Operators Hit Palo Pinto In Clonts Test

Stanolind Oil & Gas Co. No. 1 W. H. Clonts et al, 467 feet from the north and west lines of subdivision 10, block 8, D. G. Burnett Survey, 4 1-2 miles north-east of Knox City, topped the Palo Pinto reef at 4174 and the porosity at 4238 feet. Operators plan to drill 12 feet in pay and set 5 3-16 inch casing on top.

The elevation of the well is 1450 feet, compared with 1441 feet on the No. 1 Icclena Clonts and 1442 feet on the No. 2 Icclena Clonts. The permeable zone ran slightly lower than the No. 1 well and a few feet higher than the No. 2.

The drilling contractor twisted a drill pipe in two Wednesday afternoon just as the pay was reached, and had a fishing job the following night. However, the difficulty was corrected in short order and operators were being resumed this morning (Thursday).

On the Verhalen No. 1, about 1800 feet from the No. 2 Clonts, operators are drilling below 3205 feet.

Katz and Venable No. 2 Dozier, west of O'Brien, has been completed in the Strawn formation and is reported flowing in tanks. Operators are skidding and rigging up for the Katz & Venable No. 1 Underwood, offset location to the Dozier No. 2.

West of Knox City, the T. D. Humphrey and Humble Oil & Refining Co. No. 1 Mary A. Bush is drilling below 5440 feet in sand. No shows have been reported.

Progress on the four tests near Bateman No. 69, recent Strawn discovery which on completion tests flowed 22 barrels of oil in one hour through 1-2 inch choke, was reported as follows:

Kingwood No. 1 Ross Ranch, 1 3-4 miles southeast of No. 69, drilling at 4465, shale and lime.

Ohio Oil Co. No. 1-D W. R. Ross, direct east offset to No. 69, drilling below 5295 feet, lime.

Norwood Drilling Co. No. 1 Ross, 2 miles northeast of No. 69, drilling below 2098 feet in shale.

Humble Oil & Refining Co. No. B-1 Masterson, 5 miles north of No. 69, drilling below 4679 in shale and lime.

Operators on the Anderson-Pritchard No. 1 Made Harber, 5 miles north of Weimert, have completed the well after perforating with 30 shots and again with 36 shots, at 4680-89 feet. No official estimate of potential is available.

Ard Drilling Co. and Stanolind Oil & Gas Co. No. 9-W Masterson, in King County, has been completed as a gasser with initial potential of 645,000 cu. ft. of gas per day. Mazda-Finley limestone was topped at 5389 feet.

Stanolind Oil & Gas Co. No. 9 Masterson, northeast offset to Ard No. 2 Masterson, small oil producer in King County, is drilling below 2974 feet, shale.

Ard and Stanolind No. 12 R. B. Masterson, 11 miles northeast of Guthrie, is drilling below 5243 in Strawn lime.

BOB EDWARDS SERVING WITH PACIFIC FLEET

Robert C. Edwards, interior communications, 3rd class, USN, son of Dr. and Mrs. R. C. Edwards of Knox City is now serving aboard the destroyer tender USS Hamul now in Far Eastern waters, where she is supplying food, oil and repair parts and facilities to destroyers attached to the U. S. Pacific Fleet.

In addition, the Hamul has a complete medical unit aboard, which is equipped to handle every medical emergency from an appendectomy to an amputation. She is under the command of Capt. F. A. Munroe, USN, and flies the flag of Rear Admiral K. M. McManus, USN.

Rev. and Mrs. C. W. Parmenter left Wednesday for Lubbock to attend conferences of the Methodist Church. Board of Christian Education was scheduled for Wednesday and Thursday, and on Friday and Saturday they will attend a meeting of youth leaders. Rev. Parmenter is district director for the Youth Leaders.

O'BRIEN MEN TO PLAY DONKEY BASKETBALL GAME

Twelve prominent male citizens of O'Brien are apt to spend next Thursday in bed following the Donkey Basketball Game to be played at the O'Brien School gymnasium on Wednesday night, January 31.

The community will be divided into two teams, the east team and the west team. Sonny Hughes has agreed to serve as captain of the west side and Alton Hester will be manager of the east team. Their players—and they have promised full teams with plenty of substitutes, will all be local business men and farmers between the ages of 25 and 75.

Rules of the game are similar to those of a donkey baseball game. Each player must be on his donkey before he can pass the ball, receive the ball or shoot at the basket.

The donkeys are trained, but the Dunnam Donkey Shows of Crescent, Okla., say they are not responsible in case of "skinned shins, broken backs, cuts, scratches or bruises." They will furnish no rubbing alcohol (nor alcohol in any form), no pillows to sit on, and no ambulance service.

The donkeys will be fitted with rubber shoes and the game will be played in the gymnasium. Joe Davis, superintendent, said.

Proceeds will go to the O'Brien Athletic Fund, and school officials urged everyone interested in the school's activities to attend.

Principals Wm. Mann and O. K. Edmondson were appointed by the superintendent to act as floor custodians during the game, which will begin at 8:00 p. m.

O'Brien Bulldogs Tops in First Half Of District Play

The O'Brien Bulldogs pulled upset No. 2 Friday night when they defeated Rochester, 40-27, for the Steers' first defeat of the season.

The Steers led 8-7 at the quarter but trailed 15-12 at the half. Mack Clark, Eugene Parker and Bob Glover all left the game as a result of personal fouls, and the Bulldogs won going away. The game was one of the fastest ever played on the O'Brien gym, and each player on both teams played excellent sportsmanship in the hard-fought game.

Wayne Hutchinson was high-point man of the night with 16 points. Eugene Parker led Rochester's scorers with 13, and Dub Johnston and Roy Hines accounted for 10 points each for O'Brien.

The Rochester volley ball girls handed the O'Brien girls their first defeat of the season, 29-22.

The O'Brien "B" boys remained undefeated for the season by defeating Rochester 28 to 26 in a well-played ball game. Don Poe led O'Brien with 11 points.

Tuesday night the Bulldogs journeyed to Rule and administered a thorough beating to the Bobcats. Scores were 74-24 in the "A" game and 32-18 in the "B" game.

The O'Brien volleyball girls also won over Rule. The Rule girls were playing their first game of the season, having worked out only two days.

End of the first go-round leaves both "A" and "B" teams undefeated in conference play. The volleyball girls suffered their first defeat of the season last week at the hands of Rochester.

Tuesday night the Bulldogs are scheduled to play Benjamin at O'Brien.

Ollie L. (Booger) Emerson came in last Saturday to visit his parents, Mr. and Mrs. M. F. Emerson. Booger is stationed at Kirkland Air Base in New Mexico and is here on a 14-day convalescent furlough with a fractured hand.

Mr. and Mrs. W. B. Thompson of Hale Center and Mr. and Mrs. J. B. Herring and children of Lubbock spent the week end in Knox City with their mother, Mrs. Ida Herring.

Committees For Calf Show Named

Committees have been appointed to work out the details for the annual Knox County 4-H Club and FFA Livestock Show, which is to be held in Knox City on February 10, according to an announcement by Kenneth O. Lewis, Knox County Agricultural Agent.

The annual show, sponsored locally by the Knox City Lions Club, is held alternately in Knox City and Munday.

Competition should be keen this year, Mr. Lewis said, with a good number of boys rearing calves for the show. Winners in the county show will be entered in the district show at Wichita Falls.

Those named to the various committees are as follows:

General Superintendent, Lee Smith.

Finance Committee: Claude Reed, chairman, Ancil Waldrip and S. N. Reed.

Arrangements Committee: B. B. Campbell, Lee Smith, Barney Arnold and Rip Collins.

Food Committee: Roy Baker, chairman, O. W. Causey and Charlie Keck.

Auction Sale Committee: S. N. Reed and L. W. Graham.

Publicity: Irene Branch.

Plans formulated by the committees will be announced at a later date, the county agent said, and it is hoped to make this one of the better shows of the area.

SOIL DISTRICT SUPERVISORS SAY PLAN COVER NOW

This is the time of year to be thinking about the necessity of cover on the ground to protect the land from wind and water erosion that may occur this spring following rains.

It is very necessary, believe the supervisors of the Wichita-Brazos Soil Conservation District, that all maize and cotton stalks remain on the surface of the soil and that all tillage be performed with a chisel at this time of the year.

Mouldboard plowing is not a good practice for the land, according to the supervisors. The yields may be increased the first year, but will return to normal thereafter. The planting of soil conservation crops in the fall of the year is very necessary to hold the land from blowing and to build up the badly needed organic matter. The practice of plowing with a mouldboard plow, the supervisors say, is a great factor in the deterioration of plant food.

Land that is subject to severe wind erosion each spring should be retired to a permanent cover of perennial grass, the board believes. The grass seed drills that belong to the district are now being used by cooperators to plant grass. Technicians of the Soil Conservation Service are assisting these cooperators to carry out this part of their conservation plan.

SUNDAY SCHOOL CLASS ENJOYS PARTY

The Builders' Sunday School Class of the local First Baptist Church enjoyed a party Friday night at the home of Mr. and Mrs. H. R. Beauchamp.

Games and contests were arranged by Mrs. J. R. Hitchcock and Mrs. J. M. Bradberry. The party was the result of a contest held by the class, with the losing group entertaining the winning group.

Mrs. Horace Finley is teacher of the class.

Refreshments were served to the following:

Mr. and Mrs. Hitchcock, Mr. and Mrs. Bradberry, Mr. and Mrs. C. J. Reese, Mr. and Mrs. L. V. Dodd, Mr. and Mrs. Beauchamp, Mr. and Mrs. C. H. Keck, Mr. and Mrs. J. M. Averitt, Rev. and Mrs. E. V. Becker, Mr. and Mrs. Charlie Reed, Mr. and Mrs. J. T. May, Mr. and Mrs. Dan Steakley, Mrs. Finley, Mrs. Ruth Wright, Mrs. Hazel Long, and Miss Willie Jones and Miss Evelyn Hollis.

Mr. and Mrs. Lawrence Price of Abilene visited Wednesday in the home of Mr. and Mrs. John Dutton.

Mr. and Mrs. Bob Robertson and Mrs. Clyde Williams transacted business in Wichita Falls Tuesday.

Amateur Contest Planned To Benefit March of Dimes

JANUARY 31 DEADLINE FOR POLL TAX PAYMENT

Citizens of Knox County were reminded this week by County Tax Assessor - Collector M. A. Bumpas, Jr., that January 31 is the last date poll taxes may be paid in order to vote in 1951, as well as the last date to pay state and county ad valorem taxes without paying penalty and interest.

Mr. Bumpas said that taxes may be paid by mail, but when paying poll taxes by mail the following information should be included, along with \$1.75 for each poll tax:

Name, town, voting box, occupation, and number of years residence in the state, in Knox County, and in the precinct.

'Hounds Defeat Rochester to Stay In Running

The first half of conference play was completed Tuesday night for the Knox City basketball team when the Greyhounds played the Rochester Steers at Rochester.

This game was of particular importance because it was a contest between the two teams as to which one would stay in the running with O'Brien for honors in the district, as well as a chance for the play-off between the two top teams after one more round of conference play.

There was no doubt that the starting line-up for the Greyhounds was a determined five from the beginning of the game. Rochester quickly took a five point lead, but late in the opening quarter the score was tied 7-7. The quarter ended 10-7, with the Steers leading.

It was in the second quarter that the 'Hounds made their greatest bid for scoring honors as they meshed 17 points to take a half-time lead of 24-23.

The Steers jumped into the lead again early in the third quarter with a 28-26 score, but Charles Reed and Duck Robinson quickly netted a field goal each to put the 'Hounds ahead again. The third quarter ended 35-30 in favor of Knox City.

Early in the final quarter the local five enjoyed their widest margin in score as they took a 37-30 lead. However, the Steers quickly brought it up to a 40-39 count. That was when the coolness of the 'Hounds under pressure began to pay off.

A quick field goal by Jerry Wilson gave them a three point lead with three minutes to go. Then with the 'Hounds playing "hold the ball" the score became 44-42 with 56 seconds remaining.

At this point Rochester drew a technical foul for an excessive time-out, and Jerry sank the free throw to make the score 43-42.

Finally, in the closing seconds with Rochester rushing for the ball, Hayden Reeves slipped under the basket for a lay-up shot that made the final score 47-42.

Each team had high-scoring men, but Reeves was high scorer of the game with 17 points, followed by Charles Reed with 12 and Wilson with 10 points for Knox City. Rochester's Hearn (No. 44) was high with 16 points, followed by Parker (No. 22) with 15 points.

The Rochester girls and the "B" boys took the long score after hard-fought games. The girls' volley ball scores were 22-16, and the "B" boys 34-24. John Ed Smith was high point scorer for Knox City.

Last Friday night the Greyhounds swept three games from the Vera Pilots. The boys won 47-19, the girls won an easy two out of two, and the "B" boys 28-16.

The 'Hounds next game will be a home contest with the improving Benjamin club tomorrow (Friday) night. Tuesday night they journey to Rule to engage the Rule Bobcats.

FARM BUREAU GROUP PLANS LEGISLATIVE PROJECTS

Ancil Waldrip and J. C. McGee, who attended the Texas Farm Bureau Federation's legislative committee meeting in Waco January 18, report that the meeting was attended by 241 county Farm Bureau presidents and legislative committee members from 87 counties. This is evidence that the organization is not only growing in numbers, but that it means business, Waldrip, president of the Knox County Farm Bureau, believes.

The farmers gathered to hear reports from committees delegated by the federation president, J. Walter Hammond, to investigate resolutions adopted by voting delegates at the state convention last November.

"Discussion following the reports," Waldrip said, "indicated that the delegates did not pass these resolutions as a matter of course, but intend to get action on the proposals embodied in the resolutions which formulate the Texas Farm Bureau Federation's program of work for 1951."

Resolutions taking precedence at the meeting concerned rural roads, rural telephones, the truck load limit law, and taxing of gasoline used in non-highway vehicles.

The entire group was enthusiastic about recommended amendments to the law that would assure adequate safeguards in preventing overloading of trucks that cause millions of dollars of damage to highways annually. They were concerned about the child labor law that prevents transient Mexican families from plying the trade that for many years has enabled them to follow the cotton fields and accumulate funds to furnish food and clothing until the next season.

The Knox County organization plans an intensive membership drive in late February or early March, Waldrip said.

Hospital News

Patients in the hospital Jan. 22 were:

Timmy Killpatrick, Ft. Worth; Bob Thompson, O'Brien; Glenda King, O'Brien; Mrs. W. L. Moore, Goree; Mrs. Lee Smith, Knox City; Mrs. Harold Beck and baby, Vera; Mrs. Ida M. Watson, Munday; Mrs. T. J. Strange, Munday; Mrs. Ivan B. Gresham, Munday; John Dutton, Knox City; Carolyn Hannah, Munday; Mrs. Jessie Marshall, Benjamin; A. L. Kinnibrough, Gilliland; Mrs. Refugio Alsides, O'Brien; C. A. Steinvide, Munday; T. James, Knox City; T. E. Robbins, Knox City; Earl Sams, Benjamin; Dorothy Ann Tatam and baby, Munday; Lula Williams, Munday; J. D. Strickland, Rochester; D. B. Jones, Goree; E. G. Richards, Vera; Mrs. Frank Adams, Munday.

Tommie (Bud) Reynolds left last Tuesday for a stretch in the United States Navy. His father, Roy Reynolds, received word this week that he was at the naval training center in San Diego, Calif.

Bud graduated with honors from the Knox City High School in May, 1950. He was employed with West Texas Utilities until he volunteered for Navy duty.

Knox City's 1951 March of Dimes campaign will be given a boost again this year by an Amateur Contest, it was announced this week by Rev. E. V. Becker, local Baptist pastor and chairman for the polio funds drive.

The show is scheduled to be held at the American Legion hall Thursday, February 1, beginning at 7:30 p. m.

The Amateur Contest has become an annual affair since it was first held in 1949. It gives the audience an opportunity to contribute something to the dimes campaign and receive something in return, and at the same time see a talent program rendered by local talent entered in the contest.

As in previous years, it is planned to solicit local merchants for donations of merchandise, which will be used as audience prizes or auctioned off to the audience.

There is no age limit on entry in the talent contest, Rev. Becker said, and all sorts of entertainment acts are needed, including musical numbers, solos, duets, quartets, readings, monologues, skits, and anything else the audience will enjoy. Anyone desiring to enter an act, or knowing of someone who may enter, is asked to contact Rev. Becker or Mrs. Bobby Bradberry, Dan Steakley, Mrs. Jimmie Branch or Chad Wilson, who will assist the chairman in planning the show.

Cash prizes will be awarded the winning contestants.

Lloyd Waldrip and Jeff Graham will be in charge of the auction.

Among the items to be sold at auction will be home-made cakes and pies furnished by the best cooks in Knox City. In charge of this part of the affair are Mrs. J. M. Averitt, Mrs. W. E. Clonts and Mrs. E. R. Carpenter, and all ladies wishing to furnish a cake or pie is asked to contact one of that committee.

"This is the most painless way we know of to raise funds," Rev. Becker said. "Collections so far are lagging behind those of last year, and we need your wholehearted support of this show if we are to approach last year's total. If you cannot enter the talent contest, then all we ask is that you attend—and we guarantee an evening of enjoyable entertainment."

Through personal solicitation alone, two-thirds of the quota for O'Brien's March of Dimes was reached this week, according to members of the community's committee for the 1951 fund campaign.

More than \$600 had been contributed Wednesday, but the quota for the community has been set at \$900. The committee reported that those contacted gave willingly and generously, but many who live in the country have not been solicited.

Those who have been missed were asked to mail or hand their donations to one of the committee members: Elmo Stephens, S. N. Reed, T. E. Beason, Rev. C. A. Powell, D. S. Gothard, or Supt. Joe Davis.

Rev. and Mrs. Floyd V. Bailey will leave Monday for Los Angeles, Calif., to attend the International Convention of Four-square Churches. They plan to return in about two weeks. Rev. Iman of Wichita Falls will be in charge of the Sunday services at the local Four-square Church in the absence of the pastor. It was announced.

You are hereby commended to appear and defend such suit on the first Monday after the ex-

piration of forty-two (42) days from and after the date of issuance hereof, the same being the 26th day of February, A. D. 1951 (which is the return day of such citation), before the honorable District Court of Knox County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for

taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law, up to and including the day of judgment herein, and all costs of this suit.
Issued and given under my hand and seal of said court in the City of Benjamin, Knox County, Texas, this 11th day of January, A. D. 1951.

Processing Doesn't Cost--IT PAYS

No matter whether you raise a food animal yourself, or buy a live one (and the same goes for poultry) our moderate butchering and processing charges do not COST—it PAYS you instead.

The secret is really not a mystery at all. Our processing methods, carried through at exactly the RIGHT temperatures, usually save enough good, tasty meat products over "home" butchering methods to PAY OFF. So using our service makes sense. You raise, or buy, a food animal to SAVE money. If you lose on the butchering, you've failed in what you've started out to do. Our way takes the work and worry off your shoulders, too.

CITATION BY PUBLICATION
 The State of Texas
 County of Knox
 In the Name and by the Authority of the State of Texas
 To: E. J. Gannon and R. M. Baker, and the unknown heirs of E. J. Gannon and R. M. Baker, deceased, whose residence is unknown, the heirs and legal representatives of the unknown heirs of the said E. J. Gannon and R. M. Baker, deceased, whose name and residence are unknown, and the respective unknown heirs and legal representatives of all the above named parties, the unknown owners or owners of the hereinafter described property and their heirs

and legal representatives, whose names and places of residence are unknown, and any and all other persons, including adverse claimants, owning, or having, or claiming any legal or equitable interest in or lien upon the hereinafter described property delinquent to plaintiffs herein for taxes.

You are hereby notified that suit has been brought and is now pending in the Honorable District Court, 50th Judicial District, Knox County, Texas, wherein the State of Texas, Knox County, Texas, the Truscott Independent School District and the Crowell Independent School District are plaintiffs; and E. J. Gannon, R. M. Baker and the Unknown heirs of E. J. Gannon and R. M. Baker are defendants, by the filing by said plaintiff of a petition on the 11th day of January, 1951 and the file number of said suit being No. 4830 and the nature of which is a suit to collect delinquent ad valorem taxes on the following described property, to-wit:

Lots One (1) and Two (2) in Block Fifty Three (53) Elandel Addition to the town of Truscott, Knox County, Texas, together with interest, penalties, costs, charges, and expenses of suit which have accrued and

which may legally accrue thereon.

The amount of taxes due each plaintiff, exclusive of interest, penalties and costs is as follows:

The State of Texas and County of Knox ----- \$88.41
 Truscott Independent School District ----- \$23.64
 TOTAL ----- \$112.05

The names of all taxing units which assess and collect taxes on said property not made party to this suit are none.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including plaintiffs, defendants, and intervenors, shall take notice that claims not only for any taxes which were delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties, and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commended to appear and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance hereof, the same being the 26th day of February, A. D. 1951 (which is the return day of such citation), before the honorable District Court of Knox County, Texas, to be held at the courthouse thereof, then and there to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties, and costs allowed by law up to and including the day of judgment herein, and

all costs of this suit.

Issued and given under my hand and seal of said court in the City of Benjamin, Knox County, Texas, this 11th day of January, A. D. 1951.

WSES MEETS AT CHURCH FOR BIBLE STUDY MONDAY

Nine members of the Woman's Society of Christian Service, Methodist Church, met at the church Monday for the Bible study, "We Seek Him Together", conducted by Mrs. O. A. Green. The meeting was opened with the group singing "Praise Him, Praise Him". Mrs. C. C. Hoge had charge of the devotional and Mrs. C. W. Parmenter said the opening prayer. Mrs. Green reviewed the first and second chapters of the Bible study book, then each member was asked to give her personal experience on worshipful impressions. Mrs. T. S. Edwards dismissed the meeting in prayer.

TWENTY PRESENT FOR SUNBEAMS MEETING

Twenty children were present Monday at the First Baptist Church for the regular weekly meeting of the Sunbeams. Activities for the afternoon included the making of Sunbeam crowns, a missionary story and a Bible story. Mrs. Alton Leach, Mrs. Lincoln Bolin and Mrs. Oliver King, leaders, served soda pop and cookies to the following: Louella Denton, Betty Ann Jackson, June Large, Gloria Capers, Sammie Bolin, Roy Gene Smith, Carolyn Brown, Earlene Lewis, Nettie Reyes, Joe Reyes, Jimmie Reyes, Beatrice Reyes, David Denton, Wynette Graham, Karen Graham, David King, Dannie Fisher, Virginia Ann Brandon, and Tracy and Trenton Large. Five new members have enrolled in the Sunbeams since the organizational meeting. One new member, Andy McNulty, was unable to be present this week. All children from 6 to 9 years of age are invited to attend, the leaders said.

MRS. G. H. ZACHARY ENTERTAINS BRIDGE CLUB

Mrs. George Zachary entertained members and guests of the Tuesday Afternoon Bridge Club at her home January 23. A refreshment plate, consisting of chicken salad, hot rolls, cheese sandwiches, potato chips, olives and Russian tea, was served to the following: Mrs. Barney Arnold, F. E. Adams, W. E. Benedict, H. M. Jones, N. F. Mullins, Sr., Deck Wilson, Leone Thomasson, Alma Culwell, Russell Boyd, Joe Reeder, Sr., John Smith, and Bill Clonts. Mrs. E. R. Carpenter was a tea hour guest. Winner of high score for members was Mrs. Arnold, and Mrs. Jones was high for guests. Mrs. Benedict was winner of the bingo prize.

STREAMS

in Desert Places

By OZELLE STEPHENS

We find there is no music in a rest, but there is the making of music in it. In our whole life's melody the music is broken off by "rest", and we think we have come to the end of the tune. God sends a time of forced leisure, sickness, disappointed plans, frustrated efforts, and makes a sudden pause in the choral hymn of our lives; and we made sad that our voices must be silent, and our part missing in the music going up to the ear of the Creator. How does the musician read the "rest"? Watch him beat the time with unvarying count, and catch up the next note true and steady, as if no breaking place came between.

God writes the music of our lives. It is ours to learn the tune and not be dismayed at the "rest". They are not to be slurred over, not to be omitted, not to destroy the melody, not to change the key note. If we keep our eyes on the Lord, God Himself will beat the time for us. With our eyes on Him, we shall strike the next note full and clear. If we should think, "There is no music in a 'rest'," let us remember, "There is making of music in it." The making of music is often a slow and painful process in this life. How patiently God works to teach us. How long He waits for us to learn the lesson. Let me say to you, the secret of success is patiently waiting of God in prayer.

Teenager Gets Appetite Back; Thanks Hadacol

HADACOL Supplies Vitamins B₁,
B₂, Niacin and Iron Which Her
System Lacked.

According to Sara Loraine
Beck, Box 253, Coker, Alabama,
when a person is only 15 years
old and feels terrible, can't eat
or sleep the way they should, it's
mighty bad. That is the way
Lorraine says she used to feel,
but that was, of course, be-
fore she started taking HAD-
ACOL. Lorraine found that tak-
ing HADACOL helped her sys-
tem overcome deficiencies in
Vitamins B₁, B₂, Niacin and
Iron, which HADACOL
contains.

Here is Lorraine Beck's own
statement: "I was run-down,
sick and skinny, and weighed
only 90 pounds before I used
HADACOL. I would not eat be-
cause I had no appetite. Now I
weigh 123 pounds and have an
appetite. I feel a lot better. I
have been taking HADACOL 10
months and am still taking it. I
am 15 years old. HADACOL has
done me lots of good."

From where I sit ... by Joe Marsh

Right Under Our Nose!

Sometime back, we got word
from the Governor, asking if we
wanted to use the State Fire In-
spection Team—a group of experts
they send around to communities
to inspect public buildings.

We sent a letter saying: "Okay!
Give us the once-over!" They came
down, all right—last week.

After the inspection, we got their
report. Came out pretty well, all
told. Town Hall and the School
were O.K. Post Office just needed
more sandbuckets. In fact, every-
thing got a clean bill of health, ex-
cept—the Fire Station!

From where I sit, we volunteer
firemen had just been too blamed
busy keeping everyone else on the
ball—and not realizing our own
firehouse was not up to snuff.
Like the man who worries so
much about his neighbors—about
whether they work hard enough,
about whether they can really af-
ford their new car, about their en-
joying a temperate glass of beer—
that he forgets to take a good crit-
ical look at himself now and then.
