NUMBER 31

Contract for New River Bridge to Be Let in July

The State Highway Department has advertised for bids on constructing the new bridge on the Salt Fork of the Brazos River, 4 and a half miles west of Knox City.

The sealed proposals will be opened July 15, and H. T. Cunningham of Munday, resident engineer, expects work to begin sometime in August.

The project will take about four months to complete, Cunningham said.

County Commissioner Pete Knight reports that all right of way has been secured and fenced, and options have been secured on the necessary gravel.

As previously announced, the plans call for five 160 foot continuous I beam spans—a total length of 800 feet. Approaches will include the strip from the end of FM 143, and 1,000 feet at the other end of the bridge, making the entire job cover a distance of 1,306 miles.

Bryan & Hoffman, contractors, have finished widening the culverts on Highway 82 from Benjamin to the King County line, and are moving a crusher in to begin surfacing, Cunningham said.

This project calls for widening the highway to 40 feet from its present 18 feet, for a distance of 11 miles.

Two farm-market road jobs in the north part of the county are expected to be in the August letting, Cunningham said.

New Social Security Coverage Explained

Under the 1950 Amendments to the Social Security Act, five million self-employed persons now have old-age and survivors insurance protection, according to Erton F. Tate, district social security representative, with offices in Wichita Falls.

According to Mr. Tate, some of the self-employed do not as yet realize the compulsory nature of this coverage. Self-employed persons are required by law to file a tax return on their self-employment income if they have net earnings of \$400 or more in a taxable year up to a maximum of \$3,600. The computation of the self-employment tax is made on Schedule C and C-a, which should have been filed with the income tax return, Form 1040.

Although the due date for filing the return this year has passed the self-employed should still, as promptly as possible, file a return with the collector of internal revenue using Schedule C and C-a, Tate said. This will avoid delay or loss of social security benefits.

Those of the self-employed who have retired—even though the retirement is temporary—should file a claim for benefits. "Retirement" may mean that the self-employed person has net earnings from his self-employment of less than \$600 a taxable year. In that case, he would be eligible to receive monthly benefits if he has social security credit for at least one and a half years of work covered by social security. Credit from employment after 1936 may be combined with self-employment credits since January 1951 to determine an insured status.

"If you have any questions in connection with your self-employment coverage under social security, please contact the representative of the Wichita Falls social security office who will be in Knox City at the Postoffice on Thursday, July 10 at 1:30 p. m.," Tate advised.

Church Sponsors Radio Program

Rev. Nettie Wilcox, pastor of the Full Gospel Mission, invited citizens in the area to listen to a radio program sponsored by the church every Saturday morning, on station KDWT, Stamford.

On the program are Linda Wilcox at the piano; Willie Wilcox, banjo; Carmelita Graham, guitar; Billy Wilcox, guitar; and Fanny Wilcox, mandolin. The gospel message is given by Mrs. Wilcox.

The program may be heard at 9 a. m.

FUNERAL HELD FOR FORMER KNOX COUNTY TEACHER

Funeral services for Mrs. C. G. Stephens, 48, former teacher in Knox and Haskell counties, were held at the Aldersgate Methodist Church in Abilene Tuesday, July 1.

Mrs. Stephens died late Sunday night at her home after an illness of several years.

She had taught school at Benjamin, Vera and O'Brien, and was a graduate of Benjamin High School. She was born Mildred Gordon Hurd at Vera, February 14, 1904.

Survivors include her husband, of 2601 6th Ave., Abilene; a son, Wynn M. Stephens of Abilene; two grandsons; her mother, Mrs. T. M. Hurd of Vera; a sister, Mrs. Leland LaDuke of Littlefield; and a brother, Harold Hurd of Abilene.

JULIE FRIZZELL IS SPONSOR AT STAMFORD RODEO

Miss Julie Frizzell is representing Knox City as sponsor at the Stamford Cowboy Rodeo.

Julie, daughter of Dr. and Mrs. T. P. Frizzell, was selected by the Knox City Lions Club. She attended a girls' school in Virginia last term and will be a senior in the fall.

Burglars Hit Two Benjamin Firms

Burglars hit two Benjamin stores last Thursday night, and their haul included fifty or sixty cartons of cigarettes, several boxes of cigars and \$25 in cash, according to Sheriff Homer T. Melton.

Firms entered were the Leroy Melton Drug Store and Rodgers Cash Grocery.

At Melton Drug, the burglars knocked the knob off the safe, but failed to get the safe open.

Both stores were also burglarized in March, of cigarettes, cigars and cash.

FORMER O'BRIEN PASTOR ON RADIO PROGRAM

Rev. C. A. Powell, former pastor of the Baptist Church at O'Brien, is now living in Quannah and serving as supply pastor of the Quannah Baptist Church.

Rev. Powell conducts a radio program over station KOLJ, Quannah, every Sunday morning at 11, and friends report that recently he dedicated the entire program to Mrs. Roy Hester and all other patients, doctors, nurses and workers at the Knox County Hospital.

Deep Rock Test Discovers New Pay Zone for Area

Courthouse to Be Closed July 4 and 5

County Judge J. B. Eubank announced this week that the Knox County courthouse will be closed both Friday and Saturday, July 4 and 5.

"This action is in accordance with that being taken in surrounding counties," Eubank said. "In addition, we have remained open on other holidays of the year, in order that we might give the county employees the benefit of a long week end."

Cub Scouts to Meet Saturday Night

Knox City Cub Scouts will meet Saturday night, July 5, on the lawn of the First Christian Church, according to Cubmaster Howard Marshall.

The meeting will begin at 8:00 p. m., and Marshall urged all Cubs to be present.

MOBILE X-RAY UNIT TO BE HERE AUGUST 5

Mrs. B. B. Campbell, Knox City chairman for the Chest X-ray Drive, announced this week that the x-ray unit, being brought to the county by the State Health Department, will be set up in the display room of Benedict Motors for one day only, August 5.

Free chest x-rays will be given to all persons over 15 years of age, and Mrs. Campbell hopes that everyone will take advantage of this opportunity.

"This service is made possible through taxes, and is not a charitable organization," the chairman said. The unit is being brought to Knox County upon the request of local doctors, she added.

When the unit visited Knox County in November, 1950, 12 cases of tuberculosis were discovered, and five other chest ailments.

The year before, 2,284 persons received the x-rays and forty-five cases of tuberculosis, either definite or suspicious, were found, and 17 other chest ailments, all in seemingly healthy people.

Mrs. Campbell will contact all service and civic clubs in Knox City and ask for a representative as a committee member.

Mrs. E. F. Branton of Knox City is chairman for Knox County.

HERE FROM TENNESSEE

Mr. and Mrs. H. A. Marks, Jr., and young son of Pulaski, Tenn. are guests this week in the Alton Leach home.

Mrs. Leach introduced her house guest to Knox City friends Monday afternoon at a coke party. Tuesday morning, a coffee honoring Mrs. Marks was held at the Eddie Carr home. Hostesses were Mrs. Carr and Mrs. Ben. Bowden.

This is the Marks' first visit to West Texas. They attended the rodeo in Stamford Tuesday night.

Deaths: C. F. Holloway, Shawnee, Oklahoma.

A new pay section for the Knox City area was indicated this week by tests on the Deep Rock Oil Corp. No. 1 J. G. Hawkins, a wildcat four miles east of town.

Operators topped the Conglomerate at 5,772 feet, and a two-hour drillstem test at 5,779-89 feet recovered 5,250 feet of oil. Bottom hole pressure was 2,175 pounds.

Operators are now diamond-coring at 5,806 feet.

When completed, the well will be producing from a new pay section for this area. Wells in the North Knox City Field are producing from the Palo Pinto reef, while those in the McGregor Field, west of O'Brien, and in the Katz Field, west of Knox City in the corners of Stonewall, Haskell, Knox and King Counties, produce from three different sections of the Strawn sand. Also in the southeast corner of King County the Continental No. 1 Mary C. Ross is a Caddo discovery.

Presence of the Conglomerate is widespread in this area, and several tests have found evidence of oil in the formation, though not in commercial quantity.

Attempts are being made to complete the Fred Wimberly No. 1 T. C. Carter Estate, a half mile north of town, and the operator reported that the test will be acidized today. As yet, no information has been released as to where casing was set in this wildcat.

Completion of the Texas Pacific Coal & Oil Co. No. 1 B. B. Campbell, six miles west of O'Brien, has been announced, with a daily flow of 447 barrels of 40 gravity oil. Production is from the Strawn at 4,965-81 feet.

Continental Oil Co. has announced location for its No. 4 Alma Orsborn, a Katz Field project nine miles west of town. It is 330 feet from the northwest and 1,440 feet from the southwest lines of the E. M. Ellis survey.

Deep Rock Oil Corp. has dually completed three wells in the Katz Field, all on pump. The No. 1-C C. B. Long, 16 miles west of O'Brien, pumped 134.57 barrels of 33.2 gravity oil in 24 hours from perforations at 4,802-95 feet. From the lower zone the well pumped 134.58 barrels of 38.1 gravity oil in 24 hours. This production was from 112 perforations at 5,064-5,103 feet.

The No. 6-D C. B. Long produced 142.68 barrels from the upper section and 205 barrels from the lower section, in 24 hours.

No. 4-C Long pumped 209.77 barrels from the upper, and 203.7 barrels from the lower zone.

Club Nets \$34.00 From Tournament

Alton Leach and C. E. Williams carried away high score at the regular monthly bridge and forty-two tournament held Friday night, June 27, at the Woman's Club.

The tournament was one of a series being sponsored by the 1946 Study Club this summer.

Second high score was held by Mr. and Mrs. H. M. Jones, and Dr. and Mrs. Ben Bowden won third.

Mr. and Mrs. Grady Ellis of O'Brien were high scorers in forty-two.

Mrs. Clyde E. Williams, chairman of the tournament, reported that a total of \$34 was added to the club's treasury as a result of the tournament. She expressed her thanks to every one who took part, and to those who helped with the arrangements.

C. Bohannon was to undergo surgery at Mayo Clinic in Rochester, Minn., Wednesday morning, his daughter, Mrs. Charles McAuley, said in a telephone conversation late Tuesday. Mr. Bohannon, who was ill in the local hospital last month, has a duodenal ulcer, doctors at Mayo said. He was advised by local doctors to go through the Mayo Clinic. His wife and daughter are with him.

Mr. and Mrs. O. W. Caussey spent Sunday in Midland visiting their son, Donald, and Mrs. Caussey.

Three Youths Are Killed In Head-On Crash

A head-on collision about three miles east of town Thursday night took the lives of three Munday youths and injured the three occupants of the second car, one seriously.

Dead were Jack Burnison, 23, son of Mrs. Lela Burnison of Munday, Herman Franklin, 21, and Thomas Franklin, 19, sons of Mr. and Mrs. Jack Franklin of Munday.

Seriously injured in both legs and the right arm was Mac Currie of Knox City, driller for Signal Exploration Corp. After first aid treatment at the Knox County Hospital Currie was rushed to Hendrix Memorial Hospital in Abilene, where he regained consciousness Tuesday. Wednesday morning, he was reported doing well.

Less seriously injured were the other occupants of the car, Mrs. John Briley, a sister-in-law of Currie, and her 15-month-old son. The two were released from a Dallas hospital Tuesday.

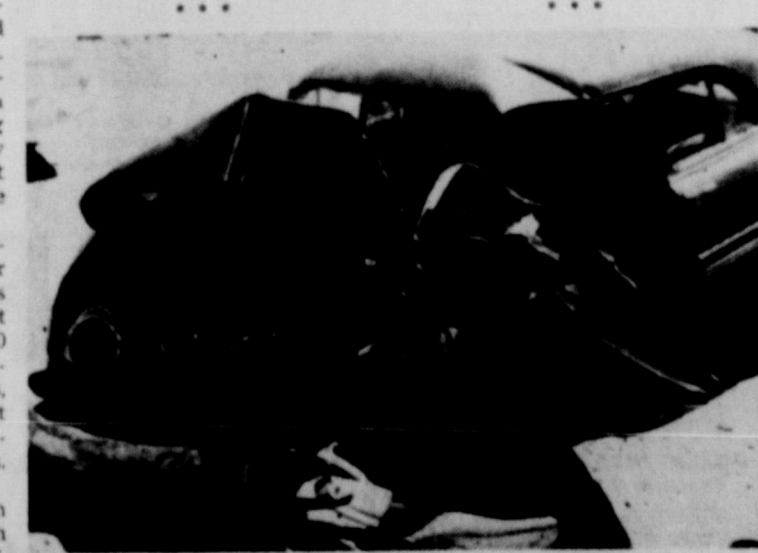

The three youths were apparently killed instantly when the 1950 Ford they were driving collided with the 1950 Mercury driven by Currie. The accident occurred about 10 p. m. on the Knox City-Munday highway.

Burnison was home on furlough from the army, after serving 13 months at Fort Bliss and Fort Hood. He was to report to Pittsburgh, Calif., on July 20 for overseas duty. He is survived by his mother; two sisters, Mrs. Jiggs Edwards of Weinert and Louise Burnison of Munday; and his grandmother, Mrs. Frank Burnison of Munday.

Funeral services for Burnison were held at the Munday Church of Christ Friday, with J. C. Mangum of Weinert officiating. Funeral services for the Franklin brothers were held Sunday at the same church.

KNOX COUNTY COMMITS 28 TO PENITENTIARY IN PAST EN YEARS

Knox County in the past ten years has committed twenty-eight prisoners to the Texas Prison System.

This was revealed recently in a study conducted inside the prison by graduate students at Sam Houston State Teachers College, under the supervision of Dr. Rupert C. Koeninger, head of the college's sociology department.

In number of commitments per thousand population, the County ranked 78th in the state with 278 persons per thousand committed, the study further showed.

Ten counties during the period, 1942 to 1951, representing 41.73 per cent of the total population based on the 1950 census, committed 50.27 per cent of the prisoners.

In the order of the number of commitments they were Harris, Dallas, Bexar, El Paso, Tarrant, Hidalgo, Jefferson, Travis, Cameron and Wichita. These counties committed 11,424 of the 22,705 total commitments.

Mr. and Mrs. O. L. Knight, Jr., are pictured following their wedding Saturday, June 21, at the home of his parents in Knox City.

Mrs. Knight is the former Miss Verna Ralson of Ft. Worth, daughter of Mr. and Mrs. A. J. Ralson of Bullard, Texas. The groom, son of Mr. and Mrs. O. L. (Pete) Knight, is in the Army Air Force, stationed at Cheyenne, Wyo.

LEADERSHIP PROGRAM IS SCHEDULED AT BAPTIST ENCAMPMENT

A Training Union Leadership Program has been arranged for the Leaders Baptist Encampment, July 14-17, according to Rev. E. V. Becker, pastor of the local Baptist Church.

Outstanding leaders in Texas Training Union work will be on the grounds throughout the encampment. The programs are arranged for all between the ages of 2 and up, and for the entire church membership.

For over half a century Texas Baptists have led the South in going forward in Training Union work. Now again, in West Texas, the Baptists of District 17, under the leadership of Rev. Ralph E. Perkins, district Training Union President, will have an opportunity to receive the latest techniques in every phase of the work.

Departmental conferences are scheduled for all age groups, beginning with the Elementary group of 2 and 3 year olds; the Beginners, 4 and 5; the Primaries, 6 through 8; the Juniors, 9 through 12; the Intermediates, 13 through 16; the Young People, 17-24, and the Adults, 25 and up.

A number from the local

church are expected to attend the program, Rev. Becker said.

Guests this week in the home of Mr. and Mrs. Harold Barnett are his sister, Mrs. L. W. Kuhnel, and Mr. Kuhnel of Van Nuys, Calif. They are enroute home after a trip through Nebraska and Missouri.

Mrs. Jeff Graham and children, J. Tom and Samantha, are attending a Methodist Encampment at Palo Duro Canyon, near Amarillo, this week.

CARD OF THANKS

With deepest gratitude we extend our thanks to our friends and neighbors of this and surrounding communities for every act or expression of sympathy in our recent bereavement.

Mrs. Lela Burnison

Mr. and Mrs. Lewis Kay and girls, Betty and Doris, Mrs. Clyde Burleson and Kathy, and Mrs. S. F. Kay attended the Cowboy Brunkin in Stamford Tuesday.

Mr. and Mrs. Seaborn Todd of Dallas are guests this week in the home of Mr. and Mrs. Neil Perdue.

Pvt. L. M. Gilbreath, who is in the Marines and stationed in San Diego, is expected home for a visit next week. He will visit Mr. and Mrs. J. H. Culp and friends in Knox City.

Jennie Belle Culp is spending the summer in Ponca City, Oklahoma, with her aunt, Mrs. Lucy Willis. She has been there for the past month, working as a cashier in a department store, and plans to remain until school begins in the fall. Her parents, Mr. and Mrs. J. H. Culp, and children plan to visit their daughter and Mrs. Willis soon.

LET'S RE-ELECT

Allan Shivers

Because He is making Texas a good governor

"Together we will continue to build a greater Texas."

"Allan Shivers is for Texas. Texas should be for him." —Houston Chronicle

(Pol. adv. paid for by Allan Shivers)

"Governments are instituted among Men, deriving their just powers from the consent of the governed. That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute a new Government..." (From the Declaration of Independence now 176 years true).

...and the fight for Freedom must never cease!

Absolutism Government is no respecter of person or place. It can and does raise its ugly, ungodly standard over traditionally free soils as it does over England and the land of the Czars. None of the real, pretended, or promised benefits of Absolutism Government can in the end justify its existence.

The freedoms for which generations of Americans have fought and died are slipping away from us... centralized government and bureaucratic directives are nibbling away at our American heritage.

Freedom is not free—it had to be fought for, and you will have to fight to maintain it. Now is the time for everyone to come out, stand up, be counted, and vote the way he desires to vote, regardless of those who would perpetuate power politics.

ADVERTISEMENT FOR BIDS

Proposals will be received by the City of Knox City, at the office of the City Secretary until 10:00 o'clock A.M., July 10, 1952, for the construction of

CONCRETE SAND TRAP AND A CONCRETE RESERVOIR

at that time and place the proposals will be publicly opened.

Proposals must be accompanied by a bidder's bond or a check in the amount of Eight Hundred Dollars (\$800.00) without recourse to the order of The City of Knox City, as a guarantee that the bidder will enter into a contract to execute a Performance Bond in the forms provided within ten days after notice of award of contract to him.

The successful bidder will be required to furnish a Performance Bond for 100% of his total bid, written by a responsible surety company satisfactory to the City Commission. The City reserves the right to reject any or all bids and to waive formalities. Bidders are expected to inspect the site of the work and to acquaint themselves regarding local conditions.

Plans, specifications, and other proposed contract documents are on file at the office of Joe E. Ward, Consulting Engineer, 545 Building, Wichita Falls, Texas, and at the office of the City Secretary at Knox City, Texas. Copies may be secured upon the deposit of Ten Dollars (\$10.00), which will be returned if the bidder submits a bona fide bid and/or returns the plans and specifications before the bid opening date.

The proposed work includes approximately the following:

A reinforced concrete sand trap 8' x 10' x 11'-6" inside and a reinforced concrete reservoir 32' x 32' x 14' inside.

The prevailing wage rates in the area and the minimum that may be paid by the Contractor for the various classes of labor on this project are as follows:

Notice to Bidders CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 1.306 miles of Grading, Structures, Base and Surfacing Bridge over Salt Fork of Brazos River 4.5 mi. West of Knox City on Highway No. FM 143, covered by R 496-4-3, in Knox County, will be received at the Highway Department, Austin, until 9:00 A.M., July 15, 1952, and then publicly opened and read. This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates. Plans and specifications available at the office of H. T. Cunningham, Resident Engineer, Munday, Texas, and Texas Highway Department, Austin. Usual rights reserved. 2c

STREAMS in Desert Places
By Ozelle Stephens

The Bible is the living word of God. It was lived before it was written. It was written for our administration. Outside the word of God we can find no justification for our eternal soul. John tells us that the word was made flesh, and dwelt among us (and we beheld his glory as of the only begotten of the Father) full of grace and truth. Through faith in the word and obedience to the wooing of the Holy Spirit we are brought to the saving grace of the Lord Jesus Christ. "Faith cometh by hearing, and hearing by the word of God." (Rom. 10:17). Your heart should be filled with a great love for the Word of God, having a desire to eat it up daily for it will mean more to you than anything in all the world.

The word is imperishable, "Heaven and earth shall pass away, but my word shall not pass away." (Mk. 13:31). The word is gracious, Lk. 4:22; It is mighty, Lk. 4:32; It is spiritual, Jo. 6:63; It is Life-giving, Jo. 6:68; It is Incomparable, John 7:46; We find the words of Judgment in John 12:48; The word is also divine for we read in John 14:24, "He that loveth me not keepeth not my sayings; and the word which ye hear is not mine, but the Father's which sent me." If you will partake of the wonderful words of life daily you will be nursed from the living Streams that flow through them.

COTTON INSECT CONTROL MEETINGS HELD IN COUNTY

A series of three cotton insect control meetings were held in Knox County on Wednesday, June 25, by Allan Gunter, Extension Entomologist. Places of meeting were the Skeet Carpenter variety test in Knox City, the Nolan Phillips farm north of Munday, and the W. M. Ford farm east of Vera.

About eighty-five men attended the meetings, despite the strong winds. The main point of Gunter's talks was the benefit realized by each farmer who knows how to make an insect count and apply the count on a regular 5-day schedule. This way each farmer is aware of the insect infestation, and knows when it is necessary to apply insecticides. Insect control guides may be obtained from the County Agent, and for control this time of year, it is best to apply the upper amount of poison listed in the guide, Gunter said. Higher rates of poison are not practical, but smaller amounts of insecticide may not produce the results desired. Gunter also stressed that the way to determine the results of cotton poisoning is the absence of insects—not the finding of dead insects.

Gunter also spoke to the Tri-County Agricultural Club which met in Munday the evening of

June 26, and at this meeting presented slides showing beneficial insects as well as harmful insects.

Also attending the meetings was John M. Saunders, Senior Agronomist of the Extension Service, of Washington, D. C. Programs were under the supervision of Roy Saunders of Munday and Ancel Waldrip, president of the Knox County Farm Bureau, in the absence of County Agent W. C. Palmeyer, who was on Military Leave at Fort Hood, Texas.

Mr. and Mrs. Pete Whitten spent the week end in Stephenville in the home of their daughter, Mrs. Tommy Herring, and family. Other week end guests in the Herring home were Mr. and Mrs. Monty Whitten of Waco.
