

NEW BRACERO AGREEMENT MAKES CONCESSIONS TO FARMERS

The new migrant worker agreement between the United States and Mexico makes a number of changes that are considered to be concessions to

the American farmer, officials announced last week. The Mexican government, in announcing the changes and extension of the agreement to December 31, 1953, said the new form will give Mexican workers in the U. S. greater guarantees of good treatment, simplify recruiting procedure and put relations between U. S. farmers and their Mexican employes on a "more equitable basis." Mexico expressly stipulated that the number of workers to be sent to the U. S. harvest fields will be limited. It said none will go until Mexico is sure of having enough labor to plant and harvest her own crops. The limitation is not expected to be serious this year

Twenty-two nations will see life in the United States as interpreted by 1,431 midwestern junior and senior high school students, whose paintings will be sent around the world through the American Junior Red Cross International School Art program. Chosen for the story they tell, as well as for art technique, pictures selected are among 2,203 submitted to the Junior Red Cross program in 1952. Selections are made by the National Art Education Association's Western Division committee headed by Miss Ruth Wohrl, center, conferring with Miss Mary McMullen and Archie Bauman, other members of the committee. Miss Wohrl is director of art education for Akron, Ohio, public schools. Miss McMullen is school art supervisor at Peoria, Ill., and Bauman is art director for Cedar Rapids, Iowa, public schools.

because a long drought has caused widespread unemployment in Mexican fields.

The majority of the changes are in the work contract farmers and employes must sign and which is a part of the agreement.

The new form of work contract makes these changes:

Workers' contracts can be extended for as little as two weeks instead of the former six week minimum.

Ranchers may obtain migrant laborers for work with cattle and sheep for up to 12 months, with 10 percent of this number eligible for longer contracts. Previously, braceros could be used only on crops.

Blacklisting will be done bilaterally. That is, areas accused of discriminating against Mexicans will have a chance to defend themselves before U. S. and Mexican officials. An appeal can be taken from this joint panel, with the Mexican government finally deciding what areas should be blacklisted. At present Mexico establishes, without consultation

with the U. S., the blacklist of areas to which workers will not be sent.

A minimum wage of 50 cents an hour will be paid migrant workers, or more if the going wage in the area is higher. The going wage will be decided by the U. S. Department of Labor after a public hearing at which farmers can be present. The minimum is 50 cents but the proviso for a public hearing is new and has been accepted by farmers.

Farmers will be liable for

damages the braceros may suffer by poor treatment. The farmer may extend his accident insurance policies on his braceros to cover the damage provision. The present recruiting station is to be moved 250 miles closer to the border—to Durango.

Employers may retain two days' pay of workers to cover cost of tools or blankets which may disappear. This is estimated to amount to about \$10 for each of 175,000 workers.

The supply of migrants to cattlemen was promised after they, in turn, pledged their associations to discourage the use of illegal migrants (wetbacks). Mexico said this concession will reduce the number of wetbacks by making it possible for stockmen to obtain legal workers.

"Most-Wanted" of Them All!

It will probably occasion no surprise on your part to be told that the Cadillac car is the most wanted and sought-after automobile on the American highways.

But you might be surprised to learn how widespread the desire to own this great motor car has become during recent years.

Statistics indicate, for instance, that there are more than twenty million motorists in America who would like to call a Cadillac their own. And were the whole of the world's motorists to be considered, this number would grow well-nigh beyond comprehension.

There is reason to believe, in fact, that Cadillac may be wanted by more people than any other product manufactured in America today. It might well be called the great desideratum of the American people.

Naturally, a motor car has to offer many wonderful things in order to occupy such a unique position in the hopes and aspirations of so many persons.

It has to offer great and distinguishing beauty... luxurious comfort... brilliant, masterful performance... and wonderful prestige.

And, of course, in order to have become the logical ambition of so many millions, it would have to be practical to own, as well as wonderful to drive. And so, it would also have to offer—extraordinary economy!

If this sounds like the description of the car that you, yourself, would like to own and drive, then come in and see us—soon.

Perhaps the time has come for you to join the hundreds of thousands of motorists who have stopped wanting a Cadillac—and started enjoying one!

We'd be happy to see you any time.

Furniture Fashions

Moderate-priced outdoor furniture, which comes in a wide selection of new models, may be attractively arranged for loafing or dining al fresco. Summer furniture is keeping pace with the recent design advancements made by all other types of furniture. It is becoming more durable, more comfortable, more decorative, and infinitely more sophisticated. An outdoor living room, that every member of the family can enjoy, is now within the average family budget. Not so long ago, the outdoor living area was limited to the narrow confines of a porch or a shade tree. Today, all you need is an outdoor area that's protected from the wind and the blazing sun.

OLD GLORY MAN NAMED FARM CREDIT BOARD OFFICER

The Farm Credit Board of Houston announces the election of Chas. C. Thompson of Colorado City as Chairman of its Board, and J. B. Pumphrey of Old Glory as its vice chairman. Mr. Thompson was formerly vice chairman of the Board, and succeeds B. L. Sanders of Corsicana who served in that capacity for a number of years. Mr. Pumphrey succeeds Mr. Thompson as Vice Chairman of the Board. These men will serve as chairman and vice chairman, respectively, of the Board of Directors of the Federal Land Bank, Federal Intermediate Credit Bank, Production Credit Corporation, and the Houston Bank for Cooperatives.

Mr. Thompson is Chairman of the Texas Technological College of Lubbock, is president of the City National Bank of Colorado City, and has large farm and livestock holdings.

Mr. Pumphrey of Old Glory has extensive ranch holdings in that area. He also owns one of the fine Hereford breeding herds in West Texas.

DEFENSE SPENDING IN TEXAS TO TOTAL \$185,877,000

Cost of construction in West Texas by the Department of Defense that is under way, that has been authorized by Congress, and that is being requested for 1953 will total \$185,877,000, according to a report prepared by the West Texas Chamber of Commerce. The report was compiled from information obtained from the Defense Department and the U. S. Corps of Engineers.

Much construction is being completed, and much more is more than 75 percent finished.

Cost of work under way and to be negotiated in contracts includes the following: Fort Bliss, El Paso, \$21,750,000; William Beaumont Army Hospital, El Paso, \$6,000; Fort Worth Quartermaster Depot, \$96,492,000; Amarillo Air Force Base, \$9,476,000; James L. Webb Air Force Base, Big Spring, \$6,044,000; Biggs Air Force Base, El Paso, \$1,279,000; Carswell Air Force Base, Fort Worth, \$1,194,000; Fort Hood, \$15,500,000; James Connally Air Force Base, Waco, \$9,500,000; Sheppard Air

Force Base, Wichita Falls, \$9,570,000; Perrin Field, Sherman, Denison, \$991,000; Laughlin Field, Del Rio, \$2,100,000.

The Public Works Construction Bill now before Congress contains \$32,844,000 for improvements at an Air Force Base yet to be reactivated. It is Tye Field, nine miles west of Abilene, whose citizens recently subscribed \$500,000 for purchase of land the Air Force had indicated it will need if the appropriation is approved.

West Texas expenditures requested by Secretary of Defense Robert A. Lovett, which are listed in the 1953 Public Works Construction Bill, include the following for West Texas Army posts and Air Force bases: Fort Bliss, \$5,036,000; Biggs Air Force Base, \$773,000; Carswell Air Force Base, \$15,844,000; Tye Field, \$32,273,000; James L. Webb Air Force Base, \$6,270,000; Fort Hood, \$10,516,000; James Connally Air Force Base, \$7,829,000; Goodfellow Air Force Base, San Angelo, \$3,741,000; Laughlin Air Force Base, \$4,958,000; Reese Air Force Base, Lubbock, \$8,239,000; Perrin Air Force Base, \$4,016,000.

Timely Tips

Vacation time is here, and as with all usual living, you'll have more fun and time to enjoy yourself if you plan carefully in the beginning. Make a list of what you'll need while traveling and what you need when you arrive at your destination. Then go over it and meticulously cull all that can possibly be eliminated. Too much equipment merely means added burden. Making double duty is one way to travel light and still have all you need.

Best headgear for travel is the little crushable, like soft pillboxes or scull caps. If you must take a fussy hat, wear it en route and pack the "little changes."

Fold suit skirts at the hip line, not in the middle. Thus any crease that remains will come up under your jacket away from critical eyes.

Those handy plastic bags you use for storing things in the refrigerator will prove equally useful for packing things for travel, whether it be for a full vacation period or just a day's outing in the country.

BARBARA JANE ALMANRODE, W. O. RATLIFF MARRIED

Barbara Jane Almanrode, daughter of Mr. and Mrs. R. M. Almanrode of Munday, former residents of the Sunset community, and W. O. (Bully) Ratliff, son of Mr. and Mrs. R. L. Ratliff, were married Tuesday evening, June 24, in the First Methodist Church at Munday.

Rev. H. Doyle Ragle and Rev. R. L. Butler officiated at the double ring ceremony. The bride, who was given in marriage by her father, wore a wedding dress of ivory satin fashioned on princess lines. Fitted sleeves came to a point over her hands. Her veil of embroidered tulle was caught to a tiara of pearls and sequins. She wore a double strand of pearls and carried a bouquet of white roses centered with a white orchid. This was atop a white

Bible. Her attendants wore colonial style dresses, ballerina length, of pastel organdy over matching taffeta. They carried colonial bouquets.

Mrs. C. H. Wingert of Fort Worth, cousin of the bride, was matron of honor. Bridesmaids were Lanelle Easter of Abilene, Jane Lightfoot of Grandview, Margie Lowrey of Knox City and Mrs. John Porter of Munday.

Patty Bledsoe, niece of the bridegroom from Canyon, and Ann Porter were flower girls.

Don L. Ratliff was his brother's best man. Ushers were John Porter, Charles Baker, Herbert Partridge and J. C. Shockey.

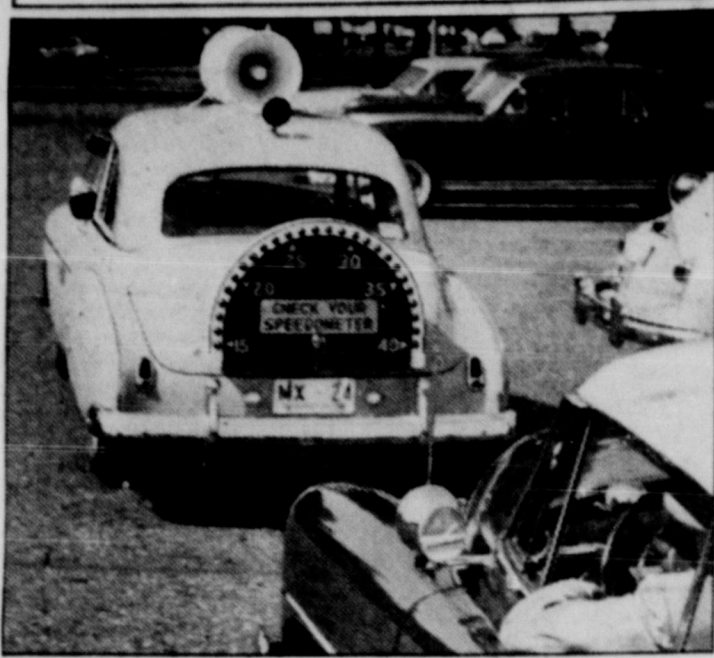

Mrs. J. H. Bardwell was organist and Charlotte Williams soloist. Miss Williams sang "Love's Old Sweet Song," "I Love You Truly," and "Be cause."

A reception was held at the church parlor following the ceremony. The bride's table was laid with a cutwork cloth. Yellow roses formed the centerpiece. Service was in crystal.

Guests were present from Bowie, Oklahoma City, Ft. Worth, Abilene, Knox City, Temple, Benjamin, Goree, Vernon, McLean, Gainesville, Bridgeport, Wichita Falls, Pampa and Canyon.

The bride is a graduate of McMurry College where she was a member of Delta Beta Epsilon, Wah Wahtaysee, WAA and FTA. She did graduate study at North Texas State College and taught school at Munday, Goree and Albany.

Giant Speedometer Cuts Accidents

To make motorists conscious of speed limits, the Seattle, Wash. police department has put into operation a Powerglide Chevrolet with a precise speed clock mounted at the rear. Flashing red and amber lights on the giant exterior dial reflect the speed recorded by the car's speedometer. Police drive the car around the city an average of 90 miles a day and report it has reduced accidents appreciably. Two-way radio and a loudspeaker system to caution drivers are included.

HODGES FAMILY REUNION HELD AT SEYMOUR PARK

The annual Hodges family reunion was held in Seymour Park on Sunday, June 15. A total of 91 relatives and friends were present to enjoy a day of visiting together.

Among those present were Bill Hodges and family, Lamesa; Sam Hodges and Ivy Huddleston and families, Plainview; Don and Patricia Hodges, Afton; Barney Huddleston and wife, Oklahoma City; Buster Jackson and family, Vera.

Lloyd Jackson and family, Ann Cash and Gertrude Reed, Springtown; Roy Jackson and family, L. J. Murdock and wife and Lizzie Jackson, Goree; Wallace Swearingin, Geo. Hodges, Woodie Hodges, L. S. Hodges, O. E. Hubbard and families, Mrs. Willis Pack and son, Elbert King and wife, all of Knox City; Lloyd Feemster and family, Aspermont, Buster Hodges and family, Rochester.

Luther Huddleston and wife, Smyer; Richard Huddleston and wife, Lubbock; Mia, Joe Fields, Archer City; L. J. Smith and family, Wichita Falls.

Mrs. W. O. Snow of Abilene spent Tuesday night with her brother, Otis Cash, and family.

Mrs. Ken T. Edwards is spending this week in Brownwood visiting relatives and friends.

Mrs. W. H. Benedict and Mrs. Mabel Pyeatt were to leave this morning for Austin to help celebrate the 25th wedding anniversary of Mr. and Mrs. Everette Kelley.

Mr. and Mrs. Neal Logan and Lanny were to leave this morning on a vacation trip to Lake Texoma, the Arkansas Ozarks and other places of interest.

ALL-DAY SINGING TO BE HELD AT ELBERT SUNDAY

An all-day singing will be held at Elbert Sunday, June 29, and people in this area are invited to "come and spend the day".

A basket lunch will be spread at noon and there will be plenty of ice water, iced tea and coffee on hand.

Elbert is located 13 miles from Throckmorton on the Olney highway.

Planning to attend from Knox City are the Tankersley Quartet and Tom Cummings.

Misses Merlene and Leona Paul, daughters of Mr. and Mrs. Jack Paul, have been visiting their brother and family, Mr. and Mrs. Charles E. Paul, in Port Lavaca, Tex. They also visited an uncle and aunt, Mr. and Mrs. H. K. Paul. They returned home with their brother and wife, Mr. and Mrs. L. R. Paul, and son, Bruce.

LOCAL GIRLS ATTEND G. A. ENCAMPMENT

The Knox City Baptist Church was well represented at the Junior Girls' Auxiliary encampment held at the Lueders Baptist encampment grounds this week.

The girls, accompanied by Ruth Jane Denton and Wanda Carol Denton, sponsors, left Knox City Monday and were to return today (Thursday). Miss Carol Finley, leader of the group, planned to attend the last day of the session.

Girls attending were Belinda Coates, Patsy Williams, Vera Aldridge, Betty Jean Hawkins, Linda Kay Capps, Linda Kennington, Linda Lane, Martha Reed, Joyce Ann Collins, Cellya Bishop, Louella Denton, Patsy Robinson, Jerria Land, Nelda Dodd and Beverley Smith.

Miss Alyne Lanier of Bakersfield, Calif., spent the week end with her aunt, Mrs. Carrie Belle Benedict.

Fact No. 1

Model for model—costs less Stack up a Chevrolet truck against any other truck with comparable specifications, capable of handling the same payloads. You'll find the Chevrolet truck lists for less and brings you great features.

Fact No. 2

Mile after mile at rock bottom cost Truck users everywhere have proved that Chevrolet costs the least of all to own and maintain. Valve-in-Head economy, in the Loadmaster or Thirtmaster engines, saves on gas.

Fact No. 3

Right truck for the job saves money Chevrolet trucks are factory matched to your payload requirements. You don't waste money by buying "too much truck"—you don't risk work interruption by buying "too little truck."

Fact No. 4

Lower, slower depreciation Records show that Chevrolet trucks traditionally bring more at resale than any other make which cost about the same new. The resale value of Chevrolet trucks stays high because the value stays high.
