## Mrs. Belle Carpenter

Funeral services were conducted for Mrs. Belle Carpenter who died June 9th at Tulsita Texas, in the First Methodist church of this city on Monday, June 11th. Reverend R. R. Gilbreath conducting the services. Interment was made in the Odd Fellow Cemetery also of the city.

Mrs. Carpenter was born in Williamson county Texas in 1872. In 1891 she married Mr. C. C. Carpenter to which union four children were born. They are Gordon, Edwin, and Leo Carpenter and Mrs. R. W. Land. She with her husband and family came to Knox county in 1905 where she lived until her death. At the time of her death Mrs. Carpenter was visiting her daughter Mrs. Land in Tulsita Texas.

Mrs. Carpenter was a member of the Methodist church, joining at the age of 23 years. She was preceded in death by Mr. Carpenter. The couple were pioneers in the county and following his death in 1919 she continued alone in her life of usefulness.

She is survived by her four children Gordon of Sanderson Texas, Edwin of this city and Leo of Iran and Mrs. Land of Tulsita; also four sisters and five brothers, ten grand children, other relatives and a host of friends. Out-of-town relatives in attendance at the funeral services besides her children were one brother W. W. Woodward of Jarrell Texas; 3 sisters, Mrs. J. A. Stinnett of Jarrell, Mr. and Mrs. Will Robertson of Slaton and Mr. and Mrs. J. A. Lindsay and daughter of Lubbock and one grand daughter Mr. and Mrs. Allard of Klondike Texas.

Funeral arrangements were made by Warren of this city assisted by Galloway of Beeville.

## FAREWELL DINNER GIVEN IN W. J. JONES HOME

Miss Moheba Ameen and Earnest Ameen, who left Sunday for Syria via New York City, shared honors at a dinner party Saturday night at eight o'clock for which Mr. Casey Jones was host in the home of his father Mr. W. J. Jones. Miss Willie Jones was hostess assisted by Mrs. Henry Jones and Mrs. E. R. Carpenter.

The dinner was served in buffet style in the dining room from the table which was laid with a beautiful venetian lace cover. Guests were seated in the living room at card tables with maderia covers centered with pink rose-buds in silver bud vases.

The guests list included Misses Moheba Ameen, Alta Hamm, Lucille Williams and Lois Paulsel, Ernest Ameen, Nable Ameen, Alvin Hamm, Mr. and Mrs. Chad Wilson, Harry Wiltanks, Hazel Jones and Casey Jones, host.

## MISS REESE RECEIVES DEGREE

Special news from Mrs. T. V. Reeves, head of the News Service of W. T. S. T. C. in Canyon, states that Miss Lorena Reese of Knox City received her Bachelor of Science degree from that college with the 87 spring graduates this year. Miss Reese's major was English.

Summer school at West Texas State Teachers College opened June 4 with an enrollment exceeding that of any recent years. Among the students is Miss Essi Mae Leaverton who graduated from the Knox City school this year.

## GARRISON-STEPHENS

Thursday, June 7th in the home of the Methodist Pastor, Brother Gilbreath officiating, Miss Helen Garrison of the Grace community became the bride of Jim Stephens of this city. The couple are making their home with his parents.

Miss Garrison was a popular young lady in the community in which she lived, holding the admiration of everyone. Jim is thoroughly a Knox City boy and is possessed of as many friends as is possible for a small town to give. We wish them much happiness in their new life and trust they will find the years not only happy but profitable.

A. P. Oliver has treated his home to a new coat of paint. Looks fine.

## Parent Teacher Elect Officers

At the last meeting of the Parent Teacher Association for the school year just closed officers for the association for the next school year were elected. Mrs. C. C. Hoge was made president with her co-officers as follows:

Vice President, Mrs. Joe Averitt. Secretary, Mrs. T. S. Edwards. Treasurer, Mrs. C. B. Stovall.

The Association has concluded possibly one of the most successful years during its organization. From the standpoint of finances, the society had near \$50.00 left from their work this year. From the standpoint of health, the society sponsored, for the first time in the Knox City school the five point child, and awarded fourteen certificates. More certificates would have been awarded had not the children of the town been besieged with menses, roseola, whooping cough and other prevailing illnesses.

The Parent-Teacher Association bought a piano for the study hall, furnished supplies for the school entering the interscholastic events, awarded high school medals, helped under privileged children, sponsored the Fire Prevention week, Book week, Health week, and the Five Point Child plan; kept the medicine cabinets in both school buildings supplied and a number of other things, valuable yet so small to itemize.

Mrs. Joe Averitt, president of the Association for the past year, made a splendid president. She gave untiring of her time which sacrifice was repaid to her and all the members of the association in the success the association has enjoyed. The success of an organization like the Parent-Teacher Association cannot, however be attributed to any one person. Success is due to cooperation and it is evident that Mrs. Averitt was given that from those upon whom she called.

Mrs. John Trimmer and two daughters and Mrs. Sessum Lambert and two daughters spent the past weekend with relatives in Dallas.

## PIANO RECITAL FRIDAY NIGHT

The Senior Piano recital that was to have been presented Monday night by Mrs. E. Q. Warren was postponed until this Friday night because of illness of one of the pupils.

The recital will be given Friday night in the school auditorium beginning at 8:15. The public is invited. Mrs. Warren is presenting Misses Jonell Robbins, Wynell-Edwards, Rowena Wall Mary Lu Graham and Irene Holland.

Miss Lillian Park spent the week end with friends in McLain.

## Methodist Church

The hours of Sunday morning worship have been changed at the Methodist church, which change was made by the membership of the church. Sunday School will begin promptly at 8:30 o'clock, preaching service following.

League programs will begin at 7:45 Sunday evening and Preaching service at 8:30. At this evening service Dr. G. S. Slover will preach and hold the third quarterly conference of the church.

Please note the change on time for the morning services and be present and on time. We hope the change will be beneficial to the church. At the evening service, we urge all members and friends of the church to attend the conference.

Sincerely  
R. R. Gilbreath, Pastor.

## LEGIONAIRS VISIT MUNDAY POST

Four of the Knox City American Legion boys accepted the invitation from the Munday Post and numbered themselves among the guests at the meeting of this Post held in Rhineland on Thursday evening of last week.

The Munday Post has a number of members in Rhineland and several other smaller communities, which fact accounts for the regular meeting of the Post being held in Rhineland.

The meeting Thursday night was accompanied by a big feed and plenty of good music rendered by the Rhineland Band. This band was adopted as the official Legion Band of Knox county which adoption was graciously accepted by members of the band. The same is directed by Professor Hoffman and includes seventeen instruments.

Those from Knox City attending were J. V. Jones, Vance Favor, Roy Smith and Mack Sweeney.

Let you forget the 13th District Legion Convention meets in Seymour Saturday and Sunday June 23th and 24th.

Mr. and Mrs. H. M. Warren and children spent the past weekend with relatives in Abilene.

## SINGING CONVENTION DATED FOR O'BRIEN

The Haskell County Singing Convention will meet Sunday in the First Baptist church at O'Brien, the opening song to begin promptly at 2:00 o'clock. A number of out-of-town singers are expected to be present and offer special numbers for the afternoon. The convention should be an unusually good one and everybody is invited to attend.

## Miss Cowan Honored With Shower

Miss Johnnie Cowan of Rochester, bride elect of J. Hansel McLendon of Haskell, was honored with a shower of beautiful miscellaneous gifts in the home of Mrs. V. Alvin in Rochester on Wednesday, June 6th. Among those from Knox City attending were Mrs. Guy Gleen, Mrs. John A. Smith, Mrs. Reeder Smith, Mrs. J. W. Smith, Mrs. W. A. Smith, Mrs. C. A. Hull, Mrs. E. Q. Warren and Misses Myrtle and Myrtia Evans.

Hostesses for this occasion were Mmes. V. Alvin, Kay, Howell, Mulen and J. E. Mansell, all of Rochester.

## Ceremony Solemnized Sunday

The marriage of Miss Johnnie Cowan to Mr. McLendon was solemnized in a sunrise service Sunday in the home of the bride's parents, Mr. and Mrs. Grover C. Cowan. Reverend J. L. Ponder, pastor of the Rochester Baptist church, pronounced the ceremony.

Attendance were Miss Jayne Smith of Haskell, formerly of Knox City, maid of honor, Brooks Cowan, brother of the bride, best man and little Miss Mary Len Smith of Abilene, flower girl.

Miss Cowan was becomingly dressed in white crepe with blue accessories. She is a graduate of the nurses training school of the West Texas Baptist Sanitarium in Abilene and has for several years been employed in the Knox City Hospital. During her time in Knox City she has made many friends all of whom wish her much happiness in her new line of duty.

Mr. McLendon is the son of Mr. and Mrs. John McLendon of Baird Texas. His home is in Haskell where he is employed with the Chevrolet Motor Company.

Following the wedding ceremony Sunday the couple left for a trip to Central Texas following which they will return to Haskell to make their home.

## CHILD DIES OF PNEUMONIA

Little Lavata Boll Paul, age two years, eight months and fifteen days, died at the home of her parents, Mr. and Mrs. C. F. Paul Tuesday June 12, 1934. She died of pneumonia. Funeral services were held Wednesday afternoon at the home of Reverend R. R. Gilbreath and burial was made in the Rochester Cemetery.

Lavata is survived by her parents and two brothers and two sisters, one sister being her twin.

Tom Waggoner, Hollis Warren and H. M. Warren were among those who attended the Service Clinic for Ford dealers held Monday and Tuesday in Seymour.

## Here and There

Having only a small appreciation for the heat of these summer days, I was compelled to use the Henry wagon to arrive in town early enough Monday morning to see Earl Benedict strolling up the street in a pair of trousers several inches too long for himself. As a matter of fact, Earl had the legs rolled up some several folds.

Oh well, I thought nothing like having 'em long enough.

I parked the Henry wagon as usual but almost ran over the side walk for just as I "headed in" my attention was claimed by some several inches of Jimmie Ashcroft's bare legs, a gap between his shoes and his trousers. Well, well, says I to myself. Nothing like having 'em short enough.

My thoughts of the contrasting trouser legs were suddenly interrupted by the clamor of the telephone bell. Nothing to do but answer so I did. And by golly, it happened again. Jimmie Ashcroft had lost his trousers.

As a mater of information to readers of his column, Tailor Wall mixed a couple of pair of trousers, giving Jimmie Earl's trousers and visa versa. Then the laundry mistress further complicated things by sending Jimmie Ashcroft's trousers up to Mack Sweeney's house.

And that's that. Jimmie got his trousers (all) back and I strolled on down the street.

Den Davis makes it early these hot days and doesn't forget that he himself is a candidate for county commissioner.

Saw a big truck parked south of the Griffith garage and wondered what it could contain. Was told that Frank Griffith went fishing and had "caught a whale" but not being the possessor of too much curiosity, failed to inquire further about the matter.

My leisurely stroll down east side was intervened by the clinking of marbles against metal traps. This was Tubby Jones trying to make "contact" and receive a few nickels.

Walking on south I most collided with Howard Logan. This weather doesn't bother Howard. He changes tires any time for anybody; and if it becomes necessary for Howard to roll the repaired tire down the street, down he goes; it makes no difference if he has to run completely.

## COUPLE LEAVE FOR HOLY LAND

Ernest and Miss Moheba Ameen, accompanied by their parents Mr. and Mrs. C. S. Ameen, left Knox City Tuesday for Dallas from which point the two will take a direct route to New York and then across the water to their own county Syria. Ernest and Miss Moheba expect to see a great deal of the old countries while they are gone, a portion of which will be the Holy Land. Miss Ameen has promised to make occasional reports to the Herald Correspondent, informing us of the wonders she will encounter. The same will be passed on to readers of the Herald.

Mr. and Mrs. Ameen expect to return home Friday or Saturday.

Mrs. C. C. Hoge and two children children Miss Mary Leone and Paul returned home Saturday from Austin. They were accompanied home by Mother Hoge who lives in San Marcos. Miss Mattie Lee Foster of Throckmorton is also a guest in the Hoge home this week.

## CORRECTION

We are glad to state that the list of names given in the Herald last week of the teachers recently elected for the coming school year should have included Miss Margaret Reeder. Miss Reeder was unanimously re-elected at the first meeting of the board held for the purpose of re-election. The omission was an oversight of Herald force.

## CAMPAIGN PROMISES

The Paris News reminds the voters that while candidates for governor are long on promises, they necessarily are short on performance, for the simple reason that a governor's power to do things or to get things done is strictly limited.

The point is taken.

The legislature is really the important cog in the machinery of government. And the News remarks that a level-headed, honest member of the house can do more good (or more harm if he's the other kind) than any governor.

There is too much of a disposition on the part of the electorate to let the selection of a representative go by default, as it were. Yet members of the house and senate actually rule the state. They are the ones who decide whether a governor is going to make good on his campaign promises; if the legislature says him nay, he can like it or lump it.

The voters really should put some thought into the business of picking their representatives in the legislature. One good, strong member is

The voters really should put some rict. If he is particularly able, he is apt to dominate his colleagues for the simple reason that the rank and file of the membership is mediocre. Campaign promises, made in all

sincerity, may never see fruition; and every such promise should be weighed with this fact in mind.

## DID YOU EVER STOP TO THINK

By Edson R. Waite  
Shawnee, Oklahoma

It was Mark Twain who said, "Everybody talks about the weather, but nobody does anything about it."

Nowadays something is being done about the weather. Weather by wire is a common place happening in most of our larger cities. Thanks to the development of moderately priced air conditioning equipment by manufacturers.

Air conditioning is more than merely cooling the air. Modern air conditioning equipment washes the air, thus removing all particles of dust and pollen; provides the correct temperature and, perhaps more important, regulates the humidity.

Working in an air conditioned room is like standing on the porch after a spring shower and reveling in the freshness and purity of the air. Air in an air conditioned room is more pure than the air supplied by nature.

Air conditioning equipment is now available for every home, store or place of business. One room of a cottage or an entire building can be air conditioned.

It takes little imagination to appreciate the hundred and one ways in which improved efficiency is achieved in both summer and winter months by air conditioning.

Every manufacturer of air conditioning equipment should advertise in the newspapers and inform the people fully as to just what air conditioning a house or place of business means for health, comfort and business.

## Today and Tomorrow

By Frank Parker Stockbridge  
POPULARITY—like waves

Popularity is a curious thing. Few people can predict in advance whether a man is going to be popular with the great mass of the public or not. But once let his popularity be established, and he can do no wrong—for a while.

I am thinking of President Roosevelt especially. He is riding the top wave of popularity right now. Whatever comes out of Washington that the public likes is credited to him; whatever is done by the Administration that is not popular is blamed on some subordinate. Postmaster General Farley takes all the blame for the air-lail blunder. Attorney General Cummings is the goat in the effort to indict Mr. Mellon.

I have seen the crowd turn on their popular idols and destroy them so often that I would begin to get a little bit nervous, if I were Mr. Roosevelt.

MELLON—his wealth  
POLITICE—today's situation  
There is only one national political party in the United States today. There is not likely to be another one unless the young voters organize it. They cannot organize it unless they first agree upon a ground work of principles. Mere opposition never got any party anywhere.

All that the old leaders of the Republican party have to offer so far is opposition to everything the Democrats do, and a desire to retain their personal hold upon the party machinery. I am not at all sure that any good end can be gained by trying to reorganize the party. It looks to me as if the situation were parallel to that in 1856, when a group of young men with principles met under a tree and organized the Republican party. They didn't get anywhere that year, but they elected Lincoln four years later.

I wish I were 30 again!

ART—and utility  
To me there is something encouraging as well as something rather disheartening in the revival of interest in home-made furniture, fabrics and kitchen pots. All over the country

little shops and groups are turning out hand-made articles which are being sold in the city shops, mostly at fancy prices, and offered under the plea of patriotism as well as because they are hand-made.

There is no merit whatever attaching to the fact that anything was made by hand. Unless it is more beautiful, more durable, or less expensive than a similar object made by machinery, it is not worth any more. Some of the hand-made furniture I have seen is distinctly beautiful; most of it is decidedly ugly. And my observation of housewives is that they would rather clean a smooth, machine-made kettle than one of hand-hammered copper, all full of dents for the dirt to stick in.

DOUGLAS—a capable man

We don't hear as much about Lew Douglas, as we did. He doesn't care much about personal publicity. But the Director of the Budget is sticking to his job in Washington and making good at it.

It's a tough job. The man who holds it has to be the buffer between all of the folks who would like to spend money and the few who really want to run the Government economically. He has to be the "goat" upon whom the President and Secre-

# THE TOUGHEST TEST A MOTOR OIL COULD TAKE

NEW AND IMPROVED CONOCO GERM PROCESSED MOTOR OIL WINS THE TERRIFIC "DESTRUCTION" TEST!

AAA SANCTION NO. 3001

A DARING, competitive test—and what a result! New and Improved Conoco Germ Processed Motor Oil outdistanced five worthy rivals, thanks to the extraordinary film strength and penetrativeness our recently patented process gives it. Five quarts of this remarkable new oil lubricated a motor for the almost unbelievable distance of 4,729 miles before the motor was wrecked!

Five other oils, all nationally known, competed with New and Improved Conoco Germ Processed Motor Oil in this

test. All cars were driven under AAA supervision, under exactly the same conditions until the motors could no longer operate. The notable thing is that five quarts of New and Improved Conoco Germ Processed Motor Oil went more than 3,000 miles farther than the first oil to fail, and over 1,400 miles farther than the best of its competitors!

The results of this test should guide your motor oil purchases from now on. Look for the Red Triangle Sign.

**TEXAS COWBOY REUNION**

Stamford, Texas, June 13.—More than \$3,000 in prizes will be given in the rodeo and various other contests to be held in connection with the fifth annual Texas Cowboy Reunion here July 2, 3 and 4.

Besides \$1,572.50 in cash awards in the various events and handsome trappings coveted by cowboys and cowgirls, the prize list includes six hand-stamped saddles to be given as grand prizes.

The saddles are offered through courtesy of the Salesmanship Club of Dallas with the cooperation of business firms of that city. Formal presentation of the saddles was made in Dallas Thursday at a luncheon of the Salesmanship Club, the premiums being received by a group of Reunion officials from Stamford and other West Texas cities. The West Texas visitors included John Gist, Odessa, president of the Texas Cowboy Reunion Association made up of pioneer cowmen; Chas. E. Coombe of Stamford secretary of the organization, and Frank Rhodes, Throckmorton, past president and member of the board of directors; W. G. Swenson, Stamford, president of the Texas Cowboy Reunion, Incorporated, the parent organization; A. C. Cooper, vice-president; Louie M. Hardy, W. G. Owsley, Warren B. Tayman and Tom Boston, all of this city, and "Scandalous" John Selman, picturesque foreman of the S. M. S. Flattop ranch and arena director of the rodeo; and one of his aides Leland Scifros.

The saddles, all of which were secured through the courtesy of the Salesmanship Club of Dallas, will be awarded as follows: To winner of oldtime cowboys' calf roping contest, a sterling silver-mounted saddle, donated by Employer's Casualty Company, valued at \$350; to winner in girl sponsors' contest, a hand stamped, silver mounted girl's saddle, donated by the Dallas Clearing House Association, value \$350; four \$150 hand-stamped, special made saddles for rodeo champions, one to champion calf-roper, given by the Scheikopf Company, another to champion wild-cow milker, given by Padgett Brothers, one to champion bronc-rider, donated by Higginbotham Balyel-Logan Company, and one to winner in cutting-horse contest, contributed by Salesmanship Club.

Other premiums include a pair of hand-made boots, given by C. H. Hyer and Sons, Olathe, Kansas, as second prize in the Oldtime Cowboys calf-roping contest, and a pair of spurs given by R. W. Boone, Lubbock, as second prize in that contest. Three other prizes will be given in the sponsors' contest, second prize being a pair of riding boots given by Bryant-Link Company, Stamford; third prize, pair of spurs donated by Nocona Boot Company, Nocona; fourth, pair riding bits given by W. R. Boone, Lubbock.

### AUNT MANDY ON DISCOURAGEMENT

Discouragement is a snake in the grass stickin' his vicious fangs into yuh. Jes' put yuh foot down on hit's haid an' hit can't harm yuh, honey.

Hit's words much as anything moks discouragement. Yuh got to be particular whut yuh lets git into yuh ears. When folksos begin talkin' fallin' an' sich talk, jes shut yuh ears tight an' think 'bout somepin else.

Discouragin' words in der ear is mounty apt to sink clean through to de heart. Den day is trouble.

We got to keep de heart filld up wid only de rappy words. If one of de stroyin' words do git in, shove in 'nuf glory words to color up de others. Ah aims to climb to glory but ah fingers ah got to use lots ob songs an' glory words to keep me climbin'. Case when a body is stroyin' he ain't outcha' how shacklety de ladder gits at times. Whatever de hard place, a song or good word to somebody will boost us up another rung of de glory ladder.

All jine in de chorus ob "Ah's Gwine on to Glory By De Singin' Way."

If we never done nawthin' but a good job ob encouragin' others, honey, dat's a heap, if hit was done up to top notch.

Tain't every critter can do somepin' famous but ah reckons all ob us can do lots ob kind wordin'—which is sometimes mo' necessary dan doin' de famous.

Jes' being good ain't 'nuf if folksos keep hit all to doysos-vas hit must be spread 'round butterlike over de hard crusty humans all about till dey are encouraged to mek some ob de jam ob goodness an' carry on de

spreadin'.

Jine in an' sing wid ob Mandy, "Gwine on to Glory By De Glory Way."—Vida Ward.

### HASKELL RACES TO BE HELD ON JUNE 27, 28 29 AND 30

With the license recently granted the Rice Springs Park Racing Association already received everything is now in readiness for the opening of the four day program of six races at Rice Springs in Haskell on June 27. A full program of six races will be offered each day with betting and the daily double being conducted under the Texas Certificate System of betting.

Over \$2,000 will be offered the horsemen in purses, and from all indications the meet will excel the successful race meet of last fall. Among the feature races will be a two year old race the opening day. This will be run over a half mile course and a ten dollar entry fee will be charged and added to the purse offered by the association. A second two year old race will be featured the third day of the meet with a feature race open to all over the 3-4 mile course. The second day will include a feature 3-4 mile race and Saturday will carry the high point of the meet in the Haskell Derby over the derby route of one mile and 70 yards.

Over 75 reservations for stables have been received by the secretary of the meet so far and th officials are confident that over 150 head of horses will be on hand for the races assuring a full field of horses in every race. Many horses are coming to Haskell from the race meets at Panhandle and Amarillo, stopping in Haskell before continuing on down to the July Jubilee Race meet at Brady, which is on the same circuit of races with Amarillo, Haskell, Panhandle.

The full program of races is as follows: First day 3-5 mile, open, 3-8 mile, Haskell County horses, 1/2 mile, open, 1/2 mile, two year olds, 5-8 mile, open, 6-8 mile, open. Second Day 1-4 mile, ladies race, 3-8 mile, open, 1/2 mile open, 5-8 mile three year olds, 5-8 mile open, 6-8 mile open. Thrid Day 1/2 mile, non winners, 1/2 mile, two year olds, 3-8 mile open, 5-8 mile, for horses neither 1st or 2nd, 5-8 mile, open, 6-8 mile open. Fourth Day 3-8 mile non winner, 1/2 mile, Haskell County horses, 1/2 mile, horses neither 1st or 2nd, 5-8 mile open, 6-8 mile open, and the Derby of one mile and seven ty yards.

### SLIMMING BEVER TAKES TO DITCH

Doc McElroy learned Sunday night that after spending two days and nights harvesting he is absolutely no good driving an automobile. In the effort, Mr. McElroy went to sleep and took to the ditch. Although he was not injured the car he was driving, belonging to Ted Clary, was considerably damaged. It was extracted from the ditch only after four or five hours of hard labor by the Knox City Motor force.

Mr. McElroy was on his way to Knox City Sunday night for parts for his harvester. He had been working many hours without rest. The strain proved to be too much and he fell asleep while driving. Although he escaped without injury, it was miraculous.

The wrecked car was dragged from the ditch, west of the bridge that stands a few hundred feet west of the railroad tract (near Ed Shaver's home) about 12:30 Monday morning.

Mrs. J. V. Jones was hostess to the Friday afternoon club last week. Club guests for the afternoon included Mrs. R. E. Carpenter and Miss Hazel Jones. Following the games refreshments of golden slo salad, cheese wafers, olives, led tea and snow ball cake were served.

THE SMART FORD V8 Operates for less THAN ANY FORD EVER BUILT THE smartest car that Ford has ever built is the smartest buy your budget has ever seen. The new Ford V-8 is the most economical car that Ford has yet produced. That big Ford V-8 engine, which is capable of a generous 80 per, is miserly when it comes to fuel. It consumes less gasoline than many engines with less cylinders and less power. Aluminum-alloy pistons minimize carbon formation. Tungsten steel valve seat inserts virtually let you say "good-bye forever" to valve grinding. The Ford V-8's dependable springs—which give you free action on all four wheels—have shackles that require no lubrication. And the whole car is so reliably built that you will never be plagued with repair bills. Before you buy any car at any price, drive the Ford V-8.
