Gospel Song Concert Tues.

A Gospel Song Concert, featuring The Sunshine Sisters and Shirley Stegall, promoter, of Hollywood, California, has been slated for Tuesday, June 4, at 7:00 p.m. at the Foursquare Church.

Some 20 years ago, three young sisters climbed upon a piano bench in their father's church in Georgia, sang a song, and thus began a trio known in the music world today as the Sunshine Singers.

Sharon, Judy, and Linda Peck have traveled extensively throughout the United States and many foreign countries. They have appeared in the Hollywood Bowl and the world-famed Madison Square Gardens in New York.

Their story is best told by their testimony song, "Jesus Use Me" and their hearts' desire is that many persons will come to know Jesus as their personal Savior through their ministry in music.

The Sunshine Sisters will appear in Dallas after their engagement in Knox City.

No admission will be charged and the public is invited, according to Rev. Floyd Bailey, pastor.

KC Woman Tours England, Scotland

Mrs. Myrtle White returned home last Friday noon after an enjoyable trip to England and Scotland.

Mrs. White accompanied her daughter and her husband, Mr. and Mrs. Jim Clay of San Antonio, his stepmother, Mrs. J.A. Clay Sr. of Fort Worth, and her sister, Mrs. Nell Shumate of San Antonio.

The group departed from Dallas aboard a 747 on May 7. After an overnight stay in New York City, they left there the next day for London where their reservations were at the Tara Hotel, within walking distance of shopping centers and the beautiful King's Gardens.

According to Mrs. White, one of the most impressive visits of the tour to her was the one to Westminster Abbey. She said it was difficult to explain the deep sense of reverence one feels as he views the magnificent cathedral where services have been held continually for 900 years, where men of history are buried, and where the royal weddings are held.

Other points of interest included the Tower of London where the one-time moats have been converted into sunken flower gardens. The

Verlin Cypert, and Johnnie White. The bride will be a junior student next fall and the groom has completed his requirements at Benjamin High School.

The couple plans to reside in Lubbock.

Tower is now a museum filled with items from English history. They also visited Buckingham Palace and saw the changing of the guards.

On Sunday, May 12, the group boarded a train for a seven hour ride along the borders of the North Sea to Edinborough, Scotland. Here they joined the Frames Tour Group for sightseeing. Mrs. White noted that Scotland was the most scenic of the countries they visited and also that the people were the friendliest. Mountains in Scotland, according to Mrs. White, were capped with snow.

In France the group stayed at the Chateau Frontenac, located within walking distance of the Champs Elysees, George V Avenue, Eiffel Tower and the Arch of Triumph. Also close by was the location of the famous couturier, Christian Dior. Mrs. White reported that during their stay in Paris, several times they were awakened during the early morning hours by loud noises and gunfire and were puzzled until they learned that the sounds were coming from movies which are allowed to be made in the famed area after 3:00 o'clock each morning.

Other highlights of the trip included the Royal Shakespearean Theatre at Stratford-on-Avon where they saw the play "King John", and toured the homes and museums of William Shakespeare and Anne Hathaway. They also enjoyed touring the home and museum of Robert Burns at Ayr, Scotland. The poet, famous for his songs and poetry, died at the age of 37.

Tower is now a museum filled with items from English history. They also visited Buckingham Palace and saw the changing of the guards.

On Sunday, May 12, the group boarded a train for a seven hour ride along the borders of the North Sea to Edinborough, Scotland. Here they joined the Frames Tour Group for sightseeing. Mrs. White noted that Scotland was the most scenic of the countries they visited and also that the people were the friendliest. Mountains in Scotland, according to Mrs. White, were capped with snow.

In France the group stayed at the Chauteau Frontenac, located within walking distance of the Champs Elysees, George V Avenue, Eifel Tower and the Arch of Triumph. Also close by was the location of the famous couturier, Christian Dior. Mrs. White reported that during their stay in Paris, several times they were awakened during the early morning hours by loud noises and gunfire and were puzzled until they learned that the sounds were coming from movies which are allowed to be made in the famed area after 3:00 o'clock each morning.

Other highlights of the trip included the Royal Shakespearean Theatre at Stratford-on-Avon where they saw the play "King John", and toured the homes and museums of William Shakespeare and Anne Hathaway. They also enjoyed touring the home and museum of Robert Burns at Ayr, Scotland. The poet, famous for his songs and poetry, died at the age of 37.

Mrs. Propps Reports On Trip To Denmark, Sweden

Mrs. A.E. Propps returned recently from a trip to Copenhagen, Denmark, and Sweden. She was accompanied by her daughter, Mrs. Marjorie Berkeley of Denver, Colorado.

Among the many interesting sights they enjoyed was the formal changing of the Guard at the residential palaces of the Danish royal family. They visited Rosenborg Palace, built in the 16th century, where the Crown Jewels are kept. In Christianborg Palace they visited the Royal Reception Room where the Danish Monarch receives state visitors. The floors in most of the rooms of this palace are of wood and each room has a different design on the floor, Mrs. Propps said.

Mrs. Propps reported that the flowers and lights of Tivoli Gardens were some of the most beautiful she has ever seen. Tivoli Gardens is internationally famous for its landscaping, ballet, pantomime,

more than 20 fine restaurants, concerts, and many other types of amusements. They were privileged to see a magnificent fireworks display at Tivoli which occurs each Wednesday and Saturday nights at 11:45 p.m. Mrs. Propps and Mrs. Berkeley were both impressed at the complete absence of litter in Tivoli and noted that there was no maintenance personnel around—the guests simply did not throw trash on the ground.

While on their trip, they enjoyed a ride on a hydrofoil to Malmö, Sweden, which is across a 22 mile stretch of water from Copenhagen. The antiquities in and around Copenhagen caused the travelers to realize the actual youthfulness of our USA—Copenhagen was founded in 1107!

Their flight to and from Denmark was on a 353-passenger 747 plane of Scandinavian Airlines Systems.

servicing with distinction in significant positions throughout America. In recent years, McMurry has made a particularly enviable record in the sound preparation of young men and women for careers in science, education, and the Christian ministry.

During its golden anniversary commencement exercises, McMurry awarded five honorary degrees. Two special bachelor of philosophy degrees were given to members of the 1923-24 student body that did not complete degree work at McMurry. They are Mrs. Claramaye Couch Galbraith of El Paso, and Mr. Hilland C. Weaver of Plainview.

The Reverend Richard H. Whitwam, Methodist minister from Albuquerque, N.M., received an honorary doctor of divinity degree. Two honorary doctor of laws degrees were awarded to the Honorable Eldon B. Mahon, United States district judge for the Northern District of Texas and Mr. Robert P. Fuller, Lubbock philanthropist and businessman.

An internationally known Asiatic educator, Mrs. Induk Pakh, delivered the Commencement address. Mrs. Pakh is the founder of Berea and the Institute of Design in Korea. She is also the author of several books, including "September Monkey," her autobiography.

Carl is a 1967 graduate of Knox City High School.

Miss Clonts Honored At Patio Party

Miss Diane Clonts, Knox City High School senior, was honored with a patio party Monday evening in the home of her grandparents, Mr. and Mrs. Gene Clonts.

Refreshments of tuna salad sandwiches, ham, cheese, dips, chips, and punch were served to Patti Counts, Timilu Graham, Sarah McGaughey, Stacy Angle, and the honoree.

Miss Clonts, who is valedictorian of her 1974 graduating class, plans to attend McMurry College in Abilene.

She is the daughter of Mr. and Mrs. Joe M. Clonts, who also attended the affair.

Joe Cusimano Elected Mayor

His wife is the former Emma Sue Thompson of Knox City.

Kim King Is State Champ

Kim King, granddaughter of Mrs. Ida King, representing Nazareth High School, won her second straight tennis championship in Class B girls' singles.

Miss King, daughter of Supt. and Mrs. Joe King of Nazareth defeated two other regional champions in bringing home Nazareth's second state title in athletics.

She defeated Rule's Cynthia Carroll, 6-0, 6-3, as she started the climb to her second title. For the championship she defeated Liz Ward of Barksdale Nueces Canyon, 6-2, 6-1.

A senior, Miss King said, "I was just as nervous this time around, and I really think the competition was tougher this year than it was last year. This was my last year, one last chance to be state champion, so I just tried to play my own game."

"Dad was a lot of help", she referred to NHS tennis coach, superintendent and her own father, Joe King. "I also owe a lot to my fellow players, the Lord really gets credit for this though", she added.

The Nazareth coach commented, "It was a fitting way for Kim to close out her high school career. Kim's winning the state championship for the second time was a proud moment for my wife and me. We're proud of the community for all of the support it has given us. We need to give every child the opportunity to do his very best."

Girl Scouts Hold Award Ceremony

by Jeanna Richards

The Girl Scouts had a ceremony Wednesday, May 22, 1974. The program started out with Tammy Helton welcoming everybody to the program.

Next the fourth grade girls in Girl Scouts gave the presentation of the flags. The flag holders were Melinda Hutchinson and Linda Roberts. The two color guards holding up the tails of the flags and marching beside the flag bearers were Melissa Whitley and Nedria Kim Rhodes. Barker, or person telling the color guards what to do and leading the Pledge of Allegiance and America, was Jeanna Richards.

Then the Brownies that were in the third grade went over in front of the bridge and had their fly-up ceremony. Brownies flying up to Juniors were Karae Beason, Leann Benson, Kristi Boone, Jerri Grimsley, Diane Helms, Jill May, Angie Quintano, and Louann Weatherall. They got their Brownie Wings from their leaders Kay May and Glenna Benson. Then they walked across the bridge the Boy Scouts made and got their Girl Scout pins from Mary Richards and Sandra Bateman.

Then we had the candle ceremony. We picked out a law and said it and lit a yellow candle and stuck it in a hole that was in a log. We tried going numerical but we goofed and this is how our numbers went: 1,3,4,5,6,7,9, 10,8,2. Jeanna couldn't get her candle lit at first. She said it and lit her candle and took it over there too swift and it went out. She tried it again and it did the same thing, went out. Then she got it in there.

We all said the Girl Scout Promise with the Fly-up Juniors and sang When E're You Make a Promise.

We then had the award ceremony which all the Juniors getting badges were waiting for. Getting badges were Gerri Watson: Cyclist, Cook, Hospitality, Troop Camper, and Our Troops Own Basketball Badge; Simone Cobb: Cyclist, Housekeeper, Pets, Personal Health, Cook, Hospitality, and Troop Camper; Kelly Watson: Cyclist, Drawing and Painting, Hospitality, Troop Camper, and Basketball; Gaylynn Burkham: Cyclist, Basketball, and Hospitality (she also got a cookie patch for selling 55 boxes of cookies); Kay Howell: Cyclist, Hospitality, Troop Camper and basketball; Kimberly Whitley: Cyclist, Sewing, My Home, Cook, Troop Camper, and Hospitality; Jeanna Richards: Cyclist, Water Fun, Troop Camper, Pets, Rambler, Dabbler, Books, and Hospitality (she also got a cookie patch for selling 56 boxes of cookies); Melinda Hutchinson: Hospitality, Cyclist, Housekeeper, Troop Camper and she also got a cookie patch for selling 51 boxes of cookies; Linda Roberts: Cyclist, Troop Camper, and Hospitality (she also got a patch for selling 50 boxes of cookies); Kim Rhodes: cyclist, Troop Camper, and Hospitality; Melissa Whitley: Cyclist, Writer, Sewing, My Home, Cook, Hospitality, and Troop Camper; Angela Bateman: Troop Camper and Basketball.

We all had fun being together and we really learned a lot.

Music Camp To Be Held At McMurry

High school and junior high students from Knox City are being invited to attend the Summer Music Camp featuring band and choir training June 17-29 at McMurry College in Abilene.

Dr. David Blackburn, director of the McMurry Chanters, and Roger Rush, director of McMurry Band, are in the process of assembling a faculty of distinguished musical educators both from Abilene and elsewhere.

"I hope some vocalists and instrumentalists from Knox City can take advantage of this total and exciting musical experience which we plan," said Dr. Blackburn, who is also chairman of McMurry's division of fine arts. "We also intend to mix in some fun."

The camp will not only provide musical training for junior and senior high students, but will provide advanced college credit for music teachers.

Blackburn himself will be both camp and choral director. Rush will be instrumental director.

McMurry formerly conducted a widely known summer camp in instrumental music and twirling.

"We plan to have camp recreating and a distinguished concert series as well," says Rush. "The emphasis will be upon creative learning in music."

"Classes for youth will include conducting, organ, voice, piano, theory, twirling, drum majoring, and guitar. With youth choral training will be the summer concert choir, ensembles, private and class lessons. A lab band will give young musicians experience in jazz, rock, and other popular music forms.

Music teachers may earn up to four hours of credit. A two-hour course in techniques of arranging, and a two-hour course in vocal and choral techniques will be taught.
