Knox City, Knox County, Texas, Thursday October 13, 1932

NUMBER 8

## 104 at Young Peoples Meeting

The Young Peoples Division of the Methodist church of this city was busy to this district of the Young Peoples Division over the past week. The largest group of young men and women ever registered in Knox City at a similar meeting registered here Saturday. The number totaled 104. Of this number eighty or more spent the night.

The district is so large, including so much distance in territory that discussions in the business session were directed toward the plan of dividing the district. The plan culminated, which fact will make the attendance at the next district meeting something half of the attendance of this meeting.

The "hard time banquet" given Saturday night in the dining hall of the church was unique and much appreciated by the out-of-town guests. In keeping with the plan, prizes were awarded to the group and the individual dressing in harmony with their "hard time" idea. Rochester group received the first prize and Miss Irene Stewart of Stamford received the prize for the individual.

The Early Morning Watch Sunday and the other Devotionals of the day were inspirational and beneficial in many ways to the young people. From the standpoint of both benefit and pleasure, this District meeting of the Young Peoples Division of the Methodist church was a tremendous success.

The local Young Peoples Division take this means of extending their sincere thanks for the splendid cooperation given by not only the women of the Methodist church, but also the ladies of the other churches in giving their homes for entertainment of the delegates. These young people with the parents of the Methodist church, hope to be able to return the favors granted on the occasion of the past week end at some near date.

## SUMMER CURING OF PORK

Following a demonstration of curing pork during the summer on cold storage conducted by the County Agent more than 20 hogs have been killed and cured in Knox county.

The receipt of E. Roberts of Munday was used in storing the meat until the cure was finished. The meat was "Sugar Cured the A. & M. way," consisting of 8 pounds of salt, 2 pounds of brown sugar and 2 ounces of salt petre to the 100 pounds of pork. The hams and shoulders were left 3 days to the pound in the cure and the bacon and loins were left one and one-half days to the pound; after this period was up the farmers were able to take the meat out of the cold-storage. In several cases the meat was taken home and smoked with green mesquite, this improving the flavor and also keeping quality. It is more desirable to use green Hickory, Pecan or corn cobs for smoking, but the mesquite is used successfully where these are not obtainable. After smoking the meat should be wrapped in heavy paper and kept in the smoke-house.

One of these "Summer Cured" is on display in the show window of Jamison-Clonts Hardware.

Mrs. C. C. Hoge, Mrs. G. D. McCarty and Mrs. T. P. Fridzell Jr. were in Benjamin Tuesday attending a Red Cross meeting. There was a good representation of the various Red Cross chapters of the county present, in addition to which Miss Jessie Clarke, representative of the National Red Cross, of Saint Louis, was present. The chairman of the county chapters all received from Miss Clarke supplies for "roll call week" which will be held from Armistice to Thanksgiving.

## SINGING CONVENTION AT NEEDMORE

The Haskell county singing convention will be held Sunday October 16th at Needmore. Singing begins at 2:30. Everybody is invited.

## Celebrates 91 Birthday

Mr. W. J. Teaff of the O'Brien community passed his 91 milestone in life September the 29. However, the occasion was celebrated on Sunday, October the second, on which day some 40 or 50 friends and relatives gathered for his honor. Due to the rainy weather of the chosen date, October 2nd, the celebration was almost "knocked out". Many who had planned to attend the celebration of Mr. Teaff's 91 birthday were unable to get here.

The birthday feast was given in the home of the son of W. J. Teaff, Earnest Teaff, Relatives from Markel, Tye, Clyde, Weinert, Rochester, Knox City and O'Brien were present. In addition to the many fine cakes presented Mr. Teaff, he was honored with many flowers which were used in profusion about the home.

Mr. Teaff has passed the age of the average life; however, he is still in good health and gets about well. His many friends and relatives are already looking forward to his 92 birthday.

## MRS. WILLIAMS OF MUNDAY PASSES

Mrs. Florence Williams of Munday, sister-in-law to Mrs. Pope of this city, died Sunday night. Funeral services were conducted from the Methodist church in Munday but interment was made in the Benjamin cemetery, Mrs. Williams being placed by the side of her departed loved one.

Those from Knox City attending the funeral services other than Mrs. Pope were Mrs. M. A. Reeder, Miss Mary Reeder, Mrs. H. M. Jones, Mrs. W. E. Benedict, and Mrs. M. D. Metts.

Mrs. Williams was a pioneer woman of Knox county. During the years she has been a constructive Christian, a very splendid woman. The packed church building, the beautiful floral offerings and the reverence with which her body was laid to rest were emblems of the esteem in which her friends and acquaintances held her.

She is survived by three children: Miss Florene and Marry Williams of Munday and Mrs. Grady West of Benjamin; also two sisters, Mrs. Bibbee of Benjamin and one sister in Abilene. Mrs. Pope of this city is a sister-in-law to the deceased.

Miss Margaret Bumpus of the Smith Chapel community took the early morning train here Saturday for San Antonio where she will spend the winter in college. Miss Margaret is the accomplished daughter of Mr. and Mrs. M. A. Bumpus and is considered one of the leading young ladies of the Smith Chapel community. We predict for her a splendid future.

On her eleventh annual trip throughout Texas Miss Blanche Welch of the Volunteers of America Rescue Home at Fort Worth was in Knox City Thursday in connection with receiving subscriptions to the home's work.

Miss Welch said there are about 18 babies in the home now eligible for adoption in good Christian homes. She expects to place several of the children in West Texas. The home cares for unfortunate unmarried mothers and is non-sectarian.

## FROM C. I. A. NEWS BUREAU

## PUT OUT FIRE WHEN CUP TOWELS BURN

Mr. and Mrs. G. D. McCarty were successful in extinguishing the fire in their home Monday night about twelve o'clock after all the cup towels had been burned.

The fire started in the cup towels in the cabinet. Before it was found all the towels, the cabinet and cook vessels were burned. The fire boys were summoned but Mr. and Mrs. McCarty were such active fighters that when the boys responded and could see no fire any place they were some time getting to the McCarty home. Instead of finding a fire they found a smutty kitchen soaking wet. It was with regret, but as usual, Mrs. McCarty sent them on their way rejoicing that she still possessed a bed and shelter.

The damages were covered by insurance.

Scott Dalton and wife were called to Lawton Oklahoma last week in the death of his nephew Lewis Percell. They returned home Monday accompanied by his brother and family, M. Z. Dalton, who moved here, living in Brother Lee's place west of the Hardberger home. M. Z. is trucking with Scott.

The ladies of the Baptist church are having a market in town Saturday in the Frizzell building. The ladies will have chickens, sandwiches, cakes, pies, coffee etc for sale. They solicit your patronage.

Mr. and Mrs. Pete Moody and Mr. and Mrs. Fred Moody returned home Tuesday from Gasoline Texas. Mr. Moody's grand daughter was operated on the first of the week and is seriously ill.

Dave Whitford is driving a new V-8 two door Ford Sedan.

## POST OFFICE FIXTURES BEING INSTALLED

The new fixtures for the Knox City post office arrived here Wednesday and work began immediately on the installation of same. If the matter of only a very short while until Knox City will have a real up-to-date post office.

## Hospital Notes

Mrs. Cornelius Stevens of the Cliff community was dismissed from the hospital Saturday. Miss Lora Johnson was in the hospital Saturday night for a tonsilectomy. Howard Gray of Munday was here Sunday for medical service. Mrs. N. R. Turpin of Rochester was dismissed Tuesday and returned to her home. Miss Dockins has been dismissed from the hospital but is in Mrs. T. S. Edward's home.

Mr. John Mitchell of Dallas was in the Hospital Monday night for treatment of a finger which was cut while working on the Shaver Gun Saws in Rochester.

Patients in the hospital this week include Master Claude Allen of Westbrook Texas, Mr. J. M. Hicks of Rochester, Mr. B. F. Davis of Haakell, Mrs. John Tankersly of Arlington, W. M. Hargis (cotton picker) of this city, and Reverend E. B. Thompson of Weinert.

Brother Thompson was accompanied to the hospital by Brother Duff of Weinert, Baptist pastor and also superintendent of the Weinert School. Mrs. Julia Buckholt of Wichita Falls is the guest of her daughter Miss Gladys Buckholt this week.

Mrs. L. L. Davis is reported ill this week.

## LITERARY DIGEST POLL SHOWS COLLAPSE OF THE HOOVER CANDIDACY

Austin, Texas.—Collapse of the Hoover candidacy was seen by Roy Miller, Director of the Democratic Campaign in Texas, in the totals shown in the third straw vote summary published in the Literary Digest.

"Two hundred and forty-four electoral votes for the Democratic ticket to a puny fifty-five for the Republicans is more than was expected at this stage of the campaign by the most sanguine Democrat," Mr. Miller said Friday.

"The crushing blow to the Hoover hopes dealt by former Governor Alfred E. Smith when he joined forces at Albany with Governor Roosevelt will be of tremendous help to the Democrats in the East, which was which the result seemed to be in the only portion of the country in doubt.

"The Democratic ticket will surely be elected, thus fulfilling the fond hopes of millions of John Garner's fellow citizens.

"We feel that the sale of Roosevelt-Garner Medallions in Texas will be aided greatly by the feeling of certainty that our nominees will be overwhelmingly elected," Mr. Miller said.

## C. OF C. MEETING

The Chamber of Commerce met Tuesday evening at the Teague Cafe. In the various discussions of the business session it was decided that an additional night watchman should be put on during the fall month. This is the official work of the City commission and will probably be taken into consideration by that commission at an early date.

The C. of C. will meet regular on a month now.

## BAPTIST QUARTERLY MEETING

The Quarterly meeting of the Baptist Association was held Tuesday in Rule. Those from Knox City attending were Mrs. Joe Averitt, Mrs. G. T. Hardberger and Mrs. E. O. Jamison.

The meeting was an all day affair with dinner served to the guest in the dining hall of the church. Individual tables were arranged; centered with vases of rose buds and a lovely meal served.

During the business session, which was held in the afternoon, new officers for the ensuing year were elected. Mrs. C. O. Davis of Rule was made president, Mrs. Elbert Greer Secretary and Mrs. Joe Averitt of this city was made leader of the Young People.

The next meeting of the Association will be held in January in Haskell.

## LEWIS-SMITH

Brother Stovall officiated at a wedding Wednesday afternoon at the Baptist parsonage which united Miss Bessie Lois Smith and J. P. Lewis in marriage. They are from Weatherford but are here working. Brother Stovall states that they were a fine looking couple both, of a jolly disposition.

S. E. Youngblood has a new cylinder standard Ford Coupe. The new buggy was delivered Tuesday by Warren Brothers.

Mrs. W. L. Swift has as her guest her sister, Mrs. Lynn Williams of Putnam Texas.

## Averitt Family at Celebration

Mr. and Mrs. Joe Averitt and two sons were in attendance at the home of Mr. and Mrs. E. L. Carr, her parents, on the first of October celebrating the 50th anniversary of this venerable old couple.

Mr. and Mrs. Carr were married fifty years ago in a little country church in Hunt County. They came to West Texas forty-eight years ago and settled in the Anson community, and were prominent in the development of that section. For the past twenty-nine years they have made their home in and around Rochester, witnessing the then, sparsely settled country composed of cattle ranches, progress to well developed farms, modern homes and growing towns.

Nine children were born to this union, the oldest having died in infancy. Seven girls and one boy are still living and all were present except the oldest daughter, Mrs. Walter Qualla, who lives at Littlefield. The recent heavy rains in that section made it impossible for her to be in attendance. A large number of other relatives were present and participated in the noon meal.

In the afternoon, from three until five, the many friends of this venerable pioneer couple called to wish them many happy returns of the day. A beautiful and appropriate program was arranged and rendered under the supervision of Mrs. J. Lon Teal, in keeping with the celebration. Gerald Averitt a grandson gave a reading; Marjorie Sue Kay and Tommie Groer rendered several violin numbers, among them were "My Old Kentucky home" and "Long, Long ago; Sydney Vesta Alvis, another grandchild, recited "when I First kissed Mary" with a setting of fifty years ago." Mrs. Bob Speck and Mrs. E. Hobb Smith sang "Fifty years Ago." Margaret Carr gave two appropriate readings; Reverend I. N. Alvis, a life long friend of the family, closed the program by paying a beautiful tribute to Mr. and Mrs. Carr for their long happy and useful lives together. Mrs. Carnie Doss presided at the piano and interspersed the program with a medley of old songs.

One hundred and nineteen guests registered during the day. The children who were present with their companions were: Mr. and Mrs. Monroe Wadzeck, Mr. and Mrs. J. H. Hicks, Mr. and Mrs. V. Alvis, Mr. and Mrs. G. Hicks, Mr. and Mrs. Luther Carr, Mr. and Mrs. Audie Verner, Mr. and Mrs. Joe Averitt.

Many useful and beautiful gifts were brought and presented with words of appreciation for the Christian influence they had wielded as they journeyed down life's pathway together for these half hundred years. "Uncle Waddy" as he is affectionately called, was all weather in smiles as his friends paid their respects to him and said the greatest joy of the occasion was the knowledge that each child was living a consistent Christian life.

Punch was served to the departing guests.

Reverend J. C. Mann of Aspermont was called to Munday Monday for the funeral services of Mrs. Florence Williams. He brought his family to Knox City where they all spent the night with friends. Brother and Mrs. Mann have a baby girl who is now some two months old.

Mr. and Mrs. J. J. O'Brien, who live in Roosevelt Oklahoma, have a new baby boy to gladden their home. The O'Brien family are here with her mother, Mother Shaver. The big boy arrived Monday morning, October 10th. Mrs. O'Brien is doing fine.

## SCHOOL NOTICE

At a meeting of the Knox City School Board Wednesday night, October 12, it was decided that the Knox City School will open Monday week, October 24. The above decision was reached after due consideration was given to what would be to the best interest of the Knox City Community as a whole. We are hoping that all the pupils will be in attendance October.

Mrs. E. F. Branton, assisted by Miss Willie Jones, entertained the 4H club last Friday afternoon in the home of Mrs. Branton. A number of games were played then the house was called to order by the president when business was attended to and plans made for the next meeting. An interesting talk was made by Mrs. Benton Anderson on food value in serving potatoes, milk eggs and meat. After the business session, the club members were assembled for the making of pictures after which a dainty plate lunch consisting of stuffed tomatoes, toasted crackers, individual potato pie topped with whipped cream, mints and iced tea were served to 18 club members and three guests. The club colors, green and white, were carried out in the refreshments.

The sock supper given by the 4H club at the school house Friday night was enjoyed by a nice crowd, the socks selling fine. ## How Modern Women Lose Pounds of Fat Swiftly--Safely

Gain Physical Vigor--Youthfulness With Clear Skin and Vivacious Eyes That Sparkle With Glorious Health

Here's the recipe that banishes fat and brings into blossom all the natural attractiveness that every woman possesses.

Every morning take one half teaspoonful of Kruschen Salts in a glass of hot water before breakfast—cut down on pastry and fatty meats—go light on potatoes, butter, cream and sugar—in 4 weeks get on the scales and note how many pounds of fat have vanished.

Get bottle of Kruschen Salts—the cost is trifling and it lasts 4 weeks. If even this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you won't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

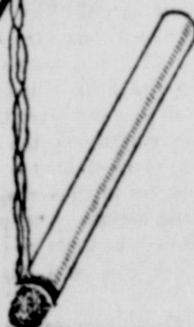

But be sure for your health's sake that you ask for and get Kruschen Salts. Get them at any drugstore in the world.

## The Spread of Power Is the Spread of Industry

What does it mean when electric power is distributed widely over the countryside to small towns and farms? Such is the task that has been accomplished by the building of far-flung power lines in the past twenty years. What is its effect?

It means that industry can operate as efficiently in small communities as in the large cities. It means a better distribution of industrial activity, with an improvement of working conditions and a reduction in manufacturing costs.

Industry is following the power line to the small community... and here in West Texas, the "Land of Opportunity," the West Texas Utilities Company is leading industries to the 125 progressive cities and towns dependably served from its 2,500-mile transmission line network.

Do you know that your increased use of Electric Service is billed on a surprisingly low rate schedule... and adds only a small amount to your total bill?

## Trade In Your Worn Tires for Safe Gripping Non-Skid Firestone Tires

LIBERAL trade-in allowance—note—on all Firestone High Speed and Heavy Duty Tires!

Why take a chance on worn, smooth, uncertain tires when you can buy Firestone non-skid safe, proven tires at lowest prices.

Firestone Tires are designed to grip the road. The non-skid tread is thick, tough and gives 25% longer non-skid safety.

Glen Schultz only last month set a new world's record in climbing Pike's Peak, in 16 min. 47 sec. His top speed was 78 miles per hour—negotiating many hair-raising turns where a skid or a tire failure meant death.

It's that kind of stamina that makes Firestone Tires safe and economical for you. That's why race drivers use Firestone Tires. They won't risk their lives on any other make.

No tire in the world has the Firestone endurance. That is because Gum-Dipping, the patented Firestone process, transforms the cotton cords into tough, sinewy units. It means that the liquid rubber penetrates every cord and coats every fiber, assuring protection against internal heat. Two Extra Gum-Dipped Cord Plies under the Tread, give 56% stronger bond between tread and cord body.

Don't buy cheap tires that are only made to sell. Don't risk your life on wet, slippery pavements these October days—Use the same precaution race drivers use. Trade in your old tires—We will give you a liberal allowance on Firestone Tires—the safest tires in the world.

## A CAREER OPENS UP

IS it not high time for a larger reverence to be given to that quiet unassuming Joseph the Father of Jesus? To Mary, his wife, the church has assigned a place of eternal glory and no thoughtful man can fail to be thankful for it. But with the glorification of Mary, there has been an almost complete neglect of Joseph. This is partly because Mary lived to be known and remembered by the disciples, while nobody remembered Joseph.

Was he just an untutored peasant, married to a superior woman, and baffled by the genius of a son whom he never understood? Or was there, underneath his self-effacement, a vigor and faith that molded the boy's plastic years? Was he a happy companion to the youngsters? Did he carry the youngest, laughing and crowing on his shoulders from the shop? To these questions the narrative gives no answer. And since this is so—we have a right to form our own conception of the character of this vastly significant and whole-

unknown man, and to be guided by the one momentous fact which we do know.

It is this. He must have been friendly and patient and fine; he must have seemed to his children to be an almost ideal parent for when Jesus sought to give mankind a new conception of the character of God, he would find no more exalted term for his meaning than the one word "Father."

Thirty years went by. Jesus had discharged his duty; the younger children were big enough for self-support. The strange strings that had gone on inside him for years were crystallized by the reports of John's success. The hour of the great decision arrived; he hung up his tools and walked out of town.

What sort of looking man was he that day when he appeared on the bank of the Jordan and applied to John for baptism? Unfortunately the Gospel narratives supply no satisfying answer to these questions; and the only passage in ancient literature which purports to be a description

of him has been proved a forgery. Nevertheless, it requires only a little reading between the lines to be sure that almost all the painters have misled us. They have shown us a frail man, under-muscled, with a soft face—a woman's face covered by a beard—and a benign but baffled look as though the problems of living were so grievous that death would be a welcome release.

This is not the Jesus at whose word the disciples left their business to enlist in an unknown cause.

And for proof of that assertion consider only four aspects of his experience: the health that flowed out of him to create health in others; the appeal of his personality to women—weakness does not appeal to them; his lifetime of outdoor living; and the steellike hardness of his nerves.

## HASKELL COUNTY FAIR

OCTOBER 20-21-22

The Haskell County Fair to be held in Haskell on October 20-21-22 Thursday, Friday and Saturday of next week promises to be the most successful exposition in the history of the city, according to the officers and directors who have the show in charge this year.

The premium list which was printed and distributed several weeks ago, has created an interest in the livestock, poultry, agricultural and textile departments that has never been equalled in past years, and the competition in all departments promises to be exceedingly keen and the exhibits will probably be the best ever shown in West Texas.

A new feature has been added this year to the Agricultural Section, in that several substantial prizes are offered on individual farm exhibits as well as community exhibits. A number of farmers have signified their intention of entering their products in this department.

The amusement feature has not been overlooked, and a full program is being arranged to entertain everybody. The Press Rogers Post of the American Legion will have charge of the race track section. They are planning a rodeo performance that will surpass anything that has ever been attempted by the Fair in the past. They have secured the Red Lyon famous herd of wild Brahama steers and bucking horse—the same stock used in the rodeo performance during the Wichita Falls Golden Jubilee Celebration and also at the Amarillo Fair this year. In this herd of show animals will be included a real buffalo cow and calf. Substantial prizes are being offered in all rodeo events, which will bring some of the best talent in this section of the state.

The first day will open with a parade by the cowboys and cowgirls followed by a big barbecue inside of the rodeo grounds—free to all who attend the first performance. Plans are being made to feed three thousand people at the noon hour.

The Tidwell Shows will be the feature attraction on the midway again this year. New shows and new riding devices as well as a big free act will be featured each evening.

### There May Be a Difference of Opinion on Some Subjects!

Some people believe this way and some people that way, but all will admit that selling an idea is usually more difficult than selling a commodity—and especially is it easier in selling the commodity, if advantage is taken of the modern, the economical and the quickest method. That method, is in the use of advertising space in the Herald. Whether you are a merchant or a citizen, when you want to buy or sell, trade or lease, read and use the advertising columns and let people know of your needs or offerings.

<b>If You Want to Sell</b>	<b>If You Want to Buy</b>
A home, a horse, a cow.	Clothes, hats, shoes.
An automobile, a farm.	Homes, cars, radio.
A bicycle, a gun, a dog.	Stoves, furnaces, fuel.
A baby buggy, a canary.	Food; drinks, supplies.

DO YOU KNOW BOYS THAT THE TYRANNY OF FASHION WEIGHS HEAVILY ON ALL SAVAGES, EVEN AS IT DOES IN OUR OWN CIVILIZATION? HELP IN THE ROCKET-PLANE AND WE'LL VISIT A FEW PLACES.

HERE IS, IN AUSTRALIA, A TRIBE THAT SENDS QUITE REGULARLY ABOUT 75 OF ITS MEN 300 MILES THRU HOSTILE TERRITORY TO GET THE TRIBES SUPPLY OF RED OCHRE FOR PAINTING THEIR BODIES...

A LENGTHY AND PAINFUL OPERATION OF FILING THEIR FRONT TEETH TO SHARP POINTS IS PRACTICED BY MANY CANNIBALS. THEY DO THIS TO MAKE THEMSELVES LOOK FERCE AND RESEMBLE DOGS, TIGERS & VARIOUS OTHER ANIMALS.

SOME NATIVES TRY TO IMPROVE ON NATURE BY FILING THE SLASHES THEY MAKE ON THEIR BODIES WITH SALT & ASHES THEREBY MAKING PERMANENT WELTS OTHERS BUY CHARMS AND ORNAMENTS UNDER THE SKIN.

THE TOPS OF SUCH HEADS ARE USUALLY 1 1/4 TO 2 INCHES WIDE.

YOU'VE BEEN AWAY NEARLY AN HOUR BOYS—WHERE HAVE YOU BEEN?

SOME OF OUR NORTH AMERICAN INDIANS WERE NOT SATISFIED WITH THE NATURAL SHAPE OF MAN'S HEAD AND SO APPLIED PRESSURE WITH THE USE OF TWO BOARDS & STRING & PORMED THEIR BABIES SKULLS TO THE SHAPE OF FLAT HEADS.

## On Texas Farms

By W. H. Darrow of A. & M. College

### OCTOBER TIME TO START PASTURE IMPROVEMENT

College Station—The brilliant success of hundreds of East and Central Texas farmers with improved permanent pastures the last few years leads to the prediction by R. H. Bush, special agent in the A. and M. College Extension Service, that the number of farmers beginning pasture improvement this fall will break all records. Returns as high as \$50 per acre have been made on pastures in the East Texas Permanent Pasture Contest this year, from rich grazing furnished dairy and beef cattle, work stock, sheep and hogs, he says. County agent records show that 45,000 acres of permanent pastures yielded 3040 farmers an average of more than \$5 per acre in 1931, and this value is expected to show an increase in 1932. Some of the best pastures are carrying two to three head of mature stock per acre with little additional feed required. "October is the best month to begin improvements," says Mr. Bush. "Waste creek lands make a good spot to begin, although there are many cases of good upland pastures. Improvements may include clearing away underbrush, fencing, mowing weeds, terracing, draining, and always sowing a variety of fine pasture grasses and clovers. Dall's grass has been found good throughout the entire East, South and Central Texas territory as a supplement to Bermuda grass. Rescue grass is commonly sowed and often Italian rye grass. Carpet grass is succeeding in many places. Among the legumes most commonly sown are the yellow and white sweet clovers, lespedeza and black

medic. County agents are ready to help farmers get started on pasture improvement.

Groesbeck—Careful planning, keeping clothing accounts, and wise buying are the important factors in dressing appropriately at low cost, according to 12 Lipton's no frills home demonstration club women who dressed last year at an average cost of \$31.56. Money spent for clothing varied from \$15.16 to \$40.06. These women acted as demonstrators in their clubs and with the help of Miss Gera Kirkman, home demonstration agent, showed their neighbors how to save on clothing. Each one has a foundation pattern to insure well fitting clothes, and each has a roomy closet for storing clothing.

Childress—Handicapped for money with which to develop a demonstration for her club in providing a complete farm food supply, Mrs. M. B. Couch of Plainview Home Demonstration Club as a result of her efforts went into the cottage cheese business and now has money to spare. Coached by Miss Helen Cowan, home demonstration agent, Mrs. Couch start by giving samples of her cheese to friends and three grocery men. Now she has 10 regular customers to whom she sells twice weekly. Since February she has sold more than \$25 worth and after building pantry shelves and buying all necessities for filling her food budget, has \$6 left.

Stamford—A total of 4124 cans of food was conserved at a cost of 4 1/2 cents per can in July and August in a community kitchen in Stamford by home demonstration agent. Containers were furnished by the local community chest, and 2850 cans were turned over to them for the remainder going to the people who ran the kitchen, and to those who furnished the products. Sixty five city residents, many of them on the charity list, worked with 82 farm women under the direction of local home demonstration club members.

Sales of "Chuck Wagon Beans" amounting to 3000 cans since early March, have brought a monthly income of \$45 to \$65 to Mrs. P. H. Gilliland, home demonstration club member of Westway Club in Deaf Smith county. She also sells canned black-eyed peas under the "Better 4-H Products" label of the home demonstration clubs.

A profit of \$114.06 from a quarter acre garden is reported by Gene Harwell, members of the Blalock 4-H club in Cass county. Fresh vegetables used at home weighed out 1276 pounds, and 167 quarts of products were canned.

"Canned goods are worth more to me than money," declared R. D. Burnside of Allef Community, Harris county, as he gave a cash donation to a storm relief committee calling on him for canned stuff from the family pantry.

Fifteen farmers in Dickens county successfully killed and cured 25 hogs last July under refrigeration in a county demonstration. Many of the hams were attractively wrapped for sale under a distinctive "Cap Rock Country Cured" label.

At 12 weeks of age, 10 pigs belonging to R. J. Marshall in Taylor county weighed 994 pounds, having made average gains of 42.7 pounds in 30 days on self feeders. The ration consisted of equal parts of wheat, milo and corn with a protein supplement of equal parts cottonseed meal and tankage, and 10 pounds of bone meal, three pounds of salt, and plenty of clean water and shade.

Mace Moseley has moved to New Mexico with his son Claude.

Mrs. Nellie Mae Withrow and daughter Joe Nell spent Sunday with friends in Haskell.

Mr. and Mrs. L. W. Swift spent Sunday in Abilene.

Reverend and Mrs. Sharp motored to Vernon Tuesday and spent the night with relatives.

Horace Jones of Amarillo was in the city Tuesday visiting with his father W. J. Jones, and other relatives.
