## Greyhounds and Paint Creek to Tangle Friday Nite

The Knox City Greyhounds are in good condition for tomorrow (Friday) night's conference opener with the Paint Creek Pirates. Coaches David Slaughter and Henry L. White reported Wednesday.

The game will be played on the Knox City field, beginning at 8:00 p. m. It is expected to be one of the better games to be seen in the district this season.

Only two injuries were reported on the squad. Jimmy Joe Jones, first-string end, will play despite a broken nose, and Tommy Abe Watson, reserve center, has a chipped tooth which isn't expected to hinder his playing.

The 'Hounds will be outweighed by the Pirates, but what they lack in weight they hope to make up in speed and ball-handling. They have showed up well in their two practice games, coming from 'way behind in the last half to down Harrold, 26-20, and romping over Millersview with the second and third string 'Hounds playing most of the game.

Paint Creek defeated Beulah, 20-0, early in the season. The Pirates showed more power than the score indicates, however, since their second and third teams played much of the time.

Probable starting lineup for the Pirates will be:

	Po.	No.	Wt.
Don Larned	LE	16	162
Bobby Toliver	RE	21	165
Ray Thane	C	20	168
Jim Hokanson	QB	132	
Othella Moody	FB	18	157
Curtis Grand	HB	27	148

Probable lineup for the Greyhounds will be:

	Po.	No.	Wt.
John Ed Smith	C	33	130
John Jones	RE	36	150
Ferry Wilson	FB	38	174
Wallace May	HB	37	145
Guy Robinson	QB	35	140
Jimmy Jones	LE	34	150

## REV. POWELL SERIOUSLY ILL

Word was received here today that Rev. C. A. Powell, pastor of the O'Brien Baptist church, is in a serious condition in Hendricks Memorial Hospital in Abilene.

Rev. Powell, who has been in the hospital for the past six weeks, has not responded well to surgery performed Wednesday morning, friends learned by telephone this morning.

## CUB SCOUTS TO MEET SATURDAY NIGHT

A Cub Scout meeting will be held at the city park Saturday night, Sept. 29. Cubmaster Jeff Graham said today, and all Cubs and their parents are urged to be present.

In the event of inclement weather, Graham added, the meeting will be held in the Legion Hall.

Mrs. Bertha Gothard has announced the engagement and approaching marriage of her daughter, June, to J. B. Molton. The wedding will be held on Sunday, Sept. 30, at 4:00 p. m. in the home of Mr. and Mrs. Alton Leach. Rev. Emil V. Becker, pastor of the Knox City Baptist Church, will read the double ring ceremony.

The bride-elect is a graduate of the O'Brien High School, and for the past year has been employed at Kemletz & Carl Dry Goods.

## HERE ON LEAVE

Pfc. R. Gene Milford, grandson of Mrs. Lela Milford, is here visiting relatives and friends. Gene has just completed nine months of training as Special Radio Intercept operator at Keesler AFB, Miss. After 23 days leave, he will report to Brooks AFB, San Antonio, for eight weeks of Security Service training before further appointment. He also plans to visit his father, R. E. Milford, in Fort Worth, and other relatives at Brownwood.

## Steakley Heads Local Crusade for Freedom

Dan Steakley has been named Knox City Chairman of the Crusade for Freedom, during the drive to raise funds to build and operate two additional transmitting stations for Radio Free Europe.

The Crusade for Freedom organization, headed by General Lucius D. Clay, has received wide endorsement as an effective weapon against communism.

Launched last fall by Gen. Dwight D. Eisenhower, the Crusade now has two transmitting stations for Radio Free Europe—one in Munich and one near Frankfurt—which broadcast to six iron curtain countries. For 11 1/2 hours each day, the stations bring news, information and practical help to people who live under the thumb of Communism. On the programs, Czech exiles speak to Czechs, Poles speak to Poles, Hungarians speak to Hungarians, etc. The broadcasts are entirely in terms of the interests of the imprisoned peoples, designed to keep alive their hope of freedom, and encourage resistance to Communism.

More freedom-stations are badly needed to overcome the enormous propaganda might of the Kremlin, and all Americans, through the 1951 Crusade for Freedom, have an opportunity to help provide at least two more powerful transmitters for Radio Free Europe and to establish a freedom-station in Asia to stop the spread of Communism in the Far East.

"You and I can now strike a direct blow against Communism," Steakley said, "through our membership in the 1951 Crusade for Freedom. Ambassador Joseph C. Grew has said that the busier we can keep the Bolsheviks in their own backyards, the less chance of their starting trouble anywhere else. President Truman has expressed the hope that all Americans will dedicate themselves to this critical struggle for men's minds; and Gen. Eisenhower has said, 'In the battle for Truth, you and I have a definite part to play through the Crusade for freedom.'"

Enrollment blanks are available at Steakley Chevrolet Co., and there is no set amount on membership, Steakley said.

## COTTON HARVESTING GETS UNDER WAY

Local ginners report that cotton being ginned is of fair grade, considering the prolonged drought.

Even though the market has improved, quite a number of farmers are holding their cotton for a higher price, it was reported.

Ginners expect to gin as much cotton this year as last, due to the increased acreage.

Cotton ginned to date was reported this morning as follows:

Brazos Valley Gin, 98 bales. Cotton Growers Co-op, 122. Paymaster Gin, 147. O'Brien Co-op, 790.

## Nine Injured in Auto Collision Saturday Night

Nine people were injured Saturday night in a two-car accident which occurred on the north side of the river bridge between Knox City and Benjamin.

William Griffith Galvan, Latin-American, and three of his children were released from the Knox County Hospital after first-aid treatment and examinations. Mrs. Galvan and another child, and Edward Hale Stephens, Joe Nunley and Donnie Hertel, of Benjamin, were hospitalized, but all have been released at the present time.

Possibly the most seriously injured of the group was Donnie Hertel, who suffered lacerations and internal bruises.

The accident occurred about 11:20 Saturday night. Galvan, his wife and four children were in a 1936 Ford, and the three boys were in a 1951 Mercury, belonging to Jack and Joe Nunley but driven by Stephens.

According to reports, the Mercury struck the back of Galvan's car.

Highway Patrolmen Leady and Brown of Seymour and Sheriff Homer T. Melton of Benjamin investigated the accident, and charges of assault with a motor vehicle were filed by the highway patrolmen in county court against Stephens, who is a member of the Air Force, stationed in Oklahoma.

## SCHOOL BAND STUDENTS ELECT OFFICERS

The Knox City School Band, which now has more than fifty members—not including majorities—elected officers last week for the school year.

Jeanette Hawkins was elected president; Hayden Reeves, vice president; Jean McAuley, secretary, treasurer and reporter; and Wanda Denton, librarian.

The band will begin marching drill soon, in preparation for entertaining football fans during half-time periods.

Once each month, band members in each section will be allowed to "challenge" the others for first position.

Those playing at first position at present are: Clarinet, Peggy Stephens; trombone, Donald Denton; tenor saxophone, Jeanette Hawkins; alto saxophone, Zana Hamm; baritone, Mary Hitchcock; bass, Florene Dutton; French horn, Sue Richardson; flute, Carol Hitchcock; snare drums, Jerrita Land; bass drum, Mary Beth Waldrip; cymbals, Wanda Carol Denton.

## 3 Conference Games Scheduled for Tonight

The 1951 conference football season will open in District 11-B tonight (Thursday) with Benjamin meeting O'Brien at Benjamin, Goree and Mattson playing at Goree, and Vera playing host to the highly-rated Weinert six.

The Benjamin Mustangs have played two practice games, winning over Guthrie 12-0 and dropping a close one to Harrold, 25-28.

The O'Brien Bulldogs have lost both their practice games to the strong St. Joseph's Academy team from Abilene, with scores of 50-6 and 39-17.

The Mattson team, coached by Bill Baker of Knox City, defeated the Guthrie team in their season-opener.

Since the Knox City - Paint Creek game will not be played until tomorrow night, local fans have been invited to see the teams that the Greyhounds will face later in the season.

## LEGION AUXILIARY TO MEET TUESDAY NIGHT

The regular meeting of the American Legion Auxiliary will be held Tuesday night, Oct. 2, at the Legion hall, it was announced this week.

Mrs. Guy Robinson and Mrs. J. M. Averitt will be in charge of the program.

Officers invited new members, especially newcomers to Knox City who are eligible for membership, to attend, and urged old members to be present.

## Business Women's Club Organized Here Monday Night

Mrs. Buddy Mullins was unanimously elected to head the newly organized supper club, for business and professional women, at a meeting held Monday night in the music studio of Mrs. Mabel Pyeatt.

Mrs. Mullins acted as chairman for a round-table discussion on the type of club desired by the women present, and whether or not to organize now or wait until a larger number was present.

Other officers elected were Mrs. Pyeatt, vice-president, and Mrs. Hazel Jones Long, secretary-treasurer.

Members present voted to meet at 7:00 o'clock on Monday nights, twice a month. Membership will be limited to 75 percent business and professional women and 25 percent non-professional women.

Those present for the organizational meeting were Mrs. Mullins, Pyeatt, Long, Rudy Hackfield, John Wilson, Hut Corley, Ruth Wright, Jimmie Branch, and Misses Mammy Shaver and Willie Jones.

The next meeting, for the appointment of Committees and enlistment of members, will be held on Monday night, Oct. 1, at Al's Steak House. Each charter member will bring a guest who is a prospective member, for the supper and business meeting. Names and aims for the club will be submitted by those attending the next meeting.

The supper club is for the entertainment and association of women who, because of their business and professional duties, are unable to be members of other social and civic organizations. It is planned that welfare and community projects will be undertaken by the club.

## LOCAL SCHOOL ALLOWED ADDITIONAL TEACHER

Supt. Harold Barnett reported this week that because of the large enrollment in the local schools the state has approved an additional teacher. Supt. Barnett was to interview a prospective teacher today.

When a teacher is employed the sixth grade, which has 49 enrolled, will be divided into two groups.

Mrs. Annie Bird of Canyon began her duties Monday morning as first grade teacher in the school, replacing Miss Evelyn Hollis, long-time first grade teacher who became ill on the second day of this school term and has been granted a year's leave of absence.

Mrs. Bird has had more than 20 years teaching experience. She received her B.S. degree from Sul Ross in Alpine and holds a permanent elementary certificate. She has also done most of her work on her Master's degree in Elementary Education.

She is a former tax assessor-collector of Collinsworth county and has taught in the Wellington and Shamrock schools. She has established residence at the home of Mrs. Horton.

Supt. Barnett also reported that the first grade, already divided into two groups, may be divided again because of the large transient enrollment. With a census count of only 55 children reaching school age, enrollment in the first grade on the second day of school was 70 and the total has now reached 90.

Another division of the class would probably be made on a temporary basis, Mr. Barnett said.

## LOCAL BANKER TO ATTEND RECLAMATION CONVENTION

B. B. Campbell plans to attend the National Reclamation Association convention which will be held in Amarillo Oct. 17-19. This is the first time the national organization has met in Texas, Mr. Campbell said, and the Amarillo Chamber of Commerce will dish out "hospitality, Texas style", to those attending.

Convention headquarters will be the Municipal Auditorium. Tours to Borger's industrial area and Hereford's irrigated area are being planned.

A reception for Harry E. Polk, North Dakota, president of the National Reclamation Association, will be held Tuesday evening in the Crystal Ballroom of the Herring Hotel.

Mr. and Mrs. Claude Williams have announced the approaching marriage of their granddaughter, Miss Norma Phipps, to Jack Simmons.

Stanley Shipp, minister of the Knox City Church of Christ, will perform the ceremony Sunday, Sept. 30, at 4:30 p. m.

Miss Phipps is a 1950 graduate of O'Brien High School and has been employed at Jones Drug Store for the past year.

## SEWING MACHINE CARE AND USE TO BE DEMONSTRATED

Mrs. U. H. Lea, Homemaking instructor of the Knox City schools, announced Wednesday that representatives of the Singer Sewing Machine Co. of Abilene will conduct a demonstration on the care and use of the machine Tuesday, Oct. 2 at 2:00 p. m., in the Homemaking room of the high school.

Also included in the demonstration, which is open to the public, will be the use of the newest attachments.

"You do not have to be enrolled in the adult classes, which were organized recently, to attend," Mrs. Lea said. "It is not often that we have this opportunity to offer this service free, and if you need any help, we hope you will attend the meeting."

## Oil Notes--

(Note: Some of the reports in this column are as of the Monday preceding publication, while others are unofficial reports obtained locally on Wednesday or Thursday).

In the Katz field west of town, T. P. Coal & Oil Company's No. C-4 State has been gauged at 254.84 barrels of 40 gravity oil in 24 hours through 24-64 choke. Total depth was 5,162 feet, plugged back to 5,098.

Pipe has been set on the company's No. C-2 State, at 5,182 feet, and operators are waiting on cement. Rig from from this location is being moved to the No. C-3 State, which will be another directional hole.

Pipe was set at 5,088 feet on the Katz No. 2 S. S. Dozier, and the casing was perforated with 120 jet shots at 4,802-4,817 feet. The well is flowing into tanks at the rate of 17 barrels an hour through 20-64 choke.

The Katz No. 2 Ed Lewis is below 1,500 feet.

The Katz No. 3 Underwood was cored from 4,821 to 4,830 feet, and showed 5 feet of heavily saturated oil sand and 4 feet of shaly oil sand with light staining. A core from 4,872 to 4,889 feet recovered 12 feet of heavily saturated oil sand and 3 feet of fairly saturated shaly oil sand. A third core, from 4,889 to 4,907 feet, showed spots of light and heavy saturation, with some lime and shale. Operators are drilling ahead to the lower Strawn.

Drilling began Tuesday on the Cary-Christopher No. 1 Mrs. J. T. Orsborn, which is in King County, a mile north of the Katz field.

A rig was moved on location Tuesday for the Thomas D. Humphrey and Humble Oil & Refining Co. No. 1 Beatrice B. Armstrong, a wildcat about 5 miles southwest of town. Location is 3,350 feet from the west and 2,250 feet from the south lines of Levi Jackson survey 52. Scheduled depth is 6,150 feet.

In the North Knox City field, operators are drilling below 3,400 feet on Stanolind Oil & Gas Co. No. 2 G. F. Stubbs, and the Palo Pinto reef lime is expected to be encountered about Sunday.

## Judge's Ruling Favors Knox City In School Dispute

Judge Ben Charlie Chapman of Haskell Friday ruled against a petition filed in 50th District asking an injunction against the Knox City School Board and the Knox County School Board.

The injunction was filed by Munday schools in an attempt to prevent the allocation of some 16,000 acres of Sunset school land to the Knox City district.

Judge Chapman sat on the bench in place of Judge Lewis M. Williams, who disqualified himself. The case was heard August 27.

Judge Williams said this morning that the Munday board has filed notice that they will appeal Judge Chapman's decision.

Sunset patrons on June 16 voted 84-77 in favor of consolidating with the Munday district. The allocation of land to the Knox City district was made by the County Board on petition of approximately 98 percent of the qualified voters in the area involved.

## Knox City Boy Winner in Annual Sears Swine Show

A Duroc gilt exhibited by Emmett Burleson, Knox City 4-H member, was placed first in the 1951 Knox County Sears Swine Show, held Saturday at Munday.

The gilt was bred by Kenneth Hubbard, also of Knox City, and placed over the other seven registered gilts in the show.

Other placings were as follows: 2nd, Harold Allbus, Rhineland; 3rd, John Jones, Goree; 4th, Tommy Decker, Rhineland; 5th, Glenn Bruce, Munday; 6th, William Bellinghausen, Rhineland; 7th, Vernon Davis, Knox City; and 8th, Robert Elliott, Knox City.

The swine show was judged by Frank Martin, Haskell County agent, and was under the direction of W. C. Palmeyer, Knox County agent. The show was sponsored jointly by the Sears Foundation and the Munday CDA.

Burleson's first place gilt will be joined by the Sears boar to be exhibited by Alton Lee Patterson of Vera, and the best pen of three fat hogs, exhibited by Bobby McBeth of Knox City, will be exhibited at the Texas-Oklahoma Fair on Saturday, Sept. 29, in the district Sears Swine Show.

Burleson's first place gilt will be joined by the Sears boar to be exhibited by Alton Lee Patterson of Vera, and the best pen of three fat hogs, exhibited by Bobby McBeth of Knox City, will be exhibited at the Texas-Oklahoma Fair on Saturday, Sept. 29, in the district Sears Swine Show.

## USO FUNDS DRIVE IS UNDERWAY HERE

Curtis Coates has been named chairman for the USO funds drive which gets underway in Knox City next week.

The USO, an organization which played an important part during World War II, has been re-organized in every city, town and community in the United States since the beginning of the Korean conflict.

"Knox City's quota is only \$240," Coates said, "and if each one would make a small donation, the quota could be met in a short time."

Serving on the committee to solicit business men and individuals for funds will be Roy Smith, Dan Steakley and C. J. Reese.

M. Wiggins of Munday is county chairman for the drive.

L. P. Bennett of Plains was a recent guest of his sister, Mrs. W. H. Benedict. Mr. Bennett is an "old timer" of this area and has many friends here.

Do you sometimes feel blue and lonesome? Do you feel as though no one cares or understands your situation? Are you afraid to trust even your closest friend? Are you afraid of what others might say or think of you?  
 Yes, we live in a lonely world full of disappointments and misunderstandings. But let me point you to one who can and will make every hour of your life full of joy and peace. One who will never forsake you, who cares and understands your every circumstance. He is able and willing to take care of your every problem, working things out the best for you. He will take away all your lonesome hours, fill them with a happiness beyond your imagination. His Holy presence is ever abiding and He is a gracious reality. You will find it is divine and you are ever blessed as you yield yourself and accept this Loving Master Jesus Christ. Let Him be the master of your life and He will bring joy to your heart that will give you strength for every day. You will be blessed with an enduring power to overcome every temptation. Your heart will be filled with His divine understanding. You will find a real friendship in your fellowman. A yielded life to God is filled with the fruits of the Spirit which brings living and refreshing waters to a dry and thirsty world.  
 Do as Paul says in Rom. 6:13, "Surrender your very selves to God as living men who have risen from the dead." You know you can trust the man who died for you, for He will guide you by the skillfulness of His hand.

**LOCAL STUDENTS ARE ENROLLED AT McMURRY**

More than 500 students, including Richard Buckley, June Lowrey and Betty Sue Teague of Knox City and W. D. Johnston of O'Brien, have enrolled at McMurry College in Abilene for the fall term, according to Jerome Vannoy, registrar.

Registration will continue through Sept. 28 for both undergraduate and graduate students, though classes are already underway, Vannoy said.

This is the first regular session that graduate courses leading to the professional degree, Master of Education, have been offered at McMurry.

Mr. and Mrs. Jeff Graham and Mr. and Mrs. Doyle Graham were in Abilene Saturday night to attend the McMurry-Midwestern football game.

**SPUR EXPERIMENT STATION FIELD DAY SET FOR OCT. 2**

Ranchers, veterans' classes, vocational agriculture instructors and members of the different agricultural agencies are invited to attend the Spur Experiment Station Field Day, to be held on Tuesday, Oct. 2. The program will begin promptly at 9:30 a. m.

The program will consist of results on methods of controlling mesquite, as well as weed control, soil and water conservation practices, and use of ensilage for feeding beef cattle. Part of the program will be devoted to reseeding of pastures and fertilization.

Those interested in attending are asked to contact County

Agent Bill Pallmeyer, so that a group may be organized to attend from Knox County.

Mrs. Fred W. Dallas, Jr., and

children of Brenham are here visiting her parents, Dr. and Mrs. T. S. Edwards. Mr. and Mrs. Dallas recently moved to Brenham from Tulsa.

**Benjamin Rancher Is State Fair Committee Member**

Jack Idol of Benjamin is a member of the committee arranging for the Boiling Plains area display in "A Storybook of Texas Agriculture" at the 1951 State Fair of Texas, Dallas, Oct. 6-11.

The display, devoted to the agricultural resources of District 3 of the Texas A & M Extension Service, will be a part of a mammoth display covering every section of Texas, telling the agricultural story of each.

The Boiling Plains display will feature beef cattle, varieties of grass, grain sorghums, cotton, alfalfa, wheat, mesquite control and a typical ranch house.

Jack Edwards, son of Dr. and Mrs. R. C. Edwards, left last week for Austin to enroll in the University. Jack attended John Tarleton in Stephenville the past two years.

**TEXAS LAND PRICES UP 12 PER CENT IN 1950**

COLLEGE STATION. — Texas farm and ranch land prices rose an average of 12 per cent during 1950, according to a study made by the USDA and the Texas Agricultural Experiment Station.

An average increase from \$44.44 per acre to \$49.95 was found in a survey made by John H. Southern, agricultural economist with the Bureau of Agricultural Economics, and Joe E. Motheral, associate professor of agricultural economics and sociology with the experiment station.

From studying 24 representative counties, the economists found that the number of land transfers had increased by 30 percent during 1950, and the acreage changing hands increased by more than 30 percent.

A substantial decline in the average selling price occurred in the Panhandle wheat area, the Edwards Plateau and Central Basin, and the Northeast sandy lands, and a slight drop occurred in the High Plains and Trans-Pecos grazing area.

The largest increases occurred in the Grand Prairie, with 49 percent; the Rolling Plains with 34 percent, and the North-central grazing area with 31 percent. Gains of 20 percent or more occurred in seven other areas.

The economists report that since 1939, the beginning of the rise in land prices, a narrowing of the price spread between the "best" and the "poorest" land has been noted in most areas of the state.

In a special study made of the 1950 land market in Jones, Ellis and Nacogdoches counties, Southern and Motheral found that farmers who owned other land were the chief buyers of land, as has been the

case throughout the World War II and postwar periods.

The number of sales increased 80 percent in Ellis county over the 1949 level and acreage sold nearly doubled in Jones and Nacogdoches counties there was little difference in the number of sales and acreage sold during 1949 and 1950.

The average price of land in Jones county increased \$21 per acre over 1949, an increase of about one-third. A slight drop in the average price occurred in Nacogdoches county, while prices in Ellis county continued a steady increase that has been underway since 1942.

Two factors dominating the 1950 land market in Texas were the threat of war and the program administered by the Veterans Land Board, said the economists. "Land prices were quick to respond to the in-

fluence of the sudden outbreak of hostilities in Korea, and they continued to climb for the second straight year."

Under the program administered by the Veterans Land Board, approximately 4,000 farms were bought, and more than \$30 million were spent for land by the Board.
