Tragedies Mar Weekend

Texas Highway Patrolman Gayle L. Holmes of Spur and King County Sheriff, Paul Vinson of Guthrie were shot and killed late Friday night when the two were summoned to Northcutt store and residence midway between Paducah and Guthrie, to answer a complaint that a number of men were drinking and causing a disturbance, officers said.

Patrolman Holmes, 26, was dead on arrival at Richards Memorial Hospital and Sheriff Vinson, about 35, was killed at the scene, according to reports.

A third officer, highway patrolman Leon Littlefield, was not hurt in the shooting.

Reports indicated the shooting broke out after the three officers were escorting a man

from the house to a patrol car when another man stepped onto the porch behind them and began firing with a high-powered rifle.

Charged with both slayings was Jimmy Partido, a Guthrie resident.

Vinson was serving his second term as sheriff. Holmes had been a patrolman since 1969.

Other tragedies included the death of Jerry Ronald Kuehler, 14, of Rhineland who was pronounced dead at the scene following a bicycle-car accident on FM 267 near Rhineland Friday night about 9:25.

Mark Kuehler, 11, of Rhineland was reported in satisfactory condition in the Knox County Hospital after receiving a broken leg.

Investigating Highway Patrolman Brian Williams of Knox City said the boys were traveling south about one-half mile north of Rhineland when their bicycles were in collision with a car driven by Ralph Don Adams of Rhineland, whose car was also traveling south.

The boys parents are Mr. and Mrs. Larry Kuehler of Rhineland.

Funeral services were held Sunday at Rochester for Holmes and at Rhineland for Jerry Kuehler. Services were held Monday at Paducah for Vinson.

May 30 Is Last Day For Absentee Voting

Absentee voting for the June 3 primary continues through May 30 in the county clerk's office at Benjamin.

Many think of voting absentee as being only for those who plan to be out of town on the upcoming election day, but its advantages are far greater, according to Collins McVehouse, Knox County Democratic chairman.

To request a ballot by mail can be more convenient for a semi-absentee than to have someone bring them to the polls on election day.

When the ballot is received the person may mark it in the comfort of his own home and mail it back to the clerk if the envelopes provided for both the ballot and the stub.

Not only is this less time consuming and more pleasant to the voter, but it also saves the time of the election clerk who has to take the ballot out to the car when one comes to vote but is unable to walk up the stairs to the polling place.

Citizens from 15 on, must have registered at least 31 days prior to the election in which he plans to vote.

Streams In Desert Places
BY OZELLE STEPHENS
"...the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus." Phil. 4: 7.
Concentration means doing one thing at a time. To conserve force and keep out of trouble you have to concentrate. To think of two or more things at a time is opposite of concentration. Dividing your thoughts between two or more things like writing or reading and trying to listen to radio usually means trouble. To do any thing even simple things with mixed thoughts mean you loose force. Your control your mind by concentrating on one thing at a time, or it gets to wondering even when you try to concentrate. Seek the peace and love of God with all your mind, letting it Stream into your mind; for it is the power to free you from worldly thoughts and keep you safe and steadfast.

In the year 7510 we see Connie Gentry, alias "Nubs", as a key punch operator. Her fingers are now only three-eighths of an inch long.

May '75 Cosmopolitan magazine proudly presents another first. R's Charlie Lieb in full living color. But this time—is it a fold-out or a fold up?

In the year 1990, we see Terri Whitten as a fashion model for a Los Angeles firm. Modeling dresses of all assortments—most of which are mini-skirts. The dress you see Terri wearing now was designed by Seymour Hiney.

In 1984, we hear a conversation between Rolanda and ALAN: All I have to offer you is me.

Rolanda: But, I don't wanna play house.

Alan: But what about the pitty patty putter of the little bitty feet that are gonna pitty pitty patty at our house?

Rolanda: Yeah, but if fingers

Alan: Alright then, our D-I-V-O-R-C-E becomes final today. And then ten years later, we hear Rolanda say: We're together again.

In the year 3535 Jackie Gentry is playing pro-football after making All-American at UT at Austin.

In 1982 we see headlines saying that Merrill Lynch, a stock-broking firm, has gone bankrupt due to the fact that has run up such an expense from tearing up adding machines.

In the year 2010 we see Kathi as head squaw of the Apache Belles. This is the year for the Belles to march in the Macy's Thanksgiving Day Parade. The Belles look great but Kathi looks the best coming down the street in her wheel chair.

World renowned scientist Jan Lankford has recently dissected her latest husband—and we're proud to say she has graciously given her latest victim for our Africa, we see Karen Helms knitting while she sits in her adobe hut. She is watching Tarzan on the boob tube while her hubby, Brian, is holding auditions for the New Zoo Review.

In 1999 we picture Craig "Kickers Klub" and one of his many jobs is fishing frizbees out of the river in the side.

To Brent

In the year 1993, A lawyer he'll never be,

'Cause in 1994, the judge kicked

Seniors Tour Orlando, Fla.

Last Wednesday, May 3, seventeen excited seniors from Knox City High School departed from the Baptist church, where they had been served breakfast, at 8:00 a.m., enroute to Dallas Love Field. The group, sponsored by Mr. and Mrs. Wes Hays and Mr. and Mrs. John McLaughley, arrived at the airport in Dallas about 11:20, and from then until 1 p.m., the class made themselves familiar with the many facilities at Love Field.

At 1:35 they boarded Delta's Flight 522 to Orlando and were shortly airborne on a DC-6 to the sunny Orlando, Florida.

For many of the class members, this was the first time they had ever flown on any kind of an airplane, much less a one-hundred thirty-five passenger jet. The jet touched down in Orlando at 4:20 and from that time on a great trip was under way.

The class was met at the airport by the Avis Rent-A-Car men and they then drove to the Travel Lodge South which was their home for the remainder of the trip. Five young men and five young women were on the trip.

Many interesting things always seemed to happen down by the pool side at night. That first night many of the seniors met Tom Garrett, a singer at the Travel Lodge. He sang for the class and invited them to come see him the next night.

Early Thursday morning the

class was on their way to Disney World. They arrived there at around 10:00 a.m. and received their ticket books at the gate. The class then split into several groups and began to tour the forty-four acre complex built only a few years ago. At 1:00 p.m., the group re-assembled in front of the main gate and started back to the travel lodge. After everyone had cleaned up and put on fresh clothes the class, along with the sponsors, went to the travel lodge lounge and were entertained by Tom Garrett.

Friday morning the group set out for the beautiful Cypress Gardens at 9:00 a.m., where they spent all morning and all the afternoon. The highlight of Cypress Gardens was the ski show. The performers were graceful and very talented. The seniors took a one and a half mile long electric boat ride through the gardens. The guide pointed out interesting plants and the boat broke its rudder and steering was lost for a while much to the delight of everyone aboard. After the boat ride the class walked through the gardens and enjoyed the beautiful green scenery until the time came to leave.

Friday night the class went to the Red Lobster to eat sea food. This meal was paid for by the class. Everyone seemed to have more than enough to eat. The food was especially good because they were so close to the sea.

The seniors had a streak of homesickness Friday night. They missed Texas so much that about two o'clock in the morning the manager had to ask a group of girls to go back to their rooms and quit singing "Texas, Our Texas," in the swimming pool.

Saturday morning at 6:45 the class sleepily headed for the beach at New Smyrna. Everyone swam, played in the sand, sun bated, and hunted sea shells.

For lunch Mr. Hays brought fried chicken and all the "fix ins."

Saturday night the class went to a dance at Orlando which was recommended by two members of the Orlando Band.

Sunday morning the class slept late and left for the airport at 11:20. The seniors left Orlando at two o'clock and arrived at Dallas, Texas at 6:00. Everyone was in such a hurry to get home that he was glad to let Mr. McLaughley lead the way. The Senior Class arrived home at 11:00 p.m.

The Seniors would like to express their appreciation to their

KCHS SENIORS ENJOY TRIP TO ORLANDO, FLORIDA

sponsors, Mr. and Mrs. Hays and Mr. and Mrs. McLaughley for their help and for making the trip as great as it was.

IN FORT WORTH

Mr. and Mrs. White Hudson visited Mr. and Mrs. Cecil Paul Hudson in Fort Worth over the weekend.

ATTEND WEDDING

Mr. and Mrs. L.W. Graham and Mrs. Jeff Graham and Timiko attended the wedding of Paul Graham and Jane Owen in Tahoka. The Doyle Graham and Donald Vosses, Hugh Parichams, John Gipsom and their Idaho kindfolk met in Lubbock Friday night to attend a party for the groom-to-be Paul Graham, joining the others on Saturday morning in Tahoka for the wedding. Mrs. Graham's family left for Idaho after the wedding reception.

VISITING IN GEORGIA

Mrs. Doyle Graham will be visiting her son and family, Major and Mrs. Doyle G. Graham in Atlanta, Georgia, for several weeks. Dr. Graham has recently been transferred from Valley Forge Army Hospital to serve as a pathologist in the Atlanta area.

FROM DALLAS

Mrs. Tom Hampton, daughter of Mrs. T.S. Edwards, and her two granddaughters, all of Dallas, have been recent visitors at the Braxton Valley Care Home where Mrs. Edwards is a resident.

Life will now hold several pronounced and often dramatic changes. But those who choose to meet change cease to develop and improve themselves. There must, however, be some rule to follow throughout your life. Consider Proverbs 3:1-12:

1. My son, forget not my law; but let thine heart keep my commandments; 2. For length of days, and long life, and peace, shall they add to thee; 3. Let not mercy and truth forsake thee: bind them about thy neck; write them upon the table of thine heart; 4. So shall thou find favour and good understanding in the sight of God and man; 5. Trust in the Lord with all thine heart; and lean not unto thine own understanding; 6. In all thy ways acknowledge him, and he shall direct thy paths; 7. Be not wise in thine own eyes; fear the Lord, and depart from evil; 8. It shall be health to thy navel, and marrow to thy bones; 9. Honour the Lord with thy substance, and with the first fruits of thy increase; and thy provision shall burst out with new wine; 10. My son, despise not the chastening of the Lord; neither be weary of his correction; 12. For whom the Lord loveth he correcteth, even as a father the son in whom he delighteth.

Eighth Grade History

FIRST GRADE

This was the year that we would all hold hands and go for walks around the schoolground with Mrs. Kemletz. We finally had to stop taking these walks because some of our smartest students kept getting lost. The first grade was also the love stage for most of us. Mark kissed Sheila and got slapped. Jerry Sharp chased Timi around the playground five times trying to kiss her. Mrs. Kemletz came to the rescue and made Jerry wear a dress all day.

SECOND GRADE

After much hard work and a few bribes, most of us made it to the second grade, and Lisa Boone joined our bunch. This was the year we all dreaded. We had heard that Mrs. Long had an electric paddle which she plugged into her coffee pot. We were very relieved when we plugged it into the wall!

THIRD GRADE

This was the beginning of a new era because Al Baby had arrived. The second he walked in the door, he let fly a paper airplane which made an emergency landing in Mrs. Halbert's brand new hairdo. She got kind of mad and slapped Al Baby on the top of his bare head, which left an everlasting handprint.

FOURTH GRADE

This was the year that Melinda arrived with a Twiggy haircut. We were not sure whether she was male or female, but after careful research, we decided she was a girl (we think) Kenneth Burt and Barbara Clay got in a fight. Poor Kenneth! He thinks Barbara Clay is related to Cassius Clay! David Gibson arrived this year so Stella Marin and Sandra Johnson left. David brought with him Ronnie Calloway, Virginia Lerma, and Kenneth Burt.

FIFTH GRADE

David Gibson had all of this bunch he could take, so he left us and went to Alaska to become an Eskimo. About this time, Mike Burkham was really getting after those girls. They had all of this they could take, so they took him down and broke his arm. When asked by our reporter, "Are you gonna let girls do this to us boys?" Mike replied, "Of course we are, we love 'em!"

SIXTH GRADE

Under the leadership of Kenneth Burt, the 6th grade Science class declared war on Mrs. Bettes. A treaty was signed which resulted in everlasting peace, that is, till the next year. During an experiment when Mrs. Bettes wasn't looking Jerry Eaton rearranged the test tubes. Poor Jerry liked the test tubes this way better than the way Mrs. Bettes had them. Mrs. Bettes thought she was going crazy when she looked under the microscope and found what was supposed to be mold bread turned out to be tadpoles. Chicken Scratch some times called Donny Skiles was fed up with us city folks and moved to Virginia to live with the hillbillies for a spell.

SEVENTH GRADE

This was the year of the Greypups. With a little help from the eighth grade, the seventh graders (as) won the Triple Crown. Mike Tabor arrived this year and immediately became the teacher's pet. (Ha, Ha!) Dale, the innocent little red-headed kid, came to Knox City. Upon his arrival many girls fell in love with him. When Watson came this year, he was tagged with the name "Knotwood". Charlie Flye turned four fumbles into four touchdowns. The coach told the center to fumble again so that Charlie could turn it into another touchdown.

EIGHTH GRADE

The mighty Rusty Grimsley became known as "Tiger Man" on the football field, but we don't know why we made it through basketball season with-

out any major crisis. We won district in track, but behind this is a very interesting story: it was a cold, wintry morning when Coach Mullins shoved us out into the cruel world to run 3.3 miles. We were jogging along on a country road when we became cold, hungry, and tired. We stopped and rested under some trees. Jimmy Helms pulled out some matches and a fire was started. We were sitting around warming our hands when Gary (Odum) whipped out three T-bone steaks which he got on discount from his store. Those T-bone steaks disappeared mighty fast. On full stomachs we made it back to the gym. Believe it or not. This year Mamie Cutler, Allan Evans, Stella Marin, Sandra Johnson, Sky King, and Lou Ann Balderes joined our group. To celebrate their arrival, Mr. McGaughey and Mrs. Lankford took us on a trip to Six Flags. It was a very successful trip except Tom Sanchez got lost. He was returned to us by Mickey Mouse. We love you, Mickey!

Mrs. Lankford was a cool cat this year, she let us play Jimmy Lynn's tape player in class. We love you, Mrs. Lankford. Days were never dull because Coach Rogers would always walk down the hall singing "Joy to the World"! We will always remember our favorite band director Mr. Hays, for leading our Junior High Band to Sweepstakes two years in a row. We love you, Mr. Hays. This ends our Junior High years. Roll out the red carpet high school, 'cause here we come to you—Eighth Grade class of '72!

Freshman Class News
By STACY ANGLE

Well we made it! Here it is the last week of school and it hardly seems possible! Our first year in high school has been a most memorable one for all, especially with all the extra-curricular activities such as FFA, FTA, FFA band, choir, pep club, football, basketball and track. Class officers who have served our class this year have been Gary Carver, president;

Cliff Ray, vice president; Kary Kent, secretary; Debbie Reese, treasurer; and Stacy Angle, reporter.

Recently nine freshmen had the distinct honor of becoming members of the local Future Teachers of America organization. New FTA members include Kary Kent, Gayle Tankersley, Terri Baker, Randy Lewis, Cliff Ray, Joey Swain, Carolyn Orr, Lanette Boudin, and Stacy Angle.

This year track was an important event for several freshmen. Seven persons out of our class qualified for regional. Kary Kent, Cheryl Barnard, Gayle Tankersley, Terri Baker, and Debbie Reese were the five freshman girls who participated in the regional track meet at Elmer Gray Stadium in Abilene. Gary Carver and Bo Johnson ran in the boys' regional meet in Lubbock.

Last Saturday night, at the annual UIL banquet, Kary Kent and Stacy Angle were the freshmen announced for majorities next year and Debbie Reese was announced as the freshman cheerleader and will also serve as pep club president. Co-cheerleaders will be Cheryl Barnard and Lanette Boudin and Vickie Berryman will be the Greyhound Mascot.

Nearly all the freshmen leave other memories besides these such as the time several girls participated in the FFA Green-hand Initiation, when our band won six 1's, our freshman initiation, Mr. Jackson's "Paraphrasing", Terri Baker's clean locker, and also the memories of two wonderful teachers who won't be with us next year, Mrs. Otis Cash who is retiring and Mr. Wes Hays who will be the new band director at Holiday High School next year.

We now come to the close of our first year in high school which was to all of us "the best one ever!"

LISTENING INTENTLY TO THE WILL being read by Charlie Lieb, extreme right, is this group of Seniors, from left, Kenny Woodall, Jackie Gentry, Victor Gonzales, and Ceissia Skiles.

READING THE JUNIOR CLASS PROPHECY at the recent Junior-Senior banquet are from left, Greg Clouts, Debbie Wall, Will Whiteley and Shari Shelton.

Class History

Our freshman year we entered high school bright-eyed—but then there was Jan and Carol. The very first day they got lost and asked Lynn Beason where the math room was. But their luck didn't hold; when they reached the math room they were told they were supposed to be in science. So they were late for Mr. Winchester's class the very first day!

The reputation of our class was always one of being fairly quiet, especially in Mr. Winchester's class. We dissected, cleaned, and put back together a frog in lab. Of course all the girls squealed, but really they wanted to hold it worse than the boys did.

Around October we were initiated by the Seniors. Mary Jo sang "Tip-Toe Thru the Tulips" with a Tiny Tim falsetto. Rolanda, Kathi, and Connie told each other about Scope, and Terri sat in Joe Barnard's

lap and sang a love song. Of course the highlight of the day was seeing Brent, Charlie and Alan's legs as they twirled in short twirler skirts.

In November all the girls were mad at Carol Speck and Connie because they were the only freshman girls to make the "A" team in basketball.

Also everyone joined all the organizations such as FFA, FFA Band, Basketball, Football, UIL events, Choir, and all the others. The girls enjoyed homemaking with Mrs. Newton, and the boys were excited about raising stock with Mr. Burkham.

Carol Speck and Victor Gonzales were our class favorites that year. Terri Whitten and Alan Orr were runners-up. Class officers were Charlie Lieb, Brent Rallsback, Carol Speck, and Victor Gonzales.

Connie Gentry was elected cheerleader, and she's done a fantastic job.

There were 39 in our class. Kathi Kent had a going flame with Don Hawkins, and Carol Speck fell in love with Bobby Lewis. Their courtship has become an all-time affair!

Over the summer the homemaking girls decided to take summer homemaking. Terri, Carol Speck, and Shirley Wright forgot the egg in their pineapple upside-down cake and it turned out looking like cornbread. Mary Jo and Karen were making homemade bread and it called for one-third cup of water, and they put in a cup and a third. They had more bread than all the classes combined!

SOPHOMORE YEAR

Our Sophomore year we were blessed with the addition of Sharon Green, Linda Sifuentes and a person who really added a spark to our class discussions Dan Feemster. We lost Phil Denton, Alfredo and Marisela Montalvo, Stella Rodriguez, Jerry, Lillian and Mary Ann Watson, and Randy Park. Brent was our president, Charlie our vice-president; Terri our secretary-treasurer; Carol Speck our reporter; and Coach Rogers was our sponsor. Alan and Connie were chosen class favorites.

Boys who played football were Jackie, Victor, Tony, Charlie, Ivan, Horatio, Alan, Brent, Kenny, and Calvin. Playing basketball were Kathi Karen, Carol Speck, Connie, Terri, Mary Jo Alan, Kenny Calvin, Jackie, and Victor. This year Charlie made All-District first team in football and all District second team in basketball.

Nothing much really happened this year. We were not "fish" any more, but we weren't old enough to enjoy the privileges. Eight of us did get to go to the Jr.-Sr. Banquet as servers Terri, Carol Speck, Kathi, Connie, Charlie, Victor, Brent, and Alan.

We ended the year with a class party at the river. We had a weiner roast, played touch football, and—the highlight of the day—threw Cowel Rogers into the river!!!!

JUNIOR YEAR

Our Junior year, it seemed our High School had been invaded by freshmen, there were 40 of them and compared to our dwindling class of 20, we felt terribly outnumbered. We found it much harder to make our way through the crowded halls to our

next class which, of course, we were very anxious to reach! We made an excellent decision that year, we elected Mr. Hays as our class sponsor, and he's been a friend to all of us, as well as a fantastic sponsor.

Terri Whitten and Charlie Lieb were our Junior class favorites and our class officers were Brent Rallsback, Carol King, Jan Lankford and Carol Speck.

It seems that, along with being class sponsor, Mr. Hays was given the position of Jr. class play director. Play practice was every night for two weeks and the back stage set. See CLASS HISTORY Page 8

CLASS HISTORY (Cont.)
 ones were interesting enough to have been part of the play itself. Mrs. Van Schuler, alias Ceasia Skiles seemed to enjoy her part of calling "Ben Allah" and Mrs. Charlie Lieb a "Faker" and Mrs. Jessica Aldrich (Mary Jo Campbell) gave us a repeat performance of her seventh-grade fainting spell. It seems that Terri Whitten's part of "Ruth" included a scream or a crying scene every five minutes. The other members of the cast were Kenny Woodall, Jan Lankford, Carol King, Brent Rallsback, Carl Speck and Victor Gonzales. The title of our play was appropriate enough, "The Fakers".

The FTA trip in Houston was really quite a trip and the Juniors who went were Charlie Lieb, Jan Lankford, Karen Helms, Carol King, Terri Whitten, Carol King, Rolanda Stubbs, Alan Orr, Victor Gonzales, Nathi Kent and Brent Rallsback; our candidate for Vice President... "Take a Hint, vote for Brent." We all cried over "Love Story" and stayed up every night, creating stories to

tell the folks back home. The "Houston s'not" sure gave a lot of boys headaches!

The class ventured to Forest Park Zoo on "Junior Steak Day". The trip ended with the class being stranded in a bowling alley while it rained and hailed outside.

Football season was memorable for us in many ways. The Jr. boys who played on the team were Charlie Lieb, Alan Orr, Victor Gonzales, Brent Rallsback, Ivan Logsdon, Kenny Woodall, Jack Gentry, Tony Hernandez, Ivan received several football honors; first team all-district and all-area team. And we all received a hatred for Shamrock's "Mean Green" because that was where Charlie Lieb received his knee injury which was also quite an injury to the team! At long last, we beat our arch rivals, Monday, and the entire school was out the next Monday to celebrate; Charlie didn't get to play because of his knee injury, but he was there on the sidelines, cheering his team on. Connie Gentry was a cheerleader and Nathi Kent was twirler. The Greyhounds had a record of 7 wins and 3 losses.

This was the year of the wig. Karen, Jan, Ceasia, and Terri all had one and Carol Speck had about 6. The Christmas season found everybody very well disguised.

Mary Jo Campbell went to state in typing and Carol King was elected as Arov FHA President.

The Junior band members included Mary Jo Campbell, Terri Whitten, Carol King, Jan Lankford, Karen Helms, Charlie Lieb, Kathi Kent and Kenny Woodall. Choir members were Charlie Lieb, Karen Helms, Jan Lankford, Victor Gonzales, Ceasia Skiles, Carol King, Brent Rallsback, Nathi Kent, Kenny Woodall, and Sharon Green. Sharon moved before the year was over and we all missed her.

The Junior-Senior Banquet and Prom was a highlight of our Junior year. The theme for the banquet was "Love and Peace" and the Junior Class treated the seniors to Foodie.

The Juniors sold zip code books, and found out that zip codes are not much in demand.

The advanced biology class dissected a cat and we all grew so fond of our unfortunate pets that we gave them names. The Juniors in advanced biology were: Jan Lankford, Connie Gentry, Carol King, Terri Whitten, Karen Helms, Nathi Kent and Sharon Green.

The year ended in the traditional cruel manner; final tests!

"OUT IN FRONT" for the NHS Marching Band next year will be majorities from left, Senior Becky Swain, Sophomores Stacy Angle and Nancy Kent, and Junior Debbie Bishop.

BAND LEADERS FOR 1972-73 are pictured above at the V-L Banquet held Saturday night. Drum Major Diane Coots is at left and the new band president, Beba Ponsan is at the right.

THE JOHN PHILIP SOUSA BAND AWARD was presented to Miss Terri Whitten, left, outstanding band member of the year, by Band President of 1972, Karen Helms.

Amazing new gas oven ends scrubbing

You can cook with this oven 365 days a year and never have to scrub it. Because it actually cleans itself as it cooks!

Think what this means. Never again will you have to go through the grimy job of scrubbing an oven (most women hate this job more than any other).

Never again will you have to face an all-day cleaning job—because you've put it off too long.

The gas continuous cleaning ranges. See them at your Lone Star Gas store. And cross your grubby fingers.
