

Washington, October 26—Strikes throughout the nation continue to be distressing. Such strikes, if continued, will greatly interfere with reconversion and will result in widespread unemployment, shortages in consumer goods, and hardships generally.

Automobiles, trucks, tractors, and farm machinery have always been too high, but will probably go still higher. If the price of these machines goes up, certainly the farmer, the merchant, the butcher, the baker, and the candlestick maker, and all who use automotive equipment must have increased prices for what they produce.

The most notable event of this week in the Congress was the President's message to the joint session recommending universal military training. This will evoke widespread discussion, debate and controversy before any definite policy is agreed upon.

A few figures on the costs of the last two world wars are staggering. World War I cost the United States, as of June 30, 1921, 25 billion 729 million dollars, not counting the continuing cost, such as veterans pensions and hospitalization, and interest on the war debt of 21 billion 500 million dollars through 1938.

World War I cost other belligerents 113 billion, 204 million dollars.

To date the cost of World War II to the United States is over 287 billion 181 million dollars, and we have loaned-leased an additional 4 billion. The money spent on World War II by the U. S. would buy a \$10,000 home for every family in the United States.

American casualties in World War I totaled 50,150 killed and dying from wounds, and casualties of all belligerents numbered 5,535,315 killed and 21,219,543 wounded. This war cost America 254,485 killed, 651,189 wounded, 41,889 missing, and casualties of other belligerents are estimated to total 44 millions.

Certainly we cannot afford World War III. As the most powerful nation on earth we have great responsibilities for the future world peace.

When we contemplate universal military training we recall that many of the best citizens of this nation fled the old world to escape universal military service. Certainly the sort of universal military training that we may eventually agree upon will not be similar to the old world variety.

One of the hundreds of interesting suggestions heard in the Capitol following the President's address was that we create in this country fifteen or twenty naval academies similar to the academy at Annapolis, and fifteen or twenty military academies similar to that at West Point, and permit all boys to take one or more years of training in these military universities, transferring to other institutions if they wish, to other institutions for degrees in military science, engineering or technology.

Other suggestions are that boys be given a half dozen alternative methods through which requirements for military training would be satisfied. One of these methods would be through four years of military training along with school or college work, and summer encampments. All of that a military training program should be so designed as to least disrupt the lives of our youth and to have a constructive and beneficial effect upon training for citizenship.

Funeral Service Held Monday For Mrs. Willie Walsh

Funeral services were held at O'Brien Monday at 4 p. m. for Mrs. Willie Sarah Walsh, former resident of the O'Brien community. Rev. C. C. Beatty, pastor of the O'Brien Baptist church, conducted the last rites of the 80-year-old Haskejl county pioneer who passed away at the home of a daughter near Graham Saturday, night, October 27th.

Willie Sarah Norton was born to Mr. and Mrs. William Norton in Alabama, July 5, 1865. She received her early education there and moved with her family to Johnson County, Texas, in 1879. She was married to H. M. Walsh in Granbury in 1882. To this union eight children were born, five of whom still survive.

The family moved to O'Brien in 1910, where Mrs. Walsh joined O'Brien Baptist church in 1920. After her husband's death in 1923 she went to Young County to make her home with her daughter, Mrs. I. J. Briscoe. She was also preceded in death by a son, Cornelius, in 1893; a daughter, Irene in March, 1914; a son, Henderson in 1928.

She is survived by two daughters, Mrs. Calvin Brown of Ranger; Mrs. I. J. Briscoe, Graham; three sons, M. E. Walsh, Lubbock; J. W. Walsh, McAllister, Okla.; H. B. Walsh of Santa Fe, New Mexico; one sister, Mrs. Ira Brazell of Phoenix, Arizona. Mrs. Walsh is also survived by eleven grandchildren.

A granddaughter, Mrs. A. L. McAda, resides at O'Brien.

R. M. Rogers Rites Held At Donna October 15th

R. M. Rogers, former resident of Knox City, passed away at his home in Donna, Texas, October 14th, after a brief illness.

Mr. Rogers was born in Mississippi August 6, 1869, and as an infant moved with his parents to Freestone County, Texas, where he lived until a young man and then moved to Comanche. He was converted at the age of 14 and united with the Missionary Baptist Church.

He was married November 15, 1891, to Miss Ina Hancock of Gustine, Texas. In 1941 they celebrated their 50th wedding anniversary.

To this union ten children were born, of which eight survive.

Survivors are his widow and the following children: Roy Rogers, Donna, Texas; Mrs. Bob Williams, Corpus Christi; Mrs. John Wall, Brownwood; Mrs. Neal Bailey (formerly Mrs. Bob Eingham of Knox City) Comanche; Bemie Troy Rogers, US Navy; Mrs. Lorraine Adress, Odessa; Mrs. Hilma Coker, Sidney, Texas; Pfc. Thomas Rogers, Little Rock; and 20 grandchildren, 13 great grandchildren; his father-in-law, T. M. Hancock; three brothers and five sisters.

Funeral services were conducted by the Rev. Robert Ramsey of the First Baptist Church of Donna, Monday at 5 o'clock.

Victory Loan Quota Set At \$80,500

With seven war loans tucked safely under her belt, Knox City will tackle the final Victory Loan with the same determination and spirit.

Opening this past Monday, the Victory Loan is gaining momentum daily.

Knox City's quota for the final loan is \$80,500 for overall purchases, with \$42,500 set up as the C. Pond figure.

New Frigidaires Now On Display

Mr. Guy Glenn, manager of West Texas Utilities Co. local Frigidaire dealer at Knox City, announced today that he had received his first new postwar Frigidaire model and that refrigerators have now been released for sale to the public.

"Now that restrictions have been lifted, the refrigerators now on hand and those that will be manufactured in the future will be for sale to the public. Right now," continued Mr. Glenn, "the demand for new refrigerators far exceeds the supply, and for a short while the supply will be limited, but every day production at Frigidaire is increasing and in a little while there will be enough new Frigidaires for everybody."

"Frigidaire Division, G.M.C., began a limited production of refrigerators following termination of its war contract in July. Following V-J Day the all-out job of reconversion and production began at the huge Dayton plants where refrigerators and electric ranges are being made for civilian use. In an unbelievably short period of time, and due to its 23 years of experience in household and commercial refrigeration, Frigidaire reached peak efficiency."

Mr. Glenn stated further that, "In the race to serve the American public as quickly as possible, Frigidaire did not lose sight of the fact that quality, dependability, and service are equally as important as quantity. This fact is evidenced by the exclusive developments of Frigidaire which are contained in the new models now available to the public."

LT. H. ELMER WALL RECEIVES DISCHARGE. Lt. (jg) H. Elmer Wall has received his discharge from the Navy after 44 months in the service, 21 months of that time was spent in New Caledonia, New Zealand and at sea.

He was attached to U. S. Navy Mobile Hospital No. 6, and later was an Armed Guard commander on a Merchant Marine ship.

COUNTY GINNING REPORT. Census report shows that 6,379 bales of cotton were ginned in Knox County from the crop of 1945, prior to October 18, as compared with 6,744 bales for the crop of 1944.

Home Again

Sgt. Alvin Roberts

Camp Swift, Texas—Sgt. Alvin R. Roberts, formerly of C Company, 701 Tank Destroyer Battalion, 1st Armored Div., has been honorably discharged from the U. S. Army and is returning to his home at Knox City, Texas.

In the service for 39 months, he spent 30 months overseas and participated in the campaigns of Africa and Italy with the 1st Cavalry Reconnaissance Squadron and the 701st Tank Destroyer Battalion. Decorations he received include the Good Conduct medal, ETO with five battle stars.

Prior to entering the army, he was employed by the G. E. Steen Grocery at Knox City.

Sgt. Roberts, son of Mrs. John W. Roberts of Knox City, came home last week, after receiving his discharge.

Benjamin Carnival Proves Profitable

The annual Halloween Carnival of the Benjamin school was held last Friday evening. The gym was decorated in gay colors. There were many attractions, such as bingo, bowling alley, shooting gallery, house of horrors, and a cake walk.

The main event of the evening was the crowning of the queen. To the tune of "Drowsy Waters," the royal procession of Her Majesty Dorothy Chilcoat (Senior representative) marched to the throne. At the end of the beautiful procession the crown was placed upon the head of the queen by His Majesty Ray Escher. The queen was then presented with an appropriate gift. The beautiful dresses of the girls made the scene very colorful. The crown bearer, Wanda Jean Hill, added much to the colorful scene.

The receipts from the carnival amounted to more than \$1900.00. The students and faculty of the Benjamin school want to express their thanks to citizens and merchants of Benjamin, Truscott and the surrounding communities for their co-operation in making the carnival the best ever held in Benjamin.

School Carnival Nets Over \$1000 For Stadium Fund

Knox City's Halloween school Carnival was acclaimed a huge success, both in interest and financially, with net proceeds of approximately \$1020.00 credited to the P.T.A.'s Stadium Fund.

A fall afternoon and evening's entertainment was enjoyed by hundreds of local residents. After the opening parade, football fans crowded the local gridiron to see the Greyhounds trim their annual Halloween foe, O'Brien, by a score of 45 to 6.

Later in the day, a lunch was served at the school building and patrons and youngsters soon took over in the grade school building where games and concessions were opened.

At 8:30, the feature attraction of the day started with the crowning of the Halloween queen, Vera Beth Bradberry, in a beautiful stage setting prepared for the play, "Spirit of '46." Rema Jan Spikes, representing the 1st grade, was elected queen of the grade school, and also crowned at this time. Each class was represented by a queen and her escort.

"Spirit of '46" was a huge stage production under the direction of Bobbie Bradberry and Mrs. E. Q. Warren. It was built around the military theme, with high school students as sailors and soldiers. Spotting the attraction was a girls chorus that sang several selections during the show. Solos and duets were also featured. It was a good show from beginning to the final "Tape" from the jugglers.

Officials of the P.T.A. were high in praise of support given the entire undertaking.

"We want to thank the public, businessmen and all others, who so faithfully helped us put the carnival over," said Bobbie Bradberry, president of the organization. "The funds will be used to the betterment of the school and we are glad to have had such splendid co-operation."

Mrs. W. E. Clontz, treasurer of P.T.A., said that a full accounting of the proceeds was still under way.

Capt. W. R. Moore Home From War

Capt. W. R. Moore, Jr., husband of the former Wynette Farmer of Knox City, and son of Mr. and Mrs. W. R. Moore, Sr., of Munday, has returned to Munday after service in the ETO.

Capt. Moore served with the Headquarters 5th Ordnance group of the Seventh Army and spent about 28 months overseas. He saw action in North Africa, Sicily and Southern France and was at Augsburg, Germany on V-E Day.

A graduate of Texas A & M College, Capt. Moore entered the service as a second lieutenant. He is on terminal leave until February, at which time he expects to be inactivated.

Pfc. J. C. Durham wired his wife Monday that he would arrive in Fort Sam Houston Tuesday and will receive his discharge there.

Discharged

Spencer L. Liles

Spencer L. Liles, son of Mr. and Mrs. Sid Liles of Hamilton, former residents of Knox City, received his discharge recently at Camp Wallace, Texas.

Spencer was in the Navy 29 months and served on the Aircraft Carrier Changgo 28 months, later transferring to a minesweeper, the USS Token.

Spencer is a brother of Mrs. M. S. Denton, Route 2, Knox City. He plans to return to Long Beach, Calif., to the same job he held before going into service.

'Hounds Handcuff O'Brien Team 45-6 Play Vera Friday

Bouncing back from a 30-20 defeat at the hands of a strong Dickens team two weeks ago, the Knox City Greyhounds defeated an outclassed O'Brien squad 45-6, in their annual Halloween Carnival clash.

Playing every man on the team, Coach Holcomb's boys had little difficulty in running up the score. The lone O'Brien counter came when Johnston, Bulldog end, intercepted a backfield pass and ran 50 yards to pay dirt.

This week sees the Greyhounds resume conference play after two non-conference tilts. They travel to Vera to play the Vera Pirates there. Already tied with Benjamin for the north half district title, a win at Vera will give Knox City undisputed title to the north half of the district. With Paint Creek already victor in the south half, the two will meet at some future date to determine the district title.

White Auto Has New Refrigerators

The new Nash Kelvinator Leonard refrigerator will make its first postwar appearance at the White Auto Store Saturday, 1091 and Leland Huntsman, operators of the firm announced today.

The latest in design and exclusive developments, the 1946 model Leonard embodies features never before offered in home refrigeration.

Several sizes and models of the refrigerator will be available to the public as production increases in the future.

THOMASSON BROTHERS TO GET DISCHARGES SOON

Ensign George Thomasson of Panama River, Florida, will receive his discharge orders the 10th of November, after two years service in the Navy.

John Thomasson, MAMM, who has been stationed at the Naval Base in Clinton, Okla., for some time, will go to the separation center at Norman for his discharge soon. These boys are the sons of Mrs. E. E. Teaff.

LOCAL GINNING REPORT

Cotton ginned up to noon today: Cotton Growers Co-Op...1600 Brazos Valley Gin..... 690 Knox City Gin.....1049 O'Brien Co-Op Gin.....3820

Mrs. Wilma Pack received a letter from her husband saying that he was to leave Pearl Harbor soon and expected to be home by Thanksgiving. Willis Lee, CM3c, has been in the Navy 19 months and has served 17 months overseas.

Office Green, Hospital Apprentice 2c, son of Mr. and Mrs. O. A. Green, has finished training in San Diego and has been assigned to a Naval hospital in New Orleans.

Saunders Buys Graham Dairy

J. C. Saunders announced Tuesday that he had purchased the Knox City Dairy from L. W. Graham and has taken up the business of the firm without interruption.

Mr. Saunders stated he had moved the dairy herd and equipment to his farm near Knox City and would continue to operate the business in line with Mr. Graham's policy.

"We ask the public to be patient for a few days, until we can get down to full production and can properly care for our customers," Mr. Saunders said. "We naturally lost a little production in moving the milking herd and are somewhat new to the game, but will be able to serve you better right away. We will continue to serve the routes in Knox City and attempt to give the same good service and carry out the splendid business policy instituted by Mr. Graham," he added.

Sale of the firm marked the passing of one of Knox City's oldest business establishments to new hands. Mr. Graham started the business several years ago and has put in many years hard work to see it grow into a demanding business that with present labor conditions he could not continue to operate.

In speaking of the transaction, Mr. Graham said "I want to express my thanks to the good people of this community for their unlimited support and loyalty in the past years. It has been a pleasure to serve you, and I want you to know you have made our business possible. I don't know where you would find better people than those here, who have been so kind and considerate in every instance. Thanks to every one of you. And may you give the new owners the same good support that I have enjoyed."

Safety Meeting Well Attended

Saturday, October 27, a school bus drivers meeting was held in Benjamin County Superintendent Merick McGaughey presided, and explained that the State Department of Education was requiring such bus drivers' clinics as a prerequisite to transportation aid.

State Highway Patrolmen Hill and Stevens led a very interesting discussion on the legal phase of school buses. They brought out some interesting facts in connection with the public. Among the points stressed was the fact that only pupils and teachers are legally allowed to ride school buses. Another law that is frequently violated is the passing of school buses while they are stopped loading or unloading pupils.

Mr. W. C. Cunningham led an interesting discussion on problems arising amongst pupils and patrons. Many interesting points were discussed under this phase. The conclusion was that both pupils and patrons are becoming more safety-minded. The schools lacked the public safety department and the state department of education in trying to teach safety to the school children.

Mr. Guy Steen, county Red Cross First Aid chairman, led a discussion on first aid. After this talk, followed by a demonstration of restoring breathing, several bus drivers expressed a desire to have first aid courses given in the county. Mr. Steen stated that this would be done at any time and at any place that a sufficient number could be found to take the course.

There were 22 bus drivers and superintendents registered in attendance at the meeting.

Mr. and Mrs. H. E. Wall, Jr., arrived last week from the separation center at Houston.

Crop Rotation Proves Best Method Combating Cotton Root Rot, Now Prevalent In Knox County

Knox County farmers who have experienced considerable trouble with cotton root rot this year are asking many questions concerning control measures that might be used for the crop season of 1946.

The results obtained from the Temple experiment station proved very conclusively that cotton root

rot may be brought under control by crop rotation, but that its complete eradication is impossible.

Several experimental tests concerning the early turning under of green cotton stalks, or immediately upon the completion of harvest, has reduced cotton root rot from 55 down to 25 percent. The

tests do not indicate that deep breaking has any effect upon the control of the disease. The reason for this is that cotton root rot fungus does not have sufficient live cotton roots to sustain the fungus through the winter.

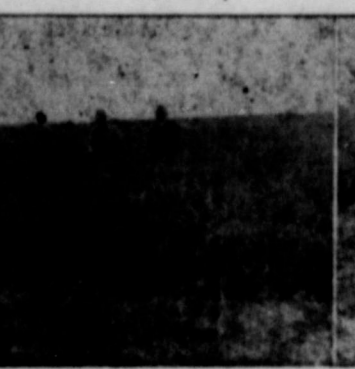

Other experimental tests including crop rotation and early breaking have reduced cotton root rot

from 34 down to 2 percent. This cotton includes Hubam clover sown in the spring and harvested for seed, and then followed with cotton the next year.

Many 4-H Club boys in the different communities are planning demonstration plots in 1946 using Hubam clover as a crop rotation test.

These two pictures show crop rotation practices followed by Lavaca County farmers in the control of cotton root rot. The picture on the left is the

Ludwig farm where annual yellow blossom sweet clover was turned under, and where cotton yields were doubled the following year.

The picture on the right is Henry Startz, where annual yellow blossom sweet clover is being broken down with a stalk cutter with two double disks, and

where cotton yields jumped the following year from 540 pounds in 1942 to 1110 pounds in 1943, seed cotton per acre.

FRESHMAN NEWS

Quite a few of the Freshmen were in the Halloween play and of course that was what made it so good.

We are sorry that our candidate for queen lost, but we are glad that Lora got it.

GUESS WHO??

Freshman girl
Brown hair and eyes
Likes Fred Malone (maybe Glenn)
Came from Union Grove
Always saying, "Hubba, hubba"
See if you can guess who we have in mind and the answer next week.

SOPHOMORE NEWS

The Sophomores are looking in school again this week. I think we all enjoyed the Halloween carnival last Friday.

The Sophomores are looking forward to having a party soon, maybe this week. Anyway, we hope we can work one out.

Our football boys went strong

Friday by beating O'Brien 45 to 6. We are very proud of them. We would like very much if everyone that could would go to Vera to see the game there Friday.

JUNIOR NEWS

Congratulations, Seniors! We didn't know that there was so much money! You really brought it in, and we are proud of you. We are also proud of our own record as well as that of the entire school.

We enjoyed the entire carnival; especially the play and the sailboats!

There really was a good game here Friday between Knox City and O'Brien. Of course, everyone knows how it came out—45 to 6.

At last, the signs of a party are showing. From all appearances there will be a Junior party Wednesday night. We are sure that it will be a success. Believe it or not, the Seniors are invited!

SENIOR NEWS

If the Seniors hadn't got out and worked for their queen, the Juniors might have won. Well, Juniors, the Senior class just proved what a wonderful class they really were—too bad about you. With all jokes aside, it was a lot of fun, don't you think?

There are only three Senior boys in our class this year and they all play on the football team. Without these three boys we, the Seniors, don't think that we would have much of a team. Ha! The team as a whole is a very good one and boys, we're expecting some good playing Friday.

This morning the high school took the first period to clean up the campus and building. After the carnival and football game Friday the grounds were littered with all kinds of paper. We'll want our campus to look well, but we want it to look especially well this week because we are expecting the State Deputy Superintendent. We will also have to be on our best behavior for this fellow, and will have to stay out of trouble. Reckon we can?

DOGHOUSE

Mary Sue and Glenn sure hit it off nicely Friday night. Too bad Glenn isn't going to be here long, isn't it, Mary Sue?

Billie O., whose army cot was that you were wearing one night last week? It couldn't be that blond headed flyer, could it?

Monte, who were those girls you and another boy were with Sunday night?

Dot seems to take to Bobby Joe here lately—couldn't be that sailor suit, could it, Dot?

Billie O. has learned how to say Rudolph.

Seems like Roxanna is very popular with a certain boy in high school.

Sam and Rudolph really stepped out with Billie Jean Reeves and Fannie King Friday night.

I see Ken has his football jacket back. I don't know what to think.

Who were Dot and Billie O. riding around with Sunday afternoon?

I hear Virginia can't make up her mind between Donald and Ken.

Dessie, who was that sailor you were with Saturday night?

I hear Bessie really went for Bobby Joe and Richard Friday night.

Brock H-D Club Has Meeting

The Brock Home Demonstration Club met in the home of the president, Mrs. Elwood Hackney. After all business was attended to, the meeting was turned over to Miss King, who gave a demonstration on making marshmallows and flame proof clothing.

Mrs. M. D. Hardwick was elected parliamentarian. The club had two visitors, Mrs. Howard Spikes of Benjamin, and Mrs. Langley. Mrs. C. L. Dowling was accepted as a new member.

Refreshments were served to Miss King, Mrs. Hardwick, Mrs. Spikes, Mrs. Dowling, Mrs. Langley, Mrs. McElroy, Mrs. Warren, Mrs. Ferguson, Mrs. Hackney, Mrs. Henderson and Mrs. Woolley. Reporter

Virginia Parkhill On Honor Roll

Denton, Texas—Names of 203 classmates at North Texas State College were put on the dean's honor list this week, showing an increase of 38 over the number of honor students listed at the beginning of the fall term last year, according to Dr. B. H. Harris, dean of the college.

The list includes the names of each student who attended the college during the previous semester and completed at least 12 semester hours of class work with an average grade of B and no grade below a C.

Among those on the dean's list is Lera Virginia Parkhill of Knox City.

I see Iloyd and Bessie finally got together Wednesday night.

Mary Lou and Jessie were seen with some Rochester boys Sunday night. Who were they, girls?

Rudy and Mildred must have had a good time Saturday night.

Dot, did you enjoy your trip to Monday Sunday night? Why don't you bring D. and Tille over here some time?

Picture of a Man Building a House

Why, you say, he's just putting something in his safe deposit box! That's right, he is just putting a Victory Bond away. He has bought—and held—War Bonds regularly, ever since the war started. And he's adding regularly to his bank account, too.

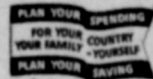

He is building his house, just as sure as you're born.

He and his wife came in not long ago and told us how they had planned their saving. Everything was worked out in black and white. They want to be ready to build when prices are right and materials are available. They wondered if we

would help them finance the completion of their house. We answered "Yes," of course. We are glad to go along with folks who plan their spending, plan their saving.

Isn't this a good formula for building a house, or buying a car or paying for a college education?

Steady bond buying, regular saving, plus a plan to spend at that future time when your dollars will buy more, adds up to future family security. Your family deserves no less.

Help the nation's efforts to keep your living costs DOWN, the buying power of your dollar UP.

BASCOM GILLES

Austin, Texas, Oct. 29—Bascom Giles, Grand Master of the Masonic Grand Lodge of Texas today announced completion of arrangements for a speaking itinerary which will carry him into a number of Masonic Lodges located in cities of north and northwest Texas during the middle of November.

In addition to making official visits in a number of the Masonic Lodges, he plans to address several noon day luncheon clubs in that sector of the State.

Giles will be in Haskell November 12, Memphis November 13, and will jump to Pampa on November 14. From Pampa he will go to Amarillo on November 15, thence to Lubbock and Colorado City.

Giles is Past Master of the Austin Lodge No. 12 and Past Potentate of the Ben Hur Shrine Temple of Austin. He held several appointive and elective offices in the Grand Lodge prior to his elevation to the post of Grand Master. He is a member of the Board of Stewards of the Methodist Church and in the daily field of work, he is Commissioner of the General Land Office of Texas.

Visit our Lending Library. Lots of new and old editions. Ross News Stand.

W. W. Hyde reports that his son, Joe Hyde, was very much improved after a recent heart attack at his home in Comanche.

E. R. Durham, Sic. met his brother-in-law, Paul Edwards, Sic. on Okinawa about the middle of October and spent the night with him aboard his ship.

Mr. and Mrs. C. H. Moss and Jane spent the weekend in Amarillo with relatives and friends.

Mr. and Mrs. A. L. O'Ferrall and Mr. and Mrs. M. L. Blohm, of Amarillo, arrived today for a visit with the Charlie Mosses.

Mrs. Lela Milford received a call from her son, Sgt. R. E. (Bud) Milford Tuesday morning just after he had arrived from a long, tiresome trip from Alaska. He was well and very happy to see Texas again. Will report to Fort Sam Houston Friday to receive his discharge and then will come to Knox City for a visit with home folks and friends.

Two nephews, Kenneth P. Herring of Modesto, Calif., and Doyle E. Turner of Fort Worth, and their families recently visited visited Mrs. Lela Milford and Mrs. J. A. Hallmark. Both are ex-service men and were born and reared in Knox City.

Mr. and Mrs. V. E. Lane and Dickie, of Wichita Falls, visited with her parents, Mr. and Mrs. H. E. Wall last weekend.

Benjamin Club Holds Meeting

The Benjamin Home Demonstration Club met in the assembly room, courthouse, on Oct. 26, at 3 p. m. House was called to order by the president. Roll call was answered by each member, giving her favorite use of marshmallows.

Thirteen regular members, one new member and two visitors answered roll call. The district agent from A & M. Miss Ruth Thompson, and Mrs. Walter Mooney of Munday were visitors and Mrs. Eula Brown was the new member.

Mrs. Thompson talked to the club about the new disinfectant, DDT, and showed the club the 2 percent aerosol gas-type that is being used in some counties of the state. Miss Thompson praised the county library and commended the publicity the clubs were giving it. Miss King told about the birthday calendar.

It was moved and carried that the club do its part in council in making the calendar. It was moved and carried to have the club exhibit in the home of Mrs. Earl Sams November 23. Brook club as guest. Exhibit committee: Mrs. O. L. Patterson, Red Heat, Jim Melton.

Election of officers are as follows for the next year:

President, Mrs. Jim Pultz; vice-president, Mrs. Grady Hudson; secretary-treasurer, Mrs. Oretta Kilgore; council representative, Mrs. Earl Sams; alternate, Mrs. Carl Patterson; Parliamentarian, Mrs. Lee Snallum and reporter, Mrs. Leona Darwin.

The meeting was turned over to Miss King for the marshmallow demonstration. As there were a few "doubting Thomases," each were asked to help in the mixing and heating, cutting and rolling. After the marshmallows were ready to use, refreshments were served using the marshmallows as dessert, with chicken salad sandwiches, soda pop and potato chips, to the following:

Miss Ruth Thompson, Mrs. Walter Mooney, Mrs. Eula Brown, Miss Lucille King, Mesdames O. L. Patterson, Carl Patterson, Earl Sams, Jim Pultz, Grady Hudson, Lee Snallum, Lewis Parker, Doyle Pyatt, Jim Melton, Oretta Kilgore, and Leona Darwin.

Next regular meeting is to be November 9, in the assembly room at 3 p. m. Mrs. J. W. Melton will be hostess.

Reporter.

Notice of Selection of County Service Officer

NOTICE IS HEREBY GIVEN, that the Commissioner's Court of Knox County, Texas, will, at their January term, A. D. 1946, select and enter into contract with, for a period of two years, a COUNTY SERVICE OFFICER, to handle the affairs of the returning service men and women.

ONLY such applicants will be considered that have passed the required qualification tests as promulgated by the Veterans' State Service Officer, as provided by SENATE BILL No. 44, as passed by the 49th Legislature.

County Meetings Draw 289 4-H Club Boys and Girls

Two hundred and eighty-nine 4-H Club boys and girls in Knox County attended the recent 4-H club meetings that were held in eight different communities. At each club the officers of the 4-H club girls were in charge of the meeting, which were conducted in a very satisfactory manner and according to the Roberts Rules of Order.

The demonstrations given by the agents, Lucile King and R. O. Dunkle, were concerning the use of Paradichlorobenzene (P.D.B.) and the use of the new insecticide DDT. Miss King gave the club members full instructions by the demonstration method showing the use of P.D.B. in the control of peach tree borers. Miss King had a small box of earth in which was placed a limb or branch of a peach tree and then showed the club members correct amount of P.D.B. crystals placed in circles around the tree

according to size and age of the tree. A field demonstration was also given on the A. L. Russell farm in the Union Grove community where 10 boys and girls, and four men and women attended the demonstration.

Miss King stressed the point that the P.D.B. crystals should be placed in a circle around the tree about two inches from the base. She also explained that 1 oz. by weight should be used for unusually large trees and 1/2 oz. for trees 1 to 3 years of age, and 1/4 oz. for young trees. The point was also made that the crystals should be covered with several shovelfuls of dirt and the dirt packed with the back of the shovel to make a cone-shaped mound. The material, she explained, should be applied between October 20 and November 15. After about six weeks, the mound of dirt should be torn down and the residue of crystals removed.

The county agent, R. O. Dunkle, gave a demonstration to the club members concerning the uses of the new insecticide, DDT. A small spray numm was used in spraying the insecticide and precautions were stressed concerning its careless handling. Recent experiments conducted in Knox County indicate that DDT is one of the most effective sprays in the control of flies and mosquitoes and it can be expected that further information and experimental work will bring about its new uses in 1946, and that the spraying of livestock in the control of flies will be effective of from a period of eight to fifteen days.

Farm Editor To Visit Club Youths

Knox County 4-H Club boys and girls are to be honored on November 13th, by Mrs. Beth Paschal, associate editor, of the Farm Journal in Philadelphia, who is coming to Texas for the purpose of learning more about the methods and procedure of education work with the farm boys and girls.

This information will be published in leading farm journals and the Knox County boys and girls feel greatly honored by being one of six counties in Texas to be visited by Mrs. Paschal.

Miss Laura Lane, Extension editor of A & M College, will accompany Mrs. Paschal on her tour through Texas.

The following itinerary is planned when Mrs. Paschal and Miss Lane visit Knox County 4-H club members:

Edith and Faye Rider, Gilliland, at 10:45 a. m.
Olen R. y. Benjamin, 1:00 p. m.
Fred Lewis and Buddy Crenshaw, Benjamin, 1:40 p. m.
Nadyne Allen, Vera, 2:45 p. m.
Johnnie Jackson, Vera, 3:30 p. m.
Joe Edd Sweatt, Munday, 5:00 p. m.

These club members have done outstanding work in 4-H club activities and are the ones to be visited. Mrs. Paschal's story of Knox County 4-H club work will be based on the activities of these outstanding club members.

James R. Rogers Aboard Mail Ship

Aboard the LST 567—James R. Rogers, 29, gunner's mate third class, USN, Goree, Texas, served aboard this official U. S. Mail ship which acted as post office for Navy men in the Tokyo area.

Commissioned in May, 1944, the LST 567 engaged in invasions at Leyte, Lingayen, and Okinawa, before being converted to her present use. She is manned almost entirely by members of her original crew.

The ship was distributing mail just two days after occupation forces entered Tokyo Bay.

LaVerne Timberlake NTSC Reporter

Denton, Texas—Miss LaVerne Timberlake, daughter of Mrs. M. E. Timberlake of Vera, and C. Timberlake of Oklahoma City, has been chosen as a news reporter for the Campus Chat, student newspaper of North Texas State College, according to Mrs. Duke Neville McCloud and J. D. Hall, Jr., sponsors.

For the past 11 consecutive semesters the Chat has been awarded an All-American rating by the Associated Collegiate Press of America. Reporters and columnists are chosen from the Journalism classes and other students interested in writing.

Miss Timberlake is a sophomore student majoring in speech. She is a member of the Junior Current Literature club, and the Quintilian club.

Truscott Sailor Pens Naval Poem

The following poem was written by J. B. Turner, coxswain, aboard the USS Idaho, in commemoration of his ship's entry into Tokyo Bay.

Joe is the son of Mr. and Mrs. S. O. Turner of Truscott, and is a nephew of C. S. Woodward of Knox City.

Joe's ship is now on the way to New York for the Navy Day celebration October 27th. He will be home soon after that date on leave.

We sailed into here the other day,
The price of invasion we did not pay;
And all is well no doubt you can see.
We are at last where we wanted to be,
So naturally, I am happy the road is at end.
And they gave me this fancy job to you to send.
Yes, the war is over and we plainly can see,
That the Navy at once cannot set us all free.
There are plenty of others in my same fix,
Who won't be home till sometime in '46.
And when I get there, I'll no more roam,
That can equal home.
'Cause I've seen nothing at all (Paid)

Our daughter's boy friends have a lot of short comings, but it is their long stayings that we object to most.

Why doesn't someone invent an alarm clock that emits the tempting aroma of frying bacon and hot coffee?

The Family Altar

By Rev. Violet Byers
Co-Pastor Fourquare Church

During this last war many people have realized that their greatest need was a place of solitude, a place where they could get alone with their thoughts, and in many instances they found in that place a place of comfort and prayer. So many times in our distress we have longed for someone in whom we could confide, and in whom we would find the sympathy that we cried out for, and in our distress we have found God.

Why it should be that one has to be in a time of great stress or dire need before they turn to the giver of all good things is hard to understand because most people have some knowledge of the word of God, and in that word it plainly tells us in Jeremiah 33:3, "Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not." It also says in Matthew 21:22, "And all things whatsoever ye shall ask in prayer, believing, ye shall receive."

Many of our boys who have been over fighting have touched on this great source of power in their time of need, and when they have cried out from their hearts God has heard and answered their cry. Often the cry has risen from a life raft, when the men were at the end of their endurance, or again it has risen from a foxhole, where the boys were surrounded by enemy fire, and they have found the scripture in Deuteronomy 4:29, "But if from thence thou shalt seek the Lord thy God, thou shalt find him, if thou seek him with all thy heart and with all thy soul."

Truly these boys were not fooling when they cried out to God for help, they needed help desperately and there was no one to turn to, but they realized that there must be a higher power, so in their distress they cried to God, and he heard and answered them. Many of these boys had learned to pray at their mother's knee, and again many had never heard the name of the Lord except in blasphemy, but they knew that there must be help somewhere for them, and their soul cried out to its maker.

Dear friends, why wait until we are in desperate circumstances before calling on God? He will bear us just the minute we start crying, and he is concerned about our every need and every problem. Does the scripture not tell us that the shepherd knows his sheep's cry, so find that secret place of prayer and start talking to God, and see the change that takes place in your lives. May God bless everyone.

Rev. Violet Byers and the Family Altar.

Women wear rings to show they are married. Men wear last year's clothes.

Library Adds New Books Recently

The Knox County Home Demonstration Memorial Library is still growing. Six books have been added the past week. They are as follows:

Texas—by Owen P. White.
The Children's Classics—by Hans Christian Anderson.
The Adventures of Tom Sawyer—by Mark Twain.
The Adventures of Huckleberry Finn—by Mark Twain.
Treasure Island—by Robert L. Stevenson.
Alfred Edward Housman—

We would like for everyone to pay a visit to the library when you are in Benjamin. Mrs. J. C. McGee of Union Grove club will be librarian Friday, October 26. We especially urge the boys and girls of the armed forces to come and use the library.

The latest books are ordered each month. Books are coming in each month.

If anyone wishes to donate a book in honor of your boy or girl that served or is serving in the armed forces, we would be very grateful.
