Miscellaneous Shower Honors Bride-Elect

On Friday May 10th, at the home of Mrs. J. W. Smith, the American Legion Auxiliary and Mrs. T. S. Edwards entertained with a miscellaneous shower honoring Ruth Britt Teague.

The house was decorated in the color scheme pink and green. Cut flowers of various colors were used in tall floor baskets and vases, also pot plants.

Mrs. J. W. Smith and Edwards received at the door.

The hand decorated register book was presided over by Mrs. Roy Smith and Mrs. Lloyd Davis. Mrs. T. P. Frizzell and Mrs. Ray Willis assisted by Sydna Virginia Edwards and Ruth Hammock poured punch. The table was decorated in roses and fern.

Mrs. T. C. Bolin, Mrs. J. A. Wilson, and Miss Lessie Bolin seated the guests.

The honoree was charmingly attired in a lovely combination of alyce blue and pink. She was seated in a specially decorated chair, where with her blond beauty and her charming manner she made an attractive picture.

The following program was rendered:

Solo, The Secret, Miss Frank English; musical reading, "If" Mrs. Tom Bolin; Solo, "At Dawning", Mrs. Press Clarke Ellena Fain White, dressed in a dainty frock of green georgette marched down the stairway accompanied by Miss Frank English sang "I Love You Truly"

The strains of Mendelssohn's wedding march were heard and the wedding party came down the stairway. "Ruth" and "Charlie" impersonated by Lura Ben Ward, and L. N. Bridges. The bride was dressed in a white georgette frock, with long veil and carried a shower bouquet of white flowers. The groom was dressed in the conventional black.

Little Tommy Luo Bolin was train bearer in a frock of pink and silver. The wedding party then retired and appeared pulling a wagon decorated in pink and green and loaded with gifts of all kinds. Atop of it was the little train bearer. The wagon was placed in front of the honoree and the many nice and useful gifts were opened and admired.

The guests were then invited to the dining room. The table was laid with a white cloth over pink and the centerpiece was a four tiered cake with pink and green icing. With a bride in white with veil and bouquet, gracing the top. Tall candles in crystal holders were placed at either end. Bows and streamers were used from the corners to the lights above.

The cake was cut and much merriment at the finding of the ring, bible, trowel, poker chip and so forth.

Pink wedding bells, of ice cream with the cake was served to fifty guests.

LOCAL BOY SCOUTS ON CAMPING TRIP TO CARLSBAD CAVE

About forty of the local Boy Scouts left Thursday morning for Carlsbad N. M. and other points of interest in that country.

They were accompanied by their Scout Master, Rev. J. A. Scoggins, E. O. Brinkley and Frank Herring.

They plan to be gone five or six days.

The Knox City Chamber of Commerce is helping to defray the expenses of these boys.

Double Shower For Local Brides-Elect

One of the prettiest affairs of the season was a miscellaneous shower honoring Misses Louise and Frank English, who have taught in our city schools for the past two years, given last Wednesday afternoon at the home of Mrs. Vance Jones, with Mesdames E. Q. Warren, G. A. Branton, Clarence Armstrong, B. M. Farmer, S. E. Youngblood, T. E. Robbins, A. B. Reese, Press Clarke and Miss Willie Jones assisting.

The home was beautifully decorated with cut flowers. The color scheme being pink and orchid the colors worn by the brides elect.

As guests arrived they were first ushered to registration table, then to the dining room where they were served delicious punch by Clara Clarke, Hazel Jones and Loree Branton.

While the guests were arriving Mrs. Warren presided at the piano in her usual artistic manner until time for program.

The prettiest feature of the program being the miniature bridal party entering as Mrs. Ruth Teague played Mendelssohn's wedding march. The party consisted of Billy English, Henry Jean Jones, Bobby Armstrong, David Clarke, Leta Joe Watkins, Billy Jean Hamner, Wynette Farmer, Tommy Lou Bolin and Martha Jane Jones. Others taking part in the program were Miss Mary Reeder, Mrs. Roy Smith, Florence Wilson, Mae Reese and Mrs. Press Clark.

At the close of the program the hostesses brought in a huge boat which in reality verified the old saying that "when our ship comes in we can have our hearts desires" for it was laden with beautiful gifts of every conceivable description, from the beautiful set of cut glasses by the hostesses to the proverbial rolling pin.

Delicious refreshments consisting of angel food cake and pink and orchid brick ice cream was served to about one hundred guests. A guest.

SKELETON OF MAN FOUND ON ORSBORN FARM MONDAY

A man plowing on the J. T. Orsborn farm southwest of here, on the west side of the river, about three or four hundred yards from the old rock house, plowed up some human bones Monday.

Word was sent to town and a number of citizens went out and unearthed a human skeleton. It was brought in and left at the city hall.

Various rumors are afloat of two or three men that disappeared and were never heard of, more than thirty or forty years ago.

The condition of the bones show that they have been buried many years.

There were several old square nails found that leads one to believe it was buried in some kind of a box.

The arm and leg bones indicate he was a small man.

BAPTIST CHURCH

We had a good Sunday School last Sunday and all went to the Commencement exercises at the Methodist church where we heard a fine discourse. At night we had a specially deep service. The sermon was from the text: "When the enemy shall come in like a flood the Spirit of the Lord shall lift up a standard Against him."

Next Sunday we will hope for a great Bible hour in the morning both in the Sunday School and the preaching service. At night we will have all the Unions at seven thirty. Hear Big Singing both in specials and choir, led by Press Hitchcock.

The sermon will be on the "Mystery of Iniquity." What are we going to do about certain wickedness in Knox City, and the leporous gangrene of sin in the human heart? Is there any healing for such a malady? Is there no balm in Gilead? Is there no physician there? Why then is not the health of the daughter of my people recovered? We should have to bring in chairs Sunday night. Let every Christian in and around Knox City rally to the colors. The fight is on.

MRS. DONALDSON GAINS DAILY TAKING ORGATONE

"I've Never found Anything To Equal It," Declares Wichita Falls Woman

If I could speak with everybody personally who had stomach and gall bladder trouble," said Mrs. M. T. Donaldson, of 2407 Pennsylvania Ave., Wichita Falls, Texas, "I would advise them to take Orgatone, for I have tried it myself and have never found anything to equal it. I have suffered with a pain my right caused from gall bladder for the past six years until I thought I would go distracted. The pain would extend from my gall bladder down to my side, the muscles and leaders felt like they were drawn, and many a night the pain was so severe that I could hardly keep from crying. My appetite was very poor and my stomach was so out of order that what little I did eat made me miserable. I suffered terribly from indigestion and would bloat up so badly from gas on my stomach that I could scarcely breathe, and there was always dull aching pains in the pit of my stomach.

"But Orgatone has been a wonderful blessing to me and no one could see the change that has taken place in me during the past few weeks and doubt it being a great medicine. All my gall bladder and pains in my side are gone now and you may know I feel like a new person. My appetite is splendid, I am never bothered with indigestion or gas any more, no matter what reasons for talking so well of Orgatone and I will gladly tell anyone who cares to call on me what I have found out by experience about it."

Genuine Orgatone may be obtained in Knox City at Orient Drug Store.
