Ethel Graham. Mrs. S. P. Keller was added as a new member.

**It's that time again...**

...time to start getting your home ready for the winter months ahead. By starting now and checking your home for those energy leaks, you'll stay warmer this winter and conserve energy.

Take a few minutes and check the following items to make sure your home will be winterized:

1. Insulation is most important... and can pay for itself in energy consumption savings. The usual recommendation is 6 inches of insulation for the attic and 4 inches for outside walls. Check FHA requirements for further information.
2. Weatherstrip doors and windows, and caulk cracks and crevices to prevent drafts and the loss of heated air.
3. Maintain heating equipment for maximum efficiency by having it checked by a competent serviceman.
4. Dirty filters cause heating equipment to work harder and use more fuel. Check your filters every 30 days. If they're the permanent type, clean them according to the manufacturer's directions. If they're the disposable type, replace them at least every 90 days.
5. Don't be a "thermostat jigger." Turning the thermostat up or down doesn't cause the equipment to heat or cool faster. It simply works longer to satisfy the setting. The national conservation program calls for settings of no more than 68°F. in heating weather. If you are going to be away for several days, lower the temperature to 60°F.
6. Don't place curtains, furniture or other objects in front of heating registers or return air openings. This blocks the flow of warm air.
7. Open blinds and draperies on sunny days to help heat your home during the day but close them at night to help reduce heat loss.
8. Keep the fireplace damper closed when the fireplace is not in use.
9. Storm doors and windows are not customarily used in this part of the country, but they do reduce heat loss. As a temporary substitute, a sheet of clear plastic stapled or tacked over screen doors or windows works well.
10. Keep the opening and closing of doors to a minimum to reduce the loss of warm air.

Nation, Myself Can Get Well

# 'I'm Sick' but You'll Hear Me When It's Time to Vote

**TIME TO VOTE**

Editor's note: For the last several years the following article, first printed in the Cincinnati Enquirer, has been reprinted widely in newspapers and magazines. With the election right around the corner, the Knox County News reproduces it here for your interest.

There are those who claim ours is a "sick" society; that our country is sick; that we are sick. Well, maybe they're right. I submit that I'm sick...and maybe you are too.

I am sick of having policemen ridiculed and called "pigs" while top killers are hailed as some kind of folk hero.

I am sick of being told that religion is the opiate of the people but marijuana should be legalized.

I am sick of commentators and columnists canonizing anarchists, revolutionaries, and criminal rapists, but condemning law enforcement when such criminals are brought to justice.

I am sick of being told that pornography is the right of the free press, but freedom of the press does not include being able to read the Bible in school grounds.

I am sick of paying more and more taxes to build schools while I see some faculty members encouraging students either to tear them down or burn them.

I AM SICK of Supreme Court decisions which turn criminals loose on society - while other decisions try to take away my means of protecting my home and family.

I am sick of pot-smoking entertainers deluging me with their condemnation of my moral standards on late night television.

I am sick of being told that policemen are mad dogs who should not have guns - but that criminals who use guns to rob, maim, and murder should be understood and helped back to society.

I AM SICK of being told it is wrong to use napalm to end a war overseas - but if it's a Molotov cocktail or a bomb at home, I must understand the provocations.

I am sick of not being able to take my family to a movie unless I want to have them exposed to nudity, homosexuality, and the glorification of narcotics.

I am sick of riots, marches, protests, demonstrations, confrontations, and the

other mob temper tantrums of people intellectually incapable of working within their system.

I am sick of hearing the same sick slogans, the cries of people who must chant the same thing like zombies because of the sins of my forefathers - when I have looked down both ends of a gun barrel to defend their rights, their liberties, and their families.

I am sick of cynical attitudes toward patriotism. I am sick of politicians with no backbone.

I am sick of permissiveness. I am sick of the dirty, the foulmouthed, the unwashed.

I am sick of the decline of personal honesty, personal integrity, and human sincerity.

**MOST OF ALL** though, I am sick of being told my country is sick - when we have the greatest nation that man has ever brought forth on the face of the earth. Fully 50 per cent of the people on earth would willingly trade places with the most deprived, the most underprivileged among us.

Yes, I may be sick, but if I am only sick, I can get well. I can also help my society get well - and help my country get well.

**TAKE NOTE!** all of you...you will not find me throwing a rock or a bomb; you will not find me under a placard; you will not see me take to the streets; you will not find me ranting to wild-eyed mobs.

But you will find me at work, paying taxes, serving in the community where I live.

You will also find me expressing my anger and indignation to elected officials.

You will find me speaking out in support of those officials, institutions and personalities who contribute to the elevation of society and not its destruction. You will find me contributing my time, money, and personal influence to helping churches, hospitals, charities, and other establishments which have shown the true spirit of this country's determination to ease the pain, suffering, eliminate hunger and generate brotherhood.

But, most of all, you'll find me at the polling place. There - if you listen - you can hear the thunder of the common man. There, all of us can cast our vote - for an America where people can walk the streets without fear. - Author Unknown.

## Benjamin News

BY MRS. VAN GREEN

**HALLOWEEN CARNIVAL**

The annual Halloween Carnival has been termed "very successful" by those of us who attended it Saturday night. Each class and the PTO booths did well in their money-making efforts and much appreciation is expressed to all who in any way were responsible for making it the success it was.

Following the carnival, the program and coronation was held. The program depicted the 1950's and songs and pantomimes were taken from that era. Each class had a part on the program. The grade school king and queen were fourth grade representatives Wendy Pollock and Alan Hurd. Junior High royalty was Sheila Jones and Eric Redder, the fifth grade representatives. The High School king and queen were David Milson and Ann Brennan, the senior class representatives. We congratulate all these students.

**MES. STAMPS HONORED**

Mrs. Ricky Stamps was honored Monday night with a pink and blue shower in the club house at Benjamin. Many useful gifts were received by the honoree.

Serving as hostesses were Mrs. Joe Barton, Mrs. Tom B. Hudson, Mrs. Bobby Robertson, Mrs. Kenneth Roberts, Mrs. Bud Conner, Mrs. Stanton Brown, Mrs. Johnny Reid, Mrs. Dutch Young, Mrs. Fred Carver, and Mrs. Miss Driver.

Refreshments of cookies and punch were served to about 25 guests.

**JR. HIGH BALL GAME**

The Benjamin Junior High Colts wound up their season Tuesday night suffering a defeat by the Leuders-Avoca team. The score was 39-14 with Mark Oxford and Pedro Estrada making our TDs. Half-time activities included the crowning of football hero and sweetheart, Tracy Cartwright, an eighth grade student, is this year's hero and Shannon Ryder, a sixth grade student, was chosen sweetheart. Congratulations, Tracy and Shannon!

**HERE 'N' THERE**

Miss Vicki Terry of Vernon visited her grandparents, Mr. and Mrs. Bert Marshall last week. Also visiting the Marshalls one night last week were the Lumir Tomaneks of

**TRUSCOTT**

Mrs. Audrey Moian visited her daughter and family near Waco recently.

Dutch Young spent several days in the Wichita General Hospital last week undergoing tests. Results of the tests were good and he returned home Thursday night and is back at work.

Kathy Milson of Texas Tech spent the weekend with her parents, the S.L. Milsons.

Mrs. Bob Tavernia and Alicia of Electra visited her parents, the Pat Meinners over the weekend.

Mr. and Mrs. Bobby Robertson visited their aunt in Lubbock Monday night.

Mrs. Jerry Perry and daughters Dee Ann and Barbie visited her mother, Zena Waldron and her sister and family, the Sammy Pierces, over the weekend.

Mrs. T.B. Brown and Terri of Lubbock visited Mrs. Audrey Nolan over the weekend.

Mr. and Mrs. Joy Stamps of Otton and Mrs. Odeasa Mitchell of Littlefield visited in the Rick Stamps home Monday night.

Mr. and Mrs. Larry Conner and Jeff moved here last week. They will remain here through Christmas while Larry is doing his practice teaching in Knox City.

Mrs. Ruby Wynn of Munday spent the weekend with her sister and family, the Van Greens.

Mr. and Mrs. Kenneth Roberts attended the funeral of her brother-in-law in Houston over the weekend.

Weekend guests of Mr. and Mrs. E.W. Duke were Mr. and Mrs. Darrell Sawyer of Old Glory and Joe Fred Jackson of Beaverton, Oregon.

Mrs. Auneta Jackson, who is a resident of the Brazos Valley Care Home, also spent Saturday with her daughter and family and attended the Halloween Carnival.

**IN SHELTON HOME**

Mr. and Mrs. Fred Blackwell of Lefors were overnight guests in the home of their daughter and her husband, Mr. and Mrs. Carl Shelton, Monday night.

The Blackwells were en route home after visiting relatives in Crockett and Austin.

**Hermleigh Rolls Over Benjamin**

The Hermleigh Cardinals rolled over the Benjamin Mustangs Friday night by 60-24.

Mustang Keith Conner sparked his team with a 55-yard kickoff return and two 22-yard runs for paydirt. Kenneth Groves made the other touchdown, while a

**bob bullock**  
democrat /  
comptroller

Bob Bullock is the overwhelming choice of Texas Democrats for Comptroller. He won the primary election with 75 per cent of the vote.

Bob Bullock is a tough-minded, straight-talking lawyer. He was described as "the best Secretary of State that Texas ever had."

Bob Bullock knows Texas government from one end to the other. He has proven himself in public service.

Aldrich of visited Mrs. Sunday. Mrs. District Avon

Ray Glasser parents, Mr. Williams in

Pearl Ryder of Benjamin and Mrs. Roy

Bo Holder of Aspermont with Mrs.

Gwynn Hickman and Mr. and Mrs. Newell Looney.

Mr. and Mrs. Buddy Tolson and children of Benjamin visited Mr. and Mrs. Roy Daniel Sunday.

Mrs. Winnie Carter of Granbury visited her mother, Mrs. Arthur Horne, this weekend.

Monday Mrs. Roy Daniel will go to Wichita Falls to have surgery on her arm.

Mrs. Mary Baty visited Mr. J.C. Baty in Rhineland a few days this week.

Last Tuesday afternoon visitors in the W.H. Haynie home were Mr. and Mrs. Frank Gordon of Sherman, Gene Gordon of Paducah, Joe Gordon of Crowell, and Mrs. Russell of Vernon.

Mr. and Mrs. W.H. Haynie spent a week in Wichita Falls recently.

Harold Myers of Lubbock visited his parents, Mr. and Mrs. C.E. Myers and family over the weekend.

Mr. and Mrs. Arnold Navratil attended a funeral Thursday in Keota, Oklahoma.

Last Saturday Mr. and Mrs. Harvey Jones of Crowell visited Mr. and Mrs. Bill Owens.

The Gilliland Home Demonstration Club met in the home of Mrs. Emil Navratil Wednesday afternoon. The program was Know Your

STANDING BESIDE THE BEAUTIFUL AFFANGEMENT of bronze mums is Mrs. B.M. Farmer, who with her husband, were honored Sunday by their children and grandchildren on the occasion of their 62nd wedding anniversary. The lovely flowers were shared with the congregation of the First Baptist Church where the group attended morning worship services before dining out at noon.

## Farmers Honored On Anniversary

Mr. and Mrs. Ben Farmer were honored on their 62nd wedding anniversary Sunday with a dinner hosted by their children, Mr. and Mrs. J.M. Farmer of Littlefield and Mr. and Mrs. W.R. Moore Jr. of Munday.

Mr. and Mrs. Farmer and their guests attended worship services at the First Baptist Church prior to the luncheon at Korner Kitchen.

Mr. and Mrs. Farmer were married October 27, 1912, west of Knox City at the home of Mrs. Farmer's parents. They were honored with an open house on their golden wedding anniversary in 1962 and again on their sixtieth at a family celebration.

Guests included Mr. and Mrs. J.M. Farmer and Ben of Littlefield, Mr. and Mrs. Moore, Mr. and Mrs. Phil Moore of Abilene, Mrs. Millie Booe of Lubbock, Mayor and Mrs. Sam Jones of Seymour, Mrs. Loree Clarke, and Mr. and Mrs. Charlie Clarke.

## Delta Kappa Gamma Has Regional Meet

Rights and Consumer Laws. Mr. and Mrs. Jim Lin Shook visited Mr. and Mrs. Elmo Shaw and family over the weekend.

Mrs. S.D. Kinnibrugh of Floydada and Mrs. Ted Horne and Melissa of Plainview visited Tuesday night with Mr. and Mrs. W.H. Simmons. The Benjamin Halloween Carnival was attended by a big group of people.

Mrs. E.D. Welch visited Mr. and Mrs. Wilfred Welch and family in Wichita Falls Wednesday through Friday.

Mr. and Mrs. Claude Myers and girls and Mr. and Mrs. Leonard Myers and son, Kenneth of Amarillo visited Mr. and Mrs. C.C. Myers over the weekend.

Leroy Robinson of Ft. Hood visited this weekend with Mr. and Mrs. Charles Burton.

The 1974 Knox County Home Demonstration Club Achievement Day was held Friday, October 25 at the Truscott Community Center. Truscott and Gilliland women who entered and the ribbons they received were Mmes R.C. Daniel - 2 blue and 1 red; E.J. Jones - 2 red and 4 white;

The Wilbarger Memorial Auditorium in Vernon was the place for the Delta Kappa Gamma Society Regional meeting on October 19. Hostess chapter was Beta Gamma.

Dr. Madge Davis and Ruby Lee Bevil, both of Wichita Falls, and members of Zeta Sigma Chapter, were assisted by Frances Jenne and Mrs. Aurora Adamon.

Registration and a coffee, as well as the Chapter Presidents' Conference were held from 8:00 until 9:00 a.m. The general meeting opened with the singing of the Delta Kappa Gamma song. Ruby Lee Bevil presided over the General Session. Invocation was given by Mrs. Mary Martin, Haskell, Beta Chi Chapter.

Roll Call of Chapters and members was conducted in an interesting manner by each person's walking over to a total stranger and conversing for two minutes and then introducing the new acquaintance to the assembly.

The Mini Regionals went into session in the Forum and Western Rooms. Region Forty-one was presided over by Frances Jenne. The following topics were presented by a skit, panel, and forum: "Promises! Promises!" by Erma Liles and Kathleen Diggs, Beta Chi Chapter; "Friend? Or...?" Beta Ryo Chapter, moderator, Evelyn Lancaster, presented by Christine Gay; and "Go! Go! Go!" by Alpha Omicron Chapter, Bettie Jo Crum, Leah Graber, Mattie Lee Smith, Vivian Davis, and Frances Smith.

The luncheon was served at 12:00 noon, with the hostess chapter, Beta Gamma providing special music from "Sound of Music." "How Well Do We Know Our Founders" as the topic given by the Booster Cables, Dr.

Bill Owens - 3 blue and 1 red; J.R. Brown - 3 blue, 1 red, and 2 white; Clyde Bullion - 1 blue; Idoma Chowning - 1 blue and 1 white; Kathy Carroll - 2 blue; and June Navratil - 1 white. Mrs. J.R. Brown received the Sweepstakes Award for having the most ribbons. There were about 30 people attended from Crowell, Benjamin, Munday, Gilliland, and Truscott.

Henry Abbott, former Truscott resident and uncle of Sammy Abbott and Mrs. Lumir Tomanek, died Thursday in San Angelo. His funeral was held there Thursday in the Johnston Funeral Home. He was married to the former Zora Chowning.

Mr. and Mrs. Lumir Tomanek visited his mother and sister, Mrs. Anna Tomanek and Mr. and Mrs. Fojtik and family in Knox City Friday.

## Protect Land To Prevent Erosion

If you can see signs of erosion on cultivated land, you are probably losing soil at the rate of more than 14 tons per acre per year.

"A loss this high shows that the land is inadequately protected," Arche Lieb, Soil Conservation Service District Conservationist, says. "Generally, losses much higher than this occur when rain or wind can strike bare cropland. Very steep unprotected land can lose more than 300 tons of soil per acre per year."

"It is not particularly important that the farmer or gardner is able to tell how many tons of soil is lost," Lieb continued. "SCS conservationists can figure this for those who really want a good estimate. The important thing is that if the farmer and gardner can see erosion -- something needs to be done, fast."

"A common misconception is to blame all visible water erosion on running water, which we call runoff," Lieb said. "Runoff does cut ditches and rills, but is generally a sign of advanced problems, which actually start with raindrops striking bare soil. You can prove this to yourself by observing bare soil in a small blower box or enclosure. Beating raindrops will actually erode the surface of the soil by splash action with no runoff at all. On the other hand, if you cover the box of soil with clippings, or plant it thickly with grass, no measurable splash erosion will occur. What this tells us is that a cover on the cultivated land, either vegetation or a mulch, is the best soil protection."

"There are several things that farmers and gardeners can do about erosion," Lieb said. "First, practices can be used that keep a cover on the land. Believe it or not, this can be done even in fields of sorghum, cotton, small grain, or Guay with a practice called minimum tillage."

"Contouring, crop rotation, terracing, and other methods are also helpful to keep runoff from carrying sediment from the field," Lieb said.

"For the gardner, a compost heap is a good investment in soil erosion control," Lieb said. "Just build a big box of old boards or wire fence in a shady place in your back yard and put all your leaves, grass clippings, and organic waste in it. Over time, nature will transform this material into excellent organic fertilizer. Mixed into the garden, compost will make the soil more spongy. It will absorb and hold more water. Used as a surface mulch, it will prevent water erosion."

Home gardeners can also use farm-tested practices. Contouring rows and using terraces in a home garden shortens the slope and reduces erosion. The contoured rows capture the soil particles that the raindrops knock loose from the surface. Rotations, moving plants around in the garden, can serve as a conservation practice and will also reduce disease. And there are edible plants such as turnip greens that can be used as a protective winter cover crop.

"For the farmer, reduction of erosion starts with wise land use planning," Lieb said. "A conservation plan utilizing up-to-date conservation methods is the farmer's best bet for full production and income over the long term with the smallest loss of his basic soil resource."

Conservation planning assistance is available. Cost-

sharing assistance is also available on many practices through the Great Plains Conservation Program or Rural Environmental Assistance Program. For more information, contact your local Soil Conservation Service office. Helpful bulletins available at the SCS office include "Soil Erosion, the Work of Uncontrolled Water," "Soil Conservation at Home," "Gardening on the Contour," "Mulches for Your Garden," and "What is a Conservation Plan".

## Interesting Polls Conducted at KCHS

by Stacy Angle  
Have you ever wondered how the reasoning power of Knox City High School students compares with that of others in this same age group?

Many interesting subjects have been discussed lately in Coach Jimmy Rogers' civics class and we thought the results of some of the present day controversies might be of interest to others.

As part of our recent nine-weeks' test, the 34-member class was divided into five groups to conduct

surveys on five subjects among the high school student body, the faculty members, and others at random. Also the surveys indicated the gender, race, church or non-church member, high, middle or low income group, and last, but not least, political party preference.

Certainly the surveys could not be considered general, but efforts were definitely made on the part of the class members to question as many persons as possible in the length of time allowed.

Polls were conducted on the following questions:

- "Do You Think Marijuana Should Be Legalized?"
- "Do You Think That President Ford Should Grant Conditional or Unconditional Amnesty to the Draft Dodgers?"
- "Do You Believe in Mercy Killings?"
- "Are You For or Against Abortions?"
- "Do You Believe in Capital Punishment? If So, Do You Think It Should Be Enforced?"

We plan to report on each question each week as space permits in the school news and will list the high school students conducting each survey.

(To be continued)

### FHA NEWS

by Patti Counts  
A meeting was held Monday, October 21, at 6:00 in the High School Library to select "little brothers and sisters" or "grandparents." Each girl decided which they would rather have and will do special things for their choice. For the kids, kindergarten and younger, there was a Halloween party Wednesday at 4:00. There was much fun and refreshments for everyone. During this school year, the girls will help their "little brother or sister" with homework, play with them, and just everything that would be expected of a "big sister".

For those of you who were chosen as "grandparents," you may be in the dark about just who your granddaughter is because some of the girls want that to remain a secret for awhile. So keep on guessing!

A workshop for nearby Area officers was held Tuesday, October 22, in the O'Brien homemaking room. Area Fourth Vice-President Gayle Tankersley participated in the program. Attending from our chapter were Sheryl Guinn, Patti Counts, and sponsor Mrs. Vera Newton.

IMPACT was the program topic and it was explained by Sharon Adkisson of O'Brien, Nelda Burgeman of Munday, and Gayle. Refreshments were served and a "getting-to-know-each-other" period was held. Despite the rain, we all felt the workshop was very successful.

### SEVENTH GRADE BAND NEWS

by Gerri Watson  
Last week we had a pep rally everyone liked. The band played "Father of Victory" and a new song called "American Patrol". We had a lot of compliments on our new one.

There are only two more pep rallies left in this year. The twirlers got their pictures last week. We could get a single picture of us and the group together. The single pictures came in black and white and the group came in color. Band group pictures have not arrived yet.

### SEVENTH GRADE NEWS

by Junir Figueroa  
Our 7th grade team played Crowell last week and got beat 12-0. Tonight they'll take on Paducah and I'm sure it promises to be a good game. Monday morning Coach Mullins walked into history class and told us he was going to show us a film on recent history that had been made. He showed the one on the Knox City-Crowell game.

We have been working on book jackets on library books we have read. Mrs. Mullins and Mrs. Lankford are taking them to a reading workshop in Vernon on November 12.

## School Calendar

- Thursday: Oct. 31: Paducah Here, 7th, 8th, and JV, beginning at 5:00, 6:30, and 8:00
- Nov. 1: Teacher In-Service, Student Holiday; Paducah There, 7:30
- Nov. 4: TSTA Meeting
- Nov. 5: UIL Marching Contest, Wichita Falls; election day--Don't forget to vote
- Nov. 6: District FFA Leadership Contest, Throckmorton

## LUNCHROOM MENUS

BREAKFAST MENUS:  
NOVEMBER 4-8, 1974  
Monday: Orange Juice, Buttered Toast, Peanut Butter Whip, Milk

Tuesday: Orange Juice, Scrambled Egg, Buttered Toast with Jelly, Milk  
Wednesday: Orange Juice, Oatmeal, Buttered Toast, Milk  
Thursday: Orange Juice, Sausage, Buttered Toast with Jelly, Milk  
Friday: Applesauce, Cinnamon Toast, Milk

LUNCH MENUS:  
NOVEMBER 4-8, 1974  
Monday: Fish Sticks, Cream Peas, Buttered Beets, Thick Sliced Bread with Butter, Tartar Sauce, Orange Cake with Orange Icing, Milk

Tuesday: Pizza, Green Limas, Green Salad, Coconut Pudding, Milk  
Wednesday: Spiced Luncheon Sandwiches, Buttered Corn Lettuce and Tomato Slices, Potato Chips, Apricot Cobbler, Milk  
Thursday: Pinto Beans with Tamales, French Fries, Tomato Relish, Corn Bread with Butter, Ice Cream, Milk  
Friday: Baked Chicken with Gravy, Mashed Potatoes, Green Salad, Hot Rolls with Butter, Honey, Milk

## BACK THE GREYHOUNDS

## HONOR ROLL

### KNOX CITY SCHOOL FIRST NINE WEEKS

The following Knox City school students have made the honor roll for the first nine weeks of this school year. In order to make the honor roll, a student must make a grade of 90 or above in all solid subjects.

**First Grade:** Eloise Agraz, Michael Albus, Leah Boone, Paula Chambers, Christi Clayton, Kathy Hernandez, Terry Lowrey, David May, Barbie McGaughey, Michael Rauch, Tammy Rogers, Shelly Rumley

**Second Grade:** Rhonda Averitt, Phyllis Bolton, Mark Delgado, Steve White

**Third Grade:** Becky Bolton, Sarah Jones

**Fourth Grade:** Karae Beason, David Lankford, Jill May

**Fifth Grade:** Kevin Leach, Jeanna Richards, Melissa Whitley

**Sixth Grade:** Paula Averitt, Ray Farmer, Kay Howell, Stacy Leach, JoDee Stout, Adam White, Kimberly Whitley

**Seventh Grade:** Cyle Clayton, Greg Elston, Junior Figueroa, Russell Hacker, Dwayne Johnson, Deann Stamps, Gerri Watson

**Eighth Grade:** David Benson, David Counts, Terry Curd, Jan Lowrey, Jodie McGaughey, Jimmy Rushing, Troy Walker

**Ninth Grade:** David Anderson, Brett Boone, Junior Gonzales, Mike Howell, Tommy Mangis, Lori Richards

**Tenth grade:** Sheryll Guinn, Judy Morgan

**Eleventh Grade:** Dale Bloxham, Lisa Boone, Mike Burkham, Timilu Graham, Mark Howell, Jimmy Lynn, Jimmy Moore, Jerry Stamps, Ray Thompson

**Twelfth Grade:** Cindy Albus, Stacy Angle, DeLacy Bateman, Vickie Berryman, Merri Clarke, Gae Farmer, Brenda Harris, Laura Lynn, David McGaughey, Carolyn Orr, Debbie Reese, Gayle Tankersley

## Coaches' Comments

### by Coach Don Mullins

Knox City won its biggest game in several years last Friday at Crowell. It was a much relieved burden getting by one of the top teams in the state. Although several individuals stood out, it took the entire team effort to beat Crowell. It was a game we had to win to stay alive in the district, although we have three tough games left. Several factors played an important role in beating the Wildcats; an inspired defense headed by Donald Swearner, Jimmy Moore, and Mark Howell; the punting of Charlie Flye; the recovery of two fumbles by Flye and Howell; two interceptions by Jimmy Moore (one for a TD and the other to stop a TD drive), the running of Joey Swain and Dale Bloxham; and the down field blocking of Jerry Eaton.

### Jimmy Lynn, and Donald Swearner.

The game went as expected or I might say, as we planned it. We knew that if we played well, made a minimum number of mistakes, and had a break or two, we could possibly play with them. As it went, we took an early lead and forced Crowell to open up a bit, and from their natural habitat of running over people. This was costly to them because they are not that type of team, and it was hard for them to make a come back. We could have probably scored more the second half, but we knew we didn't have the game won yet, even with 20 points. It forced us to play conservative ball the second half. We didn't want any fumble or interception to give them an advantage deep in our territory. As it turned out we did the right thing and after viewing the film, probably wouldn't change a thing if we could play it over.

I would like to thank every

## JV Bullies Lose To Crowell, 24-0

### by Coach Jimmy Rogers

The Knox City Junior Varsity was defeated by the Crowell Wildcats last Thursday night 24-0. The Wildcats were able to score on two fieldgoals and three touchdowns. The Bullies were able to get close but never scored. The Bullies did a respectable job considering the size of the Wildcats.

The young men playing for the Junior Varsity are: David Anderson, Mike Howell, Tommy Mangis, Flint Richardson, Kelly Robinson, Donny Mullins, Phillip Rhodes, Robert Watson, Mark Clonts, Junior Gonzales, Brett Boone, Eddie Martinez, Troy Lewis, Jimmy Albus, and Charles Durham.

We are very proud of these young men for their effort and the attitude they have. This Thursday we play Paducah here at 8:00.

### FROM TAHOKA

Charles McAuley of Tahoka visited here Tuesday of this week.

one who had any part in our preparation for the Crowell game and especially Donald Swearner, Jimmy Moore, Mark Howell, Cliff Ray, Charlie Flye, Joe Huff, Jerry Stamps, Ray Hernandez, Al Bateman, Rudy Hernandez, Robert Taylor, Jimmy Lynn, Jerry Eaton, Tim Whitten, Rusty Grimsley, Joey Swain, Donny Skiles, Bo Johnson, Randy Lewis, Coach Ledbetter, Coach Lowrey, and Coach Rogers.

All of these did an outstanding job in helping to beat Crowell.

We are now in preparation to play Paducah at Paducah Friday night at 7:30. They are 0-2 in district play but should be respected as they have the type of team that can score quickly. They scored 15 points against Crowell the first half and had a TD or two called back against Aspermont last week. We cannot underestimate the Dragons like we did last year. They beat us 26-20 last year with somewhat the same type team.

We appreciate the fan support we are receiving and would like to see more join in helping the Hounds to another step closer to the district championship.

**ALL PRESCRIPTIONS MUST BE CAREFULLY CHECKED**

A pharmacist first studies every prescription before compounding. The dosage is checked for safety. We make certain we know exactly what your physician wants. If we are in doubt we call the physician for more information. Then, you get your prescription quickly.

That is why most new prescriptions cannot safely be ordered by mail. You would lose too much time and this personal checking between the physician and pharmacist, if compounded in a distant state, far from your physician.

"A GREAT MANY PEOPLE ENTRUST US with their prescriptions, health needs, and other pharmacy products. We consider this trust a privilege and a duty. May we be your personal family pharmacy?"

**M-M JONES PHARMACY INC.**  
PHONE 658-3215 KNOX CITY, TEXAS

Graham they attended different workshops and heard winning Mr. and Miss FTA speeches.

Also at the meeting they elected new district officers for the year '75-'76 and the District IX voting delegates elected Karen Smith of Burk Burnett to run for state Historian.

**PASF NEWS**  
by Sandy Stubbs  
The PASF organization had a meeting October 21. Mrs. Sammie Carpenter spoke at the meeting about her trip to Old Mexico. The organization made Mrs. Carpenter an Honorary Member of PASF. Mrs. Escobar also gave every member their membership cards.

**HOMEMAKING I NEWS**  
by Angie Rios  
Last week in Homemaking I we discussed our Home Experience Plan, which is an experience we do at home in a period of six weeks. We haven't all decided what we are going to do, although some of us have already started working on it.

**GREENHAND NEWS**  
by David Anderson  
This week we are working on our Parliamentary Procedure team which will go to Throckmorton November 6. Also this week our Ag teacher, Mr. Lillon, became a father. He now is the father of a bouncing baby girl. The Ag. 1 class would like to say congratulations to Mr. and Mrs. Dillon. So--Congratulations!!!

We also had a visitor this week. His name is Mr. Connor and we were glad to

You know, the worse inflation gets the more we need somebody like Briscoe. He's created a lot of good jobs and he knows how to get things started.

It's quite refreshing for me to know that we have a man like Dolph Briscoe... a man who puts integrity before all things...

Dolph Briscoe's proved he has the contacts and the know how to bring new business to the State of Texas. We can't afford to lose him at a critical time like this.

In times like these when the economy is so shaky, I'm going to stay with Governor Briscoe.

Briscoe's kept pace without adding new taxes - I voted Republican in 1972, but I'm voting for Briscoe this time.

We need new jobs and more income in this state and Governor Briscoe is helping us get them.

They all promised no new taxes; Dolph Briscoe kept his promise.

I think Dolph Briscoe is a Governor you can believe in. I'm looking forward to voting for him in November.

## RE-ELECT GOVERNOR BRISCOE

### HE KEPT THE PROMISE
