H. E. CLUB

Home Economics girls met to elect their officers for the term of '45 and to organize their Home Economics Club. The meeting was held in the Home Economics room with all the first and second year girls participating. The following officers were chosen:

President.....Clara Dean James
 V-Pres.....Margaret Jackson
 Sec'y-Treas.....Bessie Heater
 Reporter.....Olene Walker
 Various committees will be appointed immediately and plans made for the years program.

FRESHMAN NEWS

Our officers for this year are as follows: President, W. Strickland. Vice-pres. Sammy Tankersley; secretary, Mary Watson; sponsor, Mrs. Carpenter.

This is what the Freshman class thinks of being in high school.

Mary Sue: "It's so ducky it quacks."

Ruby: "Woo, Woo, I like it!"
 Virginia: "Tee, Hee, Hee!"
 Sheila: "It's okay (Hubba, Hubba)!"

Norma: "I like it fine."
 Sammy: "No like it."
 Charles L.: "It ain't no good."
 Jack: "I think it's lousy."
 Waldo: "So-so."

Kenneth: "I had rather go fishing."
 Jimmie: "I don't like it!!!"
 John: "About like it was two years ago."

SOPHOMORE NEWS

The Sophomores started out the school term by electing officers which are as follows:

President Jessie Mae Bohannon
 Vice-Pres.....Clara Dean James
 Sec'y-Treas.....Mary Lou King

We were all very disappointed Friday as bad weather caused us to postpone our picnic. But we are looking forward to some sunny day to plan for it again.

The Sophomores are proud of their football boys, especially the ones from the Sophomore class.

JUNIOR NEWS

As everyone knows we are very

proud of our team and the fine sportsmanship they have shown! And, of course, of the scores.

At the beginning of the year the Juniors elected Mrs. Cape sponsor; Tommie Montandon, president; Marshall Woolley, vice-pres.; Marle Mangis, secretary-treasurer. We are glad to welcome Harold Pack into our class this year.

Most of us are studying kinda hard trying to get used to it again, especially since six-weeks exams are coming up next week.

We have been selling pop at the football games, that is, Leroy and Tommie Gene have. They have started the class well on the way toward a banquet that ought to put all others in the background! We tried selling coffee the last game but got it weakened by the rain.

SENIOR NEWS

The Seniors elected their class officers Monday for the first school term. Willie Marie Corburn is our president and Sam Clontz is secretary and treasurer. An entertainment committee was appointed consisting of Marie Robin, Billie O. Faubion and Sam Clontz.

SPORTS REVIEW

Well, well, Knox City again has a football team we can be proud of. We have played only two conference games and haven't been scored on. With no hard luck we should have district championship.

I want to take this opportunity to thank the businessmen for their support. You have closed your stores for our games, and we really appreciate it.

We also want to thank the P.T.A. for the new uniforms. They are really nice. Really, you folks don't know just how swell they are until you see them.

Everyone who enjoys a good football game should come and get his money's worth. So far we have played two conference games, one with Vera and one with Benjamin. Vera left with a 68-0 defeat while Benjamin was beaten 40-0. We are looking forward to playing Megargel next

Friday and promise it will be a good game.

The lineup is something like this:

Fullbacks — Bobby Hackfield, Jack Teaff.
 Halfbacks—Sam Clontz, Monte Whitten.
 Quarterbacks — Henry White, Ken Clontz.
 Centers—Richard Buckley and Hardy Day.
 Ends—Donald Caussey, Williams Roy Baker, Bobby Lynn Bradberry, Charles Coates, Nile Eyers.
 Everyone is invited to our games. We really appreciate your support.

DOGHOUSE

Who gave Jessie that engagement ring?

We wonder where Bessie got the saying, "Where's Bebla?"

Sam, did you find the road by the railroad tracks muddy a certain Wednesday night? How about that Louise?

Henry, did you and Lora find the filling station water good?

Rudolph, are you still thirsty? Monte, did you go to sleep last Thursday night with all the singing going on? How about that Edna Earl?

Mildred, why was Joe speechless Saturday night? Anything wrong?

I wonder if Nellie was in Abilene Monday? How about that, Mr. Graves?

Say, Bessie, who was that kid from Benjamin you were with in the show Sunday?

Ken, what has happened between you and Rebecca? Maybe Dick could answer that.

Say, Dot, whose wine Chevrolet is that you've been riding around in lately?

Det and Billie O. were seen with two soldiers from O'Brien one Sunday night. Who were they girls?

Say, Mrs. Cape, why don't you leave Monte alone? Or perhaps Monte ought to stop whistling in speech.

Mr. Holcomb is about ready to deliver one of his lectures entitled, "Why I do not slide down banisters."

CHURCH SCHOOL CLASS ENTERTAINED

Mrs. J. O. Hamm, Mrs. Barney Arnold and Mrs. O. A. Green were hostesses to members of their church school class in the basement of the Methodist church Thursday, September 27.

A short business session was held, games were played, and refreshments were served.

For the October social plans have been made to fill Christmas boxes to be sent overseas. Hostesses will be Mrs. Jack Coats, Mrs. Lloyd Waldrip, and Mrs. S. E. Pack.

FARM NEWS

Europe's food situation is desperate. Here is what the Office of War Information says about the food situation in Europe:

"As a whole Europe will produce even less food this season than during the hungry war years. Import needs during the next year include 12 million tons of food.

"Except for wheat, liberated Europe's chief food needs are those for which there is a worldwide shortage; meats, fats and oils, sugar. These will not be available from any source to bring the hungry millions of Europe to anything like their pre-war standard. The world wheat supply can meet their minimum needs if transportation can be supplied.

"What they ask of the rest of the world is enough to stave off threatening famine, increased disease—enough so that they may be able to work."

Applications for dairy production payments on the July, August and September production are being accepted. The payment rate for this period is 33 cents per pound for butterfat and 53 cents per hundred pounds for whole milk.

During the past payment periods we have received numerous receipts that do not have the name of the seller on them. In order to save time and get your payments to you earlier, please have the produce house you sell the cream to, to enter your name.

Due to the shortage of help and the large amount of work we have to do, we would appreciate it if farmers and dairymen will submit their receipts within the first two weeks of October.

Do you like to see a pretty farming operation? If you do, we suggest that you drive by the farm of Frank Cerveny in the Rhinecland community. Mr. Cerveny is a farmer that lets no opportunity pass. His farm is well terraced and contoured. He is seeding 50 pounds of Hairy Vetch and 450 pounds of Austrian Winter Peas this fall. Mr. Cerveny is recognized as a leader of his community. One of the numerous committees he serves on is the AAA committee for his community.

The net income of U.S. farmers reached a new wartime peak last year. Net returns, including government payments to farm operators in 1944 totaled almost 12.5 billion dollars compared to 4.8 billion in 1940.

Farmers are reminded that any soil improving practice carried out since August 1, should be reported if payment is received.

It is up to the farmers to make the cotton picking wage ceiling work. This program was set up for the benefit of the farmers and pickers alike. If it fails, whose fault will it be?

We thought the cotton insurance that was available in 1945 was almost too good to be true, but since attending a meeting in Wichita Falls, it appears that our 1946 insurance will be much better.

A. C. Tackitt of the Sunset community is another farmer that lets no opportunity pass. Mr. Tackitt has just completed 22,255 feet of terraces on his farm east of Knox City. Very little water will run off of that farm no matter how big a rain comes. He is also taking advantage of the Aus-

trian Winter Peas program to AAA is encouraging by planting 20 acres this fall.

Effective as of September 10, 1945, the county AAA committee will not issue a priority to anyone for copper wire. Also effective October 1 priority for lumber will not be issued.

There is no further need for priorities assistance since the supply of materials for non-military needs is expected to increase to meet demands.

We have been told that Claude Richardson of Knox City will make close to a bale of cotton on the land he deep broke last winter, whereas he will not make half that much on the land that was not deep broke.

That reminds us to remind the farmers that if they wish to do any deep breaking this fall and receive the AAA payment of \$1.50 per acre, prior approval of the county committee must be obtained.

We can tell a wheat farmer as far as we can see him now. They have lost that worried look since it began to rain last week.

And by the way, this should be a good time to put those Austrian Winter Peas in the ground.

PLENAMINS

PLENAMINS supply all the vitamins known to be essential to human nutrition, in amounts equal to or exceeding minimum daily adult requirements—plus liver concentrate and iron. Therefore, by taking Plenamins a person has the assurance of complete supplementary vitamin intake no matter what vitamin loss may have occurred in his food. These losses are almost certain in cooking and from storage and other causes. This vital assurance costs only a few cents a day. Every family deserves this inexpensive vitamin insurance.

Bunt Lowrey and Sewell Evans Hold Paris Reunion

The following letter was received by Hollis Warren from Bunt Lowrey, telling of the homecoming in Paris with Sewell Evans. Hollis had furnished the addresses to each in order that they might get together and beat their guns about the old home town.

Paris, France, Sept. 2, 1945.

Dear Hollis:

Just a line; hope you are ok. I am fine. Just be glad to come home and hope it is soon. Don't look like I'll be coming too soon tho, of course, you can't just tell. Thanks for Sewell Evans address, and also for helping us get in touch with each other. We

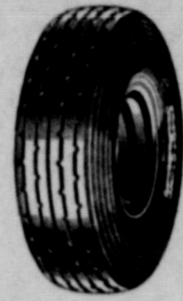

have seen each other twice now, and I expect to go out and see him again in a day or so. He is stationed out in the suburbs while I am right in Paris. He is just the same as ever. Good old Evans; we were sure glad to see each other, too. He was the first guy that I knew that I had seen since I came over. And I was the first one he had seen, too. Sure does anyone good to see someone like that.

He is going home soon, he hopes, getting out on age. I'll probably see him several times before he goes yet.

He told me some pretty weary tales about the Army and the krauts. He has seen quite a bit.

Well, can't think of anything else. Just hope I am home soon.

As ever your pal,
 Bunt Lowrey

The Family Altar

By Rev. Violet Byers
Co-Pastor Foursquare Church

On picking up almost any newspaper today, one reads of strikes and uprisings, revolts and revolutions, masses of people all seeking worldly gain, all striving to go one better than their neighbor. But seldom does one see where someone has given up worldly possessions to seek God. Yet in Mark 8:36, we read these words, "For what shall it profit a man if he shall gain the whole world and lose his own soul? Or what shall a man give in exchange for his soul?"

Many today have sold their souls as Esau did for a mess of pottage and a glass of wine. Esau, the twin brother of Jacob, sold his God-given birthright for a mess of pottage because his stomach cried out for food, but later lived to repent his bargain.

Today we see men and women who are giving no thought for their souls, or where they will spend eternity, but are just living with sufficient unto the day, and letting tomorrow take care of itself. And then again others are looking out for the tomorrow, not asking where their souls will spend eternity, but are laying up treasures on this earth, not seeming to know that some day they will stand before the great Judge of all mankind, and they will be asked the vital question, "What did you do with Jesus, who is called the Christ?"

My friends of the Family Altar, today is the day of Salvation. Tomorrow it may be too late for you. You may awake to find yourself standing before that Judge, and like the man who slipped into the wedding supper without the garments on, you may be speechless before God. God has provided a way for every man to be saved, and on that day when you stand before God no excuse will stand. You will either be a vile sinner in the sight of God, doomed to eternal destruction in the lake of fire, or you will stand before God redeemed by the blood of His son Jesus, whom you have accepted while you were still here on this earth.

Dear friends, stop to think of this vital question right now, and ask yourself, "If I should die tonight where would my soul spend eternity?" Today is the day of salvation. Make your peace with God, accept Jesus as your personal savior today, be-

4-H Club Member Makes Chickens Pay Own Way

Johnnie Loree Jackson of the Vera 4-H club has done a good job as a poultry demonstrator for the Vera club.

She bought 200 baby chicks and of this number she raised 196 birds. There were 143 pullets in her flock. She sold 83 roosters and paid for all her baby chicks. She estimated her pullets at \$1.90 each and after expenses were paid she had cleared \$115.43 on her chicks.

Johnnie was president of the Vera 4-H club and also food demonstrator. Johnnie cooks, sews, keeps house, works in the yard, garden, and cans. She also helps her mother in caring for her little brothers and sisters.

When the County Home Demonstration Agent, Miss Lucille King, met with Johnnie to plan her demonstration she asked if there were any foods that she did not like. She said she could not stand to eat cheese. Learning to eat and like cheese was one of the goals that Johnnie was to accomplish. She was very happy to report that she had learned to eat cheese and liked it.

HARVEST OF STARS IS NEW RADIO PROGRAM

pany offers what may be considered a new concept in radio entertainment in its "Harvest of Stars" which goes on the air over all NBC stations for a half hour at 2:00 p. m., Eastern time, Sunday, October 7th, and regularly thereafter.

International Harvester Company Woven in a dramatic and musically colorful pattern are the people, places and events that are America, under the talented hand of Raymond Massey, in the dual role of narrator and actor. With him will be noted Howard Barlow as conductor of the 75-piece International Harvester orchestra.

cause tomorrow may be too late for you.

Don't let the worldly entanglements separate you from God, or the lust for worldly gain because, my friend, you cannot take one penny with you into eternity. But rather seek God now while He may be found, because tomorrow may be too late for you. God bless you all. Remember, Jesus loved you enough to die to save you.

Veteran's Benefits

QUESTIONS AND ANSWERS
 L. H. Shelton, Contact Representative, Veterans Administration, 305-7 Federal Building, Wichita, Falls, Texas

Q. Where pension is granted to dependent widows, children or parents, because of the death of a veteran resulting from disabilities incurred in WWII service, what rates are payable?
 A. The following are the rates payable per month. Widow but no child, \$50.00; widow, one child, \$65.00; (with \$13.00 for each additional child); No widow, one child, \$25.00; no widow, 2 children, \$38.00 equally divided (\$10.00 for each additional child); total amount to be equally divided; dependent mother or father, \$45.00; both dependent parents, \$25.00 each. As to widow, child or children, the total amount payable may not exceed \$100.00 per month.
 A. No, such dependent is not eligible.
 Q. Is the amount of pension paid to the widow of WWII veteran who died by reason of a service connected disability the same as that paid to the widow of a WWI veteran who died from the same cause?
 A. Yes, there is no difference.

Q. If a widow of WWI veteran is denied a pension because she has an income of more than \$1000 per year, may she be reinstated if her income is reduced?
 A. Yes, when the income of an eligible widow is reduced to \$1000 she may be awarded a pension, upon submission of satisfactory proof.
 Q. Has there been a recent change in the definition of a widow of a World War I veteran for pension purposes?
 A. Yes. Prior to December 14, 1944, the widow of a World War I veteran must have been married to a veteran prior to May 13, 1938. Since the passage of Public Law 483, such a widow is one married prior to its passage on December 14, 1944.
