

CLEAN-UP CAMPAIGN OPENS MONDAY CITY OFFICIALS WILL CO-OPERATE

As advertised last week in the Herald the Clean-Up program will open in Knox City Monday and continue until Saturday night. The Governor of Texas and the Mayor of Knox City have already issued their proclamation designating this week as Clean-Up Week and it is urged that all people in the state observe this proclamation, especially in Knox City. The State Board of Health is also co-operating in this campaign. There are several tons of filth and trash in this town and if every person will only do their part the town will be clean by the latter part of the week.

The streets and alleys are horrible and strangers passing draw a bad conclusion of our little town. The City will go to the expense of having all this trash and rubbish hauled off to the dump ground if the property owners will only place it in a convenient place for the drivers of the truck to load same.

One way to have a clean city is for each and everyone to co-operate. If your neighbor cleans up his premises this will be an inducement for you to follow suit and keep up with your neighbor. Mayor Hoge asks that all citizens observe this next week and help make Knox City one of the cleanest towns in this section of West Texas.

"Cleanliness is next to Godliness—we can't be Gods, but we can be clean."

Mrs. John May received the word here Wednesday of the serious illness of a sister in Ft. Worth. Mr. May left immediately for Ft. Worth. Mrs. May being ill, was unable to accompany him.

Highway Munday To Knox City Receives State Appropriation

FIRE PREVENTION WEEK

Marvin Hall, State Fire Insurance commissioner, today urged State-wide observance of Clean-up Week as an effective means of fire prevention. The week of April 3-10 has been set aside by Governor James V. Allred for the annual clean-up campaign.

"This will be an excellent opportunity to dispose of unnecessary rubbish, combustible materials, and inflammable goods or solutions which naturally accumulate around the home, store, and factory," Hall said. "Those, and other hazards, can be removed or reduced to the direct benefit of all concerned."

Hall explained that the people of Texas had made great progress with their fire prevention activities during the past few years, and that reduction in insurance cost had been the result.

"We cannot afford to jeopardize this good record," he said. "Clean-Up Week will be an appropriate time for us to eliminate any hazards or conditions that might start or spread a fire."

"It is only through such care and diligence that fire prevention activities of that week to include every day of the year."

Vance Favor of Benjamin visited here Wednesday afternoon.

STEGALL-STROUD RITES SOLEMNIZED

Miss Nell Elizabeth Stroud, daughter of Mr. and Mrs. Ashley Stroud, Sr., became the bride of Mr. Joseph Woodfin Stegall, son of Mr. and Mrs. Henry B. Stegall, in a quiet ceremony Saturday morning at 10:30 o'clock at the home of the bride's parents in Lufkin, Texas.

Immediately after the ceremony, Mr. and Mrs. Stegall left on a short wedding trip to Houston, Galveston and other parts in South Texas. On their return they will make their home in Lufkin.

The bride is a graduate of Lufkin High School and Stephen F. Austin college. Mr. Stegall is employed with the Texas Highway office there.

Mrs. Stegall is a niece of G. D. McCarty, Carl Davis, Den Davis, and Loyd Davis. She is well known in Knox City, having visited here on several occasions.

RAIN REPORT FOR THE LAST THREE MONTHS

According to Roy Baker's rain gauge at the Frizzell Drug Store there has been eight and one quarter inches of rain here during the months of January, February and March. In January the amount was one and five one hundredth of an inch, in February five and one seventh one hundredth and in March two and thirteenth one hundredth. The same period last year the rainfall was only three and eleventh one hundredth. The first six months last year the rainfall was only seven and forty three one hundredth, which was less than has already fallen the first three months in this year.

Mrs. J. J. Justiss, Mack and Ralph Justiss, and Miss Tressie Shores, all of Goodnight, Texas, and Ashton Bailey of Abilene, were week end guests of Mr. and Mrs. Horace Finley and daughter, Carol Lynn.

Highway No. 222, Knox County.

Hon. E. L. Covey, County Judge, Benjamin, Texas.

Dear Sir:

This is to advise that the following action was taken by the State Highway Commission on March 21st, making an appropriation to cover the cost of grading and drainage work extending from Munday West a distance of approximately 5 miles:

"In Knox County on Highway No. 222, it is ordered that an appropriation be made for \$8,000 to cover the cost of grading and drainage work extending from Munday west a distance of approximately 5 miles. Due to the extremely light work involved, it is ordered that this work be performed through the Maintenance Division by day labor methods.

This order is further conditioned upon an agreement by Knox County to secure a right-of-way for a minimum width of 120' on the section involved and a further agreement to secure the right of way on the remainder of this highway into Knox City on a location approved by the State Highway Engineer at such time as such right-of-way may be requested by the Department."

Minute No. 14758
Yours very truly,
Julian Montgomery,
State Highway Engineer.
By: T. H. Webb,
Assistant State Highway Engineer.

TENNIS CLUB TO MEET

All members of the Knox City Tennis Club, and others who are interested, are requested and urged to attend a meeting of the club to be held Friday night at 7:30 o'clock at the City Hall. The purpose of the meeting is to reorganize the club and to make plans to improve the courts.

KNOX AND BAYLOR GET LEASING PLAY

Benjamin, Tex., March 26—Oil men apparently are of the opinion that Knox and Baylor counties have oil reserve because in recent weeks they have been busy assembling drilling blocks and are paying bonuses to the farmers and ranchers for the privilege of drilling.

In Knox county six blocks have been leased for deep tests. Benjamin and other towns in Knox county are enjoying a mild boom due to the many oil men who are coming into the district.

Baylor county leasing is active with several drilling blocks already assembled for deep tests and others in process of being assembled.

The favored area in the two counties seems to be the acreage lying between the Brazos and Wichita rivers.

Besides the blocks of L. C. Heydrick, J. Lewis Jackson, Wilcox Oil and Gas company, Smith and King, Baker Exploration company, I. T. I. O., others have blocks and have not yet put their leases on record.

Jack Harmonson of Seymour is assembling a large block southwest of the Red Springs community and north of the Brazos river on the Baylor-Knox county line. This area has received favorable consideration by geologist for several years. Just across the river south of the Harmonson block the Cosden Oil and Gas company drilled a test several years ago.

COMMUNITY CIRCUS TO BE PRESENTED, APRIL 15

A circus, under the able direction of Jack Wetzel, Charles Shumaker, and Mrs. Milton Bradberry, will be given Friday night, April 15, in the School Gymnasium. It will be sponsored by the Knox City high school band, the athletic club and the Knox City Orchestra.

The Circus will have a cast of one hundred people or more, including the Band, Orchestra and the Rhythm Band. There will be music everywhere, with trapeze acts, clowns and more clowns, a midget colony, Indians, tigers, Siamese twins, and don't fail the old grey mare dance.

There will be a parade in the afternoon. The Big Circus will start promptly at 8:00 p. m. Remember, Friday, April 15.

CHORAL CLUB ENJOYS SHOW AT ABILENE

Mrs. E. Q. Warren took the high school choral club to Abilene Wednesday evening to see "Snowwhite and the Seven Dwarfs." Those taking cars were Mr. and Mrs. C. H. Wilson and Mr. and Mrs. B. C. Anderson, Mrs. Sam White and Mr. Taft. Others attending the show Wednesday evening were Misses Pauline Benton, Mary Frances Hicks, Helen Ruth Marr and sister Eulah Ann Marr.

Good Rains Fall Over Entire County

Another fine rain fell over Knox County and the entire west section. The rain began falling Friday morning and fell slowly until early Monday morning. The gauge at the Frizzell Drug Store registered almost three inches and the majority soaked into the earth. The farmers have their lands ready to plant and all say that prospects are better than this country has experienced in several years.

Wheat is looking fine and there are several thousand acres in this section, in fact a much larger crop than was planted last year. Wheat farmers say that one more rain about the first of May will insure a bumper crop, provided hail does not strike in this section. A great many farmers are taking out hail insurance and many more will probably wish they had if a hail storm visits this section.

Band Parents Club Reorganized

A meeting was held of the Band Parents Club, March 29, 1938 at 8 o'clock to reorganize the Parents Club.

New officers elected for the ensuing year were:

Mrs. John May, vice-president.
Mrs. John May, vice-president.

Mrs. C. C. Hoge, secretary.

Plans were discussed for relative transportation to attend the State Band Contest in San Angelo, Texas held April 25th, 29th and 30th. Plans were also

made to have an annual picnic April 26, 1938 at 6 o'clock. A foods sale was discussed and agreed to be held in the near future, too. An announcement of each will be printed later in the paper.

The band has some new features: A new line of Majorettes to make the band more colorful and at present time the band has thirty-nine playing members who all plan to make the trip to San Angelo, Texas,

HOSPITAL NOTES

Patients in the Knox County Hospital, March 31, 1938.

Paul Hackfield, Knox City; N. S. Kilgore, Benjamin; Mrs. C. H. Thompson, Gilliland; Mrs. J. H. Bryant, Truscott; Elizabeth Young, O'Brien; Alvin Cogsdell, Truscott; Mrs. Richard Crenshaw, Benjamin; Howard Logan, Knox City; Mrs. W. B. Dedmon, Sagerten; T. E. Beason, Rochester; Mrs. F. N. Robinson, Throckmorton; Mrs. Tressie Hutchinson, Knox City; Mrs. W. C. Bevers, Munday; Effie Fly, Knox City.

Patients dismissed from the Hospital since March 24, 1938:

Mrs. Dee Bivens and baby, Truscott; Hamil Lynch, O'Brien; Mrs. V. O. Hethcock, Throckmorton; Benita Jean Rutherford, Gilliland; Mrs. H. R. Beauchamp and baby, O'Brien; and Baby Ed Bateman, Knox City.

Births

Mr. and Mrs. Dee Bivens, a son, March 24, 1938, Truscott. Mr. and Mrs. H. R. Beauchamp, O'Brien, a son, March 28, 1938.

Boy Scout Meeting Held in Munday

Munday is proud of the fine group of men and boys of the Knox-Baylor district of the Northwest Texas Area Council of the Boy Scouts of America who attended the district meeting of this group at the Baptist church there on Thursday evening, March 24, at eight o'clock.

Mr. James Reeves of Munday chairman of the troop committee men took charge of the program and introduction of guests and speakers. Miss Mildred Kennedy and a girl quartet from the school entertained with piano and vocal solos. Mr. Bob Elliot of Wichita Falls gave some plans for the scout camp of this area which is held in the Wichita Falls Mountains near Lawton, Oklahoma.

Mr. O. C. Harrison, chairman of this district, of Seymour, congratulated Munday on its good attendance and summarized

some on its purpose. Mr. Harrison introduced Chief Executive Peardon of Wichita Falls who gave a short but timely address.

After Mr. Reeves introduced the outstanding men near Munday who had taken a great lead for the success of scouting in this district the meeting adjourned for the business session of the council. Plans were developed for the Court of Honor of Knox-Baylor district to be held in Seymour, Texas, on March 31. The activities chairman of this district was authorized to make plans for a field day event at Seymour sometime in April. Plans were discussed and information given to all of the Knox City people present for registration and organizing of at least one to two troops there. It was also voted to hold the next district meeting at Knox City on May 12.

MARILYN HERRING IN HONOR SOCIETY

Special To The Knox County Herald

Among the new girls elected in the "Sachems," the Honor Society for girls in Sul Ross, was Marilyn Herring, Sopomore, and daughter of Mr. and Mrs. E. F. Herring, Knox City, Texas. Eligibility for the Society is based mainly on scholarship, personality, personal appearance, talent, and outstanding accomplishments, of which Miss Herring is a good example of each. She is popular among the students and the faculty holds several offices, is a member of numerous clubs, and is prominent in all social affairs of the college.

The formal invitation ceremony for the 12 new members was Thursday night, March 17, at Kokernot Lodge, here the vows were read, a name given to each girl who made a declaration of loyalty to the Society of which she has officially become a life-long member. No greater honor may be acquired by a Sul Ross student than has been conferred upon Miss Herring, a transfer from Hardin-Simmons University.

IN THE SHADOW OF THE CAPITOL

By Boyce House

Austin is distinctive among Texas cities—even the street lights are different. They are on towers as tall as East Texas oil derricks and are moored to earth by four cables. Atop each of the slender steel lattice-works are five lights of a weird Edgar Allan Poe kind of blue. They suggest star shells above "No-Man's-land" on World War nights or a fourth of July bomb that goes high into the air before it explodes and five balls of blue burst into view.

Signs of the times: On an archery ranger in the edge of Houston, "24 arrows, 25 cents; bow free."

In a Dallas Cafe:
"I buy my food F. O. B.;
Pay for it, too, C. O. D.;
And I serve it P. D. Q.;
I can't live on I. O. U."
And in a Fort Worth sandwich shop, "Try a chillwich." Says which?

Wayne Sellers, capable, young Eastland County newspaperman, has announced for the Legislature. He is the son of M. S. "Doc" Sellers, popular publisher of the Rising Star Record. . . Spring has arrived. The first pie supper of the season has been held, over at Hutson in Anselina County and Judge Ralph Yarborough of Austin, who would like to be the next Attorney General, purchased one of the pies. . . Looks as though Texas newspapermen are about to capture "We the People" radio program—first Jack Gordon, brilliant Fort Worth columnist; then well-known Gene Cooper, and just a few days ago, Harold Banks, city editor of Fort Worth Morning Star Telegram. Each, besides appearing on the famous radio hour, received an airplane trip to New York City and a cool hundred smackers. Who'll be the next one?

Pet Peeve: Folks who ride 12 blocks, or more, to town together in the morning with nothing to do but talk all the way, but wait until one gets out, then double park and block traffic while they decide when and where they'll meet for lunch.

These are the days when spring decks the hills and glades of East Texas with fresh fragrant brilliant beauty—no, the least delightful touch being the bloom of which the celebrated poet, Richard LaGallienne, in his "Ballade-Catalogue of Lovely Things," wrote "The enchanted dogwood, with its ivory traves." Many of the trees around Lufkin and Nacogdoches look as though a hundred white-winged butterflies had alighted.

Then there are the pink, bluish, wildpeach blossoms; and, near Alto, one can see from the highway a cottage that is almost hidden by a cat

REG'LAR FELLERS

A Shrewd Business Fellow

By Gene Byrnes

tract of vines with great masses of smoky blue blossoms.

And what a contrast is offered along the road between theingleton and Bay City—the old trees, with long grey beards of moss, and thousands of clover blooms dancing in the breeze.

Marvelous Texas.

KNOX IS GIVEN 68,918 ACRES IN FARM QUOTAS

Knox county has been given an allotment of 68,918 acres of cotton which may be produced from the 1938 crop under the new farm program, according to information given out by the agricultural adjustment committee at College Station.

Most farmers have been informed to plant approximately 40 to 45 per cent of their acreage in cotton where they want to plant early and the exact amount allowed per farm has not been learned.

Cotton acreage will be reduced somewhat in the county from the past years, it was pointed out.

The quotas for district No. 2 of which Knox County is included as announced by the state body are listed as follows:

- Haskell, 114,338; Baylor, 30,906; Childress, 65,197; Comanche, 7,617; DeWitt, 12,004; Dickens, 63,544; Donley, 43,657; Fisher, 161,178; Foard, 28,582; Hart, 92,062; Hardeman, 62,620; Jones, 147,110; King, 11,942; Motley, 41,926; Stonewall, 44,815; Lubbock, 44,815; Wheeler, 54,721; Wichita, 28,882; Wilbarger, 79,717.

NEW DRESS FOR THE HERALD THIS WEEK

The Knox County Herald greets its readers with a new dress this week. You will notice that the reading matter in the Herald is much larger than that we have been using. This four of new mats cost us a great deal of money and we feel sure that our readers will appreciate the paper more as it is much easier to read. We have spent more than one thousand dollars on the plant since purchasing it last October and we expect to keep adding to the equipment until we have one of the best little country shops in this section of the state.

We have placed the subscription list on a cash basis and when your time expires your names will be dropped from our list. We regret to do this but as print paper and labor keeps advancing we are forced to go a cash in advance rate. We hope to keep all our old subscribers and add more new ones each week. We are giving you a good local weekly newspaper and ask the business men to give us their patronage and we promise you good returns.

FARM FOR SALE

148 acres good level land near Munday all sowed to grain and a fine prospect for a bumper crop poorly improved but fine land for only \$45.00 per acre with the grain crop thrown in. This is a good buy.

George Isbell, Munday, Texas.

FARM FOR SALE

120 acres near Munday. Has a fine 6 room brick house with bath. Large barn cost \$1,200. Fine Orchard. Garages, Machinery sheds, chicken houses, in fact an ideal home for anybody on mail and bus line. Good level sandy land for \$7,000, if sold in next few days.

George Isbell, Munday, Texas

WELDING

We are now prepared to do all kinds of welding, including Electric. Bring us your broken parts. We guarantee to give absolute satisfaction.

DARR'S Motor Service

FLOY MARIE

In Memory of Floy Marie Brock who was killed in an auto accident recently in Fort Worth.

She's sleeping in the silent ground,
Away from toil and care,
I'm sure a better place she's found,
In Heaven away up there.

She's missing from her many friends,
And ones who loved her too,
But now her earthly labors end,
And life begins anew.

She's singing now with angels above,
Where she had gone before,
She flew to a better place of love,
And lives there evermore.

It's memories now of Floy Marie,
The smiles she always gave,
Would make some heart feel proud and free,
Lies sleeping in the grave.

Her brother and Father are also there,
And many flowers we gave,
And laid them on the one so fair,
Who's sleeping in the grave.

It's only memories of the past,
And the many smiles she gave,
But now above she smiles at last,
But not from the depth of the grave.

She left her darling mother,
The gift that God had gave,
She went to sleep and joined her brother,
And now is resting in the grave.

Our Floy Marie is laid to rest,
To sleep beneath the sod,
She's gone to meet Him who loved her best,
It was the wish of God.

E. M. McDaniels

THE EASTER Bunnies are Coming

Mr. Merchant. . . A new Spring season is upon us. Reports from throughout the nation tell of increased retail sales everywhere. It is predicted that the real peak of the buying season will be reached during April. . . Easter, this year, falls on April 17. . . the latest date in many seasons. All of this is to the advantage of progressive merchants, enabling them to carry on advertising and sales promotions for a full Spring season. . . Our April advertising service is now ready. We have the illustrations, layouts and copy suggestions to assist merchant advertisers in all lines of business. If you will phone, we will be pleased to call with proof-sheets and advertising suggestions. There is no extra cost for this service.

Knox County Herald

Silk Boycott Proposal An Economic Fallacy
Cost of Silk is Only Eight to Twelve Percent of Stocking Price

By LATTIMER SHAW

WHEN an American woman "boycotts" a \$1.00 pair of silk stockings she does 92 cents worth of economic damage to the United States in order to do perhaps 8 cents worth of damage to Japan, China and Italy.

A few minutes of research spent in verifying this important fact will reveal graphically that any widespread boycott of silk because we do not like the antics of certain members of the Japanese army would be a boomerang bringing calamity to 120,000 workers in the American silk hosiery industry.

Here's the way it is summed up by George Urisub, executive director of the Throwsters' Research Institute, concerning the silk used in making silk stockings in this country: "Thirty million pounds of raw silk worth about \$50,000,000 produce approximately 37,000,000 dozen pairs of silk hosiery having a retail value of around \$320,000,000 which represents about \$275,000,000 in wages, taxes, materials and earnings to American industry and its workers."

The whole thing is a matter of simple arithmetic. The spot price of raw silk, only about 90 percent of which comes from Japan, paid by our manufacturers of stockings, underwear, shirts, dresses and scarfs, is from \$1.50 to \$2.00 per pound. One pound of silk is sufficient to make from one to two dozen pairs of silk stockings. Silk stockings of the better grades range from 75 cents to \$2.00 per pair. The average retail price is around \$1.00. Therefore, at the highest price of silk, the silk in a dollar pair of stockings represents only about 8 to 15 cents. The rest is paid for workers' wages, administrative salaries, factory equipment and overhead, distribution, advertising, selling expense, wholesale and retail profits and, sometimes, an occasional dividend for stock holders. And practically the same story is true about silk underwear.

Lisle stockings cost about the same as those gleaned from the silkworm cocoons and they are made mostly of British long fiber cotton

from Egypt. Silk substitutes are not suitable for stockings. They lack the necessary flexibility to return to shape when bulged by knees, calves and ankles.

There is another important item in this boycott proposition. Japan buys from us about one and a half times as much as we buy from her in dollar value. In 1937 this amounted to about \$290,000,000 a valuable piece of business in this "recession" or whatever the present lull in industry is.

Viewed from any angle, there seems to be no economic sense whatever in a boycott of Japanese silk and American women should go right on enhancing the beauty of their shapely legs with silk stockings in the meantime, perhaps, giving their thought to other and more practical methods of stopping the cruel slaughter in China and other countries. They can do much for the peace of the world but not through giving up their beloved silk stockings or undies. A boycott is a sure step toward war.

POLITICAL Announcements

The Herald is authorized to announce the following candidates subject to the action of the Democratic primary election.

For Congress, 13th Dist.
W. D. McFARLANE
ED GOSSETT
K. C. SPELL

For State Senator
GEORGE MOFFETT

For State Representative
GRADY G. ROBERTS
J. S. KENDALL

For County Judge
E. L. COVEY (Re-election)

For County School Superintendent
J. LYNDAL HUGHES (2nd Term)

For Assessor-Collector
EARL SAMS (re-election)
DENNY W. DAVIS

For County Attorney
HERBERT SAMS

For County Clerk
M. T. (Marvin) CHAMBERLAIN
(Re-election)

For County Treasurer
CHAS. MOORHOUSE
G. W. MOORE
R. V. (Bob) BURTON

For Sheriff
LOUIS CARTWRIGHT (2nd Term)

For County Commissioner Pre. No. 1
R. O. PEEVEY
E. L. (Lee) PARK
W. D. (Bill) THOMAS
Wm. GRIFFITH

For County Commissioner Pre. No. 2
G. W. (George) SOLOMON.
CECIL HAYNE

For Co. Commissioner Pre. No. 2
O. L. PATTERSON (Re-election)

This office was happy to have a visit last Saturday from Editor and Publisher W. L. Garner of the Knox City News. He has been over there for several months, but this was his first opportunity to pay a neighborly visit to Seymour. Mr. Garner has been in the newspaper game nearly all his life, with experience at quite a few different places, and knows the business. He has found an admirable situation at Knox City, and is well pleased there. Moreover, he has built up the paper since he took it in charge, and is giving the place the best newspaper it ever had. Mr. Garner went to that place not long ago from Strawn.—Seymour Banner.

PURCHASES JERSEYS

George Hardberger returned last week from Parker county where he purchased several head of registered Jersey cows. Mr. Hardberger is specializing in registered Jerseys and will soon have one of the best herds in this section of Knox county.

Walter Woodul

Houston, Texas, March 31.—Lieutenant Governor Walter Woodul of Houston, announced his candidacy today for the office of Attorney General of Texas.

In a statement to the people of Texas, Lieutenant Governor Woodul said:

"I elected Attorney General I shall devote my time and energies to the duties of the office.

"I shall strive to give the people and every department of state government a non-political and fearless administration, and will conduct my department as efficiently and economically as possible. I shall choose my assistants in the basis of merit rather than politics.

"I shall safeguard and defend to my utmost ability the interest of the people of Texas and of the public schools in the public domain. I shall enforce the antitrust laws of this state the oil laws and all other laws it may become the Attorney General's duty to enforce.

"I believe that my legal training and experience, together with my service in both branches of the State Legislature and my two terms as Lieutenant Governor fit me to fill the office of Attorney General in a manner acceptable to the people.

"I plan to make an active campaign on my own merits, visiting as many sections of Texas as time permits, and discussing frankly the issues involved in the race."

Woodul's great popularity with Texas voters was shown when he ran for Lieutenant Governor in 1934, his first race for a state office. He received twice as large a vote as any other candidate for Lieutenant Governor ever rolled up in a first primary. He led the Democratic ticket in the run-off primary.

Unopposed in 1936 for a second term as Lieutenant Governor, he received a total of 1,068,429 votes.

Before entering the Lieutenant Governor's office, Woodul served in the Texas House and Senate, where he was a leader in the passage of laws for a unified highway system; better schools, improved social conditions, improved labor conditions, and laws helpful to the farmer and livestock raiser.

His tenure as Lieutenant Governor has been marked by fairness, firmness and lack of partisanship. He has served 18 times as acting Governor of Texas.

Pledges of support for Woodul in his race for Attorney General have been received from every county in Texas.

NOTICE OF TRUSTEE ELECTION, SATURDAY

In accordance with legal requirements, the following notice was posted in the Knox City school district several days ago.

Notice is hereby given of an election to be held at the City Hall, Knox City, Texas, on Saturday April 2, 1938, for the purpose of electing two trustees of the Knox City Independent School District for the ensuing three years. S. L. Favor, A. E. Propps and W. J. Jones are appointed to hold the election in accordance with the general laws governing the holding of elections in Texas. Knox City School Board.

Miss Juanita Morgan of Haskell spent the week end with Miss Hazel Jones.

MORRIS BROWNING

Catching the limelight of the land office situation this week, Morris Browning, Potter County's Surveyor of Amarillo, filed for a place on the Democratic ballot for Commissioner of the General Land Office.

Mr. Browning, son of the late Lieut. Governor J. N. Browning of Texas, brings to the race some of the oldest traditions of Texas politics, having served as page in the legislature at a time when such notables as John N. Garner, Pat M. Neff and Tom Connally were beginning their careers in the lower house at Austin.

After receiving his engineering training in the University of Texas, Mr. Browning became an expert on land matters and is now serving his third term as county surveyor. Before election to that office he was a land consultant and practicing engineer, working in every oil field and mining district of Texas. A world War veteran, Browning served overseas with the 36th Division.

Election of Browning would bring the office its first land engineer in history.

IMMUNIZATION OF LOCAL SCHOOL CHILDREN

Cooperating with a health committee comprised of Mrs. Vance Favor, Benjamin; Mrs. Clyde Gibson, Benjamin; Mrs. C. C. Hoge, Knox City; Mrs. P. V. Williams, Munday; Mrs. Herbert Smith, Truscott; and Mrs. Frank Moorhouse, Benjamin, representing the various Parent-Teachers Associations of Knox County, County Superintendent J. Lyndal Hughes, obtained the following information shown in table one.

Immunized for Diphtheria in the elementary grades 729; for Small pox, 400; for Typhoid 216.

Immunized for Diphtheria in High School are 729; Smallpox 286; Typhoid 153.

Total immunized for Diphtheria—1109; for Smallpox, 686; Typhoid 369.

Those in the elementary grades not immunized for Diphtheria, 781; Smallpox, 1011; Typhoid, 1215.

Those in high school not immunized for Diphtheria, 242; Smallpox, 366; Typhoid, 492.

Total for those not immunized, Diphtheria, 1023; Smallpox 1377; Typhoid 1707.

Mr. Hughes emphasizes the need of every parent taking stock of the health needs of their children with special reference to immunization against Diphtheria, Smallpox, and Typhoid of those of pre-school age. He, likewise, pointed out the responsibility of all school and county authorities, being fully informed of the immunization status of boys and girls of pre-school age and school age in the county. An investigation made by making inquiries in 140,000 Texas homes in the summer of 1934 reveals that out of every ten children: 7 were not vaccinated against smallpox; 8 were not immunized against diphtheria; 7 were not inoculated against typhoid fever.

"He who helps a child helps humanity with an immediate effect which no other help given to human creature in any other state of life can possibly give again." — Phillip Brooks.

Every parent is urged to look to the proper immunization of their children. It is a safeguard against possible suffering; and death is not unlikely where disease exists in a child's body.

AT CHRISTIAN CHURCH

In accord with Christian churches around the world the Knox City Christian church enjoyed a Brotherhood Dinner at the church on March 24 at 7:30.

Believing that by the development of a Brotherhood consciousness and an increasing sense of oneness the Kingdom of God is advanced. Church leaders proposed the plan for every church in the brotherhood of Disciples of Christ have a dinner on March 24. On the same evening all the churches from coast to coast and around the world would be joined together in this rich fellowship.

An important feature of the program to be the exchanging greetings between the churches in this land and around the world.

The local dinner was a feast of good things enjoyed by the Benjamin and Knox City churches of which Rev. C. E. Cogswell is pastor.

After dinner the pastor announced the following program: Hymn-written especially for the occasion "If A Christian Meet A Christian" audience.

Hymns, accordion solos, Kenneth Frizzell.

Talk "The Life of The Brotherhood" Mrs. E. R. Carpenter.

Talk "The Work of The Brotherhood" Mrs. T. P. Frizzell. Talk "The Church and the World Today" Mrs. Joe Reeder.

Talk: "The Answer of the Church" C. E. Cogswell.

Following the formal program several members of the two congregations spoke their appreciation of the meeting and expressed a desire that the Brotherhood dinner be made an annual event.

HEAD G-MAN JOINS SHIRLEY'S "POLICE"

J. Edgar Hoover, the Nation's No. 1 G-Man, became an ordinary patrolman recently in an extraordinary police force—the Shirley Temple Police Department.

Hoover, chief of the Federal Bureau of Investigation, in Los Angeles on official duties, paid an unofficial visit to 20th Century-Fox studios for the express purpose of meeting Shirley.

Shirley, busy learning songs for her latest picture "Rebecca of Sunnybrook Farm," gave up all thought of songs when she was introduced to Hoover.

Hoover proudly accepted from Shirley a badge of the "Shirley Temple Police," an exclusive organization of Shirley's studio pals. In her auto-

YOUNG FOLKS! WHAT ARE YOU GOING TO DO ABOUT IT?

Ambitious young men and women should read our beautifully illustrated instructive catalog. It is sent free upon request. You may want to know which of our several business courses would best fit you to do the things you would like to do in life and you would naturally like to know how much the course would cost and what salary you might expect to receive after completing your chosen course. You might want to know how much you could save by paying all cash for your scholarship or what terms we could make you, and when you could enter. You may want to know about our college activities, sororities, athletics, etc. Yes, you may want to know since we graduate and issue diplomas to more students than all other business colleges in Dallas combined, if we are actually making good our slogan "A position for every Bryne graduate." You may want to know what the new government employment office recently opened here in Dallas is doing in placing our graduates. Our catalog will give you interesting information.

Bryne College is a live, progressive, wide-awake, modern business training institution and so recognized by the outstanding men and women of the Southwest, Bryne College, is a nationally known school with the prestige that opens the way for its graduates into big business where better salaries and promotion await you. Fill in and mail today for free catalog, what you may more intelligently plan your future.

O. D. Reid is visiting his nephew in Lubbock this week.

County Judge E. L. Covey of Benjamin was here the first of the week.

SANDSTORM WEDNESDAY

After the big rain the first of the week the regular full size sandstorm of the season arrived Wednesday. The wind blew hard from the north and the visibility was less than one quarter of a mile. The ground will soon be dry if this continues many days.

WORK ON NEW BRIDGE

Reports reach this office that actual work on the new bridge across the Brazos river between Knox City and Benjamin will begin within the next forty days. The contractor has the contract on the new Guthrie Highway and will be several days before he will complete that job.

CROWLEY FOR GOVERNOR

Karl Crowley of Fort Worth announced this week that he would be a candidate for Governor at the approaching primary. Crowley has been connected with the postoffice department in Washington and expects to resign at once and return to Texas and open his campaign.

Along Rt. One

Holt Mosely and H. M. Warren motored over to the Jungles of King County recently on a fishing trip. Harve tells us that they didn't have very much luck as the rattle snakes put them on the go.

A meeting of the farmers and business men of the city assembled at the Lawson Cafe Sunday afternoon to listen to an address by B. B. Campbell on how to plant and cultivate fruit trees in West Texas. The meeting was presided over by Tubby Jones. The speaker was introduced by Park Woodward. Bruce told his audience that he believed that the main reason that trees did not thrive here was because they were planted too deep in the ground and could not get the proper amount of moisture by irrigation. Bruce had the approval of his audience, with the exception of Harve Warren who argued that you must go through the hardpan so that the roots of your trees will go down with the moisture.

Miss Bertha Sweatt of Route 1, received the sad news Sunday that her sister Mrs. A. A. Nicholson of Lamesa, Texas had died.

Mr. and Mrs. Geo. Stubbs spent a very pleasant afternoon recently with Brooks Campsey of Munday, Route 1. Mr. Campsey was postmaster here at one time and Bro. Stubbs became very much attached to him.

William Howell, of Route 1, has 800 acres of wheat on his fine farm west of the river. He tells us that his wheat is almost ready to head and that he expects to harvest in May. Billy was very enthusiastic over his prospects.

M. A. Verhalen was in town Saturday afternoon and was rejoicing over the fine rain. Mat has a large crop of wheat. He says that he believes we have the finest prospects for an all-around crop that he has experienced in thirty years.

J. P. White, merchant and gas salesman 6 miles north of town on Route 1, was in town Friday.

J. Frank McAuley, one of the county's finest farmers, spent several days last week at one of his farms west of town.

Mrs. Della Adams of Brownfield spent several days here and in O'Brien visiting old friends last week.

Cleve Angle reports that he marketed 86 dozen eggs last week. Cleve is one of Haskell County's early settlers. He has a fine farm in the Cliff Community.

O. W. Caussey made a business trip to Childress Wednesday.

FOR SEWING: See Mrs. W. P. Brockett, Two blocks east of school building.

Church News

M. E. MISSIONARY SOCIETY

The Women's Missionary Society of the Methodist Church enjoyed a lovely social at the home of Mrs. Loyd Davis last Monday evening. She was assisted by Mrs. W. F. Evans as joint hostess. The entertainment for the afternoon was Bible contests.

A delicious refreshment plate was served to fourteen ladies. Mrs. S. M. Clonts held a short business session. We are studying the "Life of Christ" as our Bible Study, as taught by Bro. Sherrill each first and third Monday afternoon and on each Wednesday evening. We urge each person interested to attend these meetings.

METHODIST CHURCH

The Worship Service in Sunday School last Sunday was in charge of the women's Missionary Society, with Mrs. T. S. Edwards as leader. A very

helpful service was rendered using the general theme: Improving our church. Joe Ball played a piano solo. The Viennese Melody, by Jno M. Williams. Mrs. Edwards gave a splendid talk on The needs of and Ways of Improving our Church. The Worship service next Sunday will be in charge of the Board of Christian Education. Sunday School will open promptly at 9:45 a. m. Be on time and enjoy these services.

Church School Day which was to have been observed next Sunday has been postponed to April 10th. Further announcements will be made Sunday.

Schedule of meetings:
Sunday School: 9:45 a. m.
Preaching, 10:00 a. m. and 7:30 p. m.
Epworth League, 7:00 p. m.
W. M. S. Monday, 3:00 p. n.,
Stewards Meet Monday 8:00 p. m.
Prayer meeting, Wednesday, 8:00 p. m.
You are always welcome at our church.
Ural S. Sherrill, Pastor

CHRISTIAN CHURCHES

Knox City and Benjamin
Next Sunday morning the preaching hour for Knox City is 9:45 and at Benjamin at 11:15. The evening service will be in Benjamin. Bible School will follow the worship service at Knox City and will precede it at Benjamin.

The Benjamin congregation is planning a pre-Easter and the Knox City congregation a post-Easter series of revival services. The people of both communities are asked to join us in these meetings that all may be blessed and all may have opportunity to help in making these revivals of real spiritual value to the communities. We earnestly solicit the prayers of Christian people for the success of these efforts.

Each of these congregations is also preparing a sunrise service for Easter morning in which others are participating. In Knox City the evening Easter services are being planned as Union services to be held at the Baptist church. In these services the common Easter hope will be beautifully embodied.
C. E. Cogswell, Pastor

FORESQUARE GOSPEL CHURCH SERVICES

Pastors: Rev. and Mrs. Carl Pool.

Important Notice
Friday April 1st. Missionary Rally. Sister Esther Lawler and Dr. Frank Cummings will be here.

Sister Lawler is a return missionary from Shanghai, China. She was one of the last refugees leaving Shanghai before the city fell to the Japanese.

Sister Lawler will be speaking Friday afternoon at 2:50 o'clock and also at 7:45, Friday night. She will be showing pictures of the missionary work and also the pictures of the war conditions there. Don't miss this. Everybody welcome.
"Regular Services"

Saturday night Jr. Crusaders 8:00 p. m.
Sunday School 10:00 a. m.
Morning Worship, "Communion Service, 11:00 a. m.
Crusaders Service, 7:00 p. m.
Evening Service, 8:00 p. m.

WOMEN'S CHRISTIAN MISSIONARY SOCIETY

The Women's Christian Missionary Society held its business meeting at the church on Monday afternoon at four with the president, Mrs. Westey Marr presiding over the meeting. After the reading of the minutes and roll the society completed plans for a bake sale this week. It was decided to have all orders engaged by Saturday, so all wishing cakes or pies were requested to notify the president or Mrs. A. M. Armstrong or Mrs. T. P. Frizzell, Jr. It was also decided that the society would observe the Easter week of prayer as a part of their Wezster program.

Mrs. T. P. Frizzell Jr. was in charge of the devotional services and Mrs. C. E. Cogswell led the prayer.
The next regular meeting of the society will be April 11 with Mrs. B. C. Anderson in charge of the program.

THE EAGLES ECHO

Published by the Sunset High School

BENEFIT PROGRAM FOR SUNSET EAGLES TEAM

Friday night, April 1, a benefit program for the athletic department will be given at the Sunset School house. This program will consist of plays, special music, and reading numbers. "Why Lie About It," a one act comedy is being sponsored by Mr. Kimbrough and is being played by Howard Payne Shannon, Ruby Ingram, Margaret Hardin and Willie Mae Pearce. This play promises to lay 'em in the aisles.

"Yes, Lucy," is another side-splitter that offers forty minutes of unexcelled entertainment. The cast is made of faculty members who are troupers of exceptional dramatic talent. Mr. Underwood, Mr. Walling, Miss Spraggins, Miss Button, and a guy who plays Charlie's part, Mr. Bigony, will be directed by Mr. Harber, in this fast moving comedy.

In addition to the above numbers Dorothy Gammill and Nell Nix will give humorous readings. Mrs. Underwood will direct the special music numbers.

Just remember, if you won't come out and laugh with us, come out and laugh at us.

SUNSET SENIORS SELECT PLAY FOR PRESENTATION

The Sunset Seniors have found what they term the ideal play, "Mama's Baby Boy."

The play is a hilarious farce in three acts written by Charles George. There are eleven characters in the play—four boys and seven girls. The characters have all been named and the play books have been ordered. The date for the play is to be named soon. Watch for further announcements concerning the Sunset Seniors; and above all else make plans right now to see "Mama's Baby Boy."

TRACK MEET WINNERS THUS FAR FOR SUNSET

In the literary meet Friday and the volley ball tournament which ended Saturday, Sunset School Added up a total of 101 and one half points. Following is a list of winners in events which count points toward county champions.

The picture memory team composed of Dwaine Russell, Billie Bob Burton, Keith Burnison, and Wanda Sue Partridge won first place.

The fourth and fifth grade spelling team composed of Glynna Dean Nix, and Winoa Check won first place, while Evelyn Offutt and Mildred Smith as sixth and seventh grade spellers won third place. Glyndadin Frost won second place in the ward school division of the ready writers contest.

In music memory Bernice Henderson and Juanita Rogers won second place.

The second grade rhythm band won third place, and the grade school coral club won third.

In declamation Glenn Myers as a grade school Junior boy and Evelyn Offutt as a grade school girl each won first place in those divisions. Floyd Frost as high school senior, and George Thomasson as a high school junior boy won second place in his respective division.

In typing Herbert Partridge and Faye Marie Partridge won third as a team in the county. Herbert is scheduled to go to the district meet, however, because he made second highest rating that was made in the county.

The county contests in track tennis, and playground ball are yet to be held.

The Freshmen have been writing poems in English class. The following two were selected for the paper:

TROUBLE AT HAND
I wanted to go out and play some ball.
But ma said, "No, sir, not at all."
So I sneaked of and went to the ground,
And here came ma like a blood hound.

She ran me all the way to the house
But there I found a great big mouse,
When ma stepped into the kitchen door
I pitched it in front of her on the floor.
Ma she hollered kinda loud
And fore she knew it, rad a great big crowd,
And all these people clogging round
But ma wasn't making one little sound.
Pa was cooling off ma's forehead
And I was hiding under the bed
Pa told Liza to fetch me from under the bed
But I slipped a pillar case over my head,
And when old Liza saw me she turned and ran
And her feet sounded like bee on a pan.

—George Thomasson

LIBRARIES

Libraries big and libraries small
Hold enchantment for us all
We meet our friends of fancy there
And, Hark! to trumpets blare.

Treasure Island is fun to read
Captain Kid adventure leads
Tom Sawyer is an interesting lad,
Have you read the story of a boy who was bad.
Go to your library, pick up a book
Lift the cover, take a look
Read it through, don't miss a page
You'll find enchantment for any age.

Mildred Sexton

SUNSET SENIORS . . . ON PARADE

By Marguerite Jarvis

MAURINE GAMMILL
Maurine Gammill was born December 3, 1918, in Ranger, Texas. Maurine entered school at Rochester in 1927. She went to school there one year, then she moved to Breckenridge and from there she moved back to Rochester. In 1934 she moved to Sunset where she has remained and will finish her high school work.

Maurine played indoor baseball when she was a freshman.
Favorite color: Pink
Hobby: Dancing and swimming.
Sport: Tennis
Subject: Home Economics.
Maurine plans to attend Texas Tech next year.

SUNSET GIRLS ARE COUNTY CHAMPS IN VOLLEY BALL

The Sunset girls met Vera for the first game of the tournament for the County meet Friday night. The first two games were taken easily. The scores were 15-1 and 15-3, in the Sunset teams favor. The next game that the Eagles were to play Truscott. This was to be played Saturday morning at 11 o'clock, when the time arrived the Sunset team only had two girls present. The other games that were scheduled for the morning were put off until later and the first game was scheduled to play about eleven. About one thirty the time came for the Sunset-Truscott game. The first game was taken easily by the Eagles, but the second game was a little tighter. The scores in the two games were 15-1 and 15-10, in Sunset's favor. This placed the Rhineland team to play Sunset in their next game. The Sunset girls could not get started playing very well during these games, but they won them with the scores of 15-1 and 15-6. The two teams left to play in the finals were Sunset and Goree. Instead of playing for the best 3 out of 3 games, as others had been played, this game had to be played for the best 3 out of five.

The Sunset Girls failed to play so well in the first game, and let Goree win the game with the scores of 15-12. They realized that they had met with some real competition, however, the Eagles were determined to win the next 3 games.

The next game was taken by win the scores of 15-12. They in the third game the Goree team had the scores of 15-14, in their favor. The Sunset team finally made the three necessary points to win the game.

This made the final score 17 and 15. The Sunset and Goree teams were both determined to win the next game. If Goree won it would have made the games 2 and 2, and if Sunset won it would make the games 3 to 1 and give Sunset the championship. After a narrow struggle, the Sunset team came out the winners with the scores Sunset team are the Knox Co. of 16-14. So once again the champions. The Eagles are coached by Miss Lois Spraggins. This is Miss Spraggins first year to coach and she produced a winning team in both basketball and volley ball. Both teams won first in the county meet. It is the seventh time that the Eagles, formerly coached by Mrs. R. R. Davenport, have had this title. For the last four years they have done well in the district. Last year they were defeated in the finals by Throckmorton. The other 3 years they won first in the District. They are going to the District this year the 9th of April. We will tell you later how they do this year.

Last Thursday night the girls went to O'Brien to play the Haskell County champions. This was their first game to play at night and neither the lights or something else (a poor excuse is better than none, caused the girls not to play ball. O'Brien won three games to the Sunset teams one. The next time that the two teams meet we are sure that O'Brien can form a better opinion of the Sunset Team.

THRILLS . . . and spills .

It seems as if Buddy Bumpas and Fuller Shannon have suddenly begun to like to spend the night with Mrs. Cash. Could it be someone in Knox City?

E. G. seems to enjoy changing girls, and he still gets threatening letters too.
Leland Floyd was seen running around in Knox City last Friday. It seems as if he's trying to make a hit over there. You had better be e-a-r-e-f-u-l Leland.

Traphene Wren must have had some important company Monday, because she couldn't leave them to come to school.

A small item found in the study hall the other day goes like this, "Fuller Shannon, the girls delight.
Can be found at K. C. any old nite.
And a certain K. C. girl with eyes of brown.
Everynite also, with Fuller can be found.

We wonder why Askelon came to school Monday morning dressed in his suit. He does not come that way very often especially when it rains.

Wanted: Young girl, about a junior in high school to keep my car out of ditches and plowed ground, would prefer a Farmer's daughter. Signed Buddy Bumpas.

Lemuel doesn't seem to understand what was meant about his date in the last edition. I'm sorry Lemuel, it will come out in the washing.

What is this we hear about Mr. Askelon Stogner spending last Thursday, Saturday, and Sunday nights in that certain residential section of Munday.
What has come over you, J. E.? I thought you had a flame in K. C. Well I notice you have been making eyes to the little bird of the Junior class, Miss Wren.

It seems that Cecil Joe, Howard, and Payne have a terrible time with their love affair. That's all right boys, don't be so jealous, it's only puppy love anyway, you know.

Leroy Henderson was sitting in the theatre enjoying a picture. It was very romantic and while the hero was embracing the heroine a "Red Headed Voice" spoke up from across the theater, "Don't you feel homesick, Leroy?" Of course Leroy never blushes, but that's one time you could have knocked him down with a 24 lb. sledge hammer. Well, anyway Leroy, you have good intentions and mean well.

What's the mater Maurine?

Have you settled down to one man or is it he that has settled down to you.

Herb have you really slowed down or is it just the calm before the rushing act.

Nell, how do you get such winning ways?
Buddy Bumpas, why are you saying, "Spring is evermore and love is in the air?" Has someone given you the "air" or is that as serious as you get?

Fuller you had better slow down or you will be called Askelon the second.

Yours until "Push" becomes a love-bird

S-W-A-K

ATHLETICS

The "A" in athletics stands for ambition, ambition to be the best possible player in one's position on the team.

The "T" in athletics stands for training, the first requisite of any athlete.

The "H" in athletics stands for honesty, honesty to one's self and one's teammates.

The "L" in athletics stands for loyalty, loyalty to team and school.

The "E" in athletics stands for eligibility, without which an athlete is valuable to his team.

The "T" in athletics stands for trustworthiness, a trait all good athletes possess.

The "I" in athletics stands for improvement, which is always observable in good athletes.

The "C" in athletics stands for courage, courage to do the thing that is right regardless of how the game is going.

The "S" in athletics stands for stick-to-it-iveness, the best trait in any athlete.

—Michigan H. S. Athletic Ass'n Bulletin.

ARE YOU ONLY A 3/4 WIFE?

MEN because they are men can never understand a three-quarter wife—a wife who is all love and kindness for three weeks of the month—but a hell-cat the fourth.

And make up your mind men never will understand. There are certain things a woman has to put up with and be a good sport.

No matter how your back aches—no matter how loudly your nerves scream—don't take it out on your husband.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three ordeals of life: 1. Turning from girlhood into womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife. Take Lydia E. Pinkham's Vegetable Compound and go "smiling through." Over a million women have written in reporting benefit. Why not give this world-famous medicine a chance to help YOU?

Vote for JOHN F. GRIFFITH for City Commissioner. Election April Fifth. Same being first Tuesday in April. If Elected will do all in his power to reduce city expenses by doing so can reduce your city tax. Remember the date April 5, 1938. Pol. Adv. 1 to 50

Mrs. John May received word Wednesday night of the death of a sister in Ft. Worth. The funeral services were to be held Thursday afternoon in Rule.

Coil of Rope and Shaft of Light Save Ex-Flier from Death in Arctic

"All this had scarcely run through my mind," Inkster said, "when the anchor chain let go. In another minute the barge was under way. There was nothing I could do to stop it or save myself. It was unlikely I could swim to shore, and if I did, I'd soon freeze to death.

A LONG cast with a rope from a barge to the banks of the Great Bear River, and a beam of light which enabled a chance trapper to seize the cable and make it fast to a tree, saved T. H. Inkster, of Kirkland Lake, Ont., from death among ice floes in the Arctic Sea. Inkster, well known explorer and a Fellow of the Royal Geographical Society, was directing the shipment of machinery and supplies from Edmonton to the radium fields just below the Arctic Circle. To keep freight moving, he had to set up temporary quarters on a dynamite barge anchored midstream in the river. The section was desolate, and he was living alone on the barge.

He was awakened in the night, he said, by the roar and vibration of a gale. Heavy rain was falling, and the barge was plunging and tugging on her anchor chain. If the anchor held, Inkster was all right, but if the barge got adrift, he would immediately be in grave danger. The clumsy craft, loaded with explosive, might drown him or crash into rocks or river bank and blow up. And once in the Mackenzie River, the barge would be on its way to the Arctic.

"I remembered that a few days previous a trapper had been camping up-river. There was a chance he was still there. So, as we came near the place, I began to shout. In a minute or so I heard dogs barking, then came a halloo from the man.

"As we got opposite the camp, I began making casts with a small cable. The barge was moving fast by this time, with every cast lessening my chances, but finally the line reached the bank. I grabbed my flashlight and played it on the spot. As soon as the trapper had the line, he took a turn around a large tree and we finally got the barge eased in toward the bank.

"A hundred yards beyond, was a bend that would have swung the barge out into mid-stream, and any hope of rescue would have gone. After all, what saved the day—or the night—was the flashlight. I had been using it every night on the barge, but fortunately the batteries were fresh when I put them in and they stood up. I have had many narrow escapes, but this was the closest."

Inkster was one of the youngest officers in the Royal Air Force during the war.

Weekly News Letter From Lubbock Texas Tech College

LUBBOCK, Tex. March 28.—Organization and reorganization of public school units will be the subject of discussion at the Articulation Conference sponsored by the Texas Technological college education department March 31 to April 2. Notable speakers will explain possible revisions in the present system.

Eminent educators scheduled on the program are L. A. Woods, state superintendent of public instruction; W. A. Stigler, curriculum director for the State Department of Education; Sidney B. Hall, Virginia state superintendent of public instruction; H. T. Maunel, research director of the Texas commission on coordination; Joseph Roemer, education professor of secondary education, University of Minnesota; B. F. Pittenger, dean of education, University of Texas; T. H. Shelby, professor of educational administration and dean of extension, University of Texas; and G. C. Clough, director of Dallas college, Southern Methodist university.

A. W. Evans, head professor of education at Tech, is chairman of the executive committee.

LUBBOCK, Tex. March 28.—Invitations to the home economics open house at Texas Technological College April 8 and 9 have been mailed to home demonstration agents in Lubbock, Hockley, Lamb, Lynn, Bailey, Hale, Swisher, Kent, Dickens, Palmer, Cochran, and Yoakum counties.

Home demonstration clubs and 4-H clubs in this district will also receive invitations.

The exhibit is held in connection with the district Intercollegiate League meet, Engineering show, and vocational agriculture judging contest on Tech campus the same weekend.

LUBBOCK, Tex. March 28.—Buffalo grass and 29 other species of grasses native to the Panhandle section are in cultivation by agronomy classes at Texas Technological College. Experiments are designed to improve their yield.

Fifteen cultivated varieties are also contained in the grass nursery, besides 75 varieties of principal crops of this section and herbal oddities which may be useful in West Texas.

LUBBOCK, Tex. March 28.—Inscribed by Fernando do los Rios, Spanish ambassador to the United States, copy of "De Virginitate Beatae Mariae," a seventh-century Latin work edited by Vincente Blanco Garcia, will be placed in the new Texas Technological College library.

The book was presented to H. R. Southworth, to be placed in the library at Texas Technological College, as a token of gratitude for Southworth's work in connection with the Washington Friends of Spanish Democracy.

Southworth who received his master's degree from Tech in 1934, is now editing a semi-monthly bulletin for the Spanish Information bureau in New York city.

LUBBOCK, Tex. March 28.—Pictograph drawings on stone escarpments in western Ector county will be examined by Dr. W. C. Hoalden, dean and director of archeological research at Texas Technological College, and a party which left Lubbock March 23.

A recently discovered rock shelter near "Blue Mountain" on the southern edge of Llano Estacado, shows signs of ancient occupation to a depth of about three feet, according to report by R. H. Shuffler of Odessa. Excavation may determine relation to its occupants to those of Murrain cave, located near the mouth of the Pecos River, which was explored by a Tech party last March.

LUBBOCK, Tex. March 28.—Sixty students and director from nine college will attend the Texas Intercollegiate Dramatic tournament at Texas

Technological College March 28-30. Schools competing for awards in play presentation are Hardin-Simmons University, College of Mines, Daniel Baker Junior College, Mary Hardin Baylor College, University of Houston, Abilene Christian college, Southwestern university, Trinity university and Baylor university.

Cups become the property of a college after they have been won three successive years. First place cup, donated by College of Mines in 1937, is now at Baylor; second place cup, given by Red Masque players of University of Houston in 1936, is in possession of Mary Hardin-Baylor college. Trinity university now holds third place cup, which was also presented by Red Masque players, and fourth award, presented by the same group it at the University of Houston.

Tech will donate awards for outstanding actor, actress, and director, all three being permanent trophies. The French Little Theatre award for outstanding character acting and the diction cup, donated by Players Guild and Mary Hardin-Baylor, are also permanent. Tech won the cup for diction last spring at the tournament held in El Paso.

LUBBOCK, Tex. March 28.—Champion livestock judging team in the thirteenth annual vocational agricultural judging contest at Texas Technological College, April 8 will be awarded expense money to the FFA meeting in Kansas City next fall by the Santa Fe Railway.

This is one of two educational awards allotted to Texas for vocational stock judging teams, according to H. M. Bainer of Amarillo, general agricultural agent. Judging teams of Santa Fe towns in Kansas, Illinois, Missouri, Colorado, Oklahoma, New Mexico, Arizona and California also compete each year for a state award.

About 46 towns in this region will be eligible for the award, according to Ray L. Chappelle, general superintendent. Other contests scheduled for the meet are dairy cattle, poultry, farm shop, plant production, dairy products, cotton and meat identification. Approximately 1,000 contestants and coaches from 100 schools in West Texas are expected to attend.

LUBBOCK, Tex. March 28.—Ninety cents per pound, highest price of 42 annual stock show was paid for the Grand Champion Hampshire barrow exhibited by Texas Technological College at the Fort Worth Fat Stock show last week. Sold to Amos G. Carter, editor-publisher of the Fort Worth Star Telegram, the animal brought \$301.13.

This is the second grand champion Tech has produced in eleven years competition, the other being a Duroc barrow in 1935.

LUBBOCK, Tex. March 28.—Carding, testing, weaving, spinning, and dyeing processes will be shown at the Texas Technological College Engineering Show April 8 to 9.

Ring spinning frames, twist-ers, spoolers, bobbin winders, and cone winders are being set in order by the spinning department. Card department will show processes of clearing and preparing from baled cotton. Most recent methods of dyeing and finishing will be demonstrated in the dye department.

Various kinds of cotton and standards for grade staple, and preparation will be on display in the cotton classing room.

LUBBOCK, Tex. March 28.—Paintings of western scenes by John Young-Hunter, Scout artist of Taos, N. M., will be on exhibit at West Texas museum located on Texas Technological College campus from April 1 to May 1.

Studies of Crow Indians, Mexican market places, and pioneer life are included in the

eighteen pictures from his private collection, which will be shown here under sponsorship of the Tech Art Institute.

LOTTON GINNING

According to Government special agent for Knox County there was ginned in Knox county from the cotton crop of 1937 40,965 bales as compared with 15,700 for the year 1936. This shows an increase of more than fifty per cent.

That Thursday is the last

day you can purchase an automobile license for the year 1938 without paying a penalty. According to Tax Collector Earl Sams not one half of the autos had been registered in the county up to last Saturday night

Mr. George Isbell of Munday was in town Tuesday.

Lazy-Susan For Lazy Folks

The Lazy-Susan offers a novel and easy way to serve an informal Sunday night supper. (Above) The tall Englishman is Bill Adams, a former Shakespearean actor, who celebrates the Lenten season by flipping pancakes for "good luck."

WHEN you're feeling lazy and neighbors drop in around supper time on Sunday night, there's no need of getting into a dither.

Just whirl a modern version of the old-fashioned Lazy-Susan into action and it's an easy job of everybody helping himself. The Lazy-Susan in the above photograph is mounted on a revolving wooden base with bright colored floral design. The center part is a soup tureen and four covered side dishes take care of the whole meal.

If you plan to serve a Sunday night supper during Lent—star a meatless menu. The Lazy-Susan is a friendly solution for an informal meal of this type. Your guests, or just the family at home alone, will welcome the fun of it all.

This interesting repast starts off with a savory vegetarian vegetable soup and melba toast, followed by a main course of salmon a la king. For dessert there are French pancakes, thin as paper, filled with grape or currant jelly and sprinkled with powdered sugar.

In France cooks realize that it is a great art to be able to make a "lean" soup, or potage maigre, which tastes as rich and savory as those made with meat or meat stock. Carrots, lima beans, whole corn, turnips, cabbage, potatoes, green beans, peas and tomatoes are among the many vegetables, along

with celery, rice, navy beans, parsley and green pepper that give the old-fashioned farm kitchen flavor. That meat stock savor tastes as if it came from onions browned in fat. You'll find this soup a great adjunct to the Sunday night supper shelf during Lent.

Back in England in the old days everybody ate their fill of pancakes for "good luck" on Shrove Tuesday—that's the day before the beginning of Lent. Here we borrow the ancient superstition from cousins across the sea, and the modern hostess serves a thin pancake rolled in jelly as a "good luck" dessert for a Lenten meal.

There's a piquant new thought in the following recipe for salmon a la king—pickles, and very good, too.

Salmon A La King With Pickle Sauce

- 1 can salmon
 - 2 tablespoons butter
 - 2 tablespoons flour
 - 2 tablespoons fresh cucumber pickle chopped
 - 1/2 teaspoon salt
 - 1/4 cup milk
 - 1 teaspoon Worcestershire sauce
 - Paprika
 - 1 tablespoon minced parsley
- Melt butter in a saucepan, add flour and salt, then gradually add milk. Cook until thick and add chopped pickles. Heat and drain one can of salmon and put on a platter. Pour sauce over it and sprinkle with paprika and parsley.

MEN, YOU CAN'T BEAT THIS VALUE IN RAZOR BLADES!

4 PROBAK JUNIOR BLADES for only 10¢

• Here's real shaving comfort at a rock bottom low price. Why gamble on unknown blades when you can get world-famous Probak Jr. Blades at 4 for only 10¢? TO THE FRESHMAN CLASS

To those who will retain our High School reputation and good name; to those who will carry on in the future the pennant of victory in literary and athletic achievements; to those who will find the avenue of success a hard battle between temptation and laziness and will power and stamina; to those who have almost completed one league of the gala colorful, panoramic high school journey—Here's luck!

In remembering a carpenter's construction of a building it is well to remember that the first important thing done is the laying of a strong foundation. The foundation has to be durable and lasting. Therefore, in preparing for a high school education, remember the groundwork. This foundation begins in the first year. Webster gives the definition of foundation as the base support of a dependent wall, and so it is.

We will be watching, waiting for, and expecting great things from you—as the world awaits a new day with expectancy—Don't fail us!

To you, the Freshman Class, the future builders of our shrine of loyalty and patriotism to our school, may Phoebus in all her glory, shine down on you in everlasting health, wealth, luck, and victory!

Dorothy Shaver

ONLY THE BEGINNING

The Freshman Class, often spoken of as "only the beginning" deserves its bit of praise for helping to make this year one of the most eventful years of Knox City High School.

Never does the situation become too difficult for the Freshman Class to stand up and do their part. Although we have met defeat and come face to face with victory, we are still up and ready to carry our part of the torch, of which we are all striving to hold. Is this the end or just the beginning of the Freshman Class? It is the beginning! The beginning of play in the big game of life.

In playing this game it will do much in preparing us for that high game called life that is yet to come. It will teach us the meaning of loyalty, perseverance, patience and the ability to keep on in face of danger and defeat. The Freshman Class of this year are sure they can meet all of these things which are to come with the help of our swell upperclassmen and teachers.

Faye Heath

COUNTY MEET HUGE SUCCESS FOR LOCALS

Friday morning at 9:00 o'clock the annual county meet of Knox County was opened in the elementary building of Knox City by a short concert by the High School band. At 9:30 the events of the day were started. While the Snelling, ready writing, story telling, and number sense were being car-

ried on individually in the various rooms, the many people in the auditorium were entertained with a musical program, conducted by Dr. J. A. Bass superintendent of the Munday Schools. This very interesting program, which consisted of piano solos, the boys and girls solo, rhythm band and choral singing concluded about 12:15.

After the lunch at 1:30 the extemporaneous speaking and declamation started. This session continued until about 6:00 Friday afternoon. This county meet has been one of the most successful events ever held in Knox City.

HOUSE CLEANING

Last Wednesday and Thursday the students of Knox City High really went to work in earnest preparing for the county meet. Pans of hot water, rags, brooms, mops and every other kind of cleaning facilities were brought out and made use of. Those students who were not in the building washing windows, cleaning lockers, washing boards, and sweeping floors were outside picking up paper and other bits of debris which were scattered over the campus. By 3:30 Thursday afternoon Knox City High was a different scene. Each book and piece of paper was in its place, and everything in general was in readiness for our guests from all over the country.

BOY SCOUT MEETING HELD IN MUNDAY

A meeting of all of the Boy Scouts of this District was held in Munday Thursday night, March 24th at the First Baptist Church.

Eighteen boys from Knox City attended with the idea in mind of organizing a local troop. The district chairman, Mr. Harrison, was present and presided.

An enjoyable program was given consisting of musical numbers of the grade and high school girls and a skit "The Scout Makes Good" was given by the Boy Scouts of Munday.

Mr. Elliott, of Wichita Falls, made a short talk on what scouting does for boys, how to become a scout, and the importance of the scout oath.

Mr. Peden, also of Wichita Falls, spoke of the opportunities given by scouting for a closer study of nature and the great outdoors. He stated there would be a district camp held in the Wichita Mountains this summer and invited the Knox City boys to attend.

During the council meeting it was decided by the leaders to hold the next district meeting in Knox City, which will be May 12th. This was done so that they might help in getting the troop started. The citizens of Munday responded nicely to the invitations to attend the meeting, and we hope Knox City will do the same. If you are interested in the Scout movement here, help by coming to this meeting May 12th.

The P. T. A. have expressed their willingness to help and will vote on the question of sponsoring the movement here.

The boys wish to express their appreciation to those who made it possible for them to attend this meeting by furnishing transportation.

SOPHI LIGHTS

Things you should see and hear
 David Clarke preach.
 Sam Woodward and George Wall spit tobacco juice. Sam can get eight feet now.

Anita Wampler have trouble when it rains.

Jack Herring chewing gum.
 Inalen Williams a model for the latest New York fashions.
 The Sophomores are looking forward to a grand special edition of the Kennel next week. We are asking everyone that if he has any original idea or will write an article for us, we will be more than glad to have it. Everyone please help us to make a swell paper.

DECISION OF THE COUNTY MEET HELD FRIDAY

Knox City had a very successful day, Friday at the County meet. We were fortunate in several first places. In high school declamation, Dickie Mullins won first place, and in Junior High school declamation Billy Dean Davis won first place.

In the one act play Knox City won third place.

Charles Lee Dodgen our ward school Junior declaimed, won third place, and Emma Jean Shaver won second place. The sub-junior boy and girl won second place.

Ruth McGee and Paul Hoge our Extemporaneous Speakers won first place.

This year the music events were added. Ken Frizzell won first in elementary piano solos and Marjorie Propps won first place in high school piano solos. Doyle Graham won first in vocal solos. Marion Clonts won second place in girls vocal solos. The high school quartet won second place. The chorus won second place also.

BAND PREPARES FOR SAN ANGELO TRIP

The band had charge of all concessions at the Knox County Interscholastic meet which was held here last Friday. The day was very warm and this made everybody eat lots of ice cream and other confections sold by the band. The ice cream and soda pop stand was located on the north side of the High School Building, while the sandwiches were made in the Home Economics Department in the High School Building. Mr. Dodgen reports that the band sold over \$100 dollars worth of confections on Saturday night and on Friday. This will mean a nice profit for the band, and will help them to purchase some much needed supplies.

The West Texas Annual High School Band contest will be held in San Angelo this year on April 28-29-30 and we hope to attend this concert. This year each band that enters the concert activities must also enter the marching contest. This means that we will have more competition than we have had before. Every member will have to work hard before we have a very good chance to win anything this year.

The band has eight new members that will go to San Angelo this year. This should help the band to make a better appearance both on concert and while marching.

VOLLEY BALL TOURNAY HELD IN MUNDAY

The Knox County Volley ball league meet was held in Munday last Friday and Saturday. Goree beat Munday, Rineland beat Gilliland, Sunset beat Vera, Benjamin beat Knox City. In the semi-finals, Sunset beat Truscott and Goree beat Benjamin. Sunset carried off the high honors for winning in the finals.

In the Knox City Vs. Benjamin game, Benjamin beat by a small margin. The Sunset Vs. Goree game seemed to be most exciting. The scores of the last game remained 14-14 through most of the game, however, the game point was in Sunset's favor.

CRACKS FROM A DUMBELL...

—By Bessie—
 As this is the Freshman edition of the Kennel, I am devoting my column to this class and its individual personalities. Should they give "Snow White and the Seven Dwarfs," the cast could be selected as fol-

lows:
 Snow White — Marjorie Propps.

The Prince, Gerald Averitt.
 The Seven Dwarfs:
 Doc — Henry Jean Jones.
 Dopey — A. D. May.
 Grumpy — Harrold Daniels.
 Sleepy — Frank Nance.
 Happy — Joe King.
 Sneezy — Johnny Carver.
 Bashful — Wayne Darr.
 The Witch — Mrs. Baker.

Had we, instead of their parents, named the rest of the Freshmen, their names might have been as follows:

Faye Heath — "Reporter Snooks"
 John Robert Goolsy — Gene Autry.

Alton Hendon — "Newsy" Hendon.

Irene Dutton — Jane Arden.

Juanell Dozier — Gracie Allen.

Johnnie Mae Durham — Speak-easy.

Doris Elaine Clonts — Una Merkel.

Eldon Cook — "Cookie"

Margaret Cagle — "Toots"

Melvin Burlison — Bob Burns.

Clem Ball — Amos.

John H. Atterbury — "Professor" Atterbury.

Linwood Hughes — "Dough boy"

Mrya Jean Hitchcock — Sunshine.

Louise Larce — "Sweetpea."

Helen Ruth Marr — Eleanor Powell.

Alvin Roberts — "Speedy" Cunningham.

Nelson Sherrill — Andy.

Dorothy Warren — "Slim"

Lura Ben Ward — "Sugar Vera Nance — Helen Bredrick."

Billy Dean Davis — Fred Astire.

My dears here is the perpetual gossip and fun that is carried on from week to week at dear old Knox City High.

Now, Rufus, couldn't you get up enough courage to ask her Friday afternoon?

Maurice, it seems you are do-

ing alright, making dates for other people. Mercy me!

Dorothy Ruby and Geneva still make those week-end trips to Munday. Could it have been volley ball, girls?

Just because Ruth stayed at home over the week-end don't think she didn't make hay while it rained. Maybe she was coming out from the effects of the last week-end. Now Ruth! "Pinky" you don't seem to be the least bit jittery about Friday morning at eleven o'clock! What's the matter kid, is it just natural?

It seems that Faye has a very well informed, self appointed secretary who takes care of all her personal letters. Nice.

Mr. Dodgen, you looked all hot and bothered Friday while you were making those hamburgers.

Dorothy Shaver has decided to stay in Knox City on Saturday nights. Even the rain couldn't keep her home.

The songs that fit in last weeks paper seemed to have it the spot so well... in some cases anyway.

A spat seems to be brewing between one of K. C. H. S. prettiest girls and Sunset's "Romeo."

"The Little Apple" is always faithful to her hunter?

"Polka Dot" liked the rain so much Sunday night?

"Wimpy" sold ice-cream Friday instead of hamburgers?

The owner of a certain blue Buick haunted K. C. Friday? It's a shame that the driver looked so forlorn!

Mary Helen and Bobby seemed in such an uproar Friday night about 8:25 and they got meek as lambs.

Pee Wee was so nervous Friday night about 8:45? Could it have been because Stamford and Seymour drove up at the same time? Will ?!!!!!!

GOREE WINS IN ONE-ACT PLAYS HERE FRIDAY NITE

Goree won first place in the one act play tryouts last Thursday evening.

Benjamin placed second, Knox City third, and Munday fourth.

The contest was held in the grammar school auditorium and selected for the best girl and boy actors were Rolena Rouse of Benjamin, and Melvin Mayfield of Goree.

SEVENTH GRADE NEWS

The Seventh Grade girls went to Munday Friday Night and played Volley Ball. Although they did not win they played a good game and they all come home with a determination to make the high school team next year.

Emma Jean Shaver won a place in girls declamation and Charles Lee Dodgen won a place in the boys declamation. They will both be good material for high school next year.

Emma Jean Shaver will represent the school in girls singles and Tommie Jane Teaff with either Earlene Darden or Billy Jean Hamner will go in doubles.

Frank Wallace McAuley will be the representative in singles for the boys and Dale Graham and Sam Ed Carpenter will play in doubles.

FRESHMAN EDITION OF THE KENNEL

The Editor of the Kennel has decided it will be of interest for each class in High School to edit the high school paper one week.

The Freshman class was the first to have this swell privilege. Each joins in hoping you will enjoy it to the fullest extent and nothing is said in this edition to hurt anyone's feelings. Everything is meant in fun.

TRACK AND TENNIS

The track meet was postponed until April 2, because of bad weather last Saturday. The tennis meet will be held in Munday April 1.

Laughing Around the World
With IRVIN S. COBB

Absolutely Indispensable

By IRVIN S. COBB

BY CRAFTILY concealing the record of his past performance and on the strength of his imposing physical proportions, a semi-professional negro pugilist obtained booking for a bout at a Chicago athletic club.

On the night when the carnival of sports took place he presented himself at the stage door of the hall, accompanied by three swelter-clad followers.

"Dis here is Willie," he explained to the doorkeeper, indicating the first of his entourage. "He's my personal manager an' head-trainer."

The official admitted Willie. "And dis here boy," pointing to the second, "tha's Herbie. He's my trainin' partner, w'ich he likewise acks as my second whilst I'm in de ring fightin'."

The coal-black Herbie got by.

"An' dis smart lil' fella here—dis is Archie. He b'longs wid de outfit, too," stated the fighter, and moved on toward his dressing room.

"Hold on a minute, now," said the doorkeeper, putting up the bar of a strong right arm. "The rules allow a scrapper to get free admission for two handlers, but not three. I guess you'll have to stay outside tonight."

"Oh, Lawd, boss, you can't do dat," protested Archie. "You jest natchelly b'leeged to lemme go th'rough, too. Why, de Battler can't git 'long widout me. I'm de most important one of de whole outfit."

"Is that so? Well, what are you supposed to do?"

"Boss," said Archie with simple directness, "I'm de one what th'ows up de sponge!"

Driving in the Wedge

UNITED FRONT OF SIN AND ATHEISTIC COMMUNISM

CHICAGO—"Christian people today constitute the greatest bulwark against communism," declared Dr. Will H. Houghton, President of the Moody Bible Institute, before a recent gathering of 4,000 in this city. "because communism is helpless against the teachings of Jesus Christ. Schools such as the Moody Bible Institute are obstacles through which communism cannot penetrate. More than 900 young men and women are now enrolled in the Day School. Each is studying to fit himself or herself for active Christian service and will enter fields of service on completion of their period of training prepared to effectively use the one antidote to communism—the Bible."

The wedge pictured above is a recently graduated class of the Moody Bible Institute. They are set for the defense of the Gospel. "God will bless and use this company," continued Dr. Houghton, "in this confused and baffled world. There have been other days in which forces of evil have combined to oppose the on-march of God's truth, but God has given victory, and again and again the wall of opposition has been broken down."

For the benefit of pastors, missionaries, evangelists, Christian workers and teachers of secular schools the Institute will conduct a Summer School from June 21 to July 22. Regular Institute subjects will be taught, and attractive lectures in Sunday School Work, Young People's Problems and Gospel Music will be available. Tuition is free. The Summer School Faculty will be made up of the regular Institute teachers, supplemented by special lecturers. Full information will be sent upon request of the Moody Bible Institute, 155 Institute Place, Chicago.
