NUMBER 51

## Centennial News

### SURVEY COMMITTEE REPORTS

General survey Committee reported at the Centennial of the Texas Advertising Association. The committee was composed of some of the leading advertising men. Members: Lowrey Martin, Corsican; John Robert Payen, Corsican; Percy Montgomery, El Paso; James Binkley, Shemban, Amarillo.

A comprehensive survey was made before October 1st. The committee was asking detailed questions whether or not the Centennial should be celebrated. Several thousand questionnaires were returned. The response was immediate and enthusiastic.

On January 8, 1924, the committee met at the Chamber of Commerce in Austin and Chairman Martin presented two large questionnaires. The sentiment was reflective of the Texas Centennial of national scope.

Organization was immediately perfected with Cato Sells as temporary secretary and Lowrey Martin temporary secretary. At two thirty the entire committee met at Governor Neff where the report of the survey committee and findings were officially presented. Governor Neff heartily endorsed the Centennial idea and ordered issuance of the Centennial proclamation.

Following the appointment with Governor Neff the survey committee met in the senate chamber of the Capitol to discuss plans for future work and especially the matter of securing a large attendance for the State Centennial Conference. The original Texas Centennial Survey Committee was reappointed, an executive committee formed, and additional names of prominent men and women over the State were added.

The proclamation of the Governor together with the results obtained by the Survey Committee brought an enthusiastic response from the entire press of the State.

### TO MERCHANTS AND BUSINESS MEN OF KNOX COUNTY:

I am asking that all marble machines, that pay a prize either in cash or merchandise, all slot machines and all punch boards be removed from the County within six days from this notice.

Also that all grocery stores and markets close at 9:00 a. m. on Sundays and remain closed for the remainder of the day, as the law directs.

I hope to have your cooperation in these matters, complaints will be filed on any and all violations mentioned in this notice, on and after October 6th 1934.

C. R. Elliott  
Sheriff Knox County, Texas

## Church Activities

### METHODIST

The Methodist Church closed a two weeks revival meeting held Sunday night in which Reverend Ray N. Johnson did the preaching. Services throughout the meeting were deeply spiritual. A number of people were received into the church by letter rededications were made.

On each of the last two Sundays babies have been dedicated in infant baptism, a service most touching.

### Quarterly Conference

Sunday afternoon the fourth quarterly conference of the church year was held. Only one outstanding change was made in the church officers, namely that of the Sunday School Superintendent. Mr. Jack Wetzel was named the new superintendent.

### Missionary Society

The Womens Missionary Society of the Methodist church met Monday afternoon in a program on Stewardship. Mrs. Henry White gave the Devotional. Due to the fact that the Stewardship leader was unable to secure literature needed, the program was turned into an "experience meeting". Each lady present gave a short talk on "What Stewardship has Meant to me". After the program Mrs. J. A. Wilson conducted a short business session, bringing before the society several plans to be carried out in the near future. Mrs. C. E. Ball explained the next study which is to be on Japan. This study will begin just as soon as the books are received. Fourteen ladies were present Monday and the next meeting will be a business meeting at the church at 3:00 o'clock.

R. R. Gilbreath, pastor

### BAPTIST CHURCH

The Stewardship contest was held Sunday afternoon in the First Baptist church with Mrs. Joe Averitt in charge. First place in the G. A. division was won by Ouida Boss Draper of the Mitchell school. Ouida Boss will go to the district meet this Saturday in Abilene.

Second place in the R. A. Division Sunday afternoon was won by Charles Keenan of Knox City.

### Missionary Society

The ladies of the Missionary Society met Monday at the church in a Royal Service program with Mrs. Mrs. L. C. Porter conducting.

Reverend Stovall was in Leuders Tuesday attending a meeting in the interest of the Baptist Encampment held each year at Leuders.

Members of the Friday afternoon club and their husbands were entertained Tuesday evening in the home of Mr. and Mrs. S. E. Youngblood, co-host and hostess being Mr. and Mrs. Ray Willis.

Following the games a most delicious refreshment place of sandwiches, stuffed beef salad, punch and cakes were served.

Cut flowers, the larger part of which were roses were used at vantage points in the Youngblood home. Talley and score cards revealed the approaching season.

### P-T-A PROGRAM WELL ATTENDED

The first program meeting of the Parent-Teacher Association was held Tuesday evening in the auditorium of the school building. The attendance was fine.

Mrs. C. C. Howe, president of the Association presided and presented Miss Margaret Reeder, first speaker on the program. Miss Reeder gave a most interesting and thorough talk on the Texas Centennial. She will include a study of the Centennial this year in her History class.

Dr. T. S. Edwards addressed the crowd on Consolidation and Mr. E. L. Covey of Goree made an interesting survey of both the Centennial and Consolidation.

## Big Boy, Take A Bow!

by A. B. Chapin

### Knox City's Twins

With the arrival of Knox City's latest set of twins, the Westfall boys, citizens have begun to manifest an interest in the twins of the city. Thinking lightly on the subject we find that the number of sets of twins is very small; however, after studying over the population, we find that the number reaches ten or more.

The newest twins are the Westfall children, Dwayne Lee and Wayne Dee, born early Monday morning. They are the sons of Mr. and Mrs. O. L. Westfall.

Other twins are Wanda Lois and Billy Joyce Millford; Lloyd and Lois Huntsman; Alv & Alta Hamm; Virdie and Birdie Denton; Myrtle and Myrtle Evans, Lynn and Glenn Newberry; Lord and Laverne Wright; Melba and Nelda Houston and Tiny and Teny Clark.

This is a total of ten sets of twins with the possibility of other sets unknown to the Herald staff.

Among the ten sets there are girl twins, boy twins and mixed twins. These people make an interesting study.

Pay your school taxes today.

Neal Logan and George Thillinghast saw the football game Saturday in Lubbock between Texas U and Texas Tech. They saw and talked with Malcolm Martin while there. Malcolm is Captain of the Texas Tech team. Others from Knox City who attended the game included Miss Grace Orsborn and her guest Miss Irene Rye, Miss Ruth Wylie, John Elbert Smith, Donald Withrow and Leon McBrayer.

Mr. Henry Hess of Littlefield was in Knox City this week looking after business interest. He owns a farm south of the city. Mr. Hess states that conditions around Littlefield are about the same as he found here.

The Withrow Hotel is changing in appearance. It is being remodeled and repainted.

### DOWN TO HARD PAN

It is reported that one of the fastidious newly married ladies of this town kneads bread with her gloves on. This incident may be somewhat peculiar, but there are others. The editor of this paper needs bread with his shoes on, he needs bread with his pants on, and unless some of the delinquent subscribers to this "Old Rag of Freedom" pony up before long we will need bread without a darn thing on, and Wisconsin is no Garden of Eden in the winter time.—Mills Messenger

### HOSPITAL NOTES

Patients in the Knox County Hospital this week include Claude Hill of Munday, Miss Lela Belle Kemp of Haskell, Mrs. O. L. Westfall and two infant sons of Knox City, Joe Ray Hurd of Vera, Jack Warren of Knox City and M. F. Billingsly of Munday.

Mrs. J. E. Dodson and infant daughter of Rochester were dismissed Wednesday. Lois Dobbs of Munday was dismissed Wednesday. Selena Sterrath of Haskell was dismissed Wednesday.

Eldron Moore of Goree was in two days for X-ray pictures. Charlye Winchester of the Cliff community received medical treatment this week. Mrs. R. H. Rader of near Knox City received medical services the first of the week. Miss Burleson also of Knox City received medical treatment.

W. T. Cowser of Munday was dismissed Sunday. Mrs. J. B. Gore of Gilliland was dismissed Sunday. Doris Wardio of Munday received a tonsillectomy the first of the week.

### SUN SET SCHOOL REOPENS OCTOBER 8

Contrary to former plans for reopening the Sun Set School on October the first, the school will not be resumed until the second week of the new month, October 8.

According to Mr. D. H. Henry, progressive citizen and member of the Sun Set school board, the Sun Set school has a scholastic enrollment of 431 and now has 15 1/2 credits of affiliation.

This school has done excellent work during the short time it has been in operation, consolidated, and the patrons of the community are looking forward to a continuation of this unexcelled record.

J. R. Bradberry and Milton started to Mexico late Sunday and got as far as Lubbock and had to return home. The rain was plentiful says the boys and the road gave out.

Pay your school taxes today.

### SCHOOL TAX SUGGESTION

Since the Knox City Board has set the date, October first as the tax paying date for school taxes, it is a suggestion that you pay them.

It is to the best interest of the school that school taxes be paid this date. In fact, unless tax payers do respond to this call, the school can not keep its doors open. Of course this latter must continue so tax payers, get in the line that leads to the tax collectors desk. Pay your taxes as early as possible.

### Mrs. C. B. Teague Honored On 74 Birthday

Quite an enjoyable surprise birthday dinner was given for Mrs. C. B. Teague last Friday evening at the home of her son Mr. and Mrs. L. C. Teague, honoring her 74th birthday. Mesdames L. B. Hammock and L. O. Teague were also joint hostesses for the evening. Mrs. Teague's son T. A. Teague and family of Rule were also present to wish the elderly lady many happy returns of the day as well as to enjoy the bounteous repast followed by the cutting of the birthday cake prepared by Mrs. L. C. Teague. This was done with ceremonies reminiscent of bygone days most of which had been extremely pleasant ones. Delicious ice cream was also served.

Mrs. Teague is a native Texan and remembers some incidents of the Civil War. She remembers quite more vividly the Spanish American War and the late World War, three of her sons having enlisted. One, Charles Leroy, for whom the American Legion Post of this city is named having succumbed to injuries received while in action over seas. Her husbands demise also occurred in this city some two years since, and only a few months after a celebration of their Golden Wedding. The Teague family have been residents of this community since 1906. Mrs. Teague received many pleasant wishes for happiness and continued good health by the following present: T. A. Teague and family, Mr. and Mrs. L. B. Hammock, and family, E. H. Teague, L. O. Teague and family, L. C. Teague and family.

Mr. and Mrs. Herman Egenbacher of Bowie moved recently to Knox City. They are in the J. R. Bradberry home. He is working as Ashcroft.

### HARRY WILLIAMS BURIED IN BENJAMIN

Funeral services were held Wednesday afternoon in Munday for Harry B. Williams and interment was made in the Benjamin Cemetery. Mr. Williams was fatally shot late Tuesday afternoon when he removed his gun from an automobile. He had been hunting with a friend in Munday. Mr. Williams was 30 years old and survived by his wife and one child, a four year old daughter.

The deceased was a nephew of Mrs. Blanche Pope of this city. He was virtually reared in Knox City and possessed many friends here. In addition to this Aunt, Mrs. Pope, many friends from Knox City attended the funeral services Wednesday afternoon.

## Drouth Cuts No Figure In Circus Crowd

West Texas may have suffered a drouth, a shortage in crop production and possess many people "who will have to be fed" but none of these things stood in the way of Ringling Brothers Circus that showed Saturday night and evening in Abilene.

Hundreds, thousands of people from near by towns, a radius of one hundred miles or more, poured into Abilene Saturday like starving families to the bread line. The seating capacity of the huge tent was filled. The ground covered with dignified folks and hundreds turned away from the door Saturday afternoon. The evening performance was put on in gala array before equally as many people as the afternoon show.

Knox City, like all other towns and communities within this hundred mile radius, was well represented, the number well exceeding a hundred.

Adults as well as children thrilled at the daring acts staged for their benefit. The trapeze acts and tight wire walking were unusually good and a brand new number (where the man walked upside town with vacuum heels) in the top of the tent, caused many to breathe in a sigh of relief when he finally reached his destination.

There is doubtless nothing else in existence in this present age that attracts a crowd, old and young, like a circus. People in every station in life attended this circus. Every profession known to West Texas citizens was represented in the 40,000 attendance at this show. And oddly enough practically every season of the year was likewise represented. The wearing apparel seemed to make no difference just so the wearer thereof "got to the circus".

It was a great day. Being interested in the other animals, every one forgot himself, and this of course meant that dignity and poise were left at home and folks ate peanuts, popcorn and drank soda water and thought they were having a good time.

Yes, the drouth certainly cut no figure in the Circus attendance at Abilene this year.

### KNOX CITY H. D. C. CLUB

The Knox City Home Demonstration club will meet October 5 in an all day meeting at the home of Mrs. Vance Favor. Persons interested in cheese making or in school lunches are cordially invited to this meeting. Those coming for the entire day are requested to bring one dozen sandwiches using a favorite school lunch sandwich spread. Recipes will be exchanged.

## Gin Report

Thursday, September 27, at two o'clock the four gins of Knox City reported a total of 1798 bales of cotton ginned from the present crop. Cotton prices ranged from 12.25 to 12.35.

O'Brien reported 286 bales. Local gin men estimate the present crop will bring in yet from 500 to 750 bales.

Pay your school taxes today.

Mr. and Mrs. Otto Lawson spent Sunday in Vernon and Wichita Falls.

W. T. Averitt is now seen about the Frizzell Drug Store he is working there.

Mr. and Mrs. J. M. Hollabaugh were in attendance at the birthday party Tuesday night in the J. H. McGee home. The occasion honored both J. C. McGee and Ruth McGee.

Mother Lanier is visiting in Crowell this week.

Mrs. Lillian Phillips is ill this week.

Mr. and Mrs. Joby children spent the weekend with their parents.

## JOB OF THE SCHOOLS

The children trooping into the schoolhouse after their long vacation what a colorful picture they make in their shiny new clothes and bright eager faces. The shouts that split the air, and their irrepressible wrangling and tumblings, how they tell of a tremendous alertness. These children are capable of producing a marvelous advance in our country.

The schools are like a mill that has to take all grades of material. If that mill must utilize defective wool, cotton, and leather, it won't turn out any first class product. The school is forced to take the industrious and the lazy, the willing and the unwilling. It is expected to turn out a uniform first class product of good citizens, which under existing conditions can't always be done.

Many of those growing minds are like young trees bent out of shape, which the good gardener may be able to straighten out. Innumerable children who made a wrong start are trained by devoted teachers to stand erect in the garden of life.

America plants ambition in the heart of youth. It points to successful men and women who came from humble and depressing homes. "You can also rise," it says to every youth from a back alley.

Some boys dream that that place of fortune can be found over the slippery ways of the crooked path. If they stick to that belief, the school can do nothing for them. Modern education has a job other than that

of teaching facts about verbs and fractions. It has to point out the path of industry, and convince youth that only by toiling up that path, which is sometimes steep, can he win life's prize.

Want your home town to go ahead? Then take hold and do a little pulling ahead yourself.

Want your home town business to keep your home people well employed? Then give that business your full support by buying your supplies at home.

Want your business to grow? Then better demonstrate to the public through advertising, that its good service deserves such growth.

See our line of used cars before you buy.

Ashcroft Chevrolet

S. E. Youngblood and Vernon Bridges made a business trip to Fort Worth Saturday.

Mrs. J. M. C. Shaw of Abilene is spending this week with her niece Mrs. Jim Stevenson.

Lon Sibley is driving a new four door V-8 Sedan that he bought from Warren Brothers.

Mrs. A. E. Locke of Miami Texas was a guest in the home of Mrs. R. R. Gilbreath Tuesday night.

Guests in the C. S. Ameen home Sunday included the Wade and Salmon families of Munday, Frank Silman of Rochester and the J. Silman family of this city.

J. R. Bradberry and wife, Mr. and Mrs. Milton Bradberry and children and Mr. and Mrs. Cecil Castele motored to Leuders Sunday where they met Mr. and Mrs. Joe Castele from Albany and enjoyed the day together.

Mr. and Mrs. Bill Hhite, accompanied by S. L. White went to Denton Saturday where Bill and Louise enrolled in NTSTC for this term. The two hope to receive their degrees this year. Mr. White returned home Monday by the way of Mineral Wells where he picked up Mrs. White. Mrs. White has been in Mineral Wells two weeks with her mother Mrs. Gentry. The latter is doing well now.

Itinerary for the First Week of October of Jewell Faulkner, County Home Demonstration Agent

Monday—Office  
 Tuesday—Hefener girls and women  
 Wednesday—Guthland girls and women  
 Thursday—Truscott girls  
 Friday—Knox City women  
 Saturday—Benjamin Council meeting

Cheese Making School Lunches Subject of October Meetings in Home Demonstration Clubs

The demonstrations to be given in October in the home demonstration clubs are to be all day meetings. Soft cured cottage cheese and Processed cheese will be made in the morning. After lunch, a dish brought by each one attending, the cheese will be completed and a demonstration will be given on the "School Lunch". The possibilities for the school lunch, the need of an adequate and balanced lunch and the making of the school lunch will especially be stressed.

This meeting will be one of the outstanding ones of the year and every club member as well as any other interested persons are asked to attend the entire day.

4-H Pantries Are Being Organized

"I realize more than ever the advantages of having an organized pantry, now that I have one," said Mrs. J. J. Stark, 4-H pantry demonstrator in the Benjamin Home Demonstration Club.

"A well organized pantry makes

meal planning easy because the general divisions of food are made for the entire year; it shows at a glance the foods which are low in quality; shows whether food budget was really filled because the contents and budget card are easily checked, it also shows which foods are most popular or appetizing," Mrs. Stark said.

This lack of popularity might be due to methods of canning; dislikes of the family; lack of time for preparation; or lack of imagination in utilizing canned products. "These are things we are trying to avoid through our work in the club," Mrs. Stark said.

Mary Helen Partridge, Sunset 4-H Club Wins Trip to Dallas Fair 4-H Club Girls Encampment, Oct. 9-11

Mary Helen Partridge, Sunset 4-H club won first place in the county on her years club work and as a prize will represent this county at the Dallas Fair Encampment, October 9-11. Billie Jo Dickerson, Sunset club and Darlene Moore, Sunset club were second and third place winners on the bedspreads, which was a part of the contest.

Another 4-H club girl, Sybil Spivey, Truscott club, who has done 4 years of successful club work is going to this encampment also. Sybil was a second place winner in the Bedroom Contest in 1933 and has done some outstanding work this year.

GORDON ACKER IS POOL CHAMP

The city pool tournament in singles came to a close Tuesday when Gordon Acker defeated Henry Arledge and Horace Finley for city champion.

The doubles tournament began Wednesday and the winning team will doubtless be known next week.

Tuesday Master Royland Ray Willis and Master Ken Clonts took it upon themselves to visit the fair city of Knox alone but before they succeeded getting their visit completed two deperate mothers proved their skill in car driving and "child hunting".

The youngsters decided, since the day was so warm, to visit the ice plant. They were discovered and carried home by a passing young lady but before the mothers of the two could tie them to their apron strings the boys were out and gone again.

The boys made another trip and the second time they headed toward the Baptist church but were intercepted by Mrs. Orsborn. She in turn deposited them with Mrs. Sam Clonts and here the two lads were marched into the house and the doors locked.

Not knowing the lost Mrs. Sam Clonts were, and not knowing the two mothers continuing driving and inquiring seen my boys".

Finally, however, the boys' and the contents each other.

Let Chevrolet tell its own story  
 of riding and driving comfort

Make the ownership  
 test

One Ride  
 is worth a thousand  
 words

THE best way to get at the truth behind the fine things you hear and read about the new Chevrolet, is to get in the car and drive. Take this car, drive it over the same routes, in the same way you drive your present automobile, and let the results you can see and feel tell their own story. You have heard that Knee-Action makes bad roads good, and good roads better. A ride will prove it. You have heard that Chevrolet provides shock-proof steering, Synchro-Mesh gear-shifting, a remarkably flexible 80-horsepower engine, and cable-controlled brakes. A few minutes at

the wheel will show you what a difference these advancements make in safety and driving ease. And when the ride is over, and you step out refreshed and ready for more, you will know why so many thousands have found it impossible to return to ordinary driving after an experience like this. That is the Ownership Test—easy, enjoyable, and the most practical way to choose a car.

Of Course You Want  
 Your Boy to Win

If any one told you that you were making it needlessly hard for your boy or your little daughter to get on in school you wouldn't believe it could be true.

But are you giving your child or your children the good light they need for their home studying?

In many of the schools light is still poor, so it is especially important to provide good light where children's home work is done.

See that the lamps they use are of sufficient wattage to give plenty of light and that there can be no glare in their eyes, either direct or reflected.

Poor light makes concentration difficult, brings on fatigue and drowsiness quickly, is damaging to young eyes, and is often responsible for faulty posture, which is a danger to be guarded against.

Let our home lighting consultant tell you how to light your home for your children's benefit and for your own comfort. This is a free service. You have only to write or phone us to obtain it. Take advantage of this service before school begins. It will pay you in higher grades.

The new West Texas Utilities Company's Electrical Service is billed on a monthly basis for your convenience and adds only a small amount to your total bill.

 Company

# H. B. No. 12

By George Moffett

An Act to extend the time for the payment of notes or obligations executed prior to November 1, 1901, by purchasers of school land for the unpaid balance of principal due the State thereon, such extensions to be for a period of ten (10) years from and after the passage of this Act, and declaring an emergency.

SECTION 1. The time for the payment of all notes or obligations executed prior to November 1, 1901, by purchasers of school land for the unpaid balances of principal due the State thereon is hereby extended for a period of ten (10) years from and after the passage of this Act, subject to all the pains and penalties provided in the Acts under which the purchases were made, provided that the extension of time herein granted shall apply only to installments of principal, and shall not apply to any installment of interest, and provided further that the unpaid balances of principal upon which an extension of time for payment is hereby granted shall bear interest during said period of extension at the rate provided for in the contract of purchase hereby extended, and past due installments of interest shall bear interest at the rate

provided for in Section 7, Chapter 21, General Laws Regular Session Twenty-second Legislature.

SECTION 2. The fact that the general financial depression prevailing in Texas, and over the entire country, makes it impossible for the owners of school land to meet their obligations at maturity, and the further fact that it may be some years before normal conditions will return, and the fact that the Permanent School Fund will be injured unless this extension is granted so that these obligations may be paid, and the fact that there will be no impairment of principal or interest due to become due, to the School Fund under this Act, create an emergency and an imperative public necessity that the Constitutional Rule requires that bills be read on three separate days in each House be suspended, and the same is hereby suspended, and that this Act take effect from and after its passage, and it is so enacted.

### COMMITTEE REPORT

Hon. Edgar E. Hill, President of the Senate.

SIR: We, your Committee on Public Lands and Land Office, to whom was referred H. B. No. 12, Abil 11 to be entitled.

An Act to extend the time for the payment of notes or obligations executed prior to November 1, 1901, by purchasers of school land for the unpaid balance of principal due the State thereon, such extensions to be for a period of ten (10) years

from and after the passage of this Act, and declaring an emergency. Have had the same under consideration, and I am instructed to report it back to the Senate with the recommendation that it do pass.

Woodruff, Chairman

This bill applies to quite a good deal of school land in our part of the State. Each alternate section of land in our section of Texas is school land, and was purchased from the State by pioneer settlers, under the Acts of 1887 and 1895. The terms of purchase were 1-40th down and the remainder payable within 40 years. The 40 year period is about up, and much of the land, (mostly grazing land) has not been paid out. And in most cases the land-owners are not in a position to pay the money due. (Usually about \$2.00 per acre). This bill merely moves up the maturity date for ten years, and makes no other changes. The State still has a first lien on the land, which amply protects the State. And the land-owner must still pay interest to the State (which interest goes into the State permanent school fund) at the same rate, that he has always paid on the deferred payments. This is a good bill, as it fully protects the State, and extends a breathing spell to the land-owners. It has passed both the House and the Senate, the Governor will sign it within two or three days. It affects considerable land in each county in my district.

George Moffett

### CIVILIAN CONSERVATION CORPS

To the Knox County Administrator Dear Sir:

There will be a general enrollment for the Civilian Conservation Corps between the first and the fifteenth of October, but from present indications you are likely to receive movement orders as early as October 1.

The estimated quota from your county is 6. If you feel that you will be unable to fill this quota from eligible and qualified men, please notify me by return mail so that I may be able to distribute this surplus to other counties. I am particularly interested that our basic Texas quota be filled to its full strength during this enrollment.

This quota is not final and possibly will be changed.

Your definite quota and final instructions for this enrollment will probably be mailed to you from this office on Tuesday, September 25. At the same time, you will be mailed a sufficient supply of application blanks.

You will see from the above estimate that your quota will probably be smaller than quotas of previous enrollments. Therefore, I urge that you make your selection from the most needy of your applicants.

Very truly yours,

Neal E. Guy,

C. C. C. Enrollment Supervisor.

**Eligibility**  
A. Unmarried men in your county who are American citizens between the ages of 18 and 25, inclusive, who have dependents in your county or elsewhere to whom they are willing to allot a substantial amount of their monthly allowance. Dependents may be of blood or obligation.

B. Men are to be selected from those now on relief rolls or whose families are on relief rolls.

C. No two boys from the same family are eligible for C. C. C. enrollment.

## Your Health

Austin, Texas Sept. 25, The Twelfth Annual Meeting of the Texas Public Health Association will be held at the Wooten Hotel in Abilene, October 3-5, stated Dr. T. J. McCamat, President. The meeting is open to physicians, health officers, nurses, sanitarians, and others interested in public health.

Besides the general meeting, there will be special sections for nurses, laboratory workers, and full time health officers. Among the speakers will be Dr. John W. Brown, State Health Officer; Dr. Lewis C. Crabbe; E. A. Baugh; Senator J. W. E. "H. Beck, M. D.; and representatives of the United States Public Health Service, State Medical Association, Agricultural Department, American Public Health Association, and State Medical Association.

The program will consist of discussions of health work possible with relief funds, milk sanitation, water and sewage, public health nursing, health legislation, and communicable disease control.

Many cities send their health workers to this meeting so that they may keep up with the new development in their fields. This will be especially true this year as much health work may be accomplished with relief funds.

Mrs. H. M. Coker mover recently from the Zac Williams farm to the Nellie Mae Withrow farm northeast of the city.

Mr. and Mrs. E. Q. Warren spent Sunday in Merkel.

Mr. Anderson, father of Mrs. Ed Shaver, is critically ill.

Mrs. J. M. Ashcroft spent the weekend with relatives in Weatherford.

Mrs. Henry Arledge had as her guests Monday afternoon Mrs. T. E. Arledge of Rosco and Mrs. Roy Arledge of Stamford.

Mr. and Mrs. J. M. Humphries entertained with a birthday dinner Sunday honoring their daughter and son-in-law, Mr. and Mrs. Robert Hutchinson. Her birthday was September 27th. Guests were Misses Anice and Flo McBrayer, Bessie Bevel, Alice and Edith Wilson, Mr. Paul Fitzgerald, Wesley Novins, Louis and Gerald Canada, Robert Barnes and Mr. and Mrs. Robert Hutchinson and children.

## GREATER MOTOR PROTECTION— LOWER OIL CONSUMPTION

# PROVED

AT Indianapolis Motor Speedway, under AAA supervision (Sanction No. 3001), New and Improved Conoco Germ Processed Motor Oil was tested against five other nationally known motor oils.

Six identical stock cars were broken in on oils assigned them by lot. Each car was filled with five quarts of its assigned oil—no more added—and driven until the motor was wrecked.

New and Improved Conoco Germ Processed Motor Oil carried its car 4,729 miles—3,105.8 miles farther than the first oil to fail and 1,410.2 miles farther than the best of the five oils!

Could you ask for better proof of greater motor protection and lower oil consumption? Drive into a Conoco Red Triangle Station today and fill with New and Improved Conoco Germ Processed Motor Oil!

### The Fact Finders

HOW LET'S SEE IF WE CAN GET BACK TO OUR HOMES BEFORE IT GETS DARK—KEEP YOUR EYE OUT FOR INTERESTING FACTS, FOLKS

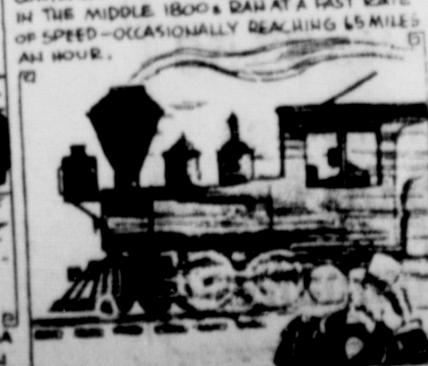

THE GREEK SCULPTORS IN THE DAYS OF THEIR GREATEST FAME USED GOLD WORK TO ADORN THEIR IVORY STATUARY.

BALSA IS THE LIGHTEST WOOD IN THE WORLD—A 30 FOOT 2 1/2 INCH SQUARE BEAM OF THESE DIMENSIONS WILL WEIGH ABOUT 75 POUNDS.

AFLOAT IN WATER, BALSA WOOD CAN SUPPORT TEN TIMES ITS OWN WEIGHT.

CONTRARY TO POPULAR BELIEF LOCOMOTIVES IN THE MIDDLE 1800'S RAN AT A FAST RATE OF SPEED—OCCASIONALLY REACHING 45 MILES AN HOUR.

HERE WE ARE, BACK HOME BEFORE DARK AND IN TIME FOR DINNER—HOPE WE SEE YOU ALL ON THE NEXT TRIP.

## HAS YOUR GAS EQUIPMENT BEEN INSPECTED?

Wild geese have already started south... Gas companies, while not posing as scientists...

In warning customers to look over their heating equipment before cold weather starts...

Well cocks and old space heaters should be inspected and replaced if necessary...

Additional equipment, if needed, should be purchased now to avoid the rush that usually comes with the first cold weather...

Mr. Dan L. Bookley of Sweetwater is in Knox City over the weekend...

## FROM THE EDITOR OF THE AMERICAN BOY

During the coming year, the boys of America will get a half-fare rate to adventure and fun!

Griffith Ogden Ellis, Editor of the hearty assurance that the new prices will in no way affect the editorial contents of the magazine...

"THE AMERICAN BOY'S leadership has been no accident," Mr. Ellis states...

Twelve issues of fun and excitement for \$1.00. Three years of \$2.00. Spread the news among your friends...

Knox City, Texas

# Union Grove News

Reverend Erickson of Monday filled his appointment here Saturday and Sunday. A large crowd attended the services.

Mr. and Mrs. Ralph Souther and Barbara Nae, Mr. and Mrs. Leonard Houston of Dickens City and Mr. and Mrs. Holmes and family of Mitchell spent the weekend in the L. L. Houston home.

Mr. and Mrs. Tom Glavin and family spent Sunday with Mr. and Mrs. Leon Bevel.

Mr. and Mrs. W. H. Hodges and family spent Saturday in Abilene. They attended the Ringling Brothers Circus while in Abilene.

Mr. and Mrs. Jay Hawkins spent Sunday with Mr. and Mrs. W. H. Lankford in the Brock community.

Mrs. Paucett and Kenneth of Knox City spent the weekend in the R. K. McBrayer home.

Radio B Batteries and tubes at Ashcroft.

There was a time when all furnished heating systems withered your fireplace your back suffered.

But now... with natural gas, winter is just another pleasant season in the modern home.

# A timely reminder

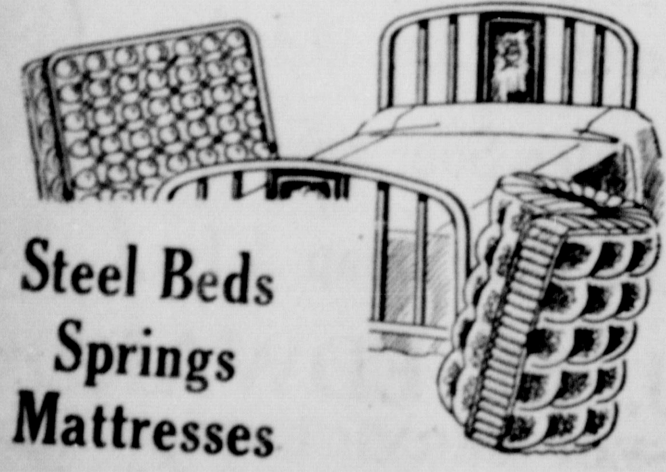

Days are growing shorter, nights longer, and the first cold days of winter are on the way.

Now is the practical time to check up your heating equipment while winter is still "around the corner." Don't let obsolete or inadequate heating rob you of a pleasant indoor climate.

Your dependable gas service makes this fuss and bother unnecessary. All through the summer months your gas company has been "keeping your fuel service faithful"...

If for any reason your gas meter is not connected ready for winter, call your gas company NOW and avoid the rush of that first "norther."

An ample gas supply has been provided... pipe lines and distributing lines have been checked over... compressor stations have been overhauled.
