Knox City Totals 84 Points In Track Meet

KENNETH EDWARDS VOTED THE MOST HANDSOME CADET IN T. M. C.

At a recent student election held at Texas Military College, Terrell, for the purpose of showing the cadets of the institution how they looked in the eyes of their fellow students, cadet corporal Kenneth E. Edwards 22, of this city, was voted the most handsome cadet.

In addition to such masculine pulchritude, Mr. Edwards also ranked high as a student and athlete in many departments of T. M. C. an article in the "T. M. C. Bayonet", student publication, stated.

He has been cited five times for excellence in military tactics, conduct and athletics at T. M. C. He was a stellar performer on the T. M. C. "Hulldogs" football team and was a member of the T. M. C. gold team which won practically all matches last year.

Mr. Edwards graduates with the A. A. degree this year from T. M. C. where he is pursuing a pre-dental course.

—T. M. C. News Service

P-T-A ELECTS NEW OFFICERS

The Parent-Teacher Association met Wednesday afternoon for the purpose of electing new officers for the coming school year. Mrs. W. V. Favor was elected President, Mrs. C. C. Hoge retained as vice president, Mrs. Otis Cash retained as Secretary and Miss Pauline Benton, who is completing the year as Treasurer in the absence of Miss Graham, was elected treasurer.

Mrs. H. B. Swencen reported plans concerning the Auction sale which is to be held Saturday afternoon. Articles to be auctioned off are donations made by business men and individuals over the entire school district. Patrons who have not yet made a donation are invited to do so. Leave your donation in the office of the Knox County Herald any time up to three or four o'clock Saturday afternoon.

The sale will be held south of the Knox City Dry Goods Store with Jimmie Silman auctioneer. The Knox City Band will play just before the sale. At the conclusion of business Wednesday the association adjourned to meet April fifteenth.

APRIL BRINGS LOW TEMPERATURE AND ICE

April usually spoken of as the "month of showery" was ushered in Wednesday with a norther. Temperature gradually lowered as night came and Thursday morning found thermometer registered around 26 degrees and ice in all out door containers. Fruit tree buds were killed and all other growth will suffer a drawback.

Although the weather condition is not what Knox City folks would have ordered, it is a change from sand storms and will probably be the forerunner of a more severe "Easter Spell" and rain.

DOG WITH RABBIES KILLED WED.

City officials Wednesday killed a dog with rabies. The animal belonged to a Knox City couple but who readily cooperated with city officials in disposing with the dangerous animal.

There are many dogs running loose in Knox City and if any dog owner wishes to keep his animal, he had better pin or tie him up. This caution must be abided with now for if dogs running loose over town are not kept up, they will be killed. Such a step must be taken for protection of the many children in Knox City. The health and life of one child is more valuable than a hundred dogs.

In Class A competition Knox City easily carried off high honors with a total of 84 points to 33 for Munday. Everett Pruitt of Munday carried off individual honors with four first places and one third for a total of 22 points, winning first in the 100 yard dash, 220 yard dash, 440 yard dash, Broad Jump, and third in the shot put. Knox City's well balanced team was too much for Munday's three man team and never was there any doubt as to who would win the meet.

In class B, competition Sunset was easily the winner with 74 points. Truscott second with 38, Goree third with 20 Benjamin fourth with 9. The well balanced Sunset team proved too much for the few men represented from the other schools. Bates of Truscott carried off high point honors with three first places and a second for a total of 18 points, winning first in the 100 yard dash, 220 yard dash, broad jump, and second in the shot put.

The Junior High School championship went to Truscott with 33 1/2 points, Sunset second with 11, Rhineland third with 8 1/2, and Goree fourth with 7.

In the Ward School Division Sunset again proved the best by a big margin of 46 points, with Munday trailing second with 10 points, Truscott third with 4, and Benjamin fourth with 1.

The Rural School results will be published later, pending further check-up.

The Rural Pentathlon was won by Gibson of Washburn with 25 points, winning first place over his team mate in each event.

I wish to thank the following men for making the track meet a success and being carried off in record time. Mrs. L. S. Hardegree of Munday, Mr. J. D. Palmer of Goree, Mr. Underwood and Mr. Walling of Sunset, Mr. V. Brewer of Benjamin, Mrs. Chas. Holmes and Mr. McMinn of Truscott, and Mr. John Ingram of Washburn. These men certainly showed wonderful cooperation and performed their duty well. Such cooperation marks success for a track meet and again I thank you.

I wish to express thanks and appreciation to the city of Benjamin for hospitality shown. The track was in as good condition as could be made and all the coaches thank you very much.

The Volley Ball meet will be held at Sunset Gym Saturday April 4, beginning at 9:00 o'clock. A small admission fee of 10 and 15 cents will be charged to defray expenses of gym and new ball.

The Playground Ball Meet will be held in Munday, May second. Further announcements will be made later concerning this meet.

L. M. Palmer
Athletic Director K.Knox County

District Track events of the Inter-scholastic League will be held in Breckenridge April 17 and 18. On this date also the Knox City Band will go to Big Springs to enter the West Texas Band contest. The band will leave Knox City on the 16th and spend the 17 and 18 in Big Springs.

"Father of Texas"

Stephen F. Austin, the peaceful farmer and lawyer who established his father's American colony in Texas, is revered by history for the wisdom of his leadership in the crisis of a century ago.

Texas Beauty Presents "Blue Bonnet Blue"

A new high note in fashions was struck last week when the Texas Centennial Celebrations presented beautiful "Blue Bonnet Blue" to the fashion world in a style show at the Waldorf Astoria hotel in New York City. Scores of leading stylists, designers, and fashion editors applauded when lovely Janice Jarratt, San Antonio girl known to the nation as America's most photographed girl, appeared in this striking Blue Bonnet gown designed especially for the occasion by Vogue. Decorating the luxurious lounge were 250 flowering Blue Bonnet plants gathered near San Antonio and Corpus Christi and air-expressed to New York.

Official adoption of "Blue Bonnet Blue" by fashion authorities has caused the lustrous State flower of Texas to be introduced into spring and summer fashions throughout the nation. Thus enthusiasm for the Texas Centennial Celebrations, already evident in many fields, motivates progress in the fashion world.

FIRE DESTROYS HEN HOUSE AND FEED

Monday afternoon about three o'clock Knox City Fire boys were called to the Huntman home to extinguish a fire in the chicken house.

The W. F. Evans family occupy an apartment at the Huntman place. They also possess a cow and keep feed for her and have a chicken house and a pig. Monday the pig was sold. Men went for the pig and shortly thereafter fire broke out in the bundled cow feed. The feed was burned, most of the chicken house and a pile of lumber on the side, all the property of the Evans family.

It is believed that men moving the pig carelessly dopped a match or cigarette which started the fire. The fire boys made quick work in extinguishing all evidences of fire and another home was saved.

The Benjamin bank was open Tuesday to pay off depositors. Knox City has been selected County Depository and because of that fact many Benjamin people have been here during the week transacting business. The citizenship of Knox City welcomes Benjamin for any and all business they wish to transact here and will endeavor to give them the same type of service through the bank and other business houses that is given the Knox City people.

Mr. and Mrs. W. T. Humphries and daughter of Seymour moved to Knox City last week. Mr. Humphries is connected with the Cocola Company. They have rooms in the Davis house south of the First Christian church.

TEXAS CLUB MEETS TUESDAY, APRIL 7

The Texas Club will meet Tuesday evening, April seventh in the high school auditorium. At this meeting the following program will be given: Texas Songs, Reading "I'm Going Down in Texas", Larene Silman, Male Quartet, arranged by Press Hitchcock, Early Days in Knox City, Mrs. J. A. Wilson.

After the program a business meeting will be held and officers elected. Due to a lengthy program the first meeting night of the club, the business of electing officers was eliminated, but will be in order next Tuesday evening. All those interested are urged to attend. Program will begin at eight o'clock.

REVIVAL MEETING SET FOR JULY 5-19

The date for the proposed cooperative Revival meeting for the entire town and county is definitely set July 5-19. Reverend W. L. Tittle of Plainview, Texas, is to be the preacher.

Remember the date and let every person interested pray for a sweeping Revival.

AT THE METHODIST CHURCH

Church School, 9:45 A. M.
Preaching, 11:00 A. M.
Board of Christian Education, 2:30 P. M.
Woman's Missionary Society, Monday 3:00 P. M.

This is "Communion Day". It has been quite awhile since we have observed it. Please be present, and partake of this Blessed Sacrament. We hope to have a suitable message. One that will help you.

There will be no services at the evening hour, on account of the Revival at the Baptist church. Remember: the next Sunday will be Easter. We are looking forward to a precious service on that day. Let us all be very much in prayer, that we shall get closer to the Lord, and that He will specially bless us all during the year. May I depend up on each and every member to pray, earnestly, that we may have a great Revival.

Come to the Methodist Church, on time, Sunday morning at 9:45, for Church School, and remain for the preaching service at eleven o'clock. B. J. Osborn, pastor.

Mr. and Mrs. D. Moorhouse and son of Sayre Oklahoma spent Monday here with her parents Mr. and Mrs. W. F. Evans. They returned to Knox City Thursday of this week and will spend a few days here. Mr. Moorhouse has a new position with the GMAC company and as yet does not know just where he will be located.

HOSPITAL NOTES

Patients in Knox County Hospital this week are Mr. Gibson of Guthrie, Mrs. C. L. Kitchen and infant daughter of Munday, Mrs. S. K. Binge of Red Springs, Mrs. Thompson of Goree, Mrs. Ward of Benjamin, Mrs. Tucker and infant son of Haskell, Mrs. Bates of Goree, Mrs. Fitzgerald of Stamford, Guy Coley of Munday, Mrs. Dockins of Crowell and Mrs. Michael and infant son of Rhineland.

Blowout Causes Wink Band Car Accident Gives Excellent Concert

Miss Maribelle Stevenson is confined to her bed this week with an injured shoulder which she sustained when the car in which she was riding was overturned over due to a blowout tire.

Mr. L. H. Stevenson left Knox City Sunday evening for Denton to bring his daughter Maribelle home for the week, (being Spring holidays, between-terms, at CIA. He went in the Ford coupe.

He and Maribelle left Denton early Monday morning. About eight o'clock when they were some twelve miles east of Seymour, they went to pass another car and a tire blew out, throwing the coupe on one side and skidding some ten feet. Little damage was done to the car and Mr. Stevenson was uninjured; however, a half gallon jar of canned peaches riding in the back window of the coupe fell off and broke on Maribelle's left shoulder. The shoulder was severely cut and glass broke in small pieces in the flesh.

A passing car carried both Mr. Stevenson and Maribelle to Seymour where they located the sheriff and came to the Knox City Hospital. Maribelle was on the operating table near two hours, however, she went home immediately thereafter and is doing nicely. Her youth, health and strong vitality have enabled her to suffer the cut and loss of blood and recover with surprising rapidity. She plans to leave within the next week or so for Denton to take up her studies for the last term of the current college year.

BOYS HAVE CAR ACCIDENT WITHOUT INJURY

Paul Hoge and Derrell Adams had a car accident Monday evening that wrecked both cars and left both boys unscratched.

Paul was driving a Chevrolet going to the school house. Derrell was driving a Studebaker and going east. The two collided one half block south of the high school building. Although neither boy was even so much as scratched, both cars were wrecked.

Paul is the son of Mr. and Mrs. C. C. Hoge. Derrell is the son of Mr. and Mrs. Lee Adams.

Miss Beale Bevel of the Union Grove community and Earl Wampler of this city motored to Munday, March 21 and were quietly married in the home of Reverend G. S. Slover. Beale is the daughter of Mr. and Mrs. J. T. Bevel and Earl is the son of H. Wampler. The young couple are making their home in Knox City.

Mr. and Mrs. M. D. Metts and Miss Lucille Williams, Juanita Morgan and Ona Galloway drove to Crosbyton Sunday to take Mrs. Williams home. We are glad Lucille is able to be out gain.

Guy Milford has remodeled his Sandwich Shop, adding a number of stools and counter space. The interior is painted black and white. Looks fine.

Roy Baker is nursing the mumps this week.

"Savior of Texas"

General Sam Houston, one of the most dynamic leaders in American history, is the object of wide veneration in this Centennial year. Thousands are making their pilgrimage to his old Huntsville home.

17 Girls and Boys Make Real Music

One of the most splendid musical programs citizens of Knox City have ever had the opportunity to attend was the concert given Monday night by the Senior Band of the Wink School from Wink Texas.

The large group of children, composed of 17 girls and 43 boys, were congregated about the pulpit of the Methodist church. Director C. S. Eskridge had charge and the band gave a most enjoyable concert. Selections rendered revealed the group to be capable on the many and varied instruments included in the organization, as well as the ability to simply entertain.

The band with their sponsors began arriving in Knox City about four o'clock. At five the huge bus arrived and soon assignments were made to all; that is, the visiting band and their sponsors were entertained over night in homes over the town.

At seven o'clock the band paraded the down town street and favored the large crowd with a few selections, at eight all were assembled in the Methodist church.

Tuesday morning the Wink delegation met in the business district of Knox City and loaded in their buses and many cars for Enid Oklahoma.

Mr. C. S. Eskridge, director of the Wink band, states that the Wink school has a second, Junior Band. Boys and girls in the Senior band range in grades from the fourth through senior high school. Members of the Junior Band are from the fourth grade down.

The Wink Band was in route to Enid Oklahoma to enter the Tri-State contest, composed of the states Texas, Oklahoma and Kansas. On their return trip the Wink Band will go by way of Tulsa where they will give another concert in like manner to that given Monday night in Knox City.

"A DEAL IN FISH" TO BE STAGED FRIDAY NIGHT APRIL 10

The senior play "A Deal in Fish" will be staged in the school auditorium Friday night, April 10th. The cast is as follows:

Jack Gilmore, Lloyd Huntsman, Robert White, Sammie Angle, Archibald Wintertield, Clyde Ingraham, Johnny Hardnock, Lee Roy Sibley, Mrs. John Hardnock, Mary Leone Hoge, Ruth Hardnock, Lora Jean Propps, Betty Hardnock, Yvonne Jamison, Zola, Florence Wilson.

This play is a three act comedy and one that every person will enjoy. In addition to play there will be a Short Subject, "Here Comes the Groom" before the first act, and interest in-between act features. Plan now to attend the Senior Play, Friday night, April 10th.

A Pre-Easter, Week-end, Church Revival will be held at the Methodist church of O'Brien, beginning at 7:45 Friday night April 3rd and extending through Sunday night April 5th with the pastor, Woodrow Adecock, doing the preaching. The theme for the series of services will be, "Defeating Death". The following subjects will be discussed by the pastor:

Friday night "Can the Dead Live"; Saturday night "The Sting of Death"; Sunday morning at 11 o'clock "Victory in Death"; Sunday night "The Challenge of the Cross".

SOIL CONSERVATION MEETING

There will be a soil conservation meeting Friday afternoon at two o'clock in the Texas Theatre of this city. County Agent, W. W. Rice will be present and explain the situation.

OPEN WARFARE

"Open warfare on the lunatic fringe of motorists" those who cause most of the accidents—is the word sent out to state motor vehicle officers from the headquarters of the American Association of Motor Vehicle Administrators, in announcing a newly adopted six-point safety program.

This program calls for the formation of 48 State Safety Committees to include all civic and service organizations for support of the executive heads of state departments.

Second point is a pledge to assist actively in securing uniform traffic laws and municipal ordinances. The third point lists the specific things in which uniformity will first be sought: Standard operators, and chauffeur laws, the definite power of suspension, and better methods of

keeping state records of license holders.

Fourth, the Association offers fullest cooperation in traffic safety education, with trained instructors, in the elementary and secondary schools. The fifth point calls for an abandonment of fear psychology in traffic safety work and the holding in abeyance of all radical innovations.

Sixth, the Association announces that at the end of this year, with the help of state and national officials and public cooperation, it will offer a definite uniform proposal which it hopes will be acceptable to the general public.

Such a nation-wide move by the men in each state who are closest to the traffic safety problem should prove one of the most far-reaching attempts at intelligent, concerted traffic accident prevention the country has yet seen. Safety authorities have long hoped that the vital need for a uniform high standard of traffic law, law enforcement, and an educational program would be recognized and wholeheartedly taken up by an organization in a position to do directly the things that have to be done. No more logical organization could be found than the American Association of Motor Vehicle Administrators.

TAKING THE FUN OUT OF FIRE

Next time you see a fire engine go by, dig down into your change pocket and get out a few cents. For the fire to which the engine is going, though it may be in a home you have never seen, or a place of business you didn't know existed, is going to cost you something. Every fire is a financial burden on you—and the total cost, accumulated in the course of a year, amounts to a substantial sum.

How do you pay for fire? Well, for one thing, you pay for it in the cost of maintaining a fire department, alarm and water facilities, etc. The money for that comes out of the taxes you contribute to the public treasury.

Then you pay for fire in higher insurance rates—over a period of years, any community's rate is predicated upon the fire loss sustained.

You pay for fire in higher taxes. If a home or factory is burned, property is removed from the tax rolls. All other property in the community must make up the loss.

You pay for fire in destroyed business. A family loses its home, and perhaps moves away from town. An industry burns and men are thrown out of work, their purchasing power brought suddenly down to zero. Every one feels the effects—the grocery man, the movie owner, the doctor, the dry-goods merchant, the insurance salesman, the laborer.

Remember this—and perhaps you won't think it's so much fun to watch the fire engine roar by. Do your part to prevent fire, keep the engine in the fire house—and the result will be more dollars in your pocket.

J. H. McLain wants to buy a few Jersey milk cows. If you have any to offer, see him.

Mrs. Colman Moorhouse of Midland is visiting Mrs. A. M. Armstrong of this city and other relatives in Benjamin.

Mrs. R. D. Hutchinson and Mrs. Floyd Hamm of Wichita Falls are visiting Mrs. Press Clarke this week. They are mother and sister of Mrs. Clarke.

Mrs. J. T. May and small son went two days last week with her later in Fort Worth.

Meet your friends at the Milford Sandwich Shop. A good clean place to eat and plenty of room. You'll like it.

Mrs. Bud Thompson of Crowell spent the weekend here with her parents Mr. and Mrs. Guy Milford.

Mrs. T. P. Frizzell was hostess to members of the Friday afternoon club last week, club guests being Mrs. P. B. Baker and Mrs. E. O. Jamison. After the games a most delicious refreshment plate was served.

Eric Lee spent the last weekend in Anson.

Mrs. L. W. Swift's father in Stamford is seriously ill. She and Miss Bernice spent the weekend in Stamford.

Miss Maribelle Roney is in Iran with her two sisters, Bernice and Beatrice. Maribelle is expected to return home Sunday.

Mr. and Mrs. J. W. Smith spent Saturday in Seymour visiting Guy Farmer.

OLD AGE PENSION NEWS FROM ASSISTANCE COMMISSION

Austin, March 30.—"Knowing their business yet being courteous, our field workers must understand the viewpoint of the many aged citizens whose homes they enter," said Orville S. Carpenter, executive director of the Old Age Assistance Commission, this week in explaining the setup.

Investigators have been calling on the homes of applicants for three weeks now. Some 140,000 aged have applied, and there were 300,000 blanks distributed, many more applications are expected to be filed.

"We are sending men from the State Office to the twenty district offices and are holding school for investigators. Our field workers must have thorough understanding of their work.

"All investigators in a district meet with the men from the central office at the headquarters city of that district. Policies of the Commission the law itself, and technical questions are explained to the assembled field workers.

"We have a humane purpose, we have good workers. The Commission is anxious for the aged of Texas to receive the most good possible from the old age assistance law," Mr. Carpenter declared.

"Applicants are cooperating with us and they realize that we are doing everything we can to facilitate those investigations which the law requires," he added.

Employees of the State Office and those of the twenty districts have been working fourteen and fifteen hours a day. As some 140,000 separate investigations must be made (and many more are expected to make application) an enormous task faces the Old Age Assistance Commission.

"Payments will start just as soon as investigators complete their work as required by law. We hope to complete all investigations and approve applications before July 1," The Executive said.

"Records of births dates, property owned, cash in bank, residence, and citizenship (if the applicant is a naturalized citizen) should be ready to show the investigators when they call during the next few weeks," Mr. Carpenter advised.

Have a fresh supply of Eveready and Air Cell batteries. Ashcroft Chevrolet

The Tuesday afternoon club met this week with Mrs. W. E. Benedict, in addition to club members, guest list included Mrs. Doc Rose and Mrs. Herring of Rule. After the games refreshments of sandwiches, olives, brick ice cream and cake and ice tea were served. The Centennial theme was beautifully carried out in refreshments and tallies. The club meets next with Mrs. Vernon Bridges.

The Young Ladies class of the Methodist Sunday School enjoyed a picnic supper at the Dip Tuesday evening. Mrs. G. D. McCarty is teacher of this class.

Murray Reeder of Levelland, son of Bill Reeder of this city, is married, the wedding having taken place the earlier part of March.

Howard Westfall and his daughter Miss Doris Lee, of Fort Worth are visiting in Knox City. Doris Lee is the guest of Faye Hyde.

Mrs. Planche Pope was called to New Castle Tuesday in the sudden death of a relative. Funeral was held in Burkburnett.

Mr. and Mrs. Abe Watson visited in Stamford last Friday.

Mr. and Mrs. Norman Bevel are the proud parents of a new baby boy, born Sunday, a March 29.

Charles Granvill Clarke was sick last week and part of this with throat trouble.

Master John Ed Smith of Benjamin is among the sick children this week.

Ed and Miss Selma Hackfield and Mrs. M. Broach of Munday were called to Gastell Texas Monday in the death of an Aunt, Mrs. Miller.

We have a new assortment of Gold Seal Rugs that will arrive this week. This assortment includes a large variety of patterns and colors, rugs that will go well in any room. Too these rugs will be priced better than heretofore.

What is The Constitution? By RAYMOND PITCAIRN

National Chairman
 Sentinels of the Republic

It has become the fashion in recent weeks for certain public officials to say that the Constitution issue is fading from the current political picture.

They are wrong. No attempt to minimize its importance can alter the fact that the Constitution will remain a dominant issue so long as the American people are determined to resist all efforts to curtail their individual rights and privileges.

But the Constitution is far more than a political issue. It is more than a written code of fundamental law. It is the permanent expression of the American spirit—of the American Way of Life.

There are today—and there will continue to be—men, in public office and out, who don't approve of the American Way of Life. Charmed by modern European experiments, they would like to change our basic system of government by the people, to a form which places all political power in the hands of one or more officials.

The tragic evidences of lost liberties, threatened war and religious intolerance which spring from such dictatorships do not deter them. But the Constitution does. Therefore they would like us to forget about it—and its safeguards—for a while.

But we shouldn't forget. So long as the Constitution lives, our liberties are secure. If it falls, those liberties—and the American Way of Life—fall with it. Eternal vigilance is still the price of liberty.

The pessimist fights optimism, but the optimist kills pessimism. Some people get tired when they see others work.

The way to kill yourself is to keep on wounding the feelings of others.

H. M. Warren, Tom Waggoner and Cub Herring accompanied Hollis Warren to Hobbs New Mexico last week end where Hollis is working.

WHY ICE IS BEST FOR REFRIGERATION
FIRST—A modern ice refrigerator will give you the safest refrigeration known to man.
SECOND—It will preserve all foods in as near their natural state as possible.
THIRD—It will be free of toxic or noxious gases at all times.
FOURTH—Foods stored therein will be free of contamination.
FIFTH—You will always have fresh air in the refrigerator.
SIXTH—And last but not least, a modern ice refrigerator will pay for itself in a very short time, in the saving of ice alone, for you only have to ice them twice a week in the hot summer months and once a week in the winter months.

KNOX CITY SCORES HIGH IN INTERSCHOLASTIC LEAGUE MEET

Knox City School made a very favorable appearance in the interscholastic league meet held in Benjamin last weekend. We scored 46 more points in track than did our neighbor Munday. In the Literary events, it was estimated that the points surpassed the 105 mark it was reported that Loyd Huntsman can run bare footed as well as he can when well shod. Each of the nine track men qualified for the District Track meet in Breckenridge the 10th of April.

We think Knox City held her head up, having won approximately fourteen first places and ten second places.

TENNIS EVENTS

The county meet in tennis was held at Munday, the twentieth of March, to be continued the twenty-first if necessary.

The first games played for Knox City were played by Dorothy Shaver the High School Junior Girl Singles player. Dorothy met Sunset about 9:30 Friday morning winning the first two sets 6-4 and 6-1. About 2:30 Dorothy met Munday. Munday won this 6-0, 8-6 with Dorothy winning the second set which was 6-1. This gave us a second place. Wynette Farmer and Billie Beas Benedict, High School Junior Girls doubles players met Munday for their first game about 10:30 Friday morning. They won 6-2, 6-2 with Munday taking the second set 6-4. They played the final game with Truscott at about 2:00 Friday afternoon. Truscott won 6-4, 7-5 with Knox City winning the first set 6-1.

Paul Edward Benedict, Grammar School Junior Boys Singles, played Dickson about 10:00 Friday morning winning 6-0, 6-0. He then met Munday at about 1:30 Friday afternoon winning 6-0, 6-0. David Clarke and Jack Herring Grammar School Junior Boys doubles, played Munday at about 9:30 Friday morning winning 6-1, 6-2. They met Dickson in finals Friday afternoon at about 12:30 winning 8-5, 6-1.

Sammy Angle and Lee Roy Sibley, High School Senior Boys doubles, met Benjamin Friday morning about 9:45. They were defeated not giving us a place but it has been said that they were the best looking team on the court.

Yvonne Jamison, High School Senior girl singles player, met Sunset Friday morning. She won that match 6-1, 6-1. Friday afternoon she met Truscott in finals winning 6-1, 6-1.

Marion Clonts and Claudia Sue Moseley, High School Senior girl doubles players, met Sunset Friday morning winning 6-1, 6-1. Friday afternoon they met Truscott in finals winning 6-0, 6-0.

All in all the tennis players, counting the four places, won fifty points for the Knox City High School.

Yvonne Jamison will represent The Knox City High School in singles at district meet to be held in Breckenridge, and Marion Clonts and Claudia Sue Moseley will play doubles at district.

ESSAY WRITER

Yvonne Jamison represented Knox City High School in the Read Writers Contest of the County Interscholastic League Meeting. This contest was held last Friday, the day set aside for all literary events. There were five subjects for essays from which the contestants might choose. Ward School, Junior High School and High School entrants had the same list to choose from. Yvonne placed second in the high school division. The name of her essay was "My Chores."

HIGH SCHOOL DECLAMATION

The high school declaimers showed every town of the county, the ability that Knox City High School has in declamation work. In that certain section we won several points.

The High School Junior girl, Lorene Sulman, won first. The High School Senior girl, Marguerite Copps, won first. The High School Junior boy, James Gipson, won second and believe me, Munday was left so far behind that they strained their eyes looking after us. Let's wish our declaimers luck in district.

—Lorene Silman

GIRLS' DEBATE

The Knox City girls' debate team went to Benjamin Friday at 10:20; and at 1:30 we met with the Truscott girls in a tangle on the subject Resolved That the Federal Government Should Control the Production of Cotton. As luck would have it, we drew the affirmative side and we won first place by a unanimous vote of the judges. "If any of you don't believe we can argue, just drop in some time. We are working hard and preparing for district under our sponsor, Mr. Dodgen. We hope to bring back a title that will knock Knox City off their feet! In preparation for district meet we plan to debate the Haskell girls and Rule, and Sunset boys sometime this week."

—Inez and Florence

TRACK REVIEW

Saturday of last week the Knox City High Greyhounds won the county track meet by a large margin. Knox City and Munday being the only class A schools in the county were in a class to themselves. Sunset, Benjamin, and Truscott being class B. Knox City won over Munday very easily. The total points for each team were Munday 26 Knox City 82.

Pruitt was high point man with 22 points. Huntsman was second with 17. Sibley was third with 16 1-4.

Winners in each event were as follows:

110 yard high hurdles—Humphries (1) Walker (2) Kethley (3)—18 seconds

100 yard dash—Pruitt (1) Huntsman (2) Cypert (3)—11 seconds

220 yard low hurdles—Cypert (1) Humphries (2) Coker (3)—28 seconds

880 yard run—Sibley (1) Kethley (2)—2 minutes and 28 seconds

440 yard dash—Pruitt (1) Huntsman (2)—59 seconds

220 yard dash—Pruitt (1) Huntsman (2) Sibley (3)—22 seconds

1 Mile Relay—Knox City by default

1 Mile Run—Roper (1) Smith (2)

Broad Jump—Kethley (1) Coker (2)

Shot Put—Huntsman (1) Coker (2)

Fruitt (3)—35 feet and 11 inches

Javelin—Sibley (1) Coker (2)

Discus—Coker (1)

Total points—Munday 26 Knox City 82.

ONE-ACT PLAY

Mrs. Baker was again in charge of one-act play this year. The presentation "The Other Half Dozen" was

awarded second place in county, being a runner-up to Munday's winning play "Silence Please".

The characters in the play were: Sarah Taylor, Marion Clonts; Zachary Taylor, Leroy Sibley; Mrs. Taylor, Claudia Sue Moseley; James Pemberton, Odus Roper; Jefferson Davis, Sammy Angle; Wenvia Wynette Farmer; Richard Blake, Clyde Graham.

Regardless of the part that we did not win first place our play was excellently portrayed.

—Marion Clonts

EXTEMPORANEOUS SPEECH

The Extemporaneous Speakers, Irene McAuley and Doll Hammons, went to Benjamin Friday to do their best to win! There were two girls, one girl from Sunset and a girl from Munday, to compete against Irene and one boy from Sunset to compete against Doll. The speakers spoke from one o'clock until two o'clock in Benjamin auditorium. Irene and Doll both drew subjects that they had spoken on before which were "Missions and the Indians" and "The Annexation of Texas". (All of the Subjects this year were on Texas material).

Both Doll and Irene won first place in the county and they hope to do as well in the District Meet as they did in the county. They are very busy this week collecting and organizing material for the contest at District.

—Irene McAuley

FROM THE GRADES

In the Seventh and Sixth grade the

choral singers, twenty-five in number, won third place. The children were attired in red slacks, white blouses, and blue ties. They presented a very attractive appearance and sang very well.

Jimmy Sliam was awarded second place in Sub-Junior Boys' Declamation. Edna Warren was awarded third place in Junior Girls' Declamation.

The choral singers from the lower grades won second place. They also numbered twenty-five, and sang unusually well.

The first grade has a larger number on their roll than has ever been before. There are now sixty children in the first grade.

Senior Play

Watch For The Senior Play Next Week! It's a Wow! "A Deal in Fish" will captivate you and provide you with a full evening's entertainment! Don't miss it.

BARKS

(A special issue on that Wink Band) My, Oh my, oh my, How that Wink band did storm this town! All one heard or saw Monday and Tuesday was something pertaining to that band, and the people in it! They did play excellently and they completely captured our sincere admiration. We shall gladly welcome them back at any time they wish to come.

Casually observing, I noticed that all the beauties of Dear Old K. C. decorated the front seats while the

band played Monday night. Their behavior and attention was, never the less, completely recommendable.

Dorothy Shaver seems to retain weakness for Drum-majors. Now she has THREE to think about.

Where did you snare that brunette of yours, Mary Leone Hoge?

Marion Clonts, Billie Beas Benedict, and Yvonne Jamison apparently had their hands full, too.

'Twas a black shame that Rochester couldn't make "the party".

The band boys were agreed to be in bed by eleven, this did not keep them from "making hay while the moon shone", however!

How "Miss Edwards" can make 'em Scramble especially before sun up. And in the scramble she takes 'em round and round. "Diana was feelin' swell elegant". Yes she was to

The Wink band was numbered at sixty members. Some seventeen of these were girls. Something tells me the home town boys' technique is failing—there was not one romance with the girls. How disappointing.

Of all the WINKS I ever saw WINKED WERE WINKED when the WINK band WINKED at the female WINKING Knox citizens. Marion Clonts, do you like free rides?

THE WINK BAND

The Wink High School Band presented a concert at the Methodist church Monday night, the program being sponsored by the local high school band.

The music was very effectively played and the large audience appear-

ed to have appreciated the program greatly. The numbers played included marches, waltzes, classical, semi-classical, and popular. Local students enjoyed listening to the Wink Band members, and we sincerely hope they had an enjoyable visit in our city. We welcome the band back at any time and wish them much success in the contest they were enroute to enter.

MUSICAL PROGRAM

The Hardin-Simmons University chorus of forty-voices, with quartets, soloists, and other units of the Voice Department presented a musical program in the High School Auditorium Tuesday morning at ten o'clock.

The numbers included sacred, boy, comic, and semi-classical. The program was well presented and enjoyed by all in attendance.

The program was sponsored by the Senior Class who received forty percent of the proceeds.

U. S. Government Exhibit at Texas Centennial Valued at \$25,000,000

Dallas, Texas, March 31—Guarded night and day by detachments of United States soldiers and Marines some of the most precious documents in the archives of the United States will be on exhibition in the Federal exhibit building at the Texas Centennial Exposition during the coming summer.

On display is specially constructed glass cases will be the Louisiana Purchase Treaty of 1803, the Florida Purchase Treaty of 1819 and the joint resolution of Congress of 1845 annexing the Republic of Texas to the Union. Diplomatic correspondence between the United States and the Republic of Texas and the historic report on the "Condition of Texas" made to President Andrew Jackson by Henry M. Morfit in 1836 will also be on exhibition.

"The United States government exhibit at the Texas Centennial Exposition will be valued at more than \$25,000,000," says E. H. Burdick, Federal exhibits director. "The historical documents, of course, are priceless but there will also be shown the United States Post Office Department's collection of stamps, which will leave Washington for the first time. It contains specimens of every United States stamp ever issued, stamps of the Confederacy and as nearly as possible all stamps issued by foreign governments. It is worth some \$10,000,000."

"The United States Navy will display \$100,000 worth of medals of war vessels each about 17 feet long. Scientists from the Smithsonian Institution will reconstruct prehistoric animals during the entire progress of the Exposition which commences June 6. The National Advisory Committee on Aeronautics will install a 10-foot wind tunnel to demonstrate flight conditions with model planes. A census machine will register estimated births and deaths throughout the United States from hour to hour."

Six hundred United States infantrymen, sailors and marines will be encamped on the Exposition grounds from June 6 to November 29.

FOR YOUR HEALTH SAKE

Austin, Texas, April 2.—Deaths from automobile accidents in Texas increased fifteen per cent last year, while the national rate showed a drop of one per cent, according to information in the State Bureau of Vital Statistics. In 1931 the deaths from automobiles totaled 1,148; while in 1935 they had jumped to 1,323 an increase of 53.7 per cent.

To date, statistics apparently have had little effect upon the motoring public. The evident desire to get there in a hurry, overcomes judgment and prompts the use of power under prohibited conditions, with the consequent and inevitable sacrifice of human life.

Somehow motorists must be made to realize that a high-powered machine rolling along even at a legal speed upon the highways is far from a play thing. A clearer conception on the part of the driver that the other fellow is likely to disregard the rules of the road also must be generated. An egotism which prompts one to

imagine that he owns the highway, that he is not held down to warning signs and highway regulations, that pedestrians are pests, and causes the operation of a car as though the driver is the only one on the road, such egotism is frequently fatal. But unfortunately, in many instances, the innocent and law-abiding motorist pays the supreme penalty for this type of folly.

When to this appalling loss of life, we add the million others who in the same period have been hurt more or less seriously because of the motor car, the problem assumes vital importance not only to the safety-first people, but to the medical profession whose members are fundamentally interested in the conservation of human life. Let us all cooperate.

Mr. and Mrs. Joe Franklin of Seymour spent Sunday in the home of her sister Mr. and Mrs. C. H. Keck.

Mr. and Mrs. Roy Tankersley are radiating with a new RCA Victor bought this week from Hughes.

Mrs. H. M. Thompson left Monday for Erath county to be with her mother who is ill.

Mrs. Odell Thompson of Goree was home two or three days the first of this week.

Carl Favor and his son Vaughnie spent Saturday of last week in Wichita Falls.

Mrs. J. V. Jones and Miss Willie Jones spent Friday of last week in Abilene.

Ashcroft announces the sale and delivery of the following new Chevrolet cars this week: Standard coach to E. J. Holcomb of College Station and a Master Town sedan to Hobb Smith of Rochester.

S. M. Clonts and Dr. T. P. Frizzell spent the first of this week in Dallas.

S. P. Kony and Mrs. Lee Smith spent Monday with relatives in Merkel.

Mr. and Mrs. Joe Averitt and two sons spent Sunday in Rochester with Mr. and Mrs. E. L. Carr. Mr. Carr, Mrs. Averitt's father celebrated his 82 birthday and all enjoyed the big dinner.

Ed Gossett of Vernon candidate for Congress of this district was in Knox City Thursday in the interest of his candidacy.

"Mary and Her Lambs" are accepting an invitation to entertain at the Haskell County Teachers meeting in Haskell tonight, Thursday.

Portrait of An American
By RAYMOND PITCAIRN
National Chairman
Sentinels of the Republic

Who is the typical American? Just what is he like?

There seems to be doubt on these questions in the minds of many men in public office today. Much of our recent legislation suggests that they regard him as willing to swap his American birthright of independence and opportunity for the lifeless regimentation now imposed on certain populations abroad.

But there should be no such confusion. A portrait of the typical American was clearly drawn in the Bill of Rights of our Federal Constitution. Read it and you will see that he is a man who stands firmly for:

Freedom of religion, freedom of lawful speech, freedom of the press, freedom of peaceable assembly . . .

The right to be secure against unreasonable search and seizure, to be immune from governmental inquisition, to trial by jury in all civil as well as criminal cases . . .

The guarantee that he shall not be deprived of life, liberty or property without due process of law, and that he shall be protected in all these and other rights even against government itself.

In that insistence on definite rights and powers is reflected, I maintain, a true picture of the real American citizen—the man who works and earns and saves and on whose character and effort depends all the strength of our government. It has stood unchanged for almost a century and a half. It remains as accurate today as when first drafted.

When our politicians get that picture clearly in mind we shall see fewer efforts to inject into our government the ideas of a regimented Europe—whose tragic effects we read daily in dispatches from across the sea.

America, our lawmakers should remember, is still full of Americans—sons and daughters of the hardiest, most self-reliant breed of pioneers and liberty-lovers the world has ever seen. No one can take away their individual freedom—and make them like it. The Bill of Rights still remains our national portrait.

Ford Building to House Pageant of Transportation

Building operations are under way on the Ford Exposition Building, model of which is shown above, for the Texas Centennial at Dallas, according to officials of the Ford Motor Company.

The Central Contracting Company of Dallas, Texas, has been awarded the general contract for the Ford Exposition Building. The same firm was previously given the foundation contract. The plumbing and ventilating contract will be let later this week.

Excavation for one hundred twenty-one column footings and the pouring of approximately eight hundred cubic yards of concrete for the foundation will be completed this week. Erection of three hundred sixty-three tons of steel will be started immediately, according to officials of the Moshier Steel Company of Dallas, who were given the steel contract. It is estimated the steel frame work will be completed April 12th. The building will be of steel, concrete and sheetrock. It will be completed for the opening of the Exposition June 6th.

The structure which will have a complete air cooling and humidifying system, will contain 55,000 square feet, of which forty-three thousand square feet will contain an interesting group of exhibits showing manufacturing and testing processes used by the Ford Motor Company at its River Rouge plant at Dearborn, Michigan. There will also be a pageant of transportation, dioramas showing the progress of raw materials from the soil of the Southwest to the finished parts of Ford cars and an exhibit from the Henry Ford Trade School.

An outdoor court adds thirty-six thousand square feet to the exhibit's total space. The court will be attractively landscaped with trees, shrubs and flower beds. There will be comfortable chairs and benches distributed in the court where visitors may relax in the shade under colorful umbrellas. There will also be a display of passenger and commercial cars and trucks in the court.

On one side of the Ford Building will be a group of nine reconstructed historic roads and trails known as the "Roads of the Southwest." Each unit of the series will be surfaced with an exact duplicate of the original paving material used on the roads which played important roles in the development of the Southwest. Included in the roads will be San Antonio Road, Fort Worth Pike, "Chisholm Trail," Butterfield Stage Road, Santa Fe Trail, Pan American Highway, Yuma Road, Magazine Street in New Orleans, and Main Street in Dallas.
