Christmas Lighting Contest Rules, Prizes Announced

With the Christmas season fast approaching, Knox Citizens were urged this week to enter the Christmas Lighting Contest being sponsored by the Knox City Lions Club.

"Besides competing for the valuable prizes," C. H. Keck, president of the club, said, "you will at the same time help beautify your home and community. Join your neighbors in saying 'Merry Christmas' with decoration and light."

This year there will be two divisions—home owners and persons who rent their homes, according to Roy Baker, chairman of the arrangements committee. The contest is open to all people residing within the corporate limits of the city.

There will be four prizes awarded, two in each class, as follows:

Home Owners Division: 1st prize, \$29.50 floor lamp given by West Texas Utilities; 2nd prize, \$15.00 in cash, given by Lions Club.

Renters Division: 1st prize, Whippit Electric Mixer, value \$14.50, given by City Hardware, plus Zipper Picnic Kit, with thermos bottles, value \$15.00, given by Frizzell's Drug Store; 2nd prize, \$15.00 in cash, given by Lions Club.

Prizes may be seen at West Texas Utilities and Frizzell's.

Rules of the contest are simple. Get your lights up as soon as possible but not later than December 18 and leave on until 10 o'clock each night. The contest will be judged between December 18 and December 24 by out-of-town judges.

Lights and decorations will be judged on the following basis: General artistic effect, 50 per cent; conformity to Christmas spirit, 30 per cent; and originality, 20 per cent.

Since there was no lighting contest last year, sponsors hope that many homes will be entered this year and that much enthusiasm will be shown, making our city one of real Christmas beauty.

Worth Saturday to see the TCU-SMU football game were nine members of the Greyhound football squad, Wallace May, Jerry Wilson, John Ed Smith, Leon Nolan, Guy Thomas Robinson, John Jones, Jimmy Joe Jones, Abe Watson and L. Rochester, Sanger To Play at Haskell Friday Afternoon

The Rochester Steers and the Sanger Indians are scheduled to play at Haskell Friday afternoon at 2:30 for the Region 3-B football championship.

The Rochester team is considered one of the strongest Class B teams in the state. Their closest game of the season was with Valley View, which they won by a 19-13 score.

Sanger, in its bi-district game, tied with Valley View 20-20, but was awarded the game on penetrations.

Reserve seats for the game Friday are on sale at Rochester and Haskell.

KNOX CITY TO PLAY 11-MAN FOOTBALL NEXT YEAR

The Knox City Greyhounds will play 11-man football next year instead of 6-man, it was announced by School Supt. Harold Barnett following a meeting of the board of trustees Tuesday night, when final action on the question was taken.

Mr. Barnett said the change will call for a larger field, and that Barney Arnold, president of the board of trustees, is investigating possible sites.

According to Coach David Slaughter, Knox City will probably have about 28 boys out for football next year, including eight returning lettermen. Wallace May, John Ed Smith, Jimmy Joe Jones, John Jones and Leon Nolan will not play next year.

Slaughter added that he expects Knox City to be in the district with Rochester, Rule, Aspermont, Lueders and Woodson, and he and other school officials will be in Rochester one night next week to plan the schedule for next year.

Funeral Held for Man Killed In Oil Rig Accident

Funeral services for W. B. Blankenship were conducted from the First Baptist Church Monday, Dec. 3, at 2 o'clock, with Rev. Emil V. Becker, pastor of the church, officiating, assisted by Rev. Oscar Bruce, pastor of the First Methodist Church.

Mr. Blankenship passed away at the Baylor Hospital in Dallas Saturday, December 1, at 10:30 a. m., from injuries received near here Friday about 5:30 a. m., when a safety valve blew off a mud pump, striking him in the head. He underwent brain surgery at Baylor Hospital. He was a derrick hand employed by Bayer-Hunnfeld Co.

William Ben Blankenship was born in Alabama March 15, 1903, the son of Mr. and Mrs. W. L. Blankenship. The family moved from Alabama to Sawyer, Okla., in 1905.

He married Miss Farel M. Matthews on August 18, 1926, in Kingfisher, Okla. They lived in Blaine County, Okla., on a farm until 1931. In 1945 he went to work in the oil fields and had lived in Lovington, N. M., Midland and Graham, moving to Knox City in March of this year.

E. Blankenship, of Alma, Okla.; three sisters, Mrs. J. L. Potts of Sawyer, Mrs. Ben Selvidge and Mrs. Carol Wynn of Hinton, Okla.

Also surviving are six grandchildren and a number of nieces and nephews. Interment was in the Knox City cemetery under direction of Warren Funeral Home.

Harold Huntsman Loses Fingers in Gin Mishap

Harold Huntsman, son of Mr. and Mrs. Hass Huntsman, lost the first joints of his first and second fingers on his left hand Monday morning in an accident at the Paymaster Gin, where he is employed.

Harold was working on a choked feeder when the accident occurred.

Doctors at the Knox County Hospital amputated the fingers just below the first joints, his mother said.

Greyhounds Defeat Lazbuddie to Take Regional Crown

The Knox City Greyhounds won the regional championship for the second straight year Friday night by defeating the Lazbuddie Longhorns, 57-6.

The near-capacity crowd was thrilled when Jerry Wilson, on the first play from scrimmage, ran about 70 yards for a Greyhound score. Still in the first quarter, Wallace May broke loose for 50 yards and another touchdown.

The 'Hounds got two points on a safety when Wilson downed Lazbuddie's Paul Jesko behind the Longhorns' goal line. Then, on the kick-off after the safety, May scampered 75 yards for another six points.

Lazbuddie's score came late in the second quarter on a pass from McDonald to King, good for about 20 yards. The half ended with the score 20-6.

After the half, the Longhorns pushed to Knox City's 10-yard line, where John Jones intercepted a pass and ran almost 80 yards for a touchdown. Knox City kicked off, and on the second play, May intercepted a pass and scored after a 20-yard run. John Ed Smith kicked for two extra points.

The 'Hounds next score came when Wilson broke loose for 40 yards. Abe Watson, reserve center who was replacing John Ed Smith, who had been injured, received a pass from Guy T. Robinson for the extra point.

A pass play from Robinson to May, covering about 50 yards, accounted for another Greyhound score, and for the final touchdown. Wilson ran about eight yards through the middle. Smith kicked for two points.

Coach David Slaughter, on behalf of school officials and team members, expressed his thanks to Knox Citizens and others in the area for the fine support given the team this year. He complimented the boys for their ability and sportsmanship, calling the 1951 squad one of the finest he has ever coached.

Supt. Harold Barnett reported that advance ticket sales for the regional game amounted to about \$250.00, and gate receipts of \$539.75 brought the total of \$789.75. Programs for the affair were paid for by local citizens who advertised on the back of the folders.

Postmaster Urges Sending Yule Cards By First Class Mail

To insure that your friends will hear from you this Christmas, all cards should be sent by first class mail, Postmaster Jeff Graham said this week.

According to the postmaster, many thousands of cards are undeliverable each year, either because of hastily scribbled addresses or because they are sent by third class mail—which cannot be forwarded or returned.

Loosely-wrapped gift packages—another trouble that can be easily avoided—are also often undeliverable.

To offset these perennial problems, Graham recommends that everyone begin now to bring address books up to date. "And by all means mail your cards and packages—this week or next if possible."

"Wrap shipping cartons carefully, with a good cord pulled over and under several times. Stuff packages properly to protect any fragile items they may contain, and use heavy wrapping paper to help insure safe delivery."

Packages are limited to 70 pounds in weight, and must not exceed 100 inches in length and girth combined.

Special care should be given to writing or printing clearly all names and addresses. Christmas seals may be placed only on the backs of packages. Stickers are also allowable.

The postmaster emphasized that little is saved in sending greetings in unsealed envelopes because third class mail rates have been raised to two cents.

First class mail also has several advantages: Cards may carry written messages; they are dispatched and delivered first; if necessary, they are forwarded to new addresses without additional charge; and if undeliverable, they are returned if the sender's address is on the envelope.

Envelopes smaller than 2 3/4 by 4 inches or larger than 9 by 12 inches cannot be mailed with less than three cents postage.

Cards and packages for out-of-state delivery should be mailed well in advance of Dec. 11. Those for local delivery are sure to arrive by Christmas Day if mailed by Dec. 15.

DATE CHANGED FOR ANNUAL JUNIOR PLAY

The annual Junior Play will be presented on Thursday night, Dec. 13, instead of Friday night, Dec. 14, as previously announced.

According to Supt. Harold Barnett, the change was made because it conflicted with activities previously arranged by the Study Club and Boy Scouts.

McMurry Chanters To Appear at Local High School

Members of the McMurry College Chanters will be presented in a concert at the Knox City school auditorium tomorrow (Friday) at 9:00 a. m.

There will be no admission charge for the program, and the public is cordially invited to attend, Supt. Harold Barnett said.

The chorus of 45 mixed voices is completing its first major tour of the year. It will also give a sacred concert at the Methodist Church in Munday tonight (Thursday).

Dr. Richard von Ende will direct the choir on their five-day tour of North Texas which will take them to 16 different towns.

The Chanters traveled over 3,000 miles last year in appearing in programs all over the Southwest. About the group, critics have said, "Whether singing hymns in a church or light jumpy numbers for a high

school audience, the Chanters are so devoted and enthusiastic to their work, that each selection seems to come alive with their singing of it."

Two male quartets and twelve soloists will be used on the tour for special numbers.

Specialties for the Knox City concert will be "Bavarian Folk Song" arranged by Dr. von Ende and spotlighting Jimmie Davis, Lamesa senior, yodeling. Miss Davis may also be featured accompanying herself on the accordion.

Other featured selections will be "Coming Thru the Rye", and "Let My Prayer Come Up Into Thy Presence", by the entire chorus.

Defense Bond Drive Reported Successful

Knox County's sales totaled \$21,368.75 during the first U. S. Defense Bond Drive. Nathan Adams of Dallas, state chairman, informed W. E. Braly of Munday, county chairman. The drive was held from Sept. 3 through Nov. 13.

Final sales figures showed that Series E bonds accounted for \$16,368.75 and Series F and G for \$5,000.00 of the county's total.

Sales of \$27, 778,453.25 in Texas during the drive were almost 50 per cent more than normal, Mr. Adams said.

"Normally sales for this period would have been only about \$18,000.00 or \$19,000.00," he said, "and the fact that sales were so much higher is definite proof that the people of Texas are responding, as they always do, to the country's need in national emergencies."

The sales total for the state included \$22,459,665.25 in Series E bonds and \$5,318,788 in Series F and G. There were no state or county quotas, the goal being the "largest possible" volume of sales.

Mr. Adams expressed appreciation to the thousands of citizens who served as volunteers in the drive, but urged that they continue their efforts.

"The need for buying Defense Bonds still exists," he said. "With our country engaged in a gigantic preparedness program, these bonds form an important link in our defense."

Mr. and Mrs. R. E. Carr and Anna V. of Ft. Worth spent the week end in the home of Mr. and Mrs. Eddie Carr and Candy.

ANNOUNCE BIRTH OF SON
 Mr. and Mrs. Bill J. Averitt of Crane have proudly announced the arrival of a son. The boy was born Sunday, Dec. 2, in an Odessa hospital. He weighed 6 pounds and 12 ounces and has been named Joe Bill.

Guests in the H. E. Wall home Sunday were Mr. and Mrs. E. J. Couch and Mr. and Mrs. G. R. Couch of Haskell.
 Mr. and Mrs. Abe Watson attended the Texas Tech-HSU football game in Lubbock Saturday.

In addition to plans for the rifle club, information on 4-H club coats was given to club members, and the program was on "How to Hold a 4-H Club Meeting." Rules were voted on by members, and 26 new names were added to the county enrollment, bringing the November total to 294.
 The clubs will meet again during the third week in December, for organization of the rifle club and a program on soil conservation.

After a short business meeting, with Mrs. Myrtle White presiding, Mrs. L. W. Graham had charge of the program. Mrs. C. C. Hoge discussed Crusade Scholars; Mrs. White gave an article on The Gift of New Members, and Mrs. Oscar Bruce discussed The Educated Membership.
 Mrs. Bridges read a poem entitled "Let Us Kneel Down" and Mrs. G. D. McCarty read "If I Had a Boy".
 The meeting was dismissed with prayer in unison.

Mrs. Logan's fondness for her subject was evident in the way she expressed her feeling toward literature and all that it can bring to each individual. She stated that Literature is revealed in two ways, song and story; and that Literature furnishes an outlet for everyone and reveals an ideal for nations and individuals.
 The next meeting of the club will be Tuesday, Dec. 18, and will be a Christmas party. Mrs. Ross asked that all members attend.

Paternal grandparents are Mr. and Mrs. Joe Averitt of Knox City. Mrs. Averitt was to leave for Crane today to meet the new grandson.
 George Buchanan of Memphis, Tenn., spent the first of the week visiting friends and transacting business in Knox City. Mr. Buchanan is a former resident and still owns a farm east of town.

**CONTEST WINNER IS KIN
 OF LOCAL RESIDENTS**

Miss Jeannene Thompson of
 Ozona, granddaughter of Mr.
 and Mrs. John Darr of Knox
 City, was named "Wool and
 Mohair Shepherdess of Texas"
 in the climaxing event of the
 state "Make It Yourself With
 Wool and Mohair" contest held
 recently. It was learned by
 friends in Knox City this week.

Miss Thompson, 15, is the
 daughter of Hallie Darr Thomp-
 son. She designed, made and
 modeled a gray coat, and was
 named shepherdess on the point
 system by which the garments
 were judged. She received an
 expense-paid trip to El Paso in
 November, and will go to Port-
 land, Oregon, this month to
 represent Texas in the national
 contest.

Jeannene is a sophomore in
 Ozona High School. She makes
 all her own clothes and those
 of her 18-year-old sister now a
 freshman at Baylor University.

When Jeannene is ready for
 her college work, she plans to
 go to Stephens and major in
 designing.

The Sheep & Goat Raisers
 Magazine, in its current issue,
 says: "Besides her evident abil-
 ity as a seamstress and clothes
 designer, Jeannene is really an
 All-American, All-Round girl.
 She paints and has taken art
 for some time. She is noted in
 her home town as a singer and
 has studied voice for the past
 six years. She is active in
 church work and sings in the
 choir. In the high school band
 she is a twirler and made her
 own uniform. Another of her
 specialties is designing and
 making wedding dresses."

**LOCAL FFA GIRLS ENJOY
 CHRISTMAS PARTY**

The Knox City Chapter of the
 Future Homemakers of Ameri-
 ca met Monday night, Dec. 3,
 in the homemaking room of the
 high school building for a pro-
 gram and Christmas party.

Those taking part in the pro-
 gram, led by Zana Hamm, were
 Jo Denton, Dorothy Jean Pack,
 Jeanette Hawkins, Wanda Den-
 ton, Barbara Jo Johnston, Jen-
 nie Belle Culp, Tennie Jo Mc-
 Nulty, Sue Richardson, Genie
 Guinn, Jane Reed, Shirley Hou-
 ston, Tomye Woodward, Chestene
 Watson, Cornelia Tidwell and
 Peggy Stephens.

After the program, the group
 played games directed by the
 social committee, composed of
 Genie Guinn, Mary Beth Wal-
 drip, and Peggy Stephens.

The group exchanged gifts and
 were served refreshments of
 sandwiches, decorated to re-
 semble Christmas packages,
 snowballs, and hot spiced
 punch. Plate favors were Christ-
 mas corsages.

Others attending were Pearl
 Dunnam, Jeanette Pack, Bennie
 Bales, Dorothy Jane Paul, Alet-
 ta Large, Fiolene Dutton, Alet-
 ta Brinegar, Annette Johnston,
 and Mrs. Ulric Lea, FHA spon-
 sor.

LETTER TO THE EDITOR

Dear Sir: Enclosed find money
 to continue the Herald. Say hel-
 lo to all the old timers of Knox
 City, as I lived there a few years
 back.

I supervised the first road
 grading crew that graded the
 road from Knox City to Mun-
 day, then graded the main
 streets of Munday.

I am interested in the oil
 news, as I still have small acre-
 age north of Knox City and
 south of George Stubbs.

We have a great state, Cali-
 fornia, and I would like to in-
 vite any of the old timers and
 friends to make our home head-

**Not Too Soon For
 Christmas---**

We've got a gift package this season that will fit in ANY-
 WHERE in the Continental United States—and it's not too soon to
 think about this gift, if you want to send one or more this Christ-
 mas.

For five dollars, we ship anywhere in the United States
 (postage paid, fully insured) a generous-sized package of our
 specialty—MESQUITE WOOD SMOKED ham, bacon or fresh coun-
 try sausage in natural casings. The ham and bacon can be sent in
 a combination package, if you wish. These packages are attractively
 gift-wrapped, and we write a Christmas letter, telling the lucky
 fellow on the other end that it is coming. It is a splendid gift in the
 five dollar range—come in and ask us about it. By the way, our
 COW COUNTRY brand of food products (ham, bacon and sausage)
 smoked with our native mesquite wood, is making Knox City known
 all over the state and a good part of the nation.

Plenty of beef, fresh pork or cured, fresh country sausage,
 turkeys and the like. And remember—WHOLESALE prices pay.

STREAMS
in Desert Places

By Ozelle Stephens
"And the Lord said, Behold, there is a place by me, and thou shalt stand upon a rock. And it shall come to pass, while my glory passeth by, that I will put thee in a cleft of the rock, and I will cover thee with my hand while I pass by." Ex. 33:21-22.

There is a divine overshadowing for God's people, a divine protection in the cleft of the Rock. A divine Refuge as is promised in Deut. 33:27. "The eternal God is thy refuge, and underneath are the everlasting arms." You can find a sweet relief by putting your trust in God and crying out to Him as the Psalmist in Ps. 57:1-2. "Be merciful unto me, O God, be merciful unto me; for my soul trusteth in thee; yea in the shadow of the wing will I make my refuge, until these calamities be overpast. I will cry unto God most high; unto God that performeth all things for me."

This divine overshadowing, protection, refuge and comfort is yours if you are trusting in the Lord who is God.

The world is full of unrest, disloyalty and distrust. People are trying to satisfy the fleshly desires instead of the spiritual. They can never be satisfied until they let the peace of God rule in their hearts and be filled with the love of God. He will cause one to be calm, rest upon His promises and take Him at His word. You should wait in His holy presence until you are imbued with power of the Holy Spirit who will lead you to believe He is God. To believe in Him is to trust Him. Intelligently you may believe what is recorded about Jesus Christ. You may accept the full scriptural declaration about Him, but unless you trust yourself to Him, He will never be your Saviour and Redeemer. You will not have His divine overshadowing. You must let the peace of God rule in your heart and life, so all doubt will vanish. You must not be afraid or ashamed to suffer for the cause of Christ. You need to spend much time in the secret place of Prayer so you may

CARD OF THANKS
I want to express my heartfelt thanks to you, my home town friends and friends of my family, for the wonderful gesture you extended me in behalf of my campaign.

No man achieves success by himself. It takes the confidence of friends to make a man try for the highest goals in life. I feel that I have your confidence and I assure you that I shall strive to be a legislator that you can be proud of. Although I am elected in another district, I shall also represent you and keep your best interest at heart all the time.
