BENJAMIN, WEINERT TO MEET AT BENJAMIN TONIGHT

Benjamin's Mustangs stamped the Vera Pilots, 71-30, Thursday night in a District 4 six-man football game.

This week the Mustangs play Weinert in a game that will have a great bearing on the district outcome. The teams are tied for the district lead, and last week Weinert had two players injured in a game with Mattson.

The Benjamin-Weinert game will be tonight (Thursday) at Benjamin.

Driver, Billy Gilpin, Donald Corley, Martin Lewis, Bobby Day, Ross Ed Lankford, Carl Bradley, Jimmy Burt, and Monte White.

Middle row, left to right: David Neil Perdue, manager, Paul Pra-

ter, assistant coach, Sam Anderson, Hoyt Lovelace, Cecil Beauchamp, Bill Yarbrough, Max Bradley, Donald Bible, John Traweck, Rip Collins Jr., Joey Watkins, Donald Tankersley, Tim Edwards,

Coach Les Cowan. Seated, left to right: Bobbie Bible, Nathan Ross, Ladell Driver, Benton Bolin, Geo. Davis, Jr., Jerry Don Anderson, Douglas Bradley, and Lloyd McCullar.

The Knox City Greyhounds will enter the District 7-B championship race tonight (Thursday) against the Aspermont Hornets at Aspermont. The Greyhounds, after three bleak years of 11-man football, are entering district play unbeaten and untied. They climaxed their schedule of six practice games with a 36-19 win over Strawn Friday night.

The Hornets lost their first district game to Rochester, 40-6, Friday night.

All Greyhound substitutes saw plenty of action in the Strawn game Friday night. The team tallied three times in the first quarter, twice in the second and once in the third, while the visitors scored three times in the final period.

Cecil Beauchamp scored the first two times, then Dan Corley, Bobby Day, Hoyt Lovelace and Jimmy Burt with an assist by Monte White added single markers.

The White to Burt combination was good for 42 yards and the fifth Knox City score.

George Wimberly cracked across twice for Strawn in the fourth period and Timmy Boyse tallied once.

With exception of Beauchamp's runs, the Knox City touchdowns were on bucks of six yards or less at end of long drives.

All Greyhound fans were urged to accompany the team to Aspermont tonight and support them in the first district contest.

Soil Building Contest Rules Are Announced

Rules for the Wichita-Brazos SCD Soil Building Contest were announced this week by Charley Cape, chairman of the contest committee appointed by Jack Idol, head of the Board of Supervisors of the soil conservation district.

Other members of the contest committee are W. J. Bryan, county agricultural agent; E. R. Ponder, Munday, vocational agriculture teacher; Frank Martin, Haskell county agent; Jess Gilpin, manager of the county ASC office; and Ray Blackwell, work unit supervisor of the soil conservation district.

The contest will embrace all of the Wichita-Brazos district, which includes part of Haskell County. Substantial cash prizes will be awarded in each division, with the amount of the prizes to be announced later.

Farm and civic leaders in the district hope the contest will encourage the planting of more soil-building legumes in this area. Programs also in use by some farmers in the district, as well as programs elsewhere in West Texas, have proved that legumes can greatly increase the productivity of land. Leaders believe their use is necessary if this area is to continue to be one of the best farming areas in the state.

While the planting of any soil building legume will qualify for the contest, Soil Conservation Service technicians recommend certain varieties that have been tried and found adaptable for this area.

Winter legumes are Hubam clover, Madrid clover, Alfalfa, cow peas, guar and Mung beans.

Those interested in entering the contest may contact their district supervisor, county agent, vocational agriculture or Soil Conservation Service technician.

Contest Rules
1. The contest is divided into two divisions (dryland farming and irrigated farming).

2. The contest is open to all farmers in the Wichita-Brazos SCD.

3. Contestants may enter only one division (either dryland or irrigated).

4. Contestants should file their entry at once in order to be eligible for the contest. Entries will be accepted until February 15, 1956, on winter legumes and July 15, 1956, on summer legumes.

5. Contestants will permit the judges to visit their farms at appropriate times to inspect results.

6. In order to qualify 10 per cent of cropland or 10 acres must be planted to a legume, whichever is the greater.

7. A check plot must be left adjacent to the contest crop consisting of at least 1 acre.

8. Land that hasn't had legumes planted on it the past 2 years will qualify.

9. Some of the items to be taken into consideration by the judges are:

(a) Economy of operation.
(b) Production—Per cent in increased yields over check plot.

10. District supervisors will select the judges whose decision will be final. The awards committee is not obligated to award all prizes listed in each division, if, in the opinion of the judges the entries are not deserving of awards.

Greyhound Fans Form Booster Club

A group of football fans met at the school Monday night to form a "Greyhound Boosters Club," designed to give organized support to the Knox City Greyhounds.

Elmo Cure, past president of the Abilene Booster Club, and Joe Bill Burke, assistant coach at McMurry College, told the group how a good booster club is organized and what it can do for the entire school as well as for the athletics program.

Too many quarterback clubs, the speakers said, tend to criticize the team or coaches. They urged local fans to boost the team, "leaving the coaching to the coaches and the quarterbacking to the quarterbacks."

No officers were elected at the initial meeting. Another meeting will be held at the school Monday night at 7:30, when officers will be elected and plans made for the remainder of the football season.

All prospective members were urged to be at the Knox City-Aspermont game tonight, in Aspermont, at 7:30. Hat bands will be passed out and boosters will form a double line for the Greyhounds to pass through as they enter the field.

"We hope at least 75 men are on hand to give the Hounds a pat on the back and a word of encouragement as they trot onto the field," organizers of the club said. "The Greyhounds are a fine bunch of boys who have furnished us a lot of enjoyment, and we are going to give them all the support we can."

Rochester, Lueders To Play Friday Nite

The Knox City-Aspermont game being moved up to tonight (Thursday) gives local football fans an opportunity to see the Rochester Steers and the Lueders Pirates tangle at Rochester Friday night in what should be one of the best Class B games of the season in this area.

The Pirates have piled up a total of 194 points while allowing 52 to seven opponents, but the well-balanced Steers have a better average against their six opponents, two of whom were Class A competition.

Rochester, defending champion of District 7-B, has scored 176 points and yielded 32, an average of 29.3 and 5.3. Lueders has averaged 27.7 and 7.5.

While many experts say comparative scores will fool you, Rochester has looked better against common opponents—Hermleigh and Trent. The Steers defeated Hermleigh 34-0, while Lueders defeated the same team 39-13. Rochester beat Trent 42-6; Lueders beat Trent 34-13.

Rochester's only loss in six games came at the hands of Class A Munday, 14-13. Last week these two gained the 7-B lead with 1-0 marks as Lueders defeated Rule, 26-7, and Rochester walloped Aspermont, 40-6.

FARMERS ADVISED TO KEEP SOCIAL SECURITY RECORDS

Farmers in Knox County were reminded today by Erton Tate, Manager of the Wichita Falls District Office of the Social Security Administration, that they should keep some type of record to show the amount of their earnings from the sale of farm products during 1955 and future years. This record will be needed to enable them to report their earnings for social security purposes.

"The time to start maintaining a record of farm products sold was January 1, 1955. If this record has not been kept, the time to start is now," Tate asserted.

For a self-employed farmer to become eligible for old-age and survivors insurance benefits, he must receive credit on his social security account for his income. And with just a simple journal to record his sales, etc., he can maintain a basic record which will make it impossible to accurately report his annual self-employment income to the Director of Internal Revenue each year.

This report is filed as a part of his Federal income tax return. He pays a social security tax of 3 per cent of his net income of \$400 up to \$4200 in the taxable year. Payment of the social security tax is required by law even though no Federal income tax is due.

Tate points out that if the farmer fails to keep records to make proper reports of his earnings, he stands to lose valuable insurance protection for himself in his old age and for his family if he should die at any age. Farmers who desire information on the new law should write to the Social Security Administration, 425 Post Office Bldg., Wichita Falls, Texas, for Booklet No. OASI-25d.

Farm and Ranch Notes

By W. J. BRYAN
County Agent

Small gains are making good growth over most of the county with some fields producing grazing for livestock. In checking fields last week I found that we are beginning to have some insect trouble in many fields with cutworms, grain mites and white grubs.

The cutworm will first be noticed by a small spot where the wheat has disappeared. This will get larger each day. The cutworm feeds mostly at night and gets under clods or in cracks in the soil during the day. They cut off the young plants just above or slightly below the surface of the soil. If you are losing wheat where you once had a good stand it would be good to check for cutworms. They can be controlled with two pounds of toxaphene spray or dust per acre. If they are just starting you can control by spot spraying.

It is very difficult to detect the grain mites but their presence is first indicated by a yellowing appearance of the leaves and later the tips turn brown. This usually starts in low places where the wheat should be the best. The infested plants are stunted but it is doubtful that the yields of grain will be increased by controlling them. However control measures may be advisable when additional grazing is desired or when stands on young plants are threatened. The mites are very small 1-32 to 1-16 inch long, adults have reddish-orange legs and their bodies are dark brown. They feed during the night but may be found around the base of the plants and under the clods during the day. They can be controlled by 0.25 pounds parathion or 0.25 pounds TEPP per acre applied as a spray. Livestock should not be grazed for 14 days after using the parathion or three days after TEPP.

The white grubs feed on the roots and if they are in sufficient number, stands may be lost. Not much can be done to control them after planting, but good controls have been secured by treating the seeds before planting with two oz. of aldrin or lindane per 100 lbs. of seed. This should be done if you have had trouble with the grubs in the fields in years past.

Carver-Lankford Vows are Exchanged

Miss Janis Carver, daughter of Mr. and Mrs. Roy Carver of Rochester, became the bride of Charles R. Lankford, son of Mr. and Mrs. Bill Lankford of Knox City, Saturday afternoon at the First Baptist church in Rochester.

The Rev. Roy Clayton, pastor of the church, officiated at the double ring ceremony as the couple stood before an archway of greenery. The archway was topped with two large white wedding bells, and flanked with princess baskets of small white mums and daisies. On each side, floor candelabra held burning white tapers.

Candlelighters were Buddy Williams, cousin of the bride, and Wyndol Stephens, both of Knox City. They also served as ushers. Given in marriage by her father,

the bride wore a gown of white imported chantilly lace and nylon tulle, over satin and net. The gown was designed with a long fitted torso and long sleeves which came to points over the hands. The portrait neckline was framed with a band of nylon tulle above a yoke of lace embroidered with iridescent sequins and pearls. She carried a bouquet of white carnations, centered with a white orchid, atop a white Bible from which fell white satin streamers tied in lovers' knots.

Miss Jo Ann Williams of Knox City, pianist, played "Because," "Always," "I Love You Truly," and other appropriate selections. Miss Williams is a cousin of the bride.

Immediately after the ceremony, Clifford Cornett of Knox City, brother-in-law of the bride, read The Lord's Prayer, accompanied by Miss Williams at the piano. Miss Patsy Carver, sister of the

bride, was maid of honor, and bridesmaids were Miss Faye Bevel of Rochester and Miss Barbara Carver, cousin of the bride, Monday.

The maid of honor and bridesmaid wore identical gowns of white marquisette, fashioned with low necklines and bouffant skirts. Their headresses matched that of the bride. They carried bouquets of yellow daisies tied with white satin.

Ross Ed Lankford of Knox City was his brother's best man. Groomsmen were R. D. White of Knox City and Robert Bridges of Olton, cousin of the bridegroom.

A reception followed at the home of the bride's parents.

Assisting the couple in receiving guests were their parents and members of the wedding party. The bride's table was laid with lace over yellow. The centerpiece was arranged from the bridal bouquets. The three-tiered wedding cake, topped with miniature bride and groom, was at one end of the table and crystal and silver appointments at the other. Presiding at the table were Frankie Sherley, Elaine Alvis, and Zada Ann Hester. Betty Sue Mitchell registered.

The bride is a 1953 graduate of Rochester High School. During her high school days she was sophomore favorite, president of the senior class, F.H.A. and pep club president, annual editor, and best-all-around girl. She lettered two years in basketball and served as captain of the team one year. She attended Texas Tech and until recently was employed by the Lubbock Avalanche-Journal.

The bridegroom is a 1950 graduate of Knox City High School. He was in the army two years and is now employed by R. J. Reynolds Tobacco Co. in El Paso.

Hutchinson - Pharr Vows Exchanged

In a double ring ceremony at the Knox City First Baptist Church, Sunday, Oct. 23, at 4 p.m., Melba Louise Hutchinson, daughter of Mr. and Mrs. C. C. Hutchinson of Knox City, became the bride of E. L. Pharr, son of Mr. and Mrs. Weldon Pharr of Lampasas.

Floor baskets of white gladioli and greenery formed a background for the ceremony, which was read by the Rev. Billy Frazier, pastor of the church. Preceding the ceremony, Katherine Pharr, sister of the bridegroom, sang "Because" and "The Lord's Prayer," accompanied by Charlotte Fox of Lampasas. Mrs. Mabel Pyeatt played traditional wedding marches.

The bride was given in marriage by her father. Her dress was white nylon tulle and lace over satin. The bodice was of lace and made with a round neckline, appliqued with lace medallions and rhinestones.

The sleeves were long and came to points over the hands. The skirt was full and extended into a short train. Her fingertip veil was attached to a velvet head-piece trimmed in rhinestones. She carried a bouquet of white carnations and valley lilies atop a white Bible.

Matron of honor was Mrs. Wayne Hutchinson, sister-in-law of the bride, of Knox City. She wore a white lace dress, ballerina length. Her shoulder length veil was attached to a small white satin hat, and she carried white carnations and mums.

Bridesmaids were Anne Crow and Wanda Hart of Abilene. They wore blue taffeta dresses fashioned on similar lines, and carried bou-

quets of white mums. Bridesmaid was Mrs. H. H. Wagley of Abilene. Her dress was of pink taffeta and she also carried white mums.

Junior bridesmaids were young sisters of the couple, Ila Kay Hutchinson and Betty Ruth Pharr. Their dresses were made of light blue nylon tulle over taffeta. Floor length full skirts, and short puff sleeves. They carried small white Testaments.

Best man was the bridegroom's father. Ushers were Wayne and Weldon Hutchinson, twin brothers of the bride, and H. H. Wagley of Abilene.

A reception was given in the home of the bride's parents. The refreshment table was covered with a white cut work cloth over pink satin. The bridesmaids' bouquets formed the centerpiece for the table.

The three-tiered wedding cake was topped by a miniature bridal couple.

For going away the bride wore a blue tweed suit with white and black accessories. They are at home in Abilene, where both are students.

The bride is a junior student at Hendrick School of Nursing and he is a senior at Hardin-Simmons University.

Mrs. Claude Reed presided at the registry. The dining table was covered with a lace cloth and centered with a bouquet of seasonal flowers. Mrs. C. J. Reese and Mrs. Joe Averitt poured punch and served cookies. Mrs. Curtis Coates assisted with serving duties.

Gifts were displayed by Mrs. John May.

Club Women Hear District President

More than fifty women heard Mrs. Lloyd McCloud of Bryson, president of the 1st District, Texas Federation of Women's Clubs, Tuesday afternoon, Oct. 18, at The Woman's Club.

Her topic was on Federation. She listed the values received from the General, State, and District. She urged each club to choose one project from each department and concentrate on that one thing this club year.

The table was centered with a cornucopia and fall fruits, vegetables, and autumn leaves, arranged by Mrs. Neil Perdue and Mrs. Chad Wilson. Fall flowers were used in the assembly room.

Pumpkin pie and hot punch were served by members of the Knox City Study Club and the 1946 Study Club. Hostesses were Mmes. Dan Steakley, Bill Colwell, T. S. Edwards, and Ulric Lea.

Special guests were federated club members from Munday and Benjamin. Mrs. McCloud was presented a gift of milk glass.

STREAMS *in Desert Places

By Ozelle Stephens

"For the Lord shall be thy confidence and shall keep thy foot from being taken." (Prov. 3:26).

In the trying hours put thy trust in the Lord. He gives blessed assurance that He is yours as you reach up and put your trust in Him.

He will be yours and will not withhold any good thing from you. He will drive all darkness away giving visions of light. As you wait before Him you can hear His echoes of mercy and whispers of love. In quietness and confidence shall be your strength. For according to the eternal purpose in Christ, we have boldness and access with confidence by the faith in Him. You do not faint at tribulation but you are strengthened with might by the flowing Streams of the His Spirit.
