Johnny Webb was very unhappy last week when the first people in his store seemed surprised to see him, and wanted to know when he was leaving.

For some unexplained reason, Johnny said folks had spread the word he had sold out and wouldn't be here any more.

He said if those who were telling these assumptions were as interested in getting business to stay that was already here, as they were in getting it to leave, we would have it made.

It is not true, and stories like this do not help a business or a town, either.

Wesley Garrison visited us practically all of last Wednesday night. He and his family, as you recall, are now living in Arlington, and like it very much.

As usual, Wes was full of news and filled us in on the latest happening, here in Knox City.

Wonder how this makes some of you feel who think you have been fooling us here at home when your escapades are known clear to Dallas! Shame on you! Better still, be more careful!

Honestly, in a small town there is hardly anything doing or being done that isn't known by everyone, and knowing this fact, makes editing a newspaper very boring and confusing each week. News, to us is still something not readily known or obtainable by the average citizen, and usually when we know something, it is old shoe by the time it gets in print, and if that isn't the case, it will fall under the category of "too hot to handle."

THANKS! To those of you who saved issues of the Herald for a couple of weeks. We received a copy Monday from Mrs. A. L. Darr of Fort Stockton, who spent 35 cents to send the issue we advertised for last week.

We have more than enough at this time to file for further reference and to mail tear sheets to foreign advertisers.

Since it is tax time, we will relate some choice tidbits of information to you next week, as time ran out on us this time.

### IN BOYD HOME

Miss Carlye Wallace of Canton, Texas, is spending this week with her sister and her husband, Mr. and Mrs. Russell Boyd.

### VISIT RELATIVES

Mr. and Mrs. H. E. Wall visited relatives in Wichita Falls and Ringling, Okla., last week.

Mrs. Lyndol Cypert has returned home after spending a week recently in the home of her parents, Mr. and Mrs. Rudolph Moore in Petersburg. She also visited with Lyndol's cousin and her husband, Mr. and Mrs. Bill Stringer in Floydada.

### IN STAMFORD

Visiting in Stamford last Saturday afternoon were Mrs. J. G. Goodson, Mrs. J. T. Cypert and Mrs. Kenneth Myers.

### HERE FROM CHILDRESS

Mr. and Mrs. Boots Coyle, Jeanette, Sally and Linda spent last week end here in the home of her parents, Mr. and Mrs. Roy Smith.

### VISIT PARENTS

Rev. and Mrs. Bedford Smith of Bridge City were here visiting her parents, Mr. and Mrs. L. W. Graham last weekend.

### RETURNS HOME

Kenneth Myers has returned home and is back at his job in the postoffice after spending several days last week in the Hendrick Hospital in Abilene.

### LEAVING FOR VALLEY

Mr. and Mrs. Hass Huntsman plan to leave this week end for Rio Hondo in the Lower Rio Grande Valley where they will operate the East Rio Hondo Gin for the coming season.

### HERE FROM ARLINGTON

Wesley Garrison of Arlington, former resident, visited here last Wednesday with friends.

KNOX CITY'S HIGH SCHOOL GOLFING TEAM is shown practicing on the putting green last week. Left to right they are Jerry Myers, Johnny Ivie, Richard Barnard, Tommy Latimer, and Paul Ware Graham. The team was beaten by Stamford High School at the Stamford Country Club Friday. Outstanding boy for Knox City was Paul Graham with a score of 39. Other games:—March 25, 3:00 p.m. Knox City vs. Quanah, Here; April 1—2:30 p.m. KC vs. Seymour, There; April 16—8:30 a.m. KC vs. Quanah, There; and April 14—8:00 a.m. District 11A Golf meet Weeks Park in Wichita Falls.

## Deadline Nears For 1966 Feed Grain Program; It Is Friday, April 1, 1966!

Growers were reminded today that April 1 is the last day for filing applications to take part in the 1966 feed grain program.

Arnold J. Navratil, chairman, Knox Agricultural Stabilization and Conservation Committee, points out that only growers who participate in the program will be eligible for price support on their 1966 crops of corn, barley, and grain sorghums. As last year, the support is made available through loans, purchases, and in price-support payments.

Besides qualifying for price-support loans, purchases, and payments, the participating grower also earns a diversion payment for shifting part of his feed grain base to a conserving use; the payment does not apply to the first 20 per cent diversion except on farms with small bases. The price support payments may be earned on the projected production from an average up to 50 per cent of the total fed grain base for the farm by planting one or more of the feed grains corn, grain sorghums, or barley, or by planting

soybeans in lieu of a feed grain.

The chairman urges farmers who are interested in taking part in this year's feed grain program to call at the ASCS County office as soon as possible, since there are only 6 working days left before the sign-up deadline, and signing up is a necessary first step in program participation.

Through March 21, 1966, 260 growers in Knox County had signed up to divert 6,398 acres under the 1966 feed grain program.

Department of Agriculture officials are stressing the continued need for full participation in the 1966 feed grain program. Feed Grain stocks remain more than sufficient.

Feed grain program applications may be filed at the ASCS office any day Monday through Friday. Office hours are from 8 a.m. to 5 p.m. Sign-up deadline is Friday, April 1, 1966.

## David Slaughter Still Setting New Coaching Records

David Slaughter, former coach at Knox City High School, will not soon forget the 1965 football season of the Sul Ross State College Lobos.

Slaughter, who, at age 36 has spent half of his life in coaching, is athletic director and head football coach at the Alpine school, and the 1965 season was one which brought him and the school a long list of distinctions.

Before the season ever opened, Slaughter was named Lone Star Conference Coach of the Year (this covers all sports played in the Lone Star Conference) for his 1964 Lobos, who fashioned a second-place finish in the LSC with a 7-3-1 record, and then went on to whip East Central Oklahoma 21-13, in the All-Sports Bowl in Oklahoma City.

Well, Slaughter was pleased, to say the least. He didn't have the least notion that the 1965 group would overshadow the efforts of those 1964 grid warriors.

But, they did. They went through a rugged 10-game regular-season schedule unscathed, making Sul Ross Texas' only undefeated and untied college or university grid group.

For the teams' fine showing, Slaughter was named NNAIA District IV "Coach of the Year," and he got the same honor in the Dallas Morning News when he was named "Texas College Coach of the Year."

More recently, he was invited to speak at the annual convention of the National Association of Intercollegiate Athletics in Kansas City, Mo. This association, composed of almost 500 member schools, heard Slaughter's lecture on defense during the week-long convention.

Only days ago, the Texas House of Representatives unanimously approved a House Resolution, praising Slaughter, his staff and the Sul Ross football team for the distinction their 1965 play brought to the school and to West Texas.

"We are extremely proud of Coach Slaughter, his staff and the Lobos for the wonderful record they compiled in 1965," said Dr. Norman L. McNeil, Sul Ross president.

The question, at this point, is what can the Lobos do for an encore in 1966?

Slaughter and his staff are wondering the same thing. But, he has an answer for those people who've been asking him about upcoming football prospects down through the years.

"We'll tee her up at 7:30 every Saturday night," Slaughter kids.

But, he means it, and there is little doubt that the Lobos will come through with another good record in 1966.

Slaughter is married to the former Zana Hamm, daughter of Mr. and Mrs. Olvis Hamm of Knox City. David and Zana have two children, Zana Elise, 7, and John David, 4.

## Local C Of C Group Attend Meeting

The West Texas Chamber of Commerce's annual Infocade series was held March 16, 17, and 18, in Lubbock, Mineral Wells and San Angelo, and five Chamber of Commerce members from Knox City attended the program in Mineral Wells. Those attending from Knox City were: Joe Cartmill, Charles Lankford, Bob Harrison, E. Hob Smith and Mrs. Kenneth Crownover.

Infocade '66 was a series of three one-day orientation meetings sponsored by the West Texas Chamber of Commerce for the leadership of West Texas.

The Infocade program featured speakers on business-government relations, on West Texas economic development, on the women's viewpoint, and high school and college students spoke on the future leaders' viewpoint.

Ben Barnes, speaker of the House of Representatives in the Texas Legislature, moderated each of the three sessions. Keynote speaker was Beeman Fisher, West Texas Chamber president.

## Rochester Lady Has Father And Husband Fighting In Viet Nam War

A helicopter pilot from Kingsville has been credited with coining a phrase that is spreading through Viet Nam. Another coincidence is that the Warrant Officer is married to a former Rochester girl and her father, Sfc Clarence H. Webb, is stationed at Tran Sup. She and their two year old son are staying with her mother, Mrs. Mildred Webb, in Rochester, at the present time.

Warrant Officer Norman B. Auten, 25-year-old son of Mr. and Mrs. M. L. Auten of Kingsville, is known as the prophet of the "Big Zapper" by his fellow pilots. Auten's "Big Zapper" is the deity whose will means life or death in battle or in accidents of war. The expression has spread like

## Rites For Former Resident Held In Fort Stockton

Funeral services were held in the First Baptist Church of Fort Stockton last Saturday, March 19, at 10 a.m. for Eldred Leo Park, 54, a retired farmer and resident of the Knox City area for about 40 years.

He died in a Fort Stockton hospital Thursday, March 17.

Born May 25, 1911 in Haskell County, he was the son of the late Mr. and Mrs. Lee Park and brother of Mrs. Lillian Logan. He was married to Rose McKinley of Fort Stockton in December, 1942. They moved to the Fort Stockton area about 1952.

Mr. Park was a veteran of WW II and received the Purple Heart after being wounded in the Battle of the Bulge.

He is survived by his wife; five children, Lee of Camp Polk, La., Sandra, William, Randy and David of the home; two brothers, Bob of Abilene and Clyde of El Paso; and two sisters, Mrs. E. L. Clinton of Putnam and Mrs. Neal Logan of Knox City.

Mr. and Mrs. Logan were in Fort Stockton for the services.

### IN WICHITA FALLS

Mrs. R. P. Barnard, Jr., and Mrs. Opal Egenbacher were in Wichita Falls Wednesday for medical attention.

### IN LUBBOCK

Mrs. June Sams was in Lubbock on business last Friday. Her mother, Mrs. Jennie Moore, who lives there returned home with her. On Saturday, June's brother, Jerry, also of Lubbock, joined them for a week end visit.

## "Chain of Prayer" Planned At Local Christian Church

The First Christian Church of Knox City is participating in a Brotherhood wide "Chain of Prayer" as a part of the pre-Easter emphasis. The Christian Church (Disciples of Christ) sets aside the period of time from January 1, through Easter Sunday each year when churches across the brotherhood enroll for a certain day to be in constant prayer and devotion.

From January 1, at least one church, and usually many more, has been participating in the prayer chain. The date for the continuation of this prayer vigil in Knox City is Friday, March 25. A room in the church will be set up for worship and those who have signed up will come at their designated time from 6 a.m. on Friday through the 24 hour period closing at 6 a.m. on Saturday morning. Thus the local church is a part of the thousands of other Christians in a continuous prayer chain to last until Easter Sunday morning.

The chairman for Worship and Education in the local church, Mrs. E. R. Carpenter, which is responsible for the local participation, reports that the entire 24 hour period has been taken by Church members desiring to be a part of this rich experience.

### FROM ABILENE

Mr. and Mrs. Charles Clarke, Lynn and Merri spent Saturday and Sunday with his parents, Mr. and Mrs. Bill Clarke.

Philip Williams

## TRACK TEAM SETS TWO NEW RECORDS

Knox City's track team placed fourth in the track meet at Holiday Saturday with 42 points, but came in first in two events, by breaking some old records in track.

Phil Williams set a new record

with the shot put with a 48 foot and five and one-half inch throw. Anthony Logsdon ran the 800 yard run in a 2:02.6 breaking a record set by his brother last year.

Larry White was second in shot put and third in the discus. Another outstanding track man was Dean Large who ran the mile in 4:51.2.

The track team journeys to Aspermont this week.

RECOVERED — Sheriff H. C. Stone is shown above with 12 of the guns stolen from City Hardware and Feemsters on June 21, 1965, when approximately \$1,000 in firearms were taken.

## Senior Class

By BECKY HOWELL

Last Monday night the Seniors and high school faculty attended a wonderful banquet given by the Methodist Church at the Methodist Church. The theme of the banquet was Ireland. Speaker for the occasion was George Wesley Coats, a Knox City High School graduate and friend and neighbor to many of us. He showed slides on Germany and inspired many of us to take a foreign language when we attend college. Hats off to the Methodists!

Last Tuesday morning our class voted on a commencement speaker. We wanted our friend, Lyndon B. Johnson to speak, but he had a previous engagement! We

plan to have baccalaureate services this year in the Methodist Church and commencement services in the First Baptist Church. We elected Mr. and Mrs. Cidy Williams to serve as parent sponsors on the Senior trip.

In English IV we have been trying to give speeches. One of the most exciting and humorous speeches was the day that Glenn Davis rode a bronc. With a little more experience, Glenn may win the saddle for bronc riding in the Stamford Rodeo this year! In homemaking III we have been making pastries. With several years of cooking experience, we hope to some day be able to eat our own cooking. In chemistry lab we are analyzing unknown solutions and elements. Our grade on those labs is an A or an F. It seems as though some of the

## HAPPY BIRTHDAY!

If Joe Barnard and Bennie Bradford were unusually 'frisky' last Monday, March 21st, it was because both of them were celebrating birthdays, their 14th, to be exact!

## IN GRAHAM HOME

Recent visitors in the home of Mr. and Mrs. L. W. Graham were their daughter and granddaughter, Mrs. Jack Wilson and Mary Ann, of Fayetteville, Ark.; Mrs. Wilson's older daughter, Mrs. John Henbest and her two children of Groton, Conn.; Mrs. Sammie Koble and baby of Cushing, Okla.; Mr. and Mrs. Ronald Voss of Abilene; and Miss Samantha Graham and her guest, David Anderson.

Seniors' health is failing these days because of those labs.

This winds up another week of history for the Class of '66. Adios amigos!

## Junior Class

By MIKE GLENN

Last week, the Munday Senior Class sponsored a faculty basketball game featuring the teachers of Munday against our Knox City teachers. Unfortunately, the Knox City teachers lost by only two points. This Thursday night the Knox City Junior Class will sponsor a "return bout" between these same faculty members in the Knox City High School gym. Make plans now to see this exciting ball game and Back the Juniors in the project!

Our playbooks have come in, and we plan to have tryouts in the very near future. Again, may we remind you that "Sittin' Pretty" will be presented by the Knox City Juniors in mid-April.

We had a class meeting last Friday, and we discussed tentative plans for our Jr.-Sr. Banquet and also our Junior Sneak Day.

The chemistry students had another test last week, but the results were not very good. Therefore, Mr. Winchester discarded those tests, and we have another one scheduled for Monday. Goody!

So long till next time!

## Sophomore Class

By PAM WALDRIP

Everyone seems to be glad that spring is here. Now we're just counting the days until Easter holidays, and hoping that time will soon bring school to a close for this year.

The Homemaking II girls made pies last week. Every once in awhile, one could glance around and see someone slipping a piece to a classmate, or a fellow sitting close by.

Last Friday, five boys and Coach Herrington went to Stamford and participated in a practice golf game. Two of the five boys were from the Sophomore class — Richard Barnard and Paul Graham. A practice game was also held here with Haskell, and one will be held with Quanah on Friday which will be here, also. The other three boys are Jerry Myers, Johnny Ivie, and Tommy

A Dairy Cattle Judging contest will be held this Saturday at Sweetwater. At the present, it is not known which Sophomore boys will attend this FFA contest.

That seems to be about all the news for this week. See you again next week.

## Freshman Class

By MARGARET HOWELL

Everyone is counting the days until school is out. It looks as though we'll just keep counting because we've got a good way to go.

The Homemaking girls are making skirts and blouses. You might say that we're slow but sure—maybe.

Lynn Beason, so far, is the only Freshman going out on the tennis team.

Several of the Freshmen are trying out for Interscholastic League this year. The contest is April first.

That's about all. See you around!

## Eighth Grade

By LINDA MARTINEZ

The hayride Saturday night turned out very well. The food was delicious and the games played were enjoyed by everyone. We would like to thank all the parents who made it possible.

Last week our room was rearranged. We had all the desks in a U-shape with Mrs. Larson in the front. It worked for about two days, then we arranged it back in natural order. It was fun while it lasted!

A few weeks ago I mentioned basketball season was over and volleyball season was beginning, well that's for the girls. Our boys have been working very, very hard toward a good track season. So until we meet again, ta.

### Senior Class

By BECKY HOWELL

Last Monday night the Seniors and high school faculty attended a wonderful banquet given by the Methodist Church at the Methodist Church. The theme of the banquet was Ireland. Speaker for the occasion was George Wesley Coats, a Knox City High School graduate and friend and neighbor to many of us. He showed slides on Germany and inspired many of us to take a foreign language when we attend college. Hats off to the Methodists!

Last Tuesday morning our class voted on a commencement speaker. We wanted our friend, Lyndon B. Johnson to speak, but he had a previous engagement! We

plan to have baccalaureate services this year in the Methodist Church and commencement services in the First Baptist Church. We elected Mr. and Mrs. Cidy Williams to serve as parent sponsors on the Senior trip.

In English IV we have been trying to give speeches. One of the most exciting and humorous speeches was the day that Glenn Davis rode a bronc. With a little more experience, Glenn may win the saddle for bronc riding in the Stamford Rodeo this year! In homemaking III we have been making pastries. With several years of cooking experience, we hope to some day be able to eat our own cooking. In chemistry lab we are analyzing unknown solutions and elements. Our grade on those labs is an A or an F. It seems as though some of the

### HAPPY BIRTHDAY!

If Joe Barnard and Bennie Bradford were unusually 'frisky' last Monday, March 21st, it was because both of them were celebrating birthdays, their 14th, to be exact!

### IN GRAHAM HOME

Recent visitors in the home of Mr. and Mrs. L. W. Graham were their daughter and granddaughter, Mrs. Jack Wilson and Mary Ann, of Fayetteville, Ark.; Mrs. Wilson's older daughter, Mrs. John Henbest and her two children of Groton, Conn.; Mrs. Sammie Koble and baby of Cushing, Okla.; Mr. and Mrs. Ronald Voss of Abilene; and Miss Samantha Graham and her guest, David Anderson.

Seniors' health is failing these days because of those labs. This winds up another week of history for the Class of '66. Adios amigos!

### Junior Class

By MIKE GLENN

Last week, the Munday Senior Class sponsored a faculty basketball game featuring the teachers of Munday against our Knox City teachers. Unfortunately, the Knox City teachers lost by only two points. This Thursday night the Knox City Junior Class will sponsor a "return bout" between these same faculty members in the Knox City High School gym. Make plans now to see this exciting ball game and Back the Juniors in the project!

Our playbooks have come in, and we plan to have tryouts in the very near future. Again, may we remind you that "Sittin' Pretty" will be presented by the Knox City Juniors in mid-April.

We had a class meeting last Friday, and we discussed tentative plans for our Jr.-Sr. Banquet and also our Junior Sneak Day.

The chemistry students had another test last week, but the results were not very good. Therefore, Mr. Winchester discarded those tests, and we have another one scheduled for Monday. Goody! So long till next time!

### Sophomore Class

By PAM WALDRIP

Everyone seems to be glad that spring is here. Now we're just counting the days until Easter holidays, and hoping that time will soon bring school to a close for this year.

The Homemaking II girls made pies last week. Every once in awhile, one could glance around and see someone slipping a piece to a classmate, or a fellow sitting close by.

Last Friday, five boys and Coach Herrington went to Stamford and participated in a practice golf game. Two of the five boys were from the Sophomore class — Richard Barnard and Paul Graham. A practice game was also held here with Haskell, and one will be held with Quanah on Friday which will be here, also. The other three boys are Jerry Myers, Johnny Ivie, and Tommy

A Dairy Cattle Judging contest will be held this Saturday at Sweetwater. At the present, it is not known which Sophomore boys will attend this FFA contest.

That seems to be about all the news for this week. See you again next week.

### Freshman Class

By MARGARET HOWELL

Everyone is counting the days until school is out. It looks as though we'll just keep counting because we've got a good way to go.

The Homemaking girls are making skirts and blouses. You might say that we're slow but sure—maybe.

Lynn Beason, so far, is the only Freshman going out on the tennis team.

Several of the Freshmen are trying out for Interscholastic League this year. The contest is April first.

That's about all. See you around!

### Eighth Grade

By LINDA MARTINEZ

The hayride Saturday night turned out very well. The food was delicious and the games played were enjoyed by everyone. We would like to thank all the parents who made it possible.

Last week our room was rearranged. We had all the desks in a U-shape with Mrs. Larson in the front. It worked for about two days, then we arranged it back in natural order. It was fun while it lasted!

A few weeks ago I mentioned basketball season was over and volleyball season was beginning, well that's for the girls. Our boys have been working very, very hard toward a good track season. So until we meet again, etc.

### VISITS MOTHER

Doug Carlisle of Kress, flew his plane here last week to bring his wife, Fannie Marie, to visit her mother, Mrs. Ida King, who was ill. They were met at the airport by Mrs. Annie Dowding. After several days here, Mrs. Carlisle returned home the latter part of the week.

The Knox County 4-H Rifle contest for boys over 14 years of age was held last Saturday. The boys used the target rifles recently purchased for use by Knox County 4-H members. Each boy fired 10 rounds each from the four positions, prone, sitting, kneeling and standing. Possible score is 400 points.

Wyman Meinzer, Benjamin, scored 320 to far outdistance the field. David Navratil, Gilliland scored 210; George Doby, Benjamin, 185; Steve LaMascus, Benjamin, 189; Fred Cash, Gilliland, 156; James Grant, Gilliland, 105 and Kerry Cash, Gilliland, 103.

Wyman Meinzer, David Navratil, Steve LaMascus and Fred Cash will represent the County at the District Contest at Wichita Falls, Saturday, March 26. George Doby is a member of the Grass Judging team and cannot compete on both.

Would you like to hear what Fred Elliott, Extension Cotton Specialist, has to say about Uniform Planting Dates for Cotton? Then be at one of the following meetings:

The Cotton Team of Fred Elliott, Extension Cotton Specialist, B. G. Reeves Cotton Ginning and Mechanization Specialist and Emory Boring, Entomologist will be in Crowell, Friday, March 25 at 1:30 p.m. The meeting will be in the Youth Center. They will also be in the Seymour High School Cafeteria at 7:30 p.m. Monday, March 28. Any Knox County cotton farmers interested are urged to attend one of these meetings. We will not have the team in Knox County this year.

National Poison Prevention Week, March 20-26 has been proclaimed by President Lyndon B. Johnson.

We have had two cases in Knox County in the past few weeks that point up a need to take a closer look at what might happen around our own homes. Both cases involved a child eating some medicine left where the child could get to it. One case was fatal and the other involved some anxious moments before the parents knew the child would recover.

The point to remember is that every household contains many poisons that are not taken internally or if taken in a large dose. Aspirin is a common example of the latter. Many household cleaning products like furniture polish, kerosene, paints are poisonous if taken internally.

Young children will eat and drink anything. They are curious about things that glitter, pretty colored pills, bottles and containers of all kinds.

Keep all products in original containers. Using soft-drink bottles to store other things is an inviting disaster. Never call medicines "candy."

Always return to a safe storage any container that might be harmful. The lavatory can be used as a step-ladder for a young child to reach the medicine cabinet.

Since children imitate adults, avoid taking pills in their presence.

Remember the theme of National Poison Prevention Week "Poisons and Children — Store one and Save the Other."

Beautiful home lawns just don't happen. They are the result of good management, including the proper grass, fertilizing, mowing, watering, and in some instances, drainage.

Knowing the right time to feed the lawn is as important as knowing what to feed it. Turf requires frequent feedings to remain green and vigorous throughout the growing season. Lawns should receive an application of complete fertilizer in the spring and again in early fall.

The spring application on Bermuda, St. Augustine and zoysia should be made about the time the grass begins to grow. The fall application of a complete fertilizer should be made about 30 days before the average date of the first frost. Generally a fertilizer with a 1-1-1 or a 2-1-1 ratio should be used and applied at the rate of 2 pounds of actual nitrogen per 1,000 square feet.

Bermuda, St. Augustine and zoysia lawns should also receive 1 pound of actual nitrogen per 1,000 square feet every 30 to 40 days during the growing vigorous.

Nitrogen is the key in turf production. It produces vegetative growth and gives the plant a deep green color. Phosphorous stimulates development of a good root system and potassium affects the physiological process of the

**Study Club View Film On Growth Of Federated Clubs**

Mrs. J. M. Averitt was leader for the program of the Knox City Study Club last Thursday, March 17th. She presented Mrs. Alton Fitzgerald who showed a film on the History of the Federated Clubs of America, featuring the growth in numbers of clubs and the wide scope of accomplishments throughout the world.

Mrs. E. R. Carpenter presided for the business session. Members voted to amend the Constitution to read: The Club will meet on the first Thursday in October and conclude the meetings on the first Thursday in May.

The treasurer gave a check to pay for planting a tree in the City Park.

State Senator Jack Hightower will be speaker for the next meeting of the club on Thursday, April 7th. Guests are invited to hear Senator Hightower.

**Kay Reeves Chosen For MU Choir**

Kay Reeves has been chosen by Mrs. Virginia Bradbury, voice instructor at Midwestern University in Wichita Falls, to be a part of a 23-member chorus in the musical "Fanny" to be presented Tuesday through Saturday, March 22-25 at 8 p.m. in the MU Auditorium.

Kay is the daughter of Mr. and Mrs. C. A. Reeves. She is a freshman majoring in speech and drama at Midwestern.

Originally a trilogy of stories by the French author Marcel Pagnol, "Fanny" was adapted for the stage by S. N. Behrman and Joshua Logan, with music and lyrics by Harold Rome.

According to Mrs. Bradbury, about half the production is set to music. "A musical is only as good as its chorus," she says. This is because "singing enhances and makes a dramatic situation more penetrating for the audience."

Much of the excitement in the play is furnished by the chorus, which serves as local townspeople.

Tickets, at \$1.50 for adults and 75 cents for area students, may be reserved by calling Midwestern University, 692-6611 extension 261, or by sending a check or money order to Dr. Hindman.

**RED CROSS DRIVE IS SUCCESSFUL**

Paul Clayton informed the Herald this week that \$524.65 had been collected in the drive for the American Red Cross, and that one box in the city had not been turned in.

Although Knox City's goal was for \$600.00, he and Lyndol Cybert, co-chairmen, felt that the drive was very successful and asked the Herald to express their sincere appreciation to all those who helped and certainly to all those who contributed.

**Rhineland Hosts KC 4-H Food Show**

The Knox County 4-H Food Show was held in Rhineland on March 19, with 14 members participating. Five of those taking part will represent the County in the District 4-H Food Show which is to be held in Wichita Falls on March 26. They are:

Senior Division — Dora Andrade, Goree, in the Bread and Cereal Group; Junior Division — Lois Hargrove, Goree, Meat Group — Glenna Gideon, Knox City, Bread and Cereal Group; Cristy Shaw, Gilliland, Vegetable Fruit Group and Georgia Mae Tolliver, Munday, Milk Group.

Alternates in the Junior Division are: Tommy and Sylvia Pectol of Munday, who entered the Bread, Cereal Group and Glenda Gardner, Gilliland, Meat Group. Others exhibiting in the Bread and Cereal Group were Carlene Weaver, Munday, Georgia Tolliver, Munday, and Susan and Cindy Stone, Benjamin.

Exhibiting the meat group in addition to those mentioned were Ania Coton, Munday and Patricia Tyra, Goree. Trena Cash, Gilliland, entered the Milk Group.

Judging the show were Mrs. L. D. Welch and Mrs. Jim Cash.

Leaders attending who are assisting the members with their Food and Nutrition projects were Mrs. H. C. Stone, Mrs. Richard Pectol, Jr., Mrs. Jim Cash, Mrs. Elmo Shaw, Mrs. Sam Tyra and Mrs. N. E. Hosea.

A deficiency of nitrogen causes stunted plant growth. The leaves are relatively small, thin and yellowish green to yellow, resulting in a condition often referred to as "firing." Phosphorous deficiency causes slow growth of the entire plant and the leaves to be an unhealthy dark green in color with irregularly distributed brown patches showing. Potassium deficiency stunted growth with the entire plant eventually drying up and taking on a brownish color.

**Attend Bateman Funeral Services**

Out-of-town relatives and friends attending the funeral services for Mrs. Ruby Walker Bateman were: Mr. and Mrs. Rex A. Palgerson, Myrtle Meinzer, Zula Conner, Florence Headrick, Mr. and Mrs. Leon Bivins, Benjamin; Mr. and Mrs. Bobby Hamilton, Mr. and Mrs. Bill Bumpas, Munday; John E. Fletcher, Mr. and Mrs. T. C. Epley, Rochester; John and Ann Darnell, Mr. and Mrs. Herman (Jack) Walker, Miss Edna Walker, Mr. and Mrs. Albert Smith, Fort Worth;

Willie Mae Banner, Mrs. Pete Barnard, O'Brien; Fred Albright, Sr., Paducah; Mr. and Mrs. Frederick Dalby, Mr. and Mrs. D. V. Marcum and Sandy, Aspermont; Carson Bivins, Seymour; Mrs. Hugh Eubank, Truscott; Mr. and Mrs. Jim Robinson, Lubbock; Mr. and Mrs. Jim Bateman, Breckenridge; Mr. and Mrs. Charles Bateman, Wichita Falls; Mr. and Mrs. Edgar Bateman, Mr. and Mrs. Fred Albright, Jr., of Bateman Ranch.

**Volleyball Tourney Results Shown**

Results of the Volleyball Tournament held last weekend in the local gym and sponsored by the 1946 Study Club are as follows:

Women's division: O'Brien first, Knox City second, and Rochester consolation.

Men's division: Munday first, Stamford (team No. 1) second and Benjamin consolation.

Speaker for the study club reported that the tournament was very successful, and that the teams as well as the spectators seemed to have enjoyed it very much.

**Methodist Group In Abilene Tuesday**

Mmes. George Davis, Ulric Lea, L. N. Bridges, and C. C. Hoge were in Abilene last Tuesday attending the Northwest Texas Conference of the Womens Society of Christian Service.

Four hundred and ten registered for the conference Tuesday morning. The vast area included extends from Texline to Mor. Featured speakers were Mrs. B. Leigh Law, a retired mission from the Congo, and Mrs. C. Laskey of Rustin, La., president of the Woman's Division.

A banquet was given in the McMurry gymnasium, and after that the group was entertained by the McMurry Chanters in Radford Auditorium.

The ladies reported that the entire trip was most enjoyable, excepting the drive home Tuesday night in the strong wind and dust.

**CARD OF THANKS**

I would like to take this means of expressing my thanks for the flowers, cards, phone calls, and visits during my stay in the Knox County Hospital and the Methodist Hospital in Lubbock. Your thoughtfulness helped me through my days of sickness. Carl Chafin and Family.

**Methodist Youth Fellowship Elect New Officers**

Sunday evening at their regular meeting, the Methodist Youth Fellowship elected officers. Those serving are as follows: President, Floyd Baker; vice president, Paul Graham; secretary and treasurer, Jacqueline Crowover; reporter, Terry Hester; program chairman, Karen Clonts.

Serving as sponsors of the group are Mr. and Mrs. Sam E. Clonts and Mr. and Mrs. Kenneth Crowover.

**Attend BB Game In Fort Worth**

Mr. and Mrs. Sam Leaverton were in Fort Worth last Saturday night in order that they might see the NCAA national basketball tournament televised, and watch Texas Western capture the National collegiate basketball championship by toppling Kentucky, 72-65. The Leaverton's interest in the game was due to the fact that the Miners' coach is Don Haskins, who was at one time basketball coach at Benjamin. Texas Western closed out their finest season with a 28-1 record, their only loss being to Seattle 74-72.

**Poes In Weatherford**

Mr. and Mrs. Oather Poe spent a few days in Weatherford last week with Mr. and Mrs. Ronald Bruce and Ronnie and other relatives.

Mr. and Mrs. Bruce moved there last week from Olton. He is employed at the McAdams Ford Co. in Weatherford.

Mrs. Poe remained for a longer visit.

**CARD OF THANKS**

We would like to thank each of you for the many deeds of kindness shown us in the loss of our loved one, Mrs. Bud Bateman.

For the cards, floral offerings, to those who brought food, and to those who helped in any way, thank you so very much.

Carol Sue Bateman, Mr. and Mrs. Jim Bateman, Mr. and Mrs. Charles Bateman, Mr. and Mrs. Dusty Bateman, Mr. and Mrs. Eddie Bateman Jr., Mr. and Mrs. "Cuz" Albright, and Mrs. Jack Walker, and Mrs. Albert Smith, Miss Edna Smith.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN — Both Democratic and Republican state party leaders have emphasized that victory in the U. S. Senate race is their top objective of 1966.

"We are ahead and we plan to stay ahead," Sen. John G. Tower told the GOP state executive committee.

"I am told the Senate election in Texas is the No. 1 race in the nation this year," said Atty. Gen. Waggoner Carr, one of the top Democratic senatorial nominees, at a meeting of the State Democratic Executive Committee.

Democrats selected Austin for their September 20, state convention, at which control of their party for the next two years will be decided.

Republicans, who have no serious convention controversy in sight, will meet in San Antonio.

Both party executive committees will return to Austin on May 17 to canvass first primary elections, and Democrats will clarify run-off candidates, if any.

Democrats rejected a proposal by gubernatorial candidate Stanley C. Woods, of Houston to hold a May 7, referendum on whether Texans prefer "annual" or "permanent" registration.

SDEC Chairman Will D. Davis

held that a group petitioning for a referendum on a constitutional amendment to legalize pari-mutual horse and dog race wagering did not have its papers in order by deadline.

A Democratic committee resolution was designed to bring delegate strength in district caucuses at the 1966 state convention in line with new senatorial reapportionment. Another would discourage manipulation of county convention voting strength of new and recently-altered precincts.

Republicans named John Golsbee of Jacksonville and Roy I. Jindra of Alice to the GOP committee to fill vacancies.

Democrats picked Mrs. Gilbert Theriot of San Angelo to succeed Mrs. S. St. George Tucker, also of San Angelo, on SDEC.

**OIL INDUSTRY ON UPSWING** — Texas Railroad Commission, concerned as to how industry would operate in a national emergency postponed setting statewide oil allowable until it can evaluate "the escalating market demand and underproduction."

State reached 33.2 per cent of potential factor this month, highest since May, 1959, and the sixth straight increase.

Major oil company spokesmen

Mrs. Bobbie Bradberry and Johnny were recent visitors of their son and father, Milton Gene Bradberry, in Almagordo, N. M.

Painted a bright picture for the industry at the proration hearing, predicting demand for petroleum products will go up three to 3.5 per cent this year. Those who complained a year ago about surplus oil and gas stocks emphasized need to build up reserves.

**MINING BATTLE** — A Houston-based firm claims Land Commissioner Jerry Sadler is wrong in rejecting its sulphur mining claims in West Texas area (Pecos County and has asked State Supreme Court to enjoin further action under a scheduled sale of state lands on May 3.

Duval Corporation says a 1919 law gives it the right to stake claim on land to which the state has sold surface rights on payment of 50 cents an acre annual rental plus one-sixteenth royalty in minerals are produced.

State Supreme Court nullified the 1919 act and that to allow leasing under the 1919 act might deprive the state permanent school fund of millions of dollars.

Sadler said he carefully considered all aspects of law and rights of three million school children before refusing to file mining claims of the Duval Corporation.

**CATTLE QUARANTINE** — A cattle scabies outbreak resulted in quarantining of interstate shipments of cattle from six North-west Texas counties.

Counties under U. S. quarantine March 8, are Floyd, Briscoe, Castro, Hale, Lamb and Swisher.

Epidemiology work and trace-backs on cattle involved are under direction of Texas Animal Health Commission and U. S. Department of Agriculture animal health division. A U. S. inspector has been assigned to each county.

**AG RULES** — An attorney appointed to represent indigent defendants in criminal trials is entitled to full compensation, whether or not he appears in court for a full day or part of a day, and he is entitled to compensation for each court appearance he makes for his client, Attorney General Carr held. However, if the attorney represents more than one defendant on the same day, he is entitled to compensation only once on that day.

In other opinions, Carr concluded that:

- A county clerk or judge can not collect, impose or record costs assessed by a corporation court in criminal cases and a court can not tax any costs against a defendant in a criminal case.

- Witness fees must be filed with the Comptroller's office within 12 months after they become due and payable and, if they aren't filed, the fees are barred. Also, the Legislature has the authority to appropriate funds for the fees.

- County attorney of Matagorda does not have duty to act as "prosecuting attorney" under uniform reciprocal enforcement of support act.

- A surety will be considered in default on a bail bond after judgment of forfeiture has been made the final and is unsatisfied.

**WATER COMMISSION BACKS DOWN** — Texas Water Rights Commission backed down on a proposed new rule withholding water bond approval in unprotected coastal areas.

Instead, future bond approval orders relating to such areas will include a warning of possible danger from high water or hurricane storms. These warnings will become part of land abstracts within such districts.

Opponents of Commission's proposed new rule claimed it would discourage real estate development along coasts.

**RETARDATION OBJECTIVES SET** — The Texas Plan to Combat Mental Retardation has been drawn up and some 200 recommendations have been made to help the mentally retarded.

In accepting the recommendations, Gov. Connally said the plan

## FROM AMARILLO

S. O. Turner of Amarillo, former resident of Knox City, and brother of Mrs. C. S. Woodward, stopped in the Herald office last Thursday afternoon for a short visit. He was enroute home after visiting in Abilene with his brother.

"represents a massive attempt by all levels of government and the citizens of the state to help the mentally retarded find greater purpose to their lives."

According to the Plan, more attention must be paid to more effective prevention, treatment and amelioration of mental retardation methods.

Also, better care, education, training, habilitation and employment for mentally retarded citizens should be provided.

Connally said the recommendations would be handled on a priority basis.

**SHORT SNORTS** — Attorney General Carr says 500,000 more citizens now will be able to vote as a result of the 15 additional days of voter registration authorized by the special legislative session after a federal court held the Texas poll tax invalid.

A mass of testimony now is being studied by the Railroad Commission after its own motion to give operators in numerous West Texas, Plains and Panhandle counties a chance to show cause why the use of earthen pits for salt water disposal should not be discontinued in oil and gas fields resulted in piles of testimonials.

Local draft boards are making available bulletins about upcoming draft tests for students, plus application blanks for taking tests at 69 colleges in May and June.

Office of Economic Opportunity has invested a total of \$129,314,871 in poverty war projects to date in five states, and Texas share of the federal money programs in Vernon (\$6,132) and in Eagle Pass (\$26,699).

## Historical Committee Meets in Belknap --- Martinez Writes Winning Essay

Knox County celebrated its 80th birthday last Sunday, March 20, and a number of Knox Countians attended the Region II meeting of the Texas State Historical Survey Committee at Fort Belknap in Young County.

Dr. R. N. Richardson of Abilene was the main speaker. Nine counties were represented and gave reports of work accomplished in their respective counties.

Region II is composed of 15 counties, and Mr. A. M. Pate Jr., of Fort Worth is chairman.

Knox County hopes to place two markers soon. The one for "The Narrows" is expected in four or five weeks. The corner stone that was in the old courthouse will be restored and placed on the courthouse lawn.

Appropriate ceremonies will be held when these markers are dedicated.

Those attending the meeting Sunday at Fort Belknap from Knox County, included: Mrs. R. M. Almonrode and Mrs. Jim Reeves, Munday; Mr. and Mrs. J. R. Brown Truscott; Judge and Mrs. L. A. Parker, Mrs. Allie Moorhouse, Mrs. Earl Sams, Mr. and Mrs. O. D. Propps, Mr and Mrs. Wade House, and the First Christian Church minister and his wife from Benjamin; Mr. and Mrs. A. E. Propps, Mrs. B. B. Combs Sr., Gayle Campbell and Mary Jo Campbell, Mr. and Mrs. C. C. Hoge and Paul Hoge, all of Knox City.

Winners in the essay contest that closed on March 20, are to be announced. These essays were written by the Texas History students of the county on "The 80 Years of Progress of Knox County."

The following essay was judged winner of the Knox City Seventh Grade students who are studying Texas History.

### 80 Years of Progress

By ALICE MARTINEZ

Knox County has gained much progress in the past 80 years. It has gained many, many families which have helped in the gaining of progress in Knox County.

Knox County, in Northwest Texas, is level to rolling, mountains covered plains dissected by hilly ranges and eroded breaks.

of the soils are of sandy loam and heavy clay.

The area of 854 square miles is wellwatered by the North Wichita River along its northern border and South Wichita and Brazos River which traverse the country.

There are 24,000 acres irrigated for cotton, grains, potatoes, and truck crops. The cotton is averaged 20,000-30,000 bales and there are eight gins operating.

Knox County contains five main cities: Knox City, Benjamin, Munday, Truscott and Goree.

Knox City is the southwestern part of Knox County, on the agricultural plain known as Knox Prairie. It was founded with the building of the Kansas City, Mexico and Orient Railroad through the area in 1907 and was called Orient for the railroad. In 1947 the retail agricultural center had 45 business establishments and supported a hospital.

Benjamin, in central Knox County, was named for Benjamin Bedford whose father Helorg G. Bedford divided a section of land and sold the sites. In 1884 lumber was hauled from Wichita Falls to build 12 houses. It was made the county seat when the county was organized in 1886.

Munday is in the Southeastern part of Knox County and is one of the cities on the agricultural plain, Knox Prairie. Munday was originated from a store owner. In 1895 the village was named for R. P. Munday, first postmaster where the town was located. In 1940 it was the largest town in the county and had a gin, cotton seed oil mill, grain elevators, a compress, some 70 businesses and a population of 1545.

Truscott is in north central Knox County. In 1899 it was centered around a small store and was known as China Lake. The stage line left the mail at the home of Tom Truscott, whose name was given to the post office.

In 1907 the town moved a mill to its present location on the Kansas City, Mexico, Orient Railroad. The census of 1940 showed a population of 500 and in 1947 there were five businesses.

Goree is in southeastern Knox County and was named for Robert D. Goree. In 1887 the settlement centered around Benedict's store at Riley Springs. Later it moved

## 7th And 8th Grade Band Students Are Entertained

The Seventh and Eighth grade band students were entertained by the Band Boosters with a "hayride" north of town last Saturday night.

The group assembled at the school and rodeo in a large grain truck to the shelter belt of Roy Smith's ranch north of town for a Weiner roast.

The students sang, played games and enjoyed hot dogs, potato chips, pickles, chili, cold drinks marshmallows, and candy bars.

Guests were Band Director and Mrs. Norman Arnett and Mr. and Mrs. Tommy Richardson.

Those assisting with the transportation and food were Mmes. Peggy Jones and Vernell Tankersley and Messrs. and Mmes. Jim Huntsman, Jim Ross and Buddy Angle.

to a site about three miles west of its present location. Determined to serve the people of Goree, they would force the train to stop for passengers. A depot was finally built at Goree.

Education is important to all the cities in Knox County. There are elementary schools and high schools in Knox County.

The people of Knox County are almost all friendly. The people are easy to make friends and get along with.

Knox County has many kinds of churches. Between the years of 1903 and 1921 many of the churches were founded. Between the years of 1957 and 1959 they were rebuilt.

To me, these past 80 years, many, many changes have unfolded before our own eyes. Will the next 80 years be as exciting as the last 80 years? We'll wait and see.

Alice Martinez is the daughter of Mr. and Mrs. Dan Martinez. Her essay was selected as the best from the class of Texas History students in the seventh grade in Knox City Junior High School.

Each week the winner from other schools in the county will be published.

## Streams In Desert Places

Ozelle Stephens

"Thou shall not take the name of the Lord thy God in vain." (Ex. 20:7).

This rule is to help us think about God in the right way. What you think about determines what you are. The secret desires of your heart eventually show up in your very appearance. Though homely and rough, we see Abraham Lincoln's face the very principles of sympathy and honesty which made him the greatest of all Americans.

One of the wisest of all Americans said, "A man is what he thinks about all day long."

Another wise man said, "Our life is what our thoughts make it." The scripture is "for as he thinketh in his heart, so is he."

God's rule is that we put something high and holy in our thinking. Paul said, "What so ever things are true, honest, just, pure, lovely, of good report think on these things." These qualities of the Lord when in our thoughts lift and inspire our lives making us godly. Let us not profane God's name at this Easter time or anytime, but let Him be worshiped and adored. Confess your sins for He is faithful and just to forgive and cleanse from all unrighteousness.

## O'Brien Seniors Present Three Act Play, March 29

The O'Brien Senior Class presents a three-act comedy Tuesday evening March 29, in the school auditorium. Stage time is set for 7:30 p.m.

"Where's Grandma" is a snappy, interesting comedy with splendid story value. Grandma is a delightful old lady who first shows off in sophistication to impress her grandchildren. She wants them to love her and her outlandish attempts to impress them by her youth and sophistication are wishful as well as funny.

You will laugh at Grandma and with her in the first two acts, but love her in the third when she proves to be the dear, silver-haired Grandma of dreams whom the young people have visioned all the time.

Another feature will be an old fashion tent show candy sell, in which the purchaser of each 25 cent bag of candy receive a valuable prize.

The O'Brien Seniors invite everyone to come out and spend an evening of fun and entertainment with them.

### ATTEND WOMAN'S FORUM

# POW-R-SPRINKLER

The Pow-R-Sprinkler Offers You All These Important Features . . .

### Controlled Spraying in Wind

The wind has no effect on the water until it is delivered by the nozzle. The nozzle reaches out to maximum distance by proper regulation of water pressure and nozzle size. The wind distortion of the pattern is spread over a greater area, eliminating extremely wet spots. The POW-R-SPRINKLER is 25% more efficient in wind conditions than other types of sprinklers.

### Reduces Labor Problems

It is nearly impossible to hire labor to carry irrigation pipe through the mud and over the crop — but every farm has sufficient labor to make the simple and easy move of the POW-R-SPRINKLER. The investment will rapidly convert to profit, not only in labor savings, but in increased crop yields because of the superior uniformity of water application.

### Adjustable Boom Heights

All "L" models have adjustable boom heights. Under varying conditions the boom ends can be lowered so the wind will have less effect on the water. Under high wind conditions, the total area covered will remain nearly perfect by merely adjusting the boom height. For boom adjustments — and for all off-season storage — the boom can be lowered all the way to the ground.

### Versatility

The POW-R-SPRINKLER boom rotates very slowly over all crops with uniform application of water from the many nozzles located along the boom pipes. All nozzles are adjustable for maximum efficiency and uniformity.
