Plans Announced For Plant Materials Center Dedication

The Soil Conservation Service Plant Materials Center 4 miles northwest of Knox City will be dedicated September 7 according to plans announced today by H. N. Smith, State Conservationist, of Temple, Donald A. Williams, SCS Administrator of Washington, D. C., will speak at the public ceremony.

The center finds, evaluates and puts into use new plants to solve both farm and non-farm conservation problems. It serves Texas, Oklahoma, and adjoining states, and is one of seven in the U. S.

Other SCS plant materials centers proved and introduced such plants as King Ranch blue-stem, Texas buffelgrass, Uvalde sidecoats grama, Cheyenne indiangrass, and Weeping lovegrass.

About 850 selections of grasses, forbs, and shrubs are being evaluated at the new center. Planting materials being used include seed, sprigs, and rootstock.

Arnold Davis, manager of the local plant, said that a 60x90 ft. tent had been arranged for in order that guests might be in out of the weather, and that

Lions Club Hears Choir At Luncheon

The Knox City Lions Club had the Chancel Choir of the First Methodist Church to present the program at its noon luncheon last Wednesday.

Fuller Shannon, program chairman, presented the young ladies to the group. Mrs. Melvin Lowrey, director, accompanied them on the piano.

Numbers on the program included My Creed, Step by Step, He, How Firm a Foundation, My Prayer, The Church's One Foundation, The Sweet Story of Old, and Walk With Us, Lord.

Notice To All Parents Of First Graders

Supt. E. A. Youngblood asked the Herald this week to remind the parents of all first grade children who will be registering on Friday, September 1 to have the necessary records with them. An immunization record and a birth certificate are required.

Mr. Youngblood also said that this week would complete the NYC program at the school. Thirteen youth have been employed under this program.

Major Company Planning New Dealership Here

J. I. Case Company, old line manufacturer of Farm and Industrial Equipment has announced plans to establish a retail dealership in Knox County.

Case officials say the entire line has been improved and increased during the past few years and they are now ready to franchise a few additional dealers to areas not now covered.

Case had been in business since 1842, having started as a manufacturer of threshers and steam engines and through acquisition of other Companies, developed a full line of Farm and Industrial Equipment.

Headquarters for the Company is Racine, Wisc., with factories located in six major cities throughout the Mid-West. The Company's Sales Branch, Parts Depot, and Service Center for this area is located in Dallas, Texas, and the Territory Representative for this area is Scott Webster, Box 1337, Vernon, Texas.

The Company's Ad appears in the classified section of this issue.

Call in Locals

Rolling Plains Cotton Farmers Will Be Receiving Checks Soon

Within the next few weeks checks totalling more than 30 million dollars will be mailed to Rolling Plains cotton farmers. These checks represent payment to farmers for complying with 1967 federal crop-control programs.

According to Charles Stenholm, executive vice president of the Rolling Plains Cotton Growers, there are many misconceptions as to just exactly what these payments are.

"Too many urban people and their legislators fail to recognize government payments to farmers for what they are - an inseparable part of the price received by the producer for his commodities - and a part without which, in most instances, such commodities could not and would not be produced."

It would be a safe assumption to say that the average farmer would much prefer to sell his cotton and receive his

income solely at the market place. After all farmers, too, are tax-payers and government payments of any kind are tax-payers money being collected and re-distributed. They might be compared to giving oneself a blood transfusion regularly with your own blood and spilling a little each time.

But with farmers making up only 7% of the total population, others largely decide how much and how farmers should be paid for producing their products and farmers lacking sufficient organization are compelled to go along.

In 1963 the average selling price of Rolling Plains cotton was 28.54 cents per pound. In 1967 the average selling price will be 15.30 cents per pound. Cotton mills are buying cotton at \$65.00 per bale, cheaper today than in 1963 and yet the price of cotton sheets, shirts, dresses, etc. have increased.

Herein lies the reason for the checks now being mailed. Even with the subsidy farmers in the area will be receiving only 26.50 cents per pound or 2 cents per pound less than in 1963.

This is an area problem, not just a farmer's problem. When a farmer is paid less for what he grows, he has less money to spend. When his cost of production is increased at the same time you drive him out of business. When you drive 7 farmers out of business in the Rolling Plains, you also drive out one business man.

The business man and the farmer in the Rolling Plains are in the same cost-price squeeze. There is no simple answer but it appears that by working to understand each other's problems fully and then working together to solve them, we might do a much better job.

Survey Reveals Information On Health Habits Of Texans

A spokesman for the American Cancer Society announced today that early studies of a recently completed survey reveal new information about the health habits of more than 117,000 cancer-conscious Texans.

The Cancer Education Survey, conducted in conjunction with the ACS residential Crusade in April and May of this year, is being studied to determine what new educational measures might be taken to help people better understand the nature of cancer and the value of early diagnosis and treatment of this dread disease.

Dr. R. G. Howell, Medical Chairman of the Knox County Unit, said this response shows that more people are becoming aware of the need for regular health examinations; and based on the Survey figures, 55% of the men and 67% of the women stated that they had physical examinations last year.

The Survey findings further indicate that more people are having proctoscopic examinations, a diagnostic test to determine the presence of cancer of the colon and rectum.

"Cure rates could be much better for cancer of the colon and rectum, the most common internal cancer of both men and women," Dr. Howell stated. "This is why it is so important that men and women, particularly those over 40, have this examination."

"Cure rates for uterine cancer are good," he continued, "and in some cases a 90% plus cure is seen in this area. The American Cancer Society helped develop, then pioneered the use of the Pap test, perhaps the most effective diagnostic tool we have in detecting uterine cancer. One of the most encouraging findings of our survey is that 71% of the women said they have had a Pap test. The Survey shows, however, that a fewer percentage of women over 40 have had a Pap test; and it is in the 40 to 52 age group that the highest incidence of uterine cancer occurs."

Another Survey finding indicates that 55% of the women reported that they practiced breast self-examination regularly. According to the ACS, this apparent wide-spread practice helps a woman discover for herself any unusual lumps that require her physician's attention.

Coming Events

REVIVAL at Foursquare Church, August 20. Services daily 10 a.m. and 7:30 p.m. except Saturday.

COMANCHE Co. Reunion - 18th annual to be held in Mackensie State Park in Lubbock, Sunday, August 27. Basket lunch at 12:30 p.m. Singing in afternoon. Everybody invited.

Mr. and Mrs. Jim Herring of San Antonio arrived Monday to visit with her aunt, Mrs. Earle Benedict.

WRECKAGE BETWEEN O'BRIEN AND KNOX CITY

None Injured In Truck-Tractor Accident Tuesday

O. V. Lawson, 57, 1206 Hassell, San Angelo, Sante Fe railroad employee, for twenty year, escaped injury in a mower-truck accident Tuesday at approximately 3:45 p.m. just inside the Knox County line between O'Brien and Knox City.

Lawson had been cutting grass along right-of-way of railroad at road crossings and station grounds and was en route to Knox City to do more work north of there when his mower was in collision with a Calhoun Well Service truck from Aspermont, also en route to Knox City.

Melvin Neatherlin, 20, was driver of the truck. Johnny Greer, 18, and Dan Worthington, 27, were the trucks other occupants. All were residents of Aspermont and were to do

work near Knox City. None were injured.

Traffic was held up for some time when the truck jackknifed across the highway. The investigating officer was Highway Patrolman Joe Lane, Jr.

The accident happened as the truck started around the mower and struck the mowing apparatus flinging Mr. Lawson clear of the wreckage. The cab of the truck ended up on top of the mower and tractor.

Report Of Lion Club Fines By The Tail Twister

More names were added to the list and more fines collected at last Wednesday's Lions Club meeting with the following charges made by Joe Boone, Tail Twister:

Hob Smith - Being childish about John May getting his chair.

Luther W. Graham - Hearing aid causing static and disturbing meeting.

Zeb Smith - Picking his piece of chicken before the meal.

Erwin Egenbacher - For singing.

John May - For not singing.

4 Bankers late, Bruce Campbell, Jr., Jack Coats, Fuller Shannon, and Joe Averitt, due to examiners.

Jeff Graham, Sam E. Clonts, J. T. Cybert - All late.

Ulric Lea - Mussing up the Tail Twister's hair.

Bailey Attends Meet At Lubbock For New Medicaid Board Members Named For Knox Co. Hospital District

Floyd V. Bailey, Administrator of the Brazos Valley Care Home here was one of 263 nursing home staff members, welfare case workers, and health department employees who attended a conference in Lubbock on August 10, on the implementation of Title XIX, commonly referred to as Medicaid, of the Social Security Act in Texas.

The one-day meeting, sponsored by the Texas Nursing Home Association, State Department of Public Welfare, and Texas State Department of Health was based on the theme, "Meet The Challenge of Change", and dealt with the responsibilities of the nursing home and state employees under this new program.

Title XIX, being implemented in Texas starting September 1 will replace the current Kerr-Mills welfare programs which have been functioning in Texas since 1962. This new, joint federal-state program, will initially provide the following services to the certain categorical groups of the medically indigent welfare recipients: physician services, in-patient hospital services, out-patient hospital services, skilled nursing home services, and other laboratory and x-ray services. These services will be available to the eligible blind, aged, and totally and permanently dis-

abled and families of dependent children.

Medicaid was the companion legislation to medicare passed by Congress in 1965 as a part of Public Law 89-97. Since Medicaid is a joint federal-state program, while medicare is strictly a federal program, each state legislature had to pass legislation enabling the state to participate in the program. Senate Bill 2, passed by the Texas Legislature and signed by Governor John Connally on May 11, 1967, was Texas' enabling legislation.

Conference speakers included Dr. Davis Wade, Assistant Commissioner for Medical Administration, State Department of Public Welfare. See BAILEY, Page 2

Notice Check Customer, Effective September 1

Check customers are again reminded to please use printed checks furnished by your bank. "Changed" checks and customers' drafts will not be handled by Federal Reserve Banks after September 1, 1967.

Each bank's checks bear their own routing symbol-transit number in magnetic ink characters which are read by com-

Doris Marion To Receive Degree Friday

Miss Doris Marie Marion, daughter of Mr. and Mrs. E. L. Marion, will be among the graduates to receive a Bachelor of Science degree in Home Economics when Abilene Christian College awards 132 bachelor's degrees in the 1967 summer commencement exercises scheduled for Friday, August 18. Of the graduating class, 97 are from Texas.

R. V. Hardegree, president of Artco-Bell Corp., Temple, will deliver the commencement address in the College Church of Christ at 8 p.m. A member of the Abilene Christian's Advisory Board, he is also a regional chairman for the school's National Development Council.

Degrees to be awarded include the bachelor of arts, bachelor of science, bachelor of science in education, bachelor of music education, and bachelor of science in home economics.

The commencement will bring the total number of degrees awarded by Abilene Christian to 554 for the year.

Lawson White Dies In Calif.

Relatives here have been informed of the death of Lawson White, 60, of Pixley, California. Mr. White, who was reared in Knox City and is a nephew of Sam White, died suddenly Sunday night after attending church services. His wife, the former Jessie Mae Powell, is the youngest sister of Mrs. A. W. McBeath.

Survivors include his wife, three daughters, two brothers, C. D. of McFarland, Calif., and Lawrence of Australia; one sister, Mrs. Alma Butts of Strathmore, and 10 grandchildren. Services were scheduled for Wednesday.

B. W. Wilkins Dies In Okla.

Word has been received in Knox City of the death of a former pastor of the First Methodist Church.

The Rev. Bailey W. Wilkins, retired of Muskogee, Okla., died in a hospital there on July 26.

Mr. Wilkins was pastor here from 1923 until 1925.

FIRST METHODIST'S CHANCEL CHOIR - Members of the Chancel Choir who presented the Lions Club program last Wednesday, under the direction of Mrs. Melvin Lowrey, are from l. to r., first row, Karen Clonts, Jacqueline Crowover, Donna Railsback, and Gwen Angle. Second row l. to r. are Anne Hoge, Jill Thompson, Gala Watkins, and Lou Ann McGaughey.

Board Members Named For Knox Co. Hospital District

The Knox County Commissioners' Court recently appointed new board members for the newly-created Knox County Hospital District. These men are to serve until the first Saturday in April, 1968, at which

time three will be elected by the district at large, and four will be appointed by the Commissioners' Court.

Members appointed include Fuller Shannon and C. J. Reese of Knox City, W. M. Hertel of Benjamin, J. T. Cook of Gilliland, Charles Baker and Charles McCauley of Munday, and Vernal Zeissel of Rhineland.

Reminder To Band Students

All band students are reminded to be at the Band Hall on Monday morning, August 21, according to Band Director Norman Arnett, at 7:30 o'clock.

Mr. Arnett said the sessions would be from 7:30 a.m. until 9 each Monday through Friday until the beginning of school.

As Monday, September 4, is Labor Day holiday, there will be no practice that day.

FROM AMARILLO

Mr. and Mrs. Baby Schoonmaker and Stevie of Amarillo were here to attend funeral services for Roy Smith. While here they visited in the home of her parents, Mr. and Mrs. John A. Smith.

Miss Susan Reese Feted At Gift Tea

Miss Susan Reese, bride-elect of Jerry Myers, was the honoree at a lovely gift tea Saturday afternoon at The Woman's Club here, from 4 until 5 o'clock.

Greeting guests was Mrs. V. F. Thomas who presented them to the honoree, her mother, Mrs. Charles Reese, the prospective bridegroom's mother, Mrs. Kenneth Myers, and the couple's grandmothers, Mrs. D. W. Mitchell of Mill-sap and Mrs. J. C. Goodson.

Miss Carolyn Crowover registered guests.
The honoree's chosen colors of blue and green were featured throughout. The serving table was beautifully laid with white cloth, and an arrangement of blue flowers and greenery and a floral decor around the base of the crystal punch service furthered the color theme.

Misses Phyllis Tankersley and Penny Meinzer served punch and assorted cookies.

Misses Judy Land and Mary Reese assisted in displaying gifts.

Background music was provided by Miss Karen White at the piano.

Hostesses for the occasion included Mmes. Ulric Lea, Vic Thomas, Clifford Cornett, Jack Fisher, Jeff Graham, Sammy B. White, Hob Smith, Otis Cash, J. M. Averitt, Gladys Reed, Leo Beason, Jack Land, John Egenbacher, John Crowover, Doug Meinzer, M. S. Denton, J. V. Denton, Myrtle White, Bud Thompson and George Wall.

Seventy guests were registered during the calling hour.

The couple will be married here on August 31.

Mr. and Mrs. E. A. Youngblood are the parents of a baby boy born Monday, July 31 at the Knox County Hospital at 10:05 p.m.

He has been named Lev Erwin, and he weighed 8 lbs. 2 ozs.

Mr. and Mrs. Terry Carter of Stamford, former K. C. residents, are the parents of a baby boy, William Tracy, born August 2 in the Haskell County Hospital.

Lee Park Here On Furlough

Lee Park, son of Mrs. Rose Park and the late Leo Park, is spending a 30-day leave here with his mother, his sister, Sandy, and his brothers, Bill, Randy, and David.

Lee entered service in October, 1965. His latest assignment has been at Fort Polk, La. His orders call for overseas duty with a supply center. He will leave here about September 5 for Washington, D. C.

Ward Promoted To Staff Sgt.

CLOVIS, N. M. — Leon W. Ward, son of Mr. and Mrs. Leon Ward of 208 W. Second St., Knox City, Texas, has been promoted to staff sergeant in the U. S. Air Force.

Sergeant Ward is an administrative specialist at Cannon AFB, N. M. He is a member of the Tactical Air command which provides battlefield firepower, precision jet photo reconnaissance and air mobility for the nation's ground forces.

He participated in the Dominican Republic Crisis.

The sergeant, a graduate of Dunbar High School, Munday, Texas, attended Texas Southern University.

His wife, Hilda, is the daughter of Mrs. Virginia Alexander of 204 Lincoln Drive, Clovis, N. M.

MOTHER HAS SURGERY
Mrs. Bill Newcomer and children have been in Vernon with her mother who had surgery recently. Mr. Newcomer joined them there for the weekend.

Make the Wedding Cake at Home

For this most romantic cake, three tiers of golden pound cake are made from a mix. Fresh roses, white or pastel to match the bridesmaids' dresses, garnish the snow white frosting.

CAKE: This cake requires 8 (1-pound, 1-ounce) packages DROMEDARY Pound Cake Mix. Prepare according to directions on the package. Line all pans with wax paper. Bake three 13x9x2-inch rectangular layers using a total of 5 packages of mix: three 9-inch square layers using 1 package of mix for each pan. Bake all layers in a preheated slow oven (325°F.). Bake the 13x9-inch layers for 1 1/4 to 1 1/2 hours and the 9-inch layers for 45 to 50 minutes or until a cake tester inserted in the center comes out clean. Cool slightly in pan. Remove from pan and cool thoroughly. Cut one of the 13x9-inch layers in half and place at end of one of the other large layers. Spread top with frosting. Arrange remaining large layer and half on top. Put two 9-inch layers together with frosting and center on top of large layers. Cut remaining 9-inch layer in quarters. Put two quarters together with frosting and center on top of 9-inch layers. Cover entire cake with an even layer of frosting, smoothing with a spatula dipped in boiling water. Use remaining frosting and pastry bag with rose tip to decorate as shown.

FROSTING: Cream 1 cup white shortening; add 1 teaspoon salt. Gradually add about 1 cup sifted confectioners' sugar, blend well. Add another 23 cups sifted confectioners' sugar (total about 8 pounds) alternately with 10 unbeaten egg whites and 1 cup milk; beat until spreading consistency. If desired, add 1 tablespoon lemon extract. While frosting cake, keep frosting bowl covered with a damp cloth. Cake makes 50 servings.

Best Texas 4-H Achievers Get County, State Awards

If Texas 4-H'ers participating in the 4-H Achievement program live up to past records, nearly 700 will earn the county achievement medal this year. A \$150 scholarship will go to the top boy or girl in the state.

The 4-H Achievement program, conducted by the Co-operative Extension Service of Texas A & M University, is sponsored by the Ford Motor Company Fund. The program encompasses every facet of 4-H work.

Goals sought are successful project completion; leadership development; active participation in school, church and civic events; personal improvement and service to others.

Nationally, more than 2 million boys and girls between 9 and 19 years of age are enrolled in the achievement program.

Winner of the 1966 scholarship was Mike Wheeler, 19, of Donna, Hidalgo County. He is a freshman at Pan American College, Edinburg, majoring in education.

HOME FROM HOSPITAL

Clinton Lewis, who has been ill in the Wichita General Hospital in Wichita Falls is due home today (Thursday). According to members of the family, he will be at the home of his son and family, Mr. and Mrs. Sterling Lewis.

Grahams Take Plane Trip

Mr. and Mrs. L. W. Graham left Love Field in Dallas Tuesday morning to travel by jet to Alexandria, Va., where they will visit their son and his family, Mr. and Mrs. Clyde Graham, Bill, Janet and Susan. Clyde is the director of the watershed planning division in Washington, D. C.

The Grahams plan to be there for three weeks.

Martha J. Jones At Convention

Martha J. Jones, Associate Professor of Pharmacy at the University of Houston College of Pharmacy, was in Corpus Christi July 23-26 to attend the Texas Pharmaceutical Association Convention. Martha served as a member of the TPA committee on Continuing Education. She was also in charge of arrangements for the University of Houston College of Pharmacy Alumni breakfast and meeting at the convention.

Some of the topics discussed at the meeting were Medicaid, Medicare, and Prepaid Pharmaceutical Services. Mrs. Hazel Long and Mrs. Jack Spikes accompanied Martha to the convention. Their return trip included a visit to Houston where the three enjoyed a baseball game at the Astrodome.

Martha is the daughter of Mr. and Mrs. H. M. Jones, and is relieving her father and brother, Henry Jean in the drug store this summer during vacations.

Tax Man Sam Sez:

The Internal Revenue folks point out that thousands of American housewives are tax law violators. These ladies consider themselves community leaders and law-abiding citizens, but fall into the trap of becoming tax law violators by failing to file a household employee's tax return on their maid. There is also a large group who forget to file a household employee's return on the high school boy next door who mows the lawn. If you employ household or yard help, you should get a copy of Circular H from Internal Revenue and see whether you owe social security tax on these employees or not.

IN CANYON

Mr. and Mrs. Eddie Shaver spent several days visiting in Canyon last week with his mother and sister, Mrs. Ed Shaver and Mayme, another sister and her family, Mr. and Mrs. Tom Lair, and another sister and her son, Mrs. John Hansen and Stan of Las Cruces, N. M. Joan Shaver of Amarillo joined the group there, also.

Bob Burnett III In Hospital

Bobby Burnett became ill Saturday and was taken to Wichita General Hospital in Wichita Falls for an appendectomy. In a telephone conversation Tuesday morning, Mrs. Burnett reported that he had had a good night's rest Monday.

Bobby is in room 426.

IN DUTTON HOME

Pvt. E-4 Laurel D. Dutton, who has been stationed at Fort McClellan Alabama, left Tuesday morning for his new assignment at Fort Bliss, Texas, after spending the past 10 days here in the home of her aunt and uncle, Mr. and Mrs. James Dutton. She is the daughter of Mr. and Mrs. Clarence Dutton of Olympia, Wash.

Other recent guests in the Dutton home have been Mrs. H. D. Dutton and Mr. and Mrs. George Williams.

ATTEND REUNION

Mr. and Mrs. James Dutton, Pvt. E-2 Laurel D. Dutton, and Mr. and Mrs. Doug Logsdon and son, Ronnie spent Saturday night with Mrs. H. D. Dutton in Amherst. On Sunday the group attended the Dutton family reunion in Lubbock.

Ronnie Verhalen On Honor Roll

Ronnie Verhalen, son of Mr. and Mrs. Matt Verhalen, has been notified that he was named to the Dean's Honor Roll at Texas Tech the past semester.

Ronnie, a May graduate, made the honor roll every semester while there.

He is leaving for Houston next week where he will be working on his Masters degree in teaching. He is a history major at the University of Houston.

Mrs. H. A. Smith is at the home of her sister, Mrs. Allie Moorhouse in Benjamin.

Benjamin News

Mrs. Bert Marshall

Mr. and Mrs. Si Gholston of Aspermont spent the weekend with their daughter, Mrs. Preston Lindsey, Mr. Lindsey and Debbie recently.

Mr. and Mrs. Joe Gore and daughter, Robin, of Grand Prairie visited their parents, Mrs. Fannie Gilbert and Mr. and Mrs. Dalton Gore, in Vera and grandmother, Mrs. O. V. Chitty, other relatives and friends here last week.

Mr. and Mrs. Bill Steadman and family of Savoy spent the weekend with Mr. and Mrs. Billie Crenshaw and her grandmother, Mrs. Willie Redwine, and friends.

Mrs. Judy Redwine and children of Big Lake visited her mother, Mrs. Zula Conner and Larry and Mrs. Willie Redwine, other relatives and friends here over the weekend.

Mrs. Mae Lowery of Green Fort, and Mr. and Mrs. Homer Parker of Austin visited in the home of Mr. and Mrs. L. A. Parker last week.

Mrs. Hazel Stockton and Mrs. Bud Conner and children visited Mrs. Stockton's parents in Durant, Okla. over the weekend.

Mr. and Mrs. L. A. Parker were in Morton recently visiting Mr. and Mrs. Connie Gray and family and also visited their great-granddaughter, Mellanie Palvada, who was injured in a car wreck, and is a patient in the hospital in Lubbock.

Mrs. Mae Tucker and granddaughter from San Antonio spent the weekend with Mr. and Mrs. J. D. Brown, other relatives and friends.

Mr. and Mrs. Truman Abels and son of Fort Worth visited her grandfather, Mr. Fred Hamilton, and her mother, Mrs. W. H. Ayers and Mr. Ayers and other relatives and friends here a few days last week.

Mr. and Mrs. Raymond Motley of Olton, and Mr. and Mrs.

Carl Motley and children of Olton visited in the home of Mr. and Mrs. A. Barnett and Mrs. W. A. Barnett last week.

Mrs. Bonnie Terry and Vicki and Mrs. Bert Marshall were visitors in Munday and Knox City Saturday.

Mrs. Zena H. Waldron visited in the home of Mr. and Mrs. Jerry Peery and baby in Seymour one day last week.

Mrs. Ed Jones and children of Dallas and Terri Wells of Seymour spent the weekend with Mr. and Mrs. Lovell Brown, other relatives and friends.

Mr. and Mrs. Kidd of Wichita Falls visited with Mrs. Bonnie Terry and other friends in the Courthouse Monday afternoon.

Mr. and Mrs. Sammy Pierce and Keithie vacationed last week in Yellowstone National Park and other points of interest.

Mr. and Mrs. Vernon Benson and children returned last week from spending their vacation visiting Mr. and Mrs. Malcolm Shipman in Flagler, Colorado.

Mike Gideon of Seymour has been visiting Mr. and Mrs. Weldon Gideon the past several days.

Mr. and Mrs. Austin Tomlinson, Jr. of Rhineland visited her mother, Mrs. Gloria Clo-

D. Batemans Buy K. C. Home

Mrs. Bert Marshall

Mr. and Mrs. Dusty Bateman have purchased the residence of Mrs. Bill Sams on East 7th St. here and will be moving to Knox City from the Bateman Ranch east of Benjamin in the near future.

The Batemans have three children, Al, 9, Delacy, 10, and Ed Bateman IV, 3.

Knox City welcomes the Batemans. Two of the children have been attending the Knox City Schools.

IN ANGLE HOME
Guests in the home of Mr. and Mrs. Buddy Angle, Gwen and Stacy on Wednesday of last week were Mr. and Mrs. Bill Stone of the Sanford Ranch near Borger and Mrs. Stone's nephew, Brent Neal of San Diego, California.

The Stones moved from Knox City last year after he resigned as City Marshal.

IN AMARILLO
Mrs. L. N. Bridges, Sr. returned to her home here Sunday afternoon after visiting last week in Amarillo with her son and his family, Mr. and Mrs. L. N. Bridges, Jr.

IN BARNARD HOME
Mrs. Opal Egenbacher of Arlington has been visiting here in the home of her daughter and family, Mr. and Mrs. R. P. Barnard, Jr.

Mrs. Barnard accompanied her home on Monday of this week for a visit.

SUFFERS INJURY
Mrs. Sam Floyd, mother of Mrs. Melvin Lowrey and new resident of Knox City, fell in the back yard of her home on East 7th St. Sunday afternoon and suffered a knee fracture.

Mrs. Floyd was confined to the hospital for several days the first part of the week.

Her husband, Melvin, Lowrey and Betty, one day last week.

IN CROWNOVER HOME

Mr. and Mrs. Leon Wilde of Houston were guests last week in the home of Mrs. Wilde's sister and her husband, Mr. and Mrs. Arthur Crownover.

FROM IRVING
Mrs. Bertha Gothard of Irving was here recently visiting relatives and to attend the Ellis-Childress wedding at O'Brien, on August 5. She had been visiting in Childress with her daughter and family, Mr. and Mrs. Joe Sweeney, Kim and Traci. She had also visited with Mr. and Mrs. Grady Murray and children in Plainview.

IN THROCKMORTON
Mr. and Mrs. Dan Steakley and Sue were guests in the home of her parents, Mr. and Mrs. C. C. Hoge last week. The Steakleys had also spent several days in New Mexico. They left for their home in Temple, Sunday.

FROM WICHITA FALLS
Mrs. C. L. Bailey of Wichita Falls is visiting here in the home of her sister, Mrs. T. S. Edwards.

RETURN HOME
Mr. and Mrs. Jack Wetzel left Monday for their home in Lamesa after a visit here in the home of her mother, Mrs. Bess Benton.

IN STANDLEE HOME
Susan, Robert, and Julie Fowler of Abilene visited several days last week in the home of Mr. and Mrs. John Standlee, Mack and Twyla.

PUBLIC NOTICE

PROPOSED CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor. **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Fund, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price thereof, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portions thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board, such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or draft was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the re-

retirement of any bonds heretofore issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds heretofore issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional \$200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and for the length of time as required by the Constitution and laws of this state.

CARNEY FACULTY COMPLETE

The Carney School, O'Brien, Texas will open its 1967-68 school year Monday, August 28th at 8:30 a.m. Students pre-registered in the spring, therefore Monday will be a regular full day of school. Lunches will be served and buses will make their regular runs. Grades kindergarten through five will report to their home rooms upon arrival at school opening day. Students in grades 6th through 12th will have a brief orientation assembly at 8:30 and from there will meet their regular classes.

New teachers include Jerry Johnston, who will serve as high school principal and coach and will teach science. He taught at Old Glory the last five years. He and his family moved to O'Brien August 3rd and will live in one of the school teacherages. He attended Texas Tech this summer studying biology. C. H. Underwood, member of the Carney Class of 1963 will be the grade school coach and will teach high school English and social studies. He and his wife have moved to O'Brien. Mrs. Buelah Gibson will teach the first grade. She was a member of the Mattson faculty for several years. Mrs. James Draper, a spring graduate of Midwestern University will be the new fifth grade teacher. Mrs. Sue Davis will be the remedial reading instructor.

Returning faculty members include W. R. Baker, Supt.; Frankie Baker, business and English; Keith Fry, science and math; Vesta Reid, homemaking; Jimmy Howell, agriculture; Annie Morgan, 8th grade; Alice Wooten, 4th grade; Eunice Michaelis, 3rd grade; Jeta Plant, 2nd grade; Margie Clonts, kindergarten; Isla Corley, special education; and Dorothy Lamb, special counselor; Maxine Hamilton, librarian; and Elizabeth Acree, school nurse. Lillie Del Hierro will serve as a teacher-aid; Charlene Brothers, School secretary; Adelle Herring and Elsie Pierson will be in charge of the lunchroom program.

The school plans to continue participation in the N. Y. C. and Work-study programs. New programs will include Adult Basic Education Classes which are scheduled to start Sept. 18. Among some improvements to the physical plant is the development of the FFA farm. This project includes the establishment of alfalfa on the three and one half acre farm. The farm has had four cuttings of hay for a total of 750 bales of high quality oats and alfalfa hay this year. Also the chapter is building barns and pens for animal projects. The facilities will be available to FFA and 4-H Club members for project work at nominal cost.

PEP CLUB

CHOOSES UNIFORMS
Members of the PEP Club met with Mrs. Johnny Reid, sponsor, Saturday morning to select uniforms. The girls chose blue jackets and A-line skirts of blue with white shells, gloves and tennis shoes.

Monday night Mrs. Reid and the cheerleaders, Olivia del Hierro, Linda Gutierrez, and Mary Lynn Adkins met the Knox

City cheerleaders at the home of Mrs. Don Whitley to exchange new yell and cheerleading ideas.

Knox City cheerleaders are Velvet Verhalen, Mary Reese, Kathy Verhalen, Linda Martinez, and Linda Large.

4-H SEAMSTRESSES RECEIVE RIBBONS

The 4-H girls whose dresses were judged at the Haskell Co. Dress Review received their score cards and ribbons this week.

Jean Carol Hester, daughter of Mr. and Mrs. Truett Hester, received a blue ribbon and a rating of excellent, scoring 94 out of a possible 125 points.

Vickie Sue Hester, also daughter of the Truett Hesters, Trudy Covey, daughter of Mr. and Mrs. L. A. Covey, and Debbie Rowan, daughter of Mr. and Mrs. Milton Rowan, each received a red ribbon.

These ribbons and records will go in the girls' record books, which are judged at each future event on neatness and content.

ATTEND SUNBEAM CAMP

Greg Covey, Craig Brothers, and Kelly Moore attended Sunbeam Camp at Lueders last Tuesday.

Sunbeam leaders Mrs. Ken Moore and Mrs. L. A. Covey made the trip with the boys. Brother Ken Moore, of the O'Brien First Baptist Church, was camp pastor for the day.

NEW O'BRIENITE

Mr. and Mrs. Sonny Correll have a brand new baby boy, born Saturday, August 12 at 12:10 p.m. The boy weighed 7 lb. 9 oz. was named after his father and grandfather, Andrew Jackson Correll III.

Grandparents are Mr. and Mrs. Jack Correll and Mr. and Mrs. W. L. Conn, all of O'Brien.

ATTEND 4-H DAY CAMP

Trudy Covey, Diane Barnard, Theresa Hodges, Debbie Rowan, Louis Conn and Billy Baker attended the Haskell Co. 4-H Camp at Haskell last Friday. Over 50 4-H'ers from Haskell County took part in the days classes and entertainment.

Making the trip with the children was Mrs. Bill Baker.

HERE AND THERE

Visiting in the John Grindstaff home recently were Mrs. Grindstaff's sisters, Mrs. Bea Wright of Oakland, California and Mr. and Mrs. Eudell Ford of Big Springs. Mr. and Mrs. Raymond Grindstaff of Ft. Worth were also here.

Miss Angella Reid returned home Friday after spending a week with her grandparents, Mr. and Mrs. Robert Mathis of Rule, while her mother was at Dallas with the cheerleaders.

Mr. and Mrs. Ollie Johnson attended the funeral of her uncle, Earl Simpkins, in Stamford last week. Her parents, Mr. and Mrs. Bill Bristow of Clyde were here to visit them.

Mr. and Mrs. Grady Ellis spent several days in Ozona last week resting up from the wedding.

Mr. and Mrs. Don Whitley and children, along with Mr.

and Mrs. Dwight Albus and boys of Munday, and Mr. and Mrs. M. L. Verhalen, Velvet, Kathy and Ronnie spent Sunday in Abilene at the zoo, the amusement park and watching the Gnome Mobile.

Mrs. Avie Barnard is in San Angelo with her son, Gerald and his wife and family.

Mr. and Mrs. Bill Baker went to Ruidoso, N. M. over the weekend to visit his parents, the Roy Bakers and pick up their daughter Timi and Carmen Conn. They traded the girls' brothers for them; Billy Baker and Louis Conn are spending the week and hope to get to the horse races.

Mrs. Ellen Richards of Santa Anna has been here visiting her sister, Mr. and Mrs. R. P. Barnard, Sr.

Mr. and Mrs. S. J. Reeves, Jr. have been to Dallas to get gin machinery. There they met the Dan Talbotts, former O'Brien residents, and visited with them in Wortham. Kathy Talbot and Joanna Gegenheimer modeled back to school fashions at Joskes in Houston last weekend.

Mark Lippard has returned from Dimmitt from visiting with his uncle and family, the Calvin Lippards.

Mr. and Mrs. John Lippard are vacationing in Craig, Colorado. They went as far as Albuquerque with Mr. and Mrs. Jerry Wilcox. Nancy and Jerry will live there while Jerry goes to school.

After visiting their grandmother, Mrs. Claudia Keller, for a month, twins Don and Dan Morgan returned home to Alvin, Texas. Claudia treated them to a jet plane ride home for their birthday. She asked how they liked it and one replied, "I'd rather have ridden a horse."

MRS. EMERSON INJURED

Mrs. Demp Emerson was painfully injured Monday afternoon as she attempted to help her son, J. M. with a combine. Her hand was caught in the sickle of the machine and parts of three of her fingers on her right hand and her thumb on her left hand were severed.

SS Checks To Be Mailed Early

Over 23 million social security beneficiaries who normally find their monthly check in their post box on the 3rd of every month will no longer have to wait until the next day when the 3rd falls on a holiday or Sunday.

Commissioner of Social Security Robert M. Ball announced today that starting with the upcoming Labor Day weekend social security checks will be dated in advance and delivered to the post office early when the 3rd falls on a Sunday as it does in September of this year, or on a holiday.

"Most beneficiaries," he said, "will receive their social security benefit payments for the month of August by Saturday, September 2, rather than Tuesday, September 5, as they would have under the old procedure."

Social Security checks are issued on the 3rd of the month under an arrangement to stagger the issuance of monthly checks from various Federal agencies, so that post offices, the Treasury, and banks will not be overburdened at any one time of the month.

Explaining the reason for the change, Ball said, "Since these monthly checks are the only source of income for many beneficiaries, even a few days' delay can be serious, and this new procedure will eliminate any possible delay."

The new procedure will be used for the second time in December when the 3rd again falls on a Sunday.

IN CROWN OVER HOME

Mr. and Mrs. A. L. Barrow and daughter, Pam, of Amarillo visited here recently with her sister and family, Mr. and Mrs. Kenneth Crownover, Jacqueline and Ginger.

Pam remained as Jacqueline's houseguest for a few days.

Now Cook With Skimmed Milk

New evaporated skimmed milk is so thick you can cook with it. It binds ground beef to make juicier and more tender "burgers." In baked custard, it adds extra milk value without extra fat-calories. It creams coffee perfectly, too. Try the new low-cost, low-fat Pet 99% Fat Free Evaporated Skim Milk.

All-American Burgers

- 1-1/2 lb. ground lean beef
- 2/3 cup evaporated skimmed milk
- 1 Tablesp. instant minced onion
- 2 teasp. Worcestershire sauce
- 1-1/2 teasp. salt
- 1/4 teasp. pepper
- 8 sandwich buns

Mix beef, milk, onion, Worcestershire sauce, salt and pepper. With wet hands, shape mixture into 8 patties. Brown in skillet over medium heat. Turn once. Serve on toasted buns.

Baked Custard

- 2 eggs, slightly beaten
- 1 cup evaporated skimmed milk
- 2/3 cup water
- 1/4 cup sugar
- 1 teasp. vanilla
- few grains salt

Set oven at 350° (moderate). Mix all ingredients in a 1-quart bowl. Pour into 4 custard cups. Set cups in a shallow pan holding 1 inch of hot water. Bake 45 to 50 minutes, or until knife inserted near edge of custard comes out clean. Cool.

"Melanie Meddles"

By Melanie Whitley

If you should hear a low rumble outside one of these days, don't worry, it's neither storm nor riot. It is the collective moan, groan, and/or sign of area schoolteachers getting ready for still another year.

Made my first and last batch of sourdough bread last week. I now know why prospectors were so hardy and their mules so obstinate.

Here is some information I want to pass along to you. Mrs. Barbara Elliott, the Haskell County Home Demonstration Agent, told our HD club that the Johnson Co. was being sued because a certain well-known and much-used furniture polish (I don't want to get in trouble, so I will spell it for you p-l-e-a-s-e) was causing people's furniture to crack by drying it out.

She recommended an oily polish that is mixed with water. She also learned at a furniture dealer's market that all good furniture should be washed with soap and water once a year.

Wouldn't it be nice to save

one bridal shower for the dead of winter?

Must go. The girls are outside "making a cake out of two kinds of dirt" and Chad is trying to undo the insides of my typewriter.

FILM AVAILABLE

Dallas - The Internal Revenue Service has a new documentary film for showing to Civic and other public organizations. The 20-minute color film is entitled "Mission for Millions." A copy of the film can be obtained by a civic organization by contacting Jim Hodges at Area Code 214, RI 9-2481, or by writing P.O. Box 594, Dallas, Texas 75221.

RETURN FROM TRIP

Mr. and Mrs. Bud Carver returned recently from a vacation in parts of California. They visited with his sister, Inez Carver in Imperial, California. Also, Mr. and Mrs. Joe Williams, Mr. and Mrs. Ross Williams, and Mr. and Mrs. Slim Barstow, all of Imperial, accompanied them to Bishop, Lake Tahoe, Los Angeles, Calif., and Reno, Nevada.

Applications Must Be In By August 31, 1967

Ellis Campbell, Jr., Director of Internal Revenue Service for the Dallas District, today reminded persons planning to take the Special Enrollment Examination in September, that their applications must be postmarked no later than midnight August 31, 1967.

The examination is to qualify persons, other than certified public accountants and attorneys, who wish to represent clients in tax matters before the Internal Revenue Service.

Application forms and full information may be obtained from R. R. Bishop, Examination Coordinator, P. O. Box 594, Dallas, Texas 75221, or by a telephone call to Riverside 9-2795. Mr. Campbell said the examination will be held in this District on September 25 and 26.

The completed applications should be mailed to the Director, Audit Division, Internal Revenue Service, Washington, D. C. 20224, Attention: CPA-PO-SEE. A check for \$25, payable to the Internal Revenue Service, must accompany the application.

By Herman Collier

LEAGUE RANCH SILAGE CROP HARVESTED

One very important field crop on League Ranch is Tracy Sorgo, used for Salage. Silage makes up the bulk of steer ration used in League's feed lots.

According to Stanton Brown, Operations Manager of League, 486 acres averaged 16.6 tons per acre. Much of this total acreage where sufficient water reached made a greater yield. One 102 acre block averaged 23.85 tons per acre. The yield on this block was excellent.

Stanton and Jack Idol had previously stated that some ensilage crops may under some conditions make more tonnage than Tracy. They have tried a few other types of larger, courser types but usually had more problems with lodging. In their opinion the quality of Tracy is better than some others they have tried.

\$3,000 Fellowships For Former 4-H'ers

The largest annual educational 4-H grants offered by industry and the National 4-H Service Committee are six \$3,000 fellowships. They are for graduate work and a government study program set up by the Federal Extension Service, USDA. The studies are pursued for one year in Washington, D. C.

Only former 4-H Club members are eligible, and applicants must have completed at least one year of professional extension work. One man and one woman from each state may be nominated for the fellowships by the State Extension Service. Applicants must not be over 32 years of age.

Four of the fellowships are provided by Massey-Ferguson, Inc., and two by the National 4-H Service Committee. Usually three men and three women are selected for the award. In the nearly two decades that the fellowship program has been in effect, 125 persons from 39 states have received the grants.

Among the recipients are: Kenneth H. Anderson ('39), associate director National 4-H Service Committee, Chicago; Dale Apel ('55), associate state 4-H Club leader, Kansas State University Extension Service; Mrs. Jean Shippey Taylor ('40) Arlington, Va., active in educational, civic and cultural pursuits in both Arlington and Washington, D. C.; Ralph Kirch ('59), director of resources, National 4-H Foundation, Washington, D. C.; Ann Thompson ('56'), who received her Ph.D. in education at Oklahoma State University, and is now state leader in home economics at Virginia Polytechnic Institute,

Jack and Stanton feel silage is a must in a feed lot operation.

COUNTY 4-H SEARS GILT SHOW

The Knox County 4-H Sears Gilt Show will be held on the Rhineland Co-operative Gin grounds in Rhineland Saturday, September 9, at 8:30 a.m.

Each of the 5 4-H members with one of these Ducocks will bring his gilt in to be judged. The first place winner will then exhibit his gilt Saturday, September 16, at the district Sears Show in Wichita Falls. The county 4-H Sears show is also to be shown at Wichita Falls.

4-H members to exhibit their Ducocks are Deryl Bruggemann, Bobby Phil Denton, Danny Edrington, Glynn Herring and Randy Reed.

Grain sorghum harvest is expected to get in full swing in the next few days. Although the early crop in the county is real good, a few fields harvested early did not yield as high as some producers had expected. Early reports of 3,000 to 4,500 pounds per acre have been mentioned. Two or three of these producers had really thought the yields would be 500 pounds more.

HERE ON VISIT

Mr. and Mrs. Charles (Rastus) Pack and Pam of Big Lake spent part of their vacation here last week visiting his sister and family, Mr. and Mrs. Larry Don Lain and Patti and other relatives.

Tickets On Sale For ACC Musical

Tickets are now on sale by mail only for the 1967 Abilene Christian College coming musical, "The Unsinkable Molly Brown." All are \$3 for the November performance.

Susan Mansour, a sophomore from Wichita Falls, and Latson, a Houston junior star in the four-night performance.

Directed by Lewis P. Morris, author of the "The Unsinkable Molly Brown" is adapted from a play by Julie Andrews movie, "The Unsinkable Molly Brown." It tells the true story of Molly Brown, an "indomitable person," and her search for "good things of life, not money, but for what money buy."

Ronald Griffith will serve vocal director, producing songs as "She Ain't Down Yet," "I'll Never Say No," "Colorado, My Home" and "John Brown's Soliloquy."

According to Gary McCaskey, director of alumni relations, Abilene Christian, the musical has been "a sell-out all for nights for several years."

Ticket requests should be addressed to Homecoming Musical, ACC Station, Box 9, Abilene, Texas 79601.

RETURNS TO WINK

Miss Margaret Chafin left Sunday to return to Wink for the coming school year after spending the summer here with her parents, Mr. and Mrs. Carl Chafin.

Margaret is P. E. teacher and girls' coach in the Wink school.

The Board of Education of Knox City Independent School District, Knox City, Texas, will have a Public Hearing on the 1967-68 school budget Tuesday evening, August 22 at 8 o'clock in the high school building. Itc.

CARD OF THANKS
We wish to acknowledge with heartfelt appreciation the many kind and thoughtful deeds of our friends during the illness and passing of our loved one and for all the many kind things you did for him. We are grateful to the doctors and nurses for their untiring efforts for his comfort. We deeply appreciate the beautiful flowers, the food, the cards, and the kind words of sympathy.
Mrs. Roy Smith
Mr. and Mrs. A. Coyle
and daughters
The Smith Families

CARD OF THANKS
May we take this means of expressing our sincere gratitude to all who were so kind and thoughtful during our sorrow.
Each gift of food, the flowers, and your words of comfort will always be treasured.
Special thanks to the staff of the Care Home and the doctors and Hospital for your tender care during "Paps'" last years.
The J. C. Saunders Family
The L. B. Saunders Family
The W. T. Wilcox Family
The Frank Woodall Family

RETURN FROM TRIP
Several Knox City couples returned last weekend from a vacation in the Colorado Rockies on a fishing trip. Those making the trip were Mr. and Mrs. N. L. McHam, their daughter and family, the Jack Hamiltons, another daughter and family, the Lorraine Johnsons of Haskell, and the Marvin Graves family. *****

IN FINLEY HOME
Guests in the home of Mr. and Mrs. Horace Finley recently have been her two sisters, Mrs. Frank Acker of Amarillo and Mrs. Lenora Dean of Fort Worth.
The group spent the weekend in Claude visiting Mr. Finley's mother, Mrs. J. J. Justiss and Mr. Justiss. Mrs. Acker and Mrs. Dean left there for Amarillo. *****

IN COMANCHE
Mrs. Bertha Perry spent Wednesday and Thursday of last week in Comanche with her mother, Mrs. N. S. Hicks.

FROM LUBBOCK
Rev. and Mrs. W. E. Lovelace of Lubbock were in Knox City Tuesday attending to business. Rev. Lovelace is pastor of the Bethel Baptist Church on So. Quirt Ave. in Lubbock. The Lovelaces are former residents.

Uncle Sam's Draft Board

Editor's note: Below are questions now being asked at draft boards. The answers are by Col. Morris S. Schwartz, State Selective Service Director, 702 Colorado St., Austin, Texas 78701. He will welcome your questions.

Q—What must I do to qualify for II-S classification as an undergraduate college student?
A—You must file a written request with your draft board after June 30, 1967. At the end of each school year you must furnish the board with convincing evidence that you are continuing to pursue satisfactorily a fulltime course of instruction.

Q—How is the phrase "satisfactorily pursuing a full-time course of instruction" defined?
A—An undergraduate student taking a four-year course must earn 25% of the credits toward his bachelor's degree at the end of his first academic year, 50% at the end of his second, and 75% at the end of his third. If five years of study are prescribed by the school for a bachelor's degree in some field, a student must earn 20% of the total credits toward the degree each year.

Q—What is meant by a "student's academic year"?
A—In determining a student's eligibility for classification in Class II-S (college student), his academic year shall include the 12-month period following the beginning of his course of study.

Talk Explaining New Traffic Safety Laws Offered

Dallas — A new, free illustrated talk explaining the state's traffic safety laws scheduled to become effective August 28th is being offered to service clubs and other organizations by TEXANS FOR TRAFFIC SAFETY.

Taking 20 minutes to present and using 36 colored slides, the speech is titled "Texas On The Move". Slides and scripts will be loaned to responsible groups wishing to put on the program. Free speakers will be furnished if sufficient advance notice is given to TEXANS FOR TRAFFIC SAFETY.

"Our state will soon have some of the most modern traffic laws in the nation but this will not mean much if our state's 5 1/2 million drivers do not know and obey them," Robert F. Miller, president, TEXANS FOR TRAFFIC SAFETY said in announcing the availability of the new talk. He also noted that every motorist in the state will be affected by the new traffic safety laws.

The illustrated talk, with or without a speaker, can be obtained by writing TEXANS FOR TRAFFIC SAFETY, 1406 Tower

Petroleum Building, Dallas, 75201.

TEXANS FOR TRAFFIC SAFETY is the non-profit organization that led citizen support in advocating passage of the new traffic safety laws. It is directed by representatives of the Texas Press Association, Texas Broadcasters Association, Texas Medical Association, State Bar of Texas, Texas Federation of Women's Clubs, Texas Association of Insurance Agents, Texas Automobile Dealers Association, General Missionary Baptist Convention of Texas, Texas Automobile Dealers Association, General Missionary Baptist Convention of Texas, Texas Automobile Insurance Service Office and leading Texas businesses.

Check Your Social Security Account

Are you receiving social security credits for those wages or self-employment income you are earning? Make certain that you are — by checking your social security record in Baltimore, Maryland. Everyone should do this at least every three years.

Edwin Draughton, manager of the Vernon social security office, reminded us of the importance of our social security account. "Most people know that they can get benefits at age 62 or 65 or later but do not fully realize that

the amount of their monthly benefit must be determined from the earnings credited to their social security account," Mr. Draughton pointed out.

Upon request, the Vernon social security office will give you a post card to fill out and mail to check your record. In reply, you will receive a statement showing the total earnings credited to your account. After checking the reply, if you think something is wrong, you should get in touch with the Vernon office immediately. The office is located at 1728 Fannin Street. Office hours are from 8:30 a.m. until 4:45 p.m. weekdays and from 9:00 a.m. until 12 noon on Saturdays.

ATTEND FUNERAL
Mr. and Mrs. Charles Clarke and Mrs. Bill Clarke were in Cross Plains Tuesday of last week to attend funeral services for their cousin, Luther E. Claborn and one of his daughters, Cynthia Ann, both killed in a three-car crash in Tulsa, Oklahoma.
Burial was in Elm Cemetery northeast of Rising Star.

Checks Are A Double Check . . .

It takes both our transit number in magnetic ink and your signature for your check to clear your bank with maximum safety.

Soon counter checks without magnetic ink, customer's drafts or checks with the bank name changed will not be usable. Please use printed checks obtained from your bank, as these are the ONLY checks which will be handled by the Federal Reserve System. These Checks MUST contain the MICR numbers in the lower left-hand corner which identify your bank.

For your money, there safety in numbers — MICR numbers. Thank you for helping us to abide by this regulation.

ALL CHECKS MUST HAVE Magnetic Code Numbers. No more bank drafts after September 1, 1967.

Streams In Desert Places

How sweet is the fellowship we have with our wonderful Lord as we walk with Him through this life. The way may become rough at times and dark shadows cross our path but we have only to remember He is the light and listen to His word. "I have led thee in right paths. When thou goest, thy steps shall not be straightened; and when thou runnest, thou shalt not stumble." Look unto Him that is able to keep you from falling, and present you faultless before the presence of His glory with exceeding joy, to the only wise, God our Saviour, be glory and majesty, dominion and power, both now and forever.

"Don't tell me it won't cost a fortune to modernize my heating system! I wasn't born yesterday, you know!"

Excuse us, Ma'am, but your gas heating contractor or Lone Star Gas may have a pleasant surprise for you.

Let's be realistic. You're just going to have to spend some money to modernize your heating system. But it will probably be a lot less than you think. Especially now during August and September when gas heating contractors have more time to make installations and are offering special savings. There's a wide variety of modern, automatic gas heating equipment to take care of any situation—whether you're heating one room, several rooms or your entire home. Why not get a free estimate? Talk to a gas heating contractor or the folks at Lone Star Gas.

..it's never too late to learn something!"

Report From Sen. John Tower

All of us continue to be deeply concerned about the summer's outbreak of civil disorders and riots. The questions confronting us now center on why these disorders happened.

We have heard a very great deal about the internal, social frustrations that supposedly enrage a few of our people to lawlessness.

But, I would like to suggest to you today that there may well be other contributing causes for this summer's lawlessness—external causes.

I refer to the almost universal feeling that agitation and exploitation of these disorders has been organized and encouraged by forces outside American society—indeed, by forces dedicated to the subversion of American society.

We cannot now say for a fact that this theory of outside agitations is true, but it certainly is one of the first and most important questions to which the congressional and presidential investigators must address themselves.

In many of the cities where disorders have occurred local citizens have witnessed demagogic rabble-rousing by certain unscrupulous spokesmen whose words clearly are designed to inflame passions and to incite small-scale disturbances that can be turned into large-scale tragedies.

For many, many months American citizens have been treated to the "Black Power" harangues of one Stokely Carmichael of the Student Non-Violent Coordinating Committee. More recently, the spokesman for this group—popularly known as "Snick"—has been one Hubert (Rap) Brown.

Those of us here in the nation's capitol were treated just last week to an example of Brown's outright call for violence among Americans. His appearance in a small Maryland town was followed by disastrous fires. His agitation in Washington, itself, was followed by vandalism by teenagers whom police said had just been "rabble-roused a bit too much lately."

The point which our investigations must pin down about Stokely Carmichael and Rap Brown is just this—Do their agitations represent part of an organized, foreign-dominated program aimed at open guerrilla warfare inside the United States?

I can only suggest that as a priority matter our investigators take a close look at what has been happening in Havana,

Cuba, this past week; at who is there; and at the public ties between the Student Non-Violent Coordinating Committee and pro-Communist action groups in Latin America.

The facts of the matter are that in Cuba this week the communist parties of Latin America have been holding a massive conference of what they call the Latin American Solidarity Organization. This Havana communist meeting is dedicated to nothing less than the exportation of communism to a dozen other Latin countries. More important, the Solidarity Conference is talking publicly for the first time of direct subversion inside the United States, including guerrilla warfare.

Present in Havana for this planning session is none other than Stokely Carmichael of "Snick". He has associated his "Black Power" movement with communist aims, and he has called for a "revolution inside the United States, and for the assassination of our President.

This is not Carmichael's first venture into the realm of Latin communism. Last January, in a little-noted but increasingly significant action, Carmichael participated in pro-communist demonstrations against the government of Puerto Rico and then established an official alliance between his "Snick" and the communist-dominated "Independence" movement in Puerto Rico.

On January 26 Carmichael signed a protocol of agreement pledging "concerted actions" inside the U. S. in cooperation with his Latin colleagues. The group with which Carmichael allied his American agitation group had just three days earlier referred to itself as "a bridge over which world revolution can penetrate into the United States."

Thus, the Cuban-organized communists make it no secret at all that their ultimate target is our country. They are busily training revolutionaries to carry Red subversion through our Hemisphere. They pointedly say that "the duty of every revolutionary is to make revolution."

The United States would be blind, indeed, not to recognize the open ties between Cuban communism and the persons who are doing their best to stir up lawlessness and destruction here at home.

Americans do not even like to think about the possibility of internal subversion and internal fighting. But there are those in this world audacious enough to plan for exactly that.

TAKING TIME-OUT- These pretty KCHS cheerleaders were "hard at it" Thursday afternoon in one of their frequent practice sessions when they graciously consented to having their picture made. Standing left to right are Cathy Verhalen and Linda Martinez. Seated (l to r) are Linda Large, Mary Reese, and head cheerleader, Velvet Verhalen.

Texas Faces Another Teacher Shortage This Year Says TSTA

Austin—Texas faces another teacher shortage this year, but the shortage would have been far worse had there been no action by the Legislature in improving teacher salaries, says the Texas State Teachers Association.

The action by the Legislature in providing an average annual teacher salary hike of \$554 is having an early effect on bringing many better teachers back into the classroom, but more are needed. The shortage that will affect Texas schools when they open this September is discussed in an editorial in TSTA's official publication, the Texas Outlook.

The basis for the predicted shortage this September according to the editorial, which was signed by TSTA Executive Secretary Charles H. Tennyson, is the experience being encountered in TSTA's Teacher Registration Service at the Association's Austin headquarters.

Tennyson's editorial said that by mid-July the Teacher Registration Service had fewer teacher applicants for a larger number of teaching positions than at the same time last year.

I believe Americans have every right to demand that this situation be thoroughly examined and explained. Any persons engaged in plots aimed at eventual overthrow of our society are nothing less than traitors and should be dealt with accordingly.

And last year, noted the editorial, "has been acknowledged as a record-breaking year in the teacher supply drought."

The TSTA office is not the only avenue for teacher job applications, but its work load offers strong evidence of the statewide situation, Tennyson wrote.

Many, though not all, Texas superintendents list available teaching positions with TSTA's Registration Service. This year 1,951 vacancies have been listed by superintendents using the service.

The Registration Service, however, has taken only 450 applications. At the same time last year there were 100 more applicants and 300 less vacancies, states the editorial.

The only field in which there appears a surplus of teachers for teaching jobs available is social studies.

The dark side of the ledger shows only four math teachers have registered with 198 vacancies listed in that field. There are 30 science teachers registered for 127 vacant positions.

Other short fields include almost the entire spectrum with girls' physical education and Spanish teachers high up on the list of vacancies.

Even coaching jobs are going begging, apparently. TSTA has only 40 hopeful coaches registered to fill 91 available jobs.

Tennyson concluded "It looks like another mad scramble for teachers this year, without an apparent solution in sight."

"The children will be there when school opens," he said, "but where will the teachers come from? We have the consolation of knowing, however, that the shortage would be far worse had there been no action by the Legislature this year in improving salary schedules."

Mr. Shanklin pointed out that many of the FBI's Special Agents began as clerks in Bureau headquarters. Mr. Shanklin noted that recent high school graduates and returning servicemen who have not yet settled in permanent employment may find careers in the FBI of interest. He said that FBI has need for a limited number of radio operators, in addition to the positions described above.

Dear Editor: For months now we have been sending you releases about the nationwide Peace Corps Placement Test. I thought you and your readers would be interested in the response to notices which you and others have printed. Last year, over 40,000 Americans applied for Peace Corps service. One third took the Placement Test at their local post offices following newspaper notices. The effort of newspaper editors across the nation have been vital to our effort; there are now over 13,000 volunteers at work in 56 developing nations. Another 15,000 have completed two years of service overseas and have returned to the United States. We thank you for being instrumental in helping the developing of other nations and for your continuing cooperation in bringing the Placement Test to the attention of your readers.

Sincerely, Stephen Allen, Director Applicant Services

Baptist Mission Gifts Exceeds Last Year By \$184,458.32

Cooperative Program gifts for the first seven months of 1967 have exceeded last year's gifts for the same period by \$184,458.32, according to a report from the office of R. A. Springer, treasurer of the Baptist General Convention of Texas.

Gifts for the month of July reached \$792,335.74, he said. Total Cooperative Program, gifts for the first seven months amounted to \$7,095,640.92 compared to \$6,911,182.60 given during the same period in 1966.

The Cooperative Program, the missionary arm of Texas Baptists, is a unified budget plan for undesignated receipts. Funds given by individual churches support Southern Baptist work in Texas, throughout the Southern Baptist Convention and in many foreign countries.

Designated giving for the seven-month period reached \$4,032,471.68 compared to \$4,001,027.78 for the same period last year. Designated gifts include the Lottie Moon offering of \$2,772,578.06 and the Annie Armstrong offering of \$667,067.82.

Springer also said total mission giving for the month of July came to \$870,645.86 for a total of \$11,128,112.60 for the first seven months. During the same period in 1966 total mission giving reached \$10,912,210.38.

IN ATTERBURY HOME
Mr. and Mrs. John H. Atterbury, Jim and Jane of Corpus Christi will arrive Thursday to visit with their parents, Mr. and Mrs. John Atterbury.

Their older daughter, Joann, completing her requirements toward a master's Degree at North Texas State University in Denton. She has been awarded a scholarship and will attend the University of Kansas as Law where she will begin work on her Ph.D. in political science. Their older boy, John Henry will be a sophomore at Texas A&M this next semester.

FROM OREGON
Miss Becky Freeman of Beaverton, Oregon, has been a recent guest of Mrs. Marjorie Johnson and also the Harvey Freemans.

IN SMITH HOME
Rev. and Mrs. Jimmy Thomas and two boys, James Dale and Clyde of Breckenridge were here Monday to visit her parents, Mr. and Mrs. Clyde Smith.

The wise guy who said "Go West" never had to figure out how to do it on a cloverleaf intersection.

It's a tough world for the American businessman. Every time he comes up with something new, the Russians invent it a week later and the Japanese make it cheaper.

These Steps Can Prevent A Fire In Your Home

Austin—Three-fourths of the more than 14,000 fires which will strike Texas homes this year are caused by carelessness, says the Texas Insurance Advisory Association.

The possibility of fire in the home can be reduced by making a check of potential hazards and removing them. Here are some tips from the TIAA on how to go about it.

1--Throw out unneeded combustibles, including old newspapers and magazines, discarded clothing, old paint cans, worn-out brushes and other combustibles. Never keep gasoline in the house. Cans of paint and paint brushes you wish to keep should be kept in tightly closed metal containers.

2--All electrical appliances should be checked to see if they are in good condition. Replace cords that are worn or frayed. Have needed electrical repair work done by a qualified electrician. Be sure that cords and appliances have the label or marker of Underwriters Laboratories. Only 15 ampere fuses should be used in the fuse box for regular household lighting circuits, and never substitute a penny for a fuse.

3--Have your heating system checked yearly by a qualified heating man.

4--Keep matches out of the reach of children and away from heat.

5--If members of the family smoke, keep plenty of ashtrays around the house and empty them frequently. Be sure cigarettes and cigars discarded in the ashtray are really out before dumping into the wastebasket. And, of course, never smoke in bed.

6--Know the number of the local fire department, keeping a notation of it near the telephone. If your city has fire alarm boxes, know the location of the one nearest to the house.

7--Have a fire escape plan for your home and make sure all members of the family know the details of it. Practice it. A family should be able to evacuate a typical one-family house in less than one minute.

8--When employing a babysitter, tell her how to get the children out of the house in case of fire. Be sure she realizes that if a fire occurs, she should get the children out of the house first, call the fire department next from a neighbor's telephone and then call the parents.

Although the above steps will prevent many fires, if a family does suffer fire damage, the following should be done, assuming there is fire insurance coverage:

1--Get in touch with your insurance agent at once. He can give you valuable advice on how to minimize further damage and get your claim processed.

Call the utility company to be sure the gas has been shut off. It may be desirable to have emergency electric wiring run into the house. The telephone company may re-route calls to another number.

3--If it is winter, emergency heating of the house should be arranged to prevent freezing of pipes or wet walls. Water used in fighting a fire may have unavoidably collected between walls and this will add to the overall damage if it freezes.

4--Temporary repairs should be made to prevent further damage from wind and rain, such as covering broken windows and holes in the roof.

5--Repair work should be done by a competent contractor. An inexperienced contractor might overlook damage to electrical wiring, furnace or plumbing.

The smart home owner will make an inventory of everything of value in every part of the house, before a fire strikes. Keep this inventory somewhere other than in the house and leave a duplicate copy with your insurance agent.

In order to collect on insurance for the contents of a house, a list of damaged or destroyed property must be provided the adjuster. An inventory made in advance of a loss, together with any documents showing values, will be most helpful.

If you dip the roasting fork in for pretty salads. Pour gelatin mallow on it and hold the fork in place to cut gelatin into small cubes for salads.

Bulletin

Congressman Gram Parsons announced Tuesday REA loan in the amount of \$291,000 to the B-N Electric Co-Op of Seymour to finance 32 miles of distribution line to serve 420 consumers in Belton, Archer, Ford, King, Knott, Stonewall, and Wilbarger Counties.

VISITS MOTHER
Mr. and Mrs. S. E. Parson and Melissa of Odessa spent two days here last week in the home of his mother, Mrs. Zell Park.

SUICIDE FINDINGS
LOS ANGELES, Calif.—Contrary to popular opinion, suicide is not always preceded by visible gloom or dejection. Psychiatrists working at suicide prevention centers have discovered that attempts by patients to take their own lives frequently are preceded by "smiling depression"—a covering-up of inner fears of fallings with an air of good humor.

"Once the suicide has made up his mind to take his life, he may suddenly seem relaxed, even happy and relieved, because he has decided a way out of his agony," according to Dr. Robert E. Liptman of the Los Angeles Suicide Prevention Center.

Here's a good gelatin idea for pretty salads. Pour gelatin mallow on it and hold the fork in place to cut gelatin into small cubes for salads.

FBI Positions Open Now For H. S. Grads

FBI Positions - 1-24-270--

On July 26th FBI Director J. Edgar Hoover completed 50 years of service in the United States Department of Justice. During this period he has seen many crises arise which threatened our security. No crisis, however, has been more critical than that which faces the Nation today, with world conflicts, threats of internal subversion, rising crime rates, and civil disobedience. J. Gordon Shanklin, Special Agent in Charge of the FBI's Dallas Office, which covers this area, advises that high caliber young men and women are needed to fill vacancies at the FBI's Washington, D. C. headquarters and to share in the opportunity of meeting the challenges which are presented.

Mr. Shanklin informed that positions are available for typists and clerks. Starting salaries are \$4269 for typists, and \$3925 for clerks. Applicants must be citizens of the United States, high school graduates, and at least 16 years of age. Additional details, arrangements for personal interviews, and applications for employment may be secured by contacting Mr. Shanklin at Room 200, 1810 Commerce Street, Dallas, telephone RI 1-1851, or by contact with the nearest FBI Resident Agency (Located at Abilene, Amarillo, Ft. Worth, Lubbock, Paris, San Angelo, Sherman, Texarkana, Tyler and Wichita Falls.)

According to Mr. Shanklin, many persons occupying clerical positions in Washington attend the colleges and universities in the Nation's Capital while working for the FBI. Effort is made to arrange working hours whereby any employee desiring to further his education may do so. The FBI also assists employees in locating suitable living accommoda-
