

Mayor Otis Harbert states that some complaints have been made in regard to dogs running loose within the city limits . . . in that they are causing damage to some yards, flowers and gardens. The City Council has discussed the feasibility of passing an ordinance prohibiting dogs from running loose over town . . . but this would create a hardship, especially on those persons not having a yard fence. The council does not want to pass such an ordinance, unless it is absolutely necessary. So, "city-dads" are making a plea, and asking owners of dogs to cooperate in helping keep their dogs at home, and thus preventing the animals from straying all over town.

Under the tutorage of coaches Ted Darland and Curtis Hines, the Knox City Greyhounds will open the football training season next Monday, August 17. Two-a-day workouts will be held for the 'Hounds until the opening of school. There are a lot of "ifs" to be considered coach Darland said, but this year's 'Hounds will have experience, age and size, and the coaches, along with the fans have high hopes for this year's squad.

From the way things stand now Coach Darland believes Rule and Rochester will be the "strong horses" in this conference this season . . . so watch out Rule and Rochester . . . here we come!

The recorded speech, "The Strangest Secret," and "Pay the Price," by Earl Nightingale famed radio and T-V commentator heard by Lions in a recent meeting gave the "key" to how to make the most of our capabilities, and how to attain the rich, full measure of success and happiness.

Many persons believe that "success" in life is the accumulation of money, stocks, bonds, property, etc., but Mr. Nightingale pointed out that a person who is doing the thing he wants to do, and is happy in his work . . . even though he may not lay up a lot of treasures here on earth . . . still can be termed successful.

It's good to have the nice things in life, but we should all remember that "you can't take it with you," and should give more thought and concern for our fellowman, as we travel down the pathway of life.

Speaking of commentators . . . reminds this scribe of what one potato said about another 'tater . . . "He ain't so smart . . . he is just a plain, old commentator, (common 'tater).

August . . . the hottest month in the year, when 'ole Sol is bearing down with one long, last fling, before the arrival of fall . . . is also the month that more Ladies' coats are sold than any time in the year . . . those in the dry-goods business say.

Which reminds this scribe that Horace Finley blew into the Herald office one day recently . . . with his shirt all wet with perspiration and we asked friend Finley . . . "What he had been doing?" . . . to which he replied . . . "unpacking winter merchandise." Horace went on to say that he unpacked straw hats when snow was on the ground, and unpacked coats in 100 degree weather."

Yep, this is a kinda' mixed-up old world . . . for instance the ladies . . . in order to keep in style must purchase their spring and summer wardrobe in the winter, and in the summer must buy their fall and winter clothes.

The Saturday Evening Post See **KNOW KNOX**, Back Page

Pete Rutledge Speaks To Lions

Using as his topic, "The Good Samaritan," Rev. James B. (Bud) Rutledge, pastor of the Spanglake Baptist Church, Paris, Texas, spoke to members of the Knox City Lions Club, Wednesday noon.

Rev. Rutledge formerly resided at Benjamin and is in Knox City this week conducting revival services at the local First Baptist Church.

Rev. Murrell Johns, pastor of the Knox City Baptist Church, introduced the speaker.

President Doyle Graham announced that the General Telephone Company had donated \$100 to the Lions Club swimming pool fund.

PICTURED ABOVE are the Cardinals, winners in the Little League playoff last week. From left to right, back row: Brack Shaver, Ray Beason, Danny Finstead, Mack Stanley, Robbie Glenn. Front row, left to right: Jackie Fisher, Stan Haasen, Mike Glenn and Ben Smith. Eddie Shaver, manager, is at left, back; and Jack Fisher, coach, is at right, back.

THE RED SOX LINE-UP — Pictured above are the runners-up in the Little League. They are, left to right, back row: Ollie Ray Garrison, Ronnie Johns, Tommie Taylor, Kenny Hickman, Jimmy Howell, Mark Anderson. Front row, left to right: Jerry Howell, Gregg Knight, Jessie Rios, Jerry Myers, Thomas Williamson, Bill Cornett, Paul Rios. Kneeling in front are Gary Garrison and Eddie Knight. At left, back, is Kenneth Myers, coach, and right is Gary White, manager.

Rites Are Held For Brother Of Mrs. Wampler

Funeral services were held at 10 a. m. Thursday, August 7, in Elliott's Chapel of Memories, Abilene, for W. H. Hand, 76, of 1102 Poplar St., Abilene, who died of a heart attack. He is the brother of Mrs. L. A. Wampler of Knox City.

The Rev. Willis P. Gerhart, retired Episcopal minister, officiated. Burial was in Elmwood Park.

Born August 28, 1882 in Ringo, La., Mr. Hand moved to West Texas with his family.

He married Faith French Kemper on September 12, 1925 and made his home in and around Abilene for many years. He was a past chancellor commander of the Knight of Pithias Lodge, Abilene.

He traveled for the Standard-Rice Co., of Houston before his retirement in 1942.

Survivors include his wife and two sisters, Mrs. L. A. Wampler of Knox City, and Mrs. Billy Dunkin of California.

Bobby Tankersley Brings In Season's First Bale Cotton

To Bobby Tankersley goes the honor of bringing in Knox County's first bale of cotton for the 1959 season.

The bale was ginned Tuesday afternoon by the O'Brien Co-operative Gin and weighed 480 lbs. Seed weight was 890 lbs. According to Brooks Campsey the staple was 1" middling.

The cotton was grown on the E. H. Tankersley farm northwest of O'Brien. Bobby's "first bale" was from dryland.

According to records of the O'Brien Cooperative Gin, the bale was one of the earliest on records.

At press time arrangements for first bales of cotton being raised, S. N. Reed said.

Mrs. Philip Colehour Retires After 30 Years As Librarian And Teacher

MRS. PHILIP COLEHOUR

Mrs. S. Philip Colehour (nee Gretchen Howell) has retired as public school librarian, having served in this capacity and as a teacher for thirty years in the public schools of Texas.

She is a graduate of San Angelo High School and has the B. A. degree from West Texas State College, the M. A. degree from East Texas State and the B. S. in Library Science from the University of Illinois Library School. She worked at East Texas State College for seventeen years in which time she served mainly as cataloger in the library, but she also took turns at other duties there, including instruction in Library Science and acting head librarian for one year and three summers.

For the past five years she has served as county school librarian in the schools of Knox County. In this work she received the commendation of Lois Garver the Library Consultant, Texas Education Agency. Miss Garver, in commenting on that place of business along about the same time . . . either late Wednesday afternoon, or early Thursday morning.

Resignation Of Band Director Is Accepted

In a meeting of the Knox City School Board Tuesday night the resignation of band director, Don Davis was accepted. Davis has accepted a similar position at Childress. The band director's position had not been filled at press time.

Other measures acted upon in the Tuesday night session, Supt. E. A. Youngblood said were:

Passed regulation that married students can not participate in extra-curricular activities, or hold office in any class or organization.

Students must have passed three courses in the previous semester, and must be passing three subjects at present time to be eligible to take part in any extra-curricular activities, or hold office in a class or organization.

Adapted the budget for the '58-'59 school year, according to the public laws of Texas.

Quoting from Frederick H. Wagman, Director of The University of Michigan Library, "Somehow we must impress upon the boards of education, the school administrators the taxpayers that the library is more important than the fieldhouse and that reading takes precedence over recreation."

"The next generation," says Mrs. Colehour, "is going to need books and the information that they contain as perhaps no other generation has ever needed them. I only hope that the schools of Knox County and all other counties in our great country will rise to that challenge and provide not just fiction but all kinds of good reading. Young people, we have found, will read good books if only they have the opportunity."

Two Transistor Radios were stolen from two Knox City business establishments last Thursday.

Paul Hoge reported a \$47.50 radio was taken from Hoge's Pharmacy between 9 and 10 a. m., Thursday, and Clonts Hardware and Furniture reported a \$29.50 radio was taken from that place of business along about the same time . . . either late Wednesday afternoon, or early Thursday morning.

Radios Stolen From Two Knox City Businesses

Two Transistor Radios were stolen from two Knox City business establishments last Thursday.

Paul Hoge reported a \$47.50 radio was taken from Hoge's Pharmacy between 9 and 10 a. m., Thursday, and Clonts Hardware and Furniture reported a \$29.50 radio was taken from that place of business along about the same time . . . either late Wednesday afternoon, or early Thursday morning.

Football Practice Will Get Underway On August 17

It's later than you think! Football practice for the Knox City Greyhounds will get underway Monday, August 17, Coach Ted Darland said.

Two-a-day workouts will be held for the first two weeks at 8:30 a. m. and 5:00 p. m.

All participants are requested to have a physical, prior to the opening of football practice, Darland said.

In speaking of the coming football season, Darland pointed out there are a lot of "ifs", but Knox City should have a good ball club. "We have experience, size, and age, but lack of speed and depth in some positions", Darland said.

Rochester and Rule appear to be the strongest competition in district play. Rochester lost only one boy," Darland pointed out.

A "get-together" for parents and interested fans will be held before the season gets underway, so that we can become better acquainted", Darland said.

A list of returning lettermen, position, weight and experience follows:

Three Goree Men Are Fined In Liquor Charges

Fines and costs totalling \$2,121.20 were levied against three Goree men on liquor violations charges Thursday filed before County Judge L. A. Parker. All pleaded guilty.

Bob Elliott, a farmer of Goree, was fined \$1,000 plus court costs of \$32.90 on a charge of selling whisky in a dry area.

Antonio Sanchez, farm worker, of Goree, was fined on three charges of selling beer in a dry area: \$100 and costs of \$33.20; \$100 and costs of \$26.30 and \$500 and costs of \$26.30.

Zeferio Ortis, 18-year-old stepson of Sanchez was fined \$150 and cost of \$26.50 on two charges of selling beer in a dry area.

The charges were filed following joint raids by agents of the Texas Liquor Control Board and officers of the Knox County Sheriff's office.

"All Star" Game Tonight Thursday Brazos Valley

The Aspermont and Knox City "All-Stars" of the Brazos Valley League will play Guthrie and Paducah "All-Stars" here tonight, (Thursday), August 13, on Robin Field.

The return "all-star" match will get underway at 8 o'clock.

'Just Talk' Interviews Lonnie Offutt

Lonnie Offutt (6'-2") and Bill Sladek (6'-5") are pictured above in tall cotton.

Bill Sladek of the SCS office, took us to the farm of L. O. Offutt, who lives one and a half miles north of Munday, last Thursday evening to take some pictures of some real good cotton and the man who grows it.

Bill told us on the way out to the farm that it was some of the best irrigated cotton in the country, hence the story and picture.

L. D. (Lonnie) Offutt, planted April 21, and the cotton was irrigated last week for the first time. The cotton stands approximately five feet and ten inches tall.

There are 160 acres in the home place, and there are 112 acres irrigated at this time. Lonnie has three wells in operation—one six inch well and two five inch wells. Plans call for two or three more wells in the next few years.

A breakdown on the crops grown this year are as follows:

Fifteen acres of cucumbers, 15 acres wheat, six acres watermelons and cantaloupes, 55 of cotton and 21 acres Irish potatoes.

Following the potato harvest, 17 acres of Chinese Red Peas were planted principally as a soil improving crop. Double cropping on this patch will be irrigated also.

As can be seen from the above crops, Lonnie hasn't planted crops that require watering at the same time.

An outstanding point to note for farmers irrigating their crops was brought out in the interview.

Bill Sladek said a lot of farmers had been irrigating too long

Youngsters Asked To 'Turn-In' Baseball Suits

All Little League and Pony League baseball players are urged to bring their baseball suits to the City Hall.

Final baseball games for the season were played Tuesday night of last week with the Cardinals defeating the Red Sox 6-5.

Soil Stamp To Go On Sale Here August 27th

Supporters of Wichita Brazos soil conservation district and persons interested in commemorative stamps will be able to purchase a 4-cent soil conservation stamp locally starting August 27, Jeff Graham, said today.

Although the Post Office Department is printing 120 million copies of the 3-color soil conservation stamp, which portrays a modern conservation farm, the edition won't last long, Graham predicted.

The stamp is being issued at Rapid City, S. D., on August 26 as a tribute to conservation farmers and ranchers, their local soil conservation districts, and the professional conservationists of State and Federal agencies who assist them.

"I'm sure that most everyone in the Wichita Brazos district will want to buy these colorful and historical stamps when they go on sale here," Mr. Graham said.

Those who are interested in a "first-day cover," a souvenir envelope, can mail addressed envelopes plus a refundance for postage, to the postmaster at Rapid City, S. D., who will place the soil conservation stamp on the envelopes, cancel with a special cancellation mark used only on that day and at that place, and mail addressed anywhere in the country, Graham pointed out.

Landowners Knox County To Meet Tuesday Night

Knox County landowners are again reminded of the public meeting to be held next Tuesday night, August 18, at 8 o'clock in the County courthouse, Benjamin.

Purpose of the meeting will be to discuss proposed hunting, fishing and trapping regulations for Knox County.

Scout Jamboree Information Is Now Available

The Northwest Texas Council, Boy Scouts of America is now giving every eligible Scout and Explorer an opportunity to enroll for participation in the Fifth National Jamboree which will see 50,000 boys and leaders camping together at Colorado Springs, Colorado, from July 22 to July 28, 1960.

"Each unit in the Council," said Dr. Joe Steed, of Wichita Falls, chairman of the council's jamboree committee, is being sent information about the jamboree and application forms. We are hopeful that every unit will be represented by at least one member. The national jamboree is an important part of our 50th anniversary celebration."

Dr. Steed said that the jamboree committee is now planning the itinerary of the local contingent. He said the committee realizes that to most of its participants the jamboree and the trips to and from the camp will be a real "mountaintop experience." Literally this will be true, for the 2,000-acre jamboree camp located on the ranch of Mr. and Mrs. R. E. Johnson will be on land over one mile above sea level and within sight of Pikes Peak.

Each participant, Dr. Steed said, will need to satisfy the local jamboree that he has had adequate camping experience to assure his ability to care for himself in the open and that he has cooperative attitude towards his fellow Scouts and leaders.

Each participant will pay his own way, but many deserving Scouts will be aided by their troop, by the troop's parent institution, and by service clubs, fraternal, business, civic, and labor organizations. Some will earn funds by spare-time jobs.

Time To Claim Refund On Farm Used Gasoline

Farm operators have until September 30 to claim a refund of the federal gasoline tax on all gasoline used on the farm, according to Tom E. Prater, extension farm management specialist.

The refund applies to the three cents per gallon federal tax on gasoline which was purchased from July 1, 1958 through June 30, 1959. Those who filed a claim for refund in 1958 will receive form 2240 through the mail. Others who wish to make a claim should ask the Internal Revenue Service to send them one.

The claim should be sent to the Office of the District Director, Internal Revenue Service, Austin or Dallas, depending on whether you live in the southern or northern part of Texas. Claims made after September 30 will not be paid and no more than one claim can be filed for the twelve months period, states the economist.

Farmers who file claims for refund should keep sufficient records to certify the accuracy of the refund claimed. The records should show the purchase dates, the gallons bought and the gallons used on the farm during the twelve months period. Also the gasoline used by custom operators doing custom work for a farmer should be recorded and can be included in the claim for refund, Prater notes.

Excise taxes paid on diesel fuel or special motor fuels for farm purposes can also be recovered. The farmer should ask the dealer to repay the taxes on the fuel bought. The dealer should be furnished a signed statement, showing the name and address of the purchaser, the date of purchase and gallons purchased, adds Prater.

Business Service

BILLY GENE & DWAYNE JOHNSTON, Operators

Why are some farm groups opposed to high support prices for cotton farmers???. It's explained often enough but there still seems lots of misconceptions... many producers think it's enemies of cotton that want to see the price props reduced... actually it's the friends of the cotton farmer... men who want to see cotton prosper and new markets develop... here's what's happened: price supports for cotton have reached the point where outside growths sell cheaper than U. S. grown cotton in foreign markets and where items of man-made fibers (or items using some man-made fibers) can be sold to consumers cheaper than cotton items... this has lost markets for cotton abroad and at home and surpluses have mounted not from over production but from under consumption caused in large part by the high support prices... all of this was predicted many years ago... we know of a cotton merchant who back in the '30's spelled out most of the problems that face U. S. cotton today... it's all caused by trying to ignore the law of supply and demand... we feel that the farmer is due some protection as long as other segments of the economy have protection... but if this protection continues in the form of price supports that are far above the world market value of the product, cotton will remain enmeshed in an unsound economic program.

Farm Cash Up

Farmers are receiving about two per cent more income from livestock and crop sales this year than during like period last year... despite predictions that at the end of 1959 the farmer will be in worse shape than at the end of 1958.

Rules Tightened

Soil bank rules now prevent state-owned lands from being put into the soil bank... this may stop some renting of land from the state at 25c per acre and putting it into the soil bank for \$8 an acre... wonder if you can still put the unused part of a cemetery in the bank... some town did that, you know!!!

How Big??

Ever wonder how big a farm is??... unless it's 10 acres or produces at least \$250 worth of agricultural products, it's not a farm... that is the standard the Bureau of Census will use next fall... time was when three acres made a farm.

Poison Pays

Recent study on control of weevils shows that in the controlled areas enough extra cotton was grown to pay the cost of controlling the weevils several times.

HOUSTON VISITORS

Mr. and Mrs. Ken Clonts and sons of Houston were week end guests of his parents, Mr. and Mrs. W. E. Clonts.

Yarborough-Johnston Bill Would Mean More Income For Farmers

The Senate has passed and sent to the House for action a bill which can mean additional millions of dollars of income to farmers each year.

This additional income from the farmer would come from finding and developing new uses for farm products.

Senator Ralph Yarborough co-sponsored the bill with Senator Olin Johnston of South Carolina. It passed the Senate last session, but died for lack of House action.

Under this proposal an Agricultural Research and Industrial Administration would be established under the Department of Agriculture.

The Administration is charged with conducting basic research to find new industrial uses for farm products, particularly those products which are heavy surplus.

The proposal takes a realistic and scientific approach to helping solve some of our most pressing agricultural problems. With the hard times on the farms in many areas, we are overdue in starting concerted scientific research programs to help meet the problems. We have scientific research programs to develop methods of farm production; we need scientific research methods to develop uses for farm products.

There is strong indication here that the House will go ahead with passage of the measure during the current session.

Now—call long distance anywhere with a Telephone Credit Card

You're welcome to use anyone's phone—no embarrassment with your host—no need to reverse charges, either—with a Telephone Credit Card taking care of all charges on your long distance calls.

It not only makes phoning faster—but the charge, placed on your home or office phone bill, is a record for accounting purposes.

A General Telephone Credit Card is good anywhere in the country. We'll be glad to issue one to you—without charge—if you'll phone our Business Office.

B-K Electric Cooperative's Annual Meeting

The members of the B-K Electric Cooperative, Inc., will hold their annual meeting on Thursday, August 20th, 1959, in the football stadium in Seymour, Texas.

The Administrator of the Rural Electrification Administration of Washington, D. C., David Hamil, will be the speaker at this meeting.

The members cordially invite the general public to come to the meeting and see and hear Mr. Hamil.

Entertainment will be furnished by Bill Mack and his band, "The Saddle Pals", also on his show will be the lovely and talented singer Raina English. This entertainment will be furnished before the regular business session. Bill Mack has won national acclaim through his radio and television shows.

The first 500 members who register will be given attendance awards. Gifts will also be given the children.

Registration of the members will begin at 6:00 o'clock P.M. and the business session will be held at 8:00 o'clock P.M.

Don't forget the date, Thursday, August 20th, 1959.

SCHUMACHER-OSAK WEDDING VOWS ARE REPEATED IN RHINELAND

Nuptial vows repeated Saturday afternoon in the St. Joseph Catholic Church in Rhineland united Miss Jean Orsak and Alois Schumacher.

The double ring ceremony was performed by Rev. Anthony Schroeder, church pastor.

The former Miss Orsak is the daughter of Mr. and Mrs. W. L. Orsak and the groom is the son of Mrs. Emma Schumacher, of Rhineland.

Traditional wedding music was provided by the Rhineland Choir and Mrs. Leo Fetch, organist.

Servers at the nuptial mass were Billy and Henry Fetch, cousins of the groom, and Wayne Bickenfeld.

The bride and groom knelt on a white prayer bench with gladioli and palms arrangements extending from either side. The altar was flanked by baskets of similar flowers.

The bride, given in marriage by her father, was attired in a floor-length original gown of imported French Chantilly lace and tulle over bridal satin, featuring a scalloped Sabrina neck line, a molded bodice, tapered sleeves extending to points over the hands, and a bouffant skirt featuring ruffled panels forming scallops around the hem. Her four-tiered veil of French illusion was attached to a Victorian cap of matching lace, embroidered with seed pearls forming tear drops, and she carried a Colonial bouquet of cascading white roses centered with a white orchid.

Miss Irene Kunetka, Louise, Texas, served her cousin as matron of honor. She was attired in a dress of light blue chiffon over taffeta accented with a lace jacket piped with satin, her headpiece was of white lace and she carried a Colonial bouquet of blue carnations. Miss Sammie Bates was the bridesmaid. She wore a dress identical to that of the matron of honor and carried a bouquet of white carnations.

Albert Schumacher, brother of the groom was best man, and

Page Reunion Will Be Held Sunday

The annual Page reunion will be held Sunday, August 16, at the home of Mrs. Ida Page, here. Friends are invited to attend, bring their lunch and enjoy the day of fellowship with the Page relatives.

BACK FROM VACATION

Mr. and Mrs. Doyle Graham and family have recently returned from an extended vacation in Bucklin Kansas, where they visited the Bedford Smith Family. They also visited friends and relatives at Rocky Ford, Colorado, Salt Lake City Utah, Coeur d'Alene, Idaho, and Spokane, Washington. They returned by way of Redlands, California, and visited the Oxnard Naval Base, Las Vegas, Nevada, Hoover Dam Arizona, before returning home.

VISITING HERE

Mrs. Billy Duncan of Los Angeles, California is here visiting Mrs. L. A. Wampler.

Billy Redder, cousin of the groom was groomsmen. Ushers were Maynard Moore, Rhineland, and Ernest Orsak Jr., Seymour, cousin of the bride.

A reception was held following the wedding in the Knights of Columbus Hall which was followed by a dance in the Rhineland Parish Hall. Miss Betty Lou Kunetka of Louise registered the guests.

The former Miss Orsak is a 1939 graduate of Goree High School and the groom is a 1957 graduate of Rhineland High School.

The couple plan to establish residence in Canyon, where Mr. Schumacher will be employed. Mrs. Schumacher will attend West Texas State College.

Cardinals Celebrate Victory With A Watermelon Feast

Little League winners for the 1959 season (The Cardinals) were entertained with a watermelon feast at the Knox City Park Wednesday evening of last week.

Players present were Robbie Glenn, pitcher; Danny Finstead, first base; Jackie Fisher, second base; Mack Standlee, short stop; Stan Hansen, third base; Brack Shaver, catcher; Mike Glenn, right field; Ray Beason, center field; Ben Smith, left field and bat boys, Rickie Reed and Lynn Beason. Eddie Shaver a member of the team was not present.

Also present were mothers and dads of the players including Mrs. Leo Beason, Mr. and Mrs. Eddie Shaver and Joan, Mr. and Mrs. John Standlee and Tywia, Mr. and Mrs. Z. I. Smith and family, John Hansen and Jan, Ed Shaver and Tommy Lair of Canyon, Robbie and Danny Robertson of Wichita Falls, Mr. and Mrs. Jack Fisher and Danny, Mrs. Stella Carver and Barbara, Mr. and Mrs. Finstead and family.

THE LOVELACES

Linda Sue Leaverton And Dan Weldon Blanton Married Saturday

Linda Sue Leaverton and Dan Weldon Blanton were married Saturday, August 8, at 8:00 p. m. in the First Christian Church of Knox City.

The double-ring ceremony was read by the Rev. Karel Desgrange, pastor. Parents of the couple are Mr. and Mrs. Sam Leaverton, Benjamin, and Mr. and Mrs. Horace Blanton, New Castle.

Wedding music was presented by Mrs. J. M. Bradberry, pianist, and John Hansen, soloist, both of Knox City.

Decorations at the church consisted of a white arch entwined with greenery and white gladioli and centered with white wedding bells. Floor baskets of white gladioli were on either side flanked by candelabra holding white tapers.

Best man was Bill Hearne of Newcastle; Larry Thetford and Nickie Leaverton, brother of the bride of Merced, Calif., were ushers.

Candlelighters were Gary Pinkerton, nephew of the groom of Winters and Walter Warren, Benjamin.

Flower girls were Cindy Pinkerton, niece of the groom and Loree Warren. They wore blue net dresses over taffeta.

Ring bearer was Mike Desgrange. Maid of honor was Glenda Cox, Benjamin, and Barbara Waldron, also of Benjamin was bridesmaid. They wore dresses of pastel green and blue nylon over taffeta, styled identical with fitted bodice and full skirt with matching hats and white gloves. Their flowers were white pompoms. The bride

SS Plans Faster Payments For Retired Workers

Workers planning to retire should file their claims for Social Security Benefits from 60 to 90 days before that date. This will enable the Social Security Administration to make more prompt payments to people in this area; said Jess Fowler, Field Representative, out of the Wichita Falls Social Security Office.

Those retiring now should bring some old record to show their age, and their 1958 W-2 form if salaried, or their 1958 income tax return if self-employed. For proving their age, any record over ten years old showing the person's date of birth would be helpful.

In the past, most workers have delayed filing their claims until they had retired. Under the new plan, Fowler said that most workers will get their Social Security Benefits promptly after retiring.

Fowler is in Knox City at the New City Hall twice each month.

Bill Mack To Appear At B-K Electric Meet

The "Bill Mack" show from Lubbock is scheduled for an appearance in Seymour on Thursday, August 20 under the auspices of B-K Electric Cooperatives annual meeting.

Bill Mack has won national acclaim through his radio and television shows and also via his Starday and Imperial records. Appearing with Bill will be his band, The Saddle Pals. This is the same band that accompanies Bill on his records and on his Friday night television show on the West Texas Television Network.

Incidentally, this is the only network country music show originating in Texas. The show is carried by several stations in Texas and New Mexico.

Bill Mack was voted as one of the top ten country disc jockeys in the nation in 1957. He is heard daily over KDAV in Lubbock.

Bill has also had some forty record releases. Many of them national hits. He currently re-

Goree Counselors Return From Camp

Samye Bates and Ruth Ann Beatty have returned to their homes in Goree after serving as counselors for four weeks at Camp Davis, N. M.

Miss Bates, daughter of Mr. and Mrs. Reuben Bates of Goree, served as head counselor and Miss Beatty, daughter of Mr. and Mrs. Harold Beatty, also of Goree, served as co-counselor.

Both are graduates of Goree High School and are juniors at McMurry College in Abilene.

While at the camp they made a trip to Santa Fe and went on a 3-day pack trip to the mountains. As counselors they participated in the training of all girls' activities.

Records for Starday Records of Nashville, Tennessee.

Also on the Bill Mack Show will be the lovely and talented Raina English. This personable young lady is talented with one of the best popular singing voices in the nation.

The Bill Mack Show will feature music, comedy and fun for all.

Bel Air 4-Door Sedan with sleek Body by Fisher

smoothest ride!

One of the 7 big bests Chevrolet gives you over any other car in its field

Anyone who's ever taken a Chevy over a choppy country road can tell you how lightly Chevrolet's Full Coil suspension handles rough going—and coil springs never squeak, never need grease! Try this velvet way of going for yourself. Once you do, you'll find your own way of saying what MOTOR TREND magazine puts this way: "... the smoothest, most quiet, softest riding car in its price class." But the happiest part of it all is that this Full Coil ride is just one of seven big bests—all documented by published opinions of experts and on-the-record facts and figures.

BEST ROOM—Official dimensions reported to A.M.A.* show that Chevrolet sedans offer more front seat head room than all but one of the high-priced cars—more front seat hip room (by up to 5.9 inches) than the "other two" of

the leading low-priced three.

BEST ENGINE—Chevrolet engines have long won expert praise from virtually every automobile magazine, and, just recently, Chevrolet received the NASCAR† Outstanding Achievement award for "the creation and continuing development of America's most efficient V-type engines."

BEST ECONOMY—A pair of Chevrolet sixes with Powerglide won their class in this year's Mobilgas Economy Run, topping every other full-sized car. And the winning mileage was a whopping 22.38 m.p.g.

BEST BRAKES—Chevy's bonded-lining brakes are the biggest in their field, built for up to 66% longer life. In a direct competition conducted by NASCAR, Chevy out-stopped both of the other leading

low-priced cars in a test of repeated stops from highway speeds.

BEST STYLE—It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

BEST TRADE-IN—Any N.A.D.A.‡ Guide Book can give you the figures on Chevy's extra value. You'll find that Chevrolet used car prices last year averaged up to \$128 higher than comparable models of the "other two." Your Chevrolet dealer will be happy to tell you about a whole host of other advantages besides these seven. Why not drop by his showroom?

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
TEXAS PRESS ASSOCIATION

STIN, Texas — Quiet has settled over Texas' Capitol Hill after 202 days of hubbub.

As legislators packed up to go home, directors and employees of state agencies were filling scratch pads with figures. For most state-supported activities, the new budget which goes into effect September 1 will mean more funds. Altogether, \$390,000,000 more.

There were some disappointments, of course, in the appropriations bill. Many programs got less than had been asked for, some salaries were cut, and there were riders and restrictions in other activities.

But, overall, there was more relief and rejoicing than tears and complaining. Most seemed to regard the new budget as the best that could be hoped for in such a "hard year."

For their parts, lawmakers were eager to get home and "mingle with the folks." Ahead lie probable showdowns on new spending for welfare and public schools, and, always, the inching up every two years in general spending.

BUDGET BREAKDOWN—Texas' new record high budget of \$2,418,000,000 was reported out after 95 days of haggling in conference committee.

But once out, it zipped through both houses, with only 8 dissenting votes in the Senate and a 108-to-30 vote in the House.

Spending from the general revenue fund, the state's multi-purpose housekeeping kitty, totals \$322,800,000. This is up \$42,000,000 from the present biennium.

To show how hard up the state was, more than 56 per cent of total general revenue spending—or \$185,000,000—will have to come from the new tax bill passed this session.

Here's how the pie was finally sliced on major items:

PUBLIC SCHOOLS—Received an appropriation of \$774,904,500, an increase of about \$85,000,000, mostly because school spending has an "escalator clause" which ties it to enrollment.

HIGHER EDUCATION—Got the biggest increase from the general revenue fund of any program. It was boosted by more than \$12,000,000 to a total of \$130,933,424 for the state's 18 tax-supported colleges and universities. Increase was only about half what was asked by the Commission on Higher Education.

University of Texas officials saw one of their fondest dreams come true in that the "available fund" (income from the University's permanent fund) was left

free for buildings and "excellence" programs.

HOSPITALS, Special Schools, Youth Council—Allotted a total of \$90,456,554, an increase of \$9,348,252.

This is to be used to improve medical care in state hospitals and to build a new mental hospital at Denton, a new dormitory for delinquent boys at Gatesville school and a new building at the Gainesville School for Girls. It will also cover some salary increases and cost of some repair and remodeling in the vast hospital and school systems. It does not allow for setting up the juvenile parole system ardently desired by the Youth Council and recommended by Gov. Price Daniel.

STATE EMPLOYEES—Lower-bracketed employees, from \$2,400 to \$6,000 annually, will get a \$180 a year raise. It's not a lot—\$15 a month more in the employees' pay envelopes but it will cost the state about \$14,000,000 for the two years.

JUDICIARY—Will receive \$9,336,769 from general revenue, a \$312,779 increase. Most of this goes for new district courts plus briefing attorneys and secretaries for the Supreme Court.

PRISON SYSTEM—Operating budget increased by \$2,800,000 plus \$7,720,000 to provide additional buildings for a prison population soaring toward 11,000.

LIVESTOCK DISEASE—A new program to control brucellosis was tabbed for \$239,960, considerably under \$2,170,000 requested.

STATE ADVERTISING—State Highway Department was authorized to use \$100,000 to lure tourists and the Texas Industrial Commission \$20,000 to seek new industries.

CONSTITUTION—Texas Legislative Council was given \$50,000 for a study of the State Constitution with a view to revising it.

INSURANCE DEPARTMENT—All the furor over top officials' salaries brought little change. Commissioner of Insurance William Harrison was cut from \$20,000 to \$15,000 a year; the three board members, from \$15,000 to \$14,000.

BUILDING PROGRAM—To further the Capitol expansion program, \$2,753,000 was appropriated for buying land, \$2,924,000 for a second state office building.

WATER PLANNING—Board of Water Engineers was allotted \$2,037,000, an increase of \$200,000, but nearly \$800,000 less than requested. It will allow for some salary increases for board members and engineers and mapping to locate future damsites.

Truscott News

Mr. and Mrs. W. W. Walker of Willow, Oklahoma, spent several days this past week visiting relatives and friends, here.

Mr. and Mrs. Marion Chowning, Jr. and children, Douglas, Sandra and Carroll spent Friday night and Saturday visiting in the home of Mr. and Mrs. Bill Jones in Wichita Falls. Carroll remained for a longer visit.

NO VACATION FOR VITAMINS

Many of us take vitamins during the winter to build up resistance to colds and other winter miseries. But, comes summer, too often our vitamins are stored away with mothballs.

The need for vitamins does not automatically disappear with the season.

Summer, with its strenuous outdoor activities and vacation sports consumes our reserves; and the torrid hot spells rob many people of their usual vitality.

Normal appetites wane as the thermometer rises. Diets often become lop-sided—with further effects on general good health.

Summer is the time to continue taking vitamins to build up resistance for winter months. If you have been taking vitamins, don't stop now! And, if you haven't, why not check with your physician on the advisability of beginning now. Let him also suggest the formula that is best for you and for your children.

We at Hoge's feature a full selection of nationally known vitamins from makers of the highest ethical and pharmaceutical standards.

Protecting your health is the life's work of your pharmacist. His skill and trust are devoted to you and your community.

HOGES PHARMACY

Quarterback Club Membership Lags

A check with the "scoreboard" at Jones Drug, just prior to press time revealed membership in the Quarterback club stands at 74, however with the opening of football practice Monday of next week, membership is expected to really start climbing.

President Chad Wilson is hoping to have at least 200 members in the club by September 1.

Membership cards which are \$3.00 a year, may be purchased from the membership committee composed of John Robin, Bill Anderson, Fuller Shannon, Paul Hoge, W. J. Roddy, Henry Gene Jones, Henry L. White or any member of the club, Wilson pointed out.

Just Talk--

(Continued From Front Page)

a row at one time, this was proven by Lonnie this year. For two years Lonnie has been running water on a 1400 foot row, and has been cutting the distance in half—approximately 700 feet at a time.

Just as an experiment, Lonnie tried running water the full distance, and then cut back to the method recommended and used prior to this time and discovered he could irrigate in half the time. There is, of course, a great saving in water by following this method.

Lonnie pointed out that he was unable to run water the full 1400 feet, and that he has 20 acres of cotton suffering because he lost time and water, in the above trial.

Both Sladek and Offutt agreed that too many farmers are trying to run water over too long a strip at one time. This has proven to be both time-consuming and costly.

Lonnie has been farming in Knox County since 1919. He is serving on the Wichita Brazos Board, and has two more years to serve on a five year appointment. He is also a director of the Farm Bureau.

On March 19, 1941, Lonnie purchased his farm on the Tennant Purchase Plan, which allowed a tenant farmer to own his own farm. Under this plan farmers were allowed to buy a farm and have 40 years in which to pay for them. Lonnie said he paid for his place in three years.

"I didn't have any money when I bought the farm—just a lot of farming experience, and a will to have a place of my own," he said.

"There were 18 farmers who took advantage of the purchase plan the same time I did, and there were several more signed up after that," he continued.

In February, 1952, Lonnie drilled his first well. This was the third irrigation well drilled in Knox County. The first well was drilled or dug, by E. G. Parkhill in the Gillispie Community sev-

Gillispie Baptist Church Revival Begins Sunday

The Rev. Clyde Cook, pastor of Trinity Baptist Church in Stamford, will be the evangelist for summer meeting at Gillispie Baptist Church, beginning Sunday, August 16, and continuing through Sunday, August 23. Morning services will be held at 10:30 daily. Evening prayer services will begin at 7:30 p. m., with the preaching service at 8 o'clock.

Rev. Cook, who formerly was pastor at Brushy, Hodges, and Santa Cruz, California, attended school at the University of Oklahoma, Hardin-Simmons, and Southwestern Seminary. He is married and has two daughters.

Music director for the services will be Joe Earp, with Mrs. Bill Everett and E. G. Parkhill serving as pianists.

The Gillispie Church and its pastor, Marvin E. Burgess, cordially invite the public to attend this series of meetings.

eral years before anyone else brought in an irrigation well.

Lonnie has nine oil wells of which one-fourth of the royalties are donated to Abilene Christian College.

When asked what accomplishments he was proudest, without hesitation he exclaimed, "Buying my farm the way I did, and being Pool Master of the Little League this year. I have thoroughly enjoyed working with the 122 boys in the League and also I'm proud of the brand new baseball field we built this year."

According to our city marshal's wife, Mary Hope Carr, the difference between "unlawful" and "illegal" is that it is against the law if it is unlawful, and "illegal" is a sick bird... which is about the sickest, or... illest... joke we've heard all week... oughta be a law agin 'em.

Eddie, Mary Hope, and daughter, Candy, have recently returned from a trip to Carlsbad, N.M., where they visited the Caverns. Mary Hope reports she was very much impressed with all the bats... and the modern facilities at the caverns.

In our estimation, it takes will power to do Christmas shopping in August. Usually its midnight Christmas Eve before our presents are bought and wrapped... but there is a rumor going around K. C. that Ruth Woodward is right in the middle of her Xmas shopping! Which reminds us... in case no one has counted them... there are only 111 more shopping days until Christmas!

Pleasant sights around town—A small Latin-American boy giving alternate licks of his chocolate ice cream cone to his smaller sister... The lady in the yellow and white car who stopped, then parked her car, got out, and picked up the puppy that was in the middle of the sidewalk out of danger... The beeeaaauutiful sun tan Betty Williams has acquired this summer... All the kids splashing around in the new swimming pool... And the pleasant smile Fay Graham always greets you with at the Post Office.

Know Knox--

(Continued From Front Page)

reaches subscribers and most of the newsstands along about Tuesday of each week prior to the Saturday dateline carried by the magazine. So, if you buy a Saturday evening Post on Saturday, your magazine will be nearly a week old because Saturday's, Saturday Evening Post comes out on Monday or Tuesday.

And so 'round and 'round she goes... and where she stops nobody knows. For instance if you want to buy one of your favorite magazines "this" month it will be "next" month's publication that greets you on the shelf.

And by the way... there is a Wednesday Study Club in a nearby town that meet on Thursday.

Shrine Club Hosts Picnic At Lake Stamford, Sunday

Wichita Falls Maskat Temple Shrine Club was host to a picnic at the Stamford Lake Sunday.

A catering service from Wichita Falls prepared food for the event.

Shriners from Knox City attending the picnic were Mr. and Mrs. Otto Lawson, Mr. and Mrs. Charlie Clark, Mr. and Mrs. John Egenbacher, Mr. and Mrs. Bill Clark, Mr. and Mrs. A. V. Kemletz, Mr. and Mrs. Skeet Carpenter, Mr. and Mrs. Olee Watson, Mr. and Mrs. Louis Parker, of Benjamin, Mr. and Mrs. E. J. Herr and Mr. and Mrs. Otis Harbert.

The above Shriners were accompanied by guests.
