Vote for "MA" FERGUSON for Governor

Can Sterling Buy the Governor's Office? Do You Want \$350,000,000.00 Road Bonds

The Sterling campaign therefore raises a question of grave public concern, wholly aside from the question of who shall be elected governor from among the present candidates. That is whether the office of governor shall be set up, in Texas as a prize for the man who is willing to spend the most money in the campaign.

It is a question whether the door to the governor's mansion can be unlocked only with a golden key, as one candidate puts it. It is a question whether the right of high office, inherent to every citizen in a democracy, shall henceforth be restricted to multi-millionaires.

It is a question, also whether freeborn citizens of Texas can be so charmed with the glint of gold and the glamor of great wealth that they can be blinded to every other consideration which enters into the choice of a governor.

My platform is well known. I want to pass an old age pension law. I want to double the capacity of the tubercular colony. I want to make peace officers quit drinking bootleg. I want to keep Texas money in Texas.

I want to protect homes from inhuman foreclosure. I want to take the big trucks and busses off the highways and make them safe to travel, and keep them from destroying our roads and throwing our railroad employees out of employment.

I am for Texas and her people. I am opposed to the exploitation and oppression of our people by corporate wealth. I am for any law that will protect our people from the trusts. I am for the protection of our small and independent oil producers, as well as for the protection of our farmers and small lease-holders who have oil producing areas. I am opposed to crude oil coming into our state free of tax, yes my friends all these things are pure and unadulterated Fergusonism and if you want these things vote for me. If you are opposed to them then vote for Mr. Ross Sterling. Let us not dodge or duck. Let us meet the issue.

Don't forget Saturday is the Day for you to Cast Your Vote for "Ma". Because she is wise and for the commonwealth of this Great State.

(PAID POLITICAL ADVERTISEMENT)

WESTERN PRODUCE CO. WE ARE INCORPORATED

By being so we can pay more for what we buy. Our old system was to pay independent dealers two cents a pound and dozen over our door price we have changed that policy and buying direct from the producer. If our competitors can't pay our prices and make any money then you should know we are paying all we can for poultry and eggs. In other words space of this paper you will find the official market of other states that are much closer to market than we are (compare the market.)

We have no ill will toward anyone. But we have the interest of people at heart that supports us. The greater support we have the better price can pay you yes we make money have to to stay in business.

Our net profit last year was 75 cents on \$100 sale. Three fourths of a percent on any independent dealer operate on that? No!

Some people speak of the company as a chain take that as you like but if some company was not operating

here you would be getting 3 to 5 cents less for your commodity than you are as it cost about 10 cents per pound to put live poultry on the Eastern markets. The present eastern market range from 19 to 23 cents per pound on hens so if the independent dealers is your friend and you don't want him to loose money don't sell him your poultry.

Ignorance is bliss, 'tis folly to be wise, so I should be happy.

DR. CALDWELL'S THREE RULES

Dr. Caldwell watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation is a mild vegetable compound. It can not harm the most delicate system and is not habit forming.

The Doctor never did approve of drastic physics and purges. He did not believe they were good for human beings to put into their system. Use Syrup Pepsin for yourself and members of the family in constipation, biliousness, sour and crampy stomach, bad breath, no appetite, head-aches, and to break up fevers and colds. Get a bottle today, at any drugstore and observe these three rules of health: Keep the head cool, the feet warm, the bowels open. For a free trial bottle, just write "Syrup Pepsin," Dept. BB, Monticello, Illinois.

Mr. and Mrs. J. H. Darnell and son spent Sunday and Monday with his parents in Sweetwater.

T. P. Withrow is reported ill this week. He is not in the drug store where he works.

P. C. Lowrey and family are moving this week from Mineral Wells back to Knox City. He will be employed by the Cotton Growers Co-operative Gin Company. His daughter, Wilma, is doing fine. She will attend school here this year.

Mrs. T. S. Williams of Range spent the first of the week here with her brother, Mr. and Mrs. C. H. Keck.

A. H. Sims announces this week his is the only Blacksmith Shop open on the west side of town. The Matthews shop is closed. Sims owns his building and bus and state that his prices will not change because of the other closing. He solicits your business guaranteeing to please you.

opened many times that the lieutenant governor became the governor and filled the place more acceptably and with more credit than had his predecessor. For example, right here in Texas, the elevation of Will Hobbs following the impeachment of James E. Ferguson.

In the coming primary we have two candidates for lieutenant governor. One is Sterling P. Strong of Dallas at elderly ex-traveling salesman with no legislative background but only the record of having briefly attempted to win a seat in the United States senate as the enthusiastic champion of the Ku Klux Klan. The other is Edgar Witt of Waco.

Considering the circumstances, with its possible eventualities, Witt's nomination for second in command is significantly important. West Texas voters should line up with him in a body, for here is his legislative record:

He actively supported the legislation creating Texas Technological college.

He was a leader of the movement in behalf of the over-burdened common man and helped put over the act to re-value their loans. Senator Small's river-bed bills had his enthusiastic support, and he was one of the senators to vote for their re-passage over the governor's veto.

It was Witt, who, in the regular session of 1925, introduced the resolution asking congress to place an import duty of \$1 per barrel on crude oil; and he was one of the authors of the pipe line bill sponsored by independent oil operators of Texas before the last special session.

West Texas cotton farmer have not forgotten pink bollworm regulation. Witt supported the bill setting up appropriations to pay them for losses incurred in enforcement of the quarantine.

Witt's home folks are sold on him. He has been in the senate of Texas for 12 years. He was away, in army service, when his friends put his name up for his first term, and against a candidate who campaigned the district, he won by a seven-to-

one vote. He has been re-elected twice without opposition, and the primary of July 26 McLennan county endorsed his candidacy for lieutenant governor by a vote of 36,361 to 3,128 for all his opponents combined, the candidate nearest him receiving only 957 votes.

Senator Witt has been a member of all the important committees of the upper house, chairman of most of them at various times. He has the support of nearly every colleague in the upper house, is entitled to the place he seeks and is completely deserving of West Texas support.

Texas will never be ashamed by the type of candidacy represented in Edgar Witt.

Mr. Butram of Oklahoma was Oil Right till election day and then he was Oil Wrong.

Let every body vote Saturday. If you loose smile we cannot all win better be a good looser than a poor winner.

Sheriff Elliott was in Knox City Wednesday.

KONJOLA ENDS NEURITIS OVER-COME HARD TIMES AND STOMACH PAINS

Grateful Man eager to endorse Famous Medicine That Did So Much For Him

W. T. BRYANT

"Konjola is the best medicine ever made," said Mr. W. T. Bryant, 1005 Marzel street, Oak Cliff, Near Dallas. "Neuritis became so severe in my legs that I could scarcely walk. There was a constant aching in my back and shoulders. I could never get a perfect nights rest. My bowels were irregular and I was constant in taking cathartics. I always had a sour stomach, frequent accumulations of gas and severe headaches. My vitality was at a low ebb, and I felt miserable."

"After giving Konjola a trial I am like a different man. Konjola restores my organs to normal condition and they now function perfectly. I am no longer bothered with indigestion or constipation. The neuritis pains have completely left me and my entire system is in good condition. Konjola deserves all the praise it gets—and more."

When taken for six to eight weeks, Konjola the best and different medicine, will work wonders that will astonish those who suffer from the stubborn ills of the stomach, liver, kidneys and bowels and of rheumatism, neuritis, and nervousness.

Konjola is sold in Knox City, at the Orient Drug Store, and by all the best druggists in all towns throughout this entire section.

Mr. and Mrs. C. H. Keck came home Sunday from their trip to Colorado. They drove in from Colorado in the rain, saying that it rained every day they were there.

Mrs. A. W. Von Struve and daughter, Blossom, of Waco and Mrs. Hardin and granddaughter, Doris of Dallas are here visiting relatives, the Clarkes.

Mrs. John Smith made a trip last Thursday to Dickens and returned with her father who spent the week end here. Mr. and Mrs. Lewis Roach of Denton spent Saturday and Sunday here and the elder Mr. Roach returned home with them for a visit in Denton.

When your Children Cry for It

Castoria is a comfort when Baby is fretful. No sooner taken than the little one is at ease. It restores a few drops soon bring contentment. No harm done, for Castoria is a baby remedy, meant for babies. Perfectly safe to give the youngest infant, you have the doctors' word for that! It is a vegetable product and you could use it every day. But it's in an emergency that Castoria means most. Some night when constipation must be relieved—or colic pains—or other suffering. Never be without it; other mothers keep an extra bottle, and, second, to make sure there will always be Castoria in the house. It is effective for older children, too; read the book that comes with it.

VOTE FOR REUBEN LOFTIN

OF HENRIETTA FOR STATE SENATE, AUGUST 28

A vote for him is a vote for the masses and not for the classes. Opposed to increase taxation or bonded indebtedness. A man who for six years in the legislature voted and worked for all legislation favoring the farmers, the cattlemen, the coal-miners, men, and the Independent oil operators.

Mr. Loftin was born in this district on a Young County farm, and has lived either on a farm or in a small town in this district all of his life. He knows our needs and problems, and can be of great help to this County and District in the Senate.

Let's give him a promotion which he rightly deserves.

Farmall Price Reduced

We have just received a big piece of news from the International Harvester Company announcing a reduction of \$50.00 in the price of Farmall Tractors. The announcement says:

"We are glad to be able to make a reduction in the Farmall tractor price at this time because right now the farmer is seriously in need of anything that will help him cut down his production cost.

"As the original all purpose tractor the McCormic-Deering Farmall has won tremendous popularity. More than 100,000 Farmalls have been built. Already this tractor has created a real revolution in farming. It is the best investment a farmer can make.

We will be glad to give you a demonstration any time it is convenient for you, on any farm power job including breaking, listing and the cultivation of row crops.

**Tried All Kinds of Medicines But De-
bare Argotane Is Best On Market**

Not a day passes but what state-
ments are received from local peo-
ple telling of the great benefits they
have derived from the stomach re-
medy Argotane.

The following statement was re-
cently made by O. Flaunagan of 215
Merchant street, Abilene, Texas,
while talking with the Argotane re-
presentative.

"For about two years I have suf-
fered from indigestion and every
meal I would have a lump form in
the pit of my stomach and gas would
form and bloat me up that would
make me so nervous I could hardly
do my work. I had dizzy spells and
never got a good night's rest. I was
in a general rundown condition.

"I had tried many different kinds
of medicines but nothing seem-
ed to give me any benefit until I started
to take Argotane and I am much
pleased with the results. In fact, it
has done me more good than any
medicine I have taken and I feel
much better in every way. I eat now
and enjoy every meal and that bloated
feeling has left me and I am gain-
ing strength every day. I'm not as
nervous as I was and sleep fine every
night. I have certainly improved
in health and I give credit where
credit is due, to Argotane for it has
given me relief and I sincerely be-
lieve it is the best medicine on the
market."

Genuine Argotane may be bought
in Knox City at the Orient Drug
Store.

THE GOLDEN WEDDING
By David Gray

O Love, who patient pilgrim feet
Life's longest path have trod,
Whose ministry hath symbolled sweet
The dearer love of God;
The sacred myrtle wreathes again
Thine altar, as of old;
And what was green with summer
then,
Is mellowed now to gold.

Not now, as then, the future's face
Is flushed with fancy's light;
But moonery with a milder glare,
Shall rule the feast to-night.
Blest was the sun of joy that shone
Nor less the blinding shower;
The bud of fifty years ago
Is love's perfected flower.

O memory open thy mystic door;
O dream of youth return;
And let the light that gleamed of
yore
Beside this altar burn.
The past is plain: 'twas love idleg-
'Een sorrow's iron chain;
And mercy's shining thread has
twined
With the dark warp of pain.

So be it still O Thou who hast
That younger bridal blest,
Th' the May-morn of love has passed
To evening's golden west;
Come to this later Cana Lord,
And, at thy touch divine,
The water of that border board
To-night shall turn to wine.

**A Sour
Stomach**

In the same time it takes a dose of soda
to bring a little temporary relief of gas
and sour stomach, Phillips Milk of Mag-
nesia has acidity completely checked,
and the digestive organs all tranquilized.
Once you have tried this form of relief
you will cease to worry about your diet
and experience a new freedom in eating.

This pleasant preparation is just as
good for children, too. Use it whenever
coated tongue or fetid breath signals need
of a sweetener. Physicians will tell you
that every spoonful of Phillips Milk of
Magnesia contains many times its
volume in acid. The genuine, the
same Phillips is important. Imitations
do not act the same.

Vote for Ben G. Omsel

Of Wichita Co
Leading Candidate
for Twenty
Senatorial District

He is a capable business man
and an able lawyer.
He is not a politician, never be-
fore been a candidate for office.
He will render valuable service
to the 23rd Senatorial District
well as to all Texas.
He has conducted his campaign
on a high plain.
He is against the \$350,000,000
road bond issue.
He is against any increase in
State taxes.
He is opposed to the relocation
of the penitentiary system.
Your vote and support will be
deeply appreciated.

To My Patrons

I am still selling gasoline
and oil and buying it from
Knox City people - - those
who live and pay taxes in
Knox City.

I appreciate your business
and am sure you will find our
service and gasoline as good
as ever.

2,000,000 Chevrolet Sixes now on the road

Since January, 1929, Chevrolet has
produced over 2,000,000 six-cylinder
automobiles—nearly five times the
record of any other manufacturer
over an equal length of time.

These 2,000,000 buyers have chosen
Chevrolet because it offers scores of
desirable qualities not obtainable in
any other car so low in price.

Yet, despite its many fine car ad-
vantages, the Chevrolet Six is unusu-
ally economical. Its gas, oil, tire and
upkeep economy is unsurpassed.
And any model can be bought for
